

PRELIMINARY OFFICIAL STATEMENT DATED SEPTEMBER 18, 2026

NEW ISSUE – Book-Entry Only

RATING: Moody's "Aa1/VMIG 1"
SEE "RATING" herein.

In the opinion of Gilmore & Bell, P.C., Bond Counsel to the Issuer, based on an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain certifications and compliance with certain covenants, interest on the Bonds is excludable from gross income for federal income tax purposes, except that no opinion is expressed as to the status of interest on any Bond during any period such Bond is held by a person who is a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Internal Revenue Code of 1986. Interest on the Bonds is not a specific preference item for purposes of federal alternative minimum tax. Bond Counsel is also of the opinion that under existing law, interest on the Bonds is exempt from the State of Utah individual taxes. Bond Counsel expresses no opinion regarding other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds. See "Tax Matters" herein.

**Utah Housing Corporation
Multifamily Housing Revenue Bonds
(Lotus Forge Apartments)
Series 2026**

INTRODUCTION

This Official Statement (this “Official Statement”) has been prepared in connection with the issuance of the above-captioned Bonds (the “Bonds”) by the Utah Housing Corporation (the “Issuer”), an independent body corporate and politic, constituting a public corporation duly organized and validly existing under the laws of the State of Utah (the “State”). The Issuer has authorized the issuance of the Bonds, and the Bonds are issued in accordance with the Utah Housing Corporation Act, which has been codified as Title 63H, Chapter 8, Utah Code Annotated 1953, as amended (the “Act”), that certain resolution adopted by the Issuer on August 27, 2026 (the “Resolution”), and a Trust Indenture dated as of September 1, 2026 (the “Indenture”), by and between the Issuer and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Certain capitalized terms that are used in this Official Statement and not otherwise defined shall have the definitions ascribed to them in “APPENDIX A — DEFINITIONS OF CERTAIN TERMS” hereto.

The Bonds are to be issued for the purpose of providing funds to make a loan (the “Loan”) to Lotus Advantage Forge, LLC, a Utah limited liability company (the “Borrower”), to enable the Borrower to pay a portion of the cost of acquisition, construction, improving, equipping and/or operating of a 193-unit multifamily rental housing project located in Ogden, Utah, and to be known as Lotus Forge (the “Project”). See “PRIVATE PARTICIPANTS” and “THE PROJECT” herein.

The Loan will be made to the Borrower under a Loan Agreement dated as of September 1, 2026 (the “Loan Agreement”), by and between the Issuer and the Borrower. Pursuant to the Loan Agreement, the Borrower has agreed to make payments to the Issuer in amounts sufficient to pay the principal of and interest on the Bonds when due (the “Bond Service Charges”) to the extent that amounts otherwise available for such payment are insufficient therefor. The Loan will be evidenced by a promissory note in the principal amount of \$17,000,000* (the “Note”) from the Borrower to the Issuer and endorsed to the Trustee.

The aggregate funds and Eligible Investments on deposit in the Project Fund and the Collateral Fund will, at all times, equal the principal amount of Bonds Outstanding. Bond Service Charges will be paid from amounts on deposit in the Bond Fund, the Collateral Fund and the Project Fund (collectively, the “Special Funds”), and investment earnings thereon. Amounts on deposit in the Special Funds will be invested in Eligible Investments. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS” herein.

The Bonds shall bear interest on the outstanding principal amount thereof at a rate equal to the Initial Interest Rate set forth on the cover page hereof from the date of delivery to, but not including, October 1, 2028* (the “Initial Mandatory Tender Date”), payable on each April 1 and October 1, commencing April 1, 2027* (each an “Interest Payment Date”).

The Bonds are subject to mandatory tender for purchase (with no right of retention), subject to satisfaction of the applicable terms and conditions set forth in the Indenture, on the Initial Mandatory Tender Date. All Bondholders must tender their Bonds for purchase on each Mandatory Tender Date, as set forth in the Indenture. A new interest rate for the Bonds may be determined on the Initial Remarketing Date in accordance with the terms of the Indenture. If the Bonds are remarketed on the Initial Mandatory Tender Date, the terms of the Bonds after such date may differ materially from the description provided in this Official Statement. Therefore, prospective purchasers

* Preliminary; subject to change.

of the Bonds on and after the Initial Mandatory Tender Date cannot rely on this Official Statement, but rather must rely upon any disclosure documents prepared in connection with such remarketing.

The Bonds are subject to optional and mandatory redemption prior to maturity as set forth herein under “THE BONDS — Mandatory Redemption or Retirement” and “— Optional Redemption” herein.

Subject to the satisfaction of the conditions set forth in the Forward Commitment Agreement dated the Closing Date (the “Forward Commitment Agreement”) between the Borrower and Citibank, N.A. (in such capacity, “Citibank”), Citibank has agreed to make a loan to the Issuer (the “Funding Loan”) to purchase the Governmental Lender Note, as further described in the Indenture on the Initial Mandatory Tender Date or any subsequent Mandatory Tender Date established upon a remarketing of the Bonds (such date being the “Funding Date”) which proceeds will be used to pay the purchase price of the Outstanding Bonds.

Brief descriptions of the Issuer, the Borrower, the Mortgage Lender, the Mortgage Loan, the Investor Member, the Special Member, the Project, the Bonds, the security for the Bonds, the Indenture, the Loan Agreement and the Tax Regulatory Agreement (the “Tax Regulatory Agreement”), dated as of September 1, 2026 among the Issuer, the Trustee and the Borrower, are included in this Official Statement. The summaries herein do not purport to be complete and are qualified in their entirety by reference to such documents, agreements and programs as may be referred to herein, and the summaries herein of the Bonds are further qualified in their entirety by reference to the form of the Bonds included in the Indenture and the provisions with respect thereto included in the aforesaid documents.

The information set forth herein under the headings “THE ISSUER” and “ABSENCE OF LITIGATION — The Issuer,” solely as such information relates to the Issuer, has been furnished by the Issuer. All other information set forth herein has been obtained from the Borrower and other sources that are believed to be reliable. The adequacy, accuracy or completeness of such information is not guaranteed by, and is not to be construed as a representation of, the Issuer or the Underwriter. The information and expressions of opinion herein are subject to change without notice, and neither the delivery of this Official Statement, nor any sale made hereunder, shall under any circumstances create any implication that there has been no change in the affairs of the Issuer, The Depository Trust Company or the Borrower since the date hereof.

THE ISSUER

The following information has been provided by the Issuer for use herein. While the information is believed to be reliable, none of the Trustee, the Underwriter, nor any of their respective counsel, members, officers or employees makes any representations as to the accuracy or sufficiency of such information.

Utah Housing Corporation (“UHC”) was created as an independent body politic and corporate, constituting a public corporation duly organized and existing under the laws of the State of Utah by Title 63H, Chapter 8, Utah Code Annotated 1953, as amended (the “Act”). The purpose of UHC is to assure an adequate source of capital for housing for low- and moderate-income persons living in the State of Utah.

The Act authorizes UHC to borrow money and issue from time to time its bonds, notes and other obligations in such principal amounts as UHC determines shall be necessary to provide sufficient funds to carry out its purposes and powers.

EXCEPT FOR INFORMATION CONCERNING THE ISSUER IN THE SECTIONS HEREOF CAPTIONED “THE ISSUER” AND “ABSENCE OF LITIGATION — THE ISSUER,” NONE OF THE INFORMATION IN THIS OFFICIAL STATEMENT HAS BEEN SUPPLIED OR VERIFIED BY THE ISSUER, AND THE ISSUER MAKES NO REPRESENTATIONS OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

The Issuer has previously issued bonds for the purpose of financing other projects for other borrowers which are payable from revenues received from such other borrowers. Revenue bonds issued by the Issuer for other borrowers have been, and may be, in default as to principal or interest. The source of payment for other bonds

previously issued by the Issuer for other borrowers is separate and distinct from the source of payment for the Bonds, and accordingly, any default by any such other borrower with respect to any of such other bonds is not considered a material fact with respect to the payment of the Bonds.

The Issuer has not reviewed any appraisal for the Project or any feasibility study or other financial analysis of the Project and has not undertaken to review or approve expenditures for the Project, to supervise the construction of the Project or to obtain any financial statements of the Borrower.

THE MORTGAGE LOAN, DEPOSITS INTO THE COLLATERAL FUND AND DISBURSEMENT OF BOND PROCEEDS

Contemporaneously with the issuance of the Bonds, the Borrower will obtain a mortgage loan (the “Mortgage Loan”) from the Mortgage Lender. Over time, Eligible Funds, including proceeds of the Mortgage Loan, are expected to be delivered to the Trustee for deposit into the Collateral Fund established by the Trustee under the Indenture. Upon the deposit of Eligible Funds into the Collateral Fund, and subject to the other applicable provisions set forth in the Indenture and the Loan Agreement, the Trustee shall disburse a like amount of Bond proceeds from the Project Fund to or at the direction of the Mortgage Lender for purposes of paying costs of the Project, all in accordance with the Loan Agreement and the Indenture. The maximum aggregate amount of funds representing proceeds of the Mortgage Loan to be delivered to the Trustee for deposit into the Collateral Fund will be \$17,000,000*.

Bond Service Charges shall be payable as they become due, (i) in the first instance from money on deposit in the Bond Fund (excluding the Negative Arbitrage Account therein), (ii) next from money on deposit in the Negative Arbitrage Account of the Bond Fund, (iii) next from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund and (iv) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund. The Indenture provides that the amount of funds disbursed from the Project Fund on any given date for payment of Qualified Project Costs shall at all times equal the amount of Eligible Funds deposited into the Collateral Fund in connection with such disbursement. Accordingly, the aggregate amount in the Collateral Fund and the Project Fund shall at all times equal 100% of the principal amount of the Bonds outstanding.

Notwithstanding any provision of the Loan Agreement or the Indenture to the contrary, the Trustee will not act upon the delivery of a certified copy of the request for disbursement of funds from the Project Fund, unless and until (i) an amount equal to or greater than the requested disbursement amount has been deposited into the Collateral Fund in accordance with the provisions of the Indenture and (ii) the Trustee has verified that the sum of the amount then held in the Collateral Fund and the amount then on deposit in the Project Fund, less the anticipated amount of the disbursement from the Project Fund, is at least equal to the then-outstanding principal amount of the Bonds. The Mortgage Lender will not deliver Eligible Funds to the Trustee for deposit into the Collateral Fund until the Trustee has first confirmed this calculation to the Mortgage Lender. Upon receipt of Eligible Funds, the Trustee shall be unconditionally and irrevocably obligated to disburse Bond proceeds in the amount of such installment of Eligible Funds to pay for Costs of the Project as set forth in the Indenture.

Amounts on deposit in the Special Funds will be invested on the Closing Date in Eligible Investments. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS — Investment of Bond Fund, Project Fund and Collateral Fund; Eligible Investments” herein.

The Mandatory Tender Dates shall consist of (i) the Initial Mandatory Tender Date, and (ii) any subsequent dates for mandatory tender of the Bonds established by the Borrower, with the consent of the Investor Member, the Special Member, the Mortgage Lender and Citibank, and with the consent of the Remarketing Agent in connection with a remarketing of the Bonds pursuant to the Indenture.

While tendered Bonds are in the custody of the Trustee pending purchase pursuant to the Indenture, the tendering Holders thereof shall be deemed the owners thereof for all purposes, and interest accruing on tendered Bonds through the day preceding the applicable Mandatory Tender Date is to be paid as if such Bonds had not been tendered for purchase.

Notwithstanding anything in the Indenture to the contrary, any Bond tendered under this heading will not be purchased if such Bond matures or is redeemed on or prior to the applicable Mandatory Tender Date.

The Trustee shall utilize the following sources of payments to pay the tender price of the Bonds not later than 2:30 p.m. Local Time on the Mandatory Tender Date in the following priority: (i) if such date is also the Funding Date, amounts representing the purchase price of the Governmental Lender Note received from Citibank on deposit in the Funding Loan Fund; (ii) if such date is not also the Funding Date, amounts representing proceeds of remarketed Bonds deposited into the Remarketing Proceeds Account, to pay the principal amount, plus accrued interest, of Bonds tendered for purchase; (iii) amounts on deposit in the Collateral Fund, to pay the principal amount of Bonds tendered for purchase; (iv) amounts on deposit in the Negative Arbitrage Account of the Bond Fund to pay the accrued interest; if any, on Bonds tendered for purchase; (v) available interest earnings on amounts on deposit in the Project Fund to pay the accrued interest, if any, on the Bonds tendered for purchase; and (vi) any other Eligible Funds available or made available for such purpose at the direction of the Borrower, with the consent of the Issuer.

Bonds shall be deemed to have been tendered for purposes of this heading whether or not the Holders shall have delivered such Undelivered Bonds to the Trustee and, subject to the right of the Holders of such Undelivered Bonds to receive the purchase price of such Bonds and interest accrued thereon to the Mandatory Tender Date, such Undelivered Bonds shall be null and void. If such Undelivered Bonds are to be remarketed, the Trustee shall authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Undelivered Bonds.

Neither failure to give or receive any notice described in this heading, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for in this heading. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales

and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants" and together with Direct Participants, the "Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the Book-Entry System for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee does not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest and redemption or purchase price payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or the Trustee, on payment dates in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory

requirements as may be in effect from time to time. Payment of principal and interest and redemption or purchase price payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory tender for purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The information in this section concerning DTC and DTC's Book-Entry System has been obtained from sources that are believed to be reliable, and the Issuer takes no responsibility for the accuracy thereof.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

General

The Bonds will be secured by all right, title and interest of the Issuer in the Trust Estate (which excludes the Reserved Rights in all cases), including (i) all right, title and interest of the Issuer in and to all Revenues, derived or to be derived by the Issuer or the Trustee for the account of the Issuer under the terms of the Indenture and the Loan Agreement, together with all other Revenues received by the Trustee for the account of the Issuer arising out of or on account of the Trust Estate, (ii) all right, title and interest of the Issuer in and to the Note including all payments and proceeds with respect thereto or replacement thereof, (iii) all moneys (including Eligible Funds received by the Trustee for deposit into the Collateral Fund provided that Mortgage Loan proceeds become part of the Trust Estate concurrently with the Trustee's corresponding disbursement of Bond proceeds to or at the direction of the Mortgage Lender in accordance with the provisions of the Indenture) which are at any time or from time to time on deposit in any fund or account created under the Indenture (excluding funds in the Costs of Issuance Fund (but only to the extent such moneys are not proceeds of the Bonds), the Expense Fund, the Funding Loan Fund and the Rebate Fund), (iv) all right, title and interest of the Issuer in and to, and remedies under, the Loan Agreement; and (v) all funds, moneys and securities and any and all other rights and interests in property whether tangible or intangible from time to time hereafter by delivery or by writing of any kind, conveyed, mortgaged, pledged, assigned or transferred as and for additional security under the Indenture for the Bonds by the Issuer or by anyone on its behalf or with its written consent to the Trustee, which is authorized by the Indenture to receive any and all such property at any and all times and to hold and apply the same subject to the terms of the Indenture (the foregoing collectively referred to as the "Trust Estate").

THE BONDS AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED THEREFOR UNDER THE INDENTURE. THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS ARE PAYABLE SOLELY FROM THE REVENUES OR FROM ANY OTHER MONEYS MADE AVAILABLE TO THE ISSUER FOR SUCH PURPOSE. THE BONDS ARE NOT A DEBT OF THE ISSUER, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF AND NONE OF THE ISSUER, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF IS LIABLE THEREON. THE BONDS ARE NOT INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL, STATUTORY OR CHARTER DEBT LIMITATION OR RESTRICTION AND ARE NOT PAYABLE IN ANY MANNER BY TAXATION. THE ISSUER HAS NO TAXING POWER.

NO MEMBER, DIRECTOR, OFFICER, AGENT, EMPLOYEE OR ATTORNEY OF THE ISSUER, INCLUDING ANY PERSON EXECUTING THE INDENTURE OR THE BONDS, SHALL BE LIABLE PERSONALLY ON THE BONDS OR FOR ANY REASON RELATING TO THE ISSUANCE OF THE BONDS.

NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR THE PREMIUM OR INTEREST ON THE BONDS, OR FOR ANY CLAIM BASED ON THE BONDS, OR OTHERWISE IN RESPECT OF THE BONDS, OR BASED ON OR IN RESPECT OF THE INDENTURE OR ANY SUPPLEMENTAL INDENTURE, AGAINST ANY PAST, PRESENT OR FUTURE MEMBER, DIRECTOR, OFFICER, EMPLOYEE OR AGENT OF THE ISSUER OR ANY SUCCESSOR CORPORATION, AS SUCH, EITHER DIRECTLY OR THROUGH THE ISSUER OR THE GOVERNING BODY OR OTHERWISE, OR THROUGH ANY SUCCESSOR PUBLIC CORPORATION, WHETHER BY VIRTUE OF ANY CONSTITUTION, STATUTE, RULE OF LAW OR EQUITY, OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, ALL SUCH LIABILITY BEING, BY THE ACCEPTANCE OF THE BOND AND AS PART OF THE CONSIDERATION FOR THE ISSUANCE OF THE BONDS, EXPRESSLY WAIVED AND RELEASED.

Repayment of Loan

The Loan Agreement and the Note obligate the Borrower to cause to be paid to the Trustee amounts, which together with any moneys available for such payment in any account of the Bond Fund, shall be sufficient to pay Bond Service Charges coming due on each Interest Payment Date. At all times the Eligible Funds required to be deposited into the Collateral Fund and amounts on deposit in the Bond Fund and the Project Fund, if any, along with interest earnings thereon (without the need for reinvestment), will be sufficient to pay such Bond Service Charges, and payments by the Trustee of such amounts will be a credit against the Borrower's payment obligations under the Loan Agreement and the Note.

Investment of Bond Fund, Project Fund and Collateral Fund; Eligible Investments

All amounts on deposit in the Bond Fund, Project Fund and Collateral Fund will be invested in Eligible Investments at all times. It is anticipated that all of the Bond proceeds in the Project Fund will be disbursed in accordance with the Indenture to pay Project Costs on and after the Closing Date and that Bond Service Charges will be paid from amounts on deposit in the Bond Fund and Collateral Fund and any investment earnings thereon.

Additional Bonds

The Indenture does not provide for the issuance of additional bonds on parity with the Bonds.

They may be financially interested in, as officers, members or otherwise, and devote substantial times to, business and activities that may be inconsistent or competitive with the interests of the Project.

The obligations and liabilities of the Borrower under the Loan Agreement and the Note are of a non-recourse nature and are limited to the Project and moneys derived from the operation of the Project. Neither the Borrower nor its members have any personal liability for payments on the Note to be applied to pay the principal of and interest on the Bonds. Furthermore, no representation is made that the Borrower has substantial funds available for the Project. Accordingly, neither the Borrower’s financial statements nor those of its members are included in this Official Statement.

Project Regulation

The Borrower intends to operate the Project as a qualified residential rental project in accordance with the provisions of Section 142(d) of the Code. Concurrently with the issuance of the Bonds, the Borrower, the Trustee and the Issuer will enter into the Tax Regulatory Agreement. Under the Tax Regulatory Agreement, the Borrower will agree that, at all times during the qualified project period (as defined in the Tax Regulatory Agreement), the Borrower will rent at least 40% of the units in the Project to persons whose adjusted family income (determined in accordance with the provisions of the Code) is no more than 60% of the area median income (adjusted for family size) (“AMI”). See “APPENDIX D – SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT” herein.

In addition to the rental restrictions imposed upon the Project by the Tax Regulatory Agreement, the Project will be further encumbered by a tax credit restrictive covenant, to be executed by the Borrower in connection with the federal low-income housing tax credits anticipated to be granted for the Project and in compliance with the requirements of Section 42 of the Code. Section 42 of the Code will restrict the income levels of 100% of the residential units in the Project (the “Tax Credit Units”). 193 of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 60% of the AMI adjusted for family size.

* Preliminary; subject to change.

CERTAIN BONDHOLDERS' RISKS

The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.

General

Payment of the Bond Service Charges, and the Borrower's obligations with respect to the Bond Service Charges, will be secured by and payable from Bond proceeds held in the Project Fund, if any, and moneys deposited into the Collateral Fund and the Bond Fund, including the Negative Arbitrage Account held in the Bond Fund. Although the Borrower will execute the Note to evidence its obligation to repay the Loan, it is not expected that any revenues from the Project or other amounts, except moneys in the Bond Fund, Project Fund, if any, and Collateral Fund, will be available to satisfy that obligation. The Indenture requires the Trustee to verify, before any disbursement of funds from the Project Fund, that the sum of the funds on deposit in the Project Fund and the Collateral Fund is at least equal to the then outstanding principal amount of the Bonds. It is expected that all of the Bond proceeds in the Project Fund will be disbursed to pay Project Costs on and after the Closing Date. At all times funds on deposit in the Collateral Fund and Negative Arbitrage Account of the Bond Fund, and the interest earnings thereon (without the need for reinvestment), will be sufficient to pay the debt service on the Bonds.

Limited Security for Bonds

The Bonds are limited obligations of the Issuer payable solely from the Trust Estate, which includes certain funds pledged to and held by the Trustee pursuant to the Indenture. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" herein.

The Bonds are not secured by the Project, the Mortgage Loan or any other mortgage on the Project. Investors should look exclusively to amounts on deposit in the Bond Fund, Project Fund, if any, and Collateral Fund under the Indenture and investment earnings on each as the source of payment of debt service on the Bonds.

Future Determination of Taxability of the Bonds

Failure of the Borrower to have complied with and to continue to comply with certain covenants contained in the Loan Agreement and the Tax Regulatory Agreement could result in interest on the Bonds being taxable retroactive to the date of original issuance of the Bonds. The Bonds are not subject to redemption upon a determination of taxability and are not subject to payment of additional interest in such an event, and neither the Issuer nor the Borrower will be liable under the Bonds, the Indenture or the Loan Agreement for any such payment of additional interest on the Bonds.

Issuer Limited Liability

The Bonds are limited obligations of the Issuer payable solely from certain funds pledged to and held by the Trustee pursuant to the Indenture. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" herein. The Bondholders will have no recourse to the Issuer in the event of an Event of Default on the Bonds. The Trust Estate for the Bonds will be the only source of payment on the Bonds.

Enforceability of Remedies upon an Event of Default

The remedies available to the Trustee and the owners of the Bonds upon an Event of Default under the Indenture, the Loan Agreement, the Tax Regulatory Agreement or any other document described herein are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, the remedies provided for under such documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

Secondary Markets and Prices

No representation is made concerning the existence of any secondary market for the Bonds. The Remarketing Agent will not be obligated to repurchase any of the Bonds, nor can any assurance be given that any secondary market will develop following the completion of the offering of the Bonds. Further, there can be no assurance that the initial offering prices for the Bonds will continue for any period of time. Furthermore, the Bonds should be purchased for their projected returns only and not for any resale potential, which may or may not exist.

Eligible Investments

Proceeds of the Bonds deposited into the Project Fund and Eligible Funds received by the Trustee for deposit into the Collateral Fund are required to be invested in Eligible Investments. See “APPENDIX A — DEFINITIONS OF CERTAIN TERMS” hereto for the definition of Eligible Investments. There can be no assurance that there will not be a loss resulting from any investment held for the credit of the Project Fund or the Collateral Fund, and any failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

Rating Based on Eligible Investments

The rating on the Bonds is based on the amounts in the Project Fund, Bond Fund and the Collateral Fund being invested in Eligible Investments. If one or more of such investments fail to meet the rating standards for Eligible Investments after their acquisition and prior to maturity, such a change may result in a downgrade or withdrawal of the rating on the Bonds.

Subordination to Mortgage Loan Documents

The Indenture, the Loan Agreement, the Note, and the Tax Regulatory Agreement contain provisions regarding subordination of such documents to the Mortgage Loan Documents. No assurance can be given that such provisions will not impair the excludability of interest on the Bonds from gross income for federal income tax purposes.

Future Legislation; IRS Examination

The Project, its operation and the treatment of interest on the Bonds are subject to various laws, rules and regulations adopted by the local, State and federal governments and their agencies. There can be no assurance that relevant local, State or federal laws, rules and regulations may not be amended or modified or interpreted in the future in a manner that could adversely affect the Bonds, the Trust Estate created under the Indenture, the Project, or the financial condition of or ability of the Borrower to comply with its obligations under the various transaction documents.

In recent years, the Internal Revenue Service (“IRS”) has increased the frequency and scope of its examination and other enforcement activity regarding tax exempt bonds. Currently, the primary penalty available to the IRS under the Code is a determination that interest on bonds is subject to federal income taxation. Such event could occur for a variety of reasons, including, without limitation, failure to comply with certain requirements imposed by the Code relating to investment restrictions, periodic payments of arbitrage profits to the United States of America, the timely and proper use of Bond proceeds and the facilities financed therewith and certain other matters. See “TAX MATTERS” herein. No assurance can be given that the IRS will not examine the Issuer, the Borrower, the Project or the Bonds. If the Bonds are examined, it may have an adverse impact on their price and marketability.

Potential Impact of Pandemics or Public Health Crises

The spread of the strain of a virus and resulting disease could alter the behavior of businesses and people in a manner that could have negative effects on global, state and local economies. There can be no assurances that the spread of a pandemic would not materially impact both local and national economies and, accordingly, have a materially adverse impact on the Project’s operating and financial viability. The effects of a pandemic could include,

among other things, an increase in the time necessary to complete the construction and/or rehabilitation of the Project, suspension or delay of site inspections and other on-site meetings, interruption in the engagement of material participants in the Project, increase in the time necessary to conduct lease-up at the Project, and increased delinquencies and/or vacancies, all of which could impact the Borrower's ability to make payments on the loans and result in a default and acceleration thereof.

Summary

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement and the Appendices hereto.

TAX MATTERS

Legal matters incident to the authorization, validity and issuance of the Bonds are subject to the unqualified approving opinion of Gilmore & Bell, P.C., Bond Counsel, whose opinion will be available at the time of delivery of the Bonds. It is anticipated that the approving opinion will be in substantially the form attached to this Official Statement as Appendix F.

The following is a summary of the material federal and State of Utah income tax consequences of holding and disposing of the Bonds. This summary is based upon laws, regulations, rulings and judicial decisions now in effect, all of which are subject to change (possibly on a retroactive basis). This summary does not discuss all aspects of federal income taxation that may be relevant to investors in light of their personal investment circumstances or describe the tax consequences to certain types of owners subject to special treatment under the federal income tax laws (for example, dealers in securities or other persons who do not hold the Bonds as a capital asset, tax-exempt organizations, individual retirement accounts and other tax deferred accounts, and foreign taxpayers), and, except for the income tax laws of the State of Utah, does not discuss the consequences to an owner under any state, local or foreign tax laws. The summary does not deal with the tax treatment of persons who purchase the Bonds in the secondary market. Prospective investors are advised to consult their own tax advisors regarding federal, state, local and other tax considerations of holding and disposing of the Bonds.

General

In the opinion of Gilmore & Bell, P.C., Bond Counsel to the Issuer, based on an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain certificates and compliance with certain covenants, interest on the Bonds is excludable from gross income for federal income tax purposes, except that no opinion is expressed as to the status of interest on any Bond during any period such Bond is held by a Person who is a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code. Interest on the Bonds is not a specific preference item for purposes of federal alternative minimum tax. Bond Counsel is also of the opinion that under existing law, interest on the Bonds is exempt from State of Utah individual taxes. Bond Counsel expresses no opinion regarding other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds. A copy of the opinion of Bond Counsel is set forth in "APPENDIX F" hereto.

The Code imposes various restrictions, conditions, and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Bonds. The Issuer and the Borrower have made certain certifications and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on Bonds will not be includable in federal gross income. Inaccuracy of these certifications or failure to comply with these covenants may result in interest on the Bonds being includable in gross income for federal income tax purposes, possibly from the date of issuance of such bonds. The opinion of Bond Counsel assumes the accuracy of these certifications and compliance with these covenants. Bond Counsel's engagement with respect to the Bonds ends with the issuance of the Bonds. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) or any other matters coming to the attention of Bond Counsel after the date of issuance of the Bonds may adversely affect the value of, or the tax status of interest on, the Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Section 142(d) of the Code provides that interest on certain obligations, such as the Bonds, substantially all of the proceeds of which are to be used to provide financing for “residential rental property” shall be exempt from federal income tax if, among other things, at all times during the Qualified Project Period either 20% or more of the units are set aside for tenants having incomes of 50% or less of area median income or 40% or more of the units are set aside for tenants having incomes of 60% or less of area median income. Under the Code and Treasury Regulations, the failure to satisfy the foregoing requirements on a continuous basis, unless corrected within a reasonable period of time of not less than sixty (60) days after such noncompliance is first discovered or should have been discovered, will cause the loss of the tax-exempt status of interest on the Bonds from the date of issuance of the Bonds.

Future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent bondholders from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such future legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Issuer or the Borrower, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS.

Although Bond Counsel is of the opinion that interest on the Bonds is excludable from gross income for federal income tax purposes and is exempt from Utah individual income taxes, the ownership or disposition of, or the accrual or receipt of interest on, the Bonds may otherwise affect a bondholder's federal, state or local tax liability. The nature and extent of these other tax consequences will depend upon the particular tax status of the bondholder or the bondholder's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Original Issue Discount for Bonds

For federal income tax purposes, original issue discount is the excess of the stated redemption price at maturity of a Bond over its issue price. The stated redemption price at maturity of a Bond is the sum of all payments on the Bond other than “qualified stated interest” (i.e., interest unconditionally payable at least annually at a single fixed rate). The issue price of a Bond is generally the first price at which a substantial amount of the Bonds of that maturity have been sold to the public. Under Section 1288 of the Code, original issue discount on tax-exempt bonds accrues on a compound basis. The amount of original issue discount that accrues to an owner of a Bond during any accrual period generally equals (1) the issue price of that Bond, plus the amount of original issue discount accrued in all prior accrual periods, multiplied by two (2) the yield to maturity on that Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus three (3) any interest payable on that Bond during that accrual period. The amount of original issue discount accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for federal income tax purposes, and will increase the owner's tax basis in that Bond. Prospective investors should consult their own tax advisors concerning the calculation and accrual of original issue discount, if any.

Original Issue Premium for Bonds

For federal income tax purposes, premium is the excess of the issue price of a Bond over its stated redemption price at maturity. The stated redemption price at maturity of a Bond is the sum of all payments on the Bond other than “qualified stated interest” (i.e., interest unconditionally payable at least annually at a single fixed rate). The issue price of a Bond is generally the first price at which a substantial amount of the Bonds of that maturity have been sold to the public. Under Section 171 of the Code, premium on tax-exempt bonds amortizes over the term of the Bond

using constant yield principles, based on the purchaser's yield to maturity. As premium is amortized, the owner's basis in the Bond and the amount of tax-exempt interest received will be reduced by the amount of amortizable premium properly allocable to the owner, which will result in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes on sale or disposition of the Bond prior to its maturity. Even though the owner's basis is reduced, no federal income tax deduction is allowed. Prospective investors should consult their own tax advisors concerning the calculation and accrual of bond premium, if any.

Other Tax Consequences

Sale, Exchange or Retirement. Upon the sale, exchange or retirement (including redemption) of a Bond, an owner of the Bond generally will recognize gain or loss in an amount equal to the difference between the amount of cash and the fair market value of any property actually or constructively received on the sale, exchange or retirement of the Bond (other than in respect of accrued and unpaid interest) and such owner's adjusted tax basis in the Bond. To the extent a Bond is held as a capital asset, such gain or loss will be capital gain or loss and will be long-term capital gain or loss if the Bond has been held for more than 12 months at the time of sale, exchange or retirement.

Reporting Requirements. In general, information reporting requirements will apply to certain payments of principal, interest and premium paid on the Bonds, and to the proceeds paid on the sale of the Bonds, other than certain exempt recipients (such as corporations and foreign entities). A backup withholding tax will apply to such payments if the owner fails to provide a taxpayer identification number or certification of foreign or other exempt status or fails to report in full dividend and interest income. The amount of any backup withholding from a payment to an owner will be allowed as a credit against the owner's federal income tax liability.

Collateral Federal Income Tax Consequences. Prospective purchasers of the Bonds should be aware that ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income," foreign corporations subject to the branch profits tax, life insurance companies, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry or have paid or incurred certain expenses allocable to the Bonds. Bond Counsel expresses no opinion regarding these tax consequences. Purchasers of Bonds should consult their tax advisors as to the applicability of these tax consequences and other federal income tax consequences of the purchase, ownership and disposition of the Bonds, including the possible application of state, local, foreign and other tax laws.

UNDERWRITING

Pursuant to and subject to the terms and conditions set forth in the Bond Purchase Agreement (the "Bond Purchase Agreement"), among Stifel, Nicolaus & Company, Incorporated (the "Underwriter"), the Issuer and the Borrower, the Underwriter has agreed to purchase the Bonds at the price set forth on the cover page hereof. For its services relating to the transaction, the Underwriter will receive a fee of \$_____ plus \$_____, payable in immediately available funds on the Closing Date, from which the Underwriter shall pay certain fees and expenses relating to the issuance of the Bonds. The Underwriter's fee shall not include the fee of its counsel.

The Underwriter's obligations are subject to certain conditions precedent, and the Underwriter will purchase all the Bonds, if any are purchased. Pursuant to the Bond Purchase Agreement, the Borrower has agreed to indemnify the Underwriter and the Issuer against certain civil liabilities, including liabilities under federal securities laws. It is intended that the Bonds will be offered to the public initially at the offering prices set forth on the cover page hereof and that such offering prices subsequently may change without any requirement of prior notice. The Underwriter may offer the Bonds to other dealers at prices lower than those offered to the public.

The Underwriter does not guarantee a secondary market for the Bonds and is not obligated to make any such market in the Bonds. No assurance can be made that such a market will develop or continue. Consequently, investors may not be able to resell Bonds should they need or wish to do so for emergency or other purposes.

The Underwriter and its affiliates comprise a full-service financial institution engaged in activities which may include securities sales and trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. The Underwriter and its affiliates may have provided, and may in the future provide, a variety of these services to the Issuer and/or the Borrower and to persons and entities with relationships with the Issuer and/or the Borrower, for which they received or will receive customary fees and expenses. The Underwriter is not acting as financial advisor to the Issuer or the Borrower in connection with the offer and sale of the Bonds.

In the ordinary course of these business activities, the Underwriter and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the Issuer and/or the Borrower (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Issuer and/or the Borrower.

The Underwriter and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. Such investment and securities activities may involve securities and instruments of the Issuer.

In addition to serving as Underwriter, Stifel, Nicolaus & Company, Incorporated has been designated to serve as Remarketing Agent and will receive a fee for its remarketing services in connection with any remarketing of the Bonds on the Initial Mandatory Tender Date.

RATING

Moody's Investors Service, Inc., a Delaware corporation (the "Rating Agency"), has assigned to the Bonds the rating set forth on the cover page hereof. The rating reflects only the view of the Rating Agency at the time the rating was issued and an explanation of the significance of such rating may be obtained from the Rating Agency. The rating is not a recommendation to buy, sell or hold the Bonds. There is no assurance that any such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of such rating can be expected to have an adverse effect on the market price of the Bonds.

UNDERTAKING TO PROVIDE CONTINUING DISCLOSURE

The Borrower has undertaken responsibility for any continuing disclosure to Bondholders as described below, and the Issuer will have no liability to the Bondholders or any other person with respect to such disclosures.

Prior to the issuance of the Bonds, the Borrower will execute and deliver a Continuing Disclosure Agreement pursuant to which the Borrower will agree to provide ongoing disclosure pursuant to the requirements of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"). Financial statements and other operating data will be provided at least annually to the Municipal Securities Rulemaking Board (the "MSRB") and notices of certain events will be issued pursuant to the Rule. Information will be filed with the MSRB through its Electronic Municipal Market Access ("EMMA") system, unless otherwise directed by the MSRB. The form of the Continuing Disclosure Agreement is attached hereto as APPENDIX E.

A failure by the Borrower to comply with the Continuing Disclosure Agreement will not constitute an Event of Default under the Loan Agreement. Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker or dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price and the ability of the Issuer to issue and sell bonds in the future.

The Borrower has not previously been subject to the continuing disclosure requirements of the Rule.

CERTAIN LEGAL MATTERS

Certain legal matters relating to the authorization and validity of the Bonds will be subject to approving opinion of Gilmore & Bell, P.C., Salt Lake City, Utah, Bond Counsel to the Issuer. The approving opinion of Bond Counsel, in substantially the form set forth as APPENDIX F to this Official Statement, will be delivered with the Bonds.

Certain legal matters will be passed upon for the Borrower by its counsel, Poole & Associates, Salt Lake City, Utah, and for the Underwriter by its counsel, Tiber Hudson LLC, Washington, D.C. Payment of the fees of certain counsel to the transaction is contingent upon the issuance and delivery of the Bonds.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering those opinions on the legal issues explicitly addressed therein. By rendering the legal opinion, the opinion giver does not become an insurer or guarantor of an expression of professional judgment of the transaction opined upon or of the future performance of parties to such transaction, nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

Procedure for Making Disbursements from Project Fund

Upon the deposit of Eligible Funds into the Collateral Fund, as provided in the Indenture, the Trustee shall disburse the proceeds of the Bonds on deposit in the Project Fund on such date solely to pay the Costs of the Project and only upon receipt by the Trustee of (i) a signed Requisition in substantially the form attached as an appendix to the Indenture approved by the Mortgage Lender and (ii) certification by a Borrower Representative that at least 95% of the total Costs of the Project intended to be paid with such Bond proceeds are qualified costs pursuant to Section 142 of the Code, the Trustee shall disburse from the Project Fund Bond proceeds, in the amount set forth in the applicable Requisition, solely to pay Costs of the Project. To the extent money on deposit in the Project Fund is invested in Eligible Investments, the Trustee shall not sell or otherwise terminate such Eligible Investments prior to their stated maturity date and instead the Trustee is instructed by the Indenture to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Project Fund to pay Costs of the Project: (a) allocate all or a portion of the Eligible Investments in the Project Fund, in the amount specified in the request for disbursement, to the Collateral Fund, and (b) transfer to the Project Fund a like amount of Eligible Funds on deposit in the Collateral Fund to be disbursed in accordance with the Indenture. The Issuer shall have no involvement and/or discretion with respect to the review and approval of Requisitions or the disbursement of funds from the Project Fund.

The Trustee shall not disburse money from the Project Fund, other than to pay interest and principal on the Bonds as otherwise permitted under the Indenture, unless and until Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited into the Collateral Fund in accordance with the Indenture. In accordance with the Loan Agreement, and prior to making any disbursement from the Project Fund (except to make necessary interest and principal payments on the Bonds as otherwise permitted under the Indenture), the Trustee shall determine that the aggregate account balance in (a) the Collateral Fund and (b) the Project Fund (less the requested disbursement amount) is at least equal to the then-Outstanding principal amount of the Bonds.

Money in the Project Fund shall be disbursed in accordance with the provisions of the Loan Agreement and the Indenture. To the extent moneys are not otherwise provided to the Trustee to make the necessary interest and principal payments on each Interest Payment Date, including moneys deposited into the Bond Fund or the Collateral Fund, the Trustee shall, without further written direction, transfer from the Project Fund to the Bond Fund sufficient Eligible Funds to make such necessary interest and principal payments on each Interest Payment Date.

Notwithstanding anything contained in the Indenture or any of the Borrower Documents to the contrary: with respect to Eligible Funds funded by the Mortgage Lender for deposit into the Collateral Fund, the Trustee shall be

irrevocably and unconditionally obligated to disburse an equal amount of funds from the Project Fund to either the Mortgage Lender, the Borrower or the Title Company pursuant to a Requisition as directed by the Mortgage Lender. Such disbursements shall be made pursuant to a Requisition and shall not be made more frequently than once per month.

Subject to the Trustee's obligation to return the Eligible Funds to the Mortgage Lender as set forth below, the Trustee and the Issuer shall not, in any event, be responsible or liable to any person for the disbursement of, or failure to disburse, moneys from the Project Fund or any part thereof, and no contractor, subcontractor or material or equipment supplier or their respective successors and assigns shall have any right or claim against the Trustee or the Issuer under the Indenture.

Notwithstanding anything contained in the Indenture or any of the Borrower Documents to the contrary, if for any reason the Trustee is not able to disburse a corresponding amount of Bond proceeds from the Project Fund to or at the direction of the Mortgage Lender, immediately following receipt of Eligible Funds from the Mortgage Lender, for deposit into the Collateral Fund, the Trustee shall promptly wire transfer such funds back to the Mortgage Lender, and not deposit the same into the Collateral Fund.

For purposes of complying with the requirements of this section, the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon the Requisition signed by the authorized officer of the Borrower. The Trustee shall not be bound to make an investigation into the facts or matters stated in any Requisition of the Borrower. The Trustee shall not be responsible for determining whether the funds on hand in the Project Fund are sufficient to complete the Project. The Trustee shall not be responsible to collect lien waivers.

Notwithstanding anything to the contrary in the Indenture or the Loan Agreement, no portion of the Bonds, the Governmental Lender Note, the Funding Loan, or the Loan shall be used to finance any "qualified facility" (as such term is defined in Section 48E(b)(3) of the Code) or any "energy storage technology" (as such term is defined in Section 48E(c)(2) of the Code) with respect to the Project.

Notwithstanding anything contained in the Indenture to the contrary, the initial disbursement of proceeds of the Bonds on the Closing Date shall be made in accordance with the Closing Memorandum.

Investment of Bond Fund, Project Fund, and Collateral Fund

Money in all funds or accounts including the Bond Fund, Project Fund, and Collateral Fund shall be invested and reinvested by the Trustee, and at all times held in Eligible Investments at the written direction (including facsimile transmission) of the Borrower (such written direction to specify the particular investment in Eligible Investments to be made), which must be in accordance with the investment provisions in the Indenture and in the Tax Certificate. In the absence of written direction of the Borrower, any moneys held under the Indenture shall be invested in (i) the First American Treasury Fund (FUZXX), or if such fund is unavailable, (ii) investments described in paragraph (b) of the definition of Eligible Investments.

At no time shall the Borrower direct that (a) any funds constituting gross proceeds of the Bonds be used in any manner as would constitute failure of compliance with Section 148 of the Code or (b) any funds be held other than in Eligible Investments. The Issuer covenants and agrees not to take, or cause to be taken, any action or fail to take any action reasonably within its control with respect to the investment of monies under the Indenture that is inconsistent with the provisions of the Indenture and which would result in the Bonds becoming arbitrage bonds within the meaning of Code Section 148(a). The Issuer further covenants and agrees to comply with and take all actions required of it by the Tax Certificate and to continue to do so as specified in the Tax Certificate notwithstanding any satisfaction or discharge of the Indenture.

It is acknowledged and agreed that the Issuer shall have no discretion regarding the investment or reinvestment of funds pursuant to the Indenture.

Investments of money in the Bond Fund, the Project Fund and the Collateral Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts necessary to provide money to pay any amounts

due on the Bonds as they become due on each Interest Payment Date or at stated maturity or on a Mandatory Tender Date. In addition, investment of money in the Project Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts as may be necessary to make anticipated payments from the Project Fund. Any investment in the Bond Fund, the Project Fund or the Collateral Fund that are not classified as Eligible Investments shall be invested in Governmental Obligations.

The Trustee shall sell or redeem investments credited to the Bond Fund to produce sufficient money applicable under the Indenture to and at times required for the purposes of paying any amounts due on the Bonds, and shall do so without necessity for any order on behalf of the Issuer or the Borrower and without restriction by reason of any order. An investment made from money credited to an applicable fund or account shall constitute part of that respective fund or account. All investment earnings from amounts on deposit in the Project Fund and the Collateral Fund shall be credited to and become part of the Bond Fund. All gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Project Fund and the Collateral Fund shall be credited to and become part of the Bond Fund. Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments upon receipt of a Cash Flow Projection.

Notwithstanding anything in the Indenture to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying Bond Service Charges shall be held uninvested as cash and (ii) Bond proceeds and the Initial Deposit to the Negative Arbitrage Account, if any, shall be held uninvested as cash until the Trustee has purchased, sold or exchanged Eligible Investments.

Any investments may be purchased from or sold to the Trustee, or any bank, trust company or savings and loan association which is an affiliate or subsidiary of the Trustee; provided that all such investments must be Eligible Investments.

The Trustee shall not be liable for losses, fees, taxes or other charges in connection with any investments, reinvestments or liquidations made in compliance with the provisions of the Indenture.

If the Trustee is required to sell or otherwise dispose of any Eligible Investments prior to maturity at a price below par prior to the Initial Mandatory Tender Date, the Borrower shall, at the Borrower's expense, deliver to the Trustee (i) a Cash Flow Projection and (ii) Eligible Funds in the amount set forth in such Cash Flow Projection, if any.

Although each of the Issuer and the Borrower recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, each of the Issuer and the Borrower agrees that confirmations of Eligible Investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. The Trustee may conclusively rely upon the Borrower's written instructions as to both the suitability and legality of the directed investments.

Investment of Rebate Fund

Any moneys held as part of the Rebate Fund, and not immediately required for the purposes of the Rebate Fund, shall be invested or reinvested by the Trustee, at the written direction (including facsimile transmission) of the Borrower Representative, in Governmental Obligations or in any money market or short-term investment fund investing in or consisting solely of and secured by Governmental Obligations, including any such fund maintained by the Trustee or an affiliate thereof having maturities consonant with the need for funds as estimated by the Borrower, such written direction shall specify the particular investment in Governmental Obligations, money market or short term investments in or consisting solely of and secured by Governmental Obligations to be made. In the absence of such written direction, the Trustee shall invest such moneys in the _____. All investment earnings, gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Rebate Fund shall be retained therein.

Discharge of Lien

If and when the Bonds secured by the Indenture shall become due and payable in accordance with their terms as provided in the Indenture, or otherwise, and the whole amount of the principal and the interest so due and payable upon all of the Bonds, together with all other amounts payable under the Indenture by the Issuer and all fees, costs and expenses of the Trustee and its counsel and the Issuer (including, without limitation, all fees, costs and expenses owed in connection with the Reserved Rights), shall be paid, or provision shall have been made for the payment of the same, then the right, title and interest of the Trustee in and to the Trust Estate and all covenants, agreements and other obligations of the Issuer to the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, upon written request of the Issuer (as directed by the Borrower) and subject to the provisions of the Indenture, the Trustee shall turn over to the Borrower, so long as there shall have occurred no Event of Default which is uncured and continuing, any surplus in the Bond Fund and all balances remaining in any other fund created under the Indenture and shall assign and transfer to the Borrower all other property then held by the Trustee under the Indenture and shall execute such documents as may be reasonably required by the Issuer.

If and when the Trustee shall hold sufficient moneys under the Indenture, as verified to the Trustee in writing by an independent public accounting firm of national reputation or other firm similarly experienced in performing such computations, to provide for payment of the whole amount of the principal and interest due and payable and thereafter to become due and payable upon all the Bonds, together with all other amounts (exclusive of amounts in the Rebate Fund or the Expense Fund) payable or which may thereafter become payable under the Indenture by the Issuer, notwithstanding that all the Bonds have not yet become due and payable and that consequently the right, title and interest of the Trustee in and to the Trust Estate shall not have ceased, terminated and become void pursuant to the foregoing provisions of this heading, the Trustee, on demand of the Issuer (which shall be requested by the Borrower) but subject to the provisions of the Indenture, shall turn over to the Borrower, so long as there shall have occurred no Event of Default which is uncured and continuing, or to such person, body or authority as may be entitled to receive the same, any surplus in the Bond Fund in excess of the amount sufficient to pay the whole amount of the principal and interest due and payable and thereafter to become due and payable upon all Bonds together with all other amounts payable or which may thereafter become payable under the Indenture by the Issuer.

All Outstanding Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed above if (a) there shall have been deposited with the Trustee (as verified to the Trustee in writing by an independent public accounting firm of national reputation or other firm similarly experienced in performing such computations) either (i) moneys in an amount which shall be sufficient, or (ii) Governmental Obligations which are not subject to redemption prior to maturity, the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal and interest due and to become due on such Bonds on the maturity date thereof, and (b) the Issuer (at the direction of the Borrower and subject to of the provisions of the Indenture) shall have given the Trustee, in form satisfactory to it irrevocable instructions to give, as soon as practicable, a notice to the Holders of such Bonds and the Rating Agency that the deposit required by subclause (a) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this heading and stating such maturity upon which moneys are to be available for the payment of the principal of and interest on such Bonds. The Borrower shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Governmental Obligations deposited pursuant to this section or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding Bonds.

Neither the securities nor moneys deposited with the Trustee pursuant to this heading nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on such Bonds; provided that any cash received from such principal or interest payments on such securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested, as directed by the Borrower, in Governmental Obligations (including any short-term investment fund rated Aa1 or VMIG 1 by the Rating Agency and secured by and investing solely in Governmental Obligations) maturing at times and in amounts sufficient to pay when due the principal and interest to become due on such Bonds on and prior to such maturity dates thereof, as the case may be, and interest earned from such reinvestment shall be paid over to the Borrower, as received by the Trustee, free and clear of any trust, lien or pledge.

The release of the obligations of the Issuer under this heading shall be without prejudice to the right of the Trustee provided in the Indenture to be paid compensation for all services rendered by it under the Indenture and all its fees, expenses, charges and other disbursements and those of its attorneys, agents and employees, incurred on behalf of the Trustee in connection with the trust created by the Indenture and the performance of its powers and duties under the Indenture, and shall not affect the obligations of the Borrower to make the payments required by the Loan Agreement or the Note.

Events of Default and Acceleration

If any of the following events occur, it is defined by the Indenture as and declared to be and constitute an “Event of Default:”

- (a) any interest on any Bond is not paid on the date on which the same becomes due; or
- (b) any principal of any Bond is not paid on the date on which the same becomes due, whether at the stated maturity thereof, by acceleration or otherwise; or
- (c) an Event of Default occurs under the Loan Agreement; or
- (d) the Issuer fails to duly and promptly perform, comply with, or observe any covenant, condition, agreement or provision (other than as specified in (a) or (b) above) contained in the Bonds or in the Indenture on the part of the Issuer to be performed, and such failure shall continue for a period of 90 days after written notice specifying such failure and requiring the same to be remedied shall have been given to the Issuer, the Borrower, the Special Member, and the Investor Member by the Trustee, which notice may be given by the Trustee and shall be given at the written request of the Holders of not less than 100% in principal amount of the Bonds then Outstanding; provided, however, that if such default be such that it is correctable but cannot be corrected within 90 days, it shall not be an Event of Default if the Issuer, the Borrower, the Special Member, or the Investor Member is taking appropriate corrective action to cure such failure and if such failure will not impair the security for the Loan or the Bonds.

If any Loan payment required under the Loan Agreement to avoid a default under (a) or (b) above shall not have been received at the close of business on the last Business Day preceding the day on which payment must be made to avoid a default under such (a) or (b), the Trustee shall use its best efforts to give telephonic notice of such default to the Borrower, the Special Member, and the Investor Member, which telephonic notice shall be confirmed by written notice to the Borrower. If any other default shall occur under the provisions of this Section, the Trustee shall, within five days after having actual knowledge of such default, use its best efforts to give written notice of such default to the Issuer, the Borrower, the Special Member, the Investor Member and the Holders of the Bonds. A default or an Event of Default specified in (a) through (d) above shall occur even though the Trustee fails to give the notice required by this paragraph, the giving of such notice being intended solely to aid in the enforcement of the rights of Bondholders and not in limitation of such rights and the Trustee incurring no liability for failure or defect in giving such notice.

If an Event of Default specified in (a) or (b) above shall occur and be continuing for 30 days, the Trustee shall declare the principal of all Bonds then Outstanding to be immediately due and payable by notice in writing to that effect delivered to the Issuer, the Special Member, the Investor Member and the Borrower, and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable at the place of payment provided therein, anything in the Indenture or in the Bonds to the contrary notwithstanding.

If an Event of Default specified in (c) or (d) above shall occur and be continuing, the Trustee, upon written request of the Holders of a majority in principal amount of the Bonds then Outstanding shall declare the principal of all Bonds then Outstanding to be immediately due and payable by notice in writing to that effect delivered to the Issuer, the Special Member, the Investor Member and the Borrower, and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable at the place of payment provided therein, anything in the Indenture or in the Bonds to the contrary notwithstanding.

The Special Member or the Investor Member shall be entitled to cure any Event of Default under the Indenture within the time frame provided to the Borrower. The Issuer and the Trustee agree that cure of any default or Event of Default made or tendered by the Special Member or the Investor Member shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Remedies in Addition to Acceleration

Upon the occurrence of, and during the continuance of, any Event of Default, then and in every such case the Trustee in its discretion may, and upon the written request of the Holders of not less than 51% in principal amount of the Bonds then Outstanding and receipt of satisfactory indemnity shall (in addition to its right or duty to accelerate as provided in the Indenture):

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Bondholders, and require the Issuer or the Borrower to carry out any agreements with or for the benefit of the Bondholders and to perform its or their duties under the Act and the Documents, provided, however, that any claim against the Issuer shall be strictly limited to the Trust Estate;
- (b) bring suit upon the Bonds; or
- (c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders.

Termination of Proceedings

In case any proceeding taken by the Trustee on account of any default or Event of Default shall have been discontinued or abandoned for any reason, the default or Event of Default has been cured, or shall have been determined adversely to the Trustee, then and in every such case, the Issuer, the Trustee, the Bondholders, and the Borrower shall be restored to their former positions and rights under the Indenture, respectively, and all rights, remedies and powers of the Trustee shall continue as though no such proceeding had been taken.

Right of Bondholders To Direct Proceedings

No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust under the Indenture, or any other remedy under the Indenture or on the Bonds, unless such Holder previously shall have given to the Trustee written notice of an Event of Default as provided in the Indenture and unless also the Holders of not less than 51% in principal amount of the Bonds then outstanding shall have made written request of the Trustee to do so, after the right to exercise such powers or rights of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted by the Indenture, or to institute such action, suit or proceeding in its or their name; and unless there also shall have been offered to the Trustee security and satisfactory indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall not have complied with such request within a reasonable time; and such notification, request and offer of indemnity are declared in every such case, to be conditions precedent to the execution of the trusts of the Indenture or for any other remedy under the Indenture; it being understood and intended that no one or more Holders of the Bonds secured by the Indenture shall have any right in any manner whatever by its or their action to affect, disturb or prejudice the security of the Indenture, or the rights of any other Holder, or to enforce any right under the Indenture or the Bonds, except in the manner provided in the Indenture and for the equal benefit of all Holders of Outstanding Bonds. For purposes of the foregoing sentence, the Trustee shall be deemed to have failed to act within a reasonable time if it fails to take action within 60 days after receipt of notice and compliance with the foregoing terms and conditions, whereupon, the Holders of 51% aggregate principal amount of the Bonds may take such action in the place of the Trustee. Nothing contained in the Indenture shall, however, affect or impair the right of any Holder of Bonds to enforce the payment of the principal of and interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of and interest (solely from the Trust Estate), on each of the Bonds issued under the Indenture to the respective Holders of the Bonds at the time, place, from the source and in the manner in the Indenture and in such Bonds expressed.

Remedies Vested in Trustee

All rights of action under the Indenture or under any of the Bonds secured by the Indenture which are enforceable by the Trustee may be enforced by it without the possession of any of the Bonds or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the equal and ratable benefit of the Holders of the Bonds, subject to the provisions of the Indenture.

Application of Moneys

All moneys received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture shall, after payment of the fees, costs and expenses of the proceedings resulting in the collection of such moneys and of the accrued fees, expenses, disbursements and advances incurred or made by the Trustee, and then to the accrued Issuer Fees and Expenses or other amounts due and owing to the Issuer or the Issuer Indemnified Parties (including, without limitation, any amounts owed in connection with the Reserved Rights and indemnification due to the Issuer and the Issuer Indemnified Parties in accordance with the Loan Agreement), be deposited in the Bond Fund and all moneys so deposited in the Bond Fund during the continuance of an Event of Default (other than moneys for the payment of Bonds which have matured or otherwise become payable prior to such Event of Default or for the payment of interest due prior to such Event of Default, which moneys shall continue to be held for such payments) shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become, or shall have been declared due and payable, all such moneys shall be applied:

First — To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the direct order of the maturity of the installments of such interest and, if the amounts available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege;

Second — To the payment to the persons entitled thereto of the unpaid principal, on any of the Bonds, which shall have become due (other than Bonds which have matured or otherwise become payable prior to such Event of Default and moneys for the payment of which are held in the Bond Fund or otherwise held by the Trustee), and if the amount available shall not be sufficient to pay in full the amount of principal, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto, without any discrimination or privilege;

Third — To the payment to the persons entitled thereto of all other of the Issuer's Obligations and the Borrower's Obligations, and, if the amount available shall not be sufficient to pay such Borrower's Obligations in full, then to the payment ratably, according to the amounts then due, to the persons entitled thereto without discrimination or privilege; and

Fourth — The remainder, if any, shall be paid over to the Borrower, its successors or assigns, or whomever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

(b) If the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal of and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest to the persons entitled thereto without any discrimination or privilege. Any remaining funds shall be applied in accordance with the paragraphs designated "Third" and "Fourth" of subsection (a) above.

Whenever moneys are to be applied pursuant to the provisions of this section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts or principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Amendments to Indenture and Loan Agreement Not Requiring Consent of Bondholders

The Issuer and the Trustee may, from time to time and at any time, without the consent of Bondholders, enter into agreements supplemental to the Indenture and the Loan Agreement as follows:

- (i) to specify and determine any matters and things relative to Bonds which shall not materially adversely affect the interest of the Bondholders;
- (ii) to cure any formal defect, omission or ambiguity in the Indenture or the Loan Agreement if such action does not materially adversely affect the rights of the Bondholders;
- (iii) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may lawfully be granted or conferred and which are not contrary to or inconsistent with the Indenture as theretofore in effect;
- (iv) to add to the covenants and agreements of the Issuer in the Indenture or the Loan Agreement other covenants and agreements to be observed by the Issuer which are not contrary to or inconsistent with the Indenture or the Loan Agreement as theretofore in effect;
- (v) to add to the limitations and restrictions in the Indenture or the Loan Agreement, other limitations and restrictions to be observed by the Issuer which are not contrary to or inconsistent with the Indenture or the Loan Agreement as theretofore in effect;
- (vi) to confirm, as further assurance, any pledge under and the subjection to any claim, lien or pledge created, or to be created by, the Indenture, of the Revenues or of any other moneys, securities or funds; or
- (vii) to modify, amend or supplement the Indenture or the Loan Agreement in any respect which, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Bonds.

Before the Issuer shall enter into any agreement supplemental to the Indenture pursuant to this section, there shall have been filed with the Trustee an opinion of Bond Counsel stating that (1) such supplemental indenture is authorized or permitted by the Indenture and complies with its terms, and that upon adoption it will be the legal, valid and binding obligation of the Issuer in accordance with its terms and (2) the effectiveness of the supplemental indenture will not, in and of itself, adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes.

The Trustee shall send written notice to the Borrower, the Special Member, the Investor Member and the Rating Agency of any amendment to the Indenture or the Loan Agreement and, if requested, copies of any such amendments.

Amendments to Indenture Requiring Consent of Bondholders

Subject to the terms and provisions contained in this section and not otherwise, the Holders of not less than 66 2/3% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, to consent

to and approve the execution and delivery by the Issuer and the Trustee of any agreement supplemental to the Indenture as shall be deemed necessary or desirable by the Issuer and the Trustee for the purposes of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained in the Indenture; provided, however, that, unless approved in writing by the Holders of all of the Bonds then Outstanding, nothing in the Indenture contained shall permit, or be construed as permitting, (i) a change in the terms of maturity of the principal of or the interest on any Outstanding Bond, or a reduction in the principal amount of any Outstanding Bond or the rate of interest thereon, or (ii) the creation of a claim or lien upon, or a pledge or assignment of, the Trust Estate ranking prior to or on a parity with the claim, lien, assignment or pledge created by the Indenture, or the release of the Trust Estate or any part thereof (except to the extent permitted pursuant to the Documents), or (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (iv) a reduction in the aggregate principal amount of the Bonds required for any action or consent by Bondholders set forth in the Indenture, including (without limitation) that required for consent to such supplemental indentures. This section shall not limit or otherwise affect the ability of the Issuer to enter into agreements supplemental to the Indenture without the consent of the Bondholders pursuant to the Indenture.

If at any time the Issuer and the Trustee shall determine to enter into any supplemental indenture for any of the purposes of this section, the Trustee shall cause written notice of the proposed supplemental indenture to be given to all Holders of the Bonds; provided, however, that failure to give such notice or any defect therein, shall not affect the validity of any proceedings pursuant to the Indenture. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that a copy thereof is on file at the Trust Office for inspection by all Bondholders.

Within 120 days after the date of giving such notice, the Issuer and the Trustee may enter into such supplemental indenture in substantially the form described in such notice only if there shall have first been filed with the Issuer (i) the written consents of Holders of not less than 66 2/3% in aggregate principal amount of the Bonds then outstanding (or 100% if required under the Indenture) and (ii) an Opinion of Counsel stating that (1) such supplemental indenture is authorized or permitted by the Indenture and complies with its terms, and that upon adoption it will be the legal, valid and binding obligation of the Issuer in accordance with its terms and (2) the effectiveness of the supplemental indenture will not, in and of itself, adversely affect the exclusion of interest on the Bonds from gross income for federal income taxes.

If the Holders of not less than the percentage of Bonds required by this section shall have consented to and approved the supplemental indenture as provided in the Indenture, no Holder of any Bond shall have any right to object to such supplemental indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety thereof, or to enjoin or restrain the Issuer or the Trustee from entering into the same or from taking any action pursuant to the provisions thereof.

Upon the effectiveness of any supplemental indenture entered into pursuant to the provisions of this section, the Indenture shall be, and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under the Indenture of the Issuer, the Trustee and all Holders of Bonds then outstanding shall thereafter be determined, exercised and enforced under the Indenture subject in all respects to such modifications and amendments.

The Trustee shall send written notice to the Rating Agency of any amendment to the Indenture. The Trustee shall incur no liability for failure to give any such notice.

Supplemental Indentures Part of Indenture

Any supplemental indenture entered into in accordance with the provisions of the Indenture shall thereafter form a part of the Indenture and all the terms and conditions contained in any such supplemental indenture as to any provision authorized to be contained therein shall be and shall be deemed to be a part of the terms and conditions of the Indenture for any and all such purposes.

Amendments to Documents Requiring Consent of Bondholders

Except as provided in the Indenture, the Issuer and the Trustee shall not consent to any amendment, change or modification of the Documents without the giving of written notice and the written approval or consent of the Holders of the Bonds at the time Outstanding, given and procured as provided in the Indenture; provided, however, no such separate approval or consent shall be required in connection with the issuance of refunding bonds if any required consent of the required number of Holders to the issuance thereof shall have been previously obtained. If at any time the Issuer and the Borrower shall request in writing the consent of the Trustee to any such proposed amendment, change or modification, the Trustee shall cause notice of such proposed amendment, change, or modification to be given in the same manner as provided by the Indenture with respect to supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Trust Office for inspection by all Bondholders.

Amendment, Restatement, and Supersession

On the Funding Date, and upon the execution and delivery of the Funding Loan Agreement, the Borrower Loan Agreement and the Governmental Lender Note, the Indenture, the Loan Agreement and the Bonds shall be deemed amended, restated and superseded in full by the terms thereof. Certain requirements of the Indenture shall not apply to such amendment and restatement.

Severability

In case any one or more of the provisions of the Indenture or of the Bonds for any reason, is held to be illegal or invalid such illegality or invalidity shall not affect any other provisions of the Indenture or the Bonds, and the Indenture and the Bonds shall be construed and enforced to the end that the transactions contemplated by the Indenture be effected and the obligations contemplated by the Indenture be enforced as if such illegal or invalid provisions had not been contained therein.

Mortgage Loan Documents Independent

Enforcement of the covenants in the Indenture will not result in, and neither the Issuer nor the Trustee has or shall be entitled to assert, any claim against the Borrower, the Project, the Mortgage Loan proceeds, any reserves or deposits required by the Mortgage Lender in connection with the Mortgage Loan transaction, or the rents or deposits or other income of the Project.

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in the Indenture or any of the Borrower Documents will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

Notwithstanding anything in the Indenture, the Loan Agreement, the Note or the Bond Purchase Agreement to the contrary, (i) the Mortgaged Property (as defined in the Mortgage Loan Security Instrument) shall not include any portion of the Trust Estate and the Mortgage Lender shall not have any claim to or lien upon the Trust Estate under the Indenture and funds held by the Trustee under the Indenture and pledged to secure the repayment of the Bonds, except for Eligible Funds that may be returned to the party that deposited said funds with the Trustee as may be required under the Indenture and (ii) the Trust Estate shall not include any portion of the Mortgaged Property (as defined in the Mortgage Loan Security Instrument).

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE LOAN AGREEMENT

The following is a summary of certain provisions of the Loan Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Loan Agreement, a copy of which is on file with the Trustee. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture and the Loan Agreement.

Disbursements from the Project Fund

In the Indenture, the Issuer has authorized and directed the Trustee to make disbursements from the Project Fund to pay Costs of the Project upon satisfaction of the requirements of the Indenture. The Trustee is directed in the Indenture to make disbursements from the Project Fund as provided in the Indenture, and pursuant to the receipt of a Requisition, approved by the Mortgage Lender, in substantially the form attached to the Indenture as an appendix.

The Borrower's right to request disbursements from the Project Fund is limited to the principal amount of the Loan and conditioned upon the deposit of Eligible Funds into the Collateral Fund as set forth in the Indenture.

Borrower Required to Pay in the Event Project Fund Is Insufficient

In the event the moneys in the Project Fund are not sufficient to pay the Costs of the Project in full, the Borrower agrees to complete the Project and to pay that portion of the Costs of the Project in excess of the moneys available therefor in the Project Fund. The Issuer does not make any warranty, either express or implied, that the moneys paid into the Project Fund and available for payment of the Costs of the Project will be sufficient to pay all of the Costs of the Project. The Borrower agrees that if after exhaustion of the moneys in the Project Fund, the Borrower shall pay any portion of the Costs of the Project pursuant to the provisions of this section, the Borrower shall not be entitled to any reimbursement therefor from the Issuer, the Trustee or the Holders of any of the Bonds, nor shall the Borrower be entitled to any diminution of the amounts payable under the Loan Agreement.

Loan of Proceeds

The Issuer agrees, upon the terms and conditions of the Loan Agreement and the Indenture, to lend to the Borrower the proceeds received by the Issuer from the sale of the Bonds. Such proceeds shall be disbursed to or on behalf of the Borrower as provided in the Loan Agreement.

Mortgage Loan to Borrower; Eligible Funds

Contemporaneously with the issuance of the Bonds, it is expected that the Borrower shall proceed with obtaining the Mortgage Loan from the Mortgage Lender. In particular, the Borrower will promptly take all necessary actions on its part to close the Mortgage Loan.

In consideration of and as a condition to the disbursement of Bond proceeds in the Project Fund to pay Project Costs, and to secure the Borrower's obligation to make Loan Payments, the Borrower shall cause the Mortgage Lender, from time to time, to deliver Eligible Funds to the Trustee for deposit into the Collateral Fund to enable the Trustee to disburse an equal amount of Bond proceeds from the Project Fund, as approved by the Mortgage Lender in connection with a completed and fully executed Requisition, in substantially the form attached to the Indenture as an appendix.

Borrower's Obligations Upon Tender of Bonds

If any tendered Bond is not remarketed on any Mandatory Tender Date and a sufficient amount is not available in the Collateral Fund, the Negative Arbitrage Account of the Bond Fund, or the Project Fund as provided in the Indenture for the purpose of paying the purchase price of such Bond, the Borrower will cause to be paid to the

Trustee by the applicable times provided in the Indenture, an amount equal to the amount by which the principal amount of all Bonds tendered and not remarketed, together with interest accrued to the Mandatory Tender Date, exceeds the amount otherwise available pursuant to the Indenture.

Defaults Defined

The following shall be “Defaults” under the Loan Agreement and the term “Default” shall mean, whenever it is used in the Loan Agreement, any one or more of the following events:

(a) Failure by the Borrower to pay any amount required to be paid under subsection (a) or (b) under the heading “Amounts Payable” in the Loan Agreement when due.

(b) Failure by the Borrower to observe and perform any covenant, condition or agreement on its part to be observed or performed in the Loan Agreement other than as referred to in subsection (a) above or failure by the Borrower to observe and perform any covenant, condition or agreement on its part to be observed or performed in the Tax Certificate, for a period of 60 days after written notice, specifying such failure and requesting that it be remedied, will have been given to the Borrower, and the Investor Member by the Issuer or the Trustee; provided, with respect to any such failure covered by this subsection (b), no event of default will be deemed to have occurred so long as a course of action adequate to remedy such failure will have been commenced within such 60-day period and will thereafter be diligently prosecuted to completion and the failure will be remedied thereby.

(c) The dissolution or liquidation of the Borrower, or the voluntary initiation by the Borrower of any proceeding under any federal or state law relating to bankruptcy, insolvency, arrangement, reorganization, readjustment of debt or any other form of debtor relief, or the initiation against the Borrower of any such proceeding which shall remain undismissed for 90 days, or failure by the Borrower to promptly have discharged any execution, garnishment or attachment of such consequence as would impair the ability of the Borrower to carry on its operations at the Project, or assignment by the Borrower for the benefit of creditors, or the entry by the Borrower into an agreement of composition with its creditors or the failure generally by the Borrower to pay its debts as they become due.

(d) The occurrence of an Event of Default under the Indenture (other than under clause (d) under the heading “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE — Events of Default and Acceleration”).

(e) Any Guarantor for any reason contests, repudiates or purports to revoke the Guaranty, or the Guaranty at any time and for any reason ceases to be in full force and effect.

The provisions of subsection (b) above are subject to the following limitation: if by reason of force majeure it is impossible for the Borrower in whole or in part, despite its best efforts, to carry out any of its agreements contained in the Loan Agreement (other than its obligations relating to the Loan as set forth in the Loan Agreement), the Borrower shall not be deemed in Default during the continuance of such inability. Such force majeure event does not affect any obligations of the Borrower other than the timing of performance of such obligations. The term “force majeure” as used in the Loan Agreement shall mean, without limitation, the following: acts of God; strikes or other industrial disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States of America or of the State or of any of their departments, agencies or officials, or of any civil or military authority; insurrections; riots; terrorism; landslides; earthquakes; fires; storms; droughts; floods; explosions; and events not reasonably within the control of the Borrower. The Borrower agrees, however, to use its best efforts to remedy with all reasonable dispatch the cause or causes preventing the Borrower from carrying out its agreement. The settlement of strikes and other industrial disturbances shall be entirely within the discretion of the Borrower and the Borrower shall not be required to settle strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of the Borrower unfavorable to the Borrower.

Remedies on Default

Whenever any Default referred to under the section “Defaults Defined” above shall have happened and be continuing beyond the expiration of any applicable cure period, the Trustee, or the Issuer (in the event the Trustee fails to act), may take one or any combination of the following remedial steps:

(a) If the Trustee has declared the Bonds immediately due and payable pursuant to the Indenture, by written notice to the Borrower, declare an amount equal to all amounts then due and payable on the Bonds, whether by acceleration of maturity (as provided in the Indenture) or otherwise, to be immediately due and payable, whereupon the same shall become immediately due and payable; and

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under the Loan Agreement, the Note, the Tax Regulatory Agreement or any other Document in the event of default thereunder.

Any amounts collected pursuant to action taken under this section (other than sums collected for the Issuer on account of the Reserved Rights, which sums shall be paid directly to the Expense Fund (for further remittance to the Issuer), to the Issuer, or the applicable Issuer Indemnified Party, as applicable) shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture.

Whenever any Default has occurred and is continuing, the Trustee may, but except as otherwise provided in the Indenture shall not be obligated to, exercise any or all of the rights of the Issuer under Article VII of the Loan Agreement, upon notice as required to the Issuer. In addition, the Trustee shall have available to it all of the remedies prescribed by the Indenture. If the Trustee is not enforcing the Issuer’s rights in a manner to protect the Issuer or is otherwise taking action that brings adverse consequences to the Issuer, then the Issuer may, without the consent of the Trustee, take whatever action at law or in equity may appear necessary or appropriate to enforce the Reserved Rights and to collect all sums then due and thereafter to become due to the Issuer under the Loan Agreement.

No Remedy Exclusive

Except as otherwise indicated in the Indenture, no remedy conferred upon or reserved to the Issuer or the Trustee by the Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Loan Agreement, the Tax Regulatory Agreement or the Note, or now or thereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Trustee to exercise any remedy reserved to it in the Loan Agreement, it shall not be necessary to give any notice, other than such notice as may be required in the Loan Agreement. Such rights and remedies as are given the Issuer under the Loan Agreement shall also extend to the Trustee, and the Trustee and the Holders of the Bonds, subject to the provisions of the Indenture, including, but not limited to the Reserved Rights, shall be entitled to the benefit of all covenants and agreements contained in the Loan Agreement.

No Additional Waiver Implied by One Waiver

In the event any agreement contained in the Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach under the Loan Agreement.

Mortgage Loan Documents Independent

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in the Loan Agreement, the Indenture or the other Borrower Documents will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

To the extent not otherwise set forth above, the provisions of the Indenture described under the heading “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE — Mortgage Loan Documents Independent” are incorporated in the Loan Agreement by reference to the same extent as if set forth in the Loan Agreement in full.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT

The following is a brief summary of the Tax Regulatory Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Tax Regulatory Agreement, a copy of which is on file with the Trustee.

The Issuer, the Trustee and the Borrower will enter into a Tax Regulatory Agreement (the “Tax Regulatory Agreement”) in order to set forth certain terms and conditions relating to the acquisition and operation of the Project. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture and the Tax Regulatory Agreement.

Low Income Tenants

To the end of satisfying the requirements of Section 142(d) of the Code and related Treasury Regulations relating to income limits, the Borrower represents, covenants and agrees as follows:

At all times during the Qualified Project Period, at least 40% of all Completed Units in the Project shall be occupied solely by Low Income Tenants; provided that for purposes of satisfying such requirement, the following general principles shall apply:

The determination of whether the income of a resident of a Residential Unit in the Project exceeds the applicable income limit shall be made at least annually on the basis of the current income of such resident. If the income of a resident of a Residential Unit in the Project did not exceed the applicable income limit upon commencement of such resident’s occupancy of such unit (or as of the date of any prior determination under subsection (i) above), the income of such resident shall be treated as continuing to not exceed the applicable income limit; provided, however, the preceding sentence shall cease to apply to any resident whose income as of the most recent annual determination under subsection (i) above exceeds 140% of the applicable limit if after such determination, but before the next determination, any Residential Unit of comparable or smaller size in the Project is occupied by any resident whose income exceeds the applicable income limit. If credit is allowed under section 42 of the Code with respect to the Project, the proviso in the immediately preceding sentence shall be applied by substituting “building” (within the meaning of section 42) for “Project.”

A Residential Unit which was occupied by a Low Income Tenant shall be treated as occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not to exceed 31 days, at which time the character of the Residential Unit shall be redetermined.

If necessary, the Borrower shall refrain from renting Residential Units to persons other than Low Income Tenants in order to avoid violating the covenant set forth in this section.

The Borrower shall obtain and maintain on file a sworn income certification in the form attached as an appendix to the Tax Regulatory Agreement with respect to the occupants of a sufficient number of Residential Units in the Project to satisfy the covenant set forth in this section; and each such certification shall be in such form, signed by such person or persons, and obtained at such time or times, as is required and by the applicable Treasury Regulations under Section 142(d) of the Code and shall promptly deliver to UHC or the Trustee, upon request, a copy of each such certification together with such additional certifications as UHC or the Trustee (which has no duty to so require) may reasonably require with respect thereto. The Borrower shall verify that the income provided by an applicant is accurate by taking the following steps as a part of the verification process: (1) obtain a federal income tax return for the most recent tax year, (2) obtain a written verification of income and employment from the applicant’s current employer, or (3) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other verification of such applicant’s income satisfactory to UHC.

The Borrower shall submit or cause to be submitted to the Secretary of Treasury (at such time and in such manner as the Secretary shall prescribe) the annual certification required by Section 142(d)(7) of the Code (currently IRS form 8703) as to whether the Project continues to meet the requirements of Section 142(d). Any failure to comply with the provisions of the preceding sentence may subject the Borrower to penalties under the Code. The Borrower shall deliver a copy of all annual certifications submitted to the Secretary of Treasury, together with proof of mailing, to UHC within 30 days of submission to the Secretary of Treasury.

The Borrower shall prepare and submit or cause to be prepared and submitted to UHC on or before the first day of each January 1 and July 1 during the Qualified Project Period beginning on the first day of January or July following the initial occupancy of any Residential Unit in the Project, a Certificate of Continuing Program Compliance attached to the Tax Regulatory Agreement as an appendix or as amended by UHC, duly executed by an authorized representative of the Borrower. In the event the Borrower is unable to deliver any Certificate of Continuing Program Compliance on a timely basis, the Borrower shall furnish to UHC, in writing, a detailed explanation of the reasons for such failure or inability to provide such Certificate of Continuing Program Compliance.

Covenants Run with the Land

The Borrower declares their express intent that the covenants, restrictions, charges and easements set forth in the Tax Regulatory Agreement shall be covenants running with the land and shall pass to and be binding upon the Borrower's successors in title including any purchaser, grantee or lessee of any portion of the Project and any other person or entity having any right, title or interest therein and upon the respective heirs, executors, administrators, devisees, successors and assigns of the Borrower and any purchaser, grantee, developer or lessee of any portion of the Project and any other person or entity having any right, title or interest therein. Each and every contract, deed or other instrument thereafter executed covering or conveying the Project or any portion thereof or interest therein shall contain an express provision making such conveyance subject to the covenants, restrictions, charges and easements contained in the Tax Regulatory Agreement; provided, however, that any such contract, deed or other instrument shall conclusively be held to have been executed, delivered and accepted subject to such covenants, regardless of whether or not such covenants are set forth or incorporated by reference in such contract, deed or other instrument. No breach of the Tax Regulatory Agreement shall defeat, impair, render invalid, or otherwise affect the lien of a deed of trust, mortgage or similar encumbrance upon the Project given in good faith and for value.

Amendment; Term; Termination

The Borrower shall cause the Tax Regulatory Agreement to be duly recorded in the office of public records in the county where the Project is located as an encumbrance upon the Project Site and the Borrower shall deliver to the Trustee and UHC a copy of a title insurance policy or other evidence of such recording and an opinion of counsel in form and substance satisfactory to UHC to the effect that the Tax Regulatory Agreement is a legal, valid and binding agreement enforceable in accordance with its terms against the Borrower. Prior to the effective date of any transfer of title to the Project, the Borrower shall deliver to the Trustee and UHC an opinion of counsel in form and substance satisfactory to UHC to the effect that the Tax Regulatory Agreement is a legal, valid and binding agreement of all persons acquiring any right, title or interest in or to the Project or any part thereof.

Except as otherwise set forth in the Tax Regulatory Agreement, the Tax Regulatory Agreement and the covenants made by the Borrower in the Tax Regulatory Agreement shall remain in full force and effect until the expiration of the Qualified Project Period and the provisions of the Tax Regulatory Agreement may not be amended or revised prior to such stated term, except by an instrument in writing duly executed by UHC, the Trustee (so long as any Bond is outstanding), the Borrower and duly recorded. UHC's and Trustee's agreement to execute any such amendment or revision shall be given only upon receipt of an opinion of Bond Counsel that such amendment or revision will not adversely affect the exclusion from gross income of interest on the Bonds, or following the Funding Date, the Governmental Lender Note, for federal income tax purposes.

The Tax Regulatory Agreement shall terminate upon receipt of evidence satisfactory to UHC that there has occurred an involuntary noncompliance caused by fire, seizure, requisition, change in federal law or action of a federal agency after the Delivery Date which prevents UHC from enforcing the Tax Regulatory Agreement or condemnation, foreclosure, transfer of title by deed in lieu of foreclosure or similar event, but only if within a reasonable period thereafter the Bonds, or following the Funding Date, the Governmental Lender Note, are paid in full and retired;

provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained in the Tax Regulatory Agreement shall be reinstated if, at any time during the Qualified Project Period subsequent to the termination of such provisions as the result of the such foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an interest in the Project which constitutes an ownership interest therein for federal income tax purposes.

Upon expiration or sooner termination of the Tax Regulatory Agreement and upon written request of the Borrower or any lender, UHC shall take such actions as shall be necessary upon the advice of its legal counsel to remove the Tax Regulatory Agreement from the public records relating to the Project Site.

Notwithstanding any other provisions of the Tax Regulatory Agreement, the Tax Regulatory Agreement shall be amended to conform to any amended Treasury Regulations (proposed or final), or any legislative enactment or final decision by a court of competent jurisdiction if necessary to maintain the tax-exempt status of the interest on the Bonds, or following the Funding Date, the Governmental Lender Note, when the same becomes applicable.

While the Dissemination Agent is not also the Trustee, the Dissemination Agent shall not be deemed to have actual knowledge of any items listed in clauses (i) - (xvii) above without the Dissemination Agent having received written notice of such event. For purposes of providing notice to the Disclosure Representative, the Dissemination Agent shall assume that the unscheduled draws described in clauses (iii) and (iv) reflect financial difficulty.

(c) Whenever the Borrower obtains knowledge of the occurrence of a potential Listed Event, the Borrower shall, within five (5) Business Days of obtaining such knowledge and in any event no more than eight (8) Business Days after the occurrence of such event, determine if such event is in fact a Listed Event that is required by the Rule to be disclosed and provide the Dissemination Agent with notice and instructions pursuant to subsection (d) below.

(e) If the Dissemination Agent has been provided with a written notice describing a Listed Event pursuant to subsection (c) of this Section 5 or otherwise, and is instructed by the Borrower to report the occurrence of such Listed Event, the Dissemination Agent shall, within two (2) Business Days of its receipt of such written notice and in any event no more than ten (10) Business Days after the occurrence of the Listed Event, file the notice with the MSRB and send a copy to the Borrower.

Section 6. Amendment; Waiver. Notwithstanding any other provision of this Continuing Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Continuing Disclosure Agreement (and the Dissemination Agent will agree to any amendment so requested by the Borrower unless such amendment adversely affects its rights, duties, protections, immunities, indemnities or standard of care, as determined by the Dissemination Agent) and any provision of this Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions described under paragraph (a) under "Provision of Annual Reports," "Contents of Annual Reports" or paragraph (a) under "Reporting of Listed Events," it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of an Obligated Person (as defined in the Rule) with respect to the Bonds or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Holders or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Continuing Disclosure Agreement, the Borrower will describe such amendment or waiver in the next Annual Report and will include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information being presented by the Borrower. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change will be given in the same manner as for a Listed Event under Section 5(e) hereof and (ii) the Annual

Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 7. Default. In the event of a failure of the Borrower or the Dissemination Agent to comply with any provision of this Continuing Disclosure Agreement and such failure to comply continues beyond a period of thirty (30) days following written notice to the Borrower, the Borrower or any Holder or Beneficial Owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Borrower or the Dissemination Agent, as the case may be, to comply with its obligations under this Continuing Disclosure Agreement. A default under this Continuing Disclosure Agreement will not be deemed an Event of Default under the Indenture or the Loan Agreement, and the sole remedy under this Continuing Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Continuing Disclosure Agreement will be an action to compel performance.

Section 8. Beneficiaries. This Continuing Disclosure Agreement will inure solely to the benefit of the Borrower, the Dissemination Agent, the Participating Underwriter and Holders from time to time of the Bonds and will create no rights in any other person or entity.

Section 9. Reserved.

Section 10. Additional Information. Nothing in this Continuing Disclosure Agreement shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Continuing Disclosure Agreement. If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Continuing Disclosure Agreement, the Borrower shall have no obligation under this Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Continuing Disclosure Agreement. The Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Borrower has provided such information to the Dissemination Agent as required by this Continuing Disclosure Agreement. The Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Dissemination Agent shall have no duty or obligation to review or verify any information, disclosures or notices provided to it by the Borrower and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Holders of the Bonds or any other party. The Dissemination Agent shall have no responsibility for the Borrower's failure to report to the Dissemination Agent a Listed Event or a duty to determine the materiality thereof. The Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Borrower has complied with this Continuing Disclosure Agreement. The Dissemination Agent may conclusively rely upon Certifications of the Borrower at all times.

The obligations of the Borrower under this Section 11 shall survive resignation or removal of the Dissemination Agent and defeasance, redemption or payment of the Bonds.

(b) The Dissemination Agent may, from time to time, consult with legal counsel (either in-house or external) of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its respective duties hereunder, and shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel. The reasonable fees and expenses of such counsel shall be payable by the Borrower.

(c) All documents, reports, notices, statements, information and other materials provided to the MSRB under this Continuing Disclosure Agreement shall be provided in an electronic format and accompanied by identifying information as prescribed by the MSRB.

APPENDIX F

FORM OF BOND COUNSEL OPINION

September __, 2026

Utah Housing Corporation
2783 S. Leadership Court, Suite 100
West Valley City, Utah 84120

RE: \$17,000,000* Utah Housing Corporation Multifamily Housing Revenue Bonds (Lotus Forge Apartments) Series 2026

Ladies and Gentlemen:

We have acted as bond counsel to Utah Housing Corporation (the “Issuer”) in connection with the issuance of its \$17,000,000* Multifamily Housing Revenue Bonds (Lotus Forge Apartments) Series 2026 (the “Bonds”). The Bonds are being issued pursuant to: (i) Title 63H, Chapter 8, Utah Code Annotated 1953, as amended (the “Act”); (ii) a resolution adopted by the Issuer on August 27, 2026 (the “Resolution”); and (iii) a Trust Indenture dated as of September 1, 2026 (the “Indenture”) between the Issuer and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

In such connection, we have examined the following: the Act; an executed copy of the Indenture; an executed copy of the Loan Agreement (the “Loan Agreement”) dated as of September 1, 2026, between the Issuer and Lotus Advantage Forge, LLC, a Utah limited liability company (the “Borrower”); a Tax Regulatory Agreement dated as of September 1, 2026 (the “Tax Regulatory Agreement”), among the Issuer, the Trustee and the Borrower; the Tax Compliance Agreement dated as of September 1, 2026 among the Issuer, the Borrower, and the Trustee (the “Tax Certificate”), and such other documents, instruments, proceedings and opinions as we have deemed relevant in rendering this opinion.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions or events are taken or do occur. We disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by all parties other than the Issuer. We have not undertaken to verify independently, and have assumed, the accuracy of the factual matters represented, warranted or certified in the documents and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with the covenants and agreements contained in the Indenture, the Loan Agreement, the Tax Regulatory Agreement and the Tax Certificate, including (without limitation) covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Bonds to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations of the Issuer under the Bonds, the Indenture, the Loan Agreement, the Tax Regulatory Agreement and the Tax Certificate may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles and to the exercise of judicial discretion in appropriate cases. We express no opinion with respect to any indemnification, contribution, choice of law, choice of forum or waiver provisions contained in the foregoing documents. Finally, we undertake no responsibility for the accuracy, completeness or fairness of any offering material relating to the Bonds and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, it is our opinion that:

* Preliminary; subject to change.

1. The Issuer is a body politic and corporate, constituting a public corporation duly organized and validly existing under the laws of the State of Utah with the power to enter into and perform its obligations under the Indenture and to issue the Bonds.

2. The Indenture, the Loan Agreement and the Tax Regulatory Agreement have been duly executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, are valid and binding obligations of the Issuer. The Indenture creates a valid lien on the rights of the Issuer under the Loan Agreement (except certain Reserved Rights of the Issuer, as defined in and as provided in the Indenture).

3. The Bonds are valid and binding special obligations of the Issuer payable solely from the revenues and other assets pledged therefor under the Indenture and from the enforcement of the security provided therefor and do not constitute a debt or liability of the State of Utah or any political subdivision thereof.

4. Based on existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain certifications and compliance with certain covenants, interest on the Bonds is excludable from gross income for federal income tax purposes, except that no opinion is expressed as to the status of interest on any Bonds during any period such Bonds are held by a person who is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Internal Revenue Code of 1986, as amended (the “Code”). Interest on the Bonds is not a specific preference item for purposes of computing the federal individual or corporate alternative minimum tax. The opinion set forth in this paragraph is subject to the condition that the Issuer and the Borrower comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The Issuer and the Borrower have covenanted to comply with all of these requirements. Failure to comply with certain of these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds.

5. Under existing laws of the State of Utah as enacted and construed on the date hereof, interest on the Bonds is exempt from State of Utah individual income taxes. Although we have rendered an opinion that interest on the Bonds is excludable from gross income for federal income tax purposes, the ownership or disposition of, or the accrual or receipt of interest on the Bonds may otherwise affect a bondholder’s federal, state or local tax liability. The nature and extent of these other tax consequences will depend upon the bondholder’s particular tax status and the bondholder’s other items of income or deduction. We express no opinion regarding other such tax consequences.

Very truly yours,
