**HOUSING AUTHORITY OF THE CITY OF SAN DIEGO
MULTIFAMILY HOUSING REVENUE BONDS
(HILLCREST HALL)
2026 SERIES A-2 (TAXABLE)**

INTRODUCTION

This Official Statement (this “Official Statement”) sets forth certain information concerning the issuance and sale by the Housing Authority of the City of San Diego (the “Issuer”), a public instrumentality and political subdivision of the State of California (the “State”), and any successor to its rights, duties and obligation, of \$31,600,000* aggregate principal amount of its Housing Authority of the City of San Diego Multifamily Housing Revenue Bonds (Hillcrest Hall) 2026 Series A-2 (Taxable) (the “Bonds”). The Bonds will be issued pursuant to Chapter 1 of Part 2 of Division 24 (commencing with Section 34200) of the Health and Safety Code (the “Act”), and that certain resolution of the Issuer adopted on May 12, 2026 (the “Resolution”), and secured by a Trust Indenture, dated as of May 1, 2026 (the “Indenture”), between the Issuer and U.S. Bank Trust Company, National Association, a national banking association, as trustee (in such capacity, the “Trustee”). The sale and issuance of the Bonds is contingent upon the Issuer’s prior approval of the financing. The Bonds are being issued to provide funds for the Issuer to make a loan (the “Loan”) to Hillcrest Hall LP, a California limited partnership (the “Borrower”), for the acquisition, construction and equipping of that certain 98-unit (including one manager’s unit) multifamily housing development located in San Diego, California, and to be known as Hillcrest Hall (the “Project”). The terms of the Loan are to be as set forth in the Loan Agreement, dated as of May 1, 2026, between the Issuer and the Borrower (the “Loan Agreement”). The obligation of the Borrower to repay the Loan pursuant to the Loan Agreement will be evidenced by a promissory note (the “Note”).

Under the terms of the Indenture, on the date of initial delivery of the Bonds, the proceeds of the Bonds are to be deposited into the Project Fund established under the Indenture and disbursed to finance a portion of the construction of the Project or otherwise invested in Eligible Investments, as defined in the Indenture. See “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Special Funds” hereto.

The principal of and interest on the Bonds (the “Bond Service Charges”) are payable from the security pledged under the Indenture, including the payments on the investment of funds under the Indenture. Under the Indenture, the Trustee is to invest certain amounts held under the Indenture in Eligible Investments (as defined below).

Upon the deposit of Eligible Funds into the Collateral Fund, and subject to the other provisions set forth in the Indenture, a like amount of funds will be disbursed by the Trustee from the Project Fund to or at the direction of the Borrower to pay the costs of the Project. See “THE MORTGAGE LOAN, ELIGIBLE FUNDS AND DISBURSEMENT OF BOND PROCEEDS” herein.

The Borrower’s operation of the Project and use of the proceeds of the Bonds will be subject to the terms of a Regulatory Agreement and Declaration of Restrictive Covenants, dated as of May 1, 2026, by and among the Borrower, the Issuer and the Trustee (the “Regulatory Agreement”), which contains covenants required to maintain the exclusion of interest on the Tax-Exempt Bonds (defined herein) from gross income for federal income tax purposes and for the Project to comply with applicable State law and

* Preliminary; subject to change.

the Issuer's requirements. The Regulatory Agreement will require that for the Qualified Project Period (as defined therein), no less than 40% of the dwelling units in the Project (except for dwelling units reserved for a resident manager, security personnel and maintenance personnel) are reserved for tenants whose combined annual income does not exceed 60% of the median gross income for the area in which the Project is located, adjusted for family size. See "APPENDIX D — SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT" hereto.

At all times the Bonds will be secured by Eligible Investments and Eligible Funds sufficient, without need for reinvestment, to pay all of the interest on the Bonds when due and to pay the principal of the Bonds on the Mandatory Tender Date.

The Bonds will bear interest on the outstanding principal amount thereof at the annual rate set forth on the cover page hereof from their date of delivery, to but not including, July 1, 2028* (the "Initial Mandatory Tender Date"), payable on each January 1 and July 1, commencing January 1, 2027* (each an "Interest Payment Date").

The Bonds are subject to mandatory tender for purchase or mandatory redemption on the Initial Mandatory Tender Date. In the event the conditions to remarketing set forth in the Indenture are not met, or if all or a portion of the Bonds cannot be remarketed, all of the Bonds will be subject to mandatory redemption on the Initial Mandatory Tender Date. All Holders of the Bonds must tender their Bonds for purchase on the Initial Mandatory Tender Date. A new interest rate for the Bonds may be determined on the Initial Mandatory Tender Date in accordance with the terms of the Indenture. If the Bonds are remarketed on the Initial Mandatory Tender Date, the terms of the Bonds after such date may differ materially from the description provided in this Official Statement. Therefore, prospective purchasers of the Bonds on and after the Initial Mandatory Tender Date cannot rely on this Official Statement, but rather must rely upon any disclosure documents prepared in connection with such remarketing.

THE BONDS AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED THEREFOR UNDER THE INDENTURE. NONE OF THE ISSUER, ANY OF ITS MEMBERS OR ANY PERSON EXECUTING THE BONDS ARE LIABLE PERSONALLY ON THE BONDS OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF THEIR ISSUANCE. NONE OF THE ISSUER, ITS MEMBERS, THE STATE, OR ANY OF ITS POLITICAL SUBDIVISIONS SHALL BE DIRECTLY, INDIRECTLY, CONTINGENTLY OR MORALLY OBLIGATED TO USE ANY OTHER MONEYS OR ASSETS TO PAY ALL OR ANY PORTION OF THE DEBT SERVICE DUE ON THE BONDS, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT. THE BONDS ARE NOT A PLEDGE OF THE FAITH AND CREDIT OF THE ISSUER, ITS MEMBERS, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, NOR DO THEY CONSTITUTE INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION. THE ISSUER HAS NO TAXING POWER.

Brief descriptions of the Issuer, the Bonds, the security for the Bonds, the Borrower, the Project, the Indenture, the Regulatory Agreement and the Loan Agreement are included in this Official Statement. All references herein to the Indenture, the Loan Agreement, the Regulatory Agreement and other documents and agreements are qualified in their entirety by reference to such documents and agreements, copies of which are available for inspection at the offices of the Trustee.

THE MORTGAGE LOAN, ELIGIBLE FUNDS AND DISBURSEMENT OF BOND PROCEEDS

Simultaneously with the issuance of the Bonds, the Borrower will obtain a mortgage loan (the “Mortgage Loan”) from Citibank, N.A., a national banking association (in such capacity, the “Lender”). Over time, Eligible Funds, including proceeds of the Mortgage Loan, shall be delivered to the Trustee for deposit into the Collateral Fund as security for the Bonds, and the Trustee shall disburse a like amount of Bond proceeds from the Project Fund to or at the direction of the Lender to the extent of the deposit of proceeds of the Mortgage Loan, and to or at the direction of the Borrower for other Eligible Funds, for purposes of paying costs of the Project, all in accordance with the Loan Agreement and the Indenture. The maximum aggregate amount of Eligible Funds to be deposited into the Collateral Fund will be equal to the amount of funds deposited into the Project Fund.

Bond Service Charges will be payable as they become due, in the following order: (i) from money on deposit in the Bond Fund (other than the Negative Arbitrage Account within the Bond Fund), (ii) from money on deposit in the Negative Arbitrage Account within the Bond Fund, (iii) from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund and (iv) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Notwithstanding any provision of the Loan Agreement or the Indenture to the contrary, the Trustee will not disburse funds from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until (i) an amount equal to or greater than the requested disbursement amount has been deposited into the Collateral Fund in accordance with the provisions of the Indenture and (ii) the Trustee has determined that the sum of the amount then held in the Collateral Fund and the amount then on deposit in the Project Fund, less the anticipated amount of the disbursement from the Project Fund, is at least equal to the then-outstanding principal amount of the Bonds, together with any original issue premium deposited therein pursuant to the Indenture. Upon receipt of a Collateral Payment, subject to the foregoing provisions, the Trustee may disburse Bond proceeds to or at the direction of the respective lender for use by the Borrower to pay costs of the Project, in accordance with the terms of the Loan Agreement.

The amounts on deposit in the Project Fund, the Bond Fund and the Collateral Fund will be invested on the date of delivery of the Bonds in Eligible Investments. See “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Special Funds.” To the extent, if any, that the Cash Flow Projection indicates that projected investment income on amounts on deposit in the Special Funds will be less than an amount equal to the aggregate interest payments on the Bonds from the Closing Date to the Initial Mandatory Tender Date, the amount of such shortfall shall be deposited on the Closing Date into the Negative Arbitrage Account of the Bond Fund by or on behalf of the Borrower.

THE ISSUER

The following information has been provided by the Issuer for use herein. While the information is believed to be reliable, none of the Trustee, the Borrower, the Underwriter, the Lender nor any of their respective counsel, members, officers or employees makes any representations as to the accuracy or sufficiency of such information.

The Issuer is the Housing Authority of the City of San Diego, a public body, corporate and politic duly organized and existing under the laws of the State of California. The Issuer is authorized to issue the Bonds and to loan the proceeds thereof to the Borrower for the purpose of financing the Project. The Issuer was created on October 3, 1968, by resolution of the City Council of the City of San Diego (the “Council”). The nine members of the Council serve as members of the Issuer.

In January 1979, a seven-member commission (the "Housing Commission") took office to administer the functions of the Issuer. The Housing Commission is responsible for the development of low-income rental projects, implementation of financing to promote low-income housing production, management of many public housing projects, operation of rent subsidy programs and rehabilitation of existing housing stock.

The seven members of the board of the Housing Commission ("Commissioners") are appointed by the Mayor and approved by the Council. Eugene Mitchell currently serves as Chair of the Housing Commission. Oversight of the Housing Commission is provided by the Issuer. Two of the positions on the board of Commissioners are reserved for residents of agency-owned housing units or recipients of federal Section 8 Housing Choice Voucher rental assistance. One of these members must be 62 years of age or older. Commissioners who are residents of affordable housing or are rental assistance recipients serve for terms of two years, or until a replacement is appointed. The five remaining Commissioners serve terms of four years, or until a replacement is appointed.

The Municipal Advisor has not been engaged, nor has it undertaken, to audit, authenticate or otherwise verify the information set forth in this Official Statement, or any other related information available to the Issuer, with respect to accuracy and completeness of disclosure of such information. The Municipal Advisor makes no guaranty, warranty or other representation respecting accuracy and completeness of this Official Statement or any other matter related to this Official Statement.

THE BONDS AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED THEREFOR UNDER THE INDENTURE. NONE OF THE ISSUER, ANY OF ITS MEMBERS OR ANY PERSON EXECUTING THE BONDS ARE LIABLE PERSONALLY ON THE BONDS OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF THEIR ISSUANCE. NONE OF THE ISSUER, ITS MEMBERS, THE STATE, OR ANY OF ITS POLITICAL SUBDIVISIONS SHALL BE DIRECTLY, INDIRECTLY, CONTINGENTLY OR MORALLY OBLIGATED TO USE ANY OTHER MONEYS OR ASSETS TO PAY ALL OR ANY PORTION OF THE DEBT SERVICE DUE ON THE BONDS, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT. THE BONDS ARE NOT A PLEDGE OF THE FAITH AND CREDIT OF THE ISSUER, ITS MEMBERS, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, NOR DO THEY CONSTITUTE INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION. THE ISSUER HAS NO TAXING POWER.

THE BONDS

The Bonds are available in book-entry only form. See "BOOK-ENTRY ONLY SYSTEM" below. So long as Cede & Co., as nominee of The Depository Trust Company, is the registered owner of the Bonds, references herein to the Holders of the Bonds or holders or registered owner or owners of the Bonds mean Cede & Co. and not the Beneficial Owners (as defined herein) of the Bonds.

Limited Obligations

THE BONDS AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED THEREFOR UNDER THE INDENTURE. NONE OF THE ISSUER, ANY OF ITS MEMBERS OR ANY PERSON EXECUTING THE BONDS ARE LIABLE PERSONALLY ON THE BONDS OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF THEIR ISSUANCE. NONE OF THE ISSUER, ITS MEMBERS, THE STATE, OR ANY OF ITS POLITICAL SUBDIVISIONS SHALL BE DIRECTLY, INDIRECTLY, CONTINGENTLY OR MORALLY OBLIGATED TO USE ANY OTHER MONEYS OR ASSETS TO PAY ALL OR ANY PORTION OF THE DEBT SERVICE DUE ON THE BONDS, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT. THE BONDS ARE NOT A PLEDGE OF THE FAITH AND CREDIT OF THE ISSUER, ITS MEMBERS, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, NOR DO THEY CONSTITUTE INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION. THE ISSUER HAS NO TAXING POWER.

Optional Redemption

The Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower on any date on or after the later to occur of (i) the date that the Project is placed in service, as certified in writing by the Borrower to the Issuer and the Trustee, and (ii) the Optional Call Date, at a redemption price equal to the principal amount of the Bonds to be redeemed, plus accrued interest, but without premium, to the applicable Redemption Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (i) amounts on deposit in the Collateral Fund, (ii) amounts on deposit in the Bond Fund, other than funds in the Negative Arbitrage Account therein, (iii) amounts on deposit in the Project Fund, and (iv) any other Eligible Funds available or made available for such purpose at the direction of the Borrower. In connection with any optional redemption of the Bonds prior to the applicable Mandatory Tender Date, the Trustee is permitted to sell Eligible Investments or redeem Eligible Investments prior to maturity at a price below par only if the Trustee receives, not less than two Business

* Preliminary; subject to change.

Days prior to the applicable redemption date, a Cash Flow Projection and any Eligible Funds required pursuant to such Cash Flow Projection.

Mandatory Redemption

The Bonds shall be redeemed in whole at a redemption price of 100% of the principal amount of such Bonds, plus accrued interest to the Redemption Date, on any Mandatory Tender Date upon the occurrence of any of the following events: (i) the Borrower has previously elected not to cause the remarketing of the Bonds, (ii) the conditions to remarketing set forth in the Indenture have not been met by the dates and times set forth therein, or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (i) amounts on deposit in the Collateral Fund, (ii) amounts on deposit in the Negative Arbitrage Account of the Bond Fund, (iii) amounts on deposit in the Project Fund, and (iv) any other Eligible Funds available or made available for such purpose at the written direction of the Borrower.

Purchase in Lieu of Redemption

At the election of the Borrower upon a redemption in whole of the Bonds, by written notice to the Trustee and the Remarketing Agent given not less than five (5) Business Days in advance of such redemption date, the Bonds will be deemed tendered for purchase in lieu of the redemption on such date and the call for redemption shall be cancelled. The purchase price of Bonds so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid interest to the date of redemption and any prepayment fee, if due, and shall be payable on the date of redemption thereof. Bonds so purchased in lieu of redemption shall remain Outstanding and shall be registered to or upon the direction of the Borrower.

Notice of Redemption

Unless waived by any Holder of Bonds to be redeemed, notice of redemption shall be given by the Trustee on behalf of the Issuer by mailing a copy of a redemption notice by first-class mail, postage prepaid, to the Holder of each Bond to be redeemed, at the address of such Holder shown on the Register at the opening of business on the fifth day prior to such mailing, not less than 20 days nor more than 30 days prior to the date fixed for redemption. An additional notice of redemption shall be given, as soon as practicable, by first-class mail to the Holder of each Bond which has been so called for redemption (in whole or in part) but has not been presented and surrendered to the Trustee within 30 days following the date fixed for redemption of that Bond. So long as DTC is the registered owner of the Bonds, notice of any redemption with respect to Bonds will be given only to DTC or its nominee. Any failure of DTC to notify the Beneficial Owners of any such notice and its contents or effect will not affect the validity of such notice of any proceedings for the redemption of such Bonds. Failure to receive notice by mailing, or any defect in that notice regarding any Bond, shall not affect the validity of the proceedings for the redemption of any other Bond. With respect to a mandatory redemption, the notice of Mandatory Tender provided to Holders pursuant to the Indenture as described herein under "Notice of Mandatory Tender" will serve as the notice of redemption, and no further notice of redemption will be required to the Holders.

Notices of optional redemption shall be revocable in the event that there is not on deposit with the Trustee prior to the date of redemption money sufficient to pay the redemption price of the Bonds to be redeemed or, in the case of any redemption premium on Bonds, there is not on deposit Eligible Funds sufficient to pay such redemption premium.

Mandatory Tender

Purchase of Bonds on Mandatory Tender Dates. All Outstanding Bonds shall be subject to Mandatory Tender by the Holders for purchase in whole and not in part on each Mandatory Tender Date. The purchase price for each such Bond shall be payable in lawful money of the United States of America by wire, check or draft shall equal 100% of the principal amount to be purchased and accrued interest, if any, to the Mandatory Tender Date and shall be paid in full on the applicable Mandatory Tender Date.

Holding of Tendered Bonds. While tendered Bonds are in the custody of the Trustee pending purchase pursuant to the Indenture, the tendering Holders thereof shall be deemed the owners thereof for all purposes, and interest accruing on tendered Bonds through the day preceding the applicable Mandatory Tender Date is to be paid as if such Bonds had not been tendered for purchase.

Effect of Prior Redemption. Notwithstanding anything in the Indenture to the contrary, any Bond tendered under the Indenture will not be purchased if such Bond matures or is redeemed on or prior to the applicable Mandatory Tender Date.

Purchase of Tendered Bonds. The Trustee shall utilize amounts representing proceeds of remarketed Bonds on deposit in the Remarketing Proceeds Account to pay the principal amount, plus accrued interest, of Bonds tendered for purchase not later than 2:30 p.m. Local Time on the Mandatory Tender Date.

Cancellation of Remarketing. In the event the Bonds must be redeemed as a result of the occurrence of any of the events listed in the Indenture, the remarketing shall be cancelled and all Bonds outstanding on the Mandatory Tender Date shall be redeemed in accordance with the Indenture.

Undelivered Bonds. Bonds shall be deemed to have been tendered for purposes of the Indenture whether or not the Holders shall have delivered such Undelivered Bonds to the Trustee, and subject to the right of the Holders of such Undelivered Bonds to receive the purchase price of such Bonds on the Mandatory Tender Date, such Undelivered Bonds shall be null and void. If such Undelivered Bonds are to be remarketed, the Trustee shall authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Undelivered Bonds.

Notice of Mandatory Tender

Notice to Holders. No later than the 30th day prior to a Mandatory Tender Date, the Trustee shall give written notice of a mandatory tender on the Mandatory Tender Date to the Holders of the Bonds then Outstanding (with a copy to the Borrower, the Issuer, the Investor Limited Partner, and the Remarketing Agent) by first class mail, postage prepaid, at their respective addresses appearing on the Register stating:

(i) the Mandatory Tender Date and that (A) if certain conditions are met, all Outstanding Bonds are subject to Mandatory Tender for purchase on the Mandatory Tender Date, (B) all Outstanding Bonds must be tendered for purchase no later than 12:00 Noon, Local Time, on the Mandatory Tender Date and (C) Holders will not have the right to elect to retain their Bonds;

(ii) the address of the Designated Corporate Trust Office of the Trustee at which Holders should deliver their Bonds for purchase and the date of the required delivery;

(iii) that all Outstanding Bonds will be purchased on the Mandatory Tender Date at a price equal to the principal amount of the Outstanding Bonds plus interest accrued to the Mandatory Tender Date;

(iv) that if, in the event that the conditions to remarketing set forth in the Indenture are not met as set forth therein, or, if proceeds from the remarketing are insufficient to pay the purchase price of the Bonds on the Mandatory Tender Date, all of the Bonds will be redeemed, without further notice, on the Mandatory Tender Date; and

(v) that any Bonds not tendered will nevertheless be deemed to have been tendered and will cease to bear interest from and after the Mandatory Tender Date.

Second Notice. In the event that any Bond required to be delivered to the Trustee for payment of the purchase price of such Bond shall not have been delivered to the Trustee on or before the 30th day following a Mandatory Tender Date, the Trustee shall mail a second notice to the Holder of the Bond at its address as shown on the Register setting forth the requirements set forth in the Indenture for delivery of the Bond to the Trustee and stating that delivery of the Bond to the Trustee (or compliance with the provisions of the Indenture concerning payment of lost, stolen or destroyed Bonds) must be accomplished as a condition to payment of the purchase price applicable to the Bond.

Failure to Give Notice. Neither failure to give or receive any notice described in this heading, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for as described under this heading.

No Additional Parity Bonds

The Indenture does not permit the Issuer to issue additional indebtedness secured under the Indenture senior to or on a parity with the Bonds, except for the Tax-Exempt Bonds. Subordinate indebtedness shall be permitted as set forth under the Loan Agreement.

BOOK-ENTRY ONLY SYSTEM

The Depository Trust Company (“DTC”), Brooklyn, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC or its agent.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly

or indirectly (“Indirect Participants”). DTC has an S&P Global Ratings rating of “AA+.” The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions and dividends (“debt charges payments”) on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts, upon DTC’s receipt of funds and corresponding detail information from the Issuer or Trustee on the payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant

and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions or dividends (“debt charges”) to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information above in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer and the Underwriter take no responsibility for the accuracy thereof. The Issuer has no role in the purchases, transfers or sales of book entry interests. The rights of Beneficial Owners to transfer or pledge their interests, and the manner of transferring or pledging those interests, may be subject to applicable state law. Beneficial Owners may want to discuss with their legal advisers the manner of transferring or pledging their book-entry interests. The Issuer has no responsibility or liability for any aspects of the records or notices relating to, or payments made on account of, beneficial ownership, or for maintaining, supervising or reviewing any records relating to that ownership. The Issuer cannot and does not give any assurances that DTC, Direct Participants, Indirect Participants or others will distribute to the Beneficial Owners payments of debt charges on the Bonds made to DTC as the registered owner, or any redemption, if any, or other notices, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve or act in a manner described in this Official Statement.

Direct Participants and Indirect Participants may impose service charges on Beneficial Owners in certain cases. Purchasers of book-entry interests should discuss that possibility with their brokers.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

The Bonds will be secured under the Indenture by all right, title and interest of the Issuer in and to (i) the Revenues, including, without limitation, all Loan Payments, deposits of Eligible Funds and other amounts receivable by or on behalf of the Issuer under the Loan Agreement in respect of repayment of the Loan, (ii) the Special Funds, including all accounts in those Funds and all money deposited therein and the investment earnings on such money, (iii) all right, title and interest of the Issuer in the proceeds derived from the sale of the Bonds, and any securities in which money in the Special Funds are invested, and the proceeds derived therefrom, and any and all other real or personal property of every name and nature from time to time hereafter by delivery or by writing of any kind pledged, assigned or transferred, as and for additional security under the Indenture by the Issuer or by anyone on its behalf, or with its written consent, to the Trustee, which is authorized to receive any and all such property at any and all times and to hold and apply the same subject to the terms of the Indenture, (iv) the Note, and (v) the Loan Agreement, except for the Reserved Rights of the Issuer (the foregoing collectively referred to as the “Trust Estate”).

Except as otherwise set forth in the Indenture, moneys in the Special Funds are to be invested in Eligible Investments. See “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Special Funds” hereto.

The Indenture directs the Trustee to deposit all payments made by the Borrower pursuant to the Note and the Loan Agreement into the Bond Fund established and maintained pursuant to the Indenture.

Bond Service Charges shall be payable as they become due, in the following order: (i) from money on deposit in the Bond Fund (other than the Negative Arbitrage Account within the Bond Fund), (ii) from money on deposit in the Negative Arbitrage Account within the Bond Fund, (iii) from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund, and (iv) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund. Investments of moneys in the Bond Fund will mature or be redeemable at par at the times and in the amounts necessary to provide moneys to pay Bond Service Charges on the Bonds. Each investment of moneys in the Project Fund will mature or be redeemable without penalty at such time as may be necessary to make payments from the Project Fund. All investment earnings from amounts on deposit in the Special Funds will be credited to the Bond Fund. See “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Special Funds.”

THE BONDS AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED THEREFOR UNDER THE INDENTURE. NONE OF THE ISSUER, ANY OF ITS MEMBERS OR ANY PERSON EXECUTING THE BONDS ARE LIABLE PERSONALLY ON THE BONDS OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF THEIR ISSUANCE. NONE OF THE ISSUER, ITS MEMBERS, THE STATE, OR ANY OF ITS POLITICAL SUBDIVISIONS SHALL BE DIRECTLY, INDIRECTLY, CONTINGENTLY OR MORALLY OBLIGATED TO USE ANY OTHER MONEYS OR ASSETS TO PAY ALL OR ANY PORTION OF THE DEBT SERVICE DUE ON THE BONDS, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT. THE BONDS ARE NOT A PLEDGE OF THE FAITH AND CREDIT OF THE ISSUER, ITS MEMBERS, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, NOR DO THEY CONSTITUTE INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION. THE ISSUER HAS NO TAXING POWER.

special limited partner (together with its successors and assigns, the “Special Limited Partner”), and will own a 0.001% interest in the Borrower.

The Investor Limited Partner

Contemporaneously with the issuance of the Bonds, the Investor Limited Partner will acquire a 99.998% ownership interest in the Borrower. In connection with such acquisition, the Investor Limited Partner is expected to fund approximately \$24,355,952* of federal low-income housing tax credit equity (the “Tax Credit Equity”) to the Project, to be paid in stages during and after construction of the Project. These funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the estimates set forth herein and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds.

The Developer

The developers for the Project are CRP Affordable Housing and Community Development LLC, a Delaware limited liability company (the “Developer”), Bold Communities, a California nonprofit public benefit corporation (the “Bold Co-Developer”), and E. Smith & Company, Inc., a California corporation (the “E. Smith Co-Developer,” and together with the Bold Co-Developer and the Developer, the “Developer,” as the context may require). The Developer and E. Smith Co-Developer are located in San Diego, California, and the Bold Co-Developer is located in Los Angeles, California. The Developer commenced operations in 2019 and has six years of experience in affordable housing multifamily development. The Developer has developed 1,155 units in two states. The E. Smith Co-Developer commenced operations in 1986 and has 40 years of experience in affordable housing multifamily development. The E. Smith Co-Developer has developed over 1,100 units in California. The Bold Co-Developer commenced operations in 2021 and has 5 years of experience in affordable housing multifamily development. The Bold Co-Developer has developed over 100 units in California.

Limited Assets and Obligation of Borrower, General Partner, and Investor Limited Partner

The Borrower has no substantial assets other than the Project and does not intend to acquire any other substantial assets or to engage in any substantial business activities other than those related to the development and ownership of the Project. However, the members of the General Partner, the Investor Limited Partner, and their affiliates are engaged in and will continue to engage in the acquisition, development, ownership and management of similar types of housing projects. The members of the General Partner, the Investor Limited Partner, and their affiliates may be financially interested in, as officers, partners or otherwise, and devote substantial times to, business and activities that may be inconsistent or competitive with the interests of the Project.

The obligations and liabilities of the Borrower under the Loan Agreement and the Note are of a non-recourse nature and are limited to the Project and moneys derived from the operation of the Project. Neither the Borrower nor its partners have any personal liability for payments on the Note to be applied to pay the principal of and interest on the Bonds. Furthermore, no representation is made that the Borrower has substantial funds available for the Project. Accordingly, neither the Borrower’s financial statements nor those of its partners are included in this Official Statement.

* Preliminary; subject to change.

The Property Manager

The Borrower has entered into a management agreement with FPI Management, Inc., a California corporation (the “Property Manager”), to manage the day-to-day operations of the Project. The Property Manager is not an affiliate of the Developer. The Property Manager has been involved in the management of affordable housing since 1968. The Property Manager currently manages 167,000 apartment units in 22 states.

The General Contractor

The general contractor for the Project is Ironcore Construction LLC, a California limited liability company (the “General Contractor”). The General Contractor is an affiliate of the Developer. Based in San Diego, California, the General Contractor was formed in 2019 and is a California-licensed contractor. Since inception, the General Contractor has built or rehabilitated over 300 units of affordable apartments.

The Architect

The architect for the Project is Architects Orange, LLP (dba AO) (the “Architect”). The Architect is not an affiliate of the Developer. The Architect has been a licensed architect for 50 years and has been the principal architect for over 100 multifamily developments with a total of 50,000 units.

THE PROJECT

The following information concerning the Project has been provided by representatives of the Borrower and has not been independently confirmed or verified by either the Underwriter or the Issuer. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Project, known as Hillcrest Hall, is located in San Diego, California, on an approximately 0.45-acre site. The Project contains 98 apartment units (including one manager’s unit) in one building located at 1601 University Avenue, San Diego, California 92103, with approximately 18,828 total square feet and has frontage along the south side of University Avenue and the east side of Herbert Street. Common area improvements will include: common room, study room and laundry room. Unit amenities include: dishwasher, range and refrigerator. There are nine parking spaces for resident use only.

It is anticipated that construction will commence promptly upon the issuance of the Bonds and funding of the initial installment of the Tax Credit Equity and will be completed in approximately 24 months.

The unit type, the unit mix and approximate square footage for the units of the Project will be as follows:

Unit Type	Average Square Feet	Number of Units
1 Bedroom 1 Bath	525	35
2 Bedroom 1 Bath	748	28
3 Bedroom 1 Bath	991	<u>35</u>
TOTAL		98

Non-Residential Commercial Space – Retail Tenant

The Project includes approximately 2,691 square feet of non-residential, retail space on the ground floor of the building (the “Retail Space”) for community-serving retail and other uses. The Retail Space shall be subject to a Commercial Master Lease entered into as of the Closing Date (the “Commercial Master Lease”) between the Borrower and Hillcrest Hall Retail LLC, a California limited liability company (the “Retail Tenant”). The Retail Tenant is an affiliate of the Developer. The lease term begins upon issuance of a temporary certificate of occupancy for the project (currently anticipated around March 2028) and runs for a period of 55 years. The lease is structured as a nominal base-rent, triple-net arrangement: the tenant pays base rent of 1 dollar per year plus all premises operating costs, its pro rata share (currently 2.5 percent) of project real estate taxes, insurance and common area expenses, and is responsible for interior maintenance and tenant improvements. The Retail Space may be subleased to up to seven subtenants for “community-serving” commercial uses (such as cafe, barber, nonprofit office, and small retail) consistent with project regulatory restrictions. Rents under any sublease are retained by the Retail Tenant.

The Mortgage Loan. The Project will utilize a construction loan in the principal amount of up to \$49,800,000* (the “Mortgage Loan”). The Mortgage Loan will be secured by a senior mortgage on the Project and the obligation to repay the Mortgage Loan will be evidenced by a promissory note (the

* Preliminary; subject to change.

“Mortgage Note”) from the Borrower to Citibank, N.A. (the “Mortgage Lender”). The Mortgage Note will have a term of 33 months*, with the right to one three-month extension plus one six-month extension, and will bear interest at a floating rate, but the Borrower will obtain a rate cap pursuant to which the interest rate payable by the Borrower will be no higher than the applicable strike price per annum, with no payments of principal during the term, and with all unpaid principal and interest due at maturity. The Mortgage Loan proceeds, in an amount not to exceed the principal amount of the Bonds, will be disbursed from time to time by the Mortgage Lender to the Trustee for deposit into the Collateral Fund to allow for a corresponding amount of Bond proceeds to be disbursed to the Project.

The Tax-Exempt Bonds. Simultaneously with the issuance of the Bonds, the Issuer is issuing its Housing Authority of the City of San Diego Multifamily Housing Revenue Bonds (Hillcrest Hall) 2026 Series A-1 (Tax-Exempt) in the principal amount of \$18,200,000* (the “Tax-Exempt Bonds”), the proceeds of which will be used to make a loan to the Borrower to finance a portion of the acquisition, construction and equipping of the Project. The Tax-Exempt Bonds are not being offered pursuant to this Official Statement. Closing on the Bonds is contingent on the closing of the Tax-Exempt Bonds.

The Low Income Housing Tax Credit Proceeds. Contemporaneously with the issuance of the Bonds, the Investor Limited Partner expects to acquire a 99.998% ownership interest in the Borrower. In connection with such acquisition, the funding of the Tax Credit Equity will total approximately \$24,355,952*, with approximately \$2,435,595* expected to be funded in connection with the issuance of the Bonds. The funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the projections set forth above and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds.

The State Tax Credit Equity Loan. The Project will utilize a loan to the Borrower in the principal amount of \$10,680,000* (the “State Tax Credit Equity Loan”) pursuant to the State Low Income Housing Tax Credit Purchase and Transfer Agreement, by and among the Managing General Partner, the Investor Limited Partner, and the Borrower. The proceeds generated from the sale of certificated state tax credits will be used by the Managing General Partner to fund the State Tax Credit Equity Loan, which loan will have a term of 55 years, bear 0% interest and be payable only upon maturity. The State Tax Credit Equity Loan will be recourse and unsecured.

The Housing Commission Loan. The Project will also utilize a loan in the principal amount of \$5,000,000* (the “Housing Commission Loan”). The obligation to repay the Housing Commission Loan will be set forth in a promissory note (the “Housing Commission Note”) from the Borrower to the San Diego Housing Commission, as maker of the Housing Commission Loan, and the Housing Commission Loan will be repayable out of cash flow and other non-Project sources on the terms and conditions set forth therein. The Housing Commission Note will be secured by a subordinate mortgage against the Project subordinate to the Mortgage Loan. The Housing Commission Note will have a term of 55 years and will bear interest at a rate of 3.0% per annum, with annual principal and interest payable from available cash flow and if not otherwise paid, due at maturity.

The City Loan. The Project will also utilize a loan in the principal amount of \$3,175,000* (the “City Loan”). The obligation to repay the City Loan will be set forth in a promissory note (the “City Note”) from the Borrower to the City of San Diego, as maker of the City Loan, and the City Loan will be repayable out of cash flow and other non-Project sources on the terms and conditions set forth therein. The City Note will be secured by a subordinate mortgage against the Project subordinate to the Mortgage Loan. The City

* Preliminary; subject to change.

Note will have a term of 55 years and will bear interest at a rate of 3.00% per annum, with annual principal and interest payable from available cash flow and if not otherwise paid, due at maturity.

The San Diego Foundation Loan. The Project will also utilize a loan in the principal amount of \$2,000,000* (the “San Diego Foundation Loan”). The obligation to repay the San Diego Foundation Loan will be set forth in a promissory note (the “San Diego Foundation Note”) from the Borrower to the San Diego Foundation. The San Diego Foundation Loan will be repayable out of cash flow and other non-Project sources on the terms and conditions set forth therein. The San Diego Foundation Note will be unsecured. The San Diego Foundation Note will have a term of 5 years and will bear interest at a rate of 3% per annum, with annual principal and interest payable from available cash flow and if not otherwise paid, due at maturity.

Deferred Developer Fee. The Project will utilize deferred developer fee in the anticipated amount of \$4,572,467* as a source of funding. The deferred developer fee will be repaid through surplus cash flow received from the operation of the Project.

Project Regulation

The Borrower intends to operate the Project as a qualified residential rental project in accordance with the provisions of Section 142(d) of the Code. Concurrently with the issuance of the Bonds, the Borrower, the Trustee and the Issuer will enter into the Tax Regulatory Agreement. Under the Tax Regulatory Agreement, the Borrower will agree that, at all times during the Qualified Project Period (as defined in the Tax Regulatory Agreement), the Borrower will rent at least 40% of the units in the Project to persons whose adjusted family income (determined in accordance with the provisions of the Code) is no more than 60% of the area median income (adjusted for family size) (“AMI”). See “APPENDIX D – SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT” herein.

In addition to the rental restrictions imposed upon the Project by the Tax Regulatory Agreement, the Project will be further encumbered by a tax credit restrictive covenant, to be executed by the Borrower in connection with the federal low-income housing tax credits anticipated to be granted for the Project and in compliance with the requirements of Section 42 of the Code. Section 42 of the Code will restrict the income levels of 100% of the revenue-producing residential units in the Project (the “Tax Credit Units”). Within the Project, (i) 15 of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 30% of the AMI adjusted for family size, (ii) 11 of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 50% of the AMI adjusted for family size, (iii) 40 of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 60% of the AMI adjusted for family size and (iv) 31 of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 70% of the AMI adjusted for family size.

In addition to the Tax Regulatory Agreement and the restrictions for the Tax Credit Units, the Project will be subject to the following restrictions and regulatory agreements with the San Diego Housing Commission and City of San Diego:

- Complete Communities Affordable Housing Floor Area Ratio Bonus Agreement Imposing Covenants, Conditions and Restrictions on Real Property between the Borrower and the San Diego Housing Commission (“SDHC”) restricts 17 units as “Affordable Units” in exchange for the FAR increase from 31 to 98 units, using HUD AMI and the SDHC utility allowance. The 17 units are allocated by AMI band and unit type as follows: 5 “Very Low Income Affordable Units” at or below 50% AMI (2 one bedroom, 1 two

* Preliminary; subject to change.

bedroom, 2 three bedroom), 7 “Low Income Affordable Units” at or below 60% AMI (2 one bedroom, 2 two bedroom, 3 three bedroom), and 5 “Moderate Income Affordable Units” at or below 120% AMI (2 one bedroom, 1 two bedroom, 2 three bedroom). For each of these units, maximum monthly rent (inclusive of utilities allowance) is capped at one twelfth of 30% of the relevant AMI band—50%, 60%, or 120% of AMI, respectively.

- Declaration of Covenants (SDHC loan) between the Borrower and the San Diego Housing Commission restricts 97 of the 98 units as “Affordable Units,” with one unrestricted manager’s unit. It fixes the mix by bedroom and AMI using HUD AMI for the San Diego Carlsbad area: for 1 bedrooms, 7 units at 30% AMI, 4 at 50% AMI, 20 at 60% AMI, and 4 at 70% AMI; for 2 bedrooms, 4 at 30% AMI, 3 at 50% AMI, 10 at 60% AMI, and 11 at 70% AMI; and for 3 bedrooms, 4 at 30% AMI, 4 at 50% AMI, 10 at 60% AMI, and 16 at 70% AMI. Maximum rents are capped at one twelfth of 30% of the applicable AMI level (30, 50, 60, or 70% as listed) adjusted for household size, minus a utility allowance, and 11 of the 97 units are designated as floating HOME units required to meet HOME income and rent limits for 20 years before reverting to the standard project restrictions.

- City Regulatory Agreement (PLHA/City loan) between the City of San Diego and the Borrower restricts 97 of the 98 units (all but the manager’s unit) as income and rent restricted “Dwelling Units” for 55 years from the Occupancy Date, using CTCAC AMI and rent limits. Of these 97 units across four AMI tiers and bedroom types: 15 units at 30% AMI (7 one bedroom, 4 two bedroom, 4 three bedroom), 11 units at 50% AMI (4 one bedroom, 3 two bedroom, 4 three bedroom), 40 units at 60% AMI (20 one bedroom, 10 two bedroom, 10 three bedroom), and 31 units at 70% AMI (4 one bedroom, 11 two bedroom, 16 three bedroom). For each tier, “Affordable Rent” is defined as a gross monthly rent (including a utilities allowance) that does not exceed the CTCAC published maximum rents for households at 30%, 50%, 60%, or 70% of AMI.

Property Tax Exemption

The Project is eligible for an exemption from certain ad valorem real estate taxes (collectively, the “Real Estate Taxes”) pursuant to Section 214(g) of the California Revenue and Taxation Code (“CRT Code”), implementing exemptions permitted under Article XIII of the California Constitution, which CRT Code Section 214(g) delineates the requirements of the welfare tax exemption (the “Welfare Exemption”). In California, affordable housing projects restricted with regulatory agreements with respect to the Bonds and Tax Credits may qualify for the Welfare Exemption when a nonprofit organization is part of the ownership structure and the property is used to provide housing to low-income households with incomes which do not exceed 80% of Area Median Income. This Welfare Exemption applies to properties owned by nonprofits or by limited partnerships in which a nonprofit serves as the managing general partner, which nonprofit is an exempt organization under Internal Revenue Code Section 501(c)(3) or California Franchise Tax Board Section 23701d. The Managing General Partner is owned by Bold Communities, a California nonprofit public benefit corporation and an organization exempt under Section 501(c)(3) of the Internal Revenue Code. To be eligible, the property must be used exclusively for charitable purposes (typically, at least 90% of the units must be restricted to and occupied by low-income resident), and must be subject to a long-term affordability regulatory agreement, among other statutory requirements under CRT Code Section 214(g). The Welfare Exemption can apply to both land and improvements, and may be full or partial depending on the actual qualified use and occupancy of the property by low-income residents with incomes which do not exceed 80% of Area Median Income. To claim the exemption, the nonprofit must submit the appropriate annual filings to the County Assessor and the State Board of Equalization, with annual filings required to maintain the Welfare Exemption.

The Managing General Partner has undertaken or will undertake the applicable duties and filing responsibilities under the terms of the Partnership Agreement to qualify for the Welfare Exemption. The

granting of the welfare exemption under CRT Code Section 214(g) is subject, in all instances, to certain administrative and discretionary determinations of the County Assessor and the State Board of Equalization based on the actual use and occupancy of the Project on an annual basis.

THE TRUSTEE

The information under this heading has been provided solely by representatives of the Trustee and has not been independently verified by the Issuer, the Underwriter or any of their respective counsel, members, officers or employees, or Bond Counsel. No representation whatsoever as to the accuracy, adequacy or completeness of such information is made by the Issuer, the Underwriter or any of their respective counsel, members, officers or employees, or Bond Counsel.

U.S. Bank Trust Company, National Association, a national banking association, will serve as Trustee under the Indenture. The obligations of the Trustee are described in the Indenture. The Trustee has undertaken only those duties and obligations that are expressly set forth in the Indenture. The Trustee has not independently passed upon the validity of the Bonds, the security of the payment therefor, the value or condition of any assets pledged to the payment thereof, the adequacy of the provisions for such payment, the status for federal or state income tax purposes of the interest on the Bonds, or the investment quality of the Bonds. Except for the contents in this section, the Trustee has not reviewed or participated in the preparation of this Official Statement and has assumed no responsibility for the nature, content, accuracy or completeness of the information included in this Official Statement.

ESTIMATED SOURCES AND USES OF FUNDS

The proceeds expected to be deposited under the Indenture upon closing are to be applied as follows:

Sources of Funds*	
Bond Proceeds	\$
Total	\$
 Uses of Funds*	
Project Fund	\$
Total	\$

At closing, and from time to time thereafter, moneys on deposit in the Project Fund will be released to pay Project Costs against the simultaneous deposit of Eligible Funds into the Collateral Fund under the Indenture.

CERTAIN HOLDERS' RISKS

The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.

General

Payment of the Bond Service Charges and the Borrower's obligations with respect to the Bond Service Charges will be primarily secured by and payable from Bond proceeds held in the Project Fund and money deposited into the Collateral Fund and the Bond Fund, including the Negative Arbitrage Account

* Preliminary; subject to change.

held in the Bond Fund. Although the Borrower will execute the Note to evidence its obligation to repay the Loan, it is not expected that any revenues from the Project or other amounts, except money in the Special Funds, will be available to satisfy that obligation. The Indenture requires the Trustee to verify, before any disbursement of funds from the Project Fund, that the sum of the funds on deposit in the Project Fund and the Collateral Fund is at least equal to the then-outstanding principal amount of the Bonds, together with any original issue premium deposited therein. It is expected that funds on deposit in the Collateral Fund and the interest earnings thereon will be sufficient to pay the debt service on the Bonds.

Limited Security; Investment of Funds

The Bonds are special limited obligations of the Issuer payable solely from the Trust Estate, which includes certain funds pledged to and held by the Trustee pursuant to the Indenture.

The Bonds are offered solely on the basis of the amounts held under the Indenture and are not offered on the basis of the credit of the Borrower, the feasibility of the Project or any other security, and are not secured by a mortgage. As a consequence, limited information about the Project and no information about the financial condition or results of operations of the Borrower is included in this Official Statement. The Bonds are offered only to investors who, in making their investment decision, rely solely on the amounts held under the Indenture and not on the credit of the Borrower, the feasibility of the Project or any other security.

The principal of and interest on the Bonds are payable from and secured by certain revenues and funds pledged thereto under the Indenture. On the date of delivery of the Bonds, the principal amount of the Bonds is to be deposited in the Project Fund, and an amount equal to the aggregate interest payments on the Bonds from the date of delivery to the Initial Mandatory Tender Date is to be deposited in the Negative Arbitrage Account. Such amounts are to be invested in Eligible Investments pursuant to the Indenture.

The Trustee is required to invest amounts held in the Special Funds in Eligible Investments, as defined in the Indenture. See “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Special Funds.” Debt Service on the Bonds has been scheduled assuming that the amounts held in the Special Funds earn no interest prior to the Initial Mandatory Tender Date. Failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

Early Redemption of the Bonds

Any person who purchases a Bond should consider the fact that the Bonds are subject to redemption upon the occurrence of certain events. See “THE BONDS – Mandatory Redemption” and “THE BONDS – Optional Redemption” herein.

Enforceability of Remedies

The remedies available to the Trustee and the owners of the Bonds upon an event of default under the Loan Agreement or the Indenture are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, the remedies provided for under the Loan Agreement or the Indenture may not be readily available, and the Borrower will have no personal liability for the satisfaction of any obligation of the Borrower under such agreements or of any claim against the Borrower arising out of such agreements or the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Bonds and the documents described above is subject to limitations imposed by such things as the exercise of judicial discretion in accordance with general principles of equity (whether applied by a court of law or a court of equity), including judicial limitations on rights to specific performance and bankruptcy, insolvency, reorganization, moratorium or other similar laws heretofore or hereafter in effect affecting creditors' rights, to the extent constitutionally applicable.

Secondary Markets and Prices

The Underwriter will not be obligated to repurchase any of the Bonds, and no representation is made concerning the existence of any secondary market for the Bonds. No assurance can be given that any secondary market will develop following the completion of the offering of the Bonds contemplated by this Official Statement, and no assurance can be given that the Bonds can be resold at their initial offering prices for any period of time.

Issuer Limited Liability

The Bonds will not be insured or guaranteed by any governmental entity or by the Issuer or any member or program participant of the foregoing. The Holders of the Bonds will have no recourse to the Issuer in the event of an event of default on the Bonds.

Eligible Investments

Proceeds of the Bonds deposited into the Project Fund and Eligible Funds received by the Trustee for deposit into the Collateral Fund are required to be invested in Eligible Investments. See "APPENDIX A — DEFINITIONS OF CERTAIN TERMS" hereto for the definition of Eligible Investments. There can be no assurance that there will not be a loss resulting from any investment held for the credit of the Project Fund or the Collateral Fund, and any failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

Rating Based on Eligible Investments

The rating on the Bonds is based on the investment in Eligible Investments of amounts on deposit in the Project Fund and the Collateral Fund. If one or more of such investments fail to meet the rating standards for Eligible Investments after their acquisition and prior to maturity, such a change may result in a downgrade or withdrawal of the rating on the Bonds.

Future Legislation

The Project, its operation and the treatment of interest on the Bonds are subject to various laws, rules and regulations adopted by the local, State and federal governments and their agencies. There can be no assurance that relevant local, State or federal laws, rules and regulations may not be amended or modified or interpreted in the future in a manner that could adversely affect the Bonds, the Trust Estate created under the Indenture, the Project, or the financial condition of or ability of the Borrower to comply with its obligations under the various transaction documents.

Potential Impact of Pandemics or Public Health Crises

The spread of the strain of a virus and resulting disease could alter the behavior of businesses and people in a manner that could have negative effects on global, state and local economies. There can be no

assurances that the spread of a pandemic would not materially impact both local and national economies and, accordingly, have a materially adverse impact on the Project's operating and financial viability. The effects of a pandemic could include, among other things, an increase in the time necessary to complete the construction of the Project, suspension or delay of site inspections and other on-site meetings, interruption in the engagement of material participants in the Project, increase in the time necessary to conduct lease-up at the Project, and increased delinquencies and/or vacancies, all of which could impact the Borrower's ability to make payments on the loans and result in a default and acceleration thereof.

Summary

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement, including the Appendices hereto.

TAX MATTERS

The interest on the Bonds is not intended by the Issuer to be excluded from gross income for federal income tax purposes. However, in the opinion of Jones Hall LLP ("Bond Counsel"), San Mateo, California, interest on the Bonds is exempt from California personal income taxes.

The proposed form of opinion of Bond Counsel with respect to the Bonds to be delivered on the date of issuance of the Bonds is set forth in APPENDIX E.

Owners of the Bonds should also be aware that the ownership or disposition of, or the accrual or receipt of interest on, the Bonds may have federal or state tax consequences other than as described above. Other than as expressly described above, Bond Counsel expresses no opinion regarding other federal or state tax consequences arising with respect to the Bonds, the ownership, sale or disposition of the Bonds, or the amount, accrual or receipt of interest on the Bonds.

UNDERWRITING

For its services relating to the transaction, the Underwriter will receive a fee of \$ _____, payable in immediately available funds on the Closing Date, from which the Underwriter shall pay certain fees and expenses relating to the issuance of the Bonds. The Underwriter's fee shall not include the fee of its counsel.

The Underwriter's obligations are subject to certain conditions precedent, and the Underwriter will purchase all the Bonds, if any are purchased. Pursuant to the Bond Purchase Agreement, the Borrower has agreed to indemnify the Underwriter and the Issuer against certain civil liabilities, including liabilities under federal securities laws. It is intended that the Bonds will be offered to the public initially at the offering prices set forth on the cover page hereof and that such offering prices subsequently may change without any requirement of prior notice. The Underwriter may offer the Bonds to other dealers at prices lower than those offered to the public.

The Underwriter does not guarantee a secondary market for the Bonds and is not obligated to make any such market in the Bonds. No assurance can be made that such a market will develop or continue.

Consequently, investors may not be able to resell Bonds should they need or wish to do so for emergency or other purposes.

The Underwriter and its affiliates comprise a full-service financial institution engaged in activities which may include securities sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. The Underwriter and its affiliates may have provided, and may in the future provide, a variety of these services to the Issuer and/or the Borrower and to persons and entities with relationships with the Issuer and/or the Borrower, for which they received or will receive customary fees and expenses.

In the ordinary course of these business activities, the Underwriter and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the Issuer and/or the Borrower (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Issuer and/or the Borrower.

The Underwriter and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. Such investment and securities activities may involve securities and instruments of the Issuer.

In addition to serving as Underwriter, Stifel, Nicolaus & Company, Incorporated has been designated to serve as Remarketing Agent and will receive a fee for its remarketing services in connection with the remarketing, if any, of the Bonds on the Initial Mandatory Tender Date.

RATING

Moody's Investors Service, Inc. ("Moody's") has assigned to the Bonds the rating set forth on the cover page hereof. The rating reflects only the view of Moody's at the time the rating was issued, and an explanation of the significance of such rating may be obtained from Moody's at 7 World Trade Center, 250 Greenwich Street, 16th Floor, New York, NY 10007. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of such rating can be expected to have an adverse effect on the market price of the Bonds.

None of the Underwriter, the Issuer or the Borrower have undertaken any responsibility after issuance of the Bonds to assure the maintenance of the rating or to oppose any such revision or withdrawal. A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

CERTAIN LEGAL MATTERS

The validity of the Bonds and certain other legal matters are subject to the approving opinion of Jones Hall LLP, San Mateo, California, Bond Counsel to the Issuer. A complete copy of the proposed form of the Bond Counsel opinion is attached hereto as "APPENDIX E — FORM OF OPINION OF BOND COUNSEL." Bond Counsel undertakes no responsibility for the accuracy, completeness or fairness of this Official Statement. Certain legal matters will be passed upon for the Underwriter by its counsel, Tiber

Hudson LLC, Washington, D.C., and for the Borrower by its counsel, Hobson Bernardino, Culver City, California. Compensation for certain of such counsel is contingent upon the issuance of the Bonds.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering those opinions on the legal issues explicitly addressed therein. By rendering the legal opinion, the opinion giver does not become an insurer or guarantor of an expression of professional judgment of the transaction opined upon or of the future performance of parties to such transaction, nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

ABSENCE OF LITIGATION

The Issuer

On the date of issuance of the Bonds, the Issuer will deliver certificate(s) to the effect that, to the knowledge of the Issuer, no litigation is pending or threatened against the Issuer (i) to restrain or enjoin the issuance of the Bonds, or contesting or questioning the validity of the Bonds or the proceedings and authority under which the Bonds have been authorized and are to be issued, or the pledge or application of any money or security provided for the payment of the Bonds or (ii) which questions the validity of the Indenture, the Loan Agreement, the Regulatory Agreement or the Bonds.

The Borrower

It is a condition to the Underwriter's acceptance of the Bonds on the date of delivery that the Borrower deliver a certificate to the effect that there are no legal proceedings pending or, to the Borrower's knowledge threatened, to restrain or enjoin the issuance, sale or delivery of the Bonds or the payment, collection or application of the proceeds thereof or of the revenues and other money and securities pledged or to be pledged under the Indenture or in any way contesting or affecting any authority for or the validity of the Bonds or the Indenture.

CONTINUING DISCLOSURE

The Borrower has undertaken responsibility for any continuing disclosure to Holders of the Bonds as described below, and the Issuer will have no liability to the Holders of the Bonds or any other person with respect to such disclosures.

Concurrently with the issuance of the Bonds, the Borrower will enter into a Continuing Disclosure Agreement dated as of May 1, 2026 (the "Continuing Disclosure Agreement") with U.S. Bank Trust Company, National Association, a national banking association, as the Dissemination Agent, obligating the Borrower to send, or cause to be sent, certain financial information with respect to the Project to certain information repositories annually and to provide notice, or cause notice to be provided, to the Municipal Securities Rulemaking Board, if any, of certain enumerated events for the benefit of the Beneficial Owners and Holders of any of the Bonds, in order to allow the Underwriter to meet the requirements of Section (b)(5)(i) of Securities Exchange Commission Rule 15c2-12 (the "Rule"). See "APPENDIX F — FORM OF CONTINUING DISCLOSURE AGREEMENT" hereto.

A failure by the Borrower to comply with the provisions of the Continuing Disclosure Agreement will not constitute a default under the Loan Agreement (although Holders will have any available remedy at law or in equity for obtaining necessary disclosures). Nevertheless, such a failure to comply is required to be reported in accordance with the Rule and must be considered by any broker, dealer or municipal

securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds.

The Borrower has not previously been subject to the continuing disclosure requirements of the Rule.

MISCELLANEOUS

The foregoing summaries and explanations do not purport to be comprehensive, and are expressly made subject to the exact provisions of documents referred to herein. Copies of the Indenture, the Loan Agreement and the Regulatory Agreement may be obtained from the Trustee or, during the initial marketing of the Bonds, the Underwriter. Any statements in this Official Statement involving matters of opinion or forecast, whether or not expressly so stated, are intended as such and not as representations of fact. This Official Statement is not to be construed as a contract or agreement among the Issuer, the Borrower, or the Underwriter and the purchasers or Holders of any Bonds.

APPENDIX B

SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE

The following is a brief summary of certain provisions of the Indenture. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Indenture, copies of which are on file with the Issuer and the Trustee.

Creation of Funds

There are established by the Indenture with the Trustee the following Funds and Accounts to be held in trust and maintained by the Trustee under the Indenture:

- (a) the Bond Fund, and therein the Negative Arbitrage Account and the Remarketing Proceeds Account (but only at such times as money is to be deposited or held in such Accounts as provided in the Indenture);
- (b) the Project Fund;
- (c) the Costs of Issuance Fund;
- (d) the Collateral Fund; and
- (e) the Expense Fund.

Each fund and account therein shall be maintained by the Trustee as a separate and distinct trust fund or account to be held, managed, invested, disbursed and administered as provided in the Indenture. All money deposited in the funds and accounts created under the Indenture shall be used solely for the purposes set forth in the Indenture. The Trustee shall keep and maintain adequate records pertaining to each fund and account, and all disbursements therefrom, in accordance with its general practices and procedures in effect from time to time. The Trustee may also terminate funds and accounts that are no longer needed.

The Trustee shall, at the written direction of an Authorized Borrower Representative and may, in its discretion, establish such additional accounts within any fund, and subaccounts within any of the accounts, as the Issuer or the Trustee may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that fund and its accounts, or for the purpose of complying with the requirements of the Code, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of the Indenture with respect to a deposit or use of money in the Special Funds, or result in commingling of funds not permitted under the Indenture.

Bond Fund

On the Closing Date, there shall be deposited into the Negative Arbitrage Account of the Bond Fund the amount set forth in the Indenture. The portion of any Extension Payment received by the Trustee in connection with a remarketing in accordance with the Indenture designated for the payment of Bond Service Charges shall also be deposited into the Negative Arbitrage Account.

So long as there are any Outstanding Bonds, to the extent the Borrower has not received a credit against Loan Payments, all Loan Payments under the Loan Agreement shall be paid by the Borrower on or before each Interest Payment Date directly to the Trustee, and deposited into the Bond Fund, in at least the amount necessary to pay the Bond Service Charges due on the Bonds on such Interest Payment Date.

The Bond Fund (and accounts therein for which provision is made in the Indenture) and the money and Eligible Investments therein shall be used solely and exclusively for the payment of Bond Service Charges as they become due.

Bond Service Charges shall be payable, as they become due, in the following order (a) from money on deposit in the Bond Fund (other than the Negative Arbitrage Account within the Bond Fund), (b) from money on deposit in the Negative Arbitrage Account within the Bond Fund, (c) from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund and (d) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Upon receipt by the Trustee of a Cash Flow Projection provided on behalf of the Borrower, the Trustee is authorized by the Indenture to release from the Negative Arbitrage Account the amount set forth in the Cash Flow Projection to be released to or at the written direction of the Borrower from such account.

Project Fund

Upon the deposit of Eligible Funds into the Collateral Fund as provided in the Indenture, and subject to the provisions of this heading, the Trustee shall disburse a corresponding amount of the Bond proceeds on deposit in the Project Fund to, or at the written direction of, the Lender if such disbursement is in connection with advances of proceeds of the Mortgage Loan, for payment of Project Costs in accordance with the Loan Agreement; provided, however, to the extent money on deposit in the Project Fund is invested in Eligible Investments, the Trustee is authorized by the Indenture to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Project Fund to pay Project Costs: (i) allocate all or a portion of the Eligible Investments in the Project Fund, in the amount specified in the request for disbursement, to the Collateral Fund and (ii) transfer a like amount from the Collateral Fund to the Project Fund. To the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund or the Collateral Fund, the Trustee shall transfer from the Project Fund to the Bond Fund sufficient money to pay Bond Service Charges on each Interest Payment Date without further written direction. The Trustee shall not deposit Eligible Funds into the Collateral Fund unless it is prepared to immediately disburse a like amount from the Project Fund for the Payment of Project Costs. If the Trustee is not prepared to do so, it shall notify the Lender or other provider of Eligible Funds, as applicable, and return the Eligible Funds to the Lender or other provider of Eligible Funds, as applicable, in the respective amounts provided by the Lender or other provider of Eligible Funds, as applicable.

The Trustee shall cause to be kept and maintained records pertaining to the Project Fund and all disbursements therefrom. If requested by the Issuer, the Investor Limited Partner or the Borrower, after the Project has been completed and a Completion Certificate is filed as provided in the Indenture, the Trustee shall file copies of the records pertaining to the Project Fund and disbursements therefrom with the Issuer, the Managing General Partner and the Investor Limited Partner. The Trustee shall satisfy this obligation by providing statements for all periods in which there are funds in the Project Fund.

Notwithstanding any provision of the Loan Agreement or any other provision of the Indenture to the contrary and except to make necessary interest payments, the Trustee shall not disburse money from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited in the Collateral Fund. Prior to making any disbursement (except to the extent necessary to pay Bond Service Charges), the Trustee shall determine that the aggregate principal amount that will be held in (a) the Collateral Fund and (b) the Project Fund, after the anticipated disbursement, is at least equal to the then-Outstanding principal amount of the Bonds, together with any original issue premium deposited therein pursuant to the Indenture.

On the earlier of the Maturity Date or any Mandatory Tender Date with respect to which the Bonds are not remarketed, the Trustee shall transfer any amounts then on deposit in the Project Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

Upon the occurrence and continuance of an Event of Default under the Indenture because of which the principal amount of the Bonds has been declared to be due and immediately payable pursuant to the Indenture, any money remaining in the Project Fund shall be promptly transferred by the Trustee to the Bond Fund.

Collateral Fund

The Trustee shall deposit into the Collateral Fund all Eligible Funds received pursuant to the Loan Agreement and any other Eligible Funds received by the Trustee for deposit into the Collateral Fund. The Loan Agreement requires the Borrower to cause Eligible Funds to be paid to the Trustee for deposit into the Collateral Fund in a principal amount equal to, and as a prerequisite to the disbursement of, the amount of Bond proceeds on deposit in the Project Fund to be disbursed by the Trustee to pay Project Costs.

Each deposit into the Collateral Fund shall constitute an irrevocable deposit solely for the benefit of the Holders, subject to the provisions of the Indenture.

The Trustee shall transfer money in the Collateral Fund as follows: (i) on each Bond Payment Date, to the Bond Fund, the amount necessary to pay Bond Service Charges due on such Bond Payment Date (to the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund); (ii) on the Mandatory Tender Date, to the Bond Fund, the amount necessary to pay the redemption price of the Bonds, if the Bonds are not remarketed on any Mandatory Tender Date; and (iii) on the Maturity Date of the Bonds, to the Bond Fund the amount necessary to pay all amounts due on the Bonds on such date.

On the earlier of the Maturity Date or any Mandatory Tender Date with respect to which the Bonds are not remarketed, the Trustee shall transfer all amounts then on deposit in the Collateral Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

Amounts on deposit in the Collateral Fund in excess of the amount required to pay Bond Service Charges after payment in full of the Bonds may be transferred to the Project Fund and used to pay costs of the Project as provided in the Loan Agreement.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the Collateral Fund is transferred to the Bond Fund and applied to the payment of the principal of any of the Bonds, or the principal component of the redemption price of any of the Bonds, all as provided in the Indenture.

Investment of Special Funds

Except as otherwise described in this heading, moneys in the Special Funds shall be invested and reinvested by the Trustee in Eligible Investments at the oral or written direction (promptly confirmed in writing, if oral) of the Authorized Borrower Representative (such direction to specify the particular investment to be made).

Investments of moneys in the Bond Fund shall mature or be redeemable at par at the times and in the amounts necessary to provide moneys to pay Bond Service Charges on the Bonds. Each investment of moneys in the Project Fund will mature or be redeemable without penalty at such time as may be necessary to make payments from the Project Fund, including on each Interest Payment Date, Mandatory Tender

Date, Redemption Date or the Maturity Date. Any of those investments may be purchased from or sold to the Trustee, the registrar, an authenticating agent or a paying agent, or any bank, trust company or savings and loan association affiliated with any of the foregoing. The Trustee shall sell or redeem investments credited to the Special Funds to produce sufficient moneys applicable under the Indenture to and at the times required for the purposes of paying Bond Service Charges when due as aforesaid, and will do so without necessity for any order on behalf of the Issuer and without restriction by reason of any order. The Trustee is permitted to invest in Eligible Investments that mature on or before the Initial Mandatory Tender Date but is not permitted to sell or otherwise dispose of such Eligible Investments prior to maturity at a price below par without first receiving from the Borrower, at the Borrower's expense, (i) a Cash Flow Projection and (ii) Eligible Funds (excluding, however, proceeds of the Bonds), if any, as set forth in the Cash Flow Projection. An investment made from moneys credited to the Special Funds will constitute part of that respective Fund. All investment earnings from amounts on deposit in the Special Funds shall be credited to the Bond Fund. All gains resulting from the sale of, or income from, any investment made from moneys credited to the Special Funds shall be credited to and become part of the Bond Fund. Notwithstanding the foregoing, any moneys held under the Indenture without the written direction of the Authorized Borrower Representative shall be invested in Eligible Investments. If the Trustee is required to sell or otherwise dispose of any Eligible Investments prior to maturity, the Borrower shall, at the Borrower's expense, deliver to the Trustee (i) a Cash Flow Projection and (ii) Eligible Funds in the amount set forth in such Cash Flow Projection, if any. Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments with a Cash Flow Projection. Notwithstanding anything contained in the Indenture to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying Bond Service Charges shall be held uninvested and (ii) Bond proceeds and the amounts in the Negative Arbitrage Account shall be held uninvested until the Trustee has purchased, sold or exchanged Eligible Investments.

The Trustee shall have no liability whatsoever for any loss, fee, tax or other charge incurred in connection with any investment, reinvestment or liquidation of an investment under the Indenture.

The Trustee

Prior to the occurrence of an Event of Default (as defined in the Indenture) of which the Trustee has been notified, as provided in the Indenture, or of which the Trustee is deemed to have actual notice, and after the cure or waiver of all Events of Default which may have occurred, (i) the Trustee undertakes to perform only those duties and obligations which are set forth specifically in the Indenture, and no duties or obligations shall be implied to the Trustee and (ii) in the absence of bad faith on its part, the Trustee may rely conclusively, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of the Indenture; but in the case of any such certificates or opinions which by any provision thereof are required specifically to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of the Indenture.

In case an Event of Default has occurred and is continuing under the Indenture (of which the Trustee has been notified or is deemed to have notice pursuant to the Indenture), the Trustee shall exercise those rights and powers vested in it by the Indenture and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of their own affairs.

Before taking action under the Indenture (with the exception of any action required to be taken under the Indenture with regard to notice of an Event of Default or giving notice of the acceleration of the Bonds under the Indenture), the Trustee may require that an indemnity bond be furnished to it for the reimbursement of all expenses which it may incur and to protect it against all liability by reason of any

action so taken, except liability resulting from its negligence or willful misconduct. The Trustee may take action without that indemnity, and in that case, the Borrower shall reimburse the Trustee for all of the Trustee's expenses pursuant to the Indenture.

Resignation by the Trustee

The Trustee may resign at any time from the trusts created by the Indenture by giving written notice of the resignation to the Issuer, the Borrower and the Remarketing Agent, and by mailing written notice of the resignation to the Holders as their names and addresses appear on the Register at the close of business 15 days prior to the mailing. The resignation shall take effect upon the appointment of a successor Trustee as provided for in the Indenture or an order of a court of competent jurisdiction allowing the Trustee to resign.

Defaults; Events of Default

The occurrence of any of the following events is defined as and declared to be and to constitute an Event of Default under the Indenture:

(a) Payment of any interest on any Bond shall not be made when and as that interest shall become due and payable;

(b) Payment of the principal of any Bond shall not be made when and as that principal shall become due and payable, whether at stated maturity, upon acceleration or otherwise;

(c) Failure by the Issuer to observe or perform any other covenant, agreement or obligation on its part to be observed or performed contained in the Indenture or in the Bonds, which failure shall have continued for a period of 30 days after written notice, by registered or certified mail, to the Issuer and the Borrower specifying the failure and requiring that it be remedied, which notice may be given by the Trustee in its discretion and shall be given by the Trustee at the written request of the Holders of at least 50% in aggregate principal amount of Bonds then Outstanding; and

(d) The occurrence and continuance of an Event of Default as defined in the Loan Agreement.

The term "default" or "failure" as used above means (i) a default or failure by the Issuer in the observance or performance of any of the covenants, agreements or obligations on its part to be observed or performed contained in the Indenture or in the Bonds, or (ii) a default or failure by the Borrower under the Loan Agreement, beyond any applicable period of grace or notice required to constitute an Event of Default, as provided above or in the Loan Agreement.

Acceleration

Upon the occurrence of an Event of Default described in (a) and (b) under "—Defaults; Events of Default" above, the Trustee may declare, and upon the written request of the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding the Trustee will declare by a notice in writing delivered to the Borrower and the Issuer, the principal of all Bonds then Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately. Upon the occurrence of any Event of Default other than those described in (a) and (b) above, the Trustee may, with the written consent of all Holders of Bonds then Outstanding, declare by a notice in writing delivered to the Borrower, the principal of all Bonds then Outstanding (if not then due and payable), and the interest thereon, to be due

and payable immediately. Upon such declaration, that principal and interest shall become and be due and payable immediately. Interest on the Bonds shall accrue to the date determined by the Trustee for the tender of payment to the Holders pursuant to that declaration; provided that interest on any unpaid principal of Bonds Outstanding shall continue to accrue from the date determined by the Trustee for the tender of payment to the Holders of those Bonds.

The provisions described in the preceding paragraph are subject, however, to the condition that if, at any time after declaration of acceleration and prior to the entry of a judgment in a court for enforcement under the Indenture (after an opportunity for hearing by the Issuer and the Borrower):

(a) all sums payable under the Indenture (except the principal of and interest on Bonds which have not reached their stated maturity dates but which are due and payable solely by reason of that declaration of acceleration), plus interest to the extent permitted by law on any overdue installments of interest at the rate borne by the Bonds in respect of which the default shall have occurred, shall have been duly paid or provision shall have been duly made therefor by deposit with the Trustee, and

(b) all existing Events of Default shall have been cured,

then and in every case, the Trustee shall waive the Event of Default and its consequences and shall rescind and annul that declaration. No waiver or rescission and annulment shall extend to or affect any subsequent Event of Default or shall impair any rights consequent thereon.

Other Remedies; Rights of Holders

With or without taking action described under “Acceleration” above, upon the occurrence and continuance of an Event of Default, the Trustee may pursue any available remedy, including without limitation actions at law or equity to enforce the payment of Bond Service Charges or the observance and performance of any other covenant, agreement or obligation under the Indenture, the Loan Agreement, the Regulatory Agreement or the Note or any other instrument providing security, directly or indirectly, for the Bonds.

If, upon the occurrence and continuance of an Event of Default, the Trustee is requested so to do by the Holders of at least 50% in aggregate principal amount of Bonds Outstanding, the Trustee (subject to the provisions of the Indenture), shall exercise any rights and powers conferred by the Indenture.

No remedy conferred upon or reserved to the Trustee (or to the Holders) by the Indenture is intended to be exclusive of any other remedy. Each remedy shall be cumulative and shall be in addition to every other remedy given under the Indenture or otherwise to the Trustee or to the Holders now or hereafter existing.

No delay in exercising or omission to exercise any remedy, right or power accruing upon any default or Event of Default shall impair that remedy, right or power or shall be construed to be a waiver of any default or Event of Default or acquiescence therein. Every remedy, right and power may be exercised from time to time and as often as may be deemed to be expedient.

No waiver of any default or Event of Default under the Indenture, whether by the Trustee or by the Holders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any remedy, right or power consequent thereon.

As the assignee of all right, title and interest of the Issuer in and to the Loan Agreement (except for the Reserved Rights), the Trustee is empowered to enforce each remedy, right and power granted to the Issuer under the Loan Agreement. In exercising any remedy, right or power under the Indenture or under the Loan Agreement, the Trustee shall take any action which would best serve the interests of the Holders in the judgment of the Trustee, applying the standards described in the Indenture.

Nothing in the Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment, or composition affecting the Bonds or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding without the approval of the Holders so affected.

Right of Holders to Direct Proceedings

Anything to the contrary in the Indenture notwithstanding, the Holders of a majority in aggregate principal amount of Bonds then Outstanding shall have the right at any time to direct, by an instrument or document in writing executed and delivered to the Trustee, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture or any other proceedings under the Indenture; provided, that (a) any direction shall not be other than in accordance with the provisions of law and of the Indenture, (b) the Trustee shall be indemnified as provided in the Indenture, and (c) the Trustee may take any other action which it deems to be proper and which is not inconsistent with the direction.

Application of Money

If at any time after the occurrence of an Event of Default, the money held by the Trustee under the Indenture shall not be sufficient to pay the principal of and interest on the Bonds as the same become due and payable, such money, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of remedies in the Indenture or otherwise, shall, be applied by the Trustee as described below.

After payment of any costs, expenses, liabilities and advances paid, incurred or made by the Trustee in the collection of money and to all fees of the Trustee for Ordinary and Extraordinary Expenses pursuant to any right given or action taken under the provisions of the Financing Documents (including without limitation, reasonable attorneys' fees and expenses, except as limited by law or judicial order or decision entered in any action taken under the Indenture), all money received by the Trustee, shall be applied as follows, subject to the provisions of the Indenture:

(a) Unless the principal of all of the Bonds shall have become, or shall have been declared to be, due and payable, all of such money shall be deposited in the Bond Fund and shall be applied:

First -- To the payment to the Holders entitled thereto of all installments of interest then due on the Bonds, in the order of the dates of maturity of the installments of that interest, beginning with the earliest date of maturity and, if the amount available is not sufficient to pay in full any particular installment, then to the payment thereof ratably, according to the amounts due on that installment, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds; and

Second -- To the payment to the Holders entitled thereto of the unpaid principal of any of the Bonds which shall have become due, in the order of their due dates, beginning

with the earliest due date, with interest on those Bonds from the respective dates upon which they became due at the rates specified in those Bonds, and if the amount available is not sufficient to pay in full all Bonds due on any particular date, together with that interest, then to the payment thereof ratably, according to the amounts of principal due on that date, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(b) If the principal of all of the Bonds shall have become due or shall have been declared to be due and payable pursuant to the Indenture, all of such money shall be deposited into the Bond Fund and shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest, of interest over principal, of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(c) If the principal of all of the Bonds shall have been declared to be due and payable pursuant to the Indenture, and if that declaration thereafter shall have been rescinded and annulled under the provisions of the Indenture, subject to the provisions of paragraph (b) above in the event that the principal of all of the Bonds shall become due and payable later, the money shall be deposited in the Bond Fund and shall be applied in accordance with the provisions of the Indenture.

(d) Whenever money is to be applied pursuant to the provisions described under this subcaption, such money shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of money available for application and the likelihood of additional money becoming available for application in the future. Whenever the Trustee shall direct the application of such money, it shall fix the date upon which the application is to be made, and upon that date, interest shall cease to accrue on the amounts of principal, if any, to be paid on that date, provided the money is available therefor. The Trustee shall give notice of the deposit with it of any money and of the fixing of that date, all consistent with the requirements of the Indenture for the establishment of, and for giving notice with respect to, a Special Record Date for the payment of overdue interest. The Trustee shall not be required to make payment of principal of a Bond to the Holder thereof until the Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if it is paid fully.

Rights and Remedies of Holders

A Holder shall not have any right to institute any suit, action or proceeding for the enforcement of the Indenture, for the execution of any trust of the Indenture, or for the exercise of any other remedy under the Indenture, unless:

(a) there has occurred and is continuing an Event of Default of which the Trustee has been notified, as provided in the Indenture, or of which it is deemed to have actual notice under the Indenture,

(b) the Holders of at least 50% in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee and shall have afforded the Trustee reasonable opportunity to proceed to exercise the remedies, rights and powers granted in the Indenture or to institute the suit, action or proceeding in its own name, and shall have offered indemnity to the Trustee as provided in the Indenture, and

(c) the Trustee thereafter shall have failed or refused to exercise the remedies, rights and powers granted in the Indenture or to institute the suit, action or proceeding in its own name.

At the option of the Trustee, that notification (or notice), request, opportunity and offer of indemnity are conditions precedent in every case, to the institution of any suit, action or proceeding described above.

No one or more Holders of the Bonds shall have any right to affect, disturb or prejudice in any manner whatsoever the security or benefit of the Indenture by its or their action, or to enforce, except in the manner provided in the Indenture, any remedy, right or power under the Indenture. Any suit, action or proceedings shall be instituted, had and maintained in the manner provided in the Indenture for the benefit of the Holders of all Bonds then Outstanding. Nothing in the Indenture shall affect or impair, however, the right of any Holder to enforce the payment of the Bond Service Charges on any Bond owned by that Holder at and after the maturity thereof, at the place, from the sources and in the manner expressed in that Bond.

Waivers of Events of Default

Except as described below, at any time, in its discretion, the Trustee may waive any Event of Default under the Indenture and its consequences and may rescind and annul any declaration of maturity of principal of or interest on, the Bonds. The Trustee shall do so upon the written request of the Holders of:

(a) at least a majority in aggregate principal amount of all Bonds then Outstanding in respect of which an Event of Default in the payment of Bond Service Charges exists, or

(b) at least 50% in aggregate principal amount of all Bonds then Outstanding, in the case of any other Event of Default.

There shall not be so waived, however, any Event of Default described in paragraphs (a) or (b) under “—Defaults; Events of Default” above or any declaration of acceleration in connection therewith rescinded or annulled, unless, at the time of that waiver or rescission and annulment, payments of the amounts provided in the Indenture for waiver and rescission and annulment in connection with acceleration of maturity have been made or provision has been made therefor. In the case of the waiver or rescission and annulment, or in case any suit, action or proceedings taken by the Trustee on account of any Event of Default shall have been discontinued, abandoned or determined adversely to it, the Issuer, the Trustee and the Holders shall be restored to their former positions and rights under the Indenture, respectively. No waiver or rescission shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

Supplemental Indentures Not Requiring Consent of Holders

Without the consent of, or notice to, any of the Holders, the Issuer and the Trustee may enter into indentures supplemental to the Indenture which shall not, in the opinion of the Issuer, be inconsistent with the terms and provisions of the Indenture for any one or more of the following purposes:

(a) to cure any ambiguity, inconsistency or formal defect or omission in the Indenture;

(b) to grant to or confer upon the Trustee for the benefit of the Holders any additional rights, remedies, powers or authority that lawfully may be granted to or conferred upon the Holders or the Trustee;

(c) to assign additional revenues under the Indenture;

(d) to accept additional security and instruments and documents of further assurance with respect to the Project;

(e) to add to the covenants, agreements, obligations and rights of the Issuer under the Indenture, other covenants, agreements and obligations to be observed for the protection of the Holders, or to surrender or limit any right, power or authority reserved to or conferred upon the Issuer in the Indenture;

(f) to evidence any succession to the Issuer and the assumption by its successor of the covenants, agreements and obligations of the Issuer under the Indenture, the Loan Agreement and the Bonds;

(g) to facilitate (i) the transfer of Bonds issued by the Issuer under the Indenture and held in Book-Entry Form from one Depository to another and the succession of Depositories, or (ii) the withdrawal of Bonds issued by the Issuer under the Indenture and delivered to a Depository for use in a Book-Entry System and the issuance of replacement Bonds in fully registered form and in the form of physical certificates to others than a Depository;

(h) to permit the Trustee to comply with any obligations imposed upon it by law;

(i) to specify further the duties and responsibilities of the Trustee; and

(j) to achieve compliance of the Indenture with any applicable federal securities or tax law.

The provisions of subsections (h) and (j) above shall not be deemed to constitute a waiver by the Trustee, the Issuer or any Holder of any right which it may have in the absence of those provisions to contest the application of any change in law to the Indenture or the Bonds.

Supplemental Indentures Requiring Consent of Holders

Exclusive of Supplemental Indentures described above and subject to the terms, provisions and limitations described below, and not otherwise, with the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, evidenced as provided in the Indenture, and with the consent of the Borrower if required by the Indenture, the Issuer and the Trustee may execute and deliver Supplemental Indentures adding any provisions to, changing in any manner or eliminating any of the provisions of the Indenture or any Supplemental Indenture or restricting in any manner the rights of the Holders. Nothing in the Indenture shall permit, however, or be construed as permitting:

(a) without the consent of the Holder of each Bond so affected, (i) an extension of the maturity of the principal of or the interest on any Bond or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, or

(b) without the consent of the Holders of all Bonds then Outstanding, (i) the creation of a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (ii) a reduction in the aggregate principal amount of the Bonds required for consent to a Supplemental Indenture.

If the Issuer shall request that the Trustee execute and deliver any Supplemental Indenture for any of the purposes described under this subcaption, upon (i) being satisfactorily indemnified with respect to its expenses in connection therewith, and (ii) if required by the Indenture, receipt of the Borrower's consent to the proposed execution and delivery of the Supplemental Indenture, the Trustee shall cause notice (such

notice to be prepared by the Borrower or its agent) of the proposed execution and delivery of the Supplemental Indenture to be mailed by first-class mail, postage prepaid, to all Holders of Bonds then Outstanding at their addresses as they appear on the Register at the close of business on the fifteenth day preceding that mailing.

The Trustee shall not be subject to any liability to any Holder by reason of the Trustee's failure to mail, or the failure of any Holder to receive, the notice described under this subcaption. Any failure of that nature shall not affect the validity of the Supplemental Indenture when there has been consent thereto as described under this subcaption. The notice shall set forth briefly the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Designated Corporate Trust Office of the Trustee for inspection by all Holders.

If the Trustee shall receive, within a period prescribed by the Borrower, of not less than 60 days, but not exceeding one year, following the mailing of the notice, an instrument or document or instruments or documents, in form to which the Trustee does not reasonably object, purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding (which instrument or document or instruments or documents shall refer to the proposed Supplemental Indenture in the form described in the notice and specifically shall consent to the Supplemental Indenture in substantially that form), the Trustee shall, but shall not otherwise, execute and deliver the Supplemental Indenture in substantially the form to which reference is made in the notice as being on file with the Trustee, without liability or responsibility to any Holder, regardless of whether that Holder shall have consented thereto.

Any consent shall be binding upon the Holder of the Bond giving the consent and, anything in the Indenture to the contrary notwithstanding, upon any subsequent Holder of that Bond and of any Bond issued in exchange therefor (regardless of whether the subsequent Holder has notice of the consent to the Supplemental Indenture). A consent may be revoked in writing, however, by the Holder who gave the consent or by a subsequent Holder of the Bond by a revocation of such consent received by the Trustee prior to the execution and delivery by the Trustee of the Supplemental Indenture. At any time after the Holders of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the Issuer a written statement that the Holders of the required percentage of Bonds have filed those consents. That written statement shall be conclusive evidence that the consents have been so filed.

If the Holders of the required percentage in aggregate principal amount of Bonds Outstanding shall have consented to the Supplemental Indenture, as described under this subcaption, no Holder shall have any right (a) to object to (i) the execution or delivery of the Supplemental Indenture, (ii) any of the terms and provisions contained therein, or (iii) the operation thereof, (b) to question the propriety of the execution and delivery thereof, or (c) to enjoin or restrain the Trustee or the Issuer from that execution or delivery or from taking any action pursuant to the provisions thereof.

Consent of Borrower and Investor Limited Partner

Anything contained in the Indenture to the contrary notwithstanding, any Supplemental Indenture executed and delivered in accordance with the Indenture which affects in any material respect any rights or obligations of the Borrower shall not become effective unless and until the Borrower and Investor Limited Partner shall have consented in writing to the execution and delivery of that Supplemental Indenture.

Defeasance

Release of Indenture. If (a) the Issuer shall pay all of the Outstanding Bonds, or shall cause them to be paid and discharged, or if there otherwise shall be paid to the Holders of the Outstanding Bonds, all

Bond Service Charges due or to become due thereon, and (b) provision also shall be made for the payment of all other sums payable under the Indenture or under the Loan Agreement, the Regulatory Agreement and the Note, then the Indenture shall cease, determine and become null and void (except for those provisions surviving by reason of the Indenture in the event the Bonds are deemed paid and discharged pursuant to “Payment and Discharge of Bonds” below), and the covenants, agreements and obligations of the Issuer under the Indenture shall be released, discharged and satisfied. The Indenture will be discharged and will cease to be of further effect as to all Bonds, and the Trustee, on written demand of and at the expense of the Issuer and upon receipt of an Opinion of Counsel stating that all conditions precedent to satisfaction and discharge have been satisfied, shall execute proper instruments acknowledging the same.

Thereupon, and subject to the provisions of the Indenture if applicable:

(a) the Trustee shall release the Indenture (except for those provisions surviving by reason of the Indenture in the event the Bonds are deemed paid and discharged pursuant to “Payment and Discharge of Bonds” below), and shall execute and deliver to the Issuer any instruments or documents in writing as shall be requisite to evidence that release and discharge or as reasonably may be requested by the Issuer, and

(b) the Trustee shall assign and deliver to the Issuer any property subject at the time to the lien of the Indenture which then may be in their possession, except amounts in the Bond Fund required (i) to be paid to the Borrower under the Indenture, or (ii) to be held by the Trustee under the Indenture or otherwise for the payment of Bond Service Charges.

Payment and Discharge of Bonds. All or any part of the Bonds shall be deemed to have been paid and discharged within the meaning of the Indenture, including without limitation, of the Indenture, if:

(a) the Trustee shall have received, in trust for and irrevocably committed thereto, sufficient money, or

(b) the Trustee shall have received, in trust for and irrevocably committed thereto, noncallable Government Obligations which are certified by an Independent public accounting firm of national reputation to be of such maturities or redemption dates and interest payment dates, and to bear such interest, as will be sufficient together with any money to which reference is made in subparagraph (a) above, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (which earnings are to be held likewise in trust and so committed, except as provided in the Indenture), for the payment of all Bond Service Charges on those Bonds at their maturity.

Any money held by the Trustee in accordance with the provisions of this section may be invested by the Trustee only in noncallable Government Obligations having maturity dates, or having redemption dates which, at the option of the holder of those obligations, shall be not later than the date or dates at which money will be required for the purposes described above. To the extent that any income or interest earned by, or increment to, the investments held under this section is determined from time to time by the Trustee to be in excess of the amount required to be held by the Trustee for the purposes of this section, that income, interest or increment shall be transferred at the time of that determination in the manner provided in the Indenture for transfers of amounts remaining in the Bond Fund.

If any Bonds shall be deemed paid and discharged pursuant to this heading, then within 15 days after such Bonds are so deemed paid and discharged the Trustee shall cause a written notice to be given to each Holder as shown on the Register on the date on which such Bonds are deemed paid and discharged. Such notice shall state the numbers of the Bonds deemed paid and discharged or state that all Bonds are

deemed paid and discharged, set forth a description of the obligations held pursuant to subparagraph (b) of the first paragraph of this heading.

Mortgage Loan Documents

In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of the Indenture and the provisions of the Mortgage Loan Documents, the Mortgage Loan Documents, will be deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Mortgage Loan Documents, in accordance with their terms. Notwithstanding any provision of the Indenture to the contrary, the parties to the Indenture acknowledge and agree that all of their respective rights and powers to any assets or properties of the Borrower are subordinate and subject to the liens created by the mortgage associated with the Mortgage Loan, in accordance with its terms, together with any and all amounts from time to time secured thereby, and interest thereon, and to all of the terms and provisions of the Mortgage, and any and all other documents executed by the Borrower in connection therewith.

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in the Indenture will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

There is no pledge under the Indenture of the gross revenues or any of the assets of the Project.

Nothing contained in the Indenture shall inhibit or impair the right of the Lender to require or agree to any amendment, change or modification of any Mortgage Loan Documents related to the Project, for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provision contained therein, or in regard to matters or questions arising under said Mortgage Loan Documents so long as any such amendment, change or modification shall not adversely affect the payment terms of the Bonds.

Proceeds from any condemnation award or from the payment of a claim under any hazard insurance policy relating to the Project will not be payable to the Trustee, but will be payable in accordance with the Mortgage Loan Documents, in accordance with their terms.

APPENDIX C

(f) The Borrower will use and operate the Project in a manner consistent with the Act and in accordance with the Regulatory Agreement for as long as required by the Act and the Code and knows of no reason why the Project will not be so operated. (j) No litigation at law or in equity or proceeding before any governmental agency involving the Borrower is pending or, to the best of its knowledge, threatened in which any liability of the Borrower is not adequately covered by insurance or in which any judgment or order would have a material adverse effect upon the business or assets of the Borrower or that would affect its existence or authority to do business, the construction, equipping or operation of the Project, the validity of any Borrower Documents or the performance of its obligations thereunder.

(k) The Borrower is not in default in the payment of the principal of or interest on any of its indebtedness for borrowed money and is not in material default under any instrument under and subject to which any indebtedness has been incurred, and no event has occurred and is continuing that, under the provisions of any such agreement, with the lapse of time or the giving of notice, or both, would constitute an event of default by the Borrower thereunder.

(l) The Borrower is not in default under or in violation of, and the execution, delivery and compliance by the Borrower with the terms and conditions of the Borrower Documents do not and will not conflict with or constitute or result in a default by the Borrower in any material respect under or violate, (i) the Borrower's organizational documents, (ii) any agreement or other instrument to which the Borrower is a party or by which it or its assets are bound, or (iii) to the best of its knowledge, any constitutional or statutory provision or order, rule, regulation, decree or ordinance of any court, government or governmental authority having jurisdiction over the Borrower or its property, and no event has occurred and is continuing which, with the lapse of time or the giving of notice, or both, would constitute or result in such a default or violation.

(m) The Borrower has received and reviewed a copy of the Indenture and approves the terms and conditions thereof and agrees to the terms thereof.

(n) The Borrower has filed or caused to be filed all federal, state and local tax returns that are required to be filed or has obtained appropriate extensions therefor, and has paid or caused to be paid all taxes as shown on said returns or on any assessment received by it, to the extent that such taxes have become due.

All material information provided by the Borrower to the Issuer concerning the Project and the Borrower was and is on the date of execution of the Loan Agreement true and correct.

General Terms of the Financing

To provide funds to finance the Loan for purposes of assisting the Borrower in paying Project Costs, the Issuer shall simultaneously with the execution and delivery of the Loan Agreement proceed with

the issuance and delivery of the Bonds upon receipt by the Trustee of the items listed in the Indenture. The Issuer agrees to deposit the proceeds of sale of the Bonds in accordance with the Indenture.

Mortgage Loan to Borrower

To provide and secure funds for the repayment of the Loan, and to provide for the delivery of the Eligible Funds, the Borrower shall simultaneously with the execution and delivery of the Loan Agreement, proceed with obtaining the Mortgage Loan and entering into the Mortgage Loan Documents. In particular, the Borrower will promptly take all necessary actions on its part to close the Mortgage Loan and satisfy all other terms and conditions of the Mortgage Loan Documents and the requirements of the Lender. The Mortgage Loan will be secured on a non-recourse basis pursuant to the Mortgage Loan Documents.

In connection with the Mortgage Loan, the Borrower shall execute and deliver such documents as may be customarily utilized for mortgage loans, with such omissions, insertions and variations as may be permitted by the Lender, and as may be consistent with the terms and provisions of the Loan Agreement.

Disbursements from the Project Fund

Subject to the provisions below and so long as no Event of Default under the Loan Agreement has occurred and is continuing for which the principal amount of the Bonds has been declared to be immediately due and payable pursuant to the Loan Agreement and the Indenture, disbursements from the Project Fund shall be made only to pay any of the following Project Costs:

- (a) Costs incurred directly or indirectly for or in connection with the construction, improvement and equipping of the Project, including costs incurred in respect of the Project for preliminary planning and studies; architectural, legal, engineering, accounting, consulting, supervisory and other services; labor, services and materials; and recording of documents and title work.
- (b) Premiums attributable to any surety bonds and insurance required to be taken out and maintained during the construction period with respect to the Project.
- (c) Taxes, assessments and other governmental charges in respect of the Project that may become due and payable during the construction period.
- (d) Costs incurred directly or indirectly in seeking to enforce any remedy against any contractor or subcontractor in respect of any actual or claimed default under any contract relating to the Project.
- (e) Costs of Issuance of the Bonds, including, financial, legal, accounting, cash flow verification, printing and engraving fees, charges and expenses, and all other such fees, charges and expenses incurred in connection with the authorization, sale, issuance and delivery of the Bonds, including, without limitation, the fees and expenses of the Trustee (including attorney's fees and expenses) properly incurred under the Indenture that may become due and payable during the construction period.
- (f) Any other costs, expenses, fees and charges properly chargeable to the cost of construction, improvement and equipping of the Project.
- (g) Payment of interest on the Bonds and other Project-related indebtedness during the construction period.

Any disbursements from the Project Fund for the payment of Project Costs shall be made by the Trustee only upon the receipt by the Trustee of: (a) a disbursement request in the form attached to the Loan Agreement as an exhibit, on which the Trustee may conclusively rely; and (b) Eligible Funds in an amount equal to the amount of any such disbursement request for deposit in the Collateral Fund as provided in the Loan Agreement. The Borrower acknowledges and agrees by the Loan Agreement that it shall submit disbursement requests to the Trustee no more frequently than twice each calendar month. Proceeds of the Bonds disbursed pursuant to the provisions of the Loan Agreement may only be used to pay Project Costs.

Any money in the Project Fund remaining after the Completion Date and payment, or provision for payment, in full of the Project Costs, at the direction of the Authorized Borrower Representative, promptly shall be paid into the Bond Fund for payment of Bond Service Charges.

Notwithstanding any provision of the Loan Agreement or any provision of the Indenture to the contrary, the Trustee shall not disburse funds from the Project Fund unless and until the Trustee confirms that Eligible Funds in the Collateral Fund plus Eligible Funds in the Project Fund, less the amount of the requested disbursement from the Project Fund, is at least equal to then-outstanding principal amount of the Bonds, together with any original issue premium deposited therein pursuant to the Indenture; provided, however, the Trustee shall be permitted to transfer funds from the Project Fund to the Collateral Fund upon the direction of the Borrower in the form set forth on an exhibit attached to the Loan Agreement, provided that the result of such transfer is that the amount of Eligible Funds remaining on deposit in the Project Fund plus Eligible Funds on deposit in the Collateral Fund is at least equal to then outstanding principal amount of the Bonds, together with any original issue premium deposited therein pursuant to the Indenture.

Delivery of Eligible Funds

The Lender shall deliver to the Trustee Eligible Funds in conjunction with all or a portion of the advances under the Mortgage Loan in connection with, and as a condition to, disbursement of an equal amount of Bond proceeds from the Project Fund to pay Project Costs pursuant to and consistent with the Loan Agreement and the Indenture.

Assignment of Agreement and Revenues; Trustee is Third Party Beneficiary

To secure the payment of Bond Service Charges, the Issuer shall assign to the Trustee, by the Indenture, its rights under and interest in the Loan Agreement (except for the Reserved Rights). The Borrower agrees and consents by the Loan Agreement to those assignments. The Issuer shall not attempt to further assign, transfer or convey its interest in the Revenues or the Loan Agreement or create any pledge or lien of any form or nature with respect to the Revenues, Loan Payments or deposits of Eligible Funds under the Loan Agreement.

The Trustee shall be a third-party beneficiary to the Loan Agreement.

Events of Default

Each of the following shall be an “Event of Default” under the Loan Agreement:

- (a) The Borrower shall fail to pay any Loan Payment within five (5) days of the date on which that Loan Payment is due and payable to the extent amounts on deposit in the Bond Fund, including amounts transferred from the Collateral Fund and the Project Fund, are insufficient to pay the Bond Service Charges due on the next Bond Payment Date;

(b) The Borrower shall fail to observe and perform any other agreement, term or condition contained in the Loan Agreement and the continuation of such failure for a period of 30 days after written notice thereof shall have been given to the Borrower and the Investor Limited Partner by the Issuer or the Trustee, or for such longer period as the Borrower may certify that it shall diligently work to cure such failure and the Issuer and the Trustee may agree to in writing; provided, that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, that failure shall not constitute an Event of Default so long as the Borrower institutes curative action within the applicable period and diligently pursues that action to completion, which must be resolved within 180 days after the aforementioned notice;

(c) The Borrower shall: (i) admit in writing its inability to pay its debts generally as they become due; (ii) have an order for relief entered in any case commenced by or against it under the federal bankruptcy laws, as now or hereafter in effect, which is not dismissed within ninety (90) days; (iii) commence a proceeding under any other federal or state bankruptcy, insolvency, reorganization or similar law, or have such a proceeding commenced against it and either have an order of insolvency or reorganization entered against it or have the proceeding remain undismissed and unstayed for ninety (90) days; (iv) make an assignment for the benefit of creditors; or (v) have a receiver or trustee appointed for it or for the whole or any substantial part of its property which appointment is not vacated within a period of ninety (90) days;

(d) Any representation or warranty made by the Borrower in the Loan Agreement or any statement in any report, certificate, financial statement or other instrument furnished in connection with the Loan Agreement or with the purchase of the Bonds shall at any time prove to have been false or misleading in any adverse material respect when made or given;

(e) There shall occur an "Event of Default" as defined in the Indenture; and

(f) There shall occur a default by the Borrower under the Regulatory Agreement that is continuing after any applicable notice and cure period.

Notwithstanding the foregoing, if, by reason of Force Majeure, the Borrower is unable to perform or observe any agreement, term or condition of the Loan Agreement which would give rise to an Event of Default under subsection (b) above, the Borrower shall not be deemed in default during the continuance of such inability. However, the Borrower shall promptly give notice to the Trustee and the Issuer of the existence of an event of Force Majeure and shall use commercially reasonable efforts to remove the effects thereof; provided that the settlement of strikes or other industrial disturbances shall be entirely within its discretion.

The term Force Majeure shall mean, without limitation, the following:

(i) acts of God; strikes, lockouts or other industrial disturbances; acts of terrorism or of public enemies; orders or restraints of any kind of the government of the United States of America or of the State or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; insurrections; civil disturbances; riots; epidemics; landslides; lightning; earthquakes; fires; hurricanes; tornados; storms; droughts; floods; arrests; restraint of government and people; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation; or

(ii) any cause, circumstance or event not reasonably within the control of the Borrower.

The declaration of an Event of Default under subsection (c) above, and the exercise of remedies upon any such declaration, shall be subject to any applicable limitations of federal bankruptcy law affecting or precluding that declaration or exercise during the pendency of or immediately following any bankruptcy, liquidation or reorganization proceedings.

Remedies on Default

Whenever an Event of Default shall have happened and be subsisting, any one or more of the following remedial steps may be taken:

(a) If acceleration of the principal amount of the Bonds has been declared pursuant to the Indenture, the Trustee shall declare all Loan Payments to be due and payable together until any other amounts payable by the Borrower under the Loan Agreement and the Note whereupon the same shall become immediately due and payable;

(b) The Trustee may exercise any or all or any combination of the remedies specified under the Loan Agreement;

(c) The Issuer or the Trustee may have access to, inspect, examine and make copies of the books, records, accounts and financial data of the Borrower pertaining to the Project; or

(d) The Issuer or the Trustee may pursue all remedies now or after the date of execution of the Loan Agreement existing at law or in equity to collect all amounts then due and thereafter to become due under the Loan Agreement and the Regulatory Agreement and the Note or to enforce the performance and observance of any other obligation or agreement of the Borrower under those instruments.

Notwithstanding the foregoing, neither the Issuer nor the Trustee shall be obligated to take any step which in its opinion will or might cause it to expend time or money or otherwise incur liability unless and until a satisfactory indemnity bond has been furnished to the Issuer or the Trustee at no cost or expense to the Issuer or the Trustee. Any amounts collected as Loan Payments or applicable to Loan Payment and any other amounts which would be applicable to payment of Bond Service Charges collected pursuant to action taken under this heading "Remedies on Default," shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture or, if the Outstanding Bonds have been paid and discharged in accordance with the provisions of the Indenture, shall be paid as provided in the Indenture for transfers of remaining amounts in the Bond Fund.

The provisions under this heading "Remedies on Default" are subject to the further limitation that the rescission by the Trustee of its declaration that all of the Bonds are immediately due and payable also shall constitute an annulment of any corresponding declaration made pursuant to paragraph (a) above and a waiver and rescission of the consequences of that declaration and of the Event of Default with respect to which that declaration has been made, provided that no such waiver or rescission shall extend to or affect any subsequent or other default or impair any right consequent thereon.

Amendments and Supplements

Except as otherwise expressly provided in the Loan Agreement or the Indenture, subsequent to the issuance of the Bonds and prior to all conditions provided for in the Indenture for release of the Indenture having been met, the Loan Agreement, the Regulatory Agreement and the Note may not be effectively amended, changed, modified, altered or terminated except in accordance with the provisions of the Indenture, as applicable.

Mortgage Loan Documents

In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of the Loan Agreement and the provisions of the Mortgage Loan Documents, the Mortgage Loan Documents, will be deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Mortgage Loan Documents, in accordance with their terms. Notwithstanding any provision of the Loan Agreement to the contrary, the parties to the Loan Agreement acknowledge and agree that all of their respective rights and powers to any assets or properties of the Borrower are subordinate and subject to the liens created by the mortgage associated with the Mortgage Loan, in accordance with its terms, together with any and all amounts from time to time secured thereby, and interest thereon, and to all of the terms and provisions of the Mortgage, and any and all other documents executed by the Borrower as required by the Lender in connection therewith.

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in the Loan Agreement will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

There is no pledge under the Loan Agreement of the gross revenues or any of the assets of the Project.

Nothing contained in the Loan Agreement shall inhibit or impair the right of the Lender to require or agree to any amendment, change or modification of any Mortgage Loan Documents related to the Project for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provision contained therein, or in regard to matters or questions arising under said Mortgage Loan Documents so long as any such amendment, change or modification shall not adversely affect the payment terms of the Bonds.

Proceeds from any condemnation award or from the payment of a claim under any hazard insurance policy relating to the Project will not be payable to the Trustee, but will be payable in accordance with the Mortgage Loan Documents in accordance with their terms.

Residential Rental Property

The Borrower acknowledges and agrees that the Project will be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) until the expiration of the Qualified Project Period. To that end, and for the term of the Regulatory Agreement, the Borrower represents, and covenants, warrants and agrees as follows:

(a) The Project is being acquired, constructed and equipped for the purpose of providing multifamily residential rental property, and the Borrower shall own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with applicable provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project will be similarly constructed units, and, to the extent required by the Code and the Regulations, each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink; provided that any tenant may, but shall not be obligated to, provide a refrigerator for the unit to be occupied.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home, retirement house or trailer court or park; provided that the use of certain units for tenant guests on an intermittent non-compensated basis shall not be considered transient use for purposes of the Regulatory Agreement.

(d) No part of the Project will at any time be owned or used as a condominium or by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than obtaining a final subdivision map on the Project and a Final Subdivision Public Report from the California Department of Real Estate, the Borrower has not and shall not take any steps in connection with a conversion of the Project to a condominium or cooperative ownership except with the prior written approving opinion of Bond Counsel that by reason of any such action the interest on the Tax-Exempt Bonds will not become includable in gross income for federal income tax purposes.

(e) All of the dwelling units (except for the manager's units described in (g) below) will be available for rental on a continuous basis to members of the general public, and the Borrower has not and will not give preference to any particular class or group in renting the dwelling units in the Project, except (i) to the extent that dwelling units are required to be leased or rented to Low Income Tenants, Very Low Income Tenants, or holders of Section 8 of the United States Housing Act of 1937 certificates or vouchers, (ii) as otherwise required pursuant to any agreement entered into with the City, the County or any other public entity, or (iii) as otherwise may be lawfully required pursuant to any agreement entered into with the California Tax Credit Allocation Committee; provided that in no event shall the Borrower give any preference in violation of the Code.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities will comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in any building in the Project shall be occupied by the Borrower unless the building contains five or more dwelling units, in which case one unit may be occupied by the Borrower or by persons related to or affiliated with the Borrower such as a resident manager or maintenance personnel. Notwithstanding the foregoing limitation, up to a total of three units in the Project may be occupied by a resident manager or maintenance personnel.

(h) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date that prevents the Authority from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a "reasonable period" determined in accordance with the Regulations, it will either prepay the portion of the Loan funded by the Tax-Exempt Bonds and cause the Tax-Exempt Bonds to be prepaid or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

(i) The Borrower shall not discriminate on the basis of race, religion, creed, color, ethnic group identification, sex, sexual preference, source of income (e.g. TANF, SSI), mental or physical disability, age, national origin or marital status in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

(j) Following the expiration or termination of the Qualified Project Period, Low Income Units and Very Low Income Units shall remain available to the Low Income Tenants and Very Low Income Tenants, respectively, then occupying such units at the date of expiration or termination of the Qualified Project Period at a rent not greater than the rent determined pursuant to clauses (a) and (j) under "Low Income and Very Low Income Units," below, as applicable, until the earliest of any of the following occurs:

(i) The household's income exceeds 140% of the income at which such household would qualify as a Low Income Tenant or a Very Low Income Tenant.

(ii) The household voluntarily moves or is evicted for "good cause." For these purposes, "good cause" means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the lease agreement

that detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project.

(iii) Fifty-five (55) years after the date on which 50% of the dwelling units in the Project are occupied.

(iv) The Borrower pays the relocation assistance and benefits to such Low Income Tenants or Very Low Income Tenants, as provided in Section 7264(b) of the Government Code of the State of California.

(k) The Authority may but shall not be required to monitor the Borrower’s compliance with the provisions of subparagraph (j) above.

Low Income and Very Low Income Units

Pursuant to the requirements of Section 142(d) of the Code and applicable provisions of the Act, the Borrower represents, as of the date of the Regulatory Agreement, and warrants, covenants and agrees as follows:

(a) During the Qualified Project Period, not less than 40% of the units in the Project shall be designated as Low Income Units and shall be continuously occupied by or held available for occupancy by Low Income Tenants at monthly rents that do not exceed one-twelfth of the amount obtained by multiplying 30% times 60% of the Median Income for the Area, as adjusted for household size utilizing the percentages set forth above under the definition of Low Income Tenant less a reasonable deduction for utilities paid by the tenant as determined by the Authority and assuming (solely for purposes of the above-described limit on the amount of monthly rent, and not for purposes of determining whether individuals or families are Low Income Tenants for purposes of Section 142(d) of the Code) the following unit sizes and household sizes (collectively, the “Assumed Unit and Household Sizes”):

<u>Unit Size</u>	<u>Household Size</u>
One-Bedroom	Two Persons
Two-Bedroom	Three Persons
Three-Bedroom	Four Persons

Such Low Income Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units that are available to other tenants and shall be distributed throughout the Project.

A unit occupied by a Low Income Tenant who, at the commencement of the occupancy, is a Low Income Tenant shall be treated as occupied by a Low Income Tenant until a recertification of such tenant’s income in accordance with clause (c) under “Low Income and Very Low Income Units,” below demonstrates that such tenant no longer qualifies as a Low Income Tenant and thereafter such unit shall be treated as any residential unit of comparable or smaller size in the Project occupied by a new resident other than a Low Income Tenant. Moreover, a unit previously occupied by a Low Income Tenant and then vacated shall be considered occupied by a Low Income Tenant until reoccupied, other than for a temporary period, at which time the character of the unit shall be re-determined. In no event shall such temporary period exceed thirty-one (31) days.

(b) Immediately prior to a Low Income Tenant’s occupancy of a Low Income Unit, the Borrower will obtain and maintain on file an Income Certification from each Low Income

Tenant occupying a Low Income Unit, dated immediately prior to the initial occupancy of such Low Income Tenant in the Project. In addition, the Borrower will provide such further information as may be required in the future by the State of California, the Authority, the Act, Section 142(d) of the Code and the Regulations, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or thereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code. The Borrower shall verify that the income provided by an applicant is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a federal income tax return for the most recent tax year, (2) obtain a written verification of income and employment from the applicant's current employer, (3) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other verification of such applicant's income satisfactory to the Authority or (4) such other information as may be reasonably requested by the Authority.

Copies of the most recent Income Certifications for Low Income Tenants shall be attached to the annual report to be filed with the Authority as required in (d) below.

(c) Immediately prior to the first anniversary date of the occupancy of a Low Income Unit by one or more Low Income Tenants, and on each anniversary date thereafter, the Borrower shall recertify the income of the occupants of each Low Income Unit by obtaining a completed Income Certification based upon the current income of each occupant of the unit. In lieu of obtaining such annual Income Certifications, the Borrower may, with respect to any particular twelve-month period ending July 1 of each year, deliver to the Authority no later than fifteen (15) days after such date, a certification that as of July 1, no residential unit in the Project was occupied within the preceding twelve (12) months by a new resident whose income exceeded the limit applicable to Low Income Tenants upon admission to the Project. In the event the recertification demonstrates that such household's income exceeds 140% of the income at which such household would qualify as Low Income Tenants, such household will no longer qualify as Low Income Tenants and, to the extent necessary to comply with the requirements under clause (a) above, the Borrower will rent the next available unit of comparable or smaller size to one or more Low Income Tenants.

(d) Upon commencement of the Qualified Project Period, and not less than annually thereafter during the term of the Regulatory Agreement, the Borrower shall advise the Authority of the status of the occupancy of the Project by delivering to the Authority a Certificate of Continuing Program Compliance.

(e) The Borrower shall maintain complete and accurate records pertaining to the Low Income Units, and shall permit any duly authorized representative of the Authority, Department of the Treasury or Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower shall submit to the Secretary of the Treasury annually on the anniversary date of the start of the Qualified Project Period, or such other date as is required by the Secretary, a certification that the Project continues to meet the requirements of Section 142(d) of the Code, and shall provide a copy of such certification to the Authority.

(g) The Borrower shall accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to

the existing program under Section 8 of the United States Housing Act of 1937, or its successor. The Borrower shall not apply selection criteria to Section 8 of the United States Housing Act of 1937 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants. The Borrower shall not collect any additional fees or payments from a Low Income Tenant except security deposits or other deposits required of all tenants. The Borrower shall not collect security deposits or other deposits from a Section 8 of the United States Housing Act of 1937 certificate or voucher holder in excess of those allowed under the Section 8 of the United States Housing Act of 1937 Program. The Borrower shall not discriminate against applicants for Low Income Units on the basis of source of income (i.e., TANF or SSI), and the Borrower shall consider a prospective tenant's previous rent history of at least one year as evidence of the ability to pay the applicable rent (ability to pay shall be demonstrated if an applicant can show that the same percentage or more of the applicant's income has been paid for rent in the past as will be required to be paid for the rent applicable to the Low Income Unit to be occupied, provided that such Low Income Tenant's expenses have not materially increased).

(h) Each lease pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the applicant in determining qualification for occupancy of the Low Income Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease. Each lease will also contain a provision that failure to cooperate with the annual recertification process reasonably instituted by the Borrower pursuant under clause (c) above may, at the option of the Borrower, disqualify the unit as a Low Income Unit, or provide grounds for termination of the lease.

(i) Prior to the Closing Date, the Borrower agrees to provide to the Authority a copy of the form of application and lease to be provided to prospective Low Income Tenants. The term of the lease shall be not less than 30 days.

(j) In addition to the requirements set forth in clause (a) under "Low Income and Very Low Income Units," above, the Authority shall require that not less than 10% of the units in the Project shall be Very Low Income Units and shall be rented to, or made available for rental to, Very Low Income Tenants on the same terms and conditions, and subject to the same requirements, as are set forth in this paragraph with respect to the Low Income Units, except that monthly rents shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the Median Income for the Area, adjusted as provided clause (a) under "Low Income and Very Low Income Units," above.

Term

Except as provided under clause (j) of "Residential Rental Property," above and the Regulatory Agreement, which provisions shall continue beyond the Qualified Project Period, and, except as provided in the second paragraph of this section, the Regulatory Agreement and all and several of the terms of the Regulatory Agreement shall become effective upon its execution and delivery and shall remain in full force and effect during the Qualified Project Period, or for such longer period as is provided under clause (j)(iii) of "Residential Rental Property," above and the Regulatory Agreement, and in the CDLAC Resolution referred to in the Regulatory Agreement, it being expressly agreed and understood that the provisions of the Regulatory Agreement are intended to survive the retirement of the Bonds and expiration of the Indenture, Loan Agreement and Loan. Notwithstanding any other provisions of the Regulatory Agreement to the contrary, the entire Regulatory Agreement, or any of the provisions or the Regulatory Agreement, may be terminated prior to the expiration of the Qualified Project Period upon agreement by the Authority, Trustee (if any Bonds are outstanding), and Borrower only if there shall have been received by the Authority

and the Trustee an opinion of Bond Counsel that such termination will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds.

The terms of the Regulatory Agreement to the contrary notwithstanding (except as to the provisions of the Regulatory Agreement), the Regulatory Agreement, and each and all of the terms of the Regulatory Agreement, shall automatically terminate and be of no further force or effect in the event of (i) an involuntary noncompliance by the Borrower with the provisions of the Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date that prevents the Authority from enforcing the provisions of the Regulatory Agreement, or (ii) foreclosure on the Project or delivery of a deed in lieu of foreclosure (including, without limitation, a foreclosure or transfer of title by deed in lieu thereof pursuant to the Indenture [or the Mortgage Loan Security Instrument]) or condemnation or a similar event, but in either case only if within a reasonable period thereafter the Bonds are redeemed or retired or amounts received as a consequence of such event are used to provide a project that meets the requirements of the Code set forth in the Regulatory Agreement; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained in the Regulatory Agreement shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure on the Project or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any Affiliate obtains an ownership interest in the Project for federal income tax purposes. The parties to the Regulatory Agreement mutually intend the previous sentence to be interpreted in accordance with the minimum requirements of Section 1.103-8(b)(6) of the Regulations.

Upon the termination of the terms of the Regulatory Agreement, the parties to the Regulatory Agreement agree to execute, deliver and record appropriate instruments of release and discharge of the terms of the Regulatory Agreement; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of the Regulatory Agreement in accordance with its terms. Borrower agrees that the reasonable fees and costs of the Authority and Trustee and their respective legal counsel in connection with the termination of the Regulatory Agreement shall be paid by the Borrower.

Covenants to Run with the Land

The Borrower subjects the Project (including the Project Site) to the covenants, reservations and restrictions set forth in the Regulatory Agreement. The Authority and the Borrower declare their express intent that the covenants, reservations and restrictions set forth in the Regulatory Agreement shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of the Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument thereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

FORM OF OPINION OF BOND COUNSEL

Upon delivery of the Bonds, Jones Hall LLP, San Mateo, California, Bond Counsel to the Issuer, proposes to deliver its approving opinion in substantially the following form:

May __, 2026

Housing Authority of the City of San Diego
1122 Broadway, Suite 300
San Diego, CA 92121

OPINION: \$ _____ Housing Authority of the City of San Diego Multifamily Housing Revenue Bonds (Hillcrest Hall) 2026 Series A-2 (Taxable)

Ladies and Gentlemen:

Capitalized terms used but not defined herein shall have the meanings given to them in the Trust Indenture, dated as of May 1, 2026 (the “Indenture”), by and between the Housing Authority of the City of San Diego, as issuer (the “Issuer”) and U.S. Bank Trust Company, National Association, as trustee. The Indenture provides that the Bonds are issued for the stated purpose of making a loan of the proceeds thereof to Hillcrest Hall LP (the “Borrower”) pursuant to a loan agreement, dated as of May 1, 2026 (the “Loan Agreement”), between the Issuer and the Borrower.

We have acted as bond counsel in connection with the issuance by the Issuer of the Bonds pursuant to Chapter 1 of Part 2 of Division 24 (commencing with Section 34200) of the Health and Safety Code of the State of California (the “Act”), the Indenture, and a resolution of the issuer adopted on May 12, 2026. The Issuer is issuing the Bonds for the purpose of making the Loan to the Borrower to finance the acquisition, construction and equipping of a multifamily rental housing known as “Hillcrest Hall,” consisting of a 98-unit multifamily rental housing facility located at 1601 University Avenue in the City of San Diego, California (collectively, the “Project”). We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the representations and covenants of the Issuer contained in the Indenture; of the Borrower contained in the Loan Agreement; of the Issuer and Borrower contained in the Regulatory Agreement and Declaration of Restrictive Covenants; and of the Issuer, the Borrower and others contained in the certified proceedings relating to the origination of the Loan and the issuance of the Bonds. We have also relied upon certain other certifications of public officials and the Borrower, in each case furnished to us, without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, that:

1. Pursuant to the Act, the Indenture creates a valid lien on the funds pledged by it for the security of the Bonds subject to no prior lien granted under the Act.

2. The Bonds have been duly authorized, executed and delivered by the Issuer and constitute valid and binding limited obligations of the Issuer, payable solely from the sources provided therefor in the Indenture.

3. The interest on the Bonds is exempt from personal income taxation imposed by the State of California.

We express no opinion regarding any other tax consequences arising with respect to the ownership, sale or disposition of, or the amount, accrual or receipt of interest on, the Bonds.

The rights of the owners of the Bonds and the enforceability of the Bonds, the Indenture, Loan Agreement, and the Regulatory Agreement are limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally, and by equitable principles, whether considered at law or in equity.

This opinion is given as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law that may hereafter occur. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the Internal Revenue Service or any court; rather, our opinions represent our legal judgment based upon our review of existing law that we deem relevant to such opinions, and any assumptions expressed herein, and in reliance upon the representations, and covenants referenced above. Our engagement with respect to this matter has terminated as of the date hereof.

Respectfully submitted,

No later than 15 Business Days prior to said date, the Borrower will provide the Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package and may cross reference other information, provided that the audited financial statements for the prior calendar year of the Borrower may be submitted separately from the balance of the Annual Report.

(b) If by 15 Business Days prior to the date specified in subsection (a) for providing the Annual Report to the MSRB, the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent will contact the Disclosure Representative to determine if the Borrower is in compliance with subsection (a).

If the Borrower’s Audited Financial Statements are not available by the time the Annual Report is required to be filed, the Annual Report will contain unaudited financial statements, and the Audited Financial Statements will be filed in the same manner as the Annual Report when and if they become available.

Any or all of the items described in Exhibit A may be incorporated by reference from other documents, including official statements of debt issues with respect to which the Borrower is an “Obligated Person” (as defined by the Rule), which have been filed with the MSRB. The Borrower will clearly identify each such other document so incorporated by reference.

Each annual report submitted hereunder shall be in readable portable document format (“PDF”) or other acceptable electronic form.

Section 5. Reporting of Listed Events.

(a) This Section 5 shall govern the giving of notices of the occurrence of any of the following events (each, a “Listed Event”):

- (i) Principal and interest payment delinquencies;

- (iii) Unscheduled draws on debt service reserves reflecting financial difficulty;
- (iv) Unscheduled draws on credit enhancements reflecting financial difficulty;

For purposes of this clause (xii), any such event shall be considered to have occurred when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Borrower in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Borrower, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Borrower;
- (xiii) The consummation of a merger, consolidation, or acquisition involving the Borrower or the sale of all or substantially all of the assets of the Borrower, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the

termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

(xiv) Appointment of a successor or additional trustee or paying agent or the change of the name of a trustee or paying agent, if material;

Notice of the Project's being placed in service from the Borrower to the Dissemination Agent shall be in the form attached as Exhibit D hereto or such other form as may be approved by the Dissemination Agent. Notice of the Project's being placed in service from the Dissemination Agent to the Municipal Securities Rulemaking Board shall be in the form attached as Exhibit C hereto or such other form as may be approved by the Dissemination Agent.

For purposes of clauses (xv) and (xvi) of this Section 5(a), "financial obligation" is as contemplated by Exchange Act Release No. 34-83885; File No. S7-01-17 (the "Adopting Release").

(b) The Dissemination Agent shall, within three (3) Business Days of obtaining actual knowledge of the occurrence of any potential Listed Event, pursuant to subsection (c) of this Section 5 or otherwise, provide the Disclosure Representative with notice by email. While the Dissemination Agent is also the Trustee, the Dissemination Agent shall be deemed to have actual knowledge of those items listed in clauses (i), (iii) (solely with respect to funds held by the Trustee), (iv), (v), (vii), (viii), (ix), (x) and (xiv) above without the Dissemination Agent's having received notice of such event. While the Dissemination Agent is not also the Trustee, the Dissemination Agent shall not be deemed to have actual knowledge of any items listed in clauses (i) - (xvii) above without the Dissemination Agent having received written notice of such event. For purposes of providing notice to the Disclosure Representative, the Dissemination Agent shall assume that the unscheduled draws described in clauses (iii) and (iv) reflect financial difficulty.

(c) Whenever the Borrower obtains knowledge of the occurrence of a potential Listed Event, the Borrower shall, within five (5) Business Days of obtaining such knowledge and in any event no more than eight (8) Business Days after the occurrence of such event, determine if such event is in fact a Listed Event that is required by the Rule to be disclosed and provide the Dissemination Agent with notice and instructions pursuant to subsection (d) below.

(d) If the Borrower has determined that a Listed Event is required to be disclosed, then the Borrower shall prepare a written notice describing the Listed Event and provide the same to the Dissemination Agent along with instructions to file the same pursuant to subsection (e) below.

(e) If the Dissemination Agent has been provided with a written notice describing a Listed Event pursuant to subsection (c) of this Section 5 or otherwise, and is instructed by the Borrower to report the occurrence of such Listed Event, the Dissemination Agent shall, within two (2) Business Days of its receipt of such written notice and in any event no more than ten (10) Business Days after the occurrence of the Listed Event, file the notice with the MSRB and send a copy to the Borrower.

Section 6. Amendment; Waiver. Notwithstanding any other provision of this Continuing Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Continuing Disclosure Agreement (and the Dissemination Agent will agree to any amendment so requested by the Borrower unless such amendment adversely affects its rights, duties, protections, immunities, indemnities or standard of care, as determined by the Dissemination Agent) and any provision of this Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions described under paragraph (a) under “Provision of Annual Reports,” “Contents of Annual Reports” or paragraph (a) under “Reporting of Listed Events,” it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of an Obligated Person (as defined in the Rule) with respect to the Bonds or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Holders or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Continuing Disclosure Agreement, the Borrower will describe such amendment in the next Annual Report and will include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information being presented by the Borrower. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change will be given in the same manner as for a Listed Event under Section 5(e) hereof and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 7. Default. In the event of a failure of the Borrower or the Dissemination Agent to comply with any provision of this Continuing Disclosure Agreement and such failure to comply continues beyond a period of thirty (30) days following written notice to the Borrower, the Borrower or any Holder or Beneficial Owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Borrower or the Dissemination Agent, as the case may be, to comply with its obligations under this Continuing Disclosure Agreement. A default under this Continuing Disclosure Agreement will not be deemed an Event of Default under the Indenture or the Loan Agreement, and the sole remedy under this Continuing Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Continuing Disclosure Agreement will be an action to compel performance.

Section 8. Beneficiaries. This Continuing Disclosure Agreement will inure solely to the benefit of the Borrower, the Dissemination Agent, the Participating Underwriter and Holders from time to time of the Bonds and will create no rights in any other person or entity.

Section 9. Reserved.

Section 10. Additional Information. Nothing in this Continuing Disclosure Agreement shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Continuing Disclosure Agreement. If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Continuing Disclosure Agreement, the Borrower shall have no obligation under this Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Continuing Disclosure Agreement. The Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Borrower has provided such information to the Dissemination Agent as required by this Continuing Disclosure Agreement. The Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Dissemination Agent shall have no duty or obligation to review or verify any information, disclosures or notices provided to it by the Borrower and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Holders of the Bonds or any other party. The Dissemination Agent shall have no responsibility for the Borrower's failure to report to the Dissemination Agent a Listed Event or a duty to determine the materiality thereof. The Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Borrower has complied with this Continuing Disclosure Agreement. The Dissemination Agent may conclusively rely upon Certifications of the Borrower at all times.

The obligations of the Borrower under this Section 11 shall survive resignation or removal of the Dissemination Agent and defeasance, redemption or payment of the Bonds.

(b) The Dissemination Agent may, from time to time, consult with legal counsel (either in-house or external) of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its respective duties hereunder, and shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.
