INTEREST CALCULATION

Interest on the Bonds is payable on January 15 and July 15 of each year, commencing July 15, 2026. Interest will be payable to the holder (initially Cede & Co.) registered on the books of the Registrar as of the Record Date. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

REGISTRATION AND EXCHANGE FEATURES

Each registered Bond shall be transferable or exchangeable only on such record at the designated corporate trust office of the Registrar and Paying Agent, at the written request of the registered owner thereof or their attorney duly authorized in writing upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or the duly authorized attorney. A further description of the registration and exchange features of the Bonds can be found in the Bond Resolution. See Appendix C: Bond Resolution.

BOOK-ENTRY-ONLY

When issued, the Bonds will be registered in the name of and held by Cede & Co., as nominee for DTC. Purchases of beneficial interests in the Bonds ("Beneficial Owners") will be made in book-entry-only form. See Appendix B: Book-Entry-Only.

PROVISIONS FOR PAYMENT

The principal on the Bonds shall be payable at the designated corporate trust office of the Registrar and Paying Agent, or by wire transfer to DTC or any successor depository. All payments of interest on the Bonds shall be paid by check, mailed one business day prior to the interest payment date to the registered

owners as the names appear as of the Record Date and at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Registrar or by wire transfer to DTC or any successor depository. If payment of principal or interest is made to DTC or any successor depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time). Payments on the Bonds shall be made in lawful money of the United States of America which, on the date of such payment, shall be legal tender.

So long as DTC or its nominee is the registered owner of the Bonds, principal and interest on the Bonds will be paid directly to DTC by the Paying Agent. (The final disbursement of such payments to the Beneficial Owners of the Bonds will be the responsibility of the DTC Participants and Indirect Participants, as defined and more fully described in Appendix C: Bond Resolution).

NOTICE OF REDEMPTION

Notice of redemption shall be mailed to the registered owners of all Bonds to be redeemed at least 30 days but not more than 60 days prior to the date fixed for such redemption, unless notice is waived by the owner of the Bond or Bonds redeemed. If any of the Bonds are so called for redemption, and payment therefore is made to the Paying Agent in accordance with the terms of the Bond Resolution, then such Bonds shall cease to bear interest from and after the date fixed for redemption in the call.

OPTIONAL REDEMPTION

The Bonds are not subject to optional redemption prior to maturity.

MANDATORY REDEMPTION

If any Bonds are issued as Term Bonds, the Paying Agent shall credit against the mandatory sinking fund requirement for the Term Bonds, and corresponding mandatory redemption obligation, in the order determined by the School Corporation, any Term Bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Paying Agent for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Term Bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory redemption date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of that Term Bond to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall only credit such Term Bond to the extent received on or before 45 days preceding the applicable mandatory redemption date.

If fewer than all the Bonds are called for redemption at one time, the Bonds shall be redeemed in order of maturity determined by the School Corporation and by lot within maturity. Each \$5,000 principal amount shall be considered a separate Bond for purposes of mandatory redemption.

AUTHORITY AND SECURITY

AUTHORIZATION AND APPROVAL PROCESS

The Bonds are to be issued under the authority of Indiana law, including, without limitation, IC 20-48-1, as in effect on the date of delivery of the Bonds and pursuant to the Bond Resolution (Appendix C).

Depending on the size of the project and/or a school corporation's total debt service tax rate, controlled projects are subject to either a petition and remonstrance process or a referenda process. Controlled projects are subject to the petition and remonstrance process unless the project amounts and/or a school corporation's total debt service tax rate trigger the voter approval referenda process as outlined below. Under the petition and remonstrance process, taxpayers and voters may sign a petition in favor of the project (petitioners) or against the project (remonstrators). At the end of the signature gathering period, if

the petitioners have more signatures, the project may proceed. Controlled projects subject to the referenda process require voter approval if the referenda process is initiated for the controlled project.

Once the referenda process is initiated, the public question regarding the controlled project will go on the ballot. If the majority of voters approve of the project, the project may proceed. Projects approved by the referenda process via referendum vote are outside the Circuit Breaker Tax Credit calculations.

The Project funded by the Bonds was subject to the controlled project procedures; however, the referenda process was not initiated by real property owners or registered voters. Therefore, the issuance of the Bonds was able to continue without additional approval procedures. Because the Project funded by the Bonds was not approved through the referenda process, the ad valorem property tax to be levied on all taxable property within the School Corporation to repay the Bonds will be included in the Circuit Breaker Tax Credit calculation.

SECURITY AND SOURCES OF PAYMENT

The Bonds are the general obligation of the School Corporation payable from ad valorem property taxes to be levied on all taxable property within the School Corporation. However, see "Circuit Breaker Tax Credit" herein.

The total bonded indebtedness of the School Corporation subject to the constitutional debt limit, including the Bonds, amounts to less than two percent of one-third of the net assessed valuation of the School Corporation as required by the constitution of the State.

STATE INTERCEPT PROGRAM

IC 20-48-1-11, as amended by Public Law 167-2017 (the "Act"), requires the Department of Local Government Finance (the "DLGF") to review levies and appropriations of school corporations for debt service or lease rental payments (the "Debt Service Obligation") that are payable in the succeeding calendar year. In the event a school corporation fails to levy and appropriate sufficient funds for such purpose for the next succeeding calendar year, the DLGF must establish levies and appropriations which are sufficient to pay such obligations.

The Act further provides upon failure to pay any Debt Service Obligation when due and upon notice and claim being filed with the Treasurer of the State (the "State Treasurer"), the State Treasurer will pay the unpaid Debt Service Obligation of the school corporation within five (5) days, excluding Saturdays, Sundays and legal holidays of receiving such notice to the extent that the amounts described below as the Available Funds are available to the State Treasurer in accordance with the following procedures: (a) upon notice and claim being filed with the State Treasurer, the State Treasurer must immediately contact the school corporation and the person or entity filing the claim to confirm whether the school corporation is unable to make the required payment on the due date, (b) if confirmed, the State Treasurer must notify the Budget Director of the State (the "State Budget Director"), the Auditor of the State (the "State Auditor") and any department or agency of the State responsible for distributing funds appropriated by the Indiana General Assembly (the "General Assembly") to provide the State Treasurer with available funds in order for the State Treasurer to fulfill the State Treasurer's obligations under the Act, (c) within three (3) days, excluding Saturdays, Sundays and legal holidays, of receiving the notice from the State Treasurer, the State Budget Director, the State Auditor and any department or agency of the State responsible for distributing funds appropriated by the General Assembly must provide the State Treasurer with available funds in order for the State Treasurer to fulfill the State Treasurer's obligations under the Act, and (d) the State Treasurer must make such payment to the claimant from such funds within five (5) days, excluding Saturdays, Sundays and legal holidays of the claim being filed with the State Treasurer (clauses (a) through and including (d), collectively, the "State Intercept Program"). The funds to make such payment will be from the following sources, in the following amount and in the following order of priority: (i) first, from amounts appropriated by the General Assembly for distribution to the school corporation from State funds in the current fiscal year of the State (the "Current Year School Distribution"), which begins on July 1 and ends on the immediately following June 30 (the "State Fiscal Year"), (ii) second, to the extent the amounts described in clause (i) are insufficient, from any remaining amounts appropriated by the General Assembly for distribution for tuition support in the current State Fiscal Year which are in excess of the aggregate amount of tuition support needed for distribution to all school corporations during the current State Fiscal Year, and (iii) third, to the extent the amounts described in clauses (i) and (ii) are insufficient and the General

Assembly has adopted a biennial budget appropriating amounts in the immediately succeeding State fiscal year for distribution to the school corporation from State funds, then from such fund or account, as determined by the State Budget Director in an amount equal to the lesser of the unpaid Debt Service Obligation or the amount to be distributed to the school corporation in the immediately succeeding State Fiscal Year (clauses (i) through and including (iii), collectively, the "Available Funds"). If any such payment is made by the State Treasurer pursuant to the State Intercept Program, then the State will recover such amounts by deducting such amount from the future State distributions to be made to the school corporation, first from all funds of the school corporation except tuition support. In accordance with the paying agent agreement with the Registrar and Paying Agent, the Paying Agent is to immediately notify and demand payment from the State Treasurer if the School Corporation should default on its obligation to pay debt service with respect to the Bonds on the date which is no later than the last day of the month prior to the month of each January 15 and July 15, commencing with the payment due on July 15, 2026. The estimated State distributions for State Fiscal Year 2025 and resulting debt service coverage levels are as follows:

Fiscal Year 2025 Basic Grant Distribution (all funds) (1)	<u>\$86,484,614</u>
Estimated Combined Maximum Annual Debt Service (2)*	<u>\$20,586,591</u>
State Distributions Required to Provide One and One-Half Times Coverage*	<u>\$30,879,887</u>
State Distributions Above One and One-Half Times Coverage Amount*	<u>\$55,604,727</u>

- (1) Per the Indiana Department of Education, net of adjustments.
- (2) Based on combined outstanding debt for the year 2026 including the estimated debt service on the Bonds and the Ad Valorem Property Tax First Mortgage Bonds, Series 2025.

*Preliminary, subject to change.

While the above description is based upon enacted legislation, the General Assembly may make amendments to such statutes and, therefore, there is no assurance of future events.

PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION

The Bonds are payable from ad valorem property taxes required by law to be levied by, or on behalf of, the School Corporation in an amount sufficient to pay debt service as it becomes due and payable and are subject to the Circuit Breaker Tax Credit described herein. Article 10, Section 1 of the Constitution of the State ("Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. The Indiana General Assembly enacted legislation (IC 6-1.1-20.6, as amended), which implements the Constitutional Provision and provides taxpayers with a tax credit for all property taxes in an amount that exceeds a certain percentage of the gross assessed value of eligible property. See "Circuit Breaker Tax Credit" herein for further details on the levy and collection of property taxes.

Real and personal property in the State is assessed each year as of January 1. Before August 1 of each year, the county auditor must submit a certified statement of the assessed value of each taxing unit for the ensuing year to the DLGF. The DLGF shall make the certified statement available on its gateway website located at <https://gateway.ifionline.org/> ("Gateway"). The county auditor may submit an amended certified statement at any time before the preceding year, the date by which the DLGF must certify the taxing units' budgets.

The certified statement of assessed value is used when the governing body of a local taxing unit meets to establish its budget for the next fiscal year (January 1 through December 31) and to set tax rates and levies. In preparing the taxing unit's estimated budget, the governing body must consider the net property tax revenue that will be collected by the taxing unit during the ensuing year, after taking into account the DLGF's estimate of the amount by which the taxing unit's distribution of property taxes will be reduced by the application of the Circuit Breaker Tax Credit (as defined in the summary of "Circuit Breaker Tax Credit" herein), after taking into account the DLGF's estimate of the maximum amount of net property tax revenue and miscellaneous revenue that the taxing unit will receive in the ensuing year and after taking into account

all payments for debt service obligations that are to be made by the taxing unit during the ensuing year. Before August 1 of each year, the DLGF shall provide to each taxing unit an estimate of the amount by which the taxing unit's distribution of property taxes will be reduced.

The taxing unit must submit the following information to the DLGF via Gateway: (i) its estimated budget; (ii) the estimated maximum permissible tax levy, as determined by the DLGF; (iii) the current and proposed tax levies of each fund; (iv) the percentage change between the current and proposed tax levies of each fund; (v) the estimated amount, determined by the DLGF, by which the taxing unit's property taxes may be reduced by the Circuit Breaker Tax Credit; (vi) the amounts of excess levy appeals to be requested, if any; (vii) the time and place at which the taxing unit will conduct a public hearing related to the information submitted to Gateway; (viii) the time and place at which the taxing unit or appropriate fiscal body will meet to fix the budget, tax rate and levy of the taxing unit; and (ix) the date, time, and place of the final adoption of the budget, tax rate, and levy. The taxing unit must submit the information listed in (i) – (ix) above on Gateway at least ten days prior to the date of the public hearing. The public hearing must be completed at least ten days before the taxing unit meets to fix the budget, tax rate and tax levy which by statute must each be established no later than November 1. The taxing unit must file the adopted budget with the DLGF within five days after adoption.

The budget, tax levy and tax rate of each taxing unit are subject to review by the DLGF, and the DLGF shall certify the tax rates and tax levies for all funds of taxing units subject to the DLGF's review. The DLGF may not increase a taxing district's budget by fund, tax rate or tax levy to an amount which exceeds the amount originally fixed by the taxing unit unless the taxing unit meets all of the following: (i) the increase is requested in writing by the taxing unit; (ii) the requested increase is published on the DLGF's advertising internet website; (iii) notice is given to the county fiscal body of the DLGF's correction; (iv) the request includes the corrected budget, tax rate, or levy, as applicable and the time and place of the public meeting; and (v) the political subdivision adopts the needed changes to its budget, tax levy, or rate in a public meeting of the governing body.

The DLGF may not approve a levy for debt service by a school corporation if: (i) there are no bonds of the school corporation outstanding; and (ii) the school corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular debt service levy requested. However, the DLGF may increase the school corporation's tax rate and levy if the tax rate and levy proposed by the school corporation are not sufficient to make its debt service payments.

The DLGF must complete its review and certification of budgets, tax rates and levies by December 31 of the calendar year immediately preceding the ensuing calendar year unless a taxing unit in the county is issuing debt after December 1 in the year preceding the budget year or intends to file a levy shortfall appeal.

On or before March 15, the county auditor prepares the tax duplicate, which is a roll of property taxes payable in that year. The county auditor publishes a notice of the tax rate in accordance with Indiana statutes. The county treasurer mails tax statements at least 15 days prior to the date that the first installment is due (due dates may be delayed due to a general reassessment or other factors). Property taxes are due and payable to the county treasurer in two installments on May 10 and November 10, unless the mailing of tax bills is delayed or a later due date is established by order of the DLGF. If an installment of property taxes is not completely paid on or before the due date, a penalty of 10% of the amount delinquent is added to the amount due; unless the installment is completely paid within thirty (30) days of the due date and the taxpayer is not liable for delinquent property taxes first due and payable in a previous year for the same parcel, the amount of the penalty is five percent (5%) of the amount of the delinquent taxes. On May 11 and November 11 of each year after one year of delinquency, an additional penalty equal to 10% of any taxes remaining unpaid is added. The penalties are imposed only on the principal amount of the delinquency. Property becomes subject to tax sale procedures after 15 months of delinquency. The county auditor distributes property tax collections to the various taxing units on or about June 30 after the May 10 payment date and on or about December 31 after the November 10 payment date.

Personal property values are assessed January 1 of every year and are self-reported by property owners to county assessors using prescribed forms. The completed personal property return must be filed with the county assessors no later than May 15. Pursuant to State law, personal property is assessed at its actual historical cost less depreciation, in accordance with 50 IAC 4.2, the DLGF's Rules for the Assessment of Tangible Personal Property. Pursuant to IC 6-1.1-3-7.2, as amended, State law automatically exempts from property taxation the acquisition cost of a taxpayer's total business personal property in a county if the

total business personal property is less than (i) eighty thousand dollars (\$80,000) for assessment dates before 2026; and (ii) two million dollars (\$2,000,000) for the 2026 assessment date and each assessment date thereafter.

Pursuant to State law, real property is valued for assessment purposes at its “true tax value” as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2021 Real Property Assessment Manual (“Manual”), as incorporated into 50 IAC 2.4 and the 2021 Real Property Assessment Guidelines (“Guidelines”), as published by the DLGF. In the case of agricultural land, true tax value shall be the value determined in accordance with the Guidelines and IC 6-1.1-4-13, as amended, which shall mean the “market value-in-use” of a property for its current use, as reflected by the utility received by the owner or by a similar user from the property. Except for agricultural land and rental residential property with rental periods longer than thirty (30) days, the Manual permits assessing officials in each county to choose one of three standard approaches to determine market value-in-use, which are the cost approach, the sales comparison approach or the income approach. The Guidelines provide each of the approaches to determine “market value-in-use and the reconciliation of these approaches shall be applied in accordance with generally recognized appraisal principals.” In accordance with IC 6-1.1-4-4.2(a), as amended, the county assessor is required to submit a reassessment plan to the DLGF before May 1 every four (4) years, and the DLGF has to approve the reassessment plan before January 1 of the following year.

The reassessment plan must divide all parcels of real property in the county into four (4) different groups of parcels. Each group of parcels must contain approximately twenty-five percent (25%) of the parcels within each class of real property in the county. All real property in each group of parcels shall be reassessed under a county’s reassessment plan once during each four (4) year cycle. The reassessment of a group of parcels in a particular class of real property shall begin on May 1 of a year and must be completed on or before January 1 of the year after the year in which the reassessment of the group of parcels begins. All real property assessments are revalued annually to reflect market value based upon comparable sales (“Trending”). “Net Assessed Value” or “Taxable Value” represents the “Gross Assessed Value” less certain deductions for mortgages, veterans, the aged, the blind, economic revitalization areas, resource recovery systems, rehabilitated residential property, solar energy systems, wind power devices, hydroelectric systems, geothermal devices and tax-exempt property. The “Net Assessed Value” or “Taxable Value” is the assessed value used to determine tax rates.

Changes in assessed values of real property occur periodically as a result of general reassessments, as well as when changes occur in the property value due to new construction or demolition of improvements. When a change in assessed value occurs, a written notification is sent to the affected property owner. If the owner wishes to appeal this action, the owner may file a petition requesting a review of the action. This petition must be filed with the county assessor in which the property is located by June 15 of the assessment year if the written notification is provided to the taxpayer before May 1 of that year, or June 15 of the year in which the tax bill is mailed by the county treasurer if the notice is provided on or after May 1 of the assessment year, whichever is earlier. While the appeal is pending, the taxpayer may pay taxes based on the current year’s tax rate and the previous or current year’s assessed value. For all appeals except an appeal on the assessed value of the property, the taxpayer may appeal not later than three years after the taxes were first due.

Over the past few years the Indiana General Assembly has proposed legislation containing numerous provisions related to property taxation and local income taxation, which could adversely affect political subdivisions in the State in a variety of ways. Senate Enrolled Act No. 1 (2025) (“SEA 1-2025”) includes provisions that increase the homestead deduction for real property owners and new assessed value deductions to real property owners of non-homestead residential property, agricultural property and long-term care facilities, all of which phase in beginning in 2026 through taxes payable year 2031. Some of the changes in SEA 1-2025 may result in a decrease in assessed valuation, which may require an increase in property tax rates. It is uncertain at this time what impact, if any, SEA 1-2025 or any future legislation may have on the property assessment process or the amount of ad valorem property taxes and local income taxes to be received by local government entities in future years. Neither the School Corporation nor their advisors assume any responsibility for assessing the potential risk of any such legislation that may impact the Bonds or the operations of the School Corporation. The purchasers of the Bonds should consult their own advisors regarding risks associated with SEA 1-2025 or future legislation.

CIRCUIT BREAKER TAX CREDIT

The Constitutional Provision provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. IC-6-1.1-20.6, as amended (the "Statute"), authorizes such limits in the form of a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit (the "Circuit Breaker Tax Credit"). For property assessed as a homestead (as defined in IC 6-1.1-12-37, as amended), the Circuit Breaker Tax Credit is equal to the amount by which the property taxes attributable to the homestead exceed 1% of the gross assessed value of the homestead. Property taxes attributable to the gross assessed value of other residential property, agricultural property, and long-term care facilities are limited to 2% of the gross assessed value, property taxes attributable to other non-residential real property and personal property are limited to 3% of the gross assessed value. The Statute and other additional Indiana laws provide additional property tax credits for property taxes paid by homesteads and certain real property owners based on certain demographic categories.

If applicable, the Circuit Breaker Tax Credit will result in a reduction of property tax collections for each political subdivision in which the Circuit Breaker Tax Credit is applied. School corporations are authorized to impose a referendum tax levy, if approved by voters, to replace property tax revenue that the school corporation will not receive due to the application of the Circuit Breaker Tax Credit. Otherwise school corporations and other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit.

The Constitutional Provision excludes from the application of the Circuit Breaker Tax Credit property taxes first due and payable in 2012, and thereafter, that are imposed after being approved by the voters in a referendum. The Statute codifies this exception, providing that, with respect to property taxes first due and payable in 2012 and thereafter, property taxes imposed after being approved by the voters in a referendum will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute.

The Statute requires political subdivisions to fully fund the payment of Debt Service Obligations, regardless of any reduction in property tax collections due to the application of the Circuit Breaker Tax Credit. For school corporations, any shortfall could also be funded through the State Intercept Program (See "State Intercept Program" herein); however, application of the State Intercept Program will result in a shortfall in distributions to the school corporation's education fund and school corporations are encouraged by the DLGF to fund any shortfall directly from the school corporation's other legally available funds to avoid the application of the State Intercept Program. Upon: (i) the failure of a political subdivision to pay any of its Debt Service Obligations; and (ii) notification of that event to the treasurer of the State by a claimant; the treasurer of State is required to pay the unpaid Debt Service Obligations from money in the possession of the State that would otherwise be available to the political subdivision under any other law. A deduction must be made from any other undistributed funds of the political subdivision in possession of the State.

Pursuant to IC 6-1.1-20.6-9.9, as amended, if a school corporation has sufficient Circuit Breaker Tax Credit losses and meets certain requirements in any year from 2014 through 2026, and has approval from the DLGF, it will be an eligible school corporation for such year that it submitted the request for a determination (an "Eligible School Corporation"). An Eligible School Corporation may allocate a portion of its Circuit Breaker Tax Credit loss to its non-exempt debt service fund(s), and is exempt from the protected taxes requirement described below.

After December, 31, 2023, if a school corporation issues new bonds or enters into a new lease rental agreement after July 1, 2023, for which the school corporation is imposing or will impose a debt service levy other than: (A) to refinance or renew prior bond or lease rental obligations existing before January 1, 2024, but only if the refinancing or renewal is for a lower interest rate; or (B) for indebtedness that is approved in a local public question or referendum under IC 6-1.1-20 or any other law, the school corporation will not be an Eligible School Corporation.

The School Corporation does not qualify for this exemption in 2025 and will not qualify in 2026.

Except for an Eligible School Corporation, the Statute categorizes property taxes levied to pay Debt Service Obligations as "protected taxes," regardless of whether the property taxes were approved at a referendum,

and all other property taxes as “unprotected taxes.” The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the Circuit Breaker Tax Credit. The application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund. The School Corporation may allocate the reduction by using a combination of unprotected taxes of the political subdivision in those taxing districts in which the Circuit Breaker Tax Credit caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

If the allocation of property tax reductions to funds receiving only unprotected taxes is insufficient to offset the amount of the Circuit Breaker Tax Credit or if there is not a fund receiving only unprotected taxes from which to distribute revenue, the revenue for a fund receiving protected taxes will also be reduced. If a fund receiving protected taxes is reduced, the Statute provides that a political subdivision may transfer money from any other available source in order to meet its Debt Service Obligations. The amount of this transfer is limited to the amount by which the protected taxes are insufficient to meet Debt Service Obligations.

The allocation of property tax reductions to funds may impact the ability of political subdivisions to provide existing levels of service, and in extreme cases, the ability to make debt service or lease rental payments.

The School Corporation cannot predict the timing, likelihood or impact on property tax collections of any future actions taken, amendments to the Constitution of the State or legislation enacted, regulations or rulings promulgated or issued to implement any such regulations, statutes or the Constitutional Provision described above or of future property tax reform in general. There has been no judicial interpretation of this legislation. In addition, there can be no assurance as to future events or legislation that may affect the Circuit Breaker Tax Credit or the collection of property taxes by the School Corporation.

Estimated Circuit Breaker Tax Credit for the School Corporation:

According to the DLGF, the Circuit Breaker Tax Credit allocable to the School Corporation for budget years 2023, 2024 and 2025, are \$369,513, \$255,069, and \$290,056, respectively. These estimates do not include the payments on the Bonds.

The Circuit Breaker Tax Credit amounts above do not reflect the potential effect of any further changes in the property tax system or methods of funding local government that may be enacted by the Indiana General Assembly in the future. The effects of these changes could affect the Circuit Breaker Tax Credit and the impact could be material. Other future events, such as the loss of a major taxpayer, reductions in assessed value, increases in property tax rates of overlapping taxing units or the reduction in local option income taxes applied to property tax relief could increase effective property tax rates and the amount of the lost revenue due to the Circuit Breaker Tax Credit, and the resulting increase could be material. Pursuant to SEA 1-2025, the local income tax authorized pursuant to IC 6-3.6-5 that is utilized for property tax relief expires beginning in 2028, which may increase circuit breaker tax credits in 2028 and thereafter.

INVESTMENT OF FUNDS

The proceeds of the Bonds are to be invested in accordance with the laws of the State relating to the depositing, holding, securing or investing of public funds, including particularly IC 5-13, and the acts amendatory thereof and supplemental thereto. The School Corporation shall direct the investment of the Bonds proceeds.

RATINGS

S&P Global Rating Agency (“S&P Global”) has assigned a programmatic bond rating of “AA+” to the Bonds and an underlying bond rating of “A+” to the Bonds. Such ratings reflect only the view of S&P Global and any explanation of the significance of such ratings may only be obtained from S&P Global.

The ratings are not a recommendation to buy, sell or hold the Bonds, and such ratings may be subject to revision or withdrawal at any time by S&P Global. Any revision or withdrawal of the ratings may have an adverse effect upon the market price of the Bonds.

The School Corporation did not apply to any other rating service for a rating on the Bonds.

RISK FACTORS AND INVESTOR CONSIDERATIONS

Prospective purchasers of the Bonds should consider carefully, along with other matters referred to herein, the following risks of investment. The ability of the Issuer to meet the debt service requirements of the Bonds is subject to various risks and uncertainties which are discussed throughout this Official Statement. Certain, but not all, of such investment considerations are set forth below.

MAINTENANCE OF RATINGS

The Bonds will be rated as to their creditworthiness by S&P Global. No assurance can be given that the Bonds will maintain their original ratings. If the ratings on the Bonds decrease or are withdrawn, the Bonds may lack liquidity in the secondary market in comparison with other such municipal obligations. See “RATINGS” herein.

SECONDARY MARKET

While the purchaser of the Bonds may expect, insofar as possible, to maintain a secondary market in the Bonds, no assurance can be given concerning the future existence of such a secondary market or its maintenance by the purchasers or others, and prospective purchasers of the Bonds should therefore be prepared, if necessary, to hold their Bonds to maturity or prior redemption, if any.

FUTURE CHANGES IN LAW

Legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Legislation affecting municipal bonds is considered from time to time by the United States Congress and the Executive Branch. Bond Counsel’s opinion is based upon the law in existence on the date of issuance of the Bonds. It is possible that legislation enacted after the date of issuance of the Bonds or proposed for consideration will have an adverse effect on the excludability of all or a part of the interest on the Bonds from gross income, the manner in which such interest is subject to federal income taxation or the market price of the Bonds.

Legislation affecting municipal bonds is considered from time to time by the Indiana legislature and Executive Branch. It is possible that legislation enacted after the date of the Bonds or proposed for consideration will have an adverse effect on payment or timing of payment or other matters impacting the Bonds.

As one example, Indiana Governor Michael Braun signed SEA 1-2025 into law on April 15, 2025. SEA 1-2025 includes a number of provisions which may adversely impact future tax collections and budgets of political subdivisions in the State, including school corporations.

The final version of SEA 1-2025 which was signed by Governor Braun, as well as related fiscal information provided by the State of Indiana’s Legislative Services Agency, can be found here:

<https://iga.in.gov/legislative/2025/bills/senate/1/details>

See “Procedures for Property Assessment, Tax Levy and Collection” and “Circuit Breaker Tax Credit” herein.

The School Corporation cannot predict the outcome of any such federal or state proposals as to passage, ultimate content or impact if passed, or timing of consideration or passage. Purchasers of the Bonds should reach their own conclusions regarding the impact of any such federal or state proposals.

There can be no assurance that there will not be any change in, interpretation of, or addition to the applicable laws and provisions which would have a material effect, directly or indirectly, on the affairs of the School Corporation.

LIMITATIONS ON REMEDIES AVAILABLE TO OWNERS OF THE BONDS

No Trustee. There is no bond trustee or similar person or entity to monitor or enforce the provisions of the Bond Resolution on behalf of the owners of the Bonds, and, therefore, the owners of the Bonds should be prepared to enforce such provisions themselves if the need to do so ever arises. However, the Registrar and Paying Agent has contractually agreed, without any direction, security or indemnity, to file a claim with the Indiana State Treasurer for an amount equal to the principal and interest payment then due in the event that sufficient funds have not been deposited on the seventh day immediately preceding any Bonds payment date.

No Acceleration. There is no provision for acceleration of maturity of the principal of the Bonds in the event of a default in the payment of principal of or interest on the Bonds. Consequently, the owners of the Bonds may have to enforce available remedies from year to year. However, see "State Intercept Program" herein.

POTENTIAL IMPACTS RESULTING FROM EPIDEMICS OR PANDEMICS

The School Corporation's finances may be materially adversely affected by unforeseen impacts of future epidemics and pandemics. The School Corporation cannot predict future impacts of epidemics or pandemics, any similar outbreaks, or their impact on travel, on assemblies or gatherings, on the State, national or global economy, or on securities markets, or whether any such disruptions may have a material adverse impact on the financial condition or operations of the School Corporation, including but not limited to the payment of debt service on any of its outstanding debt obligations.

SCHOOL CORPORATION INDICATORS

Public Law 213-2018(ss) was enacted by the Indiana General Assembly in 2018 (the "DUAB Law"). The DUAB Law required the Distressed Unit Appeal Board, an entity previously established pursuant to IC 6-1.1-20.3-4 (the "DUAB") to establish a Fiscal and Qualitative Indicators Committee (the "Committee"), and for such Committee to select from a prescribed list the fiscal and qualitative indicators with which the DUAB would evaluate the financial conditions of Indiana public school corporations.

Further, pursuant to the DUAB Law, starting in June, 2019, the DUAB has been charged with making a determination of whether a corrective action plan is necessary for any school corporations, based upon a process of initial identification by the DUAB's executive director pursuant to such fiscal and qualitative indicators, and a contact and assessment of each such school corporation by the DUAB's executive director.

The DUAB will place a school corporation on its watch list under certain circumstances, if such school corporation fails to properly submit a corrective action plan, or if such school corporation is not compliant with its corrective action plan. Upon the state budget committee review of the school corporation's placement on the watch list, such placement will become public. Until such time, all reports, correspondence and other related records are not subject to public disclosure laws under Indiana State law. See IC 20-19-7-18.

A graphic summary of such fiscal and qualitative indicators, searchable for any specific Indiana public school corporation, can be found at: <https://www.in.gov/duab/school-corporation-fiscal-indicators/dashboard/>. (Some of such data may be less current than the data found in Appendix A hereto.)

CYBERSECURITY

The School Corporation relies on computer networks, data storage, collection and transmission to conduct the operations of the School Corporation and has implemented security measures to protect data and limit financial exposure, including securing cyber security insurance to assist with the reduction of potential risk of financial and operational damage resulting from network attacks. Even with these security measures, the School Corporation, its information technology, data stored by the School Corporation and its infrastructure may be vulnerable in the event of a deliberate system attack, including malware, ransomware,

computer virus, employee error or general disruption. If breached or compromised, the networks could be disrupted and information could be accessed, disclosed, lost or stolen. The School Corporation acknowledges that its systems could be affected by a cybersecurity attack and that a loss, disruption or unauthorized access to data held by the School Corporation could have a material impact on the School Corporation's financial health and operations. Further, as cybersecurity threats evolve, the School Corporation will continue to evaluate and implement security measures and work to mitigate any vulnerabilities in its systems.

UNDERWRITING

The Bonds are being purchased by Stifel, Nicolaus & Company, Incorporated (the "Underwriter" or "Stifel") at a purchase price of \$_____, which is the par amount of the Bonds of \$_____ less the Underwriter's discount of \$_____, plus the original [net] issue premium/discount of \$_____. The Bond Purchase Agreement provides that all of the Bonds will be purchased by the Underwriter if any of such Bonds are purchased.

The Underwriter intends to offer the Bonds to the public at the offering prices set forth in the "Maturity Schedule" of this Official Statement. The Underwriter may allow concessions to certain dealers (including dealers in a selling group of the Underwriter and other dealers depositing the Bonds into investment trusts), who may reallocate concessions to other dealers. After the initial public offering, the public offering price may be varied from time to time by the Underwriter.

Stifel and its affiliates comprise a full service financial institution engaged in activities which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Stifel and its affiliates may have provided, and may in the future provide, a variety of these services to the School Corporation and to persons and entities with relationships with the School Corporation, for which they received or will receive customary fees and expenses.

In the ordinary course of these business activities, Stifel and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the School Corporation (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the School Corporation.

Stifel and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. Such investment and securities activities may involve securities and instruments of the School Corporation.

CONTINUING DISCLOSURE

Pursuant to continuing disclosure requirements promulgated by the Securities and Exchange Commission ("SEC") in SEC Rule 15c2-12, as amended to the date hereof (the "SEC Rule"), the School Corporation has previously entered into a Master Continuing Disclosure Undertaking dated June 1, 2017, as amended by a First Amendment to Master Continuing Disclosure Undertaking and as previously supplemented by a First Supplement to Master Continuing Disclosure Undertaking, a Second Supplement to Master Continuing Disclosure Undertaking, a Third Supplement to Master Continuing Disclosure Undertaking, a Fourth Supplement to Master Continuing Disclosure Undertaking, a Fifth Supplement to Master Continuing Disclosure Undertaking, a Sixth Supplement to Master Continuing Disclosure, a Seventh Supplement to Master Continuing Disclosure Undertaking, an Eighth Supplement to Master Continuing Disclosure Undertaking, a Ninth Supplement to the Master Continuing Disclosure Undertaking, and a Tenth Supplement to the Master Continuing Disclosure Undertaking (collectively, the "Original Undertaking"). In connection with the issuance of the Bonds the School Corporation will enter into an Eleventh Supplement to the Original Undertaking (the "Supplement" and together with the Original Undertaking, the "Undertaking"), the Bonds will be subject to the SEC Rule. Pursuant to the terms of the Undertaking, the School Corporation agrees to provide the information detailed in the Undertaking, the form of which is attached hereto as Appendix E.

The purpose of the Undertaking is to enable the Underwriter to purchase the Bonds by providing for an undertaking by the School Corporation in satisfaction of the SEC Rule. The Undertaking is solely for the benefit of the owners of the Bonds and creates no new contractual or other rights for the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other obligated persons or any other third party. The sole remedy against the School Corporation for any failure to carry out any provision of the Undertaking shall be for specific performance of the School Corporation's disclosure obligations under the Undertaking and not for money damages of any kind or in any amount or any other remedy. The School Corporation's failure to honor its covenants under the Undertaking shall not constitute a breach or default of the Bonds, the Bond Resolution or any other agreement.

The School Corporation may, from time to time, amend or modify the Undertaking without the consent of or notice to the owners of the Bonds if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the School Corporation, or type of business conducted; (ii) the Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date of execution of the Undertaking, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances; and (iii) such amendment or modification does not materially impair the interests of the holders of the Bonds, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Bonds pursuant to the terms of the Bond Resolution at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds the Undertaking) is permitted by the SEC Rule, then in effect.

The School Corporation may, at its sole discretion, utilize an agent in connection with the dissemination of any annual financial information required to be provided by the School Corporation pursuant to the terms of the Undertaking.

In order to assist the Underwriter in complying with the Underwriter's obligations pursuant to the SEC Rule, the School Corporation represents that it has conducted or caused to be conducted what it believes to be a reasonable review of the School Corporation's compliance with its continuing disclosure obligations. Based upon such review, the School Corporation is not aware of any instances in the previous five years in which the School Corporation has failed to comply in any material respects with previous undertakings. The School Corporation has instituted procedures for ongoing compliance with its undertakings. The School Corporation has retained BTMA (as hereinafter defined) as its dissemination agent.

FUTURE FINANCINGS

As of the date of the official statement, the School Corporation anticipates issuing additional debt in this calendar year. On April 22, 2025, the Board of School Trustees approved up to \$221,620,000 of bonds for the Project. The School Corporation plans to sell these Bonds and \$35,000,000* Ad Valorem Property Tax First Mortgage Bonds, Series 2025 this year. Based on the Approval, the School Corporation anticipates issuing the remaining \$179,320,000* in one or more series of bonds in the next few years to fund the remaining portion of the Project.

The School Corporation periodically evaluates market conditions and outstanding financial obligations for refunding/refinancing opportunities and may issue refunding Bonds if debt service savings can be achieved. The School Corporation also continuously examines the need to undertake additional capital projects and may issue debt to support future projects.

LITIGATION

To the knowledge of the officers for the School Corporation, there is no litigation pending, or threatened, against the School Corporation, which in any way questions or affects the validity of the Bonds, or any proceedings or transactions relating to the issuance, sale or delivery thereof.

The officers for the School Corporation will certify at the time of delivery of the Bonds that there is no litigation pending or in any way threatened questioning the validity of the Bonds, or any of the proceedings had relating to the authorization, issuance and sale of the Bonds, the Bond Resolution or the Project that would result in a material adverse impact on the financial condition of the School Corporation.

LEGAL MATTERS

CERTAIN LEGAL MATTERS

Legal matters incident to the authorization and issuance of the Bonds are subject to the unqualified approving opinion of Ice Miller LLP, Indianapolis, Indiana, Bond Counsel, whose approving opinion will be available at the time of delivery of the Bonds. Bond Counsel has not been asked nor has it undertaken to review the accuracy or sufficiency of this Official Statement and will express no opinion thereon. See Appendix D: "Form of Legal Opinion."

LEGAL OPINIONS AND ENFORCEABILITY OF REMEDIES

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions on the legal issues explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

The remedies available to the bondholders upon a default under the Bond Resolution, are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the federal bankruptcy code), the remedies provided in the Bond Resolution may not be readily available or may be limited. Under federal and State environmental laws certain liens may be imposed on property of the School Corporation from time to time, but the School Corporation has no reason to believe, under existing law, that any such lien would have priority over the lien on the property taxes pledged to the owners of the Bonds.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State and the United States of America and bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

These exceptions would encompass any exercise of federal, State or local police powers (including the police powers of the School Corporation), in a manner consistent with the public health and welfare. Enforceability of the Bond Resolution in a situation where such enforcement may adversely affect public health and welfare may be subject to these police powers.

TAX DISCLOSURES

TAX MATTERS

In the opinion of Bond Counsel under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. This opinion is conditioned on continuing compliance by the School Corporation with the Tax Covenants (hereinafter defined). Failure to comply with the Tax Covenants could cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to the date of issue. In the opinion of Bond Counsel, under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is exempt from income taxation in the State. This opinion relates only to the exemption of interest on the Bonds for State income tax purposes. See Appendix D "Form of Legal Opinion."

The Code imposes certain requirements which must be met subsequent to the issuance of the Bonds as a condition to the exclusion from gross income of interest on the Bonds for federal income tax purposes. The

School Corporation will covenant not to take any action, within its power and control, nor fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code (collectively, the "Tax Covenants"). The Bond Resolution and certain certificates and agreements to be delivered on the date of delivery of the Bonds establish procedures under which compliance with the requirements of the Code can be met. It is not an event of default under the Bond Resolution if interest on the Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not in effect on the issue date of the Bonds.

IC 6-5.5 imposes a franchise tax on certain taxpayers (as defined in IC 6-5.5) which, in general, include all corporations which are transacting the business of a financial institution in Indiana. The franchise tax will be measured in part by interest excluded from gross income under Section 103 of the Code minus associated expenses disallowed under Section 265 of the Code. Taxpayers should consult their own tax advisors regarding the impact of this legislation on their ownership of the Bonds.

Although Bond Counsel will render an opinion in the form attached as Appendix D hereto, the accrual or receipt of interest on the Bonds may otherwise affect a bondholder's federal income tax or state tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and a bondholder's other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, individuals, financial institutions, certain insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the Bonds. Bond Counsel expresses no opinion regarding any other such tax consequences. Prospective purchasers of the Bonds should consult their own tax advisors with regard to the other tax consequences of owning the Bonds.

The Bonds are not bank qualified.

ORIGINAL ISSUE DISCOUNT

The initial public offering price of the Bonds maturing on _____, 20__, through and including _____, 20__ (collectively the "Discount Bonds"), is less than the principal amount payable at maturity. As a result, the Discount Bonds will be considered to be issued with original issue discount. A taxpayer who purchases a Discount Bond in the initial public offering at the price listed in the "Maturity Schedule" of this Official Statement (assuming a substantial amount of such Discount Bond was sold at such price) and who holds such Discount Bond to maturity may treat the full amount of original issue discount as interest which is excludable from the gross income of the owner of that Discount Bond for federal income tax purposes and will not, under present federal income tax law, realize taxable capital gain upon payment of the Discount Bond at maturity.

The original issue discount on each of the Discount Bonds is treated as accruing daily over the term of such Bond on the basis of the yield to maturity determined on the basis of compounding at the end of each six-month period (or shorter period from the date of the original issue) ending on January 15 and July 15 (with straight line interpolation between compounding dates).

Section 1288 of the Code provides, with respect to tax-exempt obligations such as the Discount Bonds, that the amount of original issue discount accruing each period will be added to the owner's tax basis for the Discount Bonds. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Discount Bonds (including sale, redemption or payment at maturity). Owners of Discount Bonds who dispose of Discount Bonds prior to maturity should consult their tax advisors concerning the amount of original issue discount accrued over the period held and the amount of taxable gain or loss upon the sale or other disposition of such Discount Bonds prior to maturity.

As described above in "Tax Matters," the original issue discount that accrues in each year to an owner of a Discount Bond may result in certain collateral federal income tax consequences. Owners of any Discount Bonds should be aware that the accrual of original issue discount in each year may result in a tax liability from these collateral tax consequences even though the owners of such Discount Bonds will not receive a corresponding cash payment until a later year.

Owners who purchase Discount Bonds in the initial public offering but at a price different from the prices listed on the inside cover pages hereof should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

The Code contains certain provisions relating to the accrual of original issue discount in the case of subsequent purchasers of bonds such as the Discount Bonds. Owners who do not purchase Discount Bonds in the initial public offering should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

Owners of Discount Bonds should consult their own tax advisors with respect to the state and local tax consequences of owning the Discount Bonds. It is possible under the applicable provisions governing the determination of state or local income taxes that accrued interest on the Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment until a later year.

AMORTIZABLE BOND PREMIUM

The initial public offering prices of the Bonds maturing on _____, 20__, through and including _____, 20__ (collectively, the "Premium Bonds"), are greater than the principal amounts thereof payable at maturity. As a result, the Premium Bonds will be considered to be issued with amortizable bond premium (the "Bond Premium"). An owner who acquires a Premium Bond in the initial public offering will be required to adjust the owner's basis in the Premium Bond downward as a result of the Bond Premium, pursuant to Section 1016(a)(5) of the Code. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Premium Bonds, including sale, redemption or payment at maturity. The amount of amortizable Bond Premium will be computed on the basis of the taxpayer's yield to maturity, with compounding at the end of each accrual period. Rules for determining (i) the amount of amortizable Bond Premium and (ii) the amount amortizable in a particular year are set forth in Section 171(b) of the Code. No income tax deduction for the amount of amortizable Bond Premium will be allowed pursuant to Section 171(a)(2) of the Code, but amortization of Bond Premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining other tax consequences of owning Premium Bonds. Owners of the Premium Bonds should consult their tax advisors with respect to the precise determination for federal income tax purposes of the treatment of Bond Premium upon the sale or other disposition of such Premium Bonds and with respect to the state and local tax consequences of owning and disposing of the Premium Bonds.

Special rules governing the treatment of Bond Premium, which are applicable to dealers in tax-exempt securities, are found in Section 75 of the Code. Dealers in tax-exempt securities are urged to consult their own tax advisors concerning the treatment of Bond Premium.

OTHER POST-EMPLOYMENT BENEFITS

VEBA: The School Corporation implemented a Voluntary Employee Benefits Association (VEBA) Plan in 2005. The purpose of the plan is to provide employees with an opportunity to receive reimbursement for certain qualified health care expenses. Benefits paid through the plan are eligible for exclusion from gross income of Plan participants as provided by Sections 105(b) and 106 of the IRS Code. The Plan qualifies as

a Health Reimbursement Arrangement (HRA) under IRS Revenue Ruling 2002-41 and IRS Notice 2002-45.

Newly hired employees and existing employees meeting certain Plan requirements at the time the Plan was adopted receive a contribution to an individual VEBA account of 0.5% of base pay each pay and a one-time contribution to their account of \$200. Participants are vested after five years. This benefit is funded by the School Corporation on a current basis with contributions made each bi-weekly pay.

Participants meeting service requirements and eligibility requirements to receive benefits through the Indiana State Teachers Retirement Fund and the Indiana Public Employees Retirement Fund receive a payment to their VEBA Health Care Account upon retirement based upon the formula specified in the Plan Document. Vesting occurs at the time the benefit payment to the Health Care Account is made. These benefits were funded with Retirement/Severance Bonds in 2006.

Participants meeting certain service requirements but not qualifying for the two benefit structures described above received a payment to their individual Health Care Account in 2006 based on a formula contained in the Plan Document. The participant vests in the account balance upon reaching the age of fifty-five and having ten years of service with the School Corporation. The participant has access to the funds upon retirement if vesting requirements are met. These benefits were also funded with the proceeds of the bond issue in 2006.

Employer VEBA contributions for the calendar year 2024 were \$539,569.

Teachers: For teachers retiring with 10 years of continuous service with the School Corporation and who have attained the age of 55, the School Corporation agrees to pay the premiums on the Corporation's \$20,000 (\$40,000 accidental death) term life insurance program if the retiree elects to continue in such term life insurance plan and elects to pay the required premiums for such plan. The required premiums for such plan for a retiree under this Article are \$12.00 per year. Such retiree coverage and the School Corporation contributions cease when the retiree reaches the age of 70 unless the retiree elects to discontinue such coverage earlier. In order to be eligible for such continuation of coverage, the retiree must have been enrolled in the term life program prior to the time of retirement.

Other Personnel: \$15,000 term life coverage for employees enrolled in the life insurance program at the time of retirement, who retire at the age of 55 or older, qualify for unreduced PERF, and have been employed with the School Corporation for ten or more continuous years will receive life insurance under the group plan until the employee's death conditioned upon the payment of one dollar (\$1) per year by January 30th.

The School Corporation made no contributions for life insurance premiums for retirees in 2024.

Upon termination or retirement, the School Corporation pays out accrued vacation time for non-certified staff. The School Corporation does not pay out accrued sick and personal time.

(1) Certified net assessed valuation per the Department of Local Government Finance (the "DLGF").

NOTE: Net assessed valuations represent the assessed value less certain deductions for the blind, as well as tax-exempt property.

Real property is valued for assessment purposes at its true tax value as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2011 Real Property Assessment Manual ("Manual"), as incorporated into 50 IAC 2.4, and the 2011 Real Property Assessment Guidelines ("Guidelines"), as adopted by the DLGF. In the case of agricultural land, true tax value is the value determined in accordance with the Guidelines adopted by the DLGF and IC 6-1.1-4-13. In the case of all other real property, true tax value is defined as "the market value-in-use of a property for its current use, as reflected by the utility received by the owner or by a similar user, from the property."

P.L. 180-2016 revises the factors used to calculate the assessed value of agricultural land. This legislation is retroactive to the January 1, 2016 assessment date and applies to each assessment date thereafter. The revised factors enacted in the legislation may reduce the total assessed value of agricultural land, which could shift property tax liability from agricultural property owners to other property owners. In addition, the reduction in the assessed value of agricultural land may result in a reduction of the total assessed value of a School Corporation. Lower assessed values of a School Corporation may result in higher tax rates in order for a School Corporation to receive its approved property tax levy.

Real property assessments are annually adjusted to market value based on sales data. The process of adjusting real property assessments to reflect market values has been termed "trending" by the DLGF.

The Manual permits assessing officials in each county to choose any acceptable mass appraisal method to determine true tax value, taking into consideration the ease of administration and the uniformity of the assessments produced by that method. The Guidelines were adopted to provide assessing officials with an acceptable appraisal method, although the Manual makes it clear that assessing officials are free to select from any number of appraisal methods, provided that they produce accurate and uniform values throughout the jurisdiction and across all classes of property. The Manual specifies the standards for accuracy and validation that the DLGF uses to determine the acceptability of any alternative appraisal method.

(1) Circuit Breaker Tax Credits allocable to the School Corporation per the DLGF.

Article 10, Section 1 of the Constitution of the State of Indiana (the "Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. Indiana Code § 6-1.1-20.6 (the "Statute") authorizes such limits in the form of a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit (the "Circuit Breaker Tax Credit"). For property assessed as a homestead (as defined in Indiana Code § 6-1.1-12-37), the Circuit Breaker Tax Credit is equal to the amount by which the property taxes attributable to the homestead exceed 1% of the gross assessed value of the homestead. Property taxes attributable to the gross assessed value of other residential property, agricultural property, and long-term care facilities are limited to 2% of the gross assessed value, property taxes attributable to other non-residential real property and personal property are limited to 3% of the gross assessed value. The Statute provides additional property tax limits for property taxes paid by certain senior citizens.

The Statute categorizes property taxes levied to pay Debt Service Obligations as "protected taxes," regardless of whether the property taxes were approved at a referendum, and all other property taxes as "unprotected taxes." The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the Circuit Breaker Tax Credit. The application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund. The political subdivision may allocate the reduction by using a combination of unprotected taxes of the political subdivision in those taxing districts in which the Circuit Breaker Tax Credit caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

APPENDIX B

BOOK-ENTRY-ONLY

The Bonds will be available only in book entry form in the principal amount of \$5,000 or any integral multiple thereof. DTC will act as the initial securities depository for the Bonds. The ownership of one fully registered Bond for each maturity of the Bonds will be registered in the name of Cede & Co., as nominee for DTC or at the election of the winning bidder, to the purchaser.

SO LONG AS CEDE & CO, AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF THE BONDS, REFERENCES IN THIS OFFICIAL STATEMENT TO THE REGISTERED OWNERS (OR THE OWNERS) WILL MEAN CEDE & CO. AND WILL NOT MEAN THE BENEFICIAL OWNERS.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation, and Fixed Income Clearing Corporation all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners.

The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and payment of principal of, and interest on, the Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or its agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or its agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to Issuer or its agent. Under such circumstances, in the event that a successor depository is not obtained, certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

APPENDIX C

FINAL BOND RESOLUTION – 2025 TAXABLE GO BONDS

WHEREAS, Monroe County Community School Corporation (the "Issuer" or "School Corporation") is a school corporation organized and existing under the provisions of Indiana Code § 20-23; and

WHEREAS, the Board of School Trustees (the "Board") finds that the present facilities of the School Corporation are not adequate to provide the proper educational environment of the students now attending or who will attend its schools; and

WHEREAS, the Board finds that there are not sufficient funds available or provided for in existing tax levies with which to pay the total cost of the Designing and Building to Sustain Excellence Project, which includes renovation of and improvements to facilities throughout the School Corporation, including site improvements and the purchase of buses, equipment, and technology (collectively, the "Project"), and that the School Corporation should issue bonds in an amount not to exceed Seven Million Three Hundred Thousand Dollars (\$7,300,000) (the "2025 Taxable GO Bonds") for the purpose of providing funds to be applied on the cost of the Project, and that bonds in such amount should now be authorized; and

WHEREAS, the Debt Service Fund tax rate of the School Corporation is above \$0.40 and, therefore, the bonds will be issued to fund a controlled project, as defined in Indiana Code § 6.1.1-20-1.1; and

WHEREAS, the net assessed valuation of taxable property in the School Corporation, as shown in the last final and complete assessment which was made in the year 2024 for state and county taxes collectible in the year 2025 is \$9,685,012,844 and there is \$57,265,000 of outstanding indebtedness of the School Corporation for constitutional debt purposes (excluding the 2025 Taxable GO Bonds authorized herein); such assessment and outstanding indebtedness amounts shall be verified at the time of the payment for and delivery of the 2025 Taxable GO Bonds; now, therefore,

BE IT FURTHER RESOLVED that the Debt Service Fund tax rate is \$0.1870 as of the date hereof.

BE IT RESOLVED by the Board of the Issuer that, for the purpose of obtaining funds to be applied on the cost of the Project, there shall be issued and sold the 2025 Taxable GO Bonds of the School Corporation to be designated as "Taxable General Obligation Bonds of 2025" (or such other name or series designation as determined by the School Corporation's municipal advisor). The 2025 Taxable GO Bonds shall be in a principal amount not to exceed Seven Million Three Hundred Thousand Dollars (\$7,300,000), bearing interest at a rate or rates not exceeding five and one-half percent (5.50%) per annum (the exact rate or rates to be determined by negotiation with Stifel, Nicolaus & Company, Incorporated), which interest shall be payable on July 15, 2026 and semi-annually thereafter on January 15 and July 15 in each year. Interest on the 2025 Taxable GO Bonds shall be calculated according to a 360-day year containing twelve 30-day months. The 2025 Taxable GO Bonds shall be numbered consecutively from R-1 upward, fully registered in the

denomination of Five Thousand Dollars (\$5,000) or integral multiples thereof (or other denominations as requested by the underwriter or purchaser), and shall mature or be subject to mandatory redemption on January 15 and July 15 beginning no sooner than July 15, 2026 through not later than January 15, 2045.

All or a portion of the 2025 Taxable GO Bonds may be issued as one or more term bonds, upon election of the underwriter or purchaser. Such term bonds shall have a stated maturity or maturities as determined by negotiation with the underwriter or purchaser, but in no event later than the last serial date of the 2025 Taxable GO Bonds as determined in accordance with the above paragraph. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on dates and in the amounts hereinafter determined in accordance with the above paragraph.

The original date shall be the date of delivery of the 2025 Taxable GO Bonds. The authentication certificate shall be dated when executed by The Bank of New York Mellon Trust Company, N.A., as registrar and paying agent (the "Paying Agent" or "Registrar").

Interest shall be paid from the interest payment date to which interest has been paid next preceding the date of authentication unless the bond is authenticated on or before the fifteenth day immediately preceding the first interest payment date, in which case interest shall be paid from the original date, or unless the 2025 Taxable GO Bond is authenticated after the fifteenth day immediately preceding an interest payment date and on or before such interest payment date, in which case interest shall be paid from such interest payment date.

Interest and principal shall be payable as described in the 2025 Taxable GO Bonds.

The 2025 Taxable GO Bonds are transferable by the registered owner at the principal corporate trust office of the Paying Agent upon surrender and cancellation of a 2025 Taxable GO Bond and on presentation of a duly executed written instrument of transfer, and thereupon a new 2025 Taxable GO Bonds or 2025 Taxable GO Bonds of the same aggregate principal amount and maturity and in authorized denominations will be issued to the transferee or transferees in exchange therefor. The 2025 Taxable GO Bonds may be exchanged upon surrender at the principal corporate trust office of the Registrar and Paying Agent, duly endorsed by the registered owner for the same aggregate principal amount of bonds of the same maturity in authorized denominations as the owner may request. The cost of such transfer or exchange shall be paid by the Issuer.

In the event any 2025 Taxable GO Bond is mutilated, lost, stolen, or destroyed, the School Corporation may execute and the Paying Agent may authenticate a new 2025 Taxable GO Bond of like date, maturity, and denomination as that mutilated, lost, stolen, or destroyed, which new 2025 Taxable GO Bond shall be marked in a manner to distinguish it from the 2025 Taxable GO Bond for which it was issued, provided that, in the case of any mutilated 2025 Taxable GO Bond, such mutilated 2025 Taxable GO Bond shall first be surrendered to the Paying Agent, and in the case of any lost, stolen, or destroyed 2025 Taxable GO Bond there shall be first furnished to the Paying Agent evidence of such loss, theft, or destruction satisfactory to the School Corporation and the Paying Agent, together with indemnity satisfactory to them. In the event any such 2025 Taxable GO Bond shall have matured, instead of issuing a duplicate 2025 Taxable GO Bond, the

School Corporation and the Paying Agent may, upon receiving indemnity satisfactory to them, pay the same without surrender thereof. The School Corporation and the Paying Agent may charge the owner of such 2025 Taxable GO Bond with their reasonable fees and expenses in connection with delivering the new 2025 Taxable GO Bond. Any 2025 Taxable GO Bond issued pursuant to this paragraph shall be deemed an original, substitute contractual obligation of the School Corporation, whether or not the lost, stolen, or destroyed 2025 Taxable GO Bond shall be found at any time, and shall be entitled to all the benefits of this resolution, equally and proportionately with any and all other 2025 Taxable GO Bonds issued hereunder.

The Issuer agrees that it will deposit with the Paying Agent funds in an amount equal to the principal of, premium, if any, and interest on the 2025 Taxable GO Bonds which shall become due in accordance with the terms of the Paying Agent Agreement (as hereinafter defined).

The form of the Registrar and Paying Agent Agreement (the "Paying Agent Agreement") presented to the Board is hereby approved and any officers of the Board of the School Corporation are authorized and directed to execute the Paying Agent Agreement after the sale of the 2025 Taxable GO Bonds.

Notwithstanding any other provision of this Resolution, the Issuer will enter into the Paying Agent Agreement with the Paying Agent in which the Paying Agent agrees that upon any default or insufficiency in the payment of principal and interest as provided in the Paying Agent Agreement, the Paying Agent will immediately, without any direction, security or indemnity file a claim with the Treasurer of the State of Indiana for an amount equal to such principal and interest in default and consents to the filing of any such claim by a Bondholder in the name of the Paying Agent for deposit with the Paying Agent. Filing of the claim with the Treasurer of the State of Indiana, as described above, shall occur on the dates set forth in the Paying Agent Agreement.

If required by the underwriter or purchaser, the Issuer has hereby authorized the 2025 Taxable GO Bonds may be held by a central depository system pursuant to an agreement between the Issuer and The Depository Trust Company, and have transfers of the 2025 Taxable GO Bonds effected by book-entry on the books of the central depository system (unless otherwise requested by the underwriter or purchaser). Upon initial issuance, the ownership of such 2025 Taxable GO Bonds is expected to be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee (the "Nominee") of The Depository Trust Company ("DTC"). However, upon the underwriter's or purchaser's or successful offeror's request, the 2025 Taxable GO Bonds may be delivered and held by physical delivery as an alternative to DTC.

With respect to the 2025 Taxable GO Bonds registered in the register kept by the Paying Agent in the name of the Nominee, the Issuer and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("Beneficial Owner")) of the 2025 Taxable GO Bonds with respect to (i) the accuracy of the records of DTC, the Nominee, or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any Bondholder (including any Beneficial Owner) or any other person, other than DTC, of any notice with respect to the 2025 Taxable GO Bonds including any notice of redemption, or (iii) the payment to any Bondholder (including any Beneficial Owner) or any other person, other than DTC, of any amount with respect to the principal of, or premium, if any, or interest on the 2025 Taxable GO Bonds except as otherwise provided herein.

No person other than DTC shall receive an authenticated 2025 Taxable GO Bond evidencing an obligation of the Issuer to make payments of the principal of and premium, if any, and interest on the 2025 Taxable GO Bonds pursuant to this Resolution. The Issuer and the Paying Agent may treat as and deem DTC or the Nominee to be the absolute Bondholder of each of the 2025 Taxable GO Bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such 2025 Taxable GO Bonds; (ii) giving notices of redemption and other notices permitted to be given to Bondholders with respect to such 2025 Taxable GO Bonds; (iii) registering transfers with respect to such 2025 Taxable GO Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or by Bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the 2025 Taxable GO Bonds only to or upon the order of DTC, and all such payments shall be valid and effective fully to satisfy and discharge the Issuer's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the 2025 Taxable GO Bonds to the extent of the sum or sums so paid. Upon delivery by DTC to the Issuer of written notice to the effect that DTC has determined to substitute a new Nominee in place of the Nominee, and subject to the provisions herein with respect to consents, the words "CEDE & CO." in this resolution shall refer to such new Nominee of DTC. Notwithstanding any other provision hereof to the contrary, so long as any 2025 Taxable GO Bond is registered in the name of the Nominee, all payments with respect to the principal of and premium, if any, and interest on such 2025 Taxable GO Bonds and all notices with respect to such 2025 Taxable GO Bonds shall be made and given, respectively, to DTC as provided in a representation letter from the Issuer to DTC.

Upon receipt by the Issuer of written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the 2025 Taxable GO Bonds shall no longer be restricted to being registered in the register of the Issuer kept by the Paying Agent in the name of the Nominee, but may be registered in whatever name or names the Bondholders transferring or exchanging 2025 Taxable GO Bonds shall designate, in accordance with the provisions of this resolution.

If the Issuer determines that it is in the best interest of the Bondholders that they be able to obtain certificates for the fully registered 2025 Taxable GO Bonds, the Issuer may notify DTC and the Paying Agent, whereupon DTC will notify the Beneficial Owners of the availability through DTC of certificates for the Bonds. In such event, the Paying Agent shall prepare, authenticate, transfer and exchange certificates for the 2025 Taxable GO Bonds as requested by DTC and any Beneficial Owners in appropriate amounts, and whenever DTC requests the Issuer and the Paying Agent to do so, the Paying Agent and the Issuer will cooperate with DTC by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered 2025 Taxable GO Bonds of any Beneficial Owner's DTC account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the 2025 Taxable GO Bonds.

If the 2025 Taxable GO Bonds shall no longer be restricted to being registered in the name of a depository trust company, the Paying Agent shall cause the 2025 Taxable GO Bonds to be printed in blank in such number as the Paying Agent shall determine to be necessary or customary; provided, however, that the Paying Agent shall not be required to have such 2025 Taxable GO

Bonds printed until it shall have received from the Issuer indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to Bondholders by the Issuer or the Paying Agent with respect to any consent or other action to be taken by Bondholders, the Issuer or the Paying Agent, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as the 2025 Taxable GO Bonds are registered in the name of DTC or the Nominee, or any substitute nominee, the Issuer and the Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the 2025 Taxable GO Bonds or from DTC on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the 2025 Taxable GO Bonds and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Paying Agent and DTC, to the same extent as if such consent, advice, direction, demand or vote were made by the Bondholders for purposes of this resolution and the Issuer and the Paying Agent shall for such purposes treat the Beneficial Owners as the Bondholders. Along with any such certificate or representation, the Paying Agent may request DTC to deliver, or cause to be delivered, to the Paying Agent a list of all Beneficial Owners of the 2025 Taxable GO Bonds, together with the dollar amount of each Beneficial Owner's interest in the 2025 Taxable GO Bonds and the current addresses of such Beneficial Owners.

The Paying Agent may at any time resign as Paying Agent by giving thirty (30) days written notice to the Issuer and to each registered owner of the 2025 Taxable GO Bonds then outstanding, and such resignation will take effect at the end of such thirty (30) days or upon the earlier appointment of a successor Paying Agent by the School Corporation. Such notice to the Issuer may be served personally or be sent by first-class or registered mail. The Paying Agent may be removed at any time as Paying Agent by the Issuer, in which event the Issuer may appoint a successor Paying Agent. The Paying Agent shall notify each registered owner of the 2025 Taxable GO Bonds then outstanding of the removal of the Paying Agent. Notices to registered owners of the 2025 Taxable GO Bonds shall be deemed to be given when mailed by first-class mail to the addresses of such registered owners as they appear on the Registration Record. Any predecessor Paying Agent shall deliver all the 2025 Taxable GO Bonds, cash and investments related thereto in its possession and the Registration Record to the successor Paying Agent. At all times, the same entity shall serve as registrar and paying agent.

In order to provide for the payment of the principal of and interest on the 2025 Taxable GO Bonds, there shall be levied in each year upon all taxable property in the School Corporation, real and personal, and collected a tax in an amount and in such manner sufficient to meet and pay the principal of and interest on the 2025 Taxable GO Bonds as they become due, and the proceeds of this tax are hereby pledged solely to the payment of the 2025 Taxable GO Bonds. Such tax shall be deposited into the School Corporation's Debt Service Fund and used to pay the principal of and interest on the 2025 Taxable GO Bonds, when due, together with any fiscal agency charges. If the funds deposited into the Debt Service Fund are then insufficient to meet and pay the principal of and interest on the 2025 Taxable GO Bonds as they become due, then the School Corporation

covenants to transfer other available funds of the School Corporation to meet and pay the principal and interest then due on the 2025 Taxable GO Bonds.

The School Corporation represents and covenants that the 2025 Taxable GO Bonds herein authorized, when combined with other outstanding indebtedness of the School Corporation at the time of issuance of the 2025 Taxable GO Bonds, will not exceed any applicable constitutional or statutory limitation on the School Corporation's indebtedness.

The 2025 Taxable GO Bonds are not subject to optional redemption prior to maturity.

If any 2025 Taxable GO Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for any term bonds, and corresponding mandatory redemption obligation, in the order determined by the School Corporation, any term bonds maturing on the same date which have previously been redeemed (other than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each term bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the 2025 Taxable GO Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such 2025 Taxable GO Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date as stated above.

Each Five Thousand Dollars (\$5,000) (or other denominations as requested by the underwriter or purchaser, as permitted by law) principal amount shall be considered a separate 2025 Taxable GO Bond for purposes of redemption. If less than an entire maturity is called for redemption, the 2025 Taxable GO Bonds to be called shall be selected by lot by the Registrar.

Notice of redemption shall be mailed to the address of the registered owner as shown on the Registration Records of the Paying Agent, as of the date which is forty-five (45) days prior to the date fixed for redemption, not less than thirty (30) days prior to such redemption date, unless notice is waived by the owner of the 2025 Taxable GO Bond or 2025 Taxable GO Bonds redeemed. The notice shall specify the date and place of redemption and sufficient identification of the 2025 Taxable GO Bonds called for redemption. The place of redemption may be determined by the School Corporation. Interest on the 2025 Taxable GO Bonds so called for redemption shall cease and the 2025 Taxable GO Bonds will no longer be deemed outstanding under this resolution on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price, including accrued interest and redemption premium, if any, to the redemption date, on the date so named. Failure to give such notice by mailing, or any defect in such notice, with respect to any 2025 Taxable GO Bond shall not affect the validity of any proceedings for redemption of other 2025 Taxable GO Bonds.

If the 2025 Taxable GO Bonds are not presented for payment or redemption on the date fixed therefor, the School Corporation may deposit in trust with the Paying Agent, an amount sufficient to pay such 2025 Taxable GO Bond or the redemption price, as the case may be,

including accrued interest to the date of such payment or redemption, and thereafter the registered owner shall look only to the funds so deposited in trust with the Paying Agent for payment, and the School Corporation shall have no further obligation or liability in respect thereto.

If, when the 2025 Taxable GO Bonds or any portion thereof shall have become due and payable in accordance with their terms, and the whole amount of the principal and the interest so due and payable upon such 2025 Taxable GO Bonds or any portion thereof then outstanding shall be paid, or (i) cash, or (ii) direct non-callable obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, the principal of and the interest on which when due without reinvestment will provide sufficient money, or (iii) any combination of the foregoing, shall be held irrevocably in trust for such purpose, and provision shall also be made for paying all fees and expenses for the payment, then and in that case the 2025 Taxable GO Bonds or such designated portion thereof shall no longer be deemed outstanding or secured by this resolution.

The 2025 Taxable GO Bonds shall be executed in the name of Issuer by the manual or facsimile signature of any member of the Board of the School Corporation, and attested by the manual or facsimile signature of any member of the Board. In case any official whose signature or facsimile of whose signature shall appear on the 2025 Taxable GO Bonds shall cease to be such officer before the issuance, authentication or delivery of such 2025 Taxable GO Bonds, such signature or such facsimile shall, nevertheless, be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

No 2025 Taxable GO Bond shall be valid or obligatory for any purpose, unless and until authenticated by the Paying Agent. Such authentication may be executed by an authorized representative of the Paying Agent, but it shall not be necessary that the same person authenticate all of the 2025 Taxable GO Bonds issued. The Issuer and the Paying Agent may deem and treat the person in whose name a bond is registered on the Bond Registration as the absolute owner thereof for all purposes, notwithstanding any notice to the contrary.

In order to preserve the exclusion of interest on the 2025 Taxable GO Bonds from gross income for federal income tax purposes and as an inducement to purchasers of the 2025 Taxable GO Bonds, the Issuer represents, covenants and agrees that:

- (a) No person or entity, other than the Issuer or another governmental unit, will use proceeds of the 2025 Taxable GO Bonds or property financed by the bond proceeds other than as a member of the general public. No person or entity, other than the Issuer or another governmental unit, will own property financed by bond proceeds or will have actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract or any other type of arrangement that differentiates that person's or entity's use of such property from the use by the public at large.
- (b) No 2025 Taxable GO Bond proceeds will be loaned to any entity or person. No bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the bond proceeds.

- (c) The Issuer will, to the extent necessary to preserve the exclusion of interest on the 2025 Taxable GO Bonds from gross income for federal income tax purposes, rebate all required arbitrage profits on 2025 Taxable GO Bond proceeds or other moneys treated as Bond proceeds to the federal government as provided in Section 148 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code") and will set aside such moneys in a Rebate Account to be held by the Treasurer in trust for such purpose.
- (d) The Issuer will file an information report form 8038-G with the Internal Revenue Service as required by Section 149 of the Code.
- (e) The Issuer will not take any action nor fail to take any action with respect to the 2025 Taxable GO Bonds that would result in the loss of exclusion from gross income for federal income tax purposes of interest on the 2025 Taxable GO Bonds pursuant to Section 103 of the Code, as existing on the date of issuance of the 2025 Taxable GO Bonds, nor will the Issuer act in any other manner which would adversely affect such exclusion.

The 2025 Taxable GO Bonds shall be issued in substantially the following form, all blanks to be filled in properly prior to delivery:

- a. An extension of the maturity of the principal of or interest on any 2025 Taxable GO Bond without the consent of the holder of each 2025 Taxable GO Bond so affected;
or

- b. A reduction in the principal amount of any 2025 Taxable GO Bond or the rate of interest thereon or a change in the monetary medium in which such amounts are payable, without the consent of the holder of each 2025 Taxable GO Bond so affected; or
- c. A preference or priority of any 2025 Taxable GO Bond over any other 2025 Taxable GO Bond, without the consent of the holders of all 2025 Taxable GO Bonds then outstanding; or
- d. A reduction in the aggregate principal amount of the 2025 Taxable GO Bonds required for consent to such supplemental resolution, without the consent of the holders of all 2025 Taxable GO Bonds then outstanding.

If the School Corporation shall desire to obtain any such consent, it shall cause the Registrar to mail a notice, postage prepaid, to the addresses appearing on the Registration Record. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that a copy thereof is on file at the office of the Registrar for inspection by all owners of the 2025 Taxable GO Bonds. The Registrar shall not, however, be subject to any liability to any owners of the 2025 Taxable GO Bonds by reason of its failure to mail such notice, and any such failure shall not affect the validity of such supplemental resolution when consented to and approved as herein provided.

Whenever at any time within one year after the date of the mailing of such notice, the School Corporation shall receive any instrument or instruments purporting to be executed by the owners of the 2025 Taxable GO Bonds of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the 2025 Taxable GO Bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental resolution described in such notice, and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice as on file with the Registrar, thereupon, but not otherwise, the School Corporation may adopt such supplemental resolution in substantially such form, without liability or responsibility to any owners of the 2025 Taxable GO Bonds, whether or not such owners shall have consented thereto.

No owner of any 2025 Taxable GO Bond shall have any right to object to the adoption of such supplemental resolution or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the School Corporation or its officers from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental resolution pursuant to the provisions of this section, this Resolution shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the School Corporation and all owners of 2025 Taxable GO Bonds then outstanding shall thereafter be determined, exercised and enforced in accordance with this Resolution, subject in all respects to such modifications and amendments.

Notwithstanding anything contained in the foregoing provisions of this Resolution, the rights, duties and obligations of the School Corporation and of the owners of the 2025 Taxable GO Bonds, and the terms and provisions of the 2025 Taxable GO Bonds and this Resolution, or any

supplemental resolution, may be modified or amended in any respect with the consent of the School Corporation and the consent of the owners of all the 2025 Taxable GO Bonds then outstanding.

Without notice to or consent of the owners of the 2025 Taxable GO Bonds, the School Corporation may, from time to time and at any time, adopt such resolutions supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental resolutions shall thereafter form a part hereof),

- (a) to cure any ambiguity or formal defect or omission in this Resolution or in any supplemental resolution; or
- (b) to grant to or confer upon the owners of the 2025 Taxable GO Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the owners of the 2025 Taxable GO Bonds; or
- (c) to procure a rating on the 2025 Taxable GO Bonds from a nationally recognized securities rating agency designated in such supplemental resolution, if such supplemental resolution will not adversely affect the owners of the 2025 Taxable GO Bonds; or
- (d) to provide for the refunding or advance refunding of the 2025 Taxable GO Bonds; or
- (e) to make any other change which, in the determination of the Board in its sole discretion, is not to the prejudice of the owners of the 2025 Taxable GO Bonds.

If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

All resolutions, or parts thereof, in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed or amended.

This resolution shall be in full force and effect immediately upon its passage and signing by any officers of the Board.

BE IT FURTHER RESOLVED, that the form of the Eleventh Supplement to the Master Continuing Disclosure Undertaking (the "Undertaking") is hereby approved, and if the 2025 Taxable GO Bonds are reoffered, the officers are authorized and directed to execute such Undertaking and any and all documents necessary to issue and deliver the 2025 Taxable GO Bonds, including but not limited to a bond purchase agreement or bond placement agreement.

APPENDIX D

October ____, 2025

Stifel, Nicolaus & Company, Incorporated

Re: Monroe County Community School Corporation
Taxable General Obligation Bonds of 2025
Total Issue: \$7,300,000
Original Date: October ____, 2025

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by Monroe County Community School Corporation, Bloomington, Indiana (the "School Corporation" or "Issuer"), of \$7,300,000 of its Taxable General Obligation Bonds of 2025 dated October ____, 2025 (the "Bonds"). We have examined the law and the certified transcript of proceedings of the Issuer relative to the authorization, issuance and sale of the Bonds and such other papers as we deem necessary to render this opinion. We have relied upon the certified transcript of proceedings and certificates of public officials, including the Issuer's tax covenants and representations ("Tax Representations"), and we have not undertaken to verify any facts by independent investigation.

We have not been engaged nor have we undertaken to review the accuracy, completeness or sufficiency of the Preliminary Official Statement dated ____, 2025 or the Final Official Statement dated ____, 2025 (collectively, the "Official Statement") or any other offering material relating to the Bonds, and we express no opinion relating thereto.

Based on our examination, we are of the opinion, as of the date hereof, as follows:

1. The Bonds are valid and binding general obligations of the School Corporation.
2. All taxable property in the School Corporation is subject to ad valorem taxation to pay the debt service; however, the School Corporation's collection of the levy may be limited by operation of Indiana Code § 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits.

Stifel, Nicolaus & Company, Incorporated
October _____, 2025

3. Under statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is exempt from income taxation in the State of Indiana (the "State"). This opinion relates only to the exemption of interest on the Bonds from State income taxation.

It is to be understood that the rights of the registered owners of the Bonds and the enforceability thereof may be subject to (i) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of law and equity; and (ii) the valid exercise of the constitutional powers of the State and the United States of America.

Very truly yours,

If any such person is no longer committed by contract or other arrangement to support payment of the Obligations, such person shall no longer be considered an Obligated Person within the meaning of the SEC Rule and the continuing obligation under this Master Undertaking to provide annual financial information and notices of events shall terminate with respect to such person.

Section 4. Provision of Financial Information. (a) The Obligor hereby undertakes to provide, with respect to the Obligations, the following financial information, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) To the MSRB, the audited financial statements of the Obligor as prepared and examined by the Indiana State Board of Accounts on a biennial basis for each period of two fiscal years, together with the opinion of the reviewers thereof and all notes thereto (collectively, the "Audited Information"), by the June 30 immediately following each biennial period. To the extent available, the Obligor shall cause to be filed along with the other Annual Information or Audited Information operating data similar to that which can no longer be provided.

(c) The disclosure may be accompanied by a certificate of an authorized representative of the Obligor in the form of Exhibit B attached hereto.

(d) The Obligor agrees to make a good faith effort to obtain Annual Information and Audited Information. However, failure to provide any component of Annual Information and Audited Information, because it is not available to the Obligor on the date by which Annual Information is required to be provided hereunder, shall not be deemed to be a breach of this Master Undertaking. (e) Annual Information or Audited Information required to be provided pursuant to this Section 4 may be provided by a specific reference to such Annual Information or Audited Information already prepared and previously provided to the MSRB. Any information included by reference shall also be (i) available to the public on EMMA at www.emma.msrb.org, or (ii) filed with the SEC.

- (6) appointment of a successor or additional trustee or the change of name of a trustee.

The Obligor undertakes to disclose the following events, within 10 business days of the occurrence of any of the following events, regardless of materiality, to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) principal and interest payment delinquencies;

- (8) tender offers; and
- (9) bankruptcy, insolvency, receivership or similar event of the obligated person.

The disclosure may be accompanied by a certificate of an authorized representative of the Obligor in the form of Exhibit C attached hereto.

Section 7. Use of Agent. The Obligor may, at its sole discretion, utilize an agent (the "Dissemination Agent") in connection with the dissemination of any information required to be provided by the Obligor pursuant to the SEC Rule and the terms of this Master Undertaking. If a Dissemination Agent is selected for these purposes, the Obligor shall provide prior written notice thereof (as well as notice of replacement or dismissal of such agent) to EMMA, and the MSRB.

Further, the Obligor may, at its sole discretion, retain counsel or others with expertise in securities matters for the purpose of assisting the Obligor in making judgments with respect to the scope of its obligations hereunder and compliance therewith, all in order to further the purposes of this Master Undertaking.

Section 8. Failure to Disclose. If, for any reason, the Obligor fails to provide the Audited Information or Annual Information as required by this Master Undertaking, the Obligor shall provide notice of such failure in a timely manner to EMMA or to the MSRB, in the form of the notice attached as Exhibit D.

Section 9. Remedies. (a) The purpose of this Master Undertaking is to enable the Underwriters to purchase the Obligations by providing for an undertaking by the Obligor in satisfaction of the SEC Rule. This Master Undertaking is solely for the benefit of (i) the Underwriters, and (ii) the Holders, and creates no new contractual or other rights for, nor can it be relied upon by, the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other Obligated Persons or any other third party. The sole remedy against the Obligor for any failure to carry out any provision of this Master Undertaking shall be for specific performance of the Obligor's disclosure obligations hereunder and not for money damages of any kind or in any amount or for any other remedy. The Obligor's failure to honor its covenants hereunder shall not constitute a breach or default of the Obligations or any other agreement to which the Obligor is a party and shall not give rise to any other rights or remedies.

(b) Subject to paragraph (e) of this Section 9, in the event the Obligor fails to provide any information required of it by the terms of this Master Undertaking, any holder of Obligations may pursue the remedy set forth in the preceding paragraph in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such person is a holder of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue this remedy.

(c) Subject to paragraph (e) of this Section 9, any challenge to the adequacy of the information provided by the Obligor by the terms of this Master Undertaking may be pursued only by holders of not less than 25% in principal amount of Obligations then outstanding in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such persons are holders of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue the remedy set forth in the preceding paragraph.

(d) If specific performance is granted by any such court, the party seeking such remedy shall be entitled to payment of costs by the Obligor and to reimbursement by the Obligor of reasonable fees and expenses of attorneys incurred in the pursuit of such claim. If specific performance is not granted by any such court, the Obligor shall be entitled to payment of costs by the party seeking such remedy and to reimbursement by such party of reasonable fees and expenses of attorneys incurred in the pursuit of such claim.

(e) Prior to pursuing any remedy for any breach of any obligation under this Master Undertaking, a holder of Obligations shall give notice to the Obligor and the respective issuer of each obligation, by registered or certified mail, of such breach and its intent to pursue such remedy. Thirty (30) days after the receipt of such notice, upon earlier response from the Obligor to this notice indicating continued noncompliance, such remedy may be pursued under this Master Undertaking if and to the extent the Obligor has failed to cure such breach.

Section 10. Additional Information. Nothing in this Master Undertaking shall be deemed to prevent the Obligor from disseminating any other information, using the means of dissemination set forth in this Master Undertaking or any other means of communication, or including any other information in any Annual Information or notice of occurrence of a reportable event, in addition to that which is required by this Master Undertaking.

Section 11. Modification of Master Undertaking. The Obligor may, from time to time, amend or modify this Master Undertaking without the consent of or notice to the holders of the Obligations if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law (including but not limited to a change in law which requires a change in the Obligor's policies or accounting practices) or change in the identity, nature or status of the Obligor, or type of business conducted, (ii) this Master Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date hereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendment or modification does not materially impair the interests of the holders of the Obligations, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Obligations pursuant to the terms of any Trust Indenture at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds this Master Undertaking) is otherwise permitted by the SEC Rule, as then in effect.

Section 12. Interpretation Under Indiana Law. It is the intention of the parties hereto that this Master Undertaking and the rights and obligations of the parties hereunder shall be governed by, and construed and enforced in accordance with, the law of the State of Indiana.

Section 13. Severability Clause. In case any provision in this Master Undertaking shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14. Successors and Assigns. All covenants and agreements in this Master Undertaking made by the Obligor shall bind its successors, whether so expressed or not.

This FIRST AMENDMENT TO MASTER CONTINUING DISCLOSURE UNDERTAKING, dated as of April 8, 2020 (the "Amendment") amends the Master Continuing Disclosure Undertaking dated as of June 1, 2017, as previously supplemented by a First Supplement to Master Continuing Disclosure Undertaking and Second Supplement to Master Continuing Disclosure Undertaking (the "Original Undertaking"). The Amendment is being entered into by the Monroe County Community School Corporation (the "Obligor") for the purpose of incorporating changes to the Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "SEC Rule") as described in the 2018 Amendments (as hereinafter defined). The Original Undertaking as amended by the Amendment is referred to herein as the "Master Undertaking".

WITNESSETH THAT:

WHEREAS, the Original Undertaking is being amended to modify Section 6 thereof regarding Reportable Events pursuant to SEC Release No. 34-83885, dated August 20, 2018 (the "2018 Amendments"), and does not require the consent of existing Holders of Obligations because (i) this Amendment is entered into due to a change in circumstances that arises from a change in legal requirements or change in law, (ii) the Original Undertaking would have complied with the requirements of the SEC Rule on the date thereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendments or modifications herein do not materially impair the interests of the Holders of the Obligations issued before the date of this Amendment, as determined by nationally recognized bond counsel; and

WHEREAS, the Obligor therefore finds that this Amendment is being entered into in connection with a change in circumstances that arises from a change in legal requirements and a change in law; and

WHEREAS, the Obligor further finds that the Original Undertaking would have complied with the requirements of the SEC Rule on the date thereof; and

WHEREAS, upon a determination by nationally recognized bond counsel, the Obligor further finds that this Amendment does not materially impair the interests of the Holders of the Obligations issued before the date of this Amendment; and

WHEREAS, the Obligor is an Obligated Person (as defined in the SEC Rule) because the only sources of funds pledged to pay the principal and interest due on the Obligations are (i) lease rental payments (in addition to bond proceeds held under one or more trust indentures) due under one or more lease agreements pursuant to which the Obligor is a party, and/or (ii) the tax levy of the Obligor;

NOW, THEREFORE, in consideration of the payment for and acceptance of the MCCSC 1996 School Building Corporation Ad Valorem Property Tax First Mortgage Bonds, Series 2020 (the "2020 Bonds") and any Obligations issued after the date of this Amendment, the Original Undertaking is hereby amended as follows:

Section 1. Solely as to the 2020 Bonds and any Obligations issued after the date of this Amendment, Section 6 of the Original Undertaking is hereby amended to read as follows:

"Section 6. Reportable Events. The Obligor undertakes to disclose the following events within 10 business days of the occurrence of any of the following events, if material (which determination of materiality shall be made by the Obligor in accordance with the standards established by federal securities laws), to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

The Obligor undertakes to disclose the following events, within 10 business days of the occurrence of any of the following events, regardless of materiality, to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:
