In the opinion of Ice Miller LLP, Indianapolis, Indiana ("Bond Counsel") under existing laws, regulations, judicial decisions and rulings, interest on the Bonds (hereinafter defined) is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code"), for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. Such exclusion is conditioned on continuing compliance with the Tax Covenants (as hereinafter defined). In the opinion of Bond Counsel, under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is exempt from income taxation in the State of Indiana (the "State"). The Bonds have been designated qualified tax-exempt obligations pursuant to Section 265(b)(3) of the Code See "TAX MATTERS" herein. See "TAX MATTERS" herein.

PRELIMINARY OFFICIAL STATEMENT

\$7,140,000* NEW PALESTINE COMMUNITY SCHOOLS HANCOCK COUNTY, INDIANA GENERAL OBLIGATION BONDS OF 2025

INTRODUCTION

This Official Statement, including the cover page and appendices, is provided to set forth certain information concerning the sale and delivery of the New Palestine Community Schools, Hancock County, Indiana, \$7,140,000* General Obligation Bonds of 2025 (the “2025 Bonds” or the “Bonds”). The Bonds will be issued under the provisions of the Indiana Code, Title 20, Article 48, Chapter 1 and in accordance with the terms of the Bond Resolution adopted by the Board of School Trustees of New Palestine Community Schools, Hancock County, Indiana (the “School Corporation”) on August 25, 2025, as supplemented on October 13, 2025 (as supplemented, the “Bond Resolution”) which Bond Resolution is attached hereto as Appendix F.

The Bonds are to be issued under the authority of Indiana law, including, without limitation, Indiana Code Title 20, Article 48, Chapter 1, and all the laws amendatory thereof and supplemental thereto and pursuant to the Bond Resolution.

Pursuant to pertinent provisions of the Indiana Code, projects that are considered controlled projects are subject to certain additional public approval procedures. A controlled project is one that is financed by a bond or lease, is payable by property taxes, and

(1) Costs more than the lesser of:

- a. An amount equal to the assessed value growth quotient (as determined by the DLGF) multiplied by the amount determined under such provision for the preceding calendar year; or
- b. An amount equal to:
 - (i) At least 1% of gross assessed value, if that total gross assessed value is more than \$100 Million; or
 - (ii) \$1 Million if the gross assessed value is not more than \$100 Million; or

(2) Regardless of threshold amounts, is financed by a school corporation whose total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value unless a public hearing for such project was conducted under IC 20–26–7–37 before July 1, 2025.

The exceptions for a controlled project are (a) when property taxes are used only as a back-up to enhance credit, (b) when a project is being refinanced to generate taxpayer savings, (c) when the project is mandated by federal law, and (d) when the project is in response to a natural disaster, emergency or

* Preliminary; subject to change.

accident, and (e) when the project is for engineering, land and right-of-way acquisition, construction, resurfacing, maintenance, restoration, and rehabilitation exclusively for or of: (i) local road and street systems, including bridges that are designated as being in a local road and street system; (ii) arterial road and street systems, including bridges that are designated as being in an arterial road and street system; or (iii) any combination of local and arterial road and street systems, including designated bridges.

Controlled projects are subject to either a petition and remonstrance process or a referendum process if either such process is requested by taxpayers and voters. A political subdivision planning to finance and construct a controlled project must hold a public hearing to inform taxpayers and voters of certain information about the project and the potential impact on property taxes. After taxpayers and voters are notified, they have the option to initiate the petition and remonstrance process or the referendum process. This is accomplished when the lesser of (a) 500 registered voters or real property owners or (b) 5% of the registered voters in the political subdivision, sign a petition to initiate the process and the signatures are certified by the county voter registration office. The political subdivision may also elect to pursue a referendum for controlled projects if not requested by its taxpayers or registered voters.

Under the petition and remonstrance process, taxpayers and voters may sign a petition in favor of the project (petitioners) or against the project (remonstrators). At the end of the signature gathering period, the county voter registration office determines if the petitioners or remonstrators have the most signatures. If the petitioners have more, the project may proceed, but if the remonstrators have more, the project may not proceed. If a project is defeated it cannot be reconsidered for one year.

Controlled projects are subject to the referendum process if the project: (1) consists of an elementary, middle or high school building or other school building for academic instruction which will cost more than the lesser of (i) an amount equal to the result of the assessed value growth quotient for the year multiplied by the threshold amount for the preceding calendar year; (ii) 1% of the total gross assessed value if the total gross assessed value is more than \$1 billion; or (iii) \$10 million; or (2) is any other controlled project which costs the lesser of: (i) an amount equal to the result of the assessed value growth quotient for the year multiplied by the threshold amount for the preceding calendar year; (ii) 1% of the total gross assessed value of property with the political subdivision on the last assessment date (if the total gross assessed value was at least \$100 million); or (iii) \$1 million. In addition, as of July 1, 2025, a school corporation with a debt service fund tax rate of \$0.70 or more, is required to have all projects funded with debt approved by a referendum election, regardless of the amount of the project.

Once the referenda process is initiated and the signatures on the petition are certified by the county voter registration office, the public question regarding the controlled project must be approved by the Department of Local Government Finance before it may be placed on the ballot at the next general, municipal or primary election. If no election will be held within six months of the date of the voter registration office certification, a special election, if requested by the political subdivision, will be held. The results of the election will be certified by the circuit court clerk and if the majority of voters approve of the project, the project may proceed, but if the project is defeated, the project cannot be revisited for at least one year from the date of the election. Payments due on bonds or leases which have been approved by the referenda process are outside the Circuit Breaker Tax Credit calculations.

Even if a project is considered a non-controlled project, a hearing may be required under a different statute if the project is \$1,000,000 or more (i.e., 1028 Hearing) and the project and bond issuance may proceed without additional approval procedures. Additionally, if the petition and remonstrance process or referenda process is not initiated, the project and bond issuance may proceed without additional approval procedures.

The Project (as hereinafter defined) to be funded by the Bonds is subject to the controlled project procedures; however, neither the petition and remonstrance process nor the referendum process were initiated by real property owners or registered taxpayers. Therefore, the issuance of the Bonds was able to continue without additional public approval procedures. Because the Project was not approved through the referenda process, the ad valorem property tax to be levied on all taxable property within the School Corporation to repay the Bonds will be included in the calculation of the Circuit Breaker Tax Credit. See “PURPOSE OF ISSUE.”

For more information on the School Corporation and the area of the School Corporation, see “Appendix A – New Palestine Community Schools” and “Appendix B - General Information about the Area” and “Appendix E – Audit Report as of June 30, 2024” included herein. All financial and other information presented in this Official Statement has been provided by the School Corporation from its records, except for information expressly attributed to other sources. The presentation of information concerning the School Corporation, including financial information, is intended to show recent historic information and is not intended to indicate or project future or continuing trends in the financial position or other affairs of the School Corporation. No representation is made or implied hereby that any past experience, as might be shown by the financial and other information, will necessarily continue in the future.

Investors must read the entire Preliminary Official Statement to obtain information essential to the making of an informed investment decision.

THE BONDS

General

The Bonds will be issued in fully registered form in the denomination of \$5,000 or any integral multiple of that amount, will be dated the date of delivery, and mature on January 15 and July 15 on the dates, in the amounts and bear interest at the rates set forth on the inside front cover page of this Official Statement.

Interest on the Bonds, payable on January 15 and July 15, commencing July 15, 2026, will be paid by check mailed to the registered owners or by wire transfer of immediately available funds on the interest payment date to depositories. Interest on the Bonds will be paid by check, mailed one business day prior to the interest payment date or by wire transfer. The principal of and premium, if any, on the Bonds shall be payable in lawful money of the United States of America at the designated office of the Paying Agent; provided, however, that with respect to the holder of any of the Bonds who holds the Bonds at any time in the principal amount of at least One Million Dollars (\$1,000,000), principal payments may be paid by wire transfer or by check mailed without any surrender of the Bonds if written notice is provided to the Paying Agent at least sixteen (16) days prior to the commencement of such wire transfer or mailing of the check without surrender of the Bonds. If the office location at which principal is payable changes, the Registrar shall give notice of such change by first class mail, at least fifteen (15) days prior to the principal payment date, to the registered bondholders. Interest on, together with the principal of, the Bonds will be paid directly to the registered owner of the Bonds.

Interest Calculation

Interest shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

Redemption

Optional Redemption

The Bonds are not subject to optional redemption prior to maturity.

Mandatory Sinking Fund Redemption

The Bonds may be issued as Term Bonds at the discretion of the Underwriter (as hereinafter defined) and in that case, would be subject to mandatory sinking fund redemption as more fully described herein. If such Bonds are subject to mandatory sinking fund redemption, the Registrar and Paying Agent will credit against the mandatory sinking fund requirement for any term bonds and corresponding mandatory redemption obligation, in the order determined by the School Corporation, any term bonds maturing on the same date which have been redeemed previously (other than as a result of a previous mandatory redemption requirement) or delivered to the Registrar or Paying Agent for cancellation or purchased for cancellation by the Registrar or Paying Agent and not applied theretofore as a credit against any redemption obligation. Each term bond so delivered or canceled will be credited by the Registrar and Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory obligations and the principal amount of that term bond to be redeemed by operation of the mandatory sinking fund requirement shall be reduced accordingly; provided, however, the Registrar and Paying Agent will credit only such term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date.

Notice of any mandatory sinking fund redemption will be mailed by first class mail by the Registrar and Paying Agent not less than thirty (30) days prior to the date selected for redemption to the registered owners of all term bonds to be redeemed at the address shown on the registration books of the Registrar and Paying Agent; provided, however, that failure to give such notice by mailing or a defect in the notice of the mailing as to the term bonds will not affect the validity of any proceedings for redemption as to any other term bonds for which adequate notice is given. Notice having been mailed, the term bonds designated for redemption, on the date specified in such notice, will become due and payable at the then applicable redemption price. On presentation and surrender of such Bonds in accordance with such notice at the place at which the same are expressed in such notice to be redeemable, such Bonds will be redeemed by the Registrar and Paying Agent for that purpose. From and after the date of redemption so designated, unless default is made in the redemption of such Bonds upon presentation, interest on such Bonds designated for redemption will cease.

Registration, Transfer and Exchange

The Bonds will be registered at and are transferable by the registered owners at the designated office of the Registrar, upon surrender and cancellation and on presentation of a duly executed written instrument of transfer. A new bond or bonds of the same aggregate principal amount and maturity and in authorized denominations will be issued to the transferee or transferees in exchange herefore.

If any Bond is mutilated, lost, stolen or destroyed, the Registrar may execute, subject to the provisions of the Bond Resolutions, a replacement bond or bonds of the same date, maturity and denomination. In the case of a mutilated bond, the Registrar may require that the mutilated bond be presented and surrendered as a condition to executing a replacement. In the case of loss, theft or destruction, the Registrar may require evidence of the destruction or indemnity satisfactory to the Registrar in its discretion. The Registrar may charge the owner for reasonable fees and expenses in connection with replacements.

Book-Entry-Only System

The Depository Trust Company (“DTC”), New York, NY, will act as depository for the Bonds (the “Bonds”). The Bonds will be issued as fully-registered Bonds registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of each series of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC

system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the School Corporation as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption, principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the

School Corporation, the Registrar or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with Bonds held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the School Corporation, the Registrar or the Paying Agent, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption, principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the School Corporation, the Registrar or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the School Corporation or the Registrar and Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The School Corporation may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the School Corporation believes to be reliable, but the School Corporation takes no responsibility for the accuracy thereof.

In the event that either (1) the School Corporation receives notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities as a clearing agency for the Bonds or (2) the School Corporation elects to discontinue its use of DTC as a clearing agency for the Bonds, then the School Corporation will do or perform or cause to be done or performed all acts or things, not adverse to the rights of the holders of the Bonds, as are necessary or appropriate to discontinue use of DTC as a clearing agency for the Bonds and to transfer the ownership of each of the Bonds to such person or persons, including any other clearing agency, as the holder of such Bonds may direct. Any expenses of such a discontinuation and transfer, including any expenses of printing new certificates to evidence the Bonds will be paid by the School Corporation.

PROVISIONS FOR PAYMENT

The principal on the Bonds shall be payable at the designated corporate trust office of the Registrar and Paying Agent, or by wire transfer to DTC or any successor depository. All payments of interest on the Bonds shall be paid by check, mailed one business day prior to the interest payment date to the registered owners as the names appear as of the fifteenth day immediately preceding the interest payment date and at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Registrar or by wire transfer to DTC or any successor depository. If payment of principal or interest is made to DTC or any successor depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time). Payments on the Bonds

shall be made in lawful money of the United States of America, which, on the date of such payment, shall be legal tender.

So long as DTC or its nominee is the registered owner of the Bonds, principal and interest on the Bonds will be paid directly to DTC by the Paying Agent. (The final disbursement of such payments to the Beneficial Owners of the Bonds will be the responsibility of the DTC Participants, as defined and more fully described herein.)

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

The Bonds are payable from ad valorem property taxes levied on all taxable property within the School Corporation in an amount sufficient to pay the principal of, and interest on, the Bonds as such becomes due. (However, see "CIRCUIT BREAKER TAX CREDIT" herein.)

The total indebtedness of the School Corporation subject to statutory debt limit, including the Bonds, amounts to less than two percent of one third of the net assessed valuation of the School Corporation, as required by the statutes of the State of Indiana. See "Appendix A – New Palestine Community Schools - Indebtedness."

INTERCEPT PROGRAM

Indiana Code Title 20, Article 48, Chapter 1, Section 11, as amended (the "Act"), requires the Department of Local Government Finance (the "DLGF") to review levies and appropriations of school corporations for debt service or lease rental payments that are payable in the succeeding calendar year. In the event a school corporation fails to levy and appropriate sufficient funds for such purpose for the next succeeding calendar year, the DLGF must establish levies and appropriations which are sufficient to pay such obligations.

The Act further provides that upon failure of any school corporation to make a debt service or lease rental payment when due and upon notice and claim being filed with the Treasurer of the State of Indiana (the "State Treasurer"), (a) the State Treasurer must immediately contact the school corporation and the person or entity filing the claim to confirm whether the school corporation is unable to make the required payment on the due date, (b) if confirmed, the State Treasurer must notify the Budget Director of the State of Indiana (the "State Budget Director"), the Auditor of the State of Indiana (the "State Auditor") and any department or agency of the State of Indiana responsible for distributing funds appropriated by the Indiana General Assembly (the "General Assembly") to provide the State Treasurer with available funds in order for the State Treasurer to fulfill his/her obligations under the Act, (c) within three (3) days, excluding Saturdays, Sundays and legal holidays, of receiving the notice from the State Treasurer, the State Budget Director, the State Auditor and any department or agency of the State of Indiana responsible for distributing funds appropriated by the General Assembly must provide the State Treasurer with available funds in order for the State Treasurer to fulfill his/her obligations under the Act, and (d) the State Treasurer must make such payment to the claimant from such funds within five (5) days, excluding Saturdays, Sundays and legal holidays of the claim being filed with the State Treasurer (clauses (a) through and including (d), collectively, the "State Intercept Program"). The funds to make such payment will be from the following sources, in the following amount and in the following order of priority: (i) first, from amounts appropriated by the General Assembly for distribution to the school corporation from State funds in the current fiscal year of the State of Indiana, which begins on July 1 and ends on the immediately following June 30, (ii) second, to the extent the amounts described in clause (i) are insufficient, from any remaining amounts appropriated by the General Assembly for distribution for tuition support in the current State fiscal year which are in excess of the aggregate amount of tuition support needed for distribution to

all school corporations during the current State fiscal year, and (iii) third, to the extent the amounts described in clauses (i) and (ii) are insufficient and the General Assembly has adopted a biennial budget appropriating amounts in the immediately succeeding State fiscal year for distribution to the school corporation from State funds, then from such fund or account, as determined by the State Budget Director in an amount not to exceed the amount to be distributed to the school corporation in the immediately succeeding State fiscal year. If any such payment is made by the State Treasurer pursuant to the State Intercept Program, then the State will recover such amounts by deducting such amount from the future State distributions to be made to the school corporation.

The estimated State distributions for 2025 and resulting debt service coverage levels are as follows:

2025 Estimated State Grants:	\$30,330,000
Combined Maximum Annual Debt Service (See page A-12)*	11,653,625
State distributions required to provide 1.5x coverage	<u>17,480,438</u>
State distributions above 1.5x coverage amount	\$12,849,562

* Based upon the total debt service for 2026

Pursuant to the paying agency agreement between the School Corporation and the Registrar and Paying Agent, the Registrar and Paying Agent is to notify and demand payment immediately from the State Treasurer if the School Corporation should default in its obligation under the Bond Resolution. There can, however, be no assurance as to the levels or amounts that may from time to time be appropriated by the Indiana General Assembly for school purposes or that this provision of the Indiana Code will not be repealed. Furthermore, there may be a delay in payment of debt service due to the procedural steps required for claimants to draw on the State Intercept Program.

PROCEDURES FOR PROPERTY TAX ASSESSMENT, TAX LEVY AND COLLECTION

The Bonds are payable from ad valorem property taxes required by law to be levied by or on behalf of the School Corporation in an amount sufficient to pay debt service as it becomes due and payable, subject to the Circuit Breaker Tax Credit described herein. Article 10, Section 1 of the Constitution of the State (the "Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. The Indiana General Assembly enacted legislation (IC 6-1.1-20.6, as amended), which implements the Constitutional Provision and provides taxpayers with a tax credit for all property taxes in an amount that exceeds a certain percentage of the gross assessed value of eligible property. See "CIRCUIT BREAKER TAX CREDIT" herein for further details on the levy and collection of property taxes.

Real and personal property in the State is assessed each year as of January 1. Before August 1 of each year, the county auditor must submit a certified statement of the assessed value of each taxing unit for the ensuing year to the Department of Local Government Finance ("DLGF"). The DLGF shall make the certified statement available on its gateway website located at <https://gateway.ifionline.org/> ("Gateway"). The county auditor may submit an amended certified statement at any time before the preceding year, the date by which the DLGF must certify the taxing units' budgets.

The certified statement of assessed value is used when the governing body of a local taxing unit meets to establish its budget for the next fiscal year (January 1 through December 31) and to set tax rates and levies. In preparing the taxing unit's estimated budget, the governing body must consider the net property tax revenue that will be collected by the taxing unit during the ensuing year, after taking into account the DLGF's estimate of the amount by which the taxing unit's distribution of property taxes will be

reduced by the application of the Circuit Breaker Tax Credit (as defined in the summary of "CIRCUIT BREAKER TAX CREDIT" herein), after taking into account the DLGF's estimate of the maximum amount of net property tax revenue and miscellaneous revenue that the taxing unit will receive in the ensuing year, and after taking into account all payments for debt service obligations that are to be made by the taxing unit during the ensuing year. Before August 1 of each year, the DLGF shall provide to each taxing unit, an estimate of the amount by which the taxing unit's distribution of property taxes will be reduced.

The taxing unit must submit the following information to the DLGF via Gateway: (i) its estimated budget; (ii) the estimated maximum permissible tax levy, as determined by the DLGF; (iii) the current and proposed tax levies of each fund; (iv) the percentage change between the current and proposed tax levies of each fund; (v) the estimated amount, determined by the DLGF, by which the taxing unit's property taxes may be reduced by the Circuit Breaker Tax Credit; (vi) the amounts of excess levy appeals to be requested, if any; (vii) the time and place at which the taxing unit will conduct a public hearing related to the information submitted to Gateway; (viii) the time and place at which the taxing unit or appropriate fiscal body will meet to fix the budget, tax rate and levy of the taxing unit; and (ix) the date, time, and place of the final adoption of the budget, tax rate, and levy. The taxing unit must submit the information listed in (i) – (ix) above on Gateway at least ten days prior to the date of the public hearing. The public hearing must be completed at least ten days before the taxing unit meets to fix the budget, tax rate and tax levy which by statute must each be established no later than November 1. The taxing unit must file the adopted budget with the DLGF within five days after adoption.

The budget, tax levy and tax rate of each taxing unit are subject to review by the DLGF, and the DLGF shall certify the tax rates and tax levies for all funds of taxing units subject to the DLGF's review. The DLGF may not increase a taxing district's budget by fund, tax rate or tax levy to an amount which exceeds the amount originally fixed by the taxing unit unless the taxing unit meets all of the following: (i) the increase is requested in writing by the taxing unit; (ii) the requested increase is published on the DLGF's advertising internet website; (iii) notice is given to the county fiscal body of the DLGF's correction; (iv) the request includes the corrected budget, tax rate, or levy, as applicable, and the time and place of the public meeting; and (v) the political subdivision adopts the needed changes to its budget, tax levy, or rate in a public meeting of the governing body.

The DLGF may not approve a levy for debt service by a school corporation if: (i) there are no bonds of the school corporation outstanding; and (ii) the school corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular debt service levy requested. However, the DLGF may increase the school corporation's tax rate and levy if the tax rate and levy proposed by the school corporation are not sufficient to make its debt service payments.

The DLGF must complete its review and certification of budgets, tax rates and levies by December 31 of the calendar year immediately preceding the ensuing calendar year unless a taxing unit in the county is issuing debt after December 1 in the year preceding the budget year or intends to file a levy shortfall appeal.

On or before March 15, the county auditor prepares the tax duplicate, which is a roll of property taxes payable in that year. The county auditor publishes a notice of the tax rate in accordance with Indiana statutes. The county treasurer mails tax statements at least 15 days prior to the date that the first installment is due (due dates may be delayed due to a general reassessment or other factors). Property taxes are due and payable to the county treasurer in two installments on May 10 and November 10, unless the mailing of tax bills is delayed or a later due date is established by order of the DLGF. If an installment of property taxes is not completely paid on or before the due date, a penalty of 10% of the amount delinquent is added to the amount due; unless the installment is completely paid within thirty (30) days of the due date and the taxpayer is not liable for delinquent property taxes first due and payable in a previous year for the same

parcel, the amount of the penalty is five percent (5%) of the amount of the delinquent taxes. On May 11 and November 11 of each year after one year of delinquency, an additional penalty equal to 10% of any taxes remaining unpaid is added. The penalties are imposed only on the principal amount of the delinquency. Property becomes subject to tax sale procedures after 15 months of delinquency. The County Auditor distributes property tax collections to the various taxing units on or about June 30 after the May 10 payment date and on or about December 31 after the November 10 payment date.

Personal property values are assessed January 1 of every year and are self-reported by property owners to county assessors using prescribed forms. The completed personal property return must be filed with the county assessors no later than May 15. Pursuant to State law, personal property is assessed at its actual historical cost less depreciation, in accordance with 50 IAC 4.2, the DLGF's Rules for the Assessment of Tangible Personal Property. Pursuant to IC 6-1.1-3-7.2, as amended, State law automatically exempts from property taxation the acquisition cost of a taxpayer's total business personal property in a county if the total business personal property is less than (i) eighty thousand dollars (\$80,000) for assessment dates before 2026, and (ii) two million dollars (\$2,000,000) for the 2026 assessment date and each assessment date thereafter.

Pursuant to State law, real property is valued for assessment purposes at its "true tax value" as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2021 Real Property Assessment Manual ("Manual"), as incorporated into 50 IAC 2.4 and the 2021 Real Property Assessment Guidelines ("Guidelines"), as published by the DLGF. In the case of agricultural land, true tax value shall be the value determined in accordance with the Guidelines and IC 6-1.1-4-13, as amended, which shall mean the "market value-in-use" of a property for its current use, as reflected by the utility received by the owner or by a similar user from the property. Except for agricultural land, and rental residential property with rental periods longer than thirty (30) days, the Manual permits assessing officials in each county to choose one of three standard approaches to determine market value-in-use, which are the cost approach, the sales comparison approach or the income approach. The Guidelines provide each of the approaches to determine "market value-in-use and the reconciliation of these approaches shall be applied in accordance with generally recognized appraisal principals." In accordance with IC 6-1.1-4-4.2(a), as amended, the county assessor is required to submit a reassessment plan to the DLGF before May 1 every four (4) years, and the DLGF has to approve the reassessment plan before January 1 the following year. The reassessment plan must divide all parcels of real property in the county into four (4) different groups of parcels. Each group of parcels must contain approximately twenty-five percent (25%) of the parcels within each class of real property in the county. All real property in each group of parcels shall be reassessed under a county's reassessment plan once during each four (4) year cycle. The reassessment of a group of parcels in a particular class of real property shall begin on May 1 of a year and must be completed on or before January 1 of the year after the year in which the reassessment of the group of parcels begins. All real property assessments are revalued annually to reflect market value based upon comparable sales ("Trending"). "Net Assessed Value" or "Taxable Value" represents the "Gross Assessed Value" less certain deductions for mortgages, veterans, the aged, the blind, economic revitalization areas, resource recovery systems, rehabilitated residential property, solar energy systems, wind power devices, hydroelectric systems, geothermal devices and tax-exempt property. The "Net Assessed Value" or "Taxable Value" is the assessed value used to determine tax rates.

Changes in assessed values of real property occur periodically as a result of general reassessments, as well as when changes occur in the property value due to new construction or demolition of improvements. When a change in assessed value occurs, a written notification is sent to the affected property owner. If the owner wishes to appeal this action, the owner may file a petition requesting a review of the action. This petition must be filed with the county assessor in which the property is located by June 15 of the assessment year if the written notification is provided to the taxpayer before May 1 of that year, or June 15 of the year in which the tax bill is mailed by the county treasurer if the notice is provided on or after

May 1 of the assessment year, whichever is earlier. While the appeal is pending, the taxpayer may pay taxes based on the current year's tax rate and the previous or current year's assessed value. For all appeals except an appeal on the assessed value of the property, the taxpayer may appeal not later than three years after the taxes were first due.

Over the past few years, the Indiana General Assembly has proposed legislation containing numerous provisions related to property taxation and local income taxation, which could adversely affect political subdivisions in the State in a variety of ways. Senate Enrolled Act No. 1 (2025) ("SEA 1") includes provisions that increase the homestead deduction for real property owners and new assessed value deductions to real property owners of non-homestead residential property, agricultural property and long-term care facilities, all of which phase in through taxes payable year 2031. Some of the changes in SEA 1 may result in a decrease in assessed valuation, which may require an increase in property tax rates. It is uncertain at this time what impact, if any, SEA 1 or any future legislation may have on the property assessment process or the amount of ad valorem property taxes and local income taxes to be received by local government entities in future years. Neither the Issuer, the School Corporation nor their advisors assume any responsibility for assessing the potential risk of any such legislation that may impact the Bonds or the operations of the School Corporation. The purchasers of the Bonds should consult their own advisors regarding risks associated with SEA 1 or future legislation.

CIRCUIT BREAKER TAX CREDIT

Description of Circuit Breaker:

Article 10, Section 1 of the Constitution of the State of Indiana (the "Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. Indiana Code § 6-1.1-20.6 (the "Statute") authorizes such limits in the form of a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit (the "Circuit Breaker Tax Credit"). For property assessed as a homestead (as defined in Indiana Code § 6-1.1-12-37, as amended), the Circuit Breaker Tax Credit is equal to the amount by which the property taxes attributable to the homestead exceed 1% of the gross assessed value of the homestead. Property taxes attributable to the gross assessed value of other residential property, agricultural property, and long-term care facilities are limited to 2% of the gross assessed value, property taxes attributable to other non-residential real property and personal property are limited to 3% of the gross assessed value. The Statute and other additional Indiana laws provide additional property tax credits, deductions, or exemptions, as applicable, for property taxes paid by homesteads or certain real property owners based on certain demographic categories or property uses.

If applicable, the Circuit Breaker Tax Credit will result in a reduction of property tax collections for each political subdivision in which the Circuit Breaker Tax Credit is applied. School corporations are authorized to impose a referendum tax levy, if approved by voters, to replace property tax revenue that the school corporation will not receive due to the application of the Circuit Breaker Tax Credit. Otherwise, school corporations and other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit. [Political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit.]

The Constitutional Provision excludes from the application of the Circuit Breaker Tax Credit property taxes first due and payable in 2012, and thereafter, that are imposed after being approved by the voters in a referendum. The Statute codifies this exception, providing that, with respect to property taxes first due and payable in 2012 and thereafter, property taxes imposed after being approved by the voters in a

referendum will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute.

The Statute requires political subdivisions to fully fund the payment of Debt Service Obligations, regardless of any reduction in property tax collections due to the application of the Circuit Breaker Tax Credit. For school corporations, any shortfall could also be funded through the State Intercept Program (*See* "State Intercept Program" herein); however, application of the State Intercept Program will result in a shortfall in distributions to the school corporation's education fund and school corporations are encouraged by the DLGF to fund any shortfall directly from the school corporation's other legally available funds to avoid the application of the State Intercept Program. Upon: (i) the failure of a political subdivision to pay any of its Debt Service Obligations; and (ii) notification of that event to the treasurer of the State by a claimant; the treasurer of State is required to pay the unpaid Debt Service Obligations from money in the possession of the State that would otherwise be available to the political subdivision under any other law. A deduction must be made from any other undistributed funds of the political subdivision in possession of the State.

Pursuant to IC 6-1.1-20.6-9.9, as amended, if a school corporation has sufficient Circuit Breaker Tax Credit losses and meets certain requirements in any year from 2014 through 2026, and has approval from the DLGF, it will be an eligible school corporation for such year that it submitted the request for a determination (an "Eligible School Corporation"). An Eligible School Corporation may allocate a portion of its Circuit Breaker Tax Credit loss to its non-exempt debt service fund(s), and is exempt from the protected taxes requirement described below.

After December, 31, 2023, if a school corporation issues new bonds or enters into a new lease rental agreement after July 1, 2023, for which the school corporation is imposing or will impose a debt service levy other than: (A) to refinance or renew prior bond or lease rental obligations existing before January 1, 2024, but only if the refinancing or renewal is for a lower interest rate; or (B) for indebtedness that is approved in a local public question or referendum under IC 6-1.1-20 or any other law, the school corporation will not be an Eligible School Corporation.

School Corporation did not qualify for this exemption in 2025.

Except for an Eligible School Corporation, the Statute categorizes property taxes levied to pay Debt Service Obligations as "protected taxes," regardless of whether the property taxes were approved at a referendum, and all other property taxes as "unprotected taxes." The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the Circuit Breaker Tax Credit. The application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund. The School Corporation may allocate the reduction by using a combination of unprotected taxes of the political subdivision in those taxing districts in which the Circuit Breaker Tax Credit caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

If the allocation of property tax reductions to funds receiving only unprotected taxes is insufficient to offset the amount of the Circuit Breaker Tax Credit or if there is not a fund receiving only unprotected taxes from which to distribute revenue, the revenue for a fund receiving protected taxes will also be reduced. If a fund receiving protected taxes is reduced, the Statute provides that a political subdivision may transfer money from any other available source in order to meet its Debt Service Obligations. The amount of this transfer is limited to the amount by which the protected taxes are insufficient to meet Debt Service Obligations.

The allocation of property tax reductions to funds may impact the ability of political subdivisions to provide existing levels of service, and in extreme cases, the ability to make debt service or lease rental payments.

The School Corporation cannot predict the timing, likelihood or impact on property tax collections of any future actions taken, amendments to the Constitution of the State or legislation enacted, regulations or rulings promulgated or issued to implement any such regulations, statutes or the Constitutional Provision described above or of future property tax reform in general. There has been no judicial interpretation of this legislation. In addition, there can be no assurance as to future events or legislation that may affect the Circuit Breaker Tax Credit or the collection of property taxes by the School Corporation.

Estimated Circuit Breaker Tax Credit for the School Corporation:

According to the DLGF, the Circuit Breaker Tax Credit allocable to the School Corporation for budget years 2023, 2024 and 2025 are \$37,923, \$ 27,931 and \$321,125, respectively. These estimates do not include the estimated debt service on the Bonds.

The Circuit Breaker Tax Credit amounts above do not reflect the potential effect of any further changes in the property tax system or methods of funding local government that may be enacted by the Indiana General Assembly in the future. The effects of these changes could affect the Circuit Breaker Tax Credit and the impact could be material. Other future events, such as the loss of a major taxpayer, reductions in assessed value, increases in property tax rates of overlapping taxing units or the reduction in local option income taxes applied to property tax relief could increase effective property tax rates and the amount of the lost revenue due to the Circuit Breaker Tax Credit, and the resulting increase could be material.

Pursuant to SEA 1, the local income tax authorized pursuant to Indiana Code § 6-3.6-5 that is utilized for property tax relief expires beginning in 2028, which may increase circuit breaker tax credits in 2028 and thereafter.

SCHOOL CORPORATION FISCAL INDICATORS

Public Law 213-2018(ss) was enacted by the Indiana General Assembly in 2018 (the "DUAB Law"). The DUAB Law required the Distressed Unit Appeal Board, an entity previously established pursuant to Indiana Code 6-1.1-20.3-4 (the "DUAB") to establish a Fiscal and Qualitative Indicators Committee (the "Committee"), and for such Committee to select from a prescribed list the fiscal and qualitative indicators with which the DUAB would evaluate the financial conditions of Indiana public school corporations.

Further, pursuant to the DUAB Law, starting in June, 2019, the DUAB has been charged with making a determination of whether a corrective action plan is necessary for any school corporations, based upon a process of initial identification by the DUAB's executive director pursuant to such fiscal and qualitative indicators, and a contact and assessment of each such school corporation by the DUAB's executive director.

The DUAB will place a school corporation on its watch list under certain circumstances, if such school corporation fails to properly submit a corrective action plan, or if such school corporation is not compliant with its corrective action plan. Upon the state budget committee review of the school corporation's placement on the watch list, such placement will become public. Until such time, all reports, correspondence and other related records are not subject to public disclosure laws under Indiana State law. See Indiana Code 20-19-7-18.

A graphic summary of such fiscal and qualitative indicators, searchable for any specific Indiana public school corporation, can be found at: <https://www.in.gov/duab/2386.htm>. (Some of such data may be less current than the data found in Appendix A hereto.)

FUTURE CHANGES IN LAW

Legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Legislation affecting municipal bonds is considered from time to time by the United States Congress and the Executive Branch. Bond Counsel's opinion is based upon the law in existence on the date of issuance of the Bonds. It is possible that legislation enacted after the date of issuance of the Bonds or proposed for consideration will have an adverse effect on the excludability of all or a part of the interest on the Bonds from gross income, the manner in which such interest is subject to federal income taxation or the market price of the Bonds.

Legislation affecting municipal bonds is considered from time to time by the Indiana legislature and Executive Branch. It is possible that legislation enacted after the date of the Bonds or proposed for consideration will have an adverse effect on payment or timing of payment or other matters impacting the Bonds.

As one example, Indiana Governor Michael Braun signed SEA 1 into law on Tuesday, April 15, 2025. SEA 1 includes a number of provisions which may adversely impact future tax collections and budgets of political subdivisions in the State, including school corporations.

The final version of SEA 1 which was signed by Governor Braun, as well as related fiscal information provided by the State of Indiana's Legislative Services Agency, can be found here: <https://iga.in.gov/legislative/2025/bills/senate/1/details>.

The School Corporation cannot predict the outcome of any such federal or state proposals as to passage, ultimate content or impact if passed, or timing of consideration or passage. Purchasers of the Bonds should reach their own conclusions regarding the impact of any such federal or state proposals.

There can be no assurance that there will not be any change in, interpretation of, or addition to the applicable laws and provisions which would have a material effect, directly or indirectly, on the affairs of the School Corporation.

LEGAL MATTERS

Certain legal matters incident to the issuance of the Bonds and with regard to the tax status of the interest thereon (see "TAX MATTERS") will be passed upon by Ice Miller LLP ("Bond Counsel"). A signed copy of the opinion for the Bonds, dated and premised on facts and laws existing as of the date of original delivery of the Bonds will be delivered to the Underwriter at the time of that original delivery. A copy of the opinion proposed to be delivered by Bond Counsel for the Bonds is attached as Appendix D.

The engagement of Ice Miller LLP as Bond Counsel is limited generally to the examination of the documents contained in the transcript of proceedings, and examination of such transcript of proceedings and the law incident to rendering the approving legal opinion referred to above, and the rendering of such approving legal opinion. In its capacity as Bond Counsel, Ice Miller LLP has reviewed those portions of this Official Statement under the captions: "THE BONDS" (except for the Sections entitled "BOOK – ENTRY-ONLY SYSTEM" AND "REVISION OF BOOK-ENTRY-ONLY SYSTEM"), "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS", "TAX MATTERS", "AMORTIZABLE BOND PREMIUM", "LEGAL OPINIONS AND ENFORCEABILITY OF REMEDIES", "ORIGINAL ISSUE DISCOUNT", and "CONTINUING DISCLOSURE." Bond Counsel has not been retained to pass upon any information in this Official Statement, or in any other reports, financial information, offering or disclosure documents or other information that may be prepared or made available by the School Corporation, the Registrar and Paying Agent, or the Underwriter.

LITIGATION

No litigation or administrative action or proceeding is pending or, to the knowledge of the School Corporation, threatened restraining or enjoining, or seeking to restrain or enjoin, the levy and collection of taxes to pay the debt service to be paid on the Bonds, or contesting or questioning the proceedings or authority under which the Bond Resolutions were authorized, or the validity of the Bonds. No litigation or administrative action or proceeding is pending or, to the knowledge of the School Corporation, threatened concerning the issuance, validity and delivery of the Bonds. Certificates to such effect will be delivered at the time of the original delivery of the Bonds.

PUBLIC HEALTH EMERGENCIES

Regional, national or global public health emergencies, such as the outbreak of the novel coronavirus ("COVID-19" or the "Pandemic"), could have materially adverse regional, national or global economic and social impacts causing, among other things, the promulgation of local or state orders limiting certain activities, extreme fluctuations in financial markets and contraction in available liquidity, prohibitions of gatherings and public meetings in such places as entertainment venues, extensive job losses and declines in business activity across important sectors of the economy, impacts on supply chain and availability of resources, declines in business and consumer confidence that negatively impact economic conditions or cause an economic recession. The Issuer cannot predict the extent to which its operations or financial condition may decline nor the amount of increased costs, if any, that may be incurred by the Issuer associated with operating during any public health emergencies, including, but not limited to, the amount of (1) costs to clean, sanitize and maintain its facilities, (2) costs to hire substitute employees, (3) costs to acquire supporting goods and services, (4) costs to provide alternative means of education to its students, or (5) costs to operate remotely and support the employees of the Issuer. Accordingly, the Issuer cannot predict the effect any public health emergencies will have on the finances or operations of the Issuer or whether any such effects will have a material adverse effect on the ability to support payment of debt service on the Bonds.

The School Corporation has applied for available state and federal assistance in the form of CARES Act, ESSER Funds, and GEER Grant Funds and has received state and federal dollars for costs related to COVID-19.

CYBERSECURITY

School districts, like other governmental and business entities, face significant risks relating to the use and application of computer software and hardware for educational and operational and management

purposes. The School Corporation also collects, processes and distributes an enormous amount of private, protected and personal information on students, staff, parents, visitors and contractors. As the custodian of such information, the School Corporation may face cybersecurity threats from time to time. Given the importance of cybersecurity for school districts, federal lawmakers recently approved the K-12 Cybersecurity Act of 2021 to study cybersecurity risks that school districts face and develop recommended guidelines and an online training toolkit for school district officials to address such cybersecurity risks.

No assurances can be given that the School Corporation's cybersecurity control measures will be successful in guarding against any and each cyber threat and attack. The results of any attack on the School Corporation's computer and information technology systems could impact its operations and damage the School Corporation's digital networks and systems, and the costs of remedying any such damage could be substantial.

TAX MATTERS

In the opinion of Ice Miller LLP, Indianapolis, Indiana ("Bond Counsel") under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. This opinion is conditioned on continuing compliance by the School Corporation with the Tax Covenants (as hereinafter defined). Failure to comply with the Tax Covenants could cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to the date of issue. In the opinion of Bond Counsel, under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is exempt from income taxation in the State of Indiana (the "State"). This opinion relates only to the exemption of interest on the Bonds for State income tax purposes. See Appendix D for the form of opinion of Bond Counsel.

The Code imposes certain requirements which must be met subsequent to the issuance of the Bonds as a condition to the exclusion from gross income of interest on the Bonds for federal income tax purposes. The School Corporation will covenant not to take any action, within its power and control, nor fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code (collectively, the "Tax Covenants"). The Bond Resolution and certain certificates and agreements to be delivered on the date of delivery of the Bonds establish procedures under which compliance with the requirements of the Code can be met. It is not an event of default under the Bond Resolution if interest on the Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not in effect on the issue date of the Bonds.

Indiana Code § 6-5.5 imposes a franchise tax on certain taxpayers (as defined in Indiana Code § 6-5.5) which, in general, include all corporations which are transacting the business of a financial institution in Indiana. The franchise tax will be measured in part by interest excluded from gross income under Section 103 of the Code minus associated expenses disallowed under Section 265 of the Code. Taxpayers should consult their own tax advisors regarding the impact of this legislation on their ownership of the Bonds.

Although Bond Counsel will render an opinion in the form attached as Appendix D hereto, the accrual or receipt of interest on the Bonds may otherwise affect a bondholder's federal income tax or state tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and a bondholder's other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, individuals, financial institutions, certain

insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the Bonds. Bond Counsel expresses no opinion regarding any other such tax consequences. Prospective purchasers of the Bonds should consult their own tax advisors with regard to the other tax consequences of owning the Bonds.

Under existing laws, judicial decisions, regulations and rulings, the bonds have been designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code relating to the exception from the 100% disallowance of the deduction for interest expense allocable to interest on tax-exempt obligations acquired by financial institutions. The designation is conditioned on continuing compliance with the Tax Covenants.

UNDERWRITING

The Bonds are being purchased, subject to certain conditions, by Stifel, Nicolaus & Company, Incorporated (the "Underwriter"). The Underwriter has agreed to purchase all, but not less than all, of the Bonds at an aggregate amount of \$_____, which includes the par amount of the Bonds, plus original issue premium of \$_____, less the Underwriter's discount of \$_____.

The Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into unit investment trusts, certain of which may be sponsored or managed by the Underwriter) at prices lower than the initial public offering prices stated on the inside cover page. The initial public offering prices of the Bonds may be changed, from time to time, by the Underwriter.

Stifel and its affiliates comprise a full service financial institution engaged in activities which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Stifel and its affiliates may have provided, and may in the future provide, a variety of these services to the School Corporation and to persons and entities with relationships with the School Corporation, for which they received or will receive customary fees and expenses.

In the ordinary course of these business activities, Stifel and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the School Corporation (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the School Corporation.

Stifel and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. Such investment and securities activities may involve securities and instruments of the School Corporation.

AMORTIZABLE BOND PREMIUM

The initial public offering price of the Bonds maturing on _____ (the "Premium Bonds"), is greater than the principal amount payable at maturity or call date. As a result, the Premium Bonds will be considered to be issued with amortizable bond premium (the "Bond Premium"). An owner who acquires a Premium Bond in the initial offering will be required to adjust the owner's basis in the Premium Bond downward as a result of the amortization of the Bond Premium, pursuant to Section

1016(a)(5) of the Code. Such adjusted tax basis will be used to determine taxable gain or loss upon the disposition of the Premium Bonds (including sale, redemption or payment at maturity or call). The amount of amortizable Bond Premium will be computed on the basis of the owner's yield to maturity, with compounding at the end of each accrual period. Rules for determining (i) the amount of amortizable Bond Premium and (ii) the amount amortizable in a particular year are set forth in Section 171(b) of the Code. No income tax deduction for the amount of amortizable Bond Premium will be allowed pursuant to Section 171(a)(2) of the Code, but amortization of Bond Premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining other tax consequences of owning the Premium Bonds. Owners of the Premium Bonds should consult their tax advisors with respect to the precise determination for federal income tax purposes of the treatment of Bond Premium upon the sale or other disposition of such Premium Bonds and with respect to the state and local tax consequences of owning and disposing of the Premium Bonds.

Special rules governing the treatment of Bond Premium, which are applicable to dealers in tax-exempt securities, are found in Section 75 of the Code. Dealers in tax-exempt securities are urged to consult their own tax advisors concerning the treatment of Bond Premium.

ORIGINAL ISSUE DISCOUNT

The initial public offering price of the Bonds maturing on _____ (collectively the "Discount Bonds") is less than the principal amount payable at maturity. As a result the Discount Bonds will be considered to be issued with original issue discount. A taxpayer who purchases a Discount Bond in the initial public offering at the price listed on the cover page hereof (assuming a substantial amount of such Discount Bond was sold at such price) and who holds such Discount Bond to maturity may treat the full amount of original issue discount as interest which is excludable from the gross income of the owner of that Discount Bond for federal income tax purposes and will not, under present federal income tax law, realize taxable capital gain upon payment of the Discount Bond at maturity.

The original issue discount on each of the Discount Bonds is treated as accruing daily over the term of such Bond on the basis of the yield to maturity determined on the basis of compounding at the end of each six-month period (or shorter period from the date of the original issue) ending on _____ and _____ (with straight line interpolation between compounding dates).

Section 1288 of the Code provides, with respect to tax-exempt obligations such as the Discount Bonds, that the amount of original issue discount accruing each period will be added to the owner's tax basis for the Discount Bonds. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Discount Bonds (including sale, redemption or payment at maturity). Owners of Discount Bonds who dispose of Discount Bonds prior to maturity should consult their tax advisors concerning the amount of original issue discount accrued over the period held and the amount of taxable gain or loss upon the sale or other disposition of such Discount Bonds prior to maturity.

As described above in "TAX MATTERS," the original issue discount that accrues in each year to an owner of a Discount Bond may result in certain collateral federal income tax consequences. Owners of any Discount Bonds should be aware that the accrual of original issue discount in each year may result in a tax liability from these collateral tax consequences even though the owners of such Discount Bonds will not receive a corresponding cash payment until a later year.

Owners who purchase Discount Bonds in the initial public offering but at a price different from the prices listed on the cover page hereof should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

The Code contains certain provisions relating to the accrual of original issue discount in the case of subsequent purchasers of bonds such as the Discount Bonds. Owners who do not purchase Discount Bonds in the initial public offering should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

Owners of Discount Bonds should consult their own tax advisors with respect to the state and local tax consequences of owning the Discount Bonds. It is possible under the applicable provisions governing the determination of state or local income taxes that accrued interest on the Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment until a later year.

LEGAL OPINIONS AND ENFORCEABILITY OF REMEDIES

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions on the legal issues explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

The remedies available to the bondholders upon a default under the Bond Resolution are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the federal bankruptcy code), the remedies provided in the Bond Resolution may not be readily available or may be limited. Under federal and State environmental laws certain liens may be imposed on property of the School Corporation from time to time, but the School Corporation has no reason to believe, under existing law, that any such lien would have priority over the lien on the property taxes pledged to the owners of the Bonds.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State and the United States of America and bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

These exceptions would encompass any exercise of federal, State or local police powers (including the police powers of the School Corporation), in a manner consistent with the public health and welfare. Enforceability of the Bond Resolution in a situation where such enforcement may adversely affect public health and welfare may be subject to these police powers.

CONTINUING DISCLOSURE

Pursuant to continuing disclosure requirements promulgated by the Securities and Exchange Commission ("SEC") in SEC Rule 15c2-12, as amended (the "SEC Rule"), the School Corporation has entered into a Master Continuing Disclosure Undertaking dated August 10, 2016, as amended by a First Amendment to Master Continuing Disclosure Undertaking and as supplemented by a First Supplement to Master Continuing Disclosure Undertaking, a Second Supplement to Master Continuing Disclosure Undertaking, a Third Supplement to Master Continuing Disclosure Undertaking, a Fourth Supplement to Master Continuing Disclosure Undertaking, a Fifth Supplement to Master Continuing Disclosure

Undertaking, a Sixth Supplement to Master Continuing Disclosure Undertaking and a Seventh (collectively, the "Original Undertaking"). In connection with the issuance of the Bonds the School Corporation will enter into an Eighth Supplement to the Original Undertaking (the "Supplement" and together with the Original Undertaking, the "Undertaking").

Pursuant to the terms of the Undertaking, the School Corporation agrees to provide the information detailed in the Undertaking, the form of which is attached hereto as Appendix C.

The School Corporation may, from time to time, amend or modify the Undertaking without the consent of or notice to the owners of the Bonds if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the School Corporation, or type of business conducted; (ii) the Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date of execution of the Undertaking, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances; and (iii) such amendment or modification does not materially impair the interests of the holders of the Bonds, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Bonds pursuant to the terms of the Resolution or Trust Indenture at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds the Undertaking) is permitted by the SEC Rule, then in effect.

The School Corporation may, at its sole discretion, utilize an agent in connection with the dissemination of any annual financial information required to be provided by the School Corporation pursuant to the terms of the Undertaking.

The purpose of the Undertaking is to enable the Underwriter to purchase the Bonds by providing for an undertaking by the School Corporation in satisfaction of the SEC Rule. The Undertaking is solely for the benefit of the owners of the Bonds and creates no new contractual or other rights for the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other obligated persons or any other third party. The sole remedy against the School Corporation for any failure to carry out any provision of the Undertaking shall be for specific performance of the School Corporation's disclosure obligations under the Undertaking and not for money damages of any kind or in any amount or any other remedy. The School Corporation's failure to honor its covenants under the Undertaking shall not constitute a breach or default of the Bonds, the Resolution or any other agreement.

In order to assist the Underwriter in complying with the Underwriter's obligations pursuant to SEC Rule, the School Corporation represents that it has conducted or caused to be conducted what it believes to be a reasonable review of the School Corporation's compliance with its existing continuing disclosure obligations. Based upon such review, the School Corporation is not aware of any instances in the previous five years in which the School Corporation has failed to comply with any material respects with its previous undertaking agreements.

RATING

S&P has assigned a rating of "AA+" to the Bonds based upon the Indiana State Intercept Program and an Issuer Credit rating to the Bonds of "AA-." Such rating reflects only the view of S&P and any explanation of the significance of such rating may be obtained from S&P.

Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance that any rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating

agency if in the judgment of such rating agency circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds. The School Corporation has not applied for any other ratings.

Such rating is not to be construed as a recommendation of the rating agency to buy, sell or hold the Bonds, and the rating assigned by any rating agency should be evaluated independently. Except as may be required by the undertaking described under the heading "CONTINUING DISCLOSURE," neither the School Corporation nor the Underwriter undertakes responsibility to bring to the attention of the owners of the Bonds any proposed change in or withdrawal of such rating or to oppose any such revision or withdrawal.

STATEMENT OF ISSUER

The information and descriptions of documents included in this Official Statement do not purport to be complete and are expressly made subject to the exact provisions of the complete documents. Prospective purchasers of the Bonds are referred to the documents for details of all terms and conditions thereof relating to the Project and the Bonds.

Neither this Official Statement, nor any statement which may have been made orally or in writing is to be construed as a contract with the owners of any of the Bonds. Any statements in this Official Statement involving matters of opinion whether or not expressly so stated, are intended as such and not as representations of fact.

This Official Statement has been authorized and approved by the School Corporation and is deemed to be nearly final in form. The School Corporation will provide the Underwriter, with sufficient copies of the Final Official Statement in a timely manner to be distributed to the purchasers of the Bonds.

Net Assessed Valuation

Annual net assessed valuation totals of the School Corporation are shown below. In Indiana, statutory provisions for assessment of land, improvements, and personal property specify true tax value as assessed valuation. Criteria for determination of true tax value are established by the Indiana Department of Local Government Finance. Assessed valuation is reduced by various exemptions for homesteads, mortgages, and abatements.

<u>Tax Payment Year</u>	<u>Net Assessed Valuation</u>	<u>Tax Payment Year</u>	<u>Net Assessed Valuation</u>
2017	\$752,678,584	2022	\$ 945,488,171
2018	789,917,647	2023	1,148,957,134
2019	821,955,164	2024	1,349,524,326
2020	864,462,436	2025	1,569,004,557
2021	891,565,686	2026	1,611,782,470

The Gross Assessed Valuation of the School Corporation for property assessed in 2024 and taxes paid in 2025 is \$2,722,820,700.

Note: In March, 2016, the Indiana General Assembly passed legislation which revises the factors used to calculate the assessed value of agricultural land. This legislation is retroactive to the January 1, 2016, assessment date and applies to each assessment date thereafter. The revised factors enacted in the legislation may reduce the total assessed value of agricultural land, which will shift property tax liability from agricultural property owners to other property owners. In addition, the reduction in the assessed value of agricultural land will result in a reduction of the total assessed value allocated to a School Corporation. Lower assessed values allocated to a School Corporation may result in higher tax rates in order for a School Corporation to receive its approved property tax levy. See "PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION" herein.

Reasonable efforts have been made to determine and report the largest taxpayers and to include all taxable property of those taxpayers listed based on records provided by the Hancock County Auditor's Office. Many of the taxpayers listed in such records, however, may own multiple parcels, and it is possible that some parcels and their valuations may not be included.

- ⁽¹⁾ Effective with property taxes payable in 2010, property taxes for residential homesteads are limited to 1.0% of the gross assessed value of the homestead; property taxes for agricultural, other residential property and long-term care facilities are limited to 2.0% of their gross assessed value; and property taxes for all other real and personal property are limited to 3.0% of gross assessed value. Additional property tax limits have been made available to certain senior citizens. School corporations are authorized to impose a referendum tax levy to replace property tax revenue that the school corporation will not receive due to the Circuit Breaker Tax Credit. Other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit

Collections shown include present and prior year property tax levies, along with penalties and interest on prior year delinquencies. Excluded are receipts from automobile excise taxes and financial institution (intangibles) taxes.

Indiana statutes and practices make it difficult to evade property tax liabilities. Penalty and interest charges are assessed and property may be seized and sold to satisfy liens. Taxes due each year are due in two installments, May and November.

- (1) Public Law 244-2017 was enacted by the Indiana General Assembly in 2017 (the "Fund Law"). The Fund Law modified, repealed and created certain school corporation funds. Effective January 1, 2019, the Fund Law eliminated the General Fund and replaced the General Fund, in part, with an Education Fund. The Education Fund is to be used for expenditures related to student instruction and learning. Additionally, the Fund Law created an Operations Fund to replace, in part, the General Fund and, in whole, the Capital Projects Fund, the Transportation Fund, the Art Association Fund, the Historical Society Fund, the Public Playground Fund, the Bus Replacement Fund and the Racial Balance Fund. The Operations Fund is used to pay the expenditures of the aforementioned previously existing funds and the portions of operational expenses not paid for by the Education Fund. Under the Fund Law, a school corporation's property tax levy for its Operations Fund replaces the authority of the school corporation to impose all other property tax levies, except for debt services levies or levies approved by referenda.

Financial Statements

The School Corporation is audited biennially by the Indiana State Board of Accounts. The School Corporation maintains its system of accounts on a cash basis as prescribed by the SBA ("SBA") "Accounting and Uniform Compliance Manual for Indiana Public School Corporations" (2010 Revised Edition). Bi-annual Financial Reports (Form 9) are filed with the Indiana Department of Public Instruction. The most recent federal audit by the SBA was filed on March 12, 2025 for the period July 1, 2022 to June 30, 2024. The School Corporation does not control the timing of the review or release of the audit report by the SBA.

The School Corporation maintains three principal funds: the Education Fund, the Debt Service Fund, and the Operations Fund. A Rainy Day Fund and other funds are used for specific purposes, such as federal grants and donations.

The Education Fund is used for the operation and maintenance of the School Corporation and for any other lawful expenses payable from the Education Fund. The Debt Service Fund is used for the payment of all debt, including lease rental obligations and other obligations to repay funds borrowed or advanced for the purchase or construction of, or addition to, school buildings. The Operations Fund is used for land acquisition, site improvement, construction or purchase of school buildings and equipment, and remodeling or repairing school buildings, all for school classroom purposes. The Operations Fund is also to be used exclusively for the payment of costs of transporting students and purchase school buses.

A copy of the School Corporation's Audit Report for the period July 1, 2022 to June 30, 2024, is included as Appendix E to this Official Statement. Potential purchasers should read such financial statements in their entirety for more complete information concerning the School Corporation's financial position. Such financial statements have been audited by the SBA, to the extent and for the periods indicated thereon. The School Corporation has not requested the SBA to perform any additional examination, assessment, or evaluation with respect to such financial statements since the date thereof, nor has the School Corporation requested that the SBA consent to the use of such financial statements in this Official Statement. Although the inclusion of the financial information in this Official Statement is not intended to demonstrate the fiscal condition of the School Corporation since the date of such financial information, in connection with the issuance of the Bonds, the School Corporation represents that there has been no material adverse change in the financial position or results of operations of the School Corporation, nor has the School Corporation incurred any material liabilities, which would make such financial information misleading.

Pension and Post Employment Obligations

Teachers' Retirement Fund

All present and retired certificated employees of the School Corporation are covered under the Indiana State Teachers' Retirement Fund (the "Fund"). The Fund is comprised of two accounts: (1) the Pre-1996 Account consisting of members hired prior to July 1, 1995, and (ii) the 1996 Account consisting of members hired on or after July 1, 1995 or certain employees hired before July 1, 1995 that were either hired by another covered employer or re-hired by a covered prior employer before June 30, 2005.

The Pre-1996 Account is a cost-sharing multiple-employer defined benefit plan with the State being the lone non-employer contributing entity. The State is responsible for 100% of the contributions to the Pre-1996 Account. Based on census data as of June 30, 2023, there were 5,524 active Pre-1996 accounts state-wide. The 1996 Account is a cost-sharing multiple-employer defined benefit plan with no non-employer contributing entities. The employers (i.e., the school corporations) are responsible for 100% of the contributions to the 1996 Account. Based on census data as of June 30, 2023, there were 61,188 active 1996 accounts state-wide.

The defined benefits payable from the Pre-1996 Account are funded by State appropriations (including approximately \$30 million per year from the State Lottery). Historically, the benefits have been funded on a pay-as-you-go basis. Additionally, all active members in the Pre-1996 are required by State law to contribute 3% of their salary to their Annuity Savings Account ("ASA"), a separate lump sum account benefit, to fund the defined contribution. These 3% contributions are generally "picked up" by the employers and contributed on a pre-tax basis on behalf of the employee. The School Corporation makes the 3% contribution on behalf of its employees.

The defined benefits payable from the 1996 Account are funded by contributions from the individual employers. The Indiana Public Retirement System ("INPRS") Board of Trustees establishes a contribution rate, based on several factors including the annual actuarial valuation. Each employer is then contractually required to pay that contribution rate. For the fiscal year ended June 30, 2024, employers were required to contribute 6% of their active participant payroll to the defined benefit plan with an increased rate to 6.50% effective January 1, 2025. Additionally, members of the 1996 Account are required to contribute 3% of their annual wages to fund the defined contribution portion of the 1996 Account. Employers may choose to make this contribution on behalf of its employees, and the School Corporation does so.

The School Corporation's total contributions to the Fund for the years ended December 31, 2023 and 2024 were \$1,367,791.67 and \$1,483,169.11, respectively. The estimated contribution to the Fund for the year ended December 31, 2025 is \$1,579,760.92.

According to the latest actuarial valuation, as of June 30, 2024, the actuarial accrued liability for the Pre-1996 Account was \$13,410 million and the actuarial value of assets was \$9,119 million, resulting in an unfunded accrued liability of \$4,291 million and a funded ratio of 68.0%. As of June 30, 2024, the actuarial accrued liability for the 1996 Account was \$10,023 million and the actuarial value of assets was \$8,659 million, resulting in an unfunded accrued liability of \$1,364 million and a funded ratio of 86.4%.

Public Employees Retirement Fund

All full-time non-certified employees of the School Corporation are covered under the Public Employees Retirement Fund of Indiana ("PERF"). PERF consists of: (i) a defined benefit contribution plan, and (ii) a defined contribution plan. Based on census data as of June 30, 2023, there were approximately 121,200 total PERF active members statewide making contributions.

The INPRS Board sets, at its discretion, the applicable employer contribution rates upon considering their results of the actuarial valuation and other analysis as appropriate. The School Corporation currently contributes at a rate of 11.2% of earned salary or compensation. Additionally, employees are required to contribute 3% of their compensation to wages to fund the defined contribution portion of the PERF; however employers may "pick up" the employee contributions. The School Corporation does not make the 3% contribution on behalf of its employees.

The School Corporation's total contributions to PERF for the years ended December 31, 2023 and 2024 were \$360,371.91 and \$370,987.92, respectively. The estimated contribution to PERF for the year ended December 31, 2025 is \$353,312.40.

According to the latest actuarial valuation, as of June 30, 2024, the actuarial accrued liability for PERF was \$19,673 million and the actuarial value of assets was \$15,642 million, resulting in an unfunded accrued liability of \$4,031 million and a funded ratio of 79.5%.

Governance

The Fund and PERF were created and operate pursuant to statutes of the State. The Indiana General Assembly could determine to amend the format and could impose or revise rates of contributions to be made by the School Corporation and revise benefits or benefit levels.

The Fund and PERF are administered and managed by the INPRS, which is governed by a nine-member board of trustees. INPRS issues publicly available financial reports and actuarial valuation reports that include financial statements and required supplementary information. Those reports may be viewed at the INPRS's website, as follows:

The estimated expense for the year ended December 31, 2025 is \$93,501.60.

Tax Deferred Annuity Plan

The terms of the plan are intended to comply with section 403(b) of the Internal Revenue Service Code of 1986 as amended and Treasury Regulations there under. This MASTER CONTINUING DISCLOSURE UNDERTAKING dated as of August 10, 2016 (the "Master Undertaking") is executed and delivered by COMMUNITY SCHOOL CORPORATION OF SOUTHERN HANCOCK COUNTY (the "Obligor") for the purpose of permitting various Underwriters (as hereinafter defined) of the Obligations (as hereinafter defined) issued by or on behalf of the Obligor from time to time to purchase such Obligations in compliance with the Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "SEC Rule") as amended;

WITNESSETH THAT:

If any such person is no longer committed by contract or other arrangement to support payment of the Obligations, such person shall no longer be considered an Obligated Person within the meaning of the SEC Rule and the continuing obligation under this Master Undertaking to provide annual financial information and notices of events shall terminate with respect to such person.

SECTION 4. Provision of Financial Information. (a) The Obligor hereby undertakes to provide, with respect to the Obligations, the following financial information, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

(14) bankruptcy, insolvency, receivership or similar event of the obligated person.

The disclosure may be accompanied by a certificate of an authorized representative of the Obligor in the form of Exhibit C attached hereto.

SECTION 7. Use of Agent. The Obligor may, at its sole discretion, utilize an agent (the "Dissemination Agent") in connection with the dissemination of any information required to be provided by the Obligor pursuant to the SEC Rule and the terms of this Master Undertaking. If a Dissemination Agent is selected for these purposes, the Obligor shall provide prior written notice thereof (as well as notice of replacement or dismissal of such agent) to EMMA, and the MSRB.

Further, the Obligor may, at its sole discretion, retain counsel or others with expertise in securities matters for the purpose of assisting the Obligor in making judgments with respect to the scope of its obligations hereunder and compliance therewith, all in order to further the purposes of this Master Undertaking.

SECTION 8. Failure to Disclose. If, for any reason, the Obligor fails to provide the Audited Information or Annual Information as required by this Master Undertaking, the Obligor shall provide notice of such failure in a timely manner to EMMA or to the MSRB, in the form of the notice attached as Exhibit D.

SECTION 9. Remedies. (a) The purpose of this Master Undertaking is to enable the Underwriters to purchase the Obligations by providing for an undertaking by the Obligor in satisfaction of the SEC Rule. This Master Undertaking is solely for the benefit of (i) the Underwriters, and (ii) the Holders, and creates no new contractual or other rights for, nor can it be relied upon by, the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other Obligated Persons or any other third party. The sole remedy against the Obligor for any failure to carry out any provision of this Master Undertaking shall be for specific performance of the Obligor's disclosure obligations hereunder and not for money damages of any kind or in any amount or for any other remedy. The Obligor's failure to honor its covenants hereunder shall not constitute a breach or default of the Obligations or any other agreement to which the Obligor is a party and shall not give rise to any other rights or remedies.

(b) Subject to paragraph (e) of this Section 9, in the event the Obligor fails to provide any information required of it by the terms of this Master Undertaking, any holder of Obligations may pursue the remedy set forth in the preceding paragraph in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such person is a holder of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue this remedy.

(c) Subject to paragraph (e) of this Section 9, any challenge to the adequacy of the information provided by the Obligor by the terms of this Master Undertaking may be pursued only by holders of not less than 25% in principal amount of Obligations then outstanding in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such persons are holders of Obligations supported by reasonable documentation of such claim shall be

sufficient to evidence standing to pursue the remedy set forth in the preceding paragraph.

(d) If specific performance is granted by any such court, the party seeking such remedy shall be entitled to payment of costs by the Obligor and to reimbursement by the Obligor of reasonable fees and expenses of attorneys incurred in the pursuit of such claim. If specific performance is not granted by any such court, the Obligor shall be entitled to payment of costs by the party seeking such remedy and to reimbursement by such party of reasonable fees and expenses of attorneys incurred in the pursuit of such claim.

(e) Prior to pursuing any remedy for any breach of any obligation under this Master Undertaking, a holder of Obligations shall give notice to the Obligor and the respective issuer of each obligation, by registered or certified mail, of such breach and its intent to pursue such remedy. Thirty (30) days after the receipt of such notice, upon earlier response from the Obligor to this notice indicating continued noncompliance, such remedy may be pursued under this Master Undertaking if and to the extent the Obligor has failed to cure such breach.

SECTION 10. Additional Information. Nothing in this Master Undertaking shall be deemed to prevent the Obligor from disseminating any other information, using the means of dissemination set forth in this Master Undertaking or any other means of communication, or including any other information in any Annual Information or notice of occurrence of a reportable event, in addition to that which is required by this Master Undertaking.

SECTION 11. Modification of Master Undertaking. The Obligor may, from time to time, amend or modify this Master Undertaking without the consent of or notice to the holders of the Obligations if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law (including but not limited to a change in law which requires a change in the Obligor's policies or accounting practices) or change in the identity, nature or status of the Obligor, or type of business conducted, (ii) this Master Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date hereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendment or modification does not materially impair the interests of the holders of the Obligations, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Obligations pursuant to the terms of any Trust Indenture at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds this Master Undertaking) is otherwise permitted by the SEC Rule, as then in effect.

SECTION 12. Interpretation Under Indiana Law. It is the intention of the parties hereto that this Master Undertaking and the rights and obligations of the parties hereunder shall be governed by, and construed and enforced in accordance with, the law of the State of Indiana.

SECTION 13. Severability Clause. In case any provision in this Master Undertaking shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 14. Successors and Assigns. All covenants and agreements in this Master

Undertaking made by the Obligor shall bind its successors, whether so expressed or not.

IN WITNESS WHEREOF, the Obligor has caused this Master Undertaking to be executed as of the day and year first hereinabove written.

This FIRST AMENDMENT TO MASTER CONTINUING DISCLOSURE UNDERTAKING, dated as of October 10, 2019 (the "Amendment") amends the Master Continuing Disclosure Undertaking dated as of August 10, 2016, as previously supplemented by a First Supplement to Master Continuing Disclosure Undertaking (the "Original Undertaking"). The Amendment is being entered into by the Community School Corporation of Southern Hancock County (the "Obligor") for the purpose of incorporating changes to the Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "SEC Rule") as described in the 2018 Amendments (as hereinafter defined). The Original Undertaking as amended by the Amendment is referred to herein as the "Master Undertaking".

WITNESSETH THAT:

WHEREAS, the Original Undertaking is being amended to modify Section 6 thereof pursuant to SEC Release No. 34-83885, dated August 20, 2018 (the "2018 Amendments"), and does not require the consent of existing Holders of Obligations because (i) this Amendment is entered into due to a change in circumstances that arises from a change in legal requirements or change in law, (ii) the Original Undertaking would have complied with the requirements of the SEC Rule on the date thereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendments or modifications herein do not materially impair the interests of the Holders of the Obligations issued before the date of this Amendment, as determined by nationally recognized bond counsel; and

WHEREAS, the Obligor finds that this Amendment is being entered into in connection with a change in circumstances that arises from a change in legal requirements and a change in law; and

WHEREAS, the Obligor further finds that the Original Undertaking would have complied with the requirements of the SEC Rule on the date thereof; and

WHEREAS, upon a determination by nationally recognized bond counsel, the Obligor further finds that this Amendment does not materially impair the interests of the Holders of the Obligations issued before the date of this Amendment; and

WHEREAS, the Obligor is an Obligated Person (as defined in the SEC Rule) because the only sources of funds pledged to pay the principal and interest due on the Obligations are (i) lease rental payments (in addition to bond proceeds held under one or more trust indentures) due under one or more lease agreements pursuant to which the Obligor is a party, and/or (ii) the tax levy of the Obligor;

NOW, THEREFORE, in consideration of the payment for and acceptance of the New Palestine Multi-School Building Corporation Ad Valorem Property Tax First Mortgage Bonds, Series 2019 (the "2019 Bonds") and any Obligations issued after the date of this Amendment, the Original Undertaking is hereby amended as follows:

SECTION 15. Definitions. In this Amendment, words and terms not defined shall have the meaning prescribed in the Original Undertaking unless the context otherwise dictates.

"Financial Obligation" means a debt obligation; derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or a guarantee of either a debt obligation or a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation, but does not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the SEC Rule."

SECTION 16. Solely as to the 2019 Bonds and any Obligations issued after the date of this Amendment, Section 6 of the Original Undertaking is hereby replaced and shall read as follows:

"Section 6. Reportable Events. The Obligor undertakes to disclose the following events within 10 business days of the occurrence of any of the following events, if material (which determination of materiality shall be made by the Obligor in accordance with the standards established by federal securities laws), to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

The Obligor undertakes to disclose the following events, within 10 business days of the occurrence of any of the following events, regardless of materiality, to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

APPENDIX D
FORM OF OPINION OF BOND COUNSEL

_____, 2025

Stifel, Nicolaus & Company, Incorporated
Indianapolis, Indiana

Re: New Palestine Community Schools
General Obligation Bonds of 2025
Total Issue: \$7,140,000
Original Date: _____

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by New Palestine Community Schools, New Palestine, Indiana (the "School Corporation" or "Issuer"), of \$7,140,000 of its General Obligation Bonds of 2025 dated _____, 2025 (the "Bonds"). We have examined the law and the certified transcript of proceedings of the Issuer relative to the authorization, issuance and sale of the Bonds and such other papers as we deem necessary to render this opinion. We have relied upon the certified transcript of proceedings and certificates of public officials, including the Issuer's tax covenants and representations ("Tax Representations"), and we have not undertaken to verify any facts by independent investigation.

We have not been engaged nor have we undertaken to review the accuracy, completeness or sufficiency of the Preliminary Official Statement dated _____, 2025 or the Final Official Statement dated _____, 2025 (collectively, the "Official Statement") or any other offering material relating to the Bonds, and we express no opinion relating thereto.

Based on our examination, we are of the opinion, as of the date hereof, as follows:

1. The Bonds are valid and binding general obligations of the School Corporation.
2. All taxable property in the School Corporation is subject to ad valorem taxation to pay the debt service; however, the School Corporation's collection of the levy may be limited by operation of Indiana Code § 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits.

3. Under statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is exempt from income taxation in the State of Indiana (the "State"). This opinion relates only to the exemption of interest on the Bonds from State income taxation.

4. Under federal statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is excludable from gross income of the owners for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code") and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. This opinion is conditioned upon compliance by the School Corporation subsequent to the date hereof with its Tax Representations. Failure to comply with the Tax Representations could cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to their date of issue.

It is to be understood that the rights of the registered owners of the Bonds and the enforceability thereof may be subject to (i) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of law and equity; and (ii) the valid exercise of the constitutional powers of the State and the United States of America.

Very truly yours,

INDEPENDENT AUDITOR'S REPORT

TO: THE OFFICIALS OF THE NEW PALESTINE COMMUNITY
SCHOOLS, HANCOCK COUNTY, INDIANA

Report on the Audit of the Financial Statement

Adverse and Unmodified Opinions

We have audited the accompanying financial statement of the New Palestine Community Schools (School Corporation), which comprises the financial position and results of operations for the period of July 1, 2022 to June 30, 2024, and the related notes to the financial statement as listed in the Table of Contents.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse and Unmodified Opinions* section of our report, the financial statement referred to above does not present fairly, the financial position and results of operations of the School Corporation for the period of July 1, 2022 to June 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the respective financial position and results of operations of the School Corporation, for the period of July 1, 2022 to June 30, 2024, in accordance with the financial reporting provisions of the Indiana State Board of Accounts described in Note 1.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial auditors contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statement* section of our report. We are required to be independent of the School Corporation, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

INDEPENDENT AUDITOR'S REPORT (Continued)

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 to the financial statement, the School Corporation prepares its financial statement on the prescribed basis of accounting that demonstrates compliance with the reporting requirements established by the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6), which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the financial reporting provisions of the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6). Management is responsible for and has determined that the regulatory basis of accounting, as established by the Indiana State Board of Accounts, is an acceptable basis of presentation. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance, but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates and related disclosures made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School Corporation's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT
(Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Information

Management is responsible for the other information included in the Annual Financial Report. The other information comprises the Combining Schedules of Receipts, Disbursements, Other Financing Sources (Uses), and Cash and Investment Balances - Regulatory Basis, Schedule of Payables and Receivables, Schedule of Leases and Debt, and Schedule of Capital Assets, as listed in the Table of Contents, but does not include the basic financial statement and our auditor's report thereon. Our opinions on the basic financial statement do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statement, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statement, or the other information otherwise appears to be materially misstated. If, based on the work performed, we concluded that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 4, 2025, on our consideration of the School Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School Corporation's internal control over financial reporting and compliance.

NEW PALESTINE COMMUNITY SCHOOLS
NOTES TO FINANCIAL STATEMENT

Note 1. Summary of Significant Accounting Policies

A. Reporting Entity

School Corporation, as used herein, shall include, but is not limited to, the following: school townships, school towns, school cities, consolidated school corporations, joint schools, metropolitan school districts, township school districts, county schools, united schools, school districts, cooperatives, educational service centers, community schools, community school corporations, and charter schools.

The School Corporation was established under the laws of the State of Indiana. The School Corporation operates under a Board of School Trustees form of government and provides educational services.

The accompanying financial statement presents the financial information for the School Corporation.

B. Basis of Accounting

The financial statement is reported on a regulatory basis of accounting prescribed by the Indiana State Board of Accounts in accordance with state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The basis of accounting involves the reporting of only cash and investments and the changes therein resulting from cash inflows (receipts) and cash outflows (disbursements) reported in the period in which they occurred.

The regulatory basis of accounting differs from accounting principles generally accepted in the United States of America, in that receipts are recognized when received in cash, rather than when earned, and disbursements are recognized when paid, rather than when a liability is incurred.

C. Cash and Investments

Investments are stated at cost. Any changes in fair value of the investments are reported as receipts in the year of the sale of the investment.

D. Receipts

Receipts are presented in the aggregate on the face of the financial statement. The aggregate receipts include the following sources:

Local sources. Amounts received from taxes, revenue from local governmental units other than school corporations, transfer tuition, transportation fees, investment income, food services, School Corporation activities, revenue from community service activities, and other revenue from local sources.

Intermediate sources. Amounts received as distributions from the County for fees collected for or on behalf of the School Corporation including, but not limited to, the following: educational license plate fees, congressional interest, riverboat distributions, and other similar fees.

Temporary loans. Amounts received from a loan obtained to pay current expenses prior to the receipt of revenue from taxes levied for that purpose. These loans, sometimes designated tax anticipation warrants, must be repaid from the next semiannual distribution of local property taxes levied for such fund.

Interfund loans. Amounts temporarily transferred from one fund to a depleted fund for use in paying current operating expenses. Such advancement shall not be made for a period extending beyond the budget year.

Other receipts. Amounts received from various sources, including, but not limited to, the following: return of petty cash, return of cash change, insurance claims for losses, sale of securities, and other receipts not listed in another category above.

F. Other Financing Sources and Uses

Other financing sources and uses are presented in the aggregate on the face of the financial statement. The aggregate other financing sources and uses include the following:

Proceeds of long-term debt. Amounts received in relation to the issuance of bonds or other long-term debt issues.

Sale of capital assets. Amounts received when land, buildings, or equipment owned by the School Corporation are sold.

Transfers in. Amounts received by one fund as a result of transferring money from another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

Transfers out. Amounts paid by one fund to another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

G. Fund Accounting

Separate funds are established, maintained, and reported by the School Corporation. Each fund is used to account for amounts received from and used for specific sources and uses as determined by various regulations. Restrictions on some funds are set by statute while other funds are internally restricted by the School Corporation. The amounts accounted for in a specific fund may only be available for use for certain, legally-restricted purposes. Additionally, some funds are used to account for assets held by the School Corporation in a trustee capacity as an agent of individuals, private organizations, other funds, or other governmental units, and, therefore, the funds cannot be used for any expenditures of the unit itself.

Note 2. Budgets

The operating budget is initially prepared and approved at the local level. The fiscal officer of the School Corporation submits a proposed operating budget to the governing board for the following calendar year. The budget is advertised as required by law. Prior to adopting the budget, the governing board conducts public hearings and obtains taxpayer comments. Prior to November 1, the governing board approves the budget for the next year. The budget for funds for which property taxes are levied or highway use taxes are received is subject to final approval by the Indiana Department of Local Government Finance.

NEW PALESTINE COMMUNITY SCHOOLS
NOTES TO FINANCIAL STATEMENT

Note 3. Property Taxes

Property taxes levied are collected by the County Treasurer and are scheduled to be distributed to the School Corporation in June and December; however, situations can arise which would delay the distributions. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by December 31 of the year preceding the budget year or January 15 of the budget year if the School Corporation is issuing debt after December 1 or intends on filing a shortfall appeal. These rates were based upon the assessed valuations adjusted for various tax credits from the preceding year's lien date of January 1. Taxable property is assessed at 100 percent of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which normally become delinquent if not paid by May 10 and November 10, respectively.

Note 4. Deposits and Investments

Deposits, made in accordance with state statute (IC 5-13), with financial institutions in the State of Indiana, at year end, should be entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statutes authorize the School Corporation to invest in securities including, but not limited to, the following: federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Note 5. Risk Management

The School Corporation may be exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job-related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters.

These risks can be mitigated through the purchase of insurance, establishment of a self-insurance fund, and/or participation in a risk pool. The purchase of insurance transfers the risk to an independent third-party. The establishment of a self-insurance fund allows the School Corporation to set aside money for claim settlements. The self-insurance fund would be included in the financial statement. The purpose of participation in a risk pool is to provide a medium for the funding and administration of the risks.

Note 6. Pension Plans

A. Public Employees' Retirement Fund

Plan Description

The Indiana Public Employees' Retirement Fund Defined Benefit Plan (PERF DB) is a cost-sharing multiple-employer defined benefit plan and provides retirement, disability, and survivor benefits to plan members. PERF DB is administered through the Indiana Public Retirement System (INPRS) Board in accordance with state statutes (IC 5-10.2 and IC 5-10.3) and administrative code (35 IAC 1.2), which govern most requirements of the system and give the School Corporation authority to contribute to the plan.

NEW PALESTINE COMMUNITY SCHOOLS
NOTES TO FINANCIAL STATEMENT
(Continued)

The Public Employees' Hybrid Plan (PERF Hybrid) consists of two components: PERF DB, the employer-funded monthly defined benefit component, and the Public Employees' Hybrid Members Defined Contribution Account, the defined contribution component.

The Retirement Savings Plan for Public Employees (My Choice) is a multiple-employer defined contribution plan. It is administered through the INPRS Board in accordance with state statutes (IC 5-10.2 and IC 5-10.3) and administrative code (35 IAC 1.2), which govern most requirements of the system and give the School Corporation authority to contribute to the plan.

New employees hired have a one-time election to join either the PERF Hybrid or the My Choice.

Financial Report

INPRS issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System
One North Capitol, Suite 001
Indianapolis, IN 46204
Ph. (844) 464-6777

Contributions

Members' contributions are set by state statute at 3 percent of compensation for both the defined contribution component of PERF Hybrid and My Choice. The employer may elect to make the contribution on behalf of the member of the defined contribution component of PERF Hybrid and My Choice members may receive additional employer contribution in lieu of the PERF DB. Contributions to the PERF DB are determined by INPRS Board based on actuarial valuation.

B. Teachers' Retirement Fund

Plan Description

The Indiana Teachers' Hybrid Plan (TRF Hybrid) consists of two components: Indiana Teachers' Pre-1996 Defined Benefit Account (Teachers' Pre-1996 DB) or Indiana Teachers' 1996 Defined Benefit Account (Teachers' 1996 DB) the monthly employer-funded defined benefit components, along with the Indiana Teachers' Defined Contribution Account (TRF DC), the defined contribution component. Generally, members hired before 1996 participate in the Teachers' Pre-1996 DB and members hired after 1995 participate in the Teachers' 1996 DB.

The Teachers' 1996 DB is a cost-sharing multiple-employer defined benefit pension plan and provides retirement, disability, and survivor benefits to plan members. All legally qualified and regularly employed licensed teachers serving in State of Indiana public schools are eligible to participate in the Teachers' 1996 DB.

The Teachers' Pre-1996 DB is a pay-as-you-go, cost-sharing multiple-employer defined benefit pension plan and provides retirement, disability, and survivor benefits to plan members. Membership in the Teachers' Pre-1996 DB is closed to new entrants.

NEW PALESTINE COMMUNITY SCHOOLS
NOTES TO FINANCIAL STATEMENT
(Continued)

The TRF DC is a multiple-employer defined contribution plan providing supplemental retirement benefits to Teachers' 1996 DB and Teachers' Pre-1996 DB members.

The Retirement Savings Plan for Public Teachers (My Choice) is a multiple-employer defined contribution plan. New employees hired after June 30, 2019, have a one-time election to join either the TRF Hybrid plan that is not closed to new entrants or the My Choice plan.

All these plans are administered through the Indiana Public Retirement System (INPRS) Board in accordance with state statutes (IC 5-10.2, IC 5-10.3, and IC 5-10.4) and administrative code (35 IAC 14), which govern most requirements of the system and give the School Corporation authority to contribute to the plan when applicable.

Financial Report

INPRS issues a publicly available financial report that includes financial statements and required supplementary information for the TRF plan as a whole and for its participants. That report may be obtained by contacting:

Indiana Public Retirement System
One North Capitol, Suite 001
Indianapolis, IN 46204
Ph. (844) 464-6777

Contributions

The School Corporation contributes the employer's share to Teachers' 1996 for certified employees employed under a federally funded program and all the certified employees hired after July 1, 1995. The School Corporation currently receives partial funding, through the school funding formula, from the State of Indiana for this contribution. These contributions are determined by INPRS Board based on actuarial valuation. The employer's share of contributions for certified personnel who are not employed under a federally funded program and were hired before July 1, 1995 (Teachers' Pre-1996 DB) is considered to be an obligation of, and is paid by, the State of Indiana.

Contributions for the defined contribution component of TRF Hybrid are determined by statute and the INPRS Board at 3 percent of covered payroll. The employer may choose to make these contributions on behalf of the member. Under certain limitations, voluntary contributions up to 10 percent can be made solely by the member.

My Choice plan is funded with employer contributions and member contributions. The employer contributions must equal the contribution rate for monthly employer-funded defined benefit components of TRF Hybrid. The amount deposited into the employer contribution subaccount for the member is the normal cost of participation. The variable rate contribution can be no less than 3 percent. Member contributions are determined by statute and the Board at 3 percent of covered payroll. The employer must make these contributions on behalf of the member. Under certain limitations, voluntary contributions up to 10 percent can be made solely by the member.

Note 7. Cash Balance Deficits

The financial statement contains some funds with deficits in cash. This is a result of expenditures made prior to being reimbursed for reimbursable grants. The deficit balance for the Bank Adjustments (Clearing) fund resulted because the School Corporation is required to prepay employee benefits.

Note 8. Holding Corporations

The School Corporation has entered into a capital lease with the Brier Creek School Building Corporation (the lessor). The lessor was organized as a not-for-profit corporation pursuant to state statute for the purpose of financing and constructing or reconstructing facilities for lease to the School Corporation. The lessor has been determined to be a related-party of the School Corporation. Lease payments during the years ended June 30, 2023, and June 30, 2024, totaled \$2,169,050 and \$2,169,900, respectively.

The School Corporation has entered into a capital lease with the New Palestine Elementary School Building Corporation (the lessor). The lessor was organized as a not-for-profit corporation pursuant to state statute for the purpose of financing and constructing or reconstructing facilities for lease to the School Corporation. The lessor has been determined to be a related-party of the School Corporation. Lease payments during the year ended June 30, 2023, totaled \$481,300. The June 30, 2023 lease payment was the final one for this lease.

The School Corporation has entered into capital leases with the New Palestine Multi-School Building Corporation (the lessor). The lessor was organized as a not-for-profit corporation pursuant to state statute for the purpose of financing and constructing or reconstructing facilities for lease to the School Corporation. The lessor has been determined to be a related-party of the School Corporation. Lease payments during the years ended June 30, 2023, and June 30, 2024, totaled \$3,535,025 and \$3,760,926, respectively.

Note 9. Subsequent Events

On December 19, 2024, the School Board authorized the issuance of General Obligation Bonds, Series 2024 for \$2,000,000 for the purpose of renovations and improvements to facilities throughout the School Corporation.

Note 10. Other Postemployment Benefits

The School Corporation provides to eligible retirees and their spouses the following benefits: health, dental, vision, and life benefits. The retiree is responsible for paying 100 percent of the annual premium for any benefit chosen. Information regarding these benefits can be obtained by contacting the School Corporation.

Note 10. School Corporation Name

On April 9, 2024, the School Board adopted a resolution to change the School Corporation name from the Community School Corporation of Southern Hancock County to the New Palestine Community Schools. The name change was effective July 1, 2024.

APPENDIX F

FINAL BOND RESOLUTION

WHEREAS, New Palestine Community Schools (the "Issuer" or "School Corporation") is a school corporation organized and existing under the provisions of Indiana Code § 20-23; and

WHEREAS, the Board of School Trustees (the "Board") finds that the present facilities of the School Corporation are not adequate to provide the proper educational environment of the students now attending or who will attend its schools; and

WHEREAS, the Board finds that there are not sufficient funds available or provided for in existing tax levies with which to pay the total cost of the renovations and improvements to facilities throughout the School Corporation, including site improvements and the purchase of equipment, buses and technology (collectively, the "Project"), and that the School Corporation should issue bonds in an amount not to exceed Seven Million Dollars (\$7,000,000) (the "Bonds") for the purpose of providing funds to be applied on the cost of the Project, and that bonds in such amount should now be authorized; and

WHEREAS, the Debt Service Fund tax rate of the School Corporation is above \$0.40 and, therefore, the bonds will be issued to fund a controlled project, as defined in Indiana Code § 6.1.1-20-1.1; and

WHEREAS, the net assessed valuation of taxable property in the School Corporation, as shown in the last final and complete assessment which was made in the year 2024 for state and county taxes collectible in the year 2025 is \$1,569,004,557 and there is \$3,135,000 of outstanding indebtedness of the School Corporation for constitutional debt purposes (excluding the Bonds authorized herein); such assessment and outstanding indebtedness amounts shall be verified at the time of the payment for and delivery of the Bonds; now, therefore,

BE IT FURTHER RESOLVED that the Debt Service Fund tax rate is \$0.6120 as of the date hereof.

BE IT RESOLVED by the Board of the Issuer that, for the purpose of obtaining funds to be applied on the cost of the Project, there shall be issued and sold the Bonds of the School Corporation to be designated as "General Obligation Bonds of 2025" (or such other name or series designation as determined by the School Corporation's underwriter). The Bonds shall be in a principal amount not to exceed Seven Million Dollars (\$7,000,000), bearing interest at a rate or rates not exceeding six percent (6.00%) per annum (the exact rate or rates to be determined by negotiation with an underwriter or purchaser), which interest shall be payable on July 15, 2026 and semi-annually thereafter on January 15 and July 15 in each year. Interest on the Bonds shall be calculated according to a 360-day year containing twelve 30-day months. The Bonds shall be numbered consecutively from R-1 upward, fully registered in the denomination of Five Thousand Dollars (\$5,000) or integral multiples thereof (or other denominations as requested by the underwriter or purchaser), and shall mature or be subject to mandatory redemption on January 15 and July 15 beginning no sooner than July 15, 2026 through not later than January 15, 2045.

All or a portion of the Bonds may be issued as one or more term bonds, upon election of the underwriter or purchaser. Such term bonds shall have a stated maturity or maturities as determined by negotiation with the underwriter or purchaser, but in no event later than the last serial date of the Bonds as determined in accordance with the above paragraph. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on dates and in the amounts hereinafter determined in accordance with the above paragraph.

The original date shall be the date of delivery of the Bonds. The authentication certificate shall be dated when executed by U.S. Bank Trust Company, National Association, as registrar and paying agent (the "Paying Agent" or "Registrar").

Interest shall be paid from the interest payment date to which interest has been paid next preceding the date of authentication unless the bond is authenticated on or before the fifteenth day immediately preceding the first interest payment date, in which case interest shall be paid from the original date, or unless the Bond is authenticated after the fifteenth day immediately preceding an interest payment date and on or before such interest payment date, in which case interest shall be paid from such interest payment date.

Interest and principal shall be payable as described in the Bonds.

The Bonds are transferable by the registered owner at the principal corporate trust office of the Paying Agent upon surrender and cancellation of a Bond and on presentation of a duly executed written instrument of transfer, and thereupon a new Bond or Bonds of the same aggregate principal amount and maturity and in authorized denominations will be issued to the transferee or transferees in exchange therefor. The Bonds may be exchanged upon surrender at the principal corporate trust office of the Registrar and Paying Agent, duly endorsed by the registered owner for the same aggregate principal amount of bonds of the same maturity in authorized denominations as the owner may request. The cost of such transfer or exchange shall be paid by the Issuer.

In the event any Bond is mutilated, lost, stolen, or destroyed, the School Corporation may execute and the Paying Agent may authenticate a new Bond of like date, maturity, and denomination as that mutilated, lost, stolen, or destroyed, which new Bond shall be marked in a manner to distinguish it from the Bond for which it was issued, provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Paying Agent, and in the case of any lost, stolen, or destroyed Bond there shall be first furnished to the Paying Agent evidence of such loss, theft, or destruction satisfactory to the School Corporation and the Paying Agent, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the School Corporation and the Paying Agent may, upon receiving indemnity satisfactory to them, pay the same without surrender thereof. The School Corporation and the Paying Agent may charge the owner of such Bond with their reasonable fees and expenses in connection with delivering the new Bond. Any Bond issued pursuant to this paragraph shall be deemed an original, substitute contractual obligation of the School Corporation, whether or not the lost, stolen, or destroyed Bond shall be found at any time, and shall be entitled to all the benefits of this resolution, equally and proportionately with any and all other Bonds issued hereunder.

The Issuer agrees that it will deposit with the Paying Agent funds in an amount equal to the principal of, premium, if any, and interest on the Bonds which shall become due in accordance with the terms of the Paying Agent Agreement (as hereinafter defined).

The form of the Registrar and Paying Agent Agreement (the "Paying Agent Agreement") presented to the Board is hereby approved and any officers of the Board of the School Corporation are authorized and directed to execute the Paying Agent Agreement after the sale of the Bonds.

Notwithstanding any other provision of this Resolution, the Issuer will enter into the Paying Agent Agreement with the Paying Agent in which the Paying Agent agrees that upon any default or insufficiency in the payment of principal and interest as provided in the Paying Agent Agreement, the Paying Agent will immediately, without any direction, security or indemnity file a claim with the Treasurer of the State of Indiana for an amount equal to such principal and interest in default and consents to the filing of any such claim by a Bondholder in the name of the Paying Agent for deposit with the Paying Agent. Filing of the claim with the Treasurer of the State of Indiana, as described above, shall occur on the dates set forth in the Paying Agent Agreement.

If required by the underwriter or purchaser, the Issuer has hereby authorized the Bonds may be held by a central depository system pursuant to an agreement between the Issuer and The Depository Trust Company, and have transfers of the Bonds effected by book-entry on the books of the central depository system (unless otherwise requested by the underwriter or purchaser). Upon initial issuance, the ownership of such Bonds is expected to be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee (the "Nominee") of The Depository Trust Company ("DTC"). However, upon the underwriter's or purchaser's or successful offeror's request, the Bonds may be delivered and held by physical delivery as an alternative to DTC.

With respect to the Bonds registered in the register kept by the Paying Agent in the name of the Nominee, the Issuer and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("Beneficial Owner")) of the Bonds with respect to (i) the accuracy of the records of DTC, the Nominee, or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any Bondholder (including any Beneficial Owner) or any other person, other than DTC, of any notice with respect to the Bonds including any notice of redemption, or (iii) the payment to any Bondholder (including any Beneficial Owner) or any other person, other than DTC, of any amount with respect to the principal of, or premium, if any, or interest on the Bonds except as otherwise provided herein.

No person other than DTC shall receive an authenticated Bond evidencing an obligation of the Issuer to make payments of the principal of and premium, if any, and interest on the Bonds pursuant to this Resolution. The Issuer and the Paying Agent may treat as and deem DTC or the Nominee to be the absolute Bondholder of each of the Bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such Bonds; (ii) giving notices of redemption and other notices permitted to be given to Bondholders with respect to such Bonds; (iii) registering transfers with respect to such Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or by Bondholders; (v) voting; and (vi) for all other purposes

whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of DTC, and all such payments shall be valid and effective fully to satisfy and discharge the Issuer's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Upon delivery by DTC to the Issuer of written notice to the effect that DTC has determined to substitute a new Nominee in place of the Nominee, and subject to the provisions herein with respect to consents, the words "CEDE & CO." in this resolution shall refer to such new Nominee of DTC. Notwithstanding any other provision hereof to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to the principal of and premium, if any, and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to DTC as provided in a representation letter from the Issuer to DTC.

Upon receipt by the Issuer of written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the register of the Issuer kept by the Paying Agent in the name of the Nominee, but may be registered in whatever name or names the Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of this resolution.

If the Issuer determines that it is in the best interest of the Bondholders that they be able to obtain certificates for the fully registered Bonds, the Issuer may notify DTC and the Paying Agent, whereupon DTC will notify the Beneficial Owners of the availability through DTC of certificates for the Bonds. In such event, the Paying Agent shall prepare, authenticate, transfer and exchange certificates for the Bonds as requested by DTC and any Beneficial Owners in appropriate amounts, and whenever DTC requests the Issuer and the Paying Agent to do so, the Paying Agent and the Issuer will cooperate with DTC by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered Bonds of any Beneficial Owner's DTC account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the Bonds.

If the Bonds shall no longer be restricted to being registered in the name of a depository trust company, the Paying Agent shall cause the Bonds to be printed in blank in such number as the Paying Agent shall determine to be necessary or customary; provided, however, that the Paying Agent shall not be required to have such Bonds printed until it shall have received from the Issuer indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to Bondholders by the Issuer or the Paying Agent with respect to any consent or other action to be taken by Bondholders, the Issuer or the Paying Agent, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as the Bonds are registered in the name of DTC or the Nominee, or any substitute nominee, the Issuer and the Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the Bonds or from DTC

on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the Bonds and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Paying Agent and DTC, to the same extent as if such consent, advice, direction, demand or vote were made by the Bondholders for purposes of this resolution and the Issuer and the Paying Agent shall for such purposes treat the Beneficial Owners as the Bondholders. Along with any such certificate or representation, the Paying Agent may request DTC to deliver, or cause to be delivered, to the Paying Agent a list of all Beneficial Owners of the Bonds, together with the dollar amount of each Beneficial Owner's interest in the Bonds and the current addresses of such Beneficial Owners.

The Paying Agent may at any time resign as Paying Agent by giving thirty (30) days written notice to the Issuer and to each registered owner of the Bonds then outstanding, and such resignation will take effect at the end of such thirty (30) days or upon the earlier appointment of a successor Paying Agent by the School Corporation. Such notice to the Issuer may be served personally or be sent by first-class or registered mail. The Paying Agent may be removed at any time as Paying Agent by the Issuer, in which event the Issuer may appoint a successor Paying Agent. The Paying Agent shall notify each registered owner of the Bonds then outstanding of the removal of the Paying Agent. Notices to registered owners of the Bonds shall be deemed to be given when mailed by first-class mail to the addresses of such registered owners as they appear on the Registration Record. Any predecessor Paying Agent shall deliver all the Bonds, cash and investments related thereto in its possession and the Registration Record to the successor Paying Agent. At all times, the same entity shall serve as registrar and paying agent.

In order to provide for the payment of the principal of and interest on the Bonds, there shall be levied in each year upon all taxable property in the School Corporation, real and personal, and collected a tax in an amount and in such manner sufficient to meet and pay the principal of and interest on the Bonds as they become due, and the proceeds of this tax are hereby pledged solely to the payment of the Bonds. Such tax shall be deposited into the School Corporation's Debt Service Fund and used to pay the principal of and interest on the Bonds, when due, together with any fiscal agency charges. If the funds deposited into the Debt Service Fund are then insufficient to meet and pay the principal of and interest on the Bonds as they become due, then the School Corporation covenants to transfer other available funds of the School Corporation to meet and pay the principal and interest then due on the Bonds.

The School Corporation represents and covenants that the Bonds herein authorized, when combined with other outstanding indebtedness of the School Corporation at the time of issuance of the Bonds, will not exceed any applicable constitutional or statutory limitation on the School Corporation's indebtedness.

The Issuer shall have the right, at its option, to redeem, according to the procedure hereinafter provided, all or any part of the Bonds, in such order of maturities as selected by the Issuer and by lot within maturities (each \$5,000 of principal shall be considered a bond for this purpose), on any date on or after July 15, 2031, at face value plus interest accrued to the date fixed for redemption.

Official notice of such redemption (the "Redemption Notice") shall be mailed by the Issuer or Paying Agent to the registered owners of all Bonds to be redeemed, not less than thirty

(30) days nor more than sixty (60) days prior to the date fixed for redemption. The Redemption Notice shall, with substantial accuracy:

1 Designate the date and place of redemption, which is to be the offices of the Paying Agent; and

2 Designate the Bonds to be redeemed; and

3 State that on the designated date fixed for said redemption said bonds shall be redeemed by the payment of the applicable redemption price hereinbefore set forth, and that from and after the date so fixed for such redemption interest on the Bonds so called for redemption shall cease.

The cost and expenses of the preparation and mailing of the Notice of Redemption shall be paid by the Issuer.

When the Redemption Notice has been mailed as above provided, the Bonds designated for redemption shall, on the date specified in such notice, become due and payable at the then applicable redemption price, and on presentation and surrender of such Bonds in accordance with the Redemption Notice, at the place at which the same are expressed in the Redemption Notice to be redeemable, such Bonds shall be redeemed by the Paying Agent on behalf of the Issuer by the payment of such redemption price to registered owners out of funds held by the Paying Agent for that purpose. From and after the date of redemption so designated, unless default shall be made in the redemption of the Bonds upon presentation, interest on Bonds designated for redemption shall cease. If not so paid on presentation thereof, the Bonds shall continue to bear interest at the rate therein specified. All Bonds redeemed shall be cancelled and destroyed. Bonds redeemed shall not be reissued, nor shall any bonds be issued in lieu thereof.

In addition to the foregoing official notice, further notice shall be given by the Issuer as set out below, but no defect in the further notice nor any failure to give all or any portion of the further notice shall in any manner defeat the effectiveness of a call for redemption if a Redemption Notice is given as above.

Each further Redemption Notice given hereunder shall contain the information required above for an official Redemption Notice plus (i) the CUSIP numbers of all Bonds being redeemed; (ii) the date of issue of the Bonds as originally issued; (iii) the rate of interest borne by each Bond being redeemed; (iv) the maturity date of each Bond being redeemed; and (v) any other descriptive information needed to accurately identify the Bonds being redeemed.

Each further Redemption Notice shall be sent at least 35 days before the redemption date by registered or certified mail or overnight delivery service to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds (such depository now being DTC).

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for any term bonds, and corresponding mandatory redemption obligation, in the order determined by the School Corporation, any term bonds maturing on the same date which have previously been redeemed (other than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each term bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date as stated above.

Each Five Thousand Dollars (\$5,000) (or other denominations as requested by the underwriter or purchaser, as permitted by law) principal amount shall be considered a separate Bond for purposes of redemption. If less than an entire maturity is called for redemption, the Bonds to be called shall be selected by lot by the Registrar.

Notice of redemption shall be mailed to the address of the registered owner as shown on the Registration Records of the Paying Agent, as of the date which is forty-five (45) days prior to the date fixed for redemption, not less than thirty (30) days prior to such redemption date, unless notice is waived by the owner of the Bond or Bonds redeemed. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the School Corporation. Interest on the Bonds so called for redemption shall cease and the Bonds will no longer be deemed outstanding under this resolution on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price, including accrued interest and redemption premium, if any, to the redemption date, on the date so named. Failure to give such notice by mailing, or any defect in such notice, with respect to any Bond shall not affect the validity of any proceedings for redemption of other Bonds.

If the Bonds are not presented for payment or redemption on the date fixed therefor, the School Corporation may deposit in trust with the Paying Agent, an amount sufficient to pay such Bond or the redemption price, as the case may be, including accrued interest to the date of such payment or redemption, and thereafter the registered owner shall look only to the funds so deposited in trust with the Paying Agent for payment, and the School Corporation shall have no further obligation or liability in respect thereto.

If, when the Bonds or any portion thereof shall have become due and payable in accordance with their terms, and the whole amount of the principal and the interest so due and payable upon such Bonds or any portion thereof then outstanding shall be paid, or (i) cash, or (ii) direct non-callable obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, the principal of and the interest on which when due without reinvestment will provide sufficient money, or (iii) any combination of the foregoing, shall be held irrevocably in

trust for such purpose, and provision shall also be made for paying all fees and expenses for the payment, then and in that case the Bonds or such designated portion thereof shall no longer be deemed outstanding or secured by this resolution.

The Bonds shall be executed in the name of Issuer by the manual or facsimile signature of any member of the Board of the School Corporation, and attested by the manual or facsimile signature of any member of the Board. In case any official whose signature or facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the issuance, authentication or delivery of such Bonds, such signature or such facsimile shall, nevertheless, be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

No Bond shall be valid or obligatory for any purpose, unless and until authenticated by the Paying Agent. Such authentication may be executed by an authorized representative of the Paying Agent, but it shall not be necessary that the same person authenticate all of the Bonds issued. The Issuer and the Paying Agent may deem and treat the person in whose name a bond is registered on the Bond Registration as the absolute owner thereof for all purposes, notwithstanding any notice to the contrary.

In order to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes and as an inducement to purchasers of the Bonds, the Issuer represents, covenants and agrees that:

(a) No person or entity, other than the Issuer or another governmental unit, will use proceeds of the Bonds or property financed by the bond proceeds other than as a member of the general public. No person or entity, other than the Issuer or another governmental unit, will own property financed by bond proceeds or will have actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract or any other type of arrangement that differentiates that person's or entity's use of such property from the use by the public at large.

(2) No Bond proceeds will be loaned to any entity or person. No bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the bond proceeds.

(3) The Issuer will, to the extent necessary to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, rebate all required arbitrage profits on Bond proceeds or other moneys treated as Bond proceeds to the federal government as provided in Section 148 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code") and will set aside such moneys in a Rebate Account to be held by the Treasurer in trust for such purpose.

(4) The Issuer will file an information report form 8038-G with the Internal Revenue Service as required by Section 149 of the Code.

(5) The Issuer will not take any action nor fail to take any action with respect to the Bonds that would result in the loss of exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code, as existing on the date of issuance of the Bonds, nor will the Issuer act in any other manner which would adversely affect such exclusion.

The Bonds shall be issued in substantially the following form, all blanks to be filled in properly prior to delivery:

This Bond is one of an issue of bonds aggregating Seven Million Dollars (\$7,000,000), of like tenor and effect, except as to numbering, authentication date, denomination, interest rate, and date of maturity, issued by Issuer pursuant to a resolution adopted by the Board of School Trustees of the Issuer on August 25, 2025 as supplemented on October 13, 2025 (as supplemented, the "Resolution"), and in strict accordance with the governing statutes of the State of Indiana, particularly Indiana Code § 20-48-1 (the "Act"), for the purpose of providing funds to be applied on the cost of the renovations and improvements to facilities throughout the School Corporation, including site improvements and the purchase of equipment, buses and technology in the School Corporation. The owner of this Bond, by the acceptance thereof, agrees to all the terms and provisions contained in the Resolution and the Act.

The Bonds of this issue may be redeemed prior to maturity at the option of the Issuer in whole, or in part in such order of maturity as the Issuer shall direct and by lot within maturities (each \$5,000 of principal shall be considered as a Bond for this purpose), on any date on or after July 15, 2031 at face value plus in each case accrued interest to the date fixed for redemption.

The Bonds are subject to mandatory sinking fund redemption at a price equal to the principal amount thereof plus accrued interest to the date of redemption on January 15 and July 15 in accordance with the following schedules:

[END OF BOND FORM]

Subject to the terms and provisions contained in this paragraph and not otherwise, the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption by the School Corporation of such resolution or resolutions supplemental hereto as shall be deemed necessary or desirable by the School Corporation for the purpose of amending in any particular any of the terms or provisions contained in this Resolution, or in any supplemental resolution; provided, however, that nothing herein contained shall permit or be construed as permitting without the consent of all affected owners of the Bonds:

1 An extension of the maturity of the principal of or interest on any Bond without the consent of the holder of each Bond so affected; or

2 A reduction in the principal amount of any Bond or the rate of interest thereon or a change in the monetary medium in which such amounts are payable, without the consent of the holder of each Bond so affected; or

3 A preference or priority of any Bond over any other Bond, without the consent of the holders of all Bonds then outstanding; or

4 A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental resolution, without the consent of the holders of all Bonds then outstanding.

If the School Corporation shall desire to obtain any such consent, it shall cause the Registrar to mail a notice, postage prepaid, to the addresses appearing on the Registration Record. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that a copy thereof is on file at the office of the Registrar for inspection by all owners of the Bonds. The Registrar shall not, however, be subject to any liability to any owners of the Bonds by reason of its failure to mail such notice, and any such failure shall not affect the validity of such supplemental resolution when consented to and approved as herein provided.

Whenever at any time within one year after the date of the mailing of such notice, the School Corporation shall receive any instrument or instruments purporting to be executed by the owners of the Bonds of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the Bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental resolution described in such notice, and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice as on file with the Registrar, thereupon, but not otherwise, the School Corporation may adopt such supplemental resolution in substantially such form, without liability or responsibility to any owners of the Bonds, whether or not such owners shall have consented thereto.

No owner of any Bond shall have any right to object to the adoption of such supplemental resolution or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the School Corporation or its officers from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental resolution pursuant to the provisions of this section, this Resolution shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the School Corporation and all owners of Bonds then outstanding shall thereafter be determined, exercised and enforced in accordance with this Resolution, subject in all respects to such modifications and amendments.

Notwithstanding anything contained in the foregoing provisions of this Resolution, the rights, duties and obligations of the School Corporation and of the owners of the Bonds, and the terms and provisions of the Bonds and this Resolution, or any supplemental resolution, may be modified or amended in any respect with the consent of the School Corporation and the consent of the owners of all the Bonds then outstanding.

Without notice to or consent of the owners of the Bonds, the School Corporation may, from time to time and at any time, adopt such resolutions supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental resolutions shall thereafter form a part hereof),

(a) to cure any ambiguity or formal defect or omission in this Resolution or in any supplemental resolution; or

5 to grant to or confer upon the owners of the Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the owners of the Bonds; or

6 to procure a rating on the Bonds from a nationally recognized securities rating agency designated in such supplemental resolution, if such supplemental resolution will not adversely affect the owners of the Bonds; or

7 to provide for the refunding or advance refunding of the Bonds; or

8 to make any other change which, in the determination of the Board in its sole discretion, is not to the prejudice of the owners of the Bonds.

If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

All resolutions, or parts thereof, in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed or amended.

This resolution shall be in full force and effect immediately upon its passage and signing by any officers of the Board.

BE IT FURTHER RESOLVED, that the form of the Eighth Supplement to the Master Continuing Disclosure Undertaking (the "Undertaking") is hereby approved, and if the Bonds are reoffered, the officers of the Board are authorized and directed to execute such Undertaking and any and all documents necessary to issue and deliver the Bonds, including but not limited to a bond purchase agreement or bond placement agreement, and that the use of electronic signatures by officers of the Board or representatives of the School Corporation are hereby authorized and affirmed with full valid legal effect and enforceability.

BE IT RESOLVED, that this Board hereby hires Stifel, Nicolaus & Company, Incorporated as underwriter of the Bonds and the officers are authorized and directed to execute a Bond Purchase Agreement with such underwriter.
