

PRELIMINARY OFFICIAL STATEMENT DATED JUNE 3, 2026

NEW ISSUE - BOOK ENTRY ONLY

See "RATINGS" herein

In the opinion of Kutak Rock LLP, co-Bond Counsel, under existing laws, regulations, rulings and judicial decisions and assuming the accuracy of certain representations and continuing compliance with certain covenants, (a) interest on the Bonds (including any original issue discount properly allocable to the owner of a Bond) is excludable from gross income for federal income tax purposes, except for interest on any Bond for any period during which such Bond is held by a "substantial user" of the facilities financed by the Bonds or a "related person" within the meaning of Section 147(a) of the Internal Revenue Code of 1986, as amended, and (b) interest on the Bonds is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. Interest on the Bonds may affect the federal alternative minimum tax imposed on certain corporations. Bond Counsel is also of the opinion that, under existing State of Wisconsin statutes, interest on the Bonds is exempt from Wisconsin income taxes. For a more detailed description of such opinions of Bond Counsel, see "TAX MATTERS" herein.

The \$13,845,000* Wisconsin Housing and Economic Development Authority Multifamily Housing Bonds (Fannie Mae MBS Secured) (Timberline Terrace Project), 2026 Series B (the "Series B Bonds") and the \$3,155,000* Wisconsin Housing and Economic Development Authority Multifamily Housing Bonds (Timberline Terrace Project), 2026 Series C (the "Series C Bonds," and together with the Series B Bonds, the "Bonds") will be issued under and pursuant to an Indenture of Trust, dated as of June 1, 2026* (the "Indenture"), between the Wisconsin Housing and Economic Development Authority (the "Issuer") and Zions Bancorporation, National Association, a national banking association, as trustee (the "Trustee"). See "DESCRIPTION OF THE BONDS" herein.

The Bonds are issuable only as fully registered bonds without coupons and will be registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository of the Bonds. Individual purchases will be made in book-entry form only, in the denominations of (i) with respect to the Series B Bonds, \$5,000 or any integral multiple of \$1,000 in excess thereof and (ii) with respect to the Series C Bonds, \$5,000, or any integral multiple of \$1,000 in excess thereof. Purchasers will not receive certificates representing their interest in Bonds purchased. Principal and interest on the Bonds are payable by the Trustee to DTC, which will be responsible for remitting such principal and interest to its Participants, which will be responsible for remitting such principal and interest to the Beneficial Owners of the Bonds, as described under "APPENDIX F - BOOK-ENTRY SYSTEM" herein. The Borrower anticipates that the Project could support additional debt equal to the principal amount of the Series B Bonds on the Conversion Date if certain conditions of the Permanent Lender are satisfied.

The Bonds will be issued to provide funding to Timberline Terrace LLC, a Wisconsin limited liability company (the "Borrower"), to enable the Borrower to pay a portion of the cost of acquiring, constructing and equipping of a 93 unit multifamily rental housing development for low- and moderate-income persons in Madison, Wisconsin, to be known as Timberline Terrace (the "Project"). See "THE PROJECT" herein. Pursuant to the Indenture and the Financing Agreement, dated as of June 1, 2026* (the "Financing Agreement"), by and among the Issuer, the Trustee, and the Borrower, the Borrower will cause, over time, Eligible Funds, including proceeds of the Construction Loan (as defined below) to be delivered to the Trustee for deposit into the applicable account of the Collateral Fund established under the Indenture, in order to make the proceeds of the related series of Bonds available to the Borrower to pay costs of the Project. It is anticipated that, prior to the delivery of the MBS (as defined below), the Series B Bonds will be secured by, and the principal of and interest thereon will be paid from, amounts on deposit in the Series B Revenue Fund Account, the Series B Bond Proceeds Fund Account and the Series B Collateral Fund Account along with the investment earnings thereon. At all times, the Series C Bonds will be secured by Eligible Investments or other Eligible Funds in the Series C Revenue Fund Account, the Series C Bond Proceeds Fund Account and the Series C Collateral Fund Account along with the investment earnings thereon sufficient, together with interest earnings thereon (without the need for reinvestment), to pay all of the interest and principal on the Series C Bonds when due, as further described herein. See "SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS" herein.

The Borrower has obtained a construction loan (the "Construction Loan") from BMO Bank N.A., a national banking association (the "Construction Lender"). From time to time, the Construction Lender will advance to the Trustee proceeds of the Construction Loan for deposit into the applicable account of the Collateral Fund in order to enable the Trustee to release proceeds of the related series of Bonds to pay costs of the Project. On the Conversion Date (as defined herein), the Construction Loan is expected to be repaid with the proceeds of the Permanent Loan (as defined herein) and Tax Credit Equity (as defined herein). The Borrower has also received a Lender Commitment, dated as of June 1, 2026 (the "Permanent Lender Commitment") from Greystone Servicing Company LLC, a Delaware limited liability company (the "Permanent Lender"), which has agreed to originate a Permanent Loan (as defined herein) upon and subject to satisfaction of certain conditions set forth in the Permanent Lender Commitment. In the event the Permanent Loan is originated, the Federal National Mortgage Association ("Fannie Mae") anticipates that it will deliver, or cause to be delivered, to the Trustee a single mortgage pass-through certificate (the "MBS") guaranteed as to timely payment of principal and interest by Fannie Mae, and concurrently therewith, pursuant to the terms of the Indenture, the Trustee will use Eligible Funds on deposit in the Series B Collateral Fund Account to purchase the MBS, if and when issued, and such MBS will then secure the payment of the principal of and interest on the Series B Bonds. If the MBS is not delivered on or before the MBS Delivery Date Deadline (as defined herein), or is delivered in an amount less than the full principal amount of the Series B Bonds, then the Eligible Funds in the Series B Collateral Fund Account will be used to redeem the Series B Bonds as set forth herein.

The Series C Bonds are subject to mandatory tender for purchase (with no right of retention), subject to satisfaction of the applicable terms and conditions set forth in the Indenture, on the Initial Mandatory Tender Date. See "DESCRIPTION OF THE BONDS - Mandatory Tender of Series C Bonds" herein. All Bondholders of the Series C Bonds must tender their Series C Bonds for purchase on the Initial Mandatory Tender Date. The Series C Bonds may be remarketed and a new interest rate for the Series C Bonds may be determined on the Initial Mandatory Tender Date in accordance with the terms of the Indenture. If the Series C Bonds are remarketed on the Initial Mandatory Tender Date, the terms of the Series C Bonds after such date may differ materially from the description provided in this Official Statement. Therefore, prospective purchasers of the Series C Bonds on and after the Initial Mandatory Tender Date cannot rely on this Official Statement, but rather must rely upon any disclosure documents prepared in connection with such remarketing.

The Series B Bonds are also subject to mandatory redemption or retirement in whole or in part, and the Series C Bonds are subject to optional redemption in whole, as further described herein. See "DESCRIPTION OF THE BONDS- Redemption or Retirement of Bonds" and "APPENDIX C - SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE - Redemption or Retirement of Bonds" herein.

The aggregate principal amount, aggregate face amount (if different), maturity date, interest rate and delivery date for the Bonds shall be as set forth above and in the Indenture and, with respect to the Series B Bonds shall be described, together with the initial reoffering price, if applicable, in the Term Sheet attached as Appendix H hereto, delivered by the Issuer in connection with the sale of the Bonds.

The MBS is expected to be delivered by the MBS Delivery Date Deadline, initially defined as January 25, 2029*, or, if such day is not a Business Day, the following Business Day, as such date may be extended pursuant to the Indenture. Principal, if due, and interest on the Series B Bonds will be payable (i) semiannually on each February 1 and August 1, or

the next succeeding Business Day if such 1st day is not a Business Day, commencing February 1, 2027*, (ii) on the stated maturity date for any of the Series B Bonds and (iii) any earlier date of redemption of any of the Series B Bonds.

The Series C Bonds shall bear interest on the outstanding principal amount thereof at the interest rate set forth above (the "Initial Series C Bond Rate") from their date of issuance to but not including the Initial Mandatory Tender Date set forth above, payable semiannually on each February 1 and August 1, or the next succeeding Business Day if such 1st day is not a Business Day, commencing February 1, 2027*.

INTRODUCTION

This Official Statement (which includes the cover page and appendices hereto) provides certain information in connection with the issuance and sale of the \$13,845,000* Wisconsin Housing and Economic Development Authority Multifamily Housing Bonds (Fannie Mae MBS Secured) (Timberline Terrace Project), 2026 Series B (the “Series B Bonds”) and the \$3,155,000* Wisconsin Housing and Economic Development Authority Multifamily Housing Bonds (Timberline Terrace Project), 2026 Series C (the “Series C Bonds,” and together with the Series B Bonds, the “Bonds”) issued by Wisconsin Housing and Economic Development Authority, a public body corporate and politic, organized and existing under the laws of the State of Wisconsin (the “Issuer”). The Bonds will be issued pursuant to the provisions of Chapter 234 of the Wisconsin Statutes, as amended (the “Act”), and the Issuer’s Multifamily Housing Bond General Resolution adopted on April 17, 2006, as amended and restated on June 22, 2016 (the “General Resolution”), as supplemented by Supplemental Resolution Number 1, adopted on April 17, 2006, Supplemental Resolution Number 2, adopted on August 21, 2006, Supplemental Resolution Number 3, adopted on August 20, 2007, Supplemental Resolution Number 4, adopted on December 1, 2009, Supplemental Resolution Number 5, adopted on October 19, 2011, Supplemental Resolution Number 6, adopted on February 17, 2016, as amended and restated on June 22, 2016, Supplemental Resolution Number 7, adopted on February 21, 2018, Supplemental Resolution Number 8, adopted on June 17, 2020, Supplemental Resolution Number 9, adopted on December 16, 2020, Supplemental Resolution Number 10, adopted on December 15, 2021, Supplemental Resolution Number 11, adopted on August 17, 2022, Supplemental Resolution Number 12, adopted on October 18, 2023, and Supplemental Resolution Number 13, adopted on April 17, 2024, as each may be amended (collectively, the “Supplemental Resolutions”) and its Series Resolution adopted on November 19, 2025 (the “Series Resolution” and together with the General Resolution and the Supplemental Resolutions, the “Resolution”) and secured by an Indenture of Trust, dated as of June 1, 2026* (the “Indenture”), between the Issuer and Zions Bancorporation, National Association, a national banking association, as trustee (the “Trustee”). Pursuant to the Indenture and the Financing Agreement, dated as of June 1, 2026* (the “Financing Agreement”), among the Issuer, the Trustee, and Timberline Terrace LLC, a Wisconsin limited liability company (the “Borrower”), the Issuer is issuing the Bonds to provide a portion of the financing for the acquisition, construction and equipping of a certain low- and moderate-income multifamily rental housing development to be known as Timberline Terrace (the “Project”) in City of Madison, Wisconsin, as further described in the Term Sheet attached as Appendix H to this Official Statement (the “Term Sheet”), by using the proceeds thereof to provide financing for the Project and, with respect to the Series B Bonds, to facilitate the delivery of the MBS (as defined below) guaranteed by the Federal National Mortgage Association (“Fannie Mae”). See “PRIVATE PARTICIPANTS,” “FANNIE MAE” AND “THE PROJECT” herein.

All capitalized terms used in this Official Statement that are defined in the Indenture shall have the respective meanings set forth in the Indenture. See “APPENDIX B — DEFINITIONS OF CERTAIN TERMS.”

The Issuer, the Borrower and Stifel, Nicolaus & Company, Incorporated (the “Underwriter”) have entered into a Bond Purchase Agreement (the “Bond Purchase Agreement”), pursuant to which the Issuer will agree to sell the Bonds to the Underwriter. The transaction entered into under the Bond Purchase Agreement will provide for the issuance and sale to the Underwriter of the Bonds in a specified principal amount, with a specified interest rate, on a specified date and at a specified price. The delivery of the Bonds is subject to the satisfaction of a number of conditions set forth in the Bond Purchase Agreement.

* Preliminary; subject to change.

Prior to the date of delivery by Fannie Mae of the MBS (the “MBS Delivery Date”), the Series B Bonds will be secured by (i) the proceeds of the Series B Bonds delivered to the Trustee and deposited into the Series B Bond Proceeds Fund Account established under the Indenture, (ii) Eligible Funds, delivered to the Trustee and deposited into the Series B Revenue Fund Account established under the Indenture, in an amount equal to the interest on the Series B Bonds at the interest rate set forth on the cover page hereof (the “Series B Bond Rate”) from the Bond Dated Date (as specified in the Term Sheet) to, but not including, the date that is five (5) calendar days after the MBS Delivery Date Deadline (as defined herein), and (iii) Eligible Funds from time to time to be delivered to the Trustee at the direction of the Borrower and deposited into the Series B Collateral Fund Account established under the Indenture. Prior to the MBS Delivery Date, the principal of, premium, if any, and interest on the Series B Bonds will be paid from amounts on deposit in the Series B Revenue Fund Account, the Series B Collateral Fund Account and the Series B Bond Proceeds Fund Account along with the investment earnings thereon. Following the MBS Delivery Date, the Series B Bonds will be secured by, and the principal of and interest thereon will be paid from, payments made on the MBS. See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS” herein.

At all times, the Series C Bonds will be secured by Eligible Investments or other Eligible Funds in the Series C Revenue Fund Account, the Series C Bond Proceeds Fund Account and the Series C Collateral Fund Account along with the investment earnings thereon sufficient, together with interest earnings thereon (without the need for reinvestment), to pay all of the interest and principal on the Series C Bonds when due at the earlier of any Redemption Date or any Mandatory Tender Date, as further described herein. See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS” herein.

The Borrower has obtained a construction loan in the amount of up to \$32,237,599* (the “Construction Loan”) from BMO Bank N.A., a national banking association (the “Construction Lender”). From time to time, the Borrower will cause Eligible Funds, including proceeds of the Construction Loan, to be delivered to the Trustee for deposit into the applicable account of the Collateral Fund in order to enable the Trustee to release a corresponding amount of proceeds of the related series of Bonds to pay costs of the Project. On the Conversion Date, the Construction Loan is expected to be repaid with the proceeds of the Permanent Loan and low-income housing tax credit equity (the “Tax Credit Equity”). The Borrower has also received a commitment, dated as of June 1, 2026 (the “Permanent Lender Commitment”) from Greystone Servicing Company LLC, a Delaware limited liability company (the “Permanent Lender”), pursuant to which the Permanent Lender has agreed, subject to the satisfaction of the conditions set forth in the Permanent Lender Commitment, to originate a mortgage loan (the “Permanent Loan”) to the Borrower secured by a mortgage constituting a first lien on the Project. See “THE PERMANENT LOAN” herein.

In the event the Permanent Loan is originated, the Trustee will use Eligible Funds on deposit under the Indenture, including in the Series B Bond Proceeds Fund Account and the Series B Collateral Fund Account, to purchase a single mortgage pass-through certificate (the “MBS”) guaranteed as to timely payment of principal and interest by Fannie Mae, if and when issued, and such MBS will then secure the payment of the principal of and interest on the Series B Bonds. See “APPENDIX A – FANNIE MAE MORTGAGE-BACKED SECURITIES PROGRAM” herein. The closing of the Construction Loan and the Permanent Loan and delivery of the MBS are subject to the satisfaction of certain requirements and preconditions and does not extend to the benefit of any other third party, including the beneficial owners of the Series B Bonds, the Issuer or the Trustee. No representations or assurances can be provided as to whether or not such conditions can or will be satisfied.

The Borrower anticipates that the Project could support additional debt equal to the principal amount of the Series B Bonds on the Conversion Date if certain conditions of the Permanent Lender are satisfied. Based on current underwriting assumptions, the Permanent Lender Commitment amount is \$13,598,000*, which amount is less than the principal amount of the Series B Bonds. The Permanent Lender Commitment permits the actual Permanent Loan to be issued in an amount up to the principal amount of the Series B Bonds if certain conditions are satisfied upon conversion. Taking into account market conditions in the market in which the Project will be located, the Borrower believes that on the Conversion Date, there is the possibility that the actual Permanent Loan to be issued may be in an amount up to the principal amount of the Series B Bonds. There can be, however, no assurance that this will be the case. The actual Permanent Loan, if originated, shall be in an amount not to exceed the principal amount of the Series B Bonds. See “APPENDIX H – TERM SHEET” herein.

* Preliminary; subject to change.

If the MBS is not delivered on or before the MBS Delivery Date Deadline, as such date may be extended pursuant to the terms of the Indenture, or is delivered in an amount less than the full principal amount of the Series B Bonds, then Eligible Funds in the Series B Collateral Fund Account and funds then on deposit in the Series B Bond Proceeds Fund Account will be used to redeem the Series B Bonds as set forth in the Indenture. The Series B Bonds are also subject to mandatory redemption in whole or in part as further described herein. See “DESCRIPTION OF THE BONDS —Redemption or Retirement of Bonds.”

On or after the Closing Date, the Borrower, the Permanent Lender and Fannie Mae, collectively, have the ability to increase the amount of debt on the Project to exceed the outstanding principal amount of the Series B Bonds. Although such additional debt is not guaranteed to be either supportable by the Project or approved by the Permanent Lender or Fannie Mae, any security instrument issued in connection therewith will not relate to or serve as additional security for the Series B Bonds.

The Series C Bonds are subject to mandatory tender for purchase (with no right of retention), subject to satisfaction of the applicable terms and conditions set forth in the Indenture, on the Initial Mandatory Tender Date (as defined below). All holders of the Series C Bonds must tender their Series C Bonds for purchase on the Initial Mandatory Tender Date. A new interest rate for the Series C Bonds may be determined on the Initial Mandatory Tender Date in accordance with the terms of the Indenture. If the Series C Bonds are remarketed on the Initial Mandatory Tender Date, the terms of the Series C Bonds after such date may differ materially from the description provided in this Official Statement. Therefore, prospective purchasers of the Series C Bonds on and after the Initial Mandatory Tender Date cannot rely on this Official Statement, but rather must rely upon any disclosure documents prepared in connection with such remarketing. The Series C Bonds are also subject to optional and mandatory redemption prior to maturity as set forth herein. See “DESCRIPTION OF THE BONDS —Redemption or Retirement of Bonds.”

The Series B Bonds shall bear interest on the outstanding principal amount thereof at the Series B Bond Rate. Prior to, and following the MBS Delivery Date, principal, if due, and interest on the Series B Bonds will be payable (i) semiannually on each February 1 and August 1, or the next succeeding Business Day if such 1st day is not a Business Day, commencing February 1, 2027* (the “Initial Payment Date”), (ii) on the stated maturity date for any of the Series B Bonds and (iii) any earlier date of redemption of any of the Series B Bonds.

Following delivery of the MBS, MBS payments will be made monthly, on the 25th day of each month, or if not a Business Day, the following Business Day. Fannie Mae’s role with respect to the Series B Bonds is limited to issuing and discharging its obligations under the MBS if and when delivered. Fannie Mae has no responsibility for the structuring and timing of Bond payments from MBS Revenues.

The Series C Bonds shall bear interest on the outstanding principal amount thereof at the Initial Series C Bond Rate from their date of issuance to but not including, August 1, 2029* (the “Initial Mandatory Tender Date”), payable on each February 1 and August 1, beginning February 1, 2027* (each a “Series C Bond Payment Date”) and on each Mandatory Tender Date and each Mandatory Redemption Date.

Principal and interest on the Bonds are payable by the Trustee to DTC, which will be responsible for remitting such principal and interest to its Participants, which will be responsible for remitting such principal and interest to the Beneficial Owners of the Bonds.

The Bonds are limited obligations of the Issuer, payable from and all equally secured by the lien of the Indenture of the Trust Estate, consisting of funds pledged therefor under the Indenture and, with respect to the Series B Bonds, revenues from the MBS (the “MBS Revenues”). See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS.”

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE TRUST ESTATE UNDER THE INDENTURE. NEITHER THE ISSUER, ANY OF ITS MEMBERS, THE STATE, NOR ANY POLITICAL SUBDIVISION THEREOF (EXCEPT THE ISSUER, TO THE LIMITED EXTENT SET FORTH IN THE INDENTURE) NOR ANY PUBLIC AGENCY SHALL IN ANY EVENT BE

* Preliminary; subject to change.

LIABLE FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM (IF ANY) OR INTEREST ON THE BONDS OR FOR THE PERFORMANCE OF ANY PLEDGE, OBLIGATION OR AGREEMENT OF ANY KIND WHATSOEVER EXCEPT AS SET FORTH IN THE INDENTURE, AND NONE OF THE BONDS OR ANY OF THE ISSUER'S AGREEMENTS OR OBLIGATIONS SHALL BE CONSTRUED TO CONSTITUTE AN INDEBTEDNESS OF OR A PLEDGE OF THE FAITH AND CREDIT OF OR A LOAN OF THE CREDIT OF OR A MORAL OBLIGATION OF ANY OF THE FOREGOING WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION WHATSOEVER. THE ISSUER HAS NO TAXING POWER. THE STATE IS NOT LIABLE ON THE BONDS. THE BONDS AND THE INTEREST THEREON ARE NOT A DEBT OF THE STATE.

The information included in the Term Sheet assumes that the Permanent Loan is originated in an amount equal to the maximum amount available under the Permanent Lender Commitment and that all the conditions to conversion set forth in the Permanent Lender Commitment (the "Conditions to Conversion") have been satisfied and have not been waived or modified. Statutory Authority

In 1972, the Wisconsin Legislature enacted legislation establishing the Issuer as a public body corporate and politic to provide an adequate supply of housing for persons and families of low and moderate income. Chapter 234 of the Wisconsin Statutes (the "Statute") authorizes the Issuer, among other things, to (i) purchase mortgages and securities the proceeds of which are utilized for the purpose of providing residential housing for occupancy by persons and families of low and moderate income, (ii) make or participate in the making of loans to eligible sponsors of housing developments for the construction or rehabilitation of housing, and (iii) make or participate in the making of long-term mortgage loans to eligible sponsors of housing developments and directly to persons and families of low and moderate income, in each case upon a determination by the Issuer that construction loans or long-term mortgage loans are not otherwise available from private lenders upon reasonably equivalent terms and conditions. The Supreme Court of the State of Wisconsin has held that the legislation which established the Issuer is a constitutional enactment evidencing both a public and statewide purpose. *State ex rel. Warren v. Nusbaum*, 59 Wis. 2d 391, 208 N.W.2d 780 (1973). The Statute was amended in 1976 to permit the Issuer to make or participate in making loans to banking institutions for the purpose of making long-term mortgage loans to, or to provide residential housing for, persons of low and moderate income. The Statute was amended in 1983 and in 1986 to permit the Issuer to issue its negotiable bonds and notes to finance (i) economic development projects, and (ii) group homes and other housing with services and facilities for the elderly and disabled. The Statute was further amended in 1985 and subsequent years to permit the Issuer to administer various Loan Guarantee Programs. In 2018, the Statute was further amended to create an annual state-level housing tax credit program to be administered by the Issuer. In 2023, the Statute was further amended to create new state-funded housing programs to be administered by the Issuer. The 2023-2025 biennial budget also appropriated funding for these programs.

Organization

The Issuer has a governing body of twelve members, which consists of the Chief Executive Officer of the Wisconsin Economic Development Corporation or her designee, the Secretary of the State Department of Administration or her designee, a representative of each party from the Wisconsin State Assembly and the State Senate who are appointed in the same manner as the members of standing committees in their respective houses, and six public members appointed to four year terms by the Governor of Wisconsin with the consent of the State Senate. The powers of the Issuer, as defined in the Statute, are vested in and exercised by a majority of its members then in office. The Issuer may delegate any of its powers or duties to one or more of its members or agents or, with the consent of its Executive Director, to its employees. The Governor of Wisconsin appoints the Chairperson for a one-year term from among the public members. The Executive Director is appointed by the Governor of Wisconsin for a two-year term subject to State Senate confirmation. There is currently one vacancy on the Issuer's governing body.

As of March 31, 2026, the Issuer had a staff of 209 persons. In addition to the Executive Director and his office, the Issuer has eleven groups (Administration, Community and Economic Development, Commercial Lending, Finance, Information Technology, Legal Services, Marketing, Multifamily Compliance, Multifamily Risk, Research and Data, and Single Family). In addition to the group leaders, the Issuer also employs accounting, economic development, housing development, financial, administrative, legal, marketing and management personnel. The Issuer also contracts for the use of additional consultants and related personnel. The Issuer's principal office is located at 908 East Main Street, Suite 501, Madison, Wisconsin 53703. Its mailing address is P.O. Box 1728, Madison, Wisconsin 53701-1728, and its telephone number is (608) 266-7884.

The Issuer adopted the General Resolution which authorized a program for the administration of a mortgage loan program for multifamily housing projects (the "Program"). Under the Supplemental Resolutions, the Issuer authorized the issuance of bonds or notes, in one or more series, to fund the Program. The General Resolution and the Supplemental Resolutions provide that the Members Loan Committee (the "MLC," which was formerly known as the Directors Loan Committee) shall specify in a series resolution the terms for a particular series of bonds or notes to be issued under the Program for such project. The Issuer adopted the Series Resolution pertaining to the Bonds on November 19, 2025.

Pursuant to the Act, the Issuer is a public body corporate and politic that is separate and distinct from, and independent of, the State of Wisconsin and its political subdivisions, existing and in good standing under the laws of the State.

The Bonds are Limited Obligations of the Issuer

In accordance with the Act and the Resolution, the Bonds shall be limited obligations of the Issuer, payable solely from the Trust Estate (as defined herein) under the Indenture. Neither the Issuer, any of its members, the State of Wisconsin (the "State") nor any political subdivision thereof (except the Issuer to the limited extent set forth in the Indenture) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on the Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth in the Indenture, and none of the Bonds or any of the Issuer's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever. The Issuer has no taxing power. The State is not liable on the Bonds. The Bonds and the interest thereon are not a debt of the State.

None of the Issuer or each and all of its respective past, present and future directors, board members, governing members, trustees, commissioners, elected or appointed officials, officers, directors, employees, attorneys, agents and advisors (including counsel and financial advisors) shall be individually or personally liable for the payment of any principal, premium, if any, or interest on the Bonds or any costs incidental thereto or any sum under the Indenture or under the Financing Agreement or be subject to any personal liability or accountability by reason of the execution and delivery of the Indenture or Financing Agreement.

The Issuer shall not be obligated to pay the principal (or redemption price) of or interest on the Bonds, except from the Trust Estate (as defined herein). The Issuer shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with the

Indenture, the Bonds or the Financing Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under the Financing Agreement.

The Issuer has in the past issued and expects in the future to sell and deliver additional obligations other than the Bonds, which other obligations are and will be secured by instruments separate and apart from the Indenture and the Bonds. The holders of such obligations of the Issuer will have no claim on the security for the Bonds, and the owners of the Bonds will have no claim on the security for such other obligations issued by the Issuer.

EXCEPT FOR THE INFORMATION CONCERNING THE ISSUER UNDER THE CAPTIONS “THE ISSUER” AND “NO LITIGATION — THE ISSUER” IN THIS OFFICIAL STATEMENT, NONE OF THE INFORMATION IN THIS OFFICIAL STATEMENT HAS BEEN SUPPLIED OR VERIFIED BY THE ISSUER AND THE ISSUER MAKES NO REPRESENTATIONS OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DESCRIPTION OF THE BONDS

General

The Series B Bonds will be issued in the denominations of \$5,000 or any integral multiple of \$1,000 in excess thereof. The Series C Bonds will be issued in the denominations of \$5,000 or any integral multiple of \$1,000 in excess thereof. The Bonds are issuable only as fully registered bonds without coupons and will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”). DTC will act as securities depository for the Bonds. Individual purchases will be made in book-entry form only. Purchasers will not receive bonds representing their interest in the Bonds purchased. See “APPENDIX F — BOOK-ENTRY SYSTEM.”

The Series B Bonds will be dated and have a final maturity date and a final payment date on the respective date(s) identified in the Term Sheet and on the cover page hereof. The Series B Bonds will bear interest from their dated date at the Series B Bond Rate. Interest on the Series B Bonds shall be computed on the basis of a 360-day year consisting of twelve 30-day months (“30/360”). The payment of interest on each Series B Bond Payment Date shall be in an amount equal to the interest accrued during the preceding six (6) calendar months; provided that the payment of interest on the Initial Payment Date shall relate to the interest accrued from the Bond Dated Date to and including the calendar day immediately preceding the Initial Payment Date.

Prior to the MBS Delivery Date, the Trustee will pay to the holders of the Series B Bonds all payments of interest from funds held in the Revenue Fund under the Indenture. Following the MBS Delivery Date, the Trustee will pay to the holders of the Series B Bonds, from the applicable account of Revenue Fund, the amounts listed in the applicable maturity, sinking fund and interest payment schedule set forth in the Indenture. All payments of principal and interest shall be made to the Bondholder of record as of the applicable Record Date.

The Series C Bonds shall be dated their date of delivery and shall bear interest at the Initial Series C Bond Rate, set forth on the cover page hereof, from their date of delivery, to but not including the Initial Mandatory Tender Date, payable on each Series C Bond Payment Date, commencing February 1, 2027*, on each Mandatory Tender Date and on each date the Series C Bonds are subject to redemption or retirement pursuant to the Indenture. Interest on the Series C Bonds shall be computed on a 30/360 basis. The payment of interest on a Series C Bond Payment Date shall be in an amount equal to the interest accrued during the Interest Period ending on the day preceding such Series C Bond Payment Date.

All payments of principal and interest with respect to the Bonds will be paid to the Bondholders in proportion to the principal amount of each Bond owned by each such owner as set forth on the records of the Trustee as of the Record Date.

So long as Cede & Co. or another nominee designated by DTC is the registered owner of the Bonds, principal and interest on the Bonds are payable by the Trustee to DTC, which will be responsible for remitting such principal and interest to its Participants, which will be responsible for remitting such principal and interest to the Beneficial

Owners of the Bonds. See “APPENDIX F — BOOK-ENTRY SYSTEM.” *So long as Cede & Co. is the registered owner of the Bonds, all references in this Official Statement to the owners or holders of the Bonds, means Cede & Co. and not the Beneficial Owners of the Bonds.*

Transfer of Bonds

While DTC is securities depository for book-entry Bonds, the transfer of beneficial ownership of Bonds shall take place as described in “APPENDIX F — BOOK-ENTRY SYSTEM.” If DTC were to terminate its status as securities depository for the Bonds and, as a result, the Bonds were no longer book-entry securities, no transfer of a Bond will be made unless made upon the records of the Issuer kept for that purpose at the corporate trust office of the Trustee, by the registered owner of the Bond or by its attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee. Upon the transfer of any such Bond, the Issuer shall issue and the Trustee shall authenticate and deliver to and in the name of the transferee a new fully registered Bond, of the same series, aggregate principal amount, interest rate, maturity and other terms as the surrendered Bond.

At all times, the Issuer and the Trustee may deem and treat the person in whose name any Bond shall be registered upon the records of the Issuer as the absolute owner of such Bond, whether such Bond shall be a book-entry security or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Mandatory Tender of Series C Bonds

All Outstanding Series C Bonds shall be subject to mandatory tender (with no right of retention) by the holders thereof for purchase in whole and not in part on each Mandatory Tender Date. The purchase price for each such Series C Bond shall be payable in lawful money of the United States of America by wire, check or draft, shall equal 100% of the principal amount to be purchased and accrued interest, if any, to the Mandatory Tender Date, and shall be paid in full on the applicable Mandatory Tender Date.

While tendered Series C Bonds are in the custody of the Trustee pending purchase pursuant to the Indenture, the tendering holders thereof shall be deemed the owners thereof for all purposes, and interest accruing on tendered Series C Bonds through the day preceding the applicable Mandatory Tender Date shall be paid as if such Series C Bonds had not been tendered for purchase.

The Trustee shall utilize amounts representing proceeds of remarketed Series C Bonds on deposit in the Remarketing Proceeds Account to pay the principal amount, plus accrued interest, of Series C Bonds tendered for purchase not later than 11:30 a.m. Local Time on the Mandatory Tender Date.

In the event the Series C Bonds must be redeemed or retired as a result of the occurrence of any of the events listed in “Series C Bonds — Mandatory Redemption or Retirement for Failure to Remarket” hereof, the remarketing shall be cancelled and all Bonds outstanding on the Mandatory Tender Date shall be redeemed or retired in accordance with the terms described in “Series C Bonds — Mandatory Redemption or Retirement for Failure to Remarket” hereof.

Series C Bonds shall be deemed to have been tendered for purposes of this heading whether or not the holders thereof shall have delivered such undelivered Series C Bonds to the Trustee, and subject to the right of the holders of such undelivered Bonds to receive the purchase price of such Series C Bonds and interest accrued thereon to the Mandatory Tender Date, such undelivered Series C Bonds shall be null and void. If such undelivered Series C Bonds are to be remarketed, the Trustee shall authenticate and deliver new Series C Bonds in replacement thereof pursuant to the remarketing of such undelivered Series C Bonds.

Redemption or Retirement of Bonds*

The Bonds shall be subject to redemption or retirement prior to maturity as stated below. Any redemption in part shall be in Authorized Denominations.

Series B Bonds — Mandatory Redemption Prior to MBS Delivery Date. On any Series B Bond Payment Date that occurs prior to or during the month in which the MBS is delivered to the Trustee, the Series B Bonds are subject to mandatory redemption in part in an amount equal to the amount due on that Payment Date, payable with respect to principal first, from money on deposit in the Series B Collateral Fund Account and second, from money on deposit in the Series B Bond Proceeds Fund Account, and with respect to interest, from money on deposit in the Series B Revenue Fund Account or other Eligible Funds.

Series B Bonds — Mandatory Redemption Upon Failure to Convert or Failure to Purchase the MBS by the MBS Delivery Date Deadline. The Series B Bonds are subject to mandatory redemption in whole five calendar days after the MBS Delivery Date Deadline at a Redemption Price equal to 100% of the Outstanding principal amount thereof, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred (or, if no Payment Date has occurred, from the Bond Dated Date) to, but not including, such redemption date, if either the Conversion Date or the MBS Delivery Date has not occurred on or prior to the MBS Delivery Date Deadline, as such date may be extended, payable with respect to principal first, from money on deposit in the Series B Collateral Fund Account and second, from money on deposit in the Series B Bond Proceeds Fund Account, and with respect to premium, if any, and interest, from money on deposit in the Series B Revenue Fund Account.

Series B Bonds — Mandatory Redemption on the MBS Delivery Date. The Series B Bonds are subject to mandatory redemption in part on the MBS Delivery Date at a Redemption Price equal to 101% of the principal amount of the Series B Bonds to be redeemed, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred to, but not including, the MBS Delivery Date, in an amount equal to the difference between (i) the principal amount of the MBS purchased on the MBS Delivery Date and (ii) the aggregate principal amount of the Series B Bonds Outstanding as of the first day of the month in which the MBS Delivery Date occurred, payable with respect to principal first, from money on deposit in the Series B Collateral Fund Account and second, from money on deposit in the Series B Bond Proceeds Fund Account, and with respect to interest and premium, if any, from money on deposit in the Series B Revenue Fund Account and other Eligible Funds.

Series B Bonds – Mandatory Sinking Fund Redemption*. The Series B Bonds are subject to mandatory redemption on the respective dates set forth below, at the Redemption Price equal to the principal amount thereof, plus accrued interest to, but not including, the redemption date.

<u>Sinking Fund Payment Date</u>	<u>Amount</u>	<u>Sinking Fund Payment Date</u>	<u>Amount</u>
	\$		\$

Any scheduled principal payments made pursuant to the Permanent Loan Amortization Schedule shall be retained by the Trustee and used to make sinking fund payments as set forth above.

Series B Bonds — Mandatory Redemption Following Unscheduled Prepayment of the Permanent Loan. The Series B Bonds are subject to mandatory redemption in whole or in part one Business Day after the date on which any unscheduled MBS principal payment or prepayment is received by the Trustee, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued interest and premium, if any, received pursuant to the MBS.

The Permanent Loan is subject to optional prepayment by the Borrower. Any yield maintenance or prepayment penalty in connection with prepayment of the Permanent Loan that is received by the Trustee as holder

of the MBS will be distributed to Bondholders, as applicable; however, no assurance can be given that all or any portion of such yield maintenance or prepayment penalty will be received by the Trustee as holder of the MBS.

Series C Bonds — Mandatory Redemption or Retirement for Failure to Remarket. The Series C Bonds are subject to mandatory redemption or retirement in whole at a redemption or retirement price of 100% of the Outstanding principal amount thereof, plus accrued interest to the Redemption Date, on any Mandatory Tender Date upon the occurrence of any of the following events: (i) the Borrower has previously elected not to cause the remarketing of the Series C Bonds; (ii) the conditions to remarketing set forth in the Indenture have not been met by the dates and times set forth therein; or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Series C Bonds being remarketed on such Mandatory Tender Date. Series C Bonds subject to redemption or retirement in accordance with this paragraph shall be redeemed or retired from (i) amounts on deposit in the Series C Collateral Fund Account, (ii) amounts on deposit in the Series C Negative Arbitrage Subaccount of the Negative Arbitrage Account of the Revenue Fund, (iii) amounts on deposit in the Series C Bond Proceeds Fund Account, and (iv) any other Eligible Funds available or made available for such purpose at the written direction of the Borrower.

Series C Bonds — Optional Redemption or Retirement of Series C Bonds. The Series C Bonds are subject to optional redemption or retirement, in whole but not in part, by the Issuer at the written direction of the Borrower on any date on or after the later to occur of (i) the date the Project is complete and placed in service by the Borrower for purposes of Section 42 of the Code and (ii) the Optional Call Date at a redemption or retirement price equal to 100% of the principal amount of the Series C Bonds plus accrued interest, but without premium, to the redemption date. After the Initial Remarketing Date, the Borrower, in consultation with the Remarketing Agent, may establish an optional redemption or retirement date with respect to any subsequent Remarketing Period and, thereafter, the Series C Bonds are subject to optional redemption or retirement in whole or in part by the Issuer at the written direction of the Borrower (with delivery of a Cash Flow Projection and written notice to the Trustee at least 30 days prior to the proposed redemption or retirement date and, in the case of a redemption or retirement in part, specifying the principal amount of the Series C Bonds to be redeemed or retired) on or after the applicable redemption or retirement date at a redemption or retirement price of 100% of the principal amount of such Series C Bonds to be redeemed or retired plus accrued interest to the applicable redemption date. In connection with any optional redemption or retirement of the Series C Bonds prior to the applicable Mandatory Tender Date, the Trustee is permitted to sell Eligible Investments or redeem Eligible Investments prior to maturity at a price below par only if the Trustee receives, not less than two Business Days prior to the applicable redemption or retirement date, a Cash Flow Projection and any Eligible Funds required pursuant to such Cash Flow Projection.

Selection of Bonds for Redemption. If less than all of the Series B Bonds are redeemed pursuant to a mandatory sinking fund redemption, the Series B Bonds shall be redeemed in accordance with the respective schedules set forth in the Indenture. In the event the Series B Bonds are redeemed in part other than pursuant to a mandatory sinking fund redemption, the Series B Bonds shall be redeemed ratably across all maturities and the scheduled principal payments on the Series B Bonds to remain outstanding and the mandatory redemption requirements for each maturity described in the Indenture shall be adjusted so that the resulting debt service on the Series B Bonds (including scheduled mandatory redemption payments) during each six-month period commencing on each Payment Date is proportional, as nearly as practicable, to the payments on the MBS during each such six-month period, without exceeding the amount available from MBS payments, and other available funds under the Indenture that may be used to pay debt service on the Bonds, during each such six-month period. All Series B Bonds to be redeemed within the same maturity shall be selected by lot. Any redemption in part shall be in Authorized Denominations and the Permanent Lender shall furnish the Trustee with a revised Permanent Loan Amortization Schedule in connection with such redemption in part.

Except as otherwise described above, any Bond to be called for redemption shall be selected by the Trustee ratably among maturities and within a maturity by lot, such selection to be made prior to the date on which notice of such redemption must be given and Bonds shall be redeemed as soon as practicable after an event causing a redemption shall have occurred. The Trustee shall have no liability for such selections made without gross negligence or willful misconduct.

If it is determined that less than all of the principal amount represented by any Bond is to be called for redemption, then, following notice of intention to redeem such principal amount, the holder thereof shall surrender

such Bond to the Trustee on or before the applicable redemption date for (a) payment on the redemption date to such Bondholder of the Redemption Price of the amount called for redemption and (b) delivery to such Bondholder of a new Bond or Bonds of such Series in an aggregate principal amount equal to the unredeemed balance of such Bond. A new Bond representing the unredeemed balance of such Bond shall be issued to the registered owner thereof, without charge therefor. If the registered owner of any Bond selected for redemption shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the amount called for redemption (and to that extent only).

Notice of Redemption or Retirement

Anytime the Bonds are subject to redemption or retirement in whole or in part pursuant to the Indenture (except for a redemption described under “Redemption or Retirement of Bonds — Series B Bonds – Mandatory Redemption Prior to MBS Delivery Date,” “Redemption or Retirement of Bonds — Series B Bonds – Mandatory Sinking Fund Redemption” or “Redemption or Retirement of Bonds — Series B Bonds — Mandatory Redemption Following Unscheduled Prepayment of the Permanent Loan,” above), the Trustee, in accordance with the provisions of the Indenture, shall give at least five calendar days’ notice (or such greater number of days as required by the Depository), in the name of the Issuer, at the written direction of the Issuer, upon written request of the Borrower, of the redemption of the Series B Bonds and at least five but not more than ten calendar days’ notice, in the name of the Issuer, at the written direction of the Issuer, upon written request of the Borrower, of the redemption or retirement of the Series C Bonds, which notice shall specify the following: (i) the maturity and principal amounts of the Bonds to be redeemed or retired; (ii) the CUSIP number, if any, of the Bonds to be redeemed or retired; (iii) the date of such notice; (iv) the issuance date for such Bonds; (v) the interest rate on the Bonds to be redeemed or retired; (vi) the redemption or retirement date; (vii) any conditions to the occurrence of the redemption or retirement; (viii) the place or places where amounts due upon such redemption or retirement will be payable; (ix) the Redemption Price; (x) the Trustee’s name and address with a contact person and a phone number; and (xi) that on the redemption or retirement date, the Redemption Price shall be paid. If the Borrower intends to effect an optional redemption or retirement of the Bonds, then at least five days prior to the latest date by which the Trustee must give notice of an optional redemption or retirement as set forth in this paragraph, the Borrower shall deliver to the Trustee a written request of such redemption or retirement. Notice delivered as required in this heading “Notice of Redemption or Retirement” with respect to a redemption described under the heading “Series B Bonds – Mandatory Redemption Upon Failure to Convert or Failure to Purchase the MBS by the MBS Delivery Date Deadline,” above, may be rescinded and annulled on or before the redemption date set forth in such notice if (i) the MBS is delivered on or prior to such redemption date or (ii) the MBS Delivery Date Deadline is extended pursuant to the Indenture. Neither the giving of such notice by the Trustee nor the receipt of such notice by the Bondholders shall be a condition precedent to the effectiveness of any such redemption or retirement. Notwithstanding anything in the Indenture to the contrary, no notice of redemption shall be required with respect to redemptions described in “Redemption or Retirement of Bonds — Series B Bonds — Mandatory Redemption Prior to MBS Delivery Date,” “Redemption or Retirement of Bonds — Series B Bonds – Mandatory Sinking Fund Redemption” or “Redemption or Retirement of Bonds — Series B Bonds — Mandatory Redemption Following Unscheduled Prepayment of the Permanent Loan,” above (unless required by the Depository).

With respect to a mandatory redemption or retirement described in “Redemption or Retirement of Bonds — Series C Bonds — Mandatory Redemption or Retirement for Failure to Remarket”, the notice of mandatory tender provided to holders pursuant to the Indenture shall serve as the notice of redemption or retirement required by this heading and shall satisfy the requirements of this heading, and no further notice of redemption or retirement will be required to the Bondholders.

The Bonds to be redeemed or retired in part pursuant to the Indenture will be selected in accordance with the operational arrangements of DTC or any successor Substitute Depository, and any partial prepayments pursuant thereto shall be made in accordance with the “Pro Rata Pass-Through Distributions of Principal” procedures of DTC or comparable procedures of any successor Substitute Depository.

In the event that the MBS has not been purchased by, and delivered to, the Trustee ten Business Days prior to the MBS Delivery Date Deadline (as such date may be extended under the Indenture), the Trustee shall provide ten Business Days prior to the MBS Delivery Date Deadline, written notice of such non-purchase to the Borrower, the Construction Lender, the Permanent Lender, the Issuer and the Underwriter.

Notices of optional redemption or retirement of the Series C Bonds may be conditional, and shall be revocable in the event that there is not on deposit with the Trustee prior to the date of redemption or retirement money sufficient to pay the redemption or retirement price of the Series C Bonds to be redeemed or retired or, in the case of any redemption or retirement premium on the Series C Bonds, there are not on deposit Eligible Funds (excluding, however, proceeds of the Bonds) sufficient to pay such redemption or retirement premium, or in the absence of any other event or condition specified in the original notice. Notice of such cancellation or rescission shall be given in the same manner as the original notice was given.

Notwithstanding this section, failure to provide notice or any defect therein shall not be a prerequisite to the effectiveness of any redemption or retirement under the heading “Redemption” which redemption or retirement shall occur and be effective irrespective of whether the Trustee fulfills its obligation to provide the notice with respect to the heading “Redemption,” above, required under this heading “Notice of Redemption or Retirement.”

Payment of Redemption or Retirement Price

With respect to any redemption or retirement pursuant to the heading “Redemption” above, notice having been given in the manner provided in the heading “Notice of Redemption or Retirement” above (or not required to be given as a result of a redemption described in “Redemption or Retirement of Bonds — Series B Bonds — Mandatory Redemption Prior to MBS Delivery Date,” “Redemption or Retirement of Bonds — Series B Bonds — Mandatory Sinking Fund Redemption” and “Redemption or Retirement of Bonds — Series B Bonds — Mandatory Redemption Following Unscheduled Prepayment of the Permanent Loan” above), and all conditions to the redemption or retirement contained in such notice, if applicable, having been met, the Bonds so called for redemption or retirement shall become due and payable on the redemption or retirement date so designated at the Redemption Price specified in the heading “Redemption or Retirement of Bonds” above, and (except in the case of a redemption described in “Redemption or Retirement of Bonds — Series B Bonds — Mandatory Redemption Prior to MBS Delivery Date,” “Redemption or Retirement of Bonds — Series B Bonds — Mandatory Sinking Fund Redemption” or “Redemption or Retirement of Bonds — Series B Bonds — Mandatory Redemption Following Unscheduled Prepayment of the Permanent Loan” above) upon presentation and surrender thereof at the offices specified in such notice, together with, in the case of Bonds presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or its duly authorized attorney; provided, however, that so long as the Bonds are registered in the name of the Depository, payment for such redeemed or retired Bonds shall be made in accordance with the Representation Letter of the Issuer. If, on the redemption or retirement date, moneys for the redemption or retirement of all of the Bonds or the Bonds to be redeemed or retired, together with all accrued interest on such Bonds, (which, with respect to the Series B Bonds only, shall equal all interest accrued on the MBS) if delivered, to the redemption or retirement date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption or retirement shall have been given as aforesaid, then, from and after the redemption or retirement date, interest on the Bonds so called for redemption or retirement shall cease to accrue.

Extension of MBS Delivery Date Deadline

At any time prior to the MBS Delivery Date Deadline, the Borrower may extend the MBS Delivery Date Deadline by (i) providing to the Trustee, the Lender, the Rating Agency, the Issuer and the Underwriter written notice of any extension of the MBS Delivery Date Deadline, (ii) depositing with the Trustee Eligible Funds for the credit of the Series B Negative Arbitrage Subaccount of the Negative Arbitrage Account of the Revenue Fund in an amount, taking into account amounts already on deposit therein, sufficient to pay interest due on the Series B Bonds to the date that is five calendar days after the extended MBS Delivery Date Deadline (the “Extension Deposit”), (iii) delivering to the Trustee and the Rating Agency a Cash Flow Projection establishing the sufficiency of the Extension Deposit, and (iv) delivering to the Trustee confirmation by the Rating Agency of the then-current rating on the Series B Bonds. Extension Deposits may continue to be made by or on behalf of the Borrower until the MBS Delivery Date occurs or the Borrower declines to make an Extension Deposit resulting in a mandatory redemption of the Series B Bonds pursuant to the Indenture; provided, however, the MBS Delivery Date Deadline may not be extended to a date that is later than the fourth anniversary of the Bond Dated Date unless prior to any extension beyond such date there shall be filed with the Trustee and the Issuer an Opinion of Bond Counsel substantially to the effect that such extension will not, in and of itself, adversely affect the exclusion of interest on the Bonds from gross income for Federal income tax purposes. The cost of such opinion shall be the sole responsibility of the Borrower.

THE PERMANENT LOAN

General

The Permanent Lender Commitment sets forth certain Conditions to Conversion which must be satisfied by the Borrower prior to the origination of the Permanent Loan and the issuance of the MBS. Such conditions include, but are not limited to: the completion of improvements, confirmation that Minimum Occupancy Requirement (as defined in the Permanent Lender Commitment) has been met, the delivery of required transaction documents and certain other items required in connection with the Permanent Lender Commitment; the renewal and approval by Fannie Mae of all agreements, documents, instruments reports, surveys, papers and matters which are subject to Fannie Mae's review and approval in connection with the Permanent Lender Commitment; the payment of all fees required in connection with the Permanent Lender Commitment; that there be no event of default under any of the required transaction documents; and certain other conditions set forth in the Permanent Lender Commitment. The conditions described in the prior sentence represent only a limited summary of the Conditions to Conversion, and the Permanent Lender Commitment should be referenced for a full description of such conditions. Upon satisfaction of the Conditions to Conversion set forth in the Permanent Lender Commitment on or prior to January 1, 2029* (the "Initial Termination Date"), which date is subject to one six-month extension and to further potential extensions at the sole discretion of Fannie Mae (as set forth in the Permanent Lender Commitment), the Permanent Lender will originate the Permanent Loan.

If and when the Permanent Loan is originated, and the MBS is delivered, subject to (a) the conditions and requirements of the Permanent Lender Commitment and (b) the satisfaction of the conditions relating to the financing, construction and leasing of the Project, the Indenture authorizes the Trustee to use Eligible Funds to purchase the MBS, if and when the MBS is issued, and such MBS will then secure the payment of the interest on and principal of the Series B Bonds. If the MBS is not delivered, then the Eligible Funds held under the Indenture will be used to redeem the Series B Bonds as further herein.

On or after the Closing Date, the Borrower, the Permanent Lender and Fannie Mae, collectively, have the ability to increase the amount of debt on the Project to exceed the outstanding principal amount of the Series B Bonds. Although such additional debt is not guaranteed to be either supportable by the Project or approved by the Permanent Lender or Fannie Mae, any security instrument issued in connection therewith will not relate to or serve as additional security for the Series B Bonds.

The Permanent Lender has undertaken to certify that the MBS has terms consistent with the Term Sheet and meets the requirements set forth in the Indenture, on which certification the Trustee may rely and act without further investigation. The Permanent Loan is to be evidenced by the Mortgage Note, executed by the Borrower in favor of the Permanent Lender and secured by the Multifamily Mortgage, Assignment of Leases and Rents, Security Agreement and Fixture Filing (the "Mortgage"). The Borrower is required under the Mortgage Note to make monthly payments sufficient in the aggregate to pay debt service on the Permanent Loan.

MBS Payments

Following the MBS Delivery Date, if such date occurs, payments on the MBS will be made on the 25th day of each month (beginning with the month following the month in which the MBS is issued and delivered to the Trustee), or, if such 25th day is not a Business Day, on the first Business Day next succeeding such 25th day. With respect to the MBS, Fannie Mae will distribute to the Trustee an amount equal to the total of (i) the principal due on the Permanent Loan underlying the MBS during the period beginning on the second day of the month prior to the month of such distribution and ending on the first day of such month of distribution, (ii) the stated principal balance of the Permanent Loan that was prepaid in full during the calendar month next preceding the month of such distribution (including as prepaid for this purpose at Fannie Mae's election the Permanent Loan after it is delinquent, in whole or in part, with respect to four consecutive installments of principal and interest; or because of Fannie Mae's election to repurchase the Permanent Loan under certain other circumstances), (iii) the amount of any partial prepayment of the Permanent Loan received in the calendar month next preceding the month of distribution, and (iv) one month's interest at the Pass-Through Rate on the principal balance of the MBS as reported to the Trustee (assuming the Trustee is the

registered holder) in connection with the previous distribution (or, respecting the first distribution, the principal balance of the MBS on its issue date).

For purposes of distribution, the Permanent Loan will be considered to have been prepaid in full if, in Fannie Mae's reasonable judgment, the full amount finally recoverable on account of the Permanent Loan has been received, whether or not such full amount is equal to the stated principal balance of the Permanent Loan. See also "APPENDIX A — FANNIE MAE MORTGAGE-BACKED SECURITIES PROGRAM."

FANNIE MAE

The MBS, if issued by Fannie Mae and acquired by the Trustee as described herein, will be an obligation of Fannie Mae. **The securities of Fannie Mae, including the MBS, if issued, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than Fannie Mae.**

Information on Fannie Mae and its financial condition is contained in periodic reports that are filed with the Securities and Exchange Commission (the "SEC"). Fannie Mae's SEC filings are available at the SEC's website at www.sec.gov and are also available on Fannie Mae's web site at <http://www.fanniemae.com> or from Fannie Mae at the Office of Investor Relations at 202-752-7115.

SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS

In order to secure the payment of the principal of and interest on the Bonds, the Issuer has pledged to the Trust Estate for the Bonds, subject to terms and provisions of the Indenture, the following:

(i) To (a) the Holders of the Series B Bonds, all right, title and interest of the Issuer in and to the Series B Bond Loan Note and (b) the Holders of the Series C Bonds, all right, title and interest of the Issuer in and to the Series C Bond Loan Note (except, in each case, the Reserved Rights of the Issuer) including all payments and proceeds with respect thereto or replacement thereof;

(ii) To the Holders of the Series B Bonds, all right, title and interest of the Issuer in and to amounts on deposit in the Series B Bond Proceeds Fund Account to be funded at closing in an amount equal to the principal amount of the Series B Bonds;

(iii) To the Holders of the Series C Bonds, all right, title and interest of the Issuer in and to amounts on deposit in the Series C Bond Proceeds Fund Account to be funded at closing in an amount equal to the principal amount of the Series C Bonds;

(iv) To the Holders of the Series B Bonds, all right, title and interest of the Issuer in and to amounts on deposit in the Series B Collateral Fund Account, Series B Revenue Fund Account and the Series B Negative Arbitrage Subaccount;

(v) To the Holders of the Series C Bonds, all right, title and interest of the Issuer in and to amounts on deposit in the Series C Collateral Fund Account, the Series C Revenue Fund Account and the Series C Negative Arbitrage Subaccount;

(vi) Solely with respect to the Series B Bonds, the MBS, if issued by Fannie Mae and acquired by the Trustee, and all MBS Revenues;

(vii) All right, title and interest of the Issuer now owned or thereafter acquired in, to and under the Financing Agreement and the Regulatory Agreement (as hereinafter defined), except Reserved Rights (as hereinafter defined); and

(viii) All other funds, accounts and property which by the express provisions of the Indenture is required to be subject to the lien of the Indenture, and any additional property that, from time to time, by

delivery or by writing of any kind, may be subjected to the lien of the Indenture, by the Issuer or by anyone on its behalf, and the Trustee is authorized by the Indenture to receive the same at any time as additional security under the Indenture; provided, however, that the Trust Estate shall not include amounts on deposit in the Rebate Fund.

The foregoing pledge is made for the equal and proportionate benefit, security and protection of all present and future owners of the Bonds.

Prior to the delivery of the MBS with respect to the Series B Bonds, and at all times with respect to the Series C Bonds, the Bonds will be secured by the deposit with the Trustee of the proceeds of the Bonds and other Eligible Funds held under the Indenture by the Trustee in an aggregate amount equal to the outstanding principal amount of the Bonds. The Trustee will use Eligible Funds held under the Indenture along with interest earnings thereon to (a) pay principal, premium, if any, and interest on the Bonds when due, and (b) acquire, if and when issued, the MBS, upon satisfaction of the conditions set forth in the Indenture and the Permanent Lender Commitment.

It is anticipated that if the conditions to the issuance of the MBS are satisfied, the MBS will be available for acquisition by the Trustee on or before the MBS Delivery Date Deadline, as such date may be extended as provided in the Indenture. Following the delivery of the MBS to the Trustee, if delivered, payments of principal of and interest on the Series B Bonds will be payable from pass-through payments received by the Trustee on the MBS.

If the MBS is not acquired by the Trustee prior to the MBS Delivery Date Deadline (as such date may be extended pursuant to the Indenture), the Series B Bonds will be redeemed from Eligible Funds held under the Indenture as set forth herein.

Except with respect to the Series B Revenue Fund Account following the MBS Delivery Date, amounts on deposit in the Bond Proceeds Fund, the Collateral Fund, and the Revenue Fund shall at all times be invested in Eligible Investments.

PRIVATE PARTICIPANTS

The following information concerning the private participants has been provided by representatives of the private participants and has not been independently confirmed or verified by either the Underwriter or the Issuer. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Borrower

The borrower for the Project is Timberline Terrace LLC, a Wisconsin limited liability company (the “Borrower”). The Borrower is a single-purpose entity formed to acquire, construct and operate the Project. The Borrower’s managing member is Timberline Terrace MM LLC, a Delaware limited liability company (the “Managing Member”). The Managing Member will have a 0.01% membership interest in the Borrower. PHP Fourteen91 LLC, an Indiana limited liability company, will have a 51% membership interest in the Managing Member.

PHP Fourteen91 LLC is wholly owned and controlled by Preservation Housing Partners, a Michigan nonprofit corporation (“PHP”). PHP is a national nonprofit organization dedicated to increasing the quality and availability of affordable housing for low- and moderate-income families. PHP was founded on the belief that every family deserves access to decent, safe, affordable, and comfortable housing. PHP primarily acquires, rehabilitates, and develops affordable multifamily housing communities through programs administered by the U.S. Department of Housing and Urban Development (“HUD”) and state housing agencies. PHP is committed to the long-term preservation of affordable housing by acquiring properties from financial institutions and private owners that might otherwise be converted to market-rate housing or permitted to fall into disrepair. Through these activities, PHP helps ensure that quality affordable housing remains available to families in need for generations to come.

Timberline Terrace LAC LLC, a Delaware limited liability company (“Timberline Terrace LAC”), will have a 25% membership interest in the Managing Member. Timberline Terrace LAC is controlled by principals of Lincoln

Avenue Communities (“LAC”). LAC was started in 2016 and has ten years of experience in affordable housing development. LAC has developed over 30,000 units in 30 states.

The Borrower has not acquired and does not intend to acquire any substantial assets or engage in any substantial business activities other than those related to the Project. However, affiliates of the Borrower may engage in the acquisition, development, ownership and management of other similar types of projects that may be competitive with the Project.

The Developer

The developer for the Project is Timberline Terrace Developer LLC, a Delaware limited liability company (the “Developer”), located in Delaware. The Developer is an affiliate of LAC. The Developer is a single purpose entity established for the Project.

Investor Member

Simultaneously with the issuance of the Bonds, CREA Timberline Terrace, LLC, a Delaware limited liability company, as an investor member (the “Investor Member”), expects to acquire a 99.989% ownership interest in the Borrower in exchange for equity contributions based primarily on the receipt of certain benefits from the Project’s Federal and State low-income housing tax credits (the “LIHTCS”). The funding of the Federal and State low income housing tax credit equity (the “Tax Credit Equity”) by the Investor Member is expected to total approximately \$20,245,139* and is expected to total approximately \$100* from the Managing Member. The funding levels and the timing of the funding are subject to numerous adjustments and conditions that could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the projections set forth above and no representation is made as to the availability of such funds.

Limited Assets and Obligation of Borrower, Managing Member and Investor Member

The Borrower has no substantial assets other than the Project and does not intend to acquire any other substantial assets or to engage in any substantial business activities other than those related to the acquisition, construction, development and ownership of the Project. However, the member(s) of the Managing Member, the Investor Member, and their affiliates are engaged in and will continue to engage in the acquisition, development, ownership and management of similar types of housing projects. They may be financially interested in, as officers, members or otherwise, and devote substantial times to, business and activities that may be inconsistent or competitive with the interests of the Project.

The Borrower and its members will not be personally liable for payments on the Bond Loan Notes, the payments on which are to be applied to pay the principal of and interest on the Bonds; nor will the Borrower be personally liable under the other documents executed in connection with the issuance of the Bonds and the making of the loans evidenced by the Bond Loan Notes. Furthermore, no representation is made that the Borrower will have substantial funds available for the Project. Accordingly, neither the Borrower’s financial statements nor those of its members are included in this Official Statement.

The Architect

The architect for the Project is Knothe & Bruce Architects, LLC (the “Architect”). The Architect is not an affiliate of the Developer. The Architect started in 1974 and demonstrates considerable affordable, LIHTC, HUD and senior housing experience. The Architect has designed the new construction or renovation of many rehabilitation, civic and commercial projects, with a focus on affordable multifamily housing. The Architect’s clients include community groups and nonprofit organizations whose patronage accounts for a significant percentage of the projects in its office.

* Preliminary; subject to change.

The General Contractor

The general contractor for the Project is McShane Construction Company LLC (the “General Contractor”). The General Contractor is not an affiliate of the Developer. Based out of Rosemont, Illinois, the General Contractor was formed in 1984 and is a licensed contractor in Wisconsin. Since inception, the General Contractor has built or rehabilitated more than 5,000 affordable apartment units.

The Property Manager

The Borrower will enter into a management agreement with Wisconsin Management Company, Inc. (the “Property Manager”) to manage the day-to-day operations of the Project. The Property Manager is not an affiliate of the Developer. The Property Manager has been involved in the management of affordable housing for decades. The Property Manager currently manages over 17,000 apartment units in more than 11 States.

THE PROJECT

The following information concerning the Project has been provided by representatives of the Borrower and has not been independently confirmed or verified by either the Underwriter or the Issuer. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Project, to be known as Timberline Terrace, is located in Madison, Wisconsin, on an approximately 1.12-acre site. The Project contains 93 apartment units in one building. Common area improvements will include: a property management office, community service facility space that will provide empowerment services for residents, an exercise room, a community courtyard, a package room, a community room, common area laundry, and other ancillary amenities to support the future residents. Unit amenities include: a full appliance package, walk-in closets, individual storage lockers, and in-unit washers and dryers that residents can rent. There are 94 parking spaces that will be available for residents to rent.

It is anticipated that construction will commence promptly upon the issuance of the Bonds and funding of the initial installment of the Tax Credit Equity and will be completed in approximately 16* months.

The unit type, unit mix and approximate square footage of the Project will be as follows:

<u>Unit Type</u>	<u>Number of Units</u>	<u>Approximate Square Feet</u>

2 BD	23	981
3 BD	<u>25</u>	1,297

All Costs of Issuance of the Bonds, including the Underwriter's fee, will be paid by the Borrower.

The Construction Loan. The Project will utilize a taxable construction loan in the principal amount of \$32,237,599* (the "Construction Loan"). The obligation to repay the Construction Loan will be set forth in a promissory note (the "Construction Loan Note") from the Borrower to BMO Bank N.A., a national banking association (the "Construction Lender") and will be repayable with the proceeds of the Permanent Loan and Tax Credit Equity. The Construction Loan Note will be secured by a mortgage against the Project. The Construction Loan Note will have a term of 24* months with a 6-month* extension option and bear interest at a rate equal to the One-Month CME term SOFR per annum plus 2.80%*, with principal and interest not otherwise paid, due at maturity. The Construction Loan proceeds will be disbursed from time to time by the Construction Lender to the Trustee for deposit into the applicable account of the Collateral Fund to allow for a corresponding amount of Bond proceeds to be disbursed to the Project.

The Permanent Loan and the Series B Bonds. The Project will utilize a mortgage loan (the "Permanent Loan") from Greystone Servicing Company LLC, a Delaware limited liability company (the "Permanent Lender"). Upon satisfaction of the Conditions to Conversion, the Permanent Lender will make the Permanent Loan to the Borrower, the proceeds of which will be used to repay a portion of the Construction Loan. The obligation to repay the Permanent Loan will be set forth in a promissory note (the "Mortgage Note") from the Borrower to the Permanent Lender, which Mortgage Note will have a term of not less than 192* months, will bear interest at a rate of ___% and will amortize over 40* years. Initially, the principal amount of the Series B Bonds will be equal to the principal

* Preliminary; subject to change.

amount of the Permanent Loan. Following the MBS Delivery Date, payments on the Series B Bonds will be payable by the Trustee from payments received by the Trustee pursuant to the MBS.

The Tax Credit Equity. Simultaneously with the issuance of the Bonds, the Borrower expects to offer the Investor Member a 99.989% and the Special Member a 0.001% ownership interest in the Borrower in exchange for equity contributions based primarily on the receipt of certain benefits from the Project's LIHTCs. In connection with such acquisition, the funding of the Tax Credit Equity will total approximately \$20,245,139*, with an initial contribution of approximately \$2,053,029*, which will be funded on the Closing Date. The funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the projections set forth above and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds.

Deferred Developer Fee. The Project will also utilize deferred developer fee in the approximate amount of \$2,213,972* as a source of funding. The deferred developer fee will be repaid through surplus cash flow received from the operations of the Project.

The Wisconsin Housing and Economic Development Authority (WHEDA) Loan. The Project will also utilize one or more subordinate loans in the aggregate amount of \$1,312,928* (collectively, the "WHEDA Loan"). The obligation to repay the WHEDA Loan will be set forth in multifamily notes (the "WHEDA Notes") from the Borrower to the Issuer, and the WHEDA Loan will be repayable on the terms and conditions set forth therein. The WHEDA Notes will be secured by a subordinate multifamily mortgage, assignment of rents and security agreement against the Project subordinate to the Construction Loan and Permanent Loan. The WHEDA Notes will have a term of up to 210* months commencing on the Conversion Date and will bear simple interest at a rate of 0%* per annum, with annual principal and interest payments being paid from available cash flow.

The Dane County Affordable Housing Development Fund (AHDF) Loan. The Project will also utilize one or more subordinate loans in the principal amount of \$3,500,000* (collectively, the "AHDF Loan"). The obligation to repay the AHDF Loan will be set forth in a promissory note (the "AHDF Note") from the Borrower to the Dane County Housing Authority (the "DCHA"), and the AHDF Loan will be repayable on the terms and conditions set forth therein. The AHDF Note will be secured by a mortgage against the Project subordinate to the Construction Loan, Permanent Loan, and WHEDA Loan. The AHDF Note will have a term of up to 55* years and will bear 0% annual simple interest, with no payments due until the maturity date.

Project Regulation

The Borrower will operate the Project as a "qualified residential rental project" in accordance with the provisions of Section 142(d) of the Code. Concurrently with the issuance of the Bonds, the Borrower, the Trustee and the Issuer will enter into the Regulatory Agreement and Declaration of Restrictive Covenants (the "Regulatory Agreement"). Under the Regulatory Agreement, the Borrower will agree that, at all times during the Qualified Project Period (as defined in the Regulatory Agreement), the Borrower will rent at least 40% of the units in the Project to persons whose adjusted family income (determined in accordance with the provisions of the Code) is no more than 60% of the area median income (adjusted for family size) ("AMI"). See "APPENDIX E – SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT" herein.

In addition to the rental restrictions imposed upon the Project by the Regulatory Agreement, the Project will be further encumbered by a Land Use Restriction Agreement for Low-Income Housing Tax Credit and a Land Use Restriction Agreement for Wisconsin Housing Tax Credit, to be executed by the Borrower in connection with the LIHTCs anticipated to be granted for the Project and in compliance with the requirements of Section 42 of the Code. Section 42 of the Code will restrict the income levels of 100% of the residential units in the Project (the "Tax Credit Units"). Twenty-one (21) of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 30% of the AMI adjusted for family size and the rents which may be charged for occupancy of such units will be restricted to not more than 30% of AMI, adjusted for family size. Forty-one (41) of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 50% of the AMI adjusted for family size and the rents which may be charged for occupancy of such units will be

* Preliminary; subject to change.

restricted to not more than 50% of AMI, adjusted for family size. Thirty-one (31) of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 80% of the AMI adjusted for family size and the rents which may be charged for occupancy of such units will be restricted to not more than 80% of AMI, adjusted for family size. The average AMI of all units in the Project will be equal to or less than 60% AMI.

CERTAIN BONDHOLDERS' RISKS

The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.

Limited Security; Investment of Funds

The Bonds are limited obligations of the Issuer payable solely from the Trust Estate, which includes certain funds pledged to and held by the Trustee pursuant to the Indenture.

The Bonds are offered solely on the basis of the amounts pledged to and held by the Trustee under the Indenture, together with investment earnings thereon, and, with respect to the Series B Bonds, the MBS, and are not offered on the basis of the credit of the Borrower, the feasibility of the Project or any other security. As a consequence, limited information about the Project and no information about the financial condition or results of operations of the Borrower is included in this Official Statement. The Bonds are offered only to investors who, in making their investment decision, rely solely on the amounts held under the Indenture, together with investment earnings thereon, and not on the credit of the Borrower, the feasibility of the Project or any other security.

The principal of and interest on the Bonds are payable from and secured by certain revenues and funds pledged thereto under the Indenture, together with investment earnings thereon and, with respect to the Series B Bonds, following the MBS Delivery Date, from payments on the MBS. On the date of delivery of the Bonds, an amount equal to the principal amount of the Bonds is to be deposited into the Bond Proceeds Fund. The Trustee is required to invest amounts held in the Bond Proceeds Fund, the Collateral Fund and the Revenue Fund in Eligible Investments, as defined in the Indenture. See "APPENDIX C — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Funds." Failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

No Acceleration or Early Redemption Upon Loss of Tax Exemption on the Bonds

The Borrower will covenant and agree, pursuant to the Regulatory Agreement, to comply with the provisions of the Code relating to the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds. In particular, the Borrower is required to rent at least 40% of the Project apartment units to certain qualified tenants whose income does not exceed 60% of the area AMI where the Project is located. The Borrower's failure to comply with such provisions will not constitute a default under the Bonds and will not give rise to a redemption or acceleration of the Bonds and is not the basis for an increase in the rate of interest payable on the Bonds. Furthermore, the Borrower's failure to comply with the Regulatory Agreement will not give rise to a prepayment or acceleration of amounts due under the MBS or the Mortgage, unless directed by Fannie Mae in its sole discretion. Consequently, interest on the Bonds may become includable in gross income for purposes of federal income taxation retroactive to the date of issuance of the Bonds by reason of the Borrower's failure to comply with the requirements of federal tax law.

Payments on Series B Bonds Prior to MBS Delivery Date

Prior to the MBS Delivery Date, payment of principal and interest, and the Borrower's obligations with respect to principal and interest on the Series B Bonds, will be primarily secured by and payable from Series B Bond proceeds held in the Series B Bond Proceeds Fund Account and moneys deposited into the Series B Collateral Fund Account, the Series B Revenue Fund Account and the Series B Negative Arbitrage Subaccount. Although the Borrower will execute the Series B Bond Loan Note to evidence its obligation to repay the loan evidenced thereby, it is not expected, prior to the MBS Delivery Date, that any revenues from the Project or other amounts, except moneys on deposit in the Series B Bond Proceeds Fund Account, the Series B Collateral Fund Account and the Series B

Revenue Fund Account, will be available to satisfy that obligation. The Indenture requires the Trustee to verify, before any disbursement of funds from the Series B Bond Proceeds Fund Account, that the sum of the funds on deposit in the Series B Bond Proceeds Fund Account and the Series B Collateral Fund Account is at least equal to the then-outstanding principal amount of the Series B Bonds. Prior to the MBS Delivery Date, moneys on deposit in the Series B Bond Proceeds Fund Account and the Series B Negative Arbitrage Subaccount, and the interest earnings thereon will be sufficient to pay the debt service on the Series B Bonds.

Failure to Satisfy Conditions to Conversion

The Borrower is required to satisfy, prior to the Termination Date, the Conditions to Conversion set forth in the Permanent Lender Commitment. If the Borrower fails to satisfy the Conditions to Conversion, the MBS will not be delivered, resulting in the mandatory redemption of the Bonds pursuant to the Indenture. See “DESCRIPTION OF THE BONDS - Redemption or Retirement of Bonds” herein.

Mandatory Redemption of Bonds Prior to Maturity

Pursuant to the Indenture, under certain circumstances, the Bonds may be subject to mandatory redemption prior to maturity. Please see “DESCRIPTION OF THE BONDS –Redemption or Retirement of Bonds” herein and Appendix C hereto.

Eligible Investments

Proceeds of the Bonds deposited into the Bond Proceeds Fund and Eligible Funds received by the Trustee for deposit into the Collateral Fund are required to be invested in Eligible Investments. See “APPENDIX B — DEFINITIONS OF CERTAIN TERMS” hereto for the definition of Eligible Investments. There can be no assurance that there will not be a loss resulting from any investment held for the credit of the Bond Proceeds Fund or the Collateral Fund, and any failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

Rating Based on Eligible Investments and MBS

Prior to the MBS Delivery Date with respect to the Series B Bonds, and at all times with respect to the Series C Bonds, the rating on the Bonds is based on the investment in Eligible Investments of amounts on deposit in the Bond Proceeds Fund and the Collateral Fund. If one or more of such investments fails to meet the rating standards for Eligible Investments after their acquisition and prior to maturity, such a change may result in a downgrade or withdrawal of the ratings on the Bonds. Following the MBS Delivery Date, the rating on the Series B Bonds will be based on multiple factors, including the credit rating of Fannie Mae. Such rating reflects only the views of the Rating Agency, and an explanation of the significance of such rating may be obtained only from the Rating Agency. If any event occurs that causes an adverse change to the credit rating of Fannie Mae, such a change may result in a downgrade or withdrawal of the rating on the Series B Bonds. If any event occurs that causes a positive change to the credit rating of Fannie Mae, there can be no assurance that such a change would result in an upgrade of the rating on the Bonds.

As of the Closing Date, the cashflow structure of the Bonds does not meet the Rating Agency’s criteria for a higher rating on the Bonds in the event that Fannie Mae were rated at such higher level. No assurance can be made that the Rating Agency’s criteria will remain the same after the Closing Date.

Series B Bonds — Repayment of Permanent Loan

The ability of the Borrower to pay the Permanent Loan is dependent on the revenues derived from the Project. Due to the inherent uncertainty of future events and conditions, no assurance can be given that revenues generated by the Project will be sufficient to pay expenses of the Project, including without limitation, debt service on the Permanent Loan, operating expenses, servicing fees, fees due to Fannie Mae, Trustee fees, and fees owed to the Issuer. The ability of the Project to generate sufficient revenues may be affected by a variety of factors including, but not limited to, completion of repairs to such Project, the maintenance of a sufficient level of occupancy, the ability to achieve increases in rents, limitations and requirements imposed by the Regulatory Agreement and other restrictive covenants,

the level of operating expenses, project management, adverse changes in applicable laws and regulations, general economic conditions and other factors in the surrounding market area for the Project. The Borrower intends to rent all of the units in the Project to persons or families of moderate and low income and the amount of rent that may be charged for such units may be materially less than market rates. In addition to these factors, other adverse events may occur from time to time which may have a negative impact on the occupancy level and rental income of the Project.

Failure of the Borrower to make payments when due under the Permanent Loan will result in an event of default under the Permanent Loan and the Financing Agreement and may result in a mandatory prepayment of all or a portion of the Series B Bonds. The Permanent Loan will not be accelerated unless directed by Fannie Mae in its sole discretion in which case the Series B Bonds will remain outstanding and will remain secured by the MBS guaranteed as to timely payment of principal and interest by Fannie Mae. See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS” herein. If Fannie Mae accelerates the Permanent Loan as a result of any event of default under the Permanent Loan, the Permanent Loan will be paid in full, and the stated principal balance of the MBS will be passed through to the holder of the MBS. In this case, no yield maintenance or other prepayment premiums will be payable to the Trustee as holder of the MBS.

The Permanent Loan is a non-recourse obligation of the Borrower with respect to which neither the Borrower nor its members have personal liability and as to which the Borrower and its members have not pledged for the benefit of the Permanent Lender any of their respective assets, other than the Project and its rents, profits and proceeds.

Payments on the Series B Bonds Made From Payments Received on MBS

As described elsewhere herein, following the MBS Delivery Date, principal and interest on the Series B Bonds will be paid to registered owners thereof from principal and interest payments received by the Trustee pursuant to the MBS. Although interest accrues on the MBS during a calendar month, the Trustee will not receive such payment on the MBS until the 25th day in the following calendar month, or the next succeeding Business Day if such day is not a Business Day. The Trustee shall aggregate the monthly payments on the MBS and will pay principal and interest on the Bonds on the Interest Payment Dates described herein.

MBS Certificate

If the MBS is issued by Fannie Mae and acquired by the Trustee as collateral for the Series B Bonds, Fannie Mae’s obligations will be solely as provided in the MBS and in the Fannie Mae MBS Prospectus and the related form of Prospectus Supplement for MBS Certificate. The obligations of Fannie Mae under the MBS will be obligations solely of Fannie Mae, a federally chartered corporation, and will not be backed by the full faith and credit of the United States of America. The Series B Bonds are not and will not be a debt of the United States of America or any other agency or instrumentality of the United States of America or of Fannie Mae. The Series B Bonds are not and will not be guaranteed by the full faith and credit of Fannie Mae or the United States of America.

It is possible, in the event of the insolvency of Fannie Mae, or the occurrence of some other event precluding Fannie Mae from honoring its obligations to make payments as stated in the MBS, if issued, that the financial resources of the Borrower will be the only source of payment on the Series B Bonds. There can be no assurance that the financial resources of the Borrower will be sufficient to pay the principal of, premium if any, and interest on the Series B Bonds in such event. See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS” herein.

Performance of the Project and Estimated Rental Revenue Vacancies

The economic feasibility of the Project depends in large part upon the Project’s being substantially occupied as rentals adequate to maintain substantial occupancy throughout the term of the Bonds at sufficient rents and to cover all operating expenses of the Project and debt service on the Permanent Loan. Although representatives of the Borrower believe, based on surveys of the area where the Project is located, that a substantial number of persons currently need housing facilities such as the Project, occupancy of the Project may be affected by competition from existing housing facilities or from housing facilities which may be constructed in the area served by the Project. While the Borrower believes the Project is needed, there may be difficulties in keeping it substantially occupied. Furthermore, no assurance can be given that the low-income tenants are able to afford the rental rates of the Project,

notwithstanding the below-market rental rates. Restrictions imposed under the Code and related regulations, the Regulatory Agreement and other restrictive covenants, relating to tenant income and the rent that can be charged could have an adverse effect on the Borrower's ability to satisfy its obligations under the Financing Agreement, especially if operating expenses should increase beyond what was anticipated.

Limited Liability of Issuer

Notwithstanding anything in the Indenture or in the Bonds, the Issuer shall not be required to advance any money derived from any source other than the Trust Estate, consisting of, with respect to the Series B Bonds, the MBS Revenues, and with respect to all Bonds, other assets pledged under the Indenture for any of the purposes of the Indenture.

No agreements or provisions contained in the Indenture, nor any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall give rise to any pecuniary liability of the Issuer or a charge against its general credit, or shall obligate the Issuer financially in any way except from, the application of the Trust Estate, consisting of, with respect to the Series B Bonds, the MBS Revenues, and with respect to all Bonds, other proceeds pledged to the payment of the Bonds and the proceeds of the Bonds. No failure of the Issuer to comply with any term, condition, covenant or agreement in the Indenture or in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall subject the Issuer to liability for any claim for damages, costs or other financial and pecuniary charge except to the extent that the same can be paid or recovered from the Financing Agreement or the Trust Estate, consisting of, with respect to the Series B Bonds, the MBS Revenues and with respect to all Bonds, other assets pledged to the payment of the Bonds or the proceeds of the Bonds. THE ISSUER HAS NO TAXING POWER.

Secondary Markets and Prices

No representation is made concerning the existence of any secondary market for the Bonds. The Underwriter will not be obligated to repurchase any of the Bonds, nor can any assurance be given that any secondary market will develop following the completion of the offering of the Bonds. Further, there can be no assurance that the initial offering prices for the Bonds will continue for any period of time. Furthermore, the Bonds should be purchased for their projected returns only and not for any resale potential, which may or may not exist.

Future Legislation; IRS Examination

The Project, its operation and the treatment of interest on the Bonds are subject to various laws, rules and regulations adopted by the local, State and federal governments and their agencies. There can be no assurance that relevant local, State or federal laws, rules and regulations will not be amended or modified or interpreted in the future in a manner that could adversely affect the Bonds, the Trust Estate created under the Indenture, the Project, or the financial condition of or ability of the Borrower to comply with its obligations under the various transaction documents.

In recent years, the Internal Revenue Service (the "IRS") has increased the frequency and scope of its examination and other enforcement activity regarding tax exempt bonds. Currently, the primary penalty available to the IRS under the Code is a determination that interest on bonds is subject to federal income taxation. Such event could occur for a variety of reasons, including, without limitation, failure to comply with certain requirements imposed by the Code relating to investment restrictions, periodic payments of arbitrage profits to the United States of America, the timely and proper use of Bond proceeds and the facilities financed therewith and certain other matters. See "TAX MATTERS" herein. No assurance can be given that the IRS will not examine the Issuer, the Borrower, the Project or the Bonds. If the Bonds are examined, it may have an adverse impact on their price and marketability.

Potential Impact of Pandemics or Public Health Crises

The spread of the strain of a virus and resulting disease could alter the behavior of businesses and people in a manner that could have negative effects on global, state and local economies. There can be no assurances that the

spread of a pandemic would not materially impact both local and national economies and, accordingly, have a materially adverse impact on the Project's operating and financial viability. The effects of a pandemic could include, among other things, an increase in the time necessary to complete the construction of the Project, suspension or delay of site inspections and other on-site meetings, interruption in the engagement of material participants in the Project, increase in the time necessary to conduct lease-up at the Project, and increased delinquencies and/or vacancies, all of which could impact the Borrower's ability to make payments on the loans and result in a default and acceleration thereof.

Limitation of Remedies

Remedies available under the Indenture, the Financing Agreement, and the Regulatory Agreement are limited in certain respects. See "ENFORCEABILITY OF REMEDIES" herein.

Summary

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement and the Appendices hereto.

TAX MATTERS

Legal matters incident to the authorization, validity and issuance of the Bonds are subject to the approving opinion of Kutak Rock LLP, Omaha, Nebraska, co-Bond Counsel, whose opinion will be available at the time of delivery of the Bonds. It is anticipated that the approving opinion will be in substantially the form attached to this Official Statement as Appendix I-1.

In the opinion of Kutak Rock LLP, Bond Counsel, under existing laws, regulations, rulings and judicial decisions, (a) interest on the Bonds (including any original issue discount properly allocable to the owner of a Bond) is excludable from gross income for federal income tax purposes, except for interest on any Bond for any period during which such Bond is held by a "substantial user" of the facilities financed by the Bonds or a "related person" within the meaning of Section 147(a) of the Code, and (b) interest on the Bonds is not a specific preference item for purposes of the federal alternative minimum tax provisions of the Code applicable to individuals. Interest on the Bonds may affect the federal alternative minimum tax imposed on certain corporations.

The Opinion of Bond Counsel relies upon representations made by the Issuer and other persons with respect to the use and investment of proceeds of the Bonds, the use of the Project financed with the Bonds, and other matters. The factual representations made by the Issuer are in part based on representations made by the Borrower at various times and in part on their monitoring of the Project.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Bonds. These restrictions, conditions and requirements include, but are not limited to, "set aside" occupancy requirements for low and moderate income tenants with respect to the project financed or refinanced with the Bonds, as further described below. The Issuer has made certain representations and covenanted to comply with certain restrictions designed to ensure that interest on the Bonds will not be included in federal gross income. The Borrower has made, or will make, certain representations and covenants designed to ensure that interest on the Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Bonds. The Opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Bonds may adversely affect the value of, or the tax status of interest on, the Bonds. Further, no assurance can be given that pending or future legislation or amendments to the Code will not adversely affect the value of, or the tax status of interest on, the Bonds. The Issuer is not obligated to redeem or increase the interest rate on the Bonds if interest on such Bonds becomes includable in federal gross income.

The Code provides that interest on certain "qualified private activity bonds" may be excludable from gross income for federal income tax purposes. The Bonds are issued as "qualified exempt facility bonds" for qualified residential rental projects within the meaning of Section 142(d) of the Code.

In order to meet the requirements for "exempt facility bonds" all of the proceeds of the Bonds, subject to certain de minimis exceptions, must provide residential rental projects meeting certain "set aside" requirements. In general, either (i) at least 20% of the residential units in each project must be occupied by individuals whose income is 50% or less of the area median gross income, or, in the alternative (ii) at least 40% of the residential units in the project must be occupied by individuals whose income is 60% or less of the area median gross income (the "Occupancy Restrictions"). An election to apply either the 20% set aside or the 40% set aside must be made by the Issuer prior to the issuance of the Bonds and, in the case of refunding bonds, prior to the issuance of the refunded bonds. All residential units in a project must remain rented or available for rental (i.e., not converted to condominium or other form of occupancy by the owner thereof for the "Occupancy Restrictions Period" (hereinafter defined)). The Code requires that the income of individuals and area median gross income must be determined by the Secretary of the Treasury in a manner consistent with determinations of lower-income families and area median gross income under Section 8 of the Housing Act. These income determinations are required to include adjustments for family size. The Occupancy Restrictions Period applicable to the Project commences on the Closing Date and ends on the latest of (i) 15 years following the date on which the Project achieves occupancy of 50% of the residential units of the Project, (ii) the date of redemption or retirement of all of the Bonds allocable to the Project, and (iii) the date of termination of any Section 8 assistance under the Housing Act.

The applicable Treasury regulations further provide that the exemption from federal income taxes of interest on the Bonds is subject to (i) continuing compliance with certain provisions thereof, including the Occupancy Restrictions, and (ii) the correction on a timely basis (not less than 60 days after noncompliance is or should have been discovered) of any noncompliance arising from events occurring after the issuance of the Bonds, except in the case of an involuntary loss or certain unforeseen events such as foreclosure or condemnation, in which case the proceeds of foreclosure, insurance or condemnation awards are required to be used either to retire any such Bonds outstanding relating to the Project or to restore the Project or provide another project that meets the requirements of Sections 103 and 142(d) of the Code, as applicable. Failure of the Borrower to comply with covenants relating to use of the Project may result in interest payable with respect to the Bonds being included in federal gross income, possibly from the date of the original issuance of the Bonds.

The Issuer, as a condition of financing the Project from Bond proceeds, has required or will require the Borrower and the Trustee to enter into a Regulatory Agreement and Declaration of Restrictive Covenants (the "Regulatory Agreement") with respect to the Project in which the Borrower covenants, subject to certain limitations described below, to comply with the requirements of Section 142(d) of the Code. The requirements in the Regulatory Agreement must be continuously met by the Project subsequent to the date of issue of the Bonds in order that interest on the Bonds be exempt from federal income taxation. In the Regulatory Agreement, the Issuer and the Borrower each covenants that it will not knowingly take or permit any action to be taken which would adversely affect the exemption of interest on the Bonds from federal income taxation. The Borrower and the Issuer also agree to take any lawful actions, including amendment of the Regulatory Agreement, as are necessary in the opinion of nationally recognized Bond Counsel, to comply fully with all applicable requirements affecting the federal tax exemption of interest on the Bonds under Sections 103 and 142(d) of the Code. Subject to the foregoing, the Regulatory Agreement obligates the Borrower and its successors to operate the Project as a "qualified residential rental project," as defined in Section 142(d) of the Code.

If the Issuer becomes aware of a violation by the Borrower of any of the provisions of the Regulatory Agreement, it shall give immediate written notice thereof to the Borrower directing the Borrower to remedy the violation within a reasonable specified period of time. If the violation has not been fully remedied by the Borrower to the satisfaction of the Issuer within the specified period of time, the Issuer may sue for specific performance of the Regulatory Agreement, for an injunction against any such violation of the provisions of the Regulatory Agreement, to recover monetary damages or pursue any other remedies available at law or in equity. The availability of equitable remedies such as specific performance or an injunction to enforce those covenants is generally subject to the discretion of the court and no assurances can be given that the Issuer would be able to obtain such relief after proving a breach by the mortgagor of any of the covenants contained in the Regulatory Agreement.

In the Regulatory Agreement, the Borrower agrees to meet the Occupancy Restrictions at all times during the period commencing on the Closing Date and ending on the latest of (a) the date that is fifteen years after the date on which the Project achieves 50% occupancy, (b) the first day on which no tax-exempt private activity bond issued with respect to the Project is outstanding, and (c) the date on which any assistance under Section 8 of the Housing Act terminates (the "Occupancy Restrictions Period"). The Borrower is required to certify annually that the Project is in compliance with the tenant income targeting requirement. Failure to meet this requirement may cause interest on the Bonds to become taxable. A prospective low or moderate income tenant must certify that the tenant or tenant's family qualifies as being of low or moderate income for purposes of Section 142(d) of the Code (the "Income Certification"). A material misrepresentation by such prospective tenant in the Income Certification will, under such tenant's lease, be grounds for default and eviction; the enforcement of that provision may, however, be subject to limitations imposed now or in the future by laws designed to protect tenants' rights. Increase of a tenant's income above the low income level will not disqualify that tenant as a low income tenant until that tenant's income exceeds 140% of the maximum income allowed for a low income tenant, and such excessive income above the 140% level will not disqualify the Project as a qualified residential rental project, provided that the next vacancy of a comparable or smaller unit is occupied by a low income tenant.

The Regulatory Agreement provides that the covenants, representations and restrictions therein shall terminate in the event of an involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed-in-lieu of foreclosure, change in a federal law or an action of a federal agency after issuance of the Bonds which prevents the Issuer from enforcing the Regulatory Agreement or condemnation or similar event relating to the Project, but only if within a reasonable period either the Bonds allocable to the Project that is the subject of involuntary noncompliance are retired or amounts received as a consequence of such event are used to provide a project which meets the requirements of Section 142(d) of the Code and applicable regulations thereunder; provided that the covenants, representations and restrictions shall again become effective if, subsequent to any such foreclosure or transfer by deed-in-lieu of foreclosure or similar event, the Borrower or any "related person" (as such term is used in Section 147(a)(2)(A) and (B) of the Code and regulations thereunder) acquires an ownership interest in the Project at any time during the remainder of the related Occupancy Restriction Period.

The Code imposes other requirements that are conditions to exclusion from gross income of interest on the Bonds for federal income tax purposes. These requirements include, but are not limited to, the requirement that at least 95% of the net proceeds of the Bonds be used to provide a qualified residential rental project, limitations on the yield of investments allocable to the Bonds, rebate of investment arbitrage to the U.S. Government, and limitations on the amount of Bonds proceeds that may be used to pay the Costs of Issuance of the Bonds.

Certain requirements and procedures contained or referred to in the Resolution, the Indenture, the Financing Agreement, the Regulatory Agreement, the Tax Certificate, and other relevant documents may be changed and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion as to any Bonds or the interest thereon if any such change occurs or action is taken or omitted.

The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the owners of the Bonds. The extent of these other tax consequences will depend on such owners' particular tax status and other items of income or deduction. Bond Counsel has expressed no opinion regarding any such consequences.

Purchasers of the Bonds, particularly purchasers that are corporations (including S corporations, foreign corporations operating branches in the United States of America, and certain corporations subject to the alternative minimum tax imposed on corporations), property or casualty insurance companies, banks, thrifts or other financial institutions, certain recipients of social security or railroad retirement benefits, taxpayers entitled to claim the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, should consult their tax advisors as to the tax consequences of purchasing or owning the Bonds.

No assurance can be given that future legislation or clarification of the Code, if enacted into law, will not cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation, or otherwise prevent Bondholders from realizing the full current benefit of the tax status of such interest. No assurance can be given that

the introduction or enactment of any such future legislation or clarification of the Code will not affect the market price for or marketability of the Bonds. Prospective purchasers of such Bonds should consult their own tax advisers regarding any pending or proposed federal tax legislation, as to which Bond Counsel expresses no opinion. Further, no assurance can be given that any action of the Internal Revenue Service, including but not limited to selection of the Bonds for examination, or the course or result of any IRS examination of the Bonds, or bonds which present similar tax issues, will not affect the market price for or marketability of the Bonds.

The Opinion of Bond Counsel is based on current legal authority and represents Bond Counsel's judgment as to the proper treatment of the Bonds for federal income tax purposes. It is not binding on the IRS or the courts and is not a guarantee of result. In recent years, the IRS has implemented an active program to examine tax-exempt bond issues for compliance with federal income tax requirements including examinations of qualified exempt facility bonds for residential rental projects. Under current procedures, parties other than the Issuer, including the Bondholders, will have little if any right to participate in the IRS examination process. Moreover, because achieving judicial review in connection with an examination of tax-exempt bonds may be difficult, obtaining an independent review of IRS positions with which the Issuer legitimately disagrees may not be practical. If such a situation arises, the Issuer or the Bondholders may incur significant expense, loss of market value to the Bondholders, or both.

Bond Counsel is also of the opinion that, pursuant to Sections 71.05(1)(c)(1m) and 71.26(1m)(em) of the Wisconsin Statutes, interest on the Bonds is exempt from State income tax. Ownership of the Bonds may result in other state and local tax consequences to certain taxpayers. Bond Counsel has expressed no opinion regarding other tax consequences arising with respect to the Bonds under the laws of the State or any other state or jurisdiction. Prospective purchasers of the Bonds should consult their tax advisors regarding the applicability of any such state and local taxes.

A copy of the form of opinion of Bond Counsel is attached hereto as Appendix I-1.

Market Discount. An investor that acquires a Bond in the secondary market for a price less than the adjusted issue price of such Bond may be subject to the market discount rules of Sections 1276 through 1278 of the Code. Under these sections and the principles applied by the Regulations, "market discount" means (a) in the case of a Bond originally issued at a discount, the amount by which the issue price of such Bond, increased by all accrued original issue discount (as if held since the issue date), exceeds the initial tax basis of the owner therein, less any prior payments that did not constitute payments of qualified stated interest, and (b) in the case of a Bond not originally issued at a discount, the amount by which the stated redemption price of such Bond at maturity exceeds the initial tax basis of the owner therein. Under Section 1276 of the Code, the owner of such a Bond will generally be required (i) to allocate each principal payment to accrued market discount not previously included in income and, upon sale or other disposition of the Bond, to recognize the gain on such sale or disposition as ordinary income to the extent of such cumulative amount of accrued market discount as of the date of sale or other disposition of such a Bond or (ii) to elect to include such market discount in income currently as it accrues on all market discount instruments acquired by such owner on or after the first day of the taxable year to which such election applies.

The Code authorizes the U.S. Treasury Department to issue regulations providing for the method for accruing market discount on debt instruments the principal of which is payable in more than one installment. Until such time as regulations are issued by the Treasury Department, certain rules described in the legislative history will apply. Under those rules, market discount will be included in income either (a) on a constant interest basis or (b) in proportion to the accrual of stated interest or, in the case of a Bond with original issue discount, in proportion to the accrual of original issue discount.

An owner of a Bond that acquired such Bond at a market discount also may be required to defer, until the maturity date of such Bond or its earlier disposition in a taxable transaction, the deduction of a portion of the amount of interest that the owner paid or accrued during the taxable year on indebtedness incurred or maintained to purchase or carry such Bond in excess of the aggregate amount of interest (including original issue discount) includable in such owner's gross income for the taxable year with respect to such Bond. The amount of such net interest expense deferred in a taxable year may not exceed the amount of market discount accrued on the Bond for the days during the taxable year on which the owner held such Bond and, in general, would be deductible when such market discount is includable in income. The amount of any remaining deferred deduction is to be taken into account in the taxable year in which the Bond matures or is disposed of in a taxable transaction. In the case of a disposition in which gain or loss is not

recognized in whole or in part, any remaining deferred deduction will be allowed to the extent gain is recognized on the disposition. This deferral rule does not apply if the owner elects to include such market discount in income currently as it accrues on all market discount obligations acquired by such owner in that taxable year or thereafter.

Attention is called to the fact that Regulations implementing the market discount rules have not yet been issued. Therefore, investors should consult their own tax advisors regarding the application of these rules as well as the advisability of making any of the elections with respect thereto.

Premium. Certain of the Bonds may be sold at initial public offering or in the secondary market at prices in excess of the principal amount thereof (the “Premium Bonds”). Under the Code, the difference between the principal amount of Premium Bonds and the cost basis of such Premium Bonds to an owner (other than an owner who holds the Premium Bonds as inventory, stock in trade or for sale to customers in the ordinary course of business) is “bond premium.” The owner of Premium Bonds must amortize any bond premium in accordance with Section 171 of the Code. Owners of Premium Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of the treatment of bond premium upon sale, redemption or other disposition of such Premium Bonds and with respect to the state and local consequences of owning and disposing of Premium Bonds.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to under this heading “TAX MATTERS” or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds or the market value thereof would be impacted thereby. Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based on existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

PROSPECTIVE PURCHASERS OF THE BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE BONDS AS TO THE IMPACT OF THE CODE UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE BONDS.

NO LITIGATION

The Issuer

There is no proceeding or litigation of any nature now pending or threatened against the Issuer restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or the Financing Documents to which the Issuer is a party, any proceedings of the Issuer taken with respect to the issuance or sale thereof, the pledge or application of any money or security provided for the payment of the Bonds, the existence or powers of the Issuer relating to the Bonds or the title of any officers of the Issuer to their respective positions.

The Borrower

There is no legal action, suit, proceeding, investigation or inquiry at law or in equity, before or by any court, agency, arbitrator, public board or body or other entity or person, pending or, to the best knowledge of the Borrower, threatened against or affecting the Borrower in its capacity as such, nor, to the knowledge of the Borrower, any basis therefor, (i) which would restrain or enjoin the issuance or delivery of the Bonds, the use of this Official Statement in the marketing of the Bonds or the collection of revenues pledged under or pursuant to the Indenture or (ii) which would in any way contest or affect the organization or existence of the Borrower or the entitlement of any officer of

the Borrower to its position or (iii) which would contest or have a material and adverse effect upon (A) the due performance by the Borrower of the transactions contemplated by this Official Statement, (B) the validity or enforceability of the Bonds or any other agreement or instrument to which the Borrower is a party and that is used or contemplated for use in the consummation of the transactions contemplated hereby and thereby, (C) the exclusion from gross income for federal income tax purposes of the interest on the Bonds or (D) the financial condition or operations of the Borrower, (iv) which contests in any way the completeness or accuracy of this Official Statement or (v) which questions the power or authority of the Borrower to carry out the transactions on its part contemplated by this Official Statement, or the power of the Borrower to own or operate the Project. The Borrower is not subject to any judgment, decree or order entered in any lawsuit or proceeding brought against it that would have such an effect.

CERTAIN LEGAL MATTERS

The validity of the Bonds and certain other legal matters are subject to an approving opinion of Kutak Rock LLP, Omaha, Nebraska, and MWH Law Group LLP, Milwaukee, Wisconsin, co-Bond Counsel to the Issuer. The approving opinions of co-Bond Counsel, in substantially the forms set forth as APPENDIX I-1 and APPENDIX I-2 to this Official Statement, will be delivered with the Bonds. Certain legal matters will be passed upon for the Borrower by its counsels, Cohen Liuzzo PLLC, New York, New York, and Reinhart Boerner Van Deuren S.C., and for the Underwriter by its counsel, Tiber Hudson LLC, Washington, D.C. Payment of the fees of certain counsel to the transaction is contingent upon the issuance and delivery of the Bonds as described herein.

UNDERWRITING

Pursuant and subject to the terms and conditions set forth in the Bond Purchase Agreement (the “Bond Purchase Agreement”), among Stifel, Nicolaus & Company, Incorporated (the “Underwriter”), the Issuer and the Borrower, the Underwriter has agreed to purchase the Bonds at the price set forth on the cover page hereof. For its services relating to the transaction, the Underwriter will receive a fee of \$_____ plus \$_____, payable in immediately available funds on the Closing Date, from which the Underwriter shall pay certain fees and expenses relating to the issuance of the Bonds, plus an additional amount of \$_____ (the “Underwriter’s Advance”) for initial deposits established under the Indenture. The Underwriter’s fee shall not include the fee of its counsel. The Borrower will reimburse the Underwriter for the Underwriter’s Advance on or before the Closing Date.

The Underwriter’s obligations are subject to certain conditions precedent, and the Underwriter will purchase all the Bonds, if any are purchased. Pursuant to the Bond Purchase Agreement, the Borrower has agreed to indemnify the Underwriter and the Issuer against certain civil liabilities, including liabilities under federal securities laws. It is intended that the Bonds will be offered to the public initially at the offering prices set forth on the cover page hereof and that such offering prices subsequently may change without any requirement of prior notice. The Underwriter may offer the Bonds to other dealers at prices lower than those offered to the public.

The Underwriter does not guarantee a secondary market for the Bonds and is not obligated to make any such market in the Bonds. No assurance can be made that such a market will develop or continue. Consequently, investors may not be able to resell Bonds should they need or wish to do so for emergency or other purposes.

The Underwriter and its affiliates comprise a full-service financial institution engaged in activities which may include securities sales and trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. The Underwriter and its affiliates may have provided, and may in the future provide, a variety of these services to the Issuer and/or the Borrower and to persons and entities with relationships with the Issuer and/or the Borrower, for which they received or will receive customary fees and expenses. The Underwriter is not acting as financial advisor to the Issuer or the Borrower in connection with the offer and sale of the Bonds.

In the ordinary course of these business activities, the Underwriter and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the Issuer and/or the Borrower (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Issuer and/or the Borrower.

The Underwriter and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. Such investment and securities activities may involve securities and instruments of the Issuer.

In addition to serving as Underwriter, Stifel, Nicolaus & Company, Incorporated has been designated to serve as Remarketing Agent and will receive a fee for its remarketing services in connection with the remarketing, if any, of the Series C Bonds on the Initial Mandatory Tender Date; conflicts of interest could arise.

RATINGS

Moody's Investors Service, Inc., a Delaware corporation (the "Rating Agency") has assigned to the Bonds the ratings set forth on the cover page hereof. An explanation of the significance of such ratings may be obtained from the Rating Agency. The ratings of the Bonds reflect only the views of the Rating Agency at the time such ratings were given, and neither the Issuer nor the Borrower nor the Underwriter makes any representation as to the appropriateness of the ratings. The ratings are not a recommendation to buy, sell, or hold the Bonds. There is no assurance that such ratings will continue for any given period of time or that they will not be revised downward or withdrawn entirely by the Rating Agency, if in its judgment, circumstances so warrant. Any such downward revision or withdrawal of the ratings may have an adverse effect on the market price of the Bonds.

CONTINUING DISCLOSURE

The Borrower, as the only "obligated person" with respect to the Bonds, will enter into a Continuing Disclosure Agreement, dated as of June 1, 2026* (the "Continuing Disclosure Agreement"), with Zions Bancorporation, National Association, a national banking association, acting as Dissemination Agent, pursuant to which the Borrower will agree to provide ongoing disclosure pursuant to the applicable requirements of Rule 15c2-12 of the United States Securities and Exchange Commission (the "Rule"). Financial statements will be provided at least annually to the Municipal Securities Rulemaking Board (the "MSRB") and notices of certain events will be issued pursuant to the Rule. Information will be filed with the MSRB through its Electronic Municipal Market Access ("EMMA") system, unless otherwise directed by the MSRB. A form of the Continuing Disclosure Agreement is attached hereto as Appendix G.

A failure by the Borrower to comply with the provisions of the Continuing Disclosure Agreement will not constitute a default under the Financing Agreement (although Bondholders will have any available remedy at law or in equity for obtaining necessary disclosures). Nevertheless, such a failure to comply is required to be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds.

The Borrower has not previously been subject to the continuing disclosure requirements of the Rule.

THE TRUSTEE

The information under this heading has been provided solely by the Trustee and is believed to be reliable, but has not been verified independently by the Issuer or the Underwriter. No representation whatsoever as to the accuracy, adequacy or completeness of such information is made by the Borrower, the Issuer or the Underwriter.

The Issuer has appointed Zions Bancorporation, National Association as Trustee under the Indenture. The Trustee is a national banking association, having all of the powers of a bank, including fiduciary powers, and is a member of the Federal Deposit Insurance Corporation and the Federal Reserve System.

The Trustee is to carry out such duties as are assigned to it under the Indenture, the Financing Agreement, and the other Financing Documents. Except for the contents of this section, the Trustee has not reviewed or participated in the preparation of this Official Statement and assumes no responsibility for the nature, contents,

* Preliminary; subject to change.

accuracy or completeness of the information set forth in this Official Statement or for the recitals contained in the Indenture or the Bonds (except for the certificate of authentication on each Bond), or for the validity, sufficiency, or legal effect of any of such documents.

Furthermore, the Trustee has no oversight responsibility, and is not accountable, for the use or application of any of the Bonds authenticated or delivered pursuant to the Indenture or for the use or application of the proceeds of such Bonds. The Trustee has not evaluated the risks, benefits, or propriety of any investment in the Bonds and makes no representation, and has reached no conclusions, regarding the value or condition of any assets or revenues pledged or assigned as security for the Bonds, the technical or financial feasibility of the expected uses of proceeds of the Bonds or the investment quality of the Bonds, about all of which the Trustee expresses no opinion and expressly disclaims the expertise to evaluate.

ENFORCEABILITY OF REMEDIES

The remedies available to the Trustee, the Issuer and the Bondholders upon an Event of Default under the Indenture, the Financing Agreement or the Regulatory Agreement are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, including specifically the Federal Bankruptcy Code, the remedies provided for under the Indenture, the Financing Agreement or the Regulatory Agreement may not be readily available or may be limited.

In addition, the Financing Agreement provides that the payment obligations of the Borrower contained therein (other than certain obligations to the Issuer and the Trustee) will be limited obligations payable solely from the income and assets of the Borrower, and that no member of the Borrower will have any personal liability for the satisfaction of any payment obligation of the Borrower under such agreements or of any claim against the Borrower arising out of such agreements or the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State and the United States of America and bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

RELATIONSHIP AMONG PARTIES

In connection with the issuance of the Bonds, the Issuer, the Borrower, and the Underwriter are being represented by the attorneys or law firms identified herein. In other transactions not related to the Bonds, each of these attorneys or law firms may have acted as bond counsel or represented the Issuer, the Underwriter, the Borrower, or their affiliates, in capacities different from those described herein, and there will be no limitations imposed as a result of the issuance of the Bonds on the ability of any of those attorneys or firms to act as bond counsel or represent any of these parties in any future transactions. Potential purchasers of the Bonds should not assume that the Issuer, the Underwriter, the Borrower, or their respective counsel or Bond Counsel have not previously engaged in, or will not after the issuance of the Bonds engage in, other transactions with each other or with affiliates of any of them, and no assurance can be given that there are or will be no past or future relationships or transactions between or among any of these parties or these attorneys or law firms.

Security..... Guaranteed Mortgage Pass-Through Certificates (Multifamily Residential Mortgage Loans)

General Fannie Mae is a government-sponsored enterprise that was established by the U.S. Congress in 1938 under the name “Federal National Mortgage Association” to support liquidity and stability in the secondary mortgage market, where existing mortgage loans are purchased and sold. The address of its principal office is 1100 15th Street, NW, Washington, DC 20005; the telephone number is 800-2FANNIE (800-232-6643).

Fannie Mae has been under conservatorship since September 6, 2008. The conservator, the Federal Housing Finance Agency (“FHFA”), succeeded to all rights, titles, powers and privileges of Fannie Mae and of any shareholder, officer or director of the company with respect to the company and its assets. For additional information on the conservatorship, see “**FANNIE MAE — Regulation and Conservatorship**” in the Fannie Mae MBS Prospectus.

Fannie Mae’s regulators include FHFA, the U.S. Department of Housing and Urban Development (“HUD”), the Securities and Exchange Commission (the “SEC”), and the U.S. Department of the Treasury (the “Treasury”). The Office of Federal Housing Enterprise Oversight, the predecessor of FHFA, was Fannie Mae’s safety and soundness regulator prior to enactment of the Federal Housing Finance Regulatory Reform Act of 2008.

On September 7, 2008, Fannie Mae entered into a senior preferred stock purchase agreement with the Treasury pursuant to which Fannie Mae issued to it one million shares of senior preferred stock and a warrant to purchase, for a nominal price, shares of common stock equal to 79.9% of the outstanding common stock of Fannie Mae. **Nevertheless, Fannie Mae alone is responsible for making payments under its guaranty. The MBS if issued by Fannie Mae and acquired by the Trustee and payments of principal and interest on the MBS will not be guaranteed by the United States and do not constitute a debt or obligation of the United States or any of its agencies or instrumentalities other than Fannie Mae.**

Sponsor and Depositor.....	Fannie Mae is the sponsor of this offering of certificates and the depositor of the mortgage loans into the trust.
Description of MBS.....	The MBS if issued by Fannie Mae and acquired by the Trustee will represent a pro rata undivided beneficial ownership interest in (i) the Permanent Loan or (ii) the pool of mortgage loan participation interests that comprise the trust. See “THE PERMANENT LOAN” in the Official Statement. Fannie Mae will issue the MBS in book-entry form on the book-entry system of the U.S. Federal Reserve Banks. The book-entry MBS will not be convertible into physical certificates.
Minimum Denomination.....	Fannie Mae will issue the MBS in minimum denominations of \$1,000, with additional increments of \$1.
Issue Date	The date specified on the front cover page, which is the first day of the month in which the MBS is issued.
Settlement Date.....	The date specified on the front cover page, which is a date no later than the last business day of the month in which the issue date occurs.
Distribution Date.....	The “Distribution Date” is the 25th day of each month which is the date designated for payments to the Trustee as holder of the MBS, if issued. If that day is not a Business Day, payments will be made on the next Business Day. The first Distribution Date for the MBS will occur in the month following the month in which the MBS is issued. For example, if the issue date is January 1st, the first distribution date is February 25th or, if February 25th is not a Business Day, the first Business Day following February 25th.
Maturity Date.....	The date specified on the front cover page, which is the date that the final payment is due on the last mortgage loan remaining in the pool.
Use of Proceeds.....	The MBS is backed by a pool of one or more mortgage loans that Fannie Mae recently acquired or already owned. Fannie Mae is issuing the MBS either in exchange for the recently acquired mortgage loans or for cash proceeds that are generally used for purchasing other mortgage loans or for general corporate purposes.
Interest.....	On each Distribution Date, Fannie Mae will pass through on the MBS, if issued, one month’s interest at the fixed “Pass-Through Rate”.

Because Fannie Mae’s guaranty requires it to supplement amounts received by the trust as required to permit timely payment of interest, the amount of interest distributed to certificateholders on a Distribution Date will not be affected by any loss mitigation measure, taken with respect to, or other loan modification made to, the Permanent Loan while it remains in the trust.

As described under the caption “**MATERIAL FEDERAL INCOME TAX CONSEQUENCES**” which can be found at <https://capitalmarkets.fanniemae.com/media/26581/display>, the MBS and payments on the MBS, including interest payments thereon, are subject to federal income taxation. Such interest payments only become excluded from gross income for federal income tax purposes and excluded from taxation by the State, to the extent described elsewhere herein, when applied by the Trustee to pay interest due on the Series B Bonds. See “TAX MATTERS” in the Official Statement herein.

Principal.....

Fannie Mae will receive collections on the Permanent Loan on a monthly basis. The period Fannie Mae uses to differentiate between collections in one month and collections in another month is called the due period. The due period is the period from and including the second calendar day of the preceding month in which the Distribution Date occurs to and including the first calendar day of the month in which the Distribution Date occurs.

On each Distribution Date, Fannie Mae will pass through principal of the MBS, if issued, as follows:

- the aggregate amount of the scheduled principal due on the Permanent Loan in the pool during the related due period; and
- the aggregate amount of all unscheduled principal payments received as specified below:
 - the stated principal balance of the Permanent Loan as to which prepayments in full were received during the calendar month immediately preceding the month in which that Distribution Date occurs;
 - the stated principal balance of the Permanent Loan if it was purchased from the pool during the calendar month immediately preceding the month in which that Distribution Date occurs; and
 - the amount of any partial prepayments on the Permanent Loan that were received during the calendar month immediately preceding the month in which that Distribution Date occurs.

Because Fannie Mae’s guaranty requires it to supplement amounts received by the trust as required to permit timely payment of the principal amounts specified above, the amount of principal distributed to certificateholders on a Distribution Date will **not** be affected by any loss mitigation measure, taken with respect to, or other loan modification made to, the Permanent Loan while it remains in the trust.

Fannie Mae may treat a prepayment in full received on the first Business Day of a month as if the prepayment were received on the last Business Day of the preceding month. If Fannie Mae does so, it passes through these prepayments on the Distribution Date in the same month in which the prepayment actually was received. For example, if a prepayment on the Permanent Loan in full is actually received on the first Business Day of January, it would be treated as if it had been received on the last Business Day of December and, therefore, would be passed through on January 25 (or the next Business Day, if January 25 is not a Business Day).

The Permanent Loan permits the reamortization of principal after a permitted voluntary prepayment or an involuntary partial prepayment caused by the receipt of proceeds from insurance or condemnation. A reamortization of the Permanent Loan will cause a change in the amount of principal that is passed through to holders of the MBS.

Monthly Pool Factors On or about the fourth Business Day of each month, Fannie Mae publishes the monthly pool factor for each issuance of its certificates. If an investor multiplies the monthly pool factor by the original principal balance of the MBS, the investor will obtain the current principal balance of the MBS, after giving effect to the monthly principal payment to be passed through on the Distribution Date in that month. The most current pool factor is generally available through DUS Disclose on Fannie Mae’s website at <https://mfdusdisclose.fanniemae.com/#/home>.

Guaranty Fannie Mae guarantees to each trust that on each Distribution Date it will supplement amounts received by the trust as required to permit payments on the MBS in an amount equal to:

- the aggregate amounts of scheduled and unscheduled principal payments described in “—Principal” above, and
- an amount equal to one month’s interest on the MBS, as described in “—Interest” above.

In addition, Fannie Mae guarantees to the related trust that it will supplement amounts received by the trust as required to make the full and final payment of the unpaid principal balance of the related certificates on the Distribution Date in the month of the maturity date specified in the prospectus supplement.

Certificateholders have certain limited rights to bring proceedings against the Treasury if Fannie Mae fails to pay under its guaranty. The total amount that may be recovered from the Treasury is subject to limits imposed in the senior preferred stock purchase agreement. For a description of certificateholders’ rights to proceed against Fannie Mae and the Treasury, see “**FANNIE MAE—Certificateholders’ Rights Under the Senior Preferred Stock Purchase Agreement**” in the Fannie Mae MBS Prospectus.

Prepayments.....	A borrower may voluntarily prepay the loan in full. Except during the open period, each mortgage loan in the pool requires payment of a prepayment premium if the loan is prepaid voluntarily, as disclosed on Annex A. A portion of the prepayment premium, if collected, may be shared with certificateholders under the circumstances described in “ YIELD, MATURITY AND PREPAYMENT CONSIDERATIONS—Maturity and Prepayment Considerations—Prepayment of a Mortgage Loan ” in the Fannie Mae MBS Prospectus. Fannie Mae does not guarantee to any trust the payment of any prepayment premiums.
Master Servicing/Servicing.....	Fannie Mae is responsible as master servicer for certain duties. Fannie Mae has contracted with the mortgage servicer identified on Annex A to perform servicing functions for us subject to our supervision. Fannie Mae refers to this servicer or any successor servicer as its primary servicer. In certain limited circumstances, Fannie Mae may act as primary servicer. For a description of Fannie Mae’s duties as master servicer and the responsibilities of its primary servicer, see “ THE TRUST DOCUMENTS—Collections and Other Servicing Practices ” and “ FANNIE MAE PURCHASE PROGRAM—Servicing Arrangements ” in the Fannie Mae MBS Prospectus.
Business Day.....	Any day other than a Saturday or Sunday, a day when the fiscal agent or paying agent is closed or is authorized or obligated by law or executive order to remain closed, a day when the Federal Reserve Bank of New York is closed or is authorized or obligated by law or executive order to remain closed, or, for purposes of withdrawals from a certificate account, a day when the Federal Reserve Bank is closed or is authorized or obligated by law or executive order to remain closed in the district where the certificate account is maintained if the related withdrawal is being made from that certificate account.
Trust Documents.....	If issued, the MBS will be issued pursuant to the applicable Trust Agreement relating to the MBS issued at that time, as supplemented by a trust issue supplement for that issuance. Certain pertinent provisions of the trust agreement in the Fannie Mae MBS Prospectus will apply. Investors should refer to the trust agreement and the related trust issue supplement for a complete description of their rights and obligations as well as those of Fannie Mae in its various capacities. The current form of the trust agreement, as of the date hereof, may be found on Fannie Mae’s website: http://www.fanniemae.com .
Trustee.....	Fannie Mae serves as the trustee for the trust pursuant to the terms of the trust agreement and the related trust issue supplement.
Paying Agent.....	An entity designated by Fannie Mae to perform the functions of a paying agent. The Federal Reserve Bank of New York currently serves as Fannie Mae’s paying agent for certificates such as the MBS.
Fiscal Agent.....	An entity designated by Fannie Mae to perform certain administrative functions for the trust. The Federal Reserve Bank of New York currently serves as Fannie Mae’s fiscal agent for certificates such as the MBS.

Multifamily Mortgage Loan Pool. Each mortgage loan in the pool is a fixed-rate loan included in one of the following categories:

- Fixed-rate loans with monthly payments of interest only during their entire loan terms, with a balloon payment of all outstanding principal at maturity;
- Fixed-rate loans with monthly payments of interest only during specified initial periods, followed by monthly payments of principal and interest for their remaining loan terms, with a balloon payment of all outstanding principal at maturity;
- Fixed-rate loans with monthly payments of interest only during specified initial periods, followed by monthly payments of principal and interest that fully amortize over their remaining loan terms;
- Fixed-rate loans with monthly payments of interest and principal during their entire loan terms, with a balloon payment of all outstanding principal at maturity; and
- Fixed-rate loans with monthly payments of interest and principal that fully amortize over their loan terms.

Multifamily Mortgage Loans Each mortgage loan in the pool was acquired from a multifamily mortgage loan seller that Fannie Mae has approved. A mortgage loan may have been originated by the seller or may have been acquired by the seller from the originator of the loan, which may or may not be an approved mortgage loan seller. Each mortgage loan that Fannie Mae acquires either meets its published standards or is reviewed by Fannie Mae before delivery to determine its suitability. Fannie Mae may modify its standards or permit waivers on specific transactions from time to time.

Types of Property..... Each mortgage loan in the pool is secured by a lien on one or more of the following types of property:

- Multifamily residential properties;
- Cooperative housing projects;
- Dedicated student housing;
- Manufactured housing communities;
- Military housing; or
- Seniors housing

Annex A discloses the type of property securing each mortgage loan in the pool and the priority of each lien. Any type of property may also be considered affordable housing; Annex A discloses certain affordable housing characteristics.

Termination..... The trust will terminate when the certificate balance of the certificates has been reduced to zero, and all required distributions have been passed through to certificateholders. Fannie Mae has no unilateral option to cause an early termination of the trust other than by purchasing a mortgage loan from the pool for a reason permitted by the trust documents.

Federal Income Tax Consequences.....	The mortgage pool will be classified as a fixed investment trust. Unless otherwise disclosed in the Additional Disclosure Addendum, Fannie Mae will file an election to treat the mortgage pool as a being included in the assets of a real estate mortgage investment conduit (“REMIC”). In that case, for federal income tax purposes the related certificate will represent ownership of a REMIC regular interest and an interest in any associated prepayment premiums, in each case, in respect of each mortgage loan in the pool. See “ MATERIAL FEDERAL INCOME TAX CONSEQUENCES ” in the Fannie Mae MBS Prospectus.
Whole Pool Certificates.....	Fannie Mae’s counsel, Katten Muchin Rosenman LLP, has advised Fannie Mae that certificates issued under the trust documents that represent 100% of the beneficial interests in a pool of mortgage loans (or participation interests therein) held in the related trust and with respect to which REMIC elections are made will qualify as “whole pool certificates” to the same extent as certificates that represent 100% of the beneficial interests in a pool of mortgage loans (or participation interests therein) held in a trust with respect to which no REMIC elections are made.
Resecuritization.....	Following the assignment of mortgage loans to a trust, the related certificates upon issuance will represent the initial securitization of the mortgage loans. Any further assignment of the certificates to a REMIC trust or other issuance vehicle will represent the initial resecuritization of the mortgage loans. Certificates backed by mortgage loans with respect to which a REMIC election is made may be resecuritized to the same extent as, and may be commingled freely with, certificates backed by mortgage loans with respect to which no REMIC election is made.
Legal Investment Considerations.	Under the Secondary Mortgage Market Enhancement Act of 1984, the certificates offered by this prospectus will be considered “securities issued or guaranteed by ... the Federal National Mortgage Association.” Nevertheless, investors should consult their own legal advisor to determine whether and to what extent the certificates of an issuance constitute legal investments for them.
ERISA Considerations.....	For the reasons discussed in “ ERISA CONSIDERATIONS ” in the Fannie Mae MBS Prospectus, an investment in the certificates by a plan subject to the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) will not cause the assets of the plan to include the mortgage loans underlying the certificates or the assets of Fannie Mae under the fiduciary provisions of ERISA or the prohibited transaction provisions of ERISA or Section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”). Nevertheless, fiduciaries of such plan investors should consult with counsel regarding the applicability of the provisions of ERISA and Section 4975 of the Code before purchasing the certificates.

SCHEDULE I

FORM OF PROPOSED ADDITIONAL DISCLOSURE ADDENDUM

The following information supplements the information in the Fannie Mae MBS Prospectus. In the event of any inconsistency between the information provided in this Addendum and the information in the Fannie Mae MBS Prospectus, the information in this Addendum shall prevail.

The mortgage loan is an affordable housing loan and, accordingly, the mortgaged property is subject to affordable housing regulatory agreements that impose income and rent restrictions on tenants of the mortgaged property. In addition, the mortgaged property has received an allocation of low-income housing tax credits and the property owner has elected the occupancy option under the Consolidated Appropriations Act of 2018 referred to as “income averaging.” The borrower has covenanted to meet all requirements necessary to cause issuance and completion of IRS Form(s) 8609 for the mortgaged property in a timely fashion and in compliance with Section 42(1) of the Internal Revenue Code. Failure to comply with these covenants is an event of default under the loan agreement. See “THE MORTGAGE LOANS—Affordable Housing Loans”; “RISK FACTORS—RISKS RELATING TO YIELD AND PREPAYMENT—Prepayments Relating to Specific Types of Mortgage Loans and Mortgaged Properties—The successful operation of a mortgaged property securing an affordable housing mortgage loan may depend upon additional factors”; and “RISK FACTORS—RISKS RELATING TO YIELD AND PREPAYMENT—Prepayments Relating to Specific Types of Mortgage Loans and Mortgaged Properties—An affordable housing mortgage loan may be secured by a mortgaged property that has received an allocation of low-income housing tax credits but that fails to remain in compliance with the requirements for maintaining eligibility to receive the tax credits due to operations of the property or a casualty on the property” in the Fannie Mae MBS Prospectus for additional information.

The MBS certificates will serve as collateral for a tax-exempt issue of multifamily housing bonds (the “Series B Bonds”) issued by the Wisconsin Housing and Economic Development Authority (the “Issuer”) pursuant to and secured by an Indenture of Trust by and between the Issuer and Zions Bancorporation, National Association (the “Indenture”). The mortgage loan documents provide that the mortgage loan is cross-defaulted with certain agreements relating to the Series B Bonds entered into at the time of the issuance of the Series B Bonds, including but not limited to the Indenture authorizing the Series B Bonds and any housing regulatory agreements that limit rents, impose income restrictions or otherwise restrict the use of the property.

Because the mortgage loan documents provide that the mortgage loan is cross-defaulted with certain of the agreements entered into at the time of the issuance of the Series B Bonds, a default under any of the cross-defaulted documents may trigger an event of default on the mortgage loan. If Fannie Mae accelerates the mortgage loan as a result of any event of default under the mortgage loan, the mortgage loan will be paid in full, and the stated principal balance of the MBS certificates will be passed through to the holder of the MBS certificates. In this case, no yield maintenance or other prepayment premiums will be payable to the holder of the MBS certificates.

The borrower may obtain a supplemental loan secured by a lien on the mortgaged property. Any such supplemental loan is expected to be subordinate to the mortgage loan. Generally, however, the supplemental loan will be cross-defaulted with the mortgage loan. As a result, an event of default on the supplemental loan may cause an event of default on the mortgage loan, which may result in acceleration of the mortgage loan. See “THE MORTGAGE LOANS—General Characteristics of the Mortgage Loans—Existing and Future Supplemental Mortgage Loans—Future Supplemental Mortgage Loans” and “Cross Default; Existing Mortgage Loans; Future Supplemental Mortgage Loans” in the Fannie Mae MBS Prospectus for additional information.

In addition to the matters described above, the eligible multifamily lender making the mortgage loan may request the disclosure of additional matters relating to the mortgage loan or, upon delivery of the mortgage loan to Fannie Mae, in Fannie Mae’s discretion, it may determine that matters identified in the Term Sheet attached as APPENDIX H to the Official Statement or otherwise may need to be disclosed in the Additional Disclosure Addendum provided in connection with the issuance of the MBS certificates.

APPENDIX C
SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE

The following is a summary of certain provisions of the Indenture which are not described elsewhere in the Official Statement. This summary does not purport to be comprehensive, and reference should be made to the Indenture for a full and complete statement of its provisions.

Authorization, Transfer and Registration, and Terms of Bonds

Authorization of Bonds. The Bonds of the Issuer are authorized by the Indenture to be issued in aggregate principal amounts set forth in the Indenture and such Bonds shall be issued subject to the terms, conditions and limitations established in the Indenture as provided therein. The Bonds may be executed by or on behalf of the Issuer, authenticated by the Trustee and delivered or caused to be delivered by the Trustee to the original purchasers thereof upon compliance with the requirements set forth in the Indenture.

Execution. The Bonds shall be signed by, or bear the facsimile or manual signature of, an Authorized Officer of the Issuer, and attested to by the manual or facsimile signature of the Secretary or Assistant Secretary of the Issuer, and the seal of the Issuer shall be impressed or imprinted thereon. In case any one or more of the officers of the Issuer who shall have signed any of the Bonds or whose signature appears on any of the Bonds shall cease to be such officer before the Bonds so signed shall have been actually authenticated or delivered or caused to be delivered by the Trustee or issued by the Issuer, such Bonds may, nevertheless, be authenticated by the Trustee and issued and, upon such authentication, delivery and issue, shall be as binding upon the Issuer as if the persons who signed such Bonds or whose signatures appear on any of the Bonds had not ceased to hold such offices until such delivery. Any Bond may be signed on behalf of the Issuer by such persons as at the actual time of execution of the Bonds shall be duly authorized or hold the proper office in the Issuer, although at the date of issuance and delivery of the Bonds such persons may not have been so authorized or have held such office.

Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Issuer, at the expense of the owner of such Bond shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be cancelled by it and delivered to, or upon the order of, the Issuer. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence shall be satisfactory to it and indemnity satisfactory to the Trustee shall be given, the Issuer, at the expense of the owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Bond authenticated and delivered under this section and of the expenses which may be incurred by the Issuer and the Trustee in connection therewith. Any Bond authenticated and delivered under the provisions of this section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Issuer whether or not the Bond so alleged to be lost, destroyed or stolen shall be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of the Indenture with all other Bonds secured by the Indenture. If any such Bond shall have matured, or is about to mature, instead of issuing a new Bond the Trustee may pay the same without surrender thereof upon receipt of the aforementioned indemnity.

Registration, Transfer and Exchange of Bonds; Persons Treated as Owners. The Trustee shall keep books for the registration, transfer and exchange of the Bonds as provided in the Indenture. The Trustee is constituted and appointed the bond registrar with respect to the Bonds (the "Bond Registrar"). At reasonable times and under reasonable regulations established by the Trustee, said books may be inspected and copied by the Issuer or by owners (or a designated representative thereof) of a majority in aggregate principal amount of the Bonds Outstanding. The Trustee is also appointed as paying agent for the Bonds.

The registration of each Bond is transferable by the registered owner thereof in person or by its attorney duly authorized in writing at the designated corporate trust office of the Trustee. Upon surrender for registration of transfer of any Bond at such office, the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond of the same maturity or maturities and Authorized Denomination for the same aggregate principal amount. Bonds to be exchanged shall be surrendered at said designated corporate trust office of the Trustee, and the Trustee

shall authenticate and deliver in exchange therefor a Bond of equal aggregate principal amount of the same maturity and Authorized Denomination.

All Bonds presented for registration of transfer, exchange or payment (if so required by the Issuer or the Trustee) shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Trustee, duly executed by the registered owner or by its duly authorized attorney.

The Issuer, the Bond Registrar and the Trustee shall not be required (i) to issue, register the transfer of or exchange any Bonds during a period beginning at the Trustee's opening of business on the applicable Record Date and ending at the Trustee's close of business on the applicable Payment Date; or (ii) to register the transfer of or exchange any Bond selected, called or being called for redemption or retirement as provided in the Indenture. No charge shall be made to any Bondholder for the privilege of registration of transfer as provided in the Indenture, but any Bondholder requesting any such registration of transfer shall pay any tax or governmental charge required to be paid therefor.

New Bonds delivered upon any registration of transfer or exchange shall be valid obligations of the Issuer, evidencing the same debt as the Bonds surrendered, shall be secured by the Indenture and shall be entitled to all of the security and benefits of the Indenture to the same extent as the Bonds surrendered. The person in whose name any Bond is registered shall be deemed the owner thereof by the Issuer and the Trustee, and any notice to the contrary shall not be binding upon the Issuer or the Trustee. Notwithstanding anything in the Indenture to the contrary, to the extent the Bonds are Book-Entry Bonds, the provisions of the Indenture shall govern the exchange and registration of Bonds.

- (i) the MBS shall bear interest at the Pass-Through Rate payable on the 25th day of each month, commencing on the 25th day of the month following the month in which the Trustee purchases the MBS, or if any such 25th day is not a Business Day, the next succeeding Business Day, and shall mature on the MBS Maturity Date; and
- (ii) the MBS shall be acquired by the Trustee on behalf of the Issuer, shall be held at all times by the Trustee in trust for the benefit of the Holders of the Series B Bonds and shall be held only in book-entry form through the United States Federal Reserve Bank book-entry system, pursuant to which the MBS shall have been registered on the records of the Federal Reserve Bank in the name of the Trustee.

The MBS shall be registered in the name of the Trustee or its designee. Upon purchase of the MBS on the MBS Delivery Date, the Trustee shall post a notification to this effect on the Electronic Municipal Market Access website of the Municipal Securities Rulemaking Board.

Pledge of Trust Estate

The pledge and assignment of and the security interest granted in the Trust Estate pursuant to the granting clauses of the Indenture for the payment of the principal of, premium, if any, and interest on the Bonds, in accordance with their terms and provisions, and for the payment of all other amounts due under the Indenture, shall attach, be

perfected and be valid and binding from and after the time of the delivery of the Bonds by the Trustee or by any person authorized by the Trustee to deliver the Bonds. The Trust Estate so pledged and then or thereafter received by the Trustee shall immediately be subject to the lien of such pledge and security interest without any physical delivery thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Issuer irrespective of whether such parties have notice thereof.

Establishment of Funds

The Trustee shall establish, maintain and hold in trust the following funds, each of which shall be maintained by the Trustee as a separate and distinct fund or account, and each of which shall be disbursed and applied only as authorized in the Indenture:

- (a) Revenue Fund, including therein (i) a Series B Revenue Fund Account, (ii) a Series C Revenue Fund Account, (iii) a Negative Arbitrage Account, including therein a Series B Negative Arbitrage Subaccount and Series C Negative Arbitrage Subaccount; (iv) a Remarketing Proceeds Account;
- (b) Bond Proceeds Fund, including therein (i) a Series B Bond Proceeds Fund Account and (ii) a Series C Bond Proceeds Fund Account;
- (c) Collateral Fund, including therein (i) a Series B Collateral Fund Account and (ii) a Series C Collateral Fund Account;
- (d) Costs of Issuance Fund, and therein a Remarketing Expense Account; and
- (e) Rebate Fund.

The Trustee shall, at the written direction of an Authorized Borrower Representative and may, in its discretion, establish such additional accounts within any fund, and subaccounts within any of the accounts, as the Issuer or the Trustee may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that fund and its accounts, or for the purpose of complying with the requirements of the Code and the Tax Certificate, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of the Indenture with respect to a deposit or use of money in the respective Funds, or result in commingling of funds not permitted under the Indenture.

Application of Funds on MBS Delivery Date

On the MBS Delivery Date, the Trustee shall remit to the Permanent Lender as payment for the MBS, an amount equal to the aggregate principal amount of the MBS (from amounts on deposit in the Series B Collateral Fund Account and, to the extent sufficient funds are not otherwise available in the Series B Collateral Fund Account, from the Series B Bond Proceeds Fund Account), plus accrued and unpaid interest on the MBS at the Pass-Through Rate from the first of the month in which the MBS was delivered to, but not including, the MBS Delivery Date (from amounts on deposit in the Series B Revenue Fund Account, and, to the extent amounts in the Series B Revenue Fund Account, other than amounts in the Negative Arbitrage Account therein, are insufficient, for such purposes, from the Series B Negative Arbitrage Subaccount).

Revenue Fund

(a) On any Series B Bond Payment Date that occurs prior to or during the month in which the MBS is delivered to the Trustee, the Trustee shall disburse from the Series B Revenue Fund Account (and, to the extent amounts in the Series B Revenue Fund Account are insufficient for such purposes, from the Series B Negative Arbitrage Subaccount), an amount equal to the amount of interest due on the Series B Bonds. On the first Business Day following the first Payment Date following the MBS Delivery Date, the Trustee shall release to the Borrower any remaining balance in the Series B Revenue Fund Account (including the Series B Negative Arbitrage Account therein)

that exceeds a total of \$10,000, which amount shall remain on deposit therein until the Series B Bonds have been redeemed.

(b) There shall be deposited into the Series B Negative Arbitrage Subaccount and the Series C Negative Arbitrage Subaccount, as applicable, the Series B Negative Arbitrage Deposit and the Series C Negative Arbitrage Deposit. Any Extension Deposit shall be deposited into the Series B Negative Arbitrage Subaccount or the Series C Negative Arbitrage Subaccount, as applicable.

(c) There shall be deposited into the Series B Revenue Fund Account, as and when received, (i) following the MBS Delivery Date, all moneys received by the Trustee representing principal payments or prepayments, and premium, if any, under the MBS, together with all other amounts required pursuant to the Indenture to be deposited therein, (ii) any other amounts specified in the Indenture, and (iii) all moneys received by the Trustee representing interest payments under the MBS, to be held therein pending distribution in accordance with the terms of the Indenture.

(d) There shall be deposited into the Series C Revenue Fund Account all amounts paid by the Borrower pursuant to the Financing Agreement.

(e) On the MBS Delivery Date, the Trustee shall remit from the Series B Revenue Fund Account (and, to the extent amounts in the Series B Revenue Fund Account, other than amounts on deposit in the Series B Negative Arbitrage Subaccount therein, are insufficient for such purposes, from the Series B Negative Arbitrage Subaccount) to the Permanent Lender accrued and unpaid interest on the MBS at the Pass-Through Rate from and including the first calendar day of the month in which the MBS was delivered to, but not including, the MBS Delivery Date.

(f) On each Series C Bond Payment Date, the Trustee shall disburse from the Series C Revenue Fund Account (and, to the extent amounts in the Series C Revenue Fund Account are insufficient for such purposes, from the Series C Negative Arbitrage Subaccount) an amount equal to the amount of principal, if any, and interest due on the Series C Bonds. Following redemption of the Series C Bonds, any remaining balance in the Series C Revenue Fund Account shall be paid to the Borrower.

(g) On each Payment Date, the Trustee shall pay to the Bond owners, from the applicable account of the Revenue Fund, the amount listed in the applicable maturity, sinking fund and interest payment schedule set forth in the Indenture. All payments of principal and interest shall be paid to Bond owners in proportion to the principal amount of Bonds owned by each Bond owner as set forth on the records of the Trustee at the close of business on the applicable Record Date.

(h) If the Trustee does not receive a scheduled payment on the MBS by 5:00 p.m. Eastern Time on the 25th day of any month (or the next succeeding Business Day if such day of the month is not a Business Day), the Trustee shall promptly notify Fannie Mae and promptly demand payment under the terms of the guaranty thereof.

(i) Following the MBS Delivery Date, the Trustee is authorized to release Excess Funds from the Series B Revenue Fund Account to or upon the direction of the Borrower, upon receipt by the Trustee of a Cash Flow Projection. The Trustee is authorized to release Excess Funds from the Series C Negative Arbitrage Subaccount to or upon the direction of the Borrower, upon receipt by the Trustee of (i) written direction from the Borrower to the Trustee to release such Excess Funds, and (ii) a Cash Flow Projection.

Bond Proceeds Fund

Except as otherwise set forth in the Indenture, upon (a) deposit of Eligible Funds into the applicable Account of the Collateral Fund, if any, as provided under the heading "Collateral Fund" below, (b) delivery of a corresponding requisition executed by an Authorized Borrower Representative (and approved by the Lender and the Issuer) in the form of an exhibit attached to the Financing Agreement and (c) subject to the provisions of the Indenture, the Trustee shall disburse proceeds of the Series B Bonds or Series C Bonds, as applicable, in an amount equal to such corresponding deposit made into the applicable Account of the Collateral Fund to fund Project Costs pursuant to such requisition. Prior to making any such disbursement from the applicable Account of the Bond Proceeds Fund, the

Trustee shall confirm that, with respect to each of the Series B Bonds and the Series C Bonds, as applicable, the aggregate principal amount that will be held in both (a) the applicable Account of the Collateral Fund and (b) the applicable Account of the Bond Proceeds Fund, after the requested disbursement, and, with respect to the Series C Bond Proceeds Fund Account (including projected investment earnings thereon), any transfer permitted at closing under the Indenture, will at least equal the Outstanding principal amount of the Series B Bonds and the Series C Bonds, as applicable. Notwithstanding anything to the contrary, the Trustee shall not disburse money from the Bond Proceeds Fund (other than (i) as permitted pursuant to the Indenture and (ii) to pay amounts due on the Bonds pursuant to the Indenture), unless and until Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited into the applicable Account of the Collateral Fund; provided, however, that the Trustee shall transfer funds from the applicable Account of the Bond Proceeds Fund to the applicable Account of the Collateral Fund upon receipt of an Opinion of Bond Counsel substantially to the effect that such transfer shall not cause the interest on any of the Bonds to be or become includible in the gross income of the owners thereof for federal income tax purposes. To the extent money on deposit in the applicable Account of the Bond Proceeds Fund is invested in Eligible Investments that have not yet matured, the Trustee is authorized by the Indenture to make the following sale and exchange, which sale and exchange shall occur prior to the disbursement of amounts on deposit in the applicable Account of the Bond Proceeds Fund to pay Project Costs without the need to sell or terminate such Eligible Investments prior to their stated maturity date: (i) sell all or a portion of the Eligible Investments in the applicable Account of the Bond Proceeds Fund, in the amount specified in the request for disbursement, to the applicable Subaccount of the Collateral Fund for a price of par and (ii) transfer a like amount of available funds from the applicable Account of the Collateral Fund to the applicable Account of the Bond Proceeds Fund representing proceeds of the Series B Bonds or Series C Bonds, as applicable, as the purchase price thereof.

Upon the satisfaction of the provisions set forth in this section, the Trustee shall be irrevocably and unconditionally obligated to disburse Bond proceeds from the applicable Account of the Bond Proceeds Fund equal to the amount deposited to the applicable Account of the Collateral Fund, as set forth in the corresponding requisition and to the extent the Trustee is unable to do so, the Trustee shall return the amount deposited into the applicable Account of the Collateral Fund, within one Business Day of receipt of such deposit to the party that made such deposit as set forth in the requisition.

On the Closing Date, the Trustee shall transfer amounts permitted under the Indenture, if any, and no additional amounts shall be disbursed from the Bond Proceeds Fund except in accordance with the Indenture.

To the extent sufficient funds are not otherwise available to the Trustee, including money on deposit in the applicable Account of the Revenue Fund, the applicable Account of the Collateral Fund or the applicable Subaccount of the Negative Arbitrage Account, the Trustee shall transfer from the applicable Account of the Bond Proceeds Fund to the applicable Account of the Revenue Fund sufficient money to pay amounts due on the Series B Bonds or Series C Bonds, as applicable, pursuant to the Indenture.

On the MBS Delivery Date, amounts remaining in the Series B Bond Proceeds Fund Account shall be used by the Trustee in the following order: (i) to the extent sufficient funds are not otherwise available in the Series B Collateral Fund Account, to pay the MBS Purchase Price, (ii) to transfer funds to the Series B Revenue Fund Account in an amount equal to the difference, if any, between (x) the aggregate principal amount of and interest due on the Bonds Outstanding as of the first day of the month in which the MBS Delivery Date occurs and (y) the principal amount of the MBS purchased on the MBS Delivery Date, plus interest accrued but unpaid to the redemption date, for redemption pursuant to the Indenture, and (iii) to pay any remaining Project Costs as approved by the Lender and the Issuer in writing.

Collateral Fund

The Trustee shall deposit into the applicable Account of the Collateral Fund all Eligible Funds received pursuant to the Financing Agreement and any other Eligible Funds received by the Trustee for deposit into the applicable Account of the Collateral Fund. Except as otherwise permitted under the Indenture, the Financing Agreement requires the Borrower to cause Eligible Funds to be paid to the Trustee for deposit into the applicable Account of the Collateral Fund in a principal amount equal to, and as a prerequisite to the disbursement of, the corresponding amount of Series B Bond proceeds and Series C Bond proceeds, as applicable, on deposit in the applicable Account of the Bond Proceeds Fund to be disbursed by the Trustee to pay Project Costs.

Subject to the provisions of the Indenture, (i) until the purchase of the MBS on the MBS Delivery Date, each deposit into the Series B Collateral Fund Account shall constitute an irrevocable deposit solely for the benefit of the holders of the Series B Bonds, and (ii) each deposit into the Series C Collateral Fund Account shall constitute an irrevocable deposit solely for the benefit of the holders of the Series C Bonds.

Money in the Collateral Fund shall be used by the Trustee as follows: (i) to the extent money is not otherwise available, the Trustee shall transfer from the applicable Account of the Collateral Fund to the applicable Account of the Revenue Fund an amount necessary to pay amounts due on the applicable Bonds pursuant to the Indenture and (ii) on the MBS Delivery Date the Trustee shall use money in the Series B Collateral Fund Account (and, to the extent there are not sufficient funds on deposit in the Series B Collateral Fund Account, from the Series B Bond Proceeds Fund Account) to pay for the principal amount of MBS.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the applicable Subaccount of the Collateral Fund is transferred to the applicable Subaccount of the Revenue Fund and applied to the payment of the principal of any of the Bonds, or the principal component of the redemption or retirement price of any of the Bonds, all as provided in the Indenture.

Notwithstanding anything in the Indenture to the contrary, the Trustee is authorized to transfer amounts permitted under the Indenture, if any, without a corresponding deposit of Eligible Funds into the Collateral Fund.

Investment of Funds

The moneys held by the Trustee shall constitute trust funds for the purposes of the Indenture. Any moneys attributable to each of the Funds and Accounts under the Indenture shall be invested by the Trustee, at the written direction of the Borrower, in Eligible Investments which, except as otherwise provided in this section, mature or are redeemable at par, without penalty, on the date on which such funds are expected to be needed for the purposes for which they are held. Written direction may include written direction by Electronic Means. Notwithstanding anything in the Indenture to the contrary, except as otherwise set forth in this sentence, all amounts in the Revenue Fund, the Bond Proceeds Fund and the Collateral Fund shall be invested solely in Eligible Investments as directed in writing by the Borrower; provided, however, that following the MBS Delivery Date, payments received with respect to the MBS shall be held in Eligible Investments described in clause (b) of the definition of Eligible Investments herein which shall mature or be redeemable at par without penalty at the times set forth in the Indenture. All investment earnings from amounts on deposit in the Bond Proceeds Fund, the Revenue Fund and the Collateral Fund shall be credited to the applicable Account of the Revenue Fund. If the Trustee does not receive written direction or telephonic directions (promptly confirmed in writing) from the Borrower regarding the investment of funds, the Trustee shall invest in “State Street Institutional Treasury Money Market Fund—Investment Class TVRXX” a money market fund, which shall mature or be redeemable at par without penalty at the times set forth in the Indenture. The Trustee shall have no discretion for investing funds or advising any parties regarding investment of funds. The Trustee may make any and all such investments through its own banking department or the banking department of any affiliate and may invest in its own proprietary money market funds or deposit products.

Eligible Investments representing an investment of moneys attributable to any Fund or Account shall be deemed at all times to be a part of such Fund or Account. Subject to the following sentence, investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary to do so in order to provide moneys to make any transfer, withdrawal, payment or disbursement from such Fund. With respect to the Series B Bonds, prior to the MBS Delivery Date, at the written direction of the Borrower, the Trustee is permitted to invest in Eligible Investments that mature on or before the MBS Delivery Date Deadline but is not permitted to sell or otherwise dispose of such Eligible Investment prior to maturity at a price below par without first receiving (i) a Cash Flow Projection and (ii) Eligible Funds, if any, as set forth in the Cash Flow Projection. With respect to the Series C Bonds, prior to the Initial Mandatory Tender Date, at the written direction of the Borrower, the Trustee is permitted to invest in Eligible Investments that mature on or before the Initial Mandatory Tender Date but is not permitted to sell or otherwise dispose of such Eligible Investment prior to maturity at a price below par without first receiving (i) a Cash Flow Projection and (ii) Eligible Funds, if any, as set forth in the Cash Flow Projection. In the case of any required transfer of moneys to another such Fund, such investments may be transferred to that Fund in lieu of the required moneys if permitted by the Indenture as an investment of moneys in that Fund. Following the Closing Date, at the written direction of the

Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments with a Cash Flow Projection. Notwithstanding anything in the Indenture to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying debt service on the Bonds shall be held uninvested and (ii) Bond proceeds and the Negative Arbitrage Deposit shall be held uninvested until the Trustee has purchased, sold or exchanged Eligible Investments.

All Eligible Investments acquired by the Trustee pursuant to the Indenture shall be purchased in the name of the Trustee and shall be held for the benefit of the Bondholders pursuant to the terms of the Indenture. The Trustee shall take such actions as shall be necessary to ensure that such Eligible Investments are held pursuant to the terms of the Indenture and are subject to the trust and security interest created in the Indenture.

The Trustee shall not be liable or responsible for any loss resulting from any investment made in accordance with the Indenture. The Trustee or its affiliates may act as sponsor, principal or agent in the acquisition or disposition of investments. The Trustee may commingle investments made under the Funds and Accounts established under the Indenture, but shall account for each separately. The Trustee does not have any obligation to monitor the ratings of any Eligible Investments.

In computing for any purpose under the Indenture the amount in any Fund or Account on any date, obligations so purchased shall be valued at the lower of cost or par exclusive of accrued interest, and may be so valued as of any time within four days prior to such date.

The Issuer acknowledges that regulations of the Comptroller of the Currency grant the Borrower the right to receive brokerage confirmations of the security transactions as they occur. The Borrower specifically waives such notification to the extent permitted by law and will receive periodic cash transaction statements that will detail all investment transactions.

Particular Covenants

Payment of Bonds. Subject to the other provisions of the Indenture, the Issuer shall duly and punctually pay or cause to be paid, solely from amounts available in the Trust Estate, the principal of, premium, if any, and interest on the Bonds, at the dates and places and in the manner described in the Bonds, according to the true intent and meaning thereof. The Bonds are not a general obligation of the Issuer and are payable solely from the Trust Estate.

The payment and other obligations of the Issuer with respect to the Bonds are intended to be, and shall be, independent of the payment and other obligations of the issuer or maker of the Bond Loan Notes, the Mortgage Note and the MBS, even though the principal amount of all three instruments is expected to be identical, except in the case of a default with respect to one or more of the instruments.

NOTWITHSTANDING ANYTHING IN THE INDENTURE TO THE CONTRARY, ANY OBLIGATION WHICH THE ISSUER MAY INCUR UNDER THE INDENTURE OR UNDER ANY INSTRUMENT EXECUTED IN CONNECTION THEREWITH WHICH SHALL ENTAIL THE EXPENDITURE OF MONEY SHALL NOT BE A GENERAL OBLIGATION OF THE ISSUER BUT SHALL BE A LIMITED OBLIGATION PAYABLE SOLELY FROM THE TRUST ESTATE. THE BONDS SHALL CONSTITUTE A VALID CLAIM OF THE RESPECTIVE HOLDERS THEREOF AGAINST THE TRUST ESTATE, WHICH IS PLEDGED TO SECURE THE PAYMENT OF PRINCIPAL OF AND INTEREST ON THE BONDS AND WHICH SHALL BE UTILIZED FOR NO OTHER PURPOSE, EXCEPT AS EXPRESSLY AUTHORIZED IN THE INDENTURE. THE BONDS, TOGETHER WITH INTEREST THEREON, SHALL BE LIMITED OBLIGATIONS OF THE ISSUER GIVING RISE TO NO CHARGE AGAINST THE ISSUER'S GENERAL CREDIT AND PAYABLE SOLELY FROM, AND CONSTITUTE CLAIMS OF THE HOLDERS THEREOF AGAINST ONLY, THE TRUST ESTATE. THE PAYMENT OF PRINCIPAL OF AND INTEREST ON THE BONDS SHALL NOT BE DEEMED TO CONSTITUTE DEBT OF THE ISSUER (EXCEPT TO THE EXTENT OF THE TRUST ESTATE). THE BONDS ARE NOT AND DO NOT CREATE OR CONSTITUTE IN ANY WAY AN OBLIGATION, A DEBT OR A LIABILITY OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, OR CREATE OR CONSTITUTE A PLEDGE, GIVING OR LENDING OF THE FAITH, CREDIT, OR TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE ISSUER HAS NO TAXING POWER.

Tax Covenants. The Issuer shall not take any action that will cause the interest paid on the Bonds to be includible in gross income for federal income tax purposes or to be subject to personal income taxation by the State. In furtherance of the foregoing covenant, the Issuer particularly covenants and agrees with the holders of the Bonds as follows:

(a) No part of the proceeds of the Bonds or any other funds of the Issuer shall be used by the Issuer at any time directly or indirectly to acquire securities or obligations, the acquisition of which, or which in any other manner, would cause any Bond to be an arbitrage bond as defined in Section 148 of the Code and any applicable Regulations promulgated thereunder.

(b) The Issuer will not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code and any applicable Regulations promulgated thereunder.

In the event of a conflict between the provisions set forth under this sub-heading “Tax Covenants” and the Tax Certificate, the provisions of the Tax Certificate shall control.

Extension of Payment of Bonds. The Issuer shall not directly or indirectly extend or assent to the extension of the maturity of the principal due on any of the Bonds or the time of payment of interest due on the Bonds. If the time for payment of any such claims for interest shall be extended through any other means, such Bonds or claims for interest shall not be entitled in case of any default under the Indenture to any payment out of the Trust Estate or the funds (except funds held in trust for the payment of particular Bonds pursuant to the Indenture) held by the Trustee, except subject to the provisions of the Indenture and subject to the prior payment of the principal of all Bonds issued and Outstanding the maturity of which has occurred and has not been extended and of such portion of the accrued interest on the Bonds which is not represented by such extended claims for interest.

If an Extension Deposit has not been made pursuant to the Indenture, such that the aggregate balance in the Series B Bond Proceeds Fund Account, the Series B Collateral Fund Account and the Series B Revenue Fund Account is equal to 100% of the principal amount of the Series B Bonds plus interest accrued on the Series B Bonds to the date which is five calendar days following the MBS Delivery Date Deadline (as such date may be extended under the Indenture), then the Series B Bonds shall be subject to mandatory redemption as set forth in the Indenture.

Discharge of Indenture

Defeasance.

(a) If all Bonds shall be paid and discharged as provided in this section, then all obligations of the Trustee and the Issuer under the Indenture with respect to all Bonds shall cease and terminate, except only (i) the obligation of the Trustee to pay or cause to be paid to the owners thereof all sums due with respect to the Bonds and to register, transfer and exchange Bonds pursuant to the Indenture, (ii) the obligation of the Issuer to pay the amounts owing to the Trustee under the Indenture from the Trust Estate, and (iii) the obligation of the Issuer to comply with the Indenture. Any funds held by the Trustee at the time of such termination which are not required for payment to Bondholders or for payment to be made by the Issuer, shall be paid as provided in the Indenture. Notwithstanding the defeasance of the Bonds, the Borrower shall remain obligated to pay the amounts owing to the Trustee under the Indenture.

Any Bond or portion thereof in an Authorized Denomination shall be deemed no longer Outstanding under the Indenture if paid or discharged in any one or more of the following ways:

(i) by well and truly paying or causing to be paid the principal of, premium, if any, and interest on such Bond which have become due and payable; or

(ii) by depositing with the Trustee, in trust, cash which, together with the amounts then on deposit in the Revenue Fund and dedicated to this purpose, is fully sufficient to pay when due all principal

of, and premium, if any, and interest on such Bond to the maturity or earlier redemption or retirement date thereof; or

(iii) by depositing with the Trustee, in trust, any investments listed under the definition of Eligible Investments, or a combination of cash and such investments, in such amount as in the written opinion of a certified public accountant or nationally recognized verification agent will, together with the interest to accrue on such Eligible Investments without the need for reinvestment, be fully sufficient to pay when due all principal of, and premium, if any, and interest on such Bond to the maturity or earlier redemption or retirement date thereof, notwithstanding that such Bond shall not have been surrendered for payment.

(b) Notwithstanding the foregoing, no deposit under clauses (ii) and (iii) of subsection (a) above shall be deemed a payment of such Bond until the earlier to occur of:

(i) if such Bond is by its terms subject to redemption or retirement within 45 days, proper notice of redemption or retirement of such Bond shall have been previously given in accordance with the Indenture to the holder thereof or, in the event such Bond is not by its terms subject to redemption or retirement within 45 days of making the deposit under clauses (ii) and (iii) of subsection (a) above, the Issuer shall have given the Trustee irrevocable written instructions to mail by first-class mail, postage prepaid, notice to the holder of such Bond as soon as practicable stating that the deposit required by clauses (ii) or (iii) of subsection (a) above, as applicable, has been made with the Trustee and that such Bond is deemed to have been paid and further stating such redemption or retirement date or dates upon which money will be available for the payment of the principal and accrued interest thereon; or

(ii) the Maturity Date of such Bond.

(c) The Trustee shall be entitled to receive and rely upon a report from a nationally recognized accounting firm to provide for the payment of all Bonds to be defeased pursuant to this section.

Defaults and Remedies

Events of Default. Each of the following events shall constitute an Event of Default under the Indenture:

(a) On and after the MBS Delivery Date, failure by Fannie Mae to pay principal, interest or premium, if any, due under the MBS (upon such failure, the Trustee shall notify Fannie Mae not later than the next Business Day (all such notices to be promptly confirmed in writing) and require the failure to be remedied);

(b) (i) Failure to pay the principal, interest or premium, if any, on the Series B Bonds when the same shall become due; or (ii) failure to pay any interest or principal on the Series C Bonds when the same shall become due; or

(c) Default in the observance or performance of any other covenant, agreement or condition on the part of the Issuer in the Indenture and the continuation of such default for a period of 90 days after written notice to the Issuer from the Trustee or the registered owners of at least 75% in aggregate principal amount of the Bonds Outstanding at such time specifying such default and requiring the same to be remedied.

The Trustee will promptly notify in writing the Issuer, the Bondholders, the Investor Member, the Permanent Lender, the Subordinate Lender (but only prior to the Conversion Date), the Construction Lender (but only prior to the Conversion Date) and Fannie Mae, after an Authorized Officer obtains knowledge or receives written notice of the occurrence of an Event of Default or an event which would become an Event of Default with the passage of time or the giving of notice, or both.

Acceleration; Rescission of Acceleration.

(a) Upon (i) the occurrence of an Event of Default under item (a) under the heading “Defaults and Remedies – Events of Default,” above, (ii) prior to the MBS Delivery Date, the occurrence of an Event of Default under item (b) under the heading “Defaults and Remedies – Events of Default,” above with respect to the Series B Bonds or (iii) the occurrence of an Event of Default under item (b) under the heading “Defaults and Remedies — Events of Default,” above with respect to the Series C Bonds, in each case subject to the Act, the Trustee may, and upon the written request of the applicable holders of not less than 75% in aggregate principal amount of the Series B Bonds Outstanding, shall declare (and shall deliver written notice of such declaration to the Issuer, the Lender, the Borrower and Fannie Mae) the principal of all Series B Bonds Outstanding, premium, if any, and the interest accrued thereon immediately due and payable.

(b) An Event of Default (i) following the MBS Delivery Date under item (b) under the heading “Defaults and Remedies – Events of Default” above, or, under item (c) under the heading “Defaults and Remedies – Events of Default” shall not give rise to an acceleration of the Series B Bonds pursuant to this section, subject to the Act, provided, however, that following such an Event of Default, the holder(s) of 100% of the Series B Bonds Outstanding may direct the Trustee in writing to transfer the MBS to it or its designee, in which case, the Trustee shall transfer and deliver to such requesting Beneficial Owner the Trustee’s beneficial ownership interest in the MBS. The transfer described in this section shall take effect as set forth in the Indenture, and shall be governed by, the following terms:

(i) The Trustee shall transfer and deliver to such requesting owner the Trustee’s beneficial ownership interest in the MBS promptly following (A) delivery to the Trustee (via DTC withdrawal of the Series B Bonds being exchanged), and (B) payment by the requesting owner of the Trustee’s exchange fee (\$1,000) with respect to such Series B Bonds;

(ii) The MBS will be in book-entry form;

(iii) Transfers of the MBS will be made in accordance with current market practices, including the applicable provisions of the SIFMA’s *Uniform Practices for the Clearance and Settlement of Mortgage-Backed Securities and Other Related Securities*;

(iv) Upon receipt of such Series B Bonds from the requesting Beneficial Owner, the Trustee will promptly cancel the Series B Bonds being exchanged, which will not be reissued;

(v) An MBS delivered in such an exchange will not be exchangeable for Series B Bonds;

(vi) The MBS delivered in such an exchange will also be subject to any applicable disclosure requirements concerning MBSs that have been issued in connection with the multifamily mortgage lending program of a governmental housing finance agency and financed by tax-exempt obligations; and

(vii) Interest on such MBS is not excludable from gross income for federal income tax purposes. Owners of the Series B Bonds should consult their own tax advisors concerning that and other tax consequences of any exchange of a Series B Bond for the MBS.

(c) The acceleration of the Series B Bonds will not constitute a default under, or by itself cause the acceleration of, the MBS. If at any time after the Series B Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Issuer, the Borrower, the Investor Member, the Construction Lender, or Fannie Mae, as applicable, shall pay to or deposit with the Trustee a sum sufficient to pay all principal of the Series B Bonds then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) on all the Bonds then due with interest at the rate borne by the Series B Bonds on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable fees and expenses of the Trustee shall have been made good or cured or adequate provisions shall have been made therefor, and all other defaults under the Indenture have been made good or cured or waived in writing by the holders of a majority in principal amount of the Series B Bonds Outstanding, then and in

every case, the Trustee on behalf of the holders of all the Series B Bonds shall rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, nor shall it impair or exhaust any right or power consequent thereon.

(d) Upon the occurrence of an Event of Default under item (b) under the heading “Defaults and Remedies – Events of Default,” above, with respect to the Series C Bonds, subject to the Act, the Trustee may, and upon the written request of the Holders of not less than a majority in aggregate principal amount of the Series C Bonds Outstanding, by a notice in writing delivered to the Issuer and the Borrower, shall, declare the principal of all of the Series C Bonds Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately. Upon the occurrence of any Event of Default with respect to the Series C Bonds described under item (c) under the heading “Defaults and Remedies — Events of Default” above, subject to the Act, the Trustee may, with the written consent of all Holders of the Series C Bonds Outstanding, declare by a notice in writing delivered to the Issuer and the Borrower, the principal of all Series C Bonds Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately. Following such declaration, interest on any unpaid principal or Redemption Price of Series C Bonds Outstanding shall continue to accrue from such date through, but not including, the tender of payment to the Holders of those Series C Bonds.

(e) Notwithstanding anything in the Indenture to the contrary, in accordance with the Act, upon the occurrence and continuance of an Event of Default under item (b) under the heading “Defaults and Remedies – Events of Default,” above, which default continues for 30 days or if an Event of Default under the Indenture exists with respect to the Issuer, which is a default by the Issuer in any agreement made with the Bondholders, the Trustee shall, subject to the provisions for annulment under the Act, and upon the written request of the holders of not less than 25% in aggregate principal amount of the Bonds then Outstanding, by written notice to the Issuer, the Bondholders, the Investor Member, the Permanent Lender, the Subordinate Lender (prior to the Conversion Date), the Construction Lender (prior to the Conversion Date) and Fannie Mae, having first given 30 days’ notice in writing delivered to the Issuer, the Governor and the Attorney General declare the Bonds to be immediately due and payable whereupon the Bonds shall, without further action, become and be immediately due and payable, anything in the Indenture or in the Bonds to the contrary notwithstanding, and the Trustee shall give notice thereof to the Issuer, the Bondholders, the Investor Member, the Permanent Lender, the Subordinate Lender (prior to the Conversion Date), the Construction Lender (prior to the Conversion Date) and Fannie Mae.

The Trustee shall upon written request of the holders of 25% in aggregate principal amount of the Bonds then Outstanding in the Issuer’s name: (i) by action or proceeding, enforce all rights of the Bondholders, including the right to require the Issuer to collect fees and charges and interest and amortization payments made by it adequate to carry out any agreement as to, or pledge of, such fees and charges and interest and amortization payments on such mortgages and other properties and to require the Issuer to carry out any other agreements with the Holders of such Bonds and to perform its duties under the Act; (ii) bring suit upon such Bonds; (iii) by action, require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds; and (iv) by action, enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds.

Other Remedies; Rights of Bondholders. Subject to the Indenture, upon the happening and continuance of an Event of Default, the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the holders of the Series B Bonds or the Bonds, as applicable, may also proceed to protect and enforce any rights of the Trustee and, to the full extent that the holders of such Bonds themselves might do, the rights of such Bondholders under the laws of the State or under the Indenture by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights, subject to the Act:

(a) By pursuing any available remedies under the Financing Agreement, the Regulatory Agreement or the MBS; provided, that available remedies under the MBS may only be pursued following an Event of Default under paragraph (a) under the heading “Events of Default,” above, or paragraph (b) under the heading “Events of Default,” above, with respect to the Series B Bonds;

(b) Upon an Event of Default under paragraph (a) under the heading “Events of Default” above only, by realizing or causing to be realized through sale or otherwise upon the security pledged under the Indenture (including the sale or disposition of the MBS); and

(c) By action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

If an Event of Default shall have occurred, and if requested by the holders of not less than 75% (or 100% as set forth in paragraph (b) under “Acceleration; Rescission of Acceleration” above) in aggregate principal amount of the Series B Bonds or the Series C Bonds Outstanding, as applicable, or as otherwise provided under the Act, and upon being indemnified to its satisfaction, the Trustee shall be obligated to exercise one or more of the rights and powers conferred by the Indenture as the Trustee, being advised by counsel, shall deem to be in the best interests of the Bondholders subject to the limitations set forth above and in the Indenture.

No right or remedy by the terms of the Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right and remedy shall be cumulative and shall be in addition to any other right or remedy given to the Trustee or to the Bondholders under the Indenture, the Financing Agreement, the Regulatory Agreement or the MBS or now or thereafter existing at law or in equity.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or Event of Default under the Indenture, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

For the avoidance of doubt, no Event of Default with respect to the Series B Bonds shall, on its own, constitute an Event of Default with respect to the Series C Bonds, and vice versa.

Waivers of Events of Default. The Trustee shall waive any Event of Default under the Indenture and its consequences and rescind any declaration of maturity of principal of, premium, if any, and interest on the Series B Bonds or the Series C Bonds, as applicable, upon the written request of the holders of a majority in aggregate principal amount of all of the Series B Bonds or the Series C Bonds, as applicable, Outstanding with respect to which there is an Event of Default; subject to the Act; provided, however, that there shall not be waived (a) any default in the payment of the principal amount of any Bonds at the date of maturity specified therein or upon proceedings for mandatory redemption or retirement, or (b) any default in the payment when due of the interest or premium, if any, on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such Event of Default shall have occurred on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption or retirement) as the case may be, and all expenses of the Trustee in connection with such monetary default, shall have been paid or provided for, and in case of any such waiver or rescission, the Issuer, the Borrower, the Trustee and the Bondholders shall be restored to their former positions and rights under the Indenture respectively.

No such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto; and no delay or omission of the Trustee or of any Bondholders to exercise any right or power accruing upon any Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default, or acquiescence therein.

Termination of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason or determined adversely to the Trustee, then in every such case the Issuer, the Borrower, the Trustee and the Bondholders shall be restored to their former positions and rights under the Indenture, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

No Interference or Impairment of MBS. Notwithstanding any other provision of the Indenture to the contrary, following the MBS Delivery Date, so long as the MBS remains outstanding and Fannie Mae is not in default in its payment obligations thereunder, except as otherwise provided in the Act, neither the Issuer, the Trustee nor any person under their control shall, without the prior written consent of Fannie Mae, exercise any remedies or direct any proceedings under the Indenture with respect to the Series B Bonds other than to (a) enforce rights under the MBS, (b) enforce the Issuer's Reserved Rights, (c) enforce the tax covenants in the Indenture, the Tax Certificate and the Financing Agreement, or (d) enforce rights of specific performance under the Regulatory Agreement; provided, however, that any enforcement under subsections (c) or (d) above shall not include seeking monetary damages other than actions for the Issuer Fees and Expenses or the Trustee Fees and Expenses.

Concerning the Trustee

Trustee. Zions Bancorporation, National Association, a national banking association, is appointed by the Indenture as Trustee. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by the Indenture by executing the Indenture.

Acceptance of the Trusts. The Trustee shall not be responsible for any recital in the Indenture, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the Project or collecting any insurance moneys, or for the registration, filing or recording or re-registration, re-filing or re-recording of the Indenture or the Mortgage or any financing statements relating to the Indenture or the Mortgage or for the validity of the execution by the Issuer of the Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued under the Indenture or intended to be secured thereby, or for the value or title of the Project or otherwise as to the maintenance of the security thereof. The Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Borrower under the Financing Agreement, except as set forth in the Indenture; but the Trustee may require of the Issuer or the Borrower full information and advice as to their performance of the covenants, conditions and agreements aforesaid. The Trustee acknowledges it has assumed certain duties of the Issuer under the Financing Agreement and the Regulatory Agreement.

Fees, Charges and Expenses of Trustee. Notwithstanding any provision to the contrary in the Indenture, but subject to the limitations set forth in the definition of Ordinary Trustee Fees and Expenses, the Trustee shall be entitled to payment for reasonable fees for its services rendered under the Indenture and the Financing Agreement and reimbursement for all advances, counsel fees and other expenses reasonably made or incurred by the Trustee (including any co-Trustee) in connection with such services which shall be paid from time to time as provided in the Financing Agreement, notwithstanding the occurrence of any event of default or shortfall in amounts required to be deposited or paid for any reason pursuant to the Indenture or any other Financing Document; provided that no such amounts shall be paid to the Trustee from the Trust Estate (including, but not limited to, the proceeds of the MBS). Upon an Event of Default under paragraph (a) under the heading "Events of Default" above as a result of a failure by Fannie Mae to make payment under the MBS, but only upon such an Event of Default, the Trustee shall have a lien upon the Trust Estate for Extraordinary Trustee Fees and Expenses incurred by it. The Issuer shall require the Borrower to indemnify and save harmless the Trustee against any liabilities which the Trustee may incur in the exercise and performance of its powers and duties under the Indenture, under the Financing Agreement, and under the Regulatory Agreement which are not due to its own gross negligence or willful misconduct, and to reimburse the Trustee for any fees and expenses of the Trustee (including actual and reasonable counsel fees and expenses) to the extent they exceed funds available under the Indenture for the payment thereof, subject only to the right of the Borrower to contest the reasonableness of any such fees or the necessity for any such expenses. The Trustee shall continue to perform its duties and obligations under the Indenture until such time as its resignation or removal is effective pursuant to the Indenture.

Merger or Consolidation of Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto shall be and become successor Trustee under the Indenture and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties to the Indenture, anything in the Indenture to the contrary notwithstanding.

Resignation by Trustee. The Trustee and any successor Trustee may at any time resign from the trusts created by the Indenture by giving 30 days' written notice to the Issuer, the Subordinate Lender (but only prior to the Conversion Date), the Construction Lender (but only prior to the Conversion Date) and Fannie Mae, and such resignation shall only take effect upon the appointment, pursuant to the Indenture, of, and acceptance by, a successor Trustee. The successor Trustee shall give notice of such succession by first class mail, postage prepaid, to each Bondholder at the address of such Bondholder shown on the Bond Register.

Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee, Fannie Mae, the Subordinate Lender (but only prior to the Conversion Date), and the Construction Lender (but only prior to the Conversion Date), and signed by the Issuer (or if an Event of Default shall have occurred and be continuing, by the owners of a majority in aggregate principal amount of the Bonds then Outstanding, in which event such instrument or instruments in writing shall also be delivered to the Issuer) provided that such removal shall not take effect until the appointment of a successor Trustee by the Issuer (or by the Bondholders).

Appointment of Successor Trustee. In case at any time the Trustee or any successor thereto shall resign or shall be removed or shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of such Trustee or of its property shall be appointed, or if any public officer shall take charge or control of such Trustee or of its property or affairs, a successor may be appointed by the Issuer with the approval of Fannie Mae (if it is not in default in its obligations under the MBS), or if Fannie Mae does not approve a successor the Issuer proposes to appoint, or if the Issuer is in default under the Indenture, by the holders of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Issuer, by an instrument or concurrent instruments in writing signed by such Bondholders, or their attorneys duly authorized in writing, and delivered to such successor Trustee, notification thereof being given to the Issuer, Fannie Mae, the Borrower, the Investor Member, the Construction Lender, and the predecessor Trustee. If in a proper case no appointment of a successor Trustee shall have been made pursuant to the foregoing provisions of this section within 45 days after the Trustee shall have given to the Issuer written notice as provided in the Indenture or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Bondholder may, apply to any court of competent jurisdiction to appoint a successor, at the expense of the Borrower. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Any Trustee appointed under the provisions of this section shall be a bank, trust company or national banking association, having a designated office within the State, having trust powers, with prior experience as trustee under indentures under which multifamily housing revenue bonds of public agencies or authorities are issued, and having a capital and surplus acceptable to the Issuer, the Permanent Lender, the Subordinate Lender (but only prior to the Conversion Date), the Construction Lender (but only prior to the Conversion Date) and Fannie Mae, willing and able to accept the office on reasonable and customary terms in light of the circumstances under which the appointment is tendered and authorized by law to perform all the duties imposed upon it by the Indenture, if there be such an institution meeting such qualifications willing to accept such appointment.

Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under the Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Issuer, the Borrower and Fannie Mae, and any Bondholder which shall request the same, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if named in the Indenture as such Trustee, but the Trustee ceasing to act shall nevertheless, on the written request of the Issuer, Fannie Mae or the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as reasonably may be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any properties held by it under the Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in the Indenture. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such moneys, estates, properties, rights, powers and duties, any and all such deeds, conveyances and instruments in writing, on request, and so far as may be authorized by law, shall be executed, acknowledged and delivered by the Issuer.

Collection of MBS Payments. Following the MBS Delivery Date, the Trustee shall cause the MBS to be registered in the name of the Trustee or in the name of the nominee of the Trustee with such additional recitals as appropriate to indicate that the MBS is to be held by the Trustee in its capacity as Trustee under the Indenture subject to the provisions of the Indenture. In the event that any amount payable to the Trustee under the MBS is not received by the Trustee within one Business Day of the date such payment is due, the Trustee shall notify Fannie Mae or (if directed by Fannie Mae) the paying agent for the MBS by telephone (such notification to be promptly confirmed by Electronic Means) that such payment has not been received in a timely manner and request that such payment be made by wire transfer of immediately available funds to the account of the Trustee or such custodian, as the case may be.

Supplemental Indentures

Supplemental Indentures Effective upon Acceptance. For any one or more of the following purposes and at any time or from time to time, the Issuer and the Trustee may enter into a Supplemental Indenture which, upon the execution and delivery thereof by the Issuer and by the Trustee, and with the prior written consent of Fannie Mae (but only in connection with the Series B Bonds), the Permanent Lender, the Subordinate Lender (but only prior to the Conversion Date), and the Construction Lender (but only prior to the Conversion Date), but without the necessity of consent of the Bondholders, shall be fully effective in accordance with its terms:

- (a) To add to the covenants or agreements of the Issuer contained in the Indenture other covenants or agreements to be observed by the Issuer or to otherwise revise or amend the Indenture in a manner which are/is not materially adverse to the interests of the Bondholders;
- (b) To add to the limitations or restrictions contained in the Indenture other limitations or restrictions to be observed by the Issuer which are not contrary to or inconsistent with the provisions of the Indenture as theretofore in effect;
- (c) To surrender any right, power or privilege reserved to or conferred upon the Issuer in the Indenture, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Issuer contained in the Indenture and is not materially adverse to the interests of the Bondholders;
- (d) To confirm, as further assurance, any pledge of the Trust Estate under the Indenture and the subjection to any lien on or pledge of the Trust Estate created or to be created by the Indenture;
- (e) To appoint a co-trustee or successor Trustee or successor co-trustee;
- (f) To cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provision in the Indenture;
- (g) To insert such provisions clarifying matters or questions arising under the Indenture as are necessary or desirable and are not materially adverse to the interests of the Bondholders; and
- (h) To make such changes and modifications that are necessary or desirable to provide for all interest, principal and premium, if any, paid with respect to the Bonds are in the exact respective amounts of the payments of interest, principal and premium paid under and pursuant to the MBS.

Supplemental Indentures Requiring Consent of Bondholders. In addition to those amendments to the Indenture which are authorized under the heading “Supplemental Indentures Effective Upon Acceptance” above, any modification or amendment of the Indenture may be made by a Supplemental Indenture with the written consent, given as thereafter provided under the heading “Consent of Bondholders” below, of Fannie Mae (but only in connection with the Series B Bonds), the Construction Lender (but only prior to the Conversion Date), and the holders of at least two thirds in aggregate principal amount of the Bonds Outstanding at the time such consent is given; provided, however, that no such modification or amendment shall (a) permit a change in the terms of redemption, retirement or maturity of the principal amount of any Outstanding Bond or an extension of the date for payment of any installment of interest thereon or a reduction in the principal amount of, premium, if any, or the rate of interest on

any Outstanding Bond without the consent of the holder of such Bond, (b) reduce the proportion of Bonds the consent of the holders of which is required to effect any such modification or amendment or to effectuate an acceleration of the Bonds prior to maturity, (c) permit the creation of a lien on the Trust Estate pledged under the Indenture prior to or on a parity with the lien of the Indenture, (d) deprive the holders of the Bonds of the lien created by the Indenture upon the Trust Estate (except as expressly provided in the Indenture), without (with respect to (b) through (d)) the consent of the holders of all Bonds then Outstanding, or (e) change or modify any of the immunities, indemnities, rights, protections, privileges, limitations on liability or obligations of the Trustee without the written consent thereto of the Trustee. All fees, costs and expenses (including attorneys' fees and expenses) incurred in connection with any modification, amendment, or Supplemental Indenture shall be payable by the Borrower.

Consent of Bondholders. The Issuer and the Trustee may, at any time, execute and deliver a Supplemental Indenture making a modification or amendment permitted by the provisions under the heading "Supplemental Indentures Requiring Consent of Bondholders" above, to take effect when and as provided in this section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in a form approved by the Trustee), together with a request to Bondholders for their consent thereto prepared by Bond Counsel in form satisfactory to the Trustee, shall be mailed by the Trustee to the Bondholders. Such Supplemental Indenture shall not be effective unless there shall have been filed with the Trustee (a) the written consents of Fannie Mae (but only in connection with the Series B Bonds) and the holders of the proportion of Outstanding Bonds specified under the heading "Supplemental Indentures Requiring Consent of Bondholders" above, and (b) an Opinion of Bond Counsel stating that such Supplemental Indenture has been duly and lawfully entered into by the Issuer in accordance with the provisions of the Indenture, is authorized or permitted by the provisions of the Indenture, and, when effective, will be valid and binding upon the Issuer. Each such consent of the Bondholders shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by the Indenture. A certificate or certificates by the Trustee that it has examined such proof and that such proof is sufficient under the provisions of the Indenture shall be conclusive that the consents have been given by the holders of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the holder of the Bonds giving such consent and upon any subsequent holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent holder thereof has notice thereof). At any time after the holders of the required proportion of Bonds shall have filed their consents to such Supplemental Indenture, the Trustee shall make and file with the Issuer a written statement that the holders of such required proportion of Bonds have filed and given such consents. Such written statement shall be conclusive that such consents have been so filed and have been given. Within 90 days after filing such statement, the Trustee shall mail to the Bondholders a notice stating in substance that such Supplemental Indenture (which may be referred to as a Supplemental Indenture executed by the Issuer on a stated date, a copy of which is on file with the Trustee) has been consented to by the holders of the required proportion of Bonds and will be effective as provided in this section, but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as provided in this section. The Trustee shall provide confirmation to the Issuer proof of the mailing of such notice to the Bondholders. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such modification or amendment shall be deemed conclusively binding upon the Issuer, the Trustee and the holders of all Bonds upon the execution thereof and the delivery by the Trustee with the Issuer of the statement that the required proportion of Bondholders have consented thereto.

The Issuer may conclusively rely upon the Trustee's determination that the requirements of this section have been satisfied.

Modification by Unanimous Consent. Notwithstanding anything contained in the foregoing provisions of the Indenture, the terms and provisions of the Indenture and the rights and obligations of the Issuer and the Bondholders under the Indenture, in any particular, may be modified or amended in any respect upon execution and delivery of a Supplemental Indenture by the Issuer and the Trustee making such modification or amendment and the consent to such Supplemental Indenture of Fannie Mae (but only in connection with the Series B Bonds), the Permanent Lender, the Subordinate Lender (but only prior to the Conversion Date), the Construction Lender (but only prior to the Conversion Date) and the holders of all of the Bonds then Outstanding, such consent to be given and proved as provided under the heading "Consent of Bondholders" above except that no notice to Bondholders shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without the written assent thereto of the Trustee, in addition to the consent of the Bondholders.

Miscellaneous Provisions

No Recourse on Bonds. No personal recourse may be taken, directly or indirectly, against any past, present or future officer, director, employee or agent of the Issuer with respect to the obligations of the Issuer under the Indenture or any certificate or other writing delivered in connection therewith. The Issuer's immunities and protections from liability and its right to indemnification in connection with the performance of its duties and functions under the Indenture shall extend to the Issuer's past, present and future officers, directors, employees and agents.

NO MEMBER, OFFICER, AGENT, EMPLOYEE OR ATTORNEY OF THE ISSUER, INCLUDING ANY PERSON EXECUTING THE INDENTURE, THE FINANCING AGREEMENT OR THE BONDS, SHALL BE LIABLE PERSONALLY ON THE BONDS OR FOR ANY REASON RELATING TO THE ISSUANCE OF THE BONDS. NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, OR FOR ANY CLAIM BASED ON THE BONDS, OR OTHERWISE IN RESPECT OF THE BONDS, OR BASED ON OR IN RESPECT OF THE INDENTURE, AGAINST ANY MEMBER, OFFICER, EMPLOYEE OR AGENT, AS SUCH, OF THE ISSUER OR ANY SUCCESSOR, WHETHER BY VIRTUE OF ANY CONSTITUTION, STATUTE OR RULE OF LAW, OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, ALL SUCH LIABILITY BEING, BY THE ACCEPTANCE OF THE BONDS AND AS PART OF THE CONSIDERATION FOR THE ISSUANCE OF THE BONDS, EXPRESSLY WAIVED AND RELEASED.

Volume Cap Recycling Transactions. Notwithstanding any provisions of the Indenture or the Bonds to the contrary, prior to the MBS Delivery Date, the Issuer shall be permitted to direct that payments representing prepayments or repayments of principal on the Bond Loan Notes be delivered to a custodian or trustee selected by the Issuer, in lieu of application to prepay a like portion of the Bonds, so long as the Issuer simultaneously causes other Eligible Funds to be applied to prepay such portion of the Bonds. The preceding provisions shall apply only for purposes of preserving or "recycling" private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

In connection with such recycling and Bond prepayment, if so directed in a written direction of the Issuer provided to the Trustee prior to any prepayment date, the Trustee is, under the Indenture, authorized and directed to receive any such Bond prepayment or amounts corresponding thereto and to hold such amounts, uninvested, for such period of time and to transfer such amounts to the Issuer, or to such custodian, fiscal agent or trustee designed by the Issuer and specified in such written direction. For purposes of effectuating the foregoing, the Trustee is, under the Indenture, authorized and directed to open and create such funds or accounts, which may be temporary in nature, as may be necessary or desirable, and to close such funds or accounts following the completion of the transfers set forth in such written direction.

APPENDIX D
SUMMARY OF CERTAIN PROVISIONS OF THE FINANCING AGREEMENT

The following is a summary of certain provisions of the Financing Agreement which are not described elsewhere in the Official Statement. This summary does not purport to be comprehensive, and reference should be made to the Financing Agreement for a full and complete statement of its provisions.

Definitions

Capitalized terms used but not defined herein shall have the meanings given them in the Indenture and the Financing Agreement.

Issuance of Bonds

The Issuer has authorized the issuance of the Series B Bonds in the aggregate principal amount set forth in the Financing Agreement and the Series C Bonds in the aggregate principal amount set forth in the Financing Agreement and Bonds in such amounts shall be issued and Outstanding as of the Closing Date. The obligations of the Issuer, the Trustee and the Borrower under the Financing Agreement are expressly conditioned upon (i) the sale, issuance and delivery of the Bonds, (ii) receipt by the Trustee of the amounts set forth in the Indenture, (iii) the making of the Construction Loan by the Construction Lender, and (iv) the making of the Permanent Loan on the Conversion Date. Neither the Issuer, the Lender, the Trustee nor Fannie Mae shall have any liability for any fees, costs or expenses, including, without limitation, issuance costs relating to the Bonds; all of such fees, costs and expenses shall be paid by the Borrower.

The Bonds will be issued pursuant to the Indenture in the aggregate principal amount, will bear interest, will mature and will be subject to redemption, retirement, mandatory tender and remarketing as set forth therein. The Borrower has approved the terms and conditions of the Indenture and the Bonds, and the terms and conditions under which the Bonds will be issued, sold and delivered and will comply with those provisions of the Indenture that contemplate action by the Borrower, all as if the Borrower were a party to the Indenture.

Sources, Deposits and Uses

The Trustee shall apply the amounts deposited into the Series B Bond Proceeds Fund Account and the Series B Collateral Fund Account as provided in the Indenture to secure the Series B Bonds until the MBS Delivery Date and then to purchase the MBS. The Trustee shall apply the amounts deposited into the Series C Bond Proceeds Fund Account and the Series C Collateral Fund Account as provided in the Indenture to secure the Series C Bonds until the Initial Mandatory Tender Date and then to redeem the Series C Bonds unless the conditions to remarketing set forth in the Indenture are satisfied. The Borrower accepts the Construction Loan from the Construction Lender, upon the terms and conditions set forth in the Construction Loan Documents. The Borrower accepts the Permanent Loan from the Permanent Lender, upon the terms and conditions set forth in the Financing Agreement, in the Permanent Loan Documents and in the Indenture, and subject to the terms and conditions of the Regulatory Agreement. The Issuer has caused the proceeds of the Bonds to be provided to the Trustee for deposit to the Bond Proceeds Fund. The Borrower acknowledges its obligation to pay all amounts necessary to pay principal of, premium, if any, and interest on the Bonds as provided in the Indenture. The Borrower has made arrangements for the delivery to the Trustee of the Bond proceeds, the MBS and of certain other Eligible Funds as contemplated in the Financing Agreement and the Indenture. Payments on the MBS received by the Trustee shall be credited to amounts due from the Borrower for payment of principal of, premium, if any, and interest on the Series B Bonds.

Notification of Prepayment of Bond Loan Notes and Mortgage Note

The Borrower shall notify the Trustee promptly in writing of the making of any prepayment of the Series B Bond Loan Note and the Mortgage Note, whether upon acceleration, by reason of application of insurance or condemnation proceeds, optional prepayment or otherwise. If such prepayment of the Series B Bond Loan Note or the Mortgage Note results in revisions to the Permanent Loan Amortization Schedule, the Borrower shall direct the Permanent Lender to provide the revised Permanent Loan Amortization Schedule to the Trustee and the Borrower.

Collateral Payments

In consideration of and as a condition to the disbursement of Bond proceeds in the Bond Proceeds Fund to pay Project Costs (except as otherwise permitted under the Indenture), and to secure the Borrower's obligation to make payments on the Bond Loan Notes, the Borrower shall cause the delivery of Eligible Funds equal to the amount of the proposed disbursement to the Trustee on or before each such disbursement. All such Eligible Funds shall be paid to the Trustee for the account of the Issuer and shall be held in the applicable Account of the Collateral Fund and disbursed in accordance with the provisions of the Indenture.

Disbursements From the Bond Proceeds Fund

Subject to the provisions below and so long as no Event of Default under the Financing Agreement has occurred and is continuing for which the principal amount of the Bonds has been declared to be immediately due and payable pursuant to the Financing Agreement and the Indenture, and no Determination of Taxability has occurred with respect to the Bonds, disbursements from the Bond Proceeds Fund shall be made only to pay any of the Project Costs.

Except as otherwise permitted under the Indenture, any disbursements from the Bond Proceeds Fund for the payment of Project Costs shall be made by the Trustee only upon the receipt by the Trustee of: (a) a signed requisition in the form attached to the Financing Agreement as an exhibit, on which the Trustee may conclusively rely; and (b) Eligible Funds in an amount equal to the amount of any such disbursement request for deposit into the applicable account of the Collateral Fund as described under the heading "Collateral Payments" above. The Borrower acknowledges and agrees that it shall submit disbursement requests to the Trustee no more frequently than once each calendar month. Each such disbursement request shall be consecutively numbered and accompanied by a copy of the approval of the Construction Lender (only prior to the Conversion Date) or the Lender of the payments or reimbursements requested. Except as otherwise set forth in the Indenture, proceeds of the Bonds disbursed pursuant to the provisions of the Financing Agreement may only be used to pay the Project Costs or as otherwise permitted under the Indenture.

Any disbursement of the proceeds of the Bonds for any item not described in, or the cost for which item is other than as described in, the information statement filed by the Issuer in connection with the issuance of the Bonds as required by Section 149(e) of the Code, and in the notice of public hearing pertaining to the Bonds shall be accompanied by an opinion of Bond Counsel to the effect that such disbursement will not adversely affect of the status of the interest on the Bonds as excludable from gross income for federal income tax purposes of the Bondholders (except on Bonds while held by a substantial user or related person, each as defined in the Code).

Any money in the Bond Proceeds Fund remaining after the MBS Delivery Date shall be applied as set forth under the Indenture.

Notwithstanding any provision of the Financing Agreement or any provision of the Indenture to the contrary, except as otherwise permitted under the Financing Agreement, the Trustee shall not disburse funds from the Bond Proceeds Fund unless and until the Trustee confirms that Eligible Funds in the applicable Account of the Collateral Fund plus Eligible Funds in the applicable Account of the Bond Proceeds Fund, less the amount of the requested disbursement from the applicable Account of the Bond Proceeds Fund, is at least equal to the then-Outstanding principal amount of the Series B Bonds or the Series C Bonds, as applicable; provided, however, that the Trustee shall be permitted to transfer funds from the applicable Account of the Bond Proceeds Fund to the applicable Account of the Collateral Fund as set forth under the Indenture; provided, further, that as a result of any such transfer, with respect to (i) the Series B Bonds, the amount of Eligible Funds remaining on deposit in the Series B Bond Proceeds Fund Account plus Eligible Funds on deposit in the Series B Collateral Fund Account is at least equal to the then-Outstanding principal amount of the Series B Bonds and (ii) the Series C Bonds, the amount of Eligible Funds remaining on deposit in the Series C Bond Proceeds Fund Account plus Eligible Funds on deposit in the Series C Collateral Fund Account, plus scheduled investment earnings on Eligible Investments in such accounts, is at least equal to the then Outstanding principal amount of the Series C Bonds.

Events of Default

Each of the following shall constitute an event of default under the Financing Agreement, and the term “Event of Default” shall mean, whenever used in the Financing Agreement, any one or more of the following events:

- (i) Failure by the Borrower to pay any amounts due under the Financing Agreement at the times and in the amounts required by the Financing Agreement; or
- (ii) Failure by the Borrower to observe or perform any covenants, agreements or obligations in the Financing Agreement on its part to be observed or performed (other than as provided in clause (i) above) for a period of 30 days after receipt of written notice specifying such failure and requesting that it be remedied, given to the Borrower by any party to the Financing Agreement; provided, however, that if said failure shall be such that it cannot be corrected within such period, it shall not constitute an Event of Default if the failure is correctable without material adverse effect on the Bonds and if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected, and provided further that any such failure shall have been cured within 90 days of receipt of notice of such failure; or
- (iii) Breach of any of the covenants, agreements or obligations of the Borrower under or the occurrence of a default which is continuing under the Regulatory Agreement after any applicable notice and cure period, including any exhibits to any of the foregoing; or
- (iv) The occurrence of an Event of Default caused by the Borrower under and as defined in the Indenture or under any of the other Financing Documents.

Nothing contained in this section is intended to amend or modify any of the provisions of the Construction Loan Documents or the Permanent Loan Documents or to bind the Borrower, the Lender or Fannie Mae to any notice and cure periods other than as expressly set forth in the Construction Loan Document or the Permanent Loan Documents.

Remedies Upon an Event of Default

- (a) Subject to subsection (d) below and the Act, whenever any Event of Default shall have occurred and be continuing, the Issuer or the Trustee may take any one or more of the following remedial steps:
 - (i) By any suit, action or proceeding, pursue all remedies now or thereafter existing at law or in equity to collect all amounts then due and thereafter to become due under the Financing Agreement and the Bond Loan Notes, to enforce the performance of any covenant, obligation or agreement of the Borrower under the Financing Agreement and the Bond Loan Notes (subject to the nonrecourse provisions of the Financing Agreement and the Regulatory Agreement), or to enjoin acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee.
 - (ii) Take whatever other action at law or in equity may appear necessary or desirable to enforce any monetary obligation of the Borrower under the Financing Agreement and the Bond Loan Notes or to enforce any other covenant, obligation or agreement of the Borrower under (1) the Financing Agreement, (2) the Regulatory Agreement, or (3) the Bond Loan Notes.
 - (iii) Have access to and inspect, examine, audit and make copies of the books and records and any and all accounts, data and income tax and other tax returns of the Borrower.
- (b) The provisions of subsection (a) of this section are subject to the condition that if, after any Event of Default, except a default under the Regulatory Agreement, (i) all amounts which would then be payable under the Financing Agreement by the Borrower if such Event of Default had not occurred and was not continuing shall have been paid by or on behalf of the Borrower, and (ii) the Borrower shall have also performed all other obligations in respect of which it is then in default under the Financing Agreement and shall have paid the reasonable charges and expenses of the Issuer and the Trustee, including reasonable attorney fees and expenses paid or incurred by either the

Issuer or the Trustee in connection with such default, then and in every such case, such Event of Default may be waived and annulled by the Trustee, subject to the Act, but no such waiver or annulment shall extend to or affect any subsequent Event of Default or impair any right or remedy consequent thereon.

(c) Subject to the limitations of the Regulatory Agreement and the Financing Agreement, but subject to the Act, the Issuer, without the consent of the Trustee, but only after written notice to the Trustee, the Borrower, the Lender and Fannie Mae, may take whatever action at law or in equity may appear necessary or desirable to enforce performance and observance of any Reserved Right of the Issuer; provided that, the Issuer may not (i) terminate the Financing Agreement or cause the Construction Loan or the Permanent Loan to become due and payable, (ii) cause the Trustee to declare the principal of all Bonds then Outstanding and the interest accrued thereon to be immediately due and payable, or cause the Trustee to accelerate, foreclose or take any other action or seek other remedies under the Financing Documents, the Construction Loan Documents, the Permanent Loan Documents or any other documents contemplated thereby or by the Financing Agreement to obtain such performance or observance, (iii) cause the acceleration, foreclosure or taking of any other action or the seeking of any remedies under the Construction Loan Documents or the Permanent Loan Documents, (iv) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal, interest and other amounts due under the Construction Loan or the Permanent Loan, or (v) interfere with or attempt to influence the exercise by Fannie Mae of any of its rights under the Financing Documents, the Construction Loan Documents, if any, or the Permanent Loan Documents.

(d) Except as required to be deposited in the Rebate Fund pursuant to the Financing Documents, any amounts collected pursuant to action taken under this section shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, the Issuer, the Lender or Fannie Mae and their respective counsel, be applied in accordance with the provisions of the Indenture. No action taken pursuant to this section shall relieve the Borrower from the Borrower's obligations pursuant to the Financing Agreement.

(e) No remedy conferred upon or reserved to the Issuer or the Trustee in the Financing Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy now or thereafter existing pursuant to any other agreement at law or in equity or by statute.

(f) Notwithstanding any other provision of the Financing Agreement to the contrary, after the MBS Delivery Date, so long as Fannie Mae is not in default under the MBS, but subject to the Act, none of the Issuer, the Trustee or any Person under their control shall exercise any remedies or direct any proceedings under the Financing Agreement or the Permanent Loan Documents, other than to (i) enforce rights under the MBS, (ii) enforce the tax covenants in the Indenture, the Tax Certificate and the Financing Agreement, or (iii) enforce rights of specific performance under the Regulatory Agreement; provided, however, that any enforcement under (ii) or (iii) above shall not include seeking monetary damages, subject to the Act.

Notice of Default: Rights To Cure

The Issuer and the Trustee shall each give notice to the other and the Trustee shall give notice to the Investor Member and the Lender of the occurrence of any Event of Default by the Borrower under the Financing Agreement of which it has actual knowledge. The Lender and the Investor Member shall each have the right, but not the obligation, to cure any such default by the Borrower, and upon performance by the Lender or the Investor Member to the satisfaction of the Issuer and the Trustee of the covenant, agreement or obligation of the Borrower with respect to which an Event of Default has occurred, the parties to the Financing Agreement shall be restored to their former respective positions, it being agreed that the Lender and the Investor Member shall each have the right to repayment from the Borrower of moneys it has expended and any other appropriate redress for actions it has taken to cure any default by the Borrower; provided that the Borrower's reimbursement obligation shall be nonrecourse to the same extent as the underlying obligation is non-recourse to the Borrower.

Amendment

The Financing Agreement and all other documents contemplated by the Financing Agreement to which the Issuer is a party may be amended or terminated only if permitted by the Indenture, and no amendment to the Financing Agreement shall be binding upon any party to the Financing Agreement until such amendment is reduced to writing and executed by the parties thereto; provided that no amendment, supplement or other modification to the Financing Agreement or any other Financing Document shall be effective without the prior written consent of the Lender and Fannie Mae.

Limited Liability of the Issuer

ALL OBLIGATIONS OF THE ISSUER AND THE DEPARTMENT INCURRED UNDER THE FINANCING AGREEMENT, THE REGULATORY AGREEMENT, THE OPERATING AGREEMENT, THE INDENTURE, THE BONDS AND OTHER FINANCING DOCUMENTS SHALL BE LIMITED OBLIGATIONS OF THE ISSUER AND THE DEPARTMENT, PAYABLE FROM THE TRUST ESTATE AND NO OWNER OR OWNERS OF ANY OF THE BONDS SHALL EVER HAVE THE RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION OR OTHER PUBLIC BODY OF THE STATE, NOR TO ENFORCE THE PAYMENT OF THE BONDS AGAINST ANY PROPERTY OF THE ISSUER OR THE DEPARTMENT (EXCEPT FOR THE TRUST ESTATE), THE STATE OR ANY POLITICAL SUBDIVISION OR OTHER PUBLIC BODY. NO OFFICER, AGENT, DIRECTOR, COMMISSIONER, EMPLOYEE, ATTORNEY OR MEMBER OF THE ISSUER OR THE DEPARTMENT OR ANY PERSON EXECUTING THE FINANCING AGREEMENT ON BEHALF OF THE ISSUER OR THE DEPARTMENT, SHALL BE LIABLE PERSONALLY UNDER THE FINANCING AGREEMENT OR THE OTHER FINANCING DOCUMENTS OR FOR ANY REASON RELATING TO THE ISSUANCE OF THE BONDS. NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR THE INTEREST ON THE BONDS, OR FOR ANY CLAIM BASED ON THE BONDS, OR OTHERWISE IN RESPECT OF THE BONDS, OR BASED ON OR IN RESPECT OF THE ISSUER OR THE DEPARTMENT (EXCEPT TO THE EXTENT OF THE TRUST ESTATE) OR BASED ON OR IN RESPECT TO THE FINANCING AGREEMENT OR ANY AMENDMENT TO THE FINANCING AGREEMENT, AGAINST ANY MEMBER, OFFICER, EMPLOYEE, DIRECTOR, AGENT OR ATTORNEY OF THE ISSUER OR THE DEPARTMENT OR ANY SUCCESSOR WHETHER BY VIRTUE OF ANY CONSTITUTION, STATUTE OR RULE OF LAW, OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, ALL SUCH LIABILITY BEING, BY THE ACCEPTANCE OF THE FINANCING AGREEMENT AND AS PART OF THE CONSIDERATION FOR THE ISSUANCE OF THE BONDS, EXPRESSLY WAIVED AND RELEASED.

The Borrower acknowledges that the Issuer's sole source of moneys to repay the Bonds will be provided by the Trust Estate, and agrees that if the payments to be made under the Financing Agreement shall ever prove insufficient to pay all principal (or Redemption Price) of, premium, if any, and interest on the Bonds as the same shall become due (whether by maturity, redemption, acceleration or otherwise), then upon notice from the Trustee, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or Redemption Price) of, premium, if any, or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Trustee, the Borrower, the Issuer or any third party, subject to any right of reimbursement from the Trustee, the Issuer or any such third party, as the case may be, therefor.

APPENDIX E
SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT

The following is a summary of certain provisions of the Regulatory Agreement and Declaration of Restrictive Covenants (the "Regulatory Agreement"). The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Regulatory Agreement, copies of which are on file with the Issuer and the Trustee.

All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture and the Regulatory Agreement.

Qualified Residential Rental Project

The Borrower acknowledges and agrees by the Regulatory Agreement with the Authority and the Trustee that the Project is to be owned, managed and operated as a "residential rental project" (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the term of the Regulatory Agreement, the Borrower represents, covenants, warrants and agrees by the Regulatory Agreement with the Authority and the Trustee as follows:

(a) The Project will be constructed, developed and operated for the purpose of providing multifamily residential rental property. The Borrower will own, manage and operate the Project as a project to provide a multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103 8(b) of the Regulations and the provisions of the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project (except for not more than one unit set aside for a resident manager or other administrative use) will be similarly constructed units, and each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or rented for a period of less than 30 consecutive days, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park; provided that the use of certain units for tenant guests on an intermittent basis shall not be considered transient use for purposes of the Regulatory Agreement.

(d) No part of the Project will at any time during the Qualified Project Period be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period (except that the Borrower may obtain final map approval and may file a condominium plan with the City).

(e) All of the Available Units in the Project will be available for rental during the period beginning on the Closing Date and ending on the termination of the Qualified Project Period on a continuous, "first come, first served" basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required to be leased or rented in such a manner that they constitute Low Income Units or Very Low Income Units, as applicable, and any preference the Borrower gives to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law.

(f) The Project consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the facilities of the Project comprise a single geographically and

functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this provision shall not be construed to prohibit occupancy of not more than one dwelling unit by a resident manager or maintenance personnel, any of whom may be the Borrower.

(h) The Borrower will notify the Authority and the Trustee in writing of the dates on which (i) 10% of the residential units in the Project are first occupied and (ii) 50% of the residential units in the Project are first occupied.

Low Income Tenants; Very Low Income Tenants Reporting Requirements

Pursuant to the requirements of Section 142(d) of the Code and the Authority, the Borrower represents, warrants and covenants by the Regulatory Agreement with the Authority and the Trustee as follows:

(a) During the Qualified Project Period, no less than 40% of the total number of completed units in the Project shall at all times be Low Income Units. For the purposes of this paragraph (a), a vacant unit that was most recently a Low Income Unit is treated as a Low Income Unit until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined.

(b) [Reserved].

(c) No tenant qualifying as a Low Income Tenant or a Very Low Income Tenant upon initial occupancy shall be denied continued occupancy of a unit in the Project because, after admission, the aggregate Gross Income of all tenants in the unit occupied by such Low Income Tenant or Very Low Income Tenant increases to exceed the qualifying limit for a Low Income Unit or a Very Low Income Unit, as applicable. However, should the aggregate Gross Income of tenants in a Low Income Unit or a Very Low Income Unit, as of the most recent determination thereof, exceed 140% of the applicable income limit for a Low Income Unit or a Very Low Income Unit, as applicable, occupied by the same number of tenants, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) Low Income Tenant(s) or Very Low Income Tenant(s), as applicable. The unit occupied by such tenants whose aggregate Gross Income exceeds such applicable income limit shall continue to be treated as a Low Income Unit or a Very Low Income Unit, as applicable, for purposes of the requirements of paragraph (a) above unless and until an Available Unit of comparable or smaller size is rented to persons other than Low Income Tenants or Very Low Income Tenants, as applicable.

(d) For the Qualified Project Period, the Borrower will obtain, complete and maintain on file Income Certifications for each Low Income Tenant and each Very Low Income Tenant, including (i) an Income Certification dated immediately prior to the initial occupancy of such Low Income Tenant or Very Low Income Tenant in the unit, and (ii) thereafter, an annual Income Certification with respect to each Low Income Tenant and each Very Low Income Tenant. The Borrower will provide such additional information as may be required in the future by the Code, the State or the Authority, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or thereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. Upon request of the Administrator or the Authority, copies of Income Certifications for Low Income Tenants and Very Low Income Tenants commencing or continuing occupation of a Low Income Unit or Very Low Income Unit shall be submitted to the Administrator or the Authority, as requested.

(e) The Borrower shall make a good faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain pay stubs for the three most recent pay periods, (2) obtain an income

tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type credit search, (4) obtain an income verification from the applicant's current employer, (5) obtain an income verification from the Social Security Administration if the applicant receives assistance from such agency, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Authority.

(f) The Borrower will maintain complete and accurate records pertaining to the Low Income Units and the Very Low Income Units, and will permit any duly authorized representative of the Authority, the Administrator, the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units and the Very Low Income Units.

(g) The Borrower will prepare and submit to the Authority or to the Administrator, on behalf of the Authority, with copies to the Trustee, annually, within 60 days after the end of each Fiscal Year, a Certificate of Continuing Program Compliance executed by the Borrower in substantially the form attached as an exhibit to the Regulatory Agreement; provided, however, in the event the Borrower does not comply with such compliance monitoring requirements, or upon the direction of Bond Counsel, the Authority may require such submissions more frequently. During the Qualified Project Period, the Borrower shall submit such annual certification as required by the Code, if any, with respect to the Project to the Secretary of the Treasury on or before March 31 of each year (or such other date as may be required by the Code).

(h) For the Qualified Project Period, all tenant leases or rental agreements shall be subordinate to the Regulatory Agreement and the Mortgage. All leases pertaining to Low Income Units and Very Low Income Units shall contain clauses, among others, wherein each tenant who occupies a Low Income Unit or a Very Low Income Unit: (i) certifies the accuracy of the statements made by such tenant in the Income Certification; (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower, the Trustee, the Authority or the Administrator on behalf of the Authority, and that the failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Borrower has relied on the statements made by such tenant in the Income Certification and supporting information supplied by the Low Income Tenant or Very Low Income Tenant in determining qualification for occupancy of a Low Income Unit or Very Low Income Unit, as applicable, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the tenant's income is subject to annual certification in accordance with paragraph (d) and that if upon any such certification the aggregate Gross Income of tenants in such unit exceeds the applicable income limit under paragraph (a), the unit occupied by such tenant may cease to qualify as a Low Income Unit or Very Low Income Unit, as applicable, and such unit's rent may be subject to increase.

For purposes of this section, no unit occupied by a residential manager shall be treated as a rental unit during the time of such occupation.

Term

The Regulatory Agreement and all and several of the terms of the Regulatory Agreement shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided in the Regulatory Agreement and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Qualified Project Period, it being expressly agreed and understood that the provisions of the Regulatory Agreement are intended to survive the retirement of the Bonds and discharge of the Indenture and the Financing Agreement.

Notwithstanding the foregoing, the provisions of the Regulatory Agreement shall survive the term of the Regulatory Agreement or the replacement of the Trustee, but only as to claims arising from events occurring during the term of the Regulatory Agreement.

The terms of the Regulatory Agreement notwithstanding, the requirements of the Regulatory Agreement shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of the Regulatory Agreement caused by fire or other casualty, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date, which prevents the Authority or the Trustee from enforcing such provisions, or condemnation or a similar event, but only if, within a reasonable period, either the Bonds allocated to the Project are retired or amounts received as a consequence of such event are used to provide a project that meets the requirements of the Regulatory Agreement; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained in the Regulatory Agreement shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103 10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Borrower agrees by the Regulatory Agreement that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provision of the Regulatory Agreement, the Regulatory Agreement may be terminated upon agreement by the Authority, the Trustee and the Borrower upon receipt by the Authority of an opinion of Bond Counsel to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. Upon the termination of the terms of the Regulatory Agreement, the parties to the Regulatory Agreement agree to execute, deliver and record appropriate instruments of release and discharge of the terms of the Regulatory Agreement; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of the Regulatory Agreement in accordance with its terms.

Covenants to Run with the Land

The Borrower subjects by the Regulatory Agreement the Project to the covenants, reservations and restrictions set forth in the Regulatory Agreement. The Authority and the Borrower declare by the Regulatory Agreement their express intent that the covenants, reservations and restrictions set forth in the Regulatory Agreement shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of the Regulatory Agreement said covenants, reservations and restrictions shall expire. The Authority and the Trustee agree to execute a quitclaim deed or other documents required to remove the Regulatory Agreement from title after the covenants, agreements and restrictions in the Regulatory Agreement have expired. Each and every contract, deed or other instrument thereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Transfer of the Project

For the Qualified Project Period, the Borrower shall not Transfer the Project, in whole or in part, without the prior written consent of the Authority, which consent shall not be unreasonably withheld or delayed if the following conditions are satisfied: (A) the receipt by the Authority of evidence acceptable to the Authority that (1) the Borrower shall not be in default under the Regulatory Agreement or under the Financing Agreement, if in effect (which may be evidenced by a Certificate of Continuing Program Compliance), or the transferee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Authority; (2) the continued operation of the Project shall comply with the provisions of the Regulatory Agreement; (3) either (a) the transferee or its Manager has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below market rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local governmental requirements applicable to such projects, or (b) the transferee agrees to retain a Manager with the experience and record described in subclause (a) above, or (c) the transferring Borrower or its management company will continue to manage the Project, or another management company reasonably acceptable to the Authority will manage, for at least one year following such Transfer and, if applicable, during such period the transferring Borrower or its management company will provide training to the transferee and its manager in the responsibilities relating to the Very Low Income Units and the Low Income Units; and (4) the person or entity that is to acquire the Project does not have pending against it, and does not have a history of, significant and material building code violations or complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects

as identified by any local, state or federal regulatory agencies; (B) the execution by the transferee of any document reasonably requested by the Authority with respect to the assumption of the Borrower's obligations under the Regulatory Agreement and the Financing Agreement (if then in effect), including without limitation an instrument of assumption of the Regulatory Agreement and thereof, and delivery to the Authority of an opinion of such transferee's counsel to the effect that each such document and the Regulatory Agreement are valid, binding and enforceable obligations of such transferee, subject to bankruptcy and other standard limitations affecting creditor's rights; (C) receipt by the Authority and the Trustee of an opinion of Bond Counsel to the effect that any such Transfer will not adversely affect the Tax Exempt status of interest on the Bonds; and (D) receipt by the Authority of all fees and/or expenses then currently due and payable to the Authority by the Borrower.

It is expressly stipulated and agreed by the Regulatory Agreement that any Transfer of the Project in violation of this section shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under the Regulatory Agreement. The written consent of the Authority to any Transfer of the Project shall constitute conclusive evidence that the Transfer is not in violation of this section. Nothing in this section shall affect any provision of any other document or instrument between the Borrower and any other party that requires the Borrower to satisfy certain conditions or obtain the prior written consent of such other party in order to Transfer the Project. Upon any Transfer that complies with the Regulatory Agreement, the Borrower shall be fully released from its obligations under the Regulatory Agreement to the extent such obligations have been fully assumed in writing by the transferee of the Project.

The foregoing notwithstanding, the Project may be transferred pursuant to a foreclosure, exercise of power of sale or deed in lieu of foreclosure or comparable conversion without the consent of the Authority or compliance with the provisions of this section. Additionally, notwithstanding anything to the contrary contained herein, the following transfers shall be permitted without the Authority's consent, but with written notice thereof: (a) transfer by the Investor Member of its interest in the Borrower or (b) removal and replacement of the managing member of the Borrower, each in accordance with the terms of the Borrower's operating agreement.

For the Qualified Project Period, except upon receipt by the Authority of an opinion of Bond Counsel to the effect that any such action will not, in and of itself, adversely affect the Tax Exempt status of the Bonds, the Borrower shall not: (1) encumber any of the Project or grant commercial leases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project, except for (A) the Mortgage and Permitted Liens (as defined in the Financing Agreement), or (B) a Transfer in accordance with the terms of the Regulatory Agreement, in each case upon receipt by the Authority and the Trustee of an opinion of Bond Counsel to the effect that such action will not adversely affect the Tax Exempt status of interest on the Bonds (provided that such opinion will not be required with respect to any encumbrance, lease or transfer relating to a commercial operation or ancillary facility that will be available for tenant use and is customary to the operation of multifamily housing developments similar to the Project); (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except to the extent that what is demolished or removed is replaced with comparable property or such demolition or removal is otherwise permitted by the Financing Agreement or the Mortgage; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Fannie Mae Rider

Commencing on the Conversion Date, so long as Fannie Mae is the Permanent Lender, the provisions of the Fannie Mae Rider, attached as an exhibit to the Regulatory Agreement by reference to the Regulatory Agreement, shall be in full force and effect and shall control over the provisions of the Regulatory Agreement to the extent of any inconsistency unless it would adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes.

APPENDIX F BOOK-ENTRY SYSTEM

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer and the Borrower believe to be reliable, but neither the Issuer, the Underwriter nor the Borrower take responsibility for the accuracy thereof.

The Depository Trust Company ("DTC"), will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC or held by the Trustee.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the bonds are to be accomplished by entries made on the records of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in bonds, except in the event that use of the book-entry system for the bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the transaction documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial

Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption or retirement notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed or retired, the amount of the interest of each Direct Participant in such issue to be redeemed or retired shall be determined on a pro rata basis in accordance with the “Pro Rata Pass Through Distributions of Principal” procedures of DTC.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC’s Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the Issuer, on payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC or its nominee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer. Under such circumstances, in the event that a successor depository is not obtained, bonds are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, the bonds will be printed and delivered.

The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

No later than 15 Business Days prior to said date, the Borrower will provide the Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package and may cross reference other information, provided that the audited financial statements for the prior calendar year of the Borrower may be submitted separately from the balance of the Annual Report.

(b) If by 15 Business Days prior to the date specified in subsection (a) for providing the Annual Report to the MSRB, the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent will contact the Disclosure Representative to determine if the Borrower is in compliance with subsection (a).

Any or all of the items described in Exhibit A may be incorporated by reference from other documents, including official statements of debt issues with respect to which the Borrower is an “Obligated Person” (as defined by the Rule), which have been filed with the MSRB. The Borrower will clearly identify each such other document so incorporated by reference.

Each annual report submitted hereunder shall be in readable portable document format (“PDF”) or other acceptable electronic form.

- (xiii) The consummation of a merger, consolidation, or acquisition involving the Borrower or the sale of all or substantially all of the assets of the Borrower, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (xiv) Appointment of a successor or additional trustee or paying agent or the change of the name of a trustee or paying agent, if material;

For purposes of clauses (xv) and (xvi) of this Section 5(a), “financial obligation” is as contemplated by Exchange Act Release No. 34-83885; File No. S7-01-17 (the “Adopting Release”).

(b) The Dissemination Agent shall, within three (3) Business Days of obtaining actual knowledge of the occurrence of any potential Listed Event, pursuant to subsection (c) of this Section 5 or otherwise, provide the Disclosure Representative with notice by email. While the Dissemination Agent is also the Trustee, the Dissemination Agent shall be deemed to have actual knowledge of those items listed in clauses (i), (iii) (solely with respect to funds held by the Trustee), (iv), (v), (vii), (viii), (ix), (x), (xiv), (xvii) and (xviii) above without the Dissemination Agent’s having received notice of such event. While the Dissemination Agent is not also the Trustee, the Dissemination Agent shall not be deemed to have actual knowledge of any items listed in clauses (i) - (xix) above without the Dissemination Agent having received written notice of such event. For purposes of providing notice to the Disclosure Representative, the Dissemination Agent shall assume that the unscheduled draws described in clauses (iii) and (iv) reflect financial difficulty. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Borrower, and not that of the Trustee or the Dissemination Agent, and the Dissemination Agent has agreed to give the foregoing notice to the Disclosure Representative as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, “actual knowledge” means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to any person or entity, including the Participating Underwriter, the Issuer, Borrower, or any Holder or Beneficial Owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(c) Whenever the Borrower obtains knowledge of the occurrence of a potential Listed Event, the Borrower shall, within five (5) Business Days of obtaining such knowledge and in any event no more than eight (8) Business Days after the occurrence of such event, determine if such event is in fact a Listed Event that is required by the Rule to be disclosed and provide the Dissemination Agent with notice and written instructions pursuant to subsections (d) below.

(d) If the Borrower has determined that a Listed Event is required to be disclosed then the Borrower shall prepare a written notice describing the Listed Event and provide the same to the Dissemination Agent along with instructions to file the same pursuant to subsection (e) below.

(e) If the Dissemination Agent has been provided with a written notice describing a Listed Event pursuant to subsection (c) of this Section 5 or otherwise, and is instructed in writing by the Borrower to report the occurrence of such Listed Event, the Dissemination Agent shall, within two (2) Business Days of its receipt of such written notice and in any event no more than ten (10) Business Days after the occurrence of the Listed Event, file the notice with the MSRB and send a copy to the Borrower.

Section 6. Amendment; Waiver. Notwithstanding any other provision of this Continuing Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Continuing Disclosure Agreement (and the Dissemination Agent will agree to any such reasonable amendment so requested by the Borrower unless such amendment adversely affects its rights, duties, protections, immunities, indemnities or standard of care, as determined by the Dissemination Agent) and any provision of this Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions described under paragraph (a) under “Provision of Annual Reports,” “Contents of Annual Reports” or paragraph (a) under “Reporting of Listed Events,” it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of an Obligated Person (as defined in the Rule) with respect to the Bonds or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Holders or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Continuing Disclosure Agreement, the Borrower will describe such amendment in the next Annual Report and will include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information being presented by the Borrower. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change will be given in the same manner as for a Listed Event under Section 5(e) hereof and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 7. Default. In the event of a failure of the Borrower or the Dissemination Agent to comply with any provision of this Continuing Disclosure Agreement, and such failure to comply continues beyond a period of thirty (30) days following written notice to the Borrower, the Borrower or any Holder or Beneficial Owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking, or specific performance by court order, to cause the Borrower or the Dissemination Agent, as the case may be, to comply with its obligations under this Continuing Disclosure Agreement. A default under this Continuing Disclosure Agreement will not be deemed an Event of Default under the Indenture or the Financing Agreement, and the sole remedy under this Continuing Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Continuing Disclosure Agreement will be an action to compel specific performance by court order.

Section 8. Beneficiaries. This Continuing Disclosure Agreement will inure solely to the benefit of the Borrower, the Dissemination Agent, the Participating Underwriter and Holders from time to time of the Bonds and will create no rights in any other person or entity.

Section 9. Reserved.

Section 10. Additional Information. Nothing in this Continuing Disclosure Agreement shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Continuing Disclosure Agreement. If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Continuing Disclosure Agreement, the Borrower shall have no obligation under this Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent.

(a) This Continuing Disclosure Agreement governs the Borrower's direction to the Dissemination Agent with respect to information to be made public. In its actions under this Continuing Disclosure Agreement, the Dissemination Agent is acting not as Trustee, but as the Borrower's agent; provided that the Dissemination Agent shall be entitled to the same protection in so acting under this Continuing Disclosure Agreement as it has in acting as Trustee under the Indenture as fully as if the applicable provisions of the Indenture were set forth herein. The Dissemination Agent shall have only such duties as are specifically set forth in this Continuing Disclosure Agreement and no implied covenants shall be read into this Continuing Disclosure Agreement with respect to the Dissemination Agent. The Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Borrower has provided such information to the Dissemination Agent as required by this Continuing Disclosure Agreement. The Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Dissemination Agent shall have no duty or obligation to review or verify any information, disclosures or notices provided to it by the Borrower and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Borrower, the Holders of the Bonds or any other party. The Dissemination Agent shall have no responsibility for the Borrower's failure to report to the Dissemination

Agent a Listed Event or a duty to determine the materiality thereof. The Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Borrower has complied with this Continuing Disclosure Agreement. The Dissemination Agent may conclusively rely upon Certifications of the Borrower at all times.

Notwithstanding anything to the contrary contained herein, the obligations of the Borrower under this Section 11 shall survive resignation or removal of the Dissemination Agent and defeasance, redemption or payment of the Bonds.

(b) The Dissemination Agent may, from time to time, consult with legal counsel (either in-house or external) of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its respective duties hereunder, and shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel. The reasonable fees and expenses of such counsel shall be payable by the Borrower.

(c) All documents, reports, notices, statements, information and other materials provided to the MSRB under this Continuing Disclosure Agreement shall be provided in an electronic format and accompanied by identifying information as prescribed by the MSRB.

Section 12. Notices. All notices, requests, demands or other communications to or upon the respective parties hereto shall be deemed to have been duly given or made when delivered personally or by mail (including electronic mail) to the party to which such notice, request, demand or other communication is required or permitted to be given or made under this Continuing Disclosure Agreement and addressed as set forth below:

THE OBLIGATIONS OF THE BORROWER UNDER THIS SECTION SHALL SURVIVE RESIGNATION OR REMOVAL OF THE DISSEMINATION AGENT, TERMINATION OF THIS CONTINUING DISCLOSURE AGREEMENT, AND THE DEFEASANCE, REDEMPTION OR PAYMENT OF THE BONDS.

Section 16. Counterparts. This Continuing Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Ladies and Gentlemen:

We have acted as co-Bond Counsel in connection with the issuance by the Wisconsin Housing and Economic Development Authority (the “Authority”) of \$ _____ aggregate maximum principal amount of its Multifamily Housing Bonds (Timberline Terrace Project), 2026 Series B (the “Series B Bonds”) and \$ _____ aggregate maximum principal amount of its Multifamily Housing Bonds (Timberline Terrace Project), 2026 Series C (the “Series C Bonds,” and together with the Series B Bonds, the “Bonds”). The Bonds are authorized to be issued pursuant to Chapter 234 of the Wisconsin Statutes, as amended (the “Act”), and under and pursuant to the Authority’s Multifamily Housing Bond General Resolution adopted on April 17, 2006, as amended and restated on June 22, 2016 (the “General Resolution”), as supplemented by Supplemental Resolution Number 1, adopted on April 17, 2006, Supplemental Resolution Number 2, adopted on August 21, 2006, Supplemental Resolution Number 3, adopted on August 20, 2007, Supplemental Resolution Number 4, adopted on December 1, 2009, Supplemental Resolution Number 5, adopted on October 19, 2011, Supplemental Resolution Number 6, adopted on February 17, 2016, as amended and restated on June 22, 2016, Supplemental Resolution Number 7, adopted on February 21, 2018, Supplemental Resolution Number 8, adopted on June 17, 2020, Supplemental Resolution Number 9, adopted on December 16, 2020, Supplemental Resolution Number 10, adopted on December 15, 2021, Supplemental Resolution Number 11, adopted on August 17, 2022, Supplemental Resolution Number 12, adopted on October 18, 2023, and Supplemental Resolution Number 13, adopted on April 17, 2024 (as each may be amended, collectively, the “Supplemental Resolutions”) and the Series Resolution adopted on November 19, 2025 (the “Series Resolution” and, collectively, with the General Resolution and the Supplemental Resolutions, the “Resolutions”), and an Indenture of Trust dated as of _____ 1, 2026 (the “Indenture”) by and between the Authority and Zions Bancorporation, National Association, as trustee (the “Trustee”), and a Financing Agreement dated as of _____ 1, 2026 (the “Financing Agreement”) among the Authority, the Trustee and Timberline Terrace LLC, a Wisconsin limited liability company (the “Borrower”). The Bonds are being issued for the purpose of providing funds for the acquisition, construction and equipping of a multifamily rental housing development located in the State of Wisconsin (the “State”).

The Bonds are dated, mature in the years and in the principal amounts and bear interest at the rates per annum set forth in the Indenture. The Bonds are also subject to redemption prior to maturity upon the terms and conditions and at the redemption prices set forth in the Indenture. The proceeds received by the Issuer from the sale of the Bonds will be used to fund a loan to the Borrower of up to \$ _____.

In rendering this opinion, we have examined the Resolutions, the Indenture, the Financing Agreement, the Tax Certificate, the Regulatory Agreement, the Act and such other opinions, documents, certificates and letters as we deem relevant and necessary in rendering this opinion. Capitalized terms used herein and not otherwise defined have the meanings ascribed thereto in the Indenture.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings, and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof, and we disclaim any obligation to update this opinion.

We have assumed, without undertaking to verify, the accuracy of the factual representations made in the documents referred to herein. We have assumed compliance with all covenants and agreements contained in the Resolutions, the Tax Certificate, the Regulatory Agreement, the Indenture, the Financing Agreement and other relevant documents and certificates delivered in connection with the issuance of the Bonds.

Based upon this examination and an analysis of existing laws, regulations, rulings and court decisions, we are of the opinion that:

1. The Bonds have been duly and validly authorized by the Authority and issued in accordance with law, the Resolutions and the Indenture.

2. The Bonds are valid and legally binding limited obligations of the Authority, enforceable in accordance with their terms and the terms of the Resolutions and the Indenture, and entitled to the benefits of the Resolutions, the Indenture and the Act.

3. Assuming the accuracy of certain representations and continuing compliance by the Authority and the Borrower with certain restrictions, conditions, requirements, covenants and agreements which are intended to ensure compliance with Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable provisions of Sections 141 through 150 of the Code, and subject to the exceptions described herein, under existing laws, regulations, rulings, and judicial decisions, the interest on the Bonds is excludable from gross income for federal income tax purposes, except for interest on any Bond for any period during which such Bond is held by a "substantial user" of the facilities financed by the Bonds or a "related person" within the meaning of Section 147(a) of the Code. In rendering the opinion in this paragraph 3, we have assumed continuing compliance by the parties thereto with respect to certain covenants in the Financing Agreement, the Regulatory Agreement, the Tax Certificate, and the Indenture concerning the continuing excludability of interest on the Bonds from gross income for federal income tax purposes.

4. Interest on the Bonds is not a specific preference item for purpose of the federal alternative minimum tax imposed on individuals; however, interest on the Bonds may affect the federal alternative minimum tax imposed on certain corporations.

The accrual or receipt of interest on the Bonds may otherwise affect a bondowner's income tax liability. The nature and extent of these other tax consequences will depend upon the bondowner's particular tax status and the bondowner's other items of income and deduction. We express no opinion regarding such consequences. Purchasers of the Bonds, particularly purchasers that are corporations (including S corporations and the United States branches of foreign corporations), property and casualty insurance companies, banks, thrifts or other financial institutions, recipients of Social Security or Railroad Retirement benefits, taxpayers otherwise entitled to the earned income credit and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax exempt obligations, should consult their tax advisors concerning their tax consequences of purchasing and holding the Bonds.

5. Interest on the Bonds is exempt from Wisconsin income taxes pursuant to Sections 71.05(1)(c)(1m) and 71.26(1m)(em) of the Wisconsin Statutes, as amended.

6. The Authority has no taxing power. The State of Wisconsin is not liable on the Bonds and the Bonds are not a debt of the State of Wisconsin.

We express no opinion regarding any other consequences affecting the state or federal income tax liability of a recipient of interest on the Bonds.

The opinions we have expressed herein as to the treatment of the Bonds or the interest borne thereon for federal income tax purposes and for State of Wisconsin tax purposes are based upon statutes, regulations, and court decisions in effect on the date hereof. We undertake no obligation to update the contents of this opinion on any future date. Each purchaser of the Bonds should consult his or her tax advisor regarding any changes in the status of any pending or proposed legislation.

The Code establishes certain requirements that must be met subsequent to the issuance of the Bonds in order that interest thereon be and remain excluded from gross income for federal income tax purposes. Failure to comply with such requirements could cause the interest on the Bonds to be subject to such tax retroactively to the date of issuance of the Bonds. The requirements include, in part, provisions that relate to the nature and use of the Project financed by the Bonds, as well as provisions that restrict the yield and set forth limitations within which the proceeds of the Bonds are to be invested and require that certain investment earnings be rebated on a periodic basis to the United States Treasury. The Financing Agreement, the Indenture, the Regulatory Agreement and the Tax Certificate contain covenants of the Authority and the Borrower to comply with such requirements. The opinions expressed above assume compliance with such covenants.

The foregoing opinions are qualified only to the extent that the enforceability of the Bonds and the Indenture may be limited by the exercise of judicial discretion in accordance with general equitable principles and by bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights generally heretofore or hereafter enacted to the extent constitutionally enforceable.

The scope of our engagement has not extended beyond the examinations and the rendering of the opinions expressed herein. The opinions expressed herein are based upon existing law as of the date hereof, and we express no opinion herein as of any subsequent date or with respect to any pending legislation.

Very truly yours,
