In the opinion of Ice Miller LLP, Indianapolis, Indiana, Bond Counsel to the Issuer, under existing federal statutes, decisions, regulations and rulings, interest on the Bonds (as herein defined) is excludable for federal income tax purposes from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), except for interest on any Bond for any period during which such Bond is held by a person who is a "substantial user" of the Project (as hereinafter defined) or a "related person" to a substantial user within the meaning of Section 147(a) of the Code, and except as set forth under the heading "TAX MATTERS" herein and APPENDIX F hereto. Further, under existing law, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax applicable to individuals; however, such interest may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. Such opinion is conditioned on continuing compliance with the Tax Covenants (as herein defined). In the opinion of Bond Counsel, under existing statutes, decisions, regulations and rulings, the interest on the Bonds is exempt from income taxation in the State of Indiana. The Bonds shall bear interest on the outstanding principal amount thereof at the Initial Interest Rate set forth above (the "Initial Interest Rate") from their date of issuance to, but not including, the Initial Mandatory Tender Date set forth above (the "Initial Mandatory Tender Date"), payable on each February 1 and August 1, commencing February 1, 2026*. The Bonds are issuable only as fully registered bonds without coupons in the denomination of \$5,000 principal amount or any integral multiple of \$1,000 in excess thereof. See "THE BONDS" herein.

The Bonds are being issued to finance a loan (the "Loan") to TWG Terre Haute, LP, an Indiana limited partnership (the "Borrower"), to enable the Borrower to pay a portion of the cost of acquiring, constructing and equipping a 120-unit multifamily rental housing project located in Terre Haute, Indiana, and to be known as Wabash Place (the "Project"). The Loan will be made to the Borrower pursuant to a Loan Agreement, dated as of July 1, 2025 (the "Loan Agreement"), between the Issuer and the Borrower, under which the Borrower has agreed to provide, as described herein, payments to the Issuer in amounts sufficient to pay the principal of and interest on the Bonds when due. The Bonds are subject to mandatory tender for purchase, subject to satisfaction of the applicable terms and conditions set forth in the Indenture, on the earlier of (i) the Conversion Date or (ii) the Initial Mandatory Tender Date. All Bondholders must tender their Bonds for purchase on the Initial Mandatory Tender Date. Therefore, prospective purchasers of the Bonds on and after the Initial Mandatory Tender Date cannot rely on this Official Statement, but rather must rely upon any disclosure documents prepared in connection with such remarketing.

The Bonds are subject to mandatory tender prior to the Initial Mandatory Tender Date as set forth herein. See "THE BONDS" herein.

At all times the Bonds will be secured by Eligible Investments or other Eligible Funds sufficient, along with earnings thereon (without the need for reinvestment), to pay all of the interest on the Bonds when due and to pay the principal of the Bonds at the earlier of the Initial Mandatory Tender Date or any preceding Mandatory Tender Date or Redemption Date, as further described herein. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" herein.

THE BONDS, THE PRINCIPAL OF AND THE INTEREST THEREON ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED IN THE INDENTURE AND NO OTHER REVENUES OR ASSETS OF THE ISSUER. THE BONDS, THE PRINCIPAL OF AND THE INTEREST THEREON DO NOT CONSTITUTE AN INDEBTEDNESS OR OBLIGATION OF THE STATE OF INDIANA (THE "STATE"), AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE IS PLEDGED TO THE PAYMENT OF PRINCIPAL OF OR INTEREST ON THE BONDS. THE ISSUER HAS NO TAXING POWER.

The Bonds are offered for delivery when, as and if issued and received by Stifel, Nicolaus & Company, Incorporated (the "Underwriter") and subject to the approval of legality by Ice Miller LLP, Indianapolis, Indiana, Bond Counsel, of certain other conditions. **Indiana Housing and Community Development Authority
Multifamily Housing Revenue Bonds
(Wabash Place Project),
Series 2025**

INTRODUCTION

This Official Statement (this “Official Statement”) has been prepared in connection with the issuance of the above-captioned Bonds (the “Bonds”) by the Indiana Housing and Community Development Authority (the “Issuer”), a public body corporate and politic of the State of Indiana (the “State”). The Board of the Issuer has authorized the issuance of the Bonds by its duly adopted Resolution dated March 27, 2025 (the “Resolution”) and the Bonds are issued pursuant to a Trust Indenture dated as of July 1, 2025 (the “Indenture”), by and between the Issuer and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Certain capitalized terms that are used in this Official Statement and not otherwise defined shall have the definitions ascribed to them in “APPENDIX A — DEFINITIONS OF CERTAIN TERMS” hereto.

The Bonds are to be issued pursuant to Indiana Code 5-20-1, as amended (the “Act”), for the purpose of providing funds to make a loan (the “Loan”) to TWG Terre Haute, LP, an Indiana limited partnership (the “Borrower”), to enable the Borrower to pay a portion of the cost of acquiring, constructing and equipping a 120-unit multifamily residential rental project located in Terre Haute, Indiana, and to be known as Wabash Place (the “Project”). See “PRIVATE PARTICIPANTS” and “THE PROJECT” herein.

The Loan will be made to the Borrower under a Loan Agreement dated as of July 1, 2025 (the “Loan Agreement”), by and between the Issuer and the Borrower. Pursuant to the Loan Agreement, the Borrower has agreed to make payments to the Issuer in amounts sufficient to pay the principal of and interest on the Bonds when due (the “Bond Service Charges”) to the extent that amounts otherwise available for such payment are insufficient therefor. The Loan will be evidenced by a promissory note in the principal amount of \$13,750,000* (the “Note”) from the Borrower to the Issuer and endorsed to the Trustee.

The aggregate funds and Eligible Investments on deposit in the Project Fund and the Collateral Fund will, at all times, equal the principal amount of Bonds Outstanding. Bond Service Charges will be paid from amounts on deposit in the Bond Fund, the Collateral Fund and the Project Fund, and investment earnings thereon. Amounts on deposit in the Collateral Fund, the Bond Fund and the Project Fund will be invested in Eligible Investments. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS” herein.

The Bonds shall bear interest on the outstanding principal amount thereof at a rate equal to the Initial Interest Rate set forth on the cover page hereof from the date of delivery to, but not including, February 1, 2028* (the “Initial Mandatory Tender Date”), payable on each February 1 and August 1, commencing February 1, 2026* (each an “Interest Payment Date”).

The Bonds are subject to mandatory tender for purchase, subject to satisfaction of the applicable terms and conditions set forth in the Indenture, on or prior to the Initial Mandatory Tender Date, including on the Conversion Date. All Bondholders must tender their Bonds for purchase on each Mandatory Tender Date, as set forth in the Indenture. A new interest rate for the Bonds may be determined on the Initial Remarketing Date in accordance with the terms of the Indenture. If the Bonds are remarketed on the Initial Mandatory Tender Date, the terms of the Bonds after such date may differ materially from the description provided in this Official Statement. Therefore, prospective purchasers of the Bonds on and after the Initial Mandatory Tender Date cannot rely on this Official Statement, but rather must rely upon any disclosure documents prepared in connection with such remarketing.

* Preliminary; subject to change.

Subject to the satisfaction of certain conditions set forth in (i) the Freddie Mac Commitment between Merchants Capital Corp. (the “Freddie Mac Seller/Servicer”) and the Federal Home Loan Mortgage Corporation (“Freddie Mac”) and (ii) the Construction Phase Financing Agreement by and among the Mortgage Lender, the Freddie Mac Seller/Servicer, and Freddie Mac, Freddie Mac has agreed to facilitate the financing of the Project in the Permanent Phase as described in the Indenture.

Brief descriptions of the Issuer, the Borrower, the Mortgage Lender, the Mortgage Loan, the Project, the Bonds, the security for the Bonds, the Indenture, the Loan Agreement and the Tax Regulatory Agreement are included in this Official Statement. The summaries herein do not purport to be complete and are qualified in their entireties by reference to such documents, agreements and programs as may be referred to herein, and the summaries herein of the Bonds are further qualified in their entireties by reference to the form of the Bonds included in the Indenture and the provisions with respect thereto included in the aforesaid documents.

THE ISSUER

The following information has been provided by the Issuer for use herein. While the information is believed to be reliable, none of the Trustee, the Underwriter, nor any of their respective counsel, members, officers or employees makes any representations as to the accuracy or sufficiency of such information.

Except for the information under this heading and “ABSENCE OF LITIGATION — The Issuer,” the Issuer has not participated in the preparation of this Official Statement and assumes no responsibility as to the accuracy or completeness of any information in this Official Statement.

The Issuer is a public body corporate and politic of the State, created and existing, under and by virtue of Indiana Code Title 5, Article 20, Chapter 1, as now in effect and as it may from time to time hereafter be amended or supplemented (the “Act”). The Issuer has the power, pursuant to the Act, to issue revenue bonds such as the Bonds for the purposes for which they will be issued. The Bonds will be a limited obligation of the Issuer as described under the caption “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS.”

THE OBLIGATIONS OF THE ISSUER WITH RESPECT TO THE BONDS ARE NOT GENERAL OBLIGATIONS OF THE ISSUER BUT ARE SPECIAL, LIMITED OBLIGATIONS OF THE ISSUER PAYABLE BY THE ISSUER SOLELY FROM THE SECURITY FOR THE BONDS. NOTHING CONTAINED IN THE BONDS OR IN THE INDENTURE SHALL BE CONSIDERED AS ASSIGNING OR PLEDGING ANY FUNDS OR ASSETS OF THE ISSUER OTHER THAN THE TRUST ESTATE. THE BONDS ARE NOT A DEBT OF THE ISSUER, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY PROVISION OF THE CONSTITUTION OR LAWS OF THE STATE. NO FAILURE OF THE ISSUER TO COMPLY WITH ANY TERM, CONDITION, COVENANT OR AGREEMENT IN THE INDENTURE OR IN ANY DOCUMENT EXECUTED BY THE ISSUER IN CONNECTION WITH THE PROJECT, OR THE ISSUANCE, SALE AND DELIVERY OF THE BONDS SHALL SUBJECT THE ISSUER TO LIABILITY FOR ANY CLAIM FOR DAMAGES, COSTS OR OTHER CHARGE EXCEPT TO THE EXTENT THAT THE SAME CAN BE PAID OR RECOVERED FROM THE TRUST ESTATE. THE ISSUER SHALL NOT BE REQUIRED TO ADVANCE ANY MONEYS DERIVED FROM ANY SOURCE OTHER THAN THE TRUST ESTATE FOR ANY OF THE PURPOSES OF THE INDENTURE, ANY OF THE OTHER BOND DOCUMENTS OR ANY OF THE LOAN DOCUMENTS, WHETHER FOR THE PAYMENT OF THE PRINCIPAL OR REDEMPTION PRICE OF, OR INTEREST ON, THE BONDS, THE PAYMENT OF ANY FEES OR ADMINISTRATIVE EXPENSES OR OTHERWISE. THE ISSUER HAS NO TAXING POWER.

THE MORTGAGE LOAN, DEPOSITS INTO THE COLLATERAL FUND AND DISBURSEMENT OF BOND PROCEEDS

Contemporaneously with the issuance of the Bonds, the Borrower will obtain a mortgage loan (the “Mortgage Loan”) from the Mortgage Lender. Over time, Eligible Funds, including proceeds of the Mortgage Loan, are expected to be delivered to the Trustee for deposit into the Collateral Fund established by the Trustee under the Indenture. Upon the deposit of Eligible Funds into the Collateral Fund, and subject to the other applicable provisions set forth in the Indenture and the Loan Agreement, the Trustee shall disburse a like amount of Bond proceeds from the Project Fund to or at the direction of the Mortgage Lender for purposes of paying costs of the Project, all in accordance with the

Loan Agreement and the Indenture. The maximum aggregate amount of funds representing proceeds of the Mortgage Loan to be delivered to the Trustee for deposit into the Collateral Fund will be \$13,750,000*.

Bond Service Charges shall be payable as they become due, (i) in the first instance from money on deposit in the Bond Fund (excluding the Negative Arbitrage Account therein), (ii) next from money on deposit in the Negative Arbitrage Account of the Bond Fund, (iii) next from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund and (iv) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund. The Indenture provides that the amount of funds disbursed from the Project Fund on any given date for payment of Qualified Project Costs shall at all times equal the amount of Eligible Funds deposited into the Collateral Fund in connection with such disbursement. Accordingly, the aggregate amount in the Collateral Fund and the Project Fund shall at all times equal 100% of the principal amount of the Bonds outstanding.

Notwithstanding any provision of the Loan Agreement or the Indenture to the contrary, the Trustee will not act upon the delivery of a certified copy of the request for disbursement of funds from the Project Fund, unless and until (i) an amount equal to or greater than the requested disbursement amount has been deposited into the Collateral Fund in accordance with the provisions of the Indenture and (ii) the Trustee has verified that the sum of the amount then held in the Collateral Fund and the amount then on deposit in the Project Fund, less the anticipated amount of the disbursement from the Project Fund, is at least equal to the then-outstanding principal amount of the Bonds. The Mortgage Lender will not deliver Eligible Funds to the Trustee for deposit into the Collateral Fund until the Trustee has first confirmed this calculation to the Mortgage Lender. Upon receipt of Eligible Funds, Trustee shall be unconditionally and irrevocably obligated to disburse Bond proceeds in the amount of such installment of Eligible Funds to pay for Costs of the Project as set forth in the Indenture.

Amounts on deposit in the Project Fund, the Bond Fund and the Collateral Fund will be invested on the Closing Date in Eligible Investments. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS — Investment of Bond Fund, Project Fund and Collateral Fund; Eligible Investments” herein.

THE BONDS

Terms of Bonds Generally

The Bonds shall be issued in Authorized Denominations and shall mature on February 1, 2043* (the “Maturity Date”). The Bonds are dated as of the Closing Date and shall bear interest at the Initial Interest Rate from the Closing Date, to but not including the Initial Mandatory Tender Date, payable on each Interest Payment Date, commencing February 1, 2026* and on each Mandatory Tender Date.

Interest on the Bonds shall be computed on the basis of a 360-day year of 12 months of 30 days each.

The principal of and interest on any of the Bonds shall be payable in lawful money of the United States of America. Except as described below under the subcaption “Book-Entry-Only System,” (a) the principal of any Bond shall be payable when due to a Holder upon presentation and surrender of such Bond at the Designated Office of the Trustee or at the corporate trust office, designated by the Trustee, of any Paying Agent and (b) interest on any Bond shall be paid on each Interest Payment Date by check which the Trustee shall cause to be mailed on that date to the Person in whose name the Bond is registered at the close of business of the Record Date applicable to that Interest Payment Date on the register at the address appearing therein.

Mandatory Tender

All Outstanding Bonds shall be subject to mandatory tender by the Holders for purchase in whole and not in part on each Mandatory Tender Date. The purchase price for each such Bond shall be payable in lawful money of the United States of America by check, shall equal 100% of the principal amount to be purchased and accrued interest, if any, to the Mandatory Tender Date and shall be paid in full on the applicable Mandatory Tender Date.

* Preliminary; subject to change.

The Mandatory Tender Dates shall consist of (i) the earliest of (A) the Initial Mandatory Tender Date, (B) the Conversion Date and (C) the Forward Commitment Maturity Date, and (ii) any subsequent dates for mandatory tender of the Bonds established by the Borrower with the consent of the Remarketing Agent in connection with a remarketing of the Bonds pursuant to the Indenture.

While tendered Bonds are in the custody of the Trustee pending purchase pursuant to the Indenture, the tendering Holders thereof shall be deemed the owners thereof for all purposes, and interest accruing on tendered Bonds through the day preceding the applicable Mandatory Tender Date is to be paid to such tendering Holders as if such Bonds had not been tendered for purchase.

Notwithstanding anything in the Indenture to the contrary, any Bond tendered under this heading will not be purchased if such Bond matures or is redeemed on or prior to the applicable Mandatory Tender Date.

The Trustee shall utilize the following sources of payments to pay the tender price of the Bonds not later than 2:30 p.m. Local Time on the Mandatory Tender Date in the following priority: (i) amounts representing proceeds of remarketed Bonds deposited into the Remarketing Proceeds Account, to pay the principal amount, plus accrued interest, of Bonds tendered for purchase; (ii) on the Conversion Date, amounts on deposit in the Permanent Loan Purchase Fund, to pay the tender price of Bonds tendered for purchase in an amount equal to the Actual Project Loan Amount, (iii) on any Mandatory Tender Date other than the Conversion Date, amounts on deposit in the Collateral Fund (and/or other Eligible Funds) to be transferred to the Bond Fund, to pay the principal amount of Bonds tendered for purchase; (iv) amounts on deposit in the Negative Arbitrage Account of the Bond Fund to pay the accrued interest, if any, on Bonds tendered for purchase; (v) any available interest earnings on amounts on deposit in the Project Fund to pay the accrued interest, if any, on the Bonds tendered for purchase and (vi) any other Eligible Funds available or made available for such purpose at the direction of the Borrower, with the consent of the Issuer.

Bonds shall be deemed to have been tendered for purposes of this heading whether or not the Holders shall have delivered such Undelivered Bonds to the Trustee and, subject to the right of the Holders of such Undelivered Bonds to receive the purchase price of such Bonds and interest accrued thereon to the Mandatory Tender Date, such Undelivered Bonds shall be null and void. If such Undelivered Bonds are to be remarketed, the Trustee shall authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Undelivered Bonds.

With respect to any mandatory tender on the Conversion Date, at the written direction of the Borrower, the Trustee shall sell or redeem Eligible Investments on deposit in the Project Fund and Collateral Fund and use the proceeds thereof, along with any deposit of Eligible Funds from the Borrower as required pursuant to the paragraph below, to redeem Bonds in excess of the Actual Project Loan Amount at the mandatory redemption price thereof.

In the event of a mandatory tender prior to the Initial Mandatory Tender Date, the Borrower shall comply with the provisions of the Indenture described under the heading “Investment of Bond Fund, Project Fund and Collateral Fund” in “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE” hereto not less than two Business Days prior to the applicable Mandatory Tender Date.

Mandatory Tender Notice

Notice to Holders. Not less than thirty (30) days preceding a Mandatory Tender Date (or ten (10) days in connection with a Mandatory Tender Date that is the Conversion Date), the Trustee shall give written notice of mandatory tender to the Holders of the Bonds then Outstanding (with a copy to the Borrower, the Investor Limited Partner and the Remarketing Agent) by first class mail, postage prepaid, at their respective addresses appearing on the register stating:

- (i) the Mandatory Tender Date and that (a) all Outstanding Bonds are subject to mandatory tender for purchase on the Mandatory Tender Date, (b) all Outstanding Bonds must be tendered for purchase no later than 12:00 noon Local Time on the Mandatory Tender Date and (c) Holders will not have the right to elect to retain their Bonds;

(ii) the address of the Designated Office of the Trustee at which Holders should deliver their Bonds for purchase and the date of the required delivery;

(iii) that all Outstanding Bonds will be purchased on the Mandatory Tender Date at a price equal to the principal amount of the Outstanding Bonds plus interest accrued to the Mandatory Tender Date; and

(iv) any Bonds not tendered will nevertheless be deemed to have been tendered and will cease to bear interest from and after the Mandatory Tender Date.

Second Notice. In the event that any Bond required to be delivered to the Trustee for payment of the purchase price of such Bond shall not have been delivered to the Trustee on or before the twentieth (20th) day following a Mandatory Tender Date, the Trustee shall mail a second notice to the Holder of the Bond at its address as shown on the register setting forth the requirements set forth in the Indenture for delivery of the Bond to the Trustee and stating that delivery of the Bond to the Trustee (or compliance with the provisions of the Indenture concerning payment of lost, stolen or destroyed Bonds) must be accomplished as a condition to payment of the purchase price applicable to the Bond.

Neither failure to give or receive any notice described in this heading, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for in this heading.

Notice delivered as required under the Indenture with respect to a mandatory tender in connection with Conversion may be rescinded and annulled on or before the tender date set forth in such notice if Conversion does not occur by the Conversion Date.

Mandatory Redemption

The Bonds are subject to mandatory redemption, in whole, on any Mandatory Tender Date other than the Conversion Date, upon the occurrence of any of the following events: (i) the Borrower has not previously elected pursuant to the Indenture and the Loan Agreement to cause the remarketing of the Bonds, (ii) the conditions to remarketing set forth in the Indenture have not been met by the dates and times set forth therein, or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. The Bonds shall be redeemed at a redemption price equal to 100% of the principal amount of such Bonds plus accrued interest to the applicable Redemption Date from funds on deposit in, or transferred from, the Bond Fund, the Collateral Fund, and the Project Fund.

Optional Redemption

The Bonds are subject to optional redemption prior to their maturity, at direction of the Borrower, either in whole or in part, on any date on or after the later to occur of (i) the date that the Project is placed in service, as certified in writing by the Borrower to the Trustee, and (ii) the Initial Mandatory Tender Date, at a redemption price equal to the principal amount of the Bonds to be redeemed, plus accrued interest, but without premium, to the applicable Redemption Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (i) amounts on deposit in the Collateral Fund, (ii) amounts on deposit in the Bond Fund, other than funds in the Negative Arbitrage Account therein, (iii) amounts on deposit in the Project Fund, and (iv) any other Eligible Funds available or made available for such purpose at the direction of the Borrower.

For Bonds subject to optional redemption pursuant to this section, the Trustee shall give at least thirty (30) calendar days' notice (or, with respect to the Securities Depository, such shorter period in order to comply with the policies or procedures of the Securities Depository), in the name of the Issuer, of the redemption of the Bonds, which notice shall be provided to the Securities Depository and made available on the Electronic Municipal Market Access System (EMMA) of the Municipal Securities Rulemaking Board, specifying (i) the maturity and principal amounts of the Bonds to be redeemed; (ii) the CUSIP number, if any, of the Bonds to be redeemed; (iii) the date of such notice;

(iv) the issuance date for such Bonds; (v) the interest rate on the Bonds to be redeemed; (vi) the planned Redemption Date; (vii) any conditions to the occurrence of the redemption (including whether such notice shall be subject to rescission if the conditions are not satisfied); (viii) the place or places where amounts due upon such redemption will be payable; (ix) the redemption price; (x) the Trustee's name and address with a contact and a phone number, if necessary or convenient as determined by the Trustee; and (xi) that on the Redemption Date, the redemption price shall be paid and from and after such date, interest on the Bonds so called for redemption shall cease to accrue, said Bonds (or portions thereof) shall cease to be entitled to any benefit or security under the Indenture, and the Owners of said Bonds shall have no rights in respect thereof except to receive payment of said redemption price. Neither the giving of such notice by the Trustee nor the receipt of such notice by the Bondholder, nor any defect in such notice shall affect the sufficiency of the proceedings for redemption of any Bonds or constitute a condition precedent to the effectiveness of any such redemption. The Bonds to be redeemed in part shall be selected in accordance with the operational arrangements of DTC or any successor Securities Depository, and any payments in respect of a redemption in part shall be made in accordance with DTC procedures.

Book-Entry Only System

The following information on the Book-Entry System applicable to all Bonds has been supplied by DTC and none of the Issuer, the Borrower, the Trustee or the Underwriter make any representation, warranties or guarantees with respect to its accuracy or completeness.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond certificate will be issued for each issue of the Bonds, each in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Trustee, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer and Trustee believe to be reliable, but neither the Issuer nor the Trustee takes any responsibility for the accuracy thereof.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

General

The Bonds will be secured by all right, title and interest of the Issuer in the Trust Estate, including, but not limited to (i) all right, title and interest of the Issuer in and to all Revenues, derived or to be derived by the Issuer or the Trustee for the account of the Issuer under the terms of the Indenture and the Loan Agreement (other than the Reserved Rights of the Issuer), together with all other Revenues received by the Trustee for the account of the Issuer arising out of or on account of the Trust Estate, (ii) all right, title and interest of the Issuer in and to the Note (other than the Reserved Rights of the Issuer) including all payments and proceeds with respect thereto or replacement thereof, (iii) all moneys (including the Eligible Funds received by the Trustee for deposit into the Collateral Fund, provided that Mortgage Loan proceeds become part of the Trust Estate concurrently with the Trustee's corresponding disbursement of Bond proceeds to or at the direction of the Mortgage Lender in accordance with the Indenture) which are at any time or from time to time on deposit in any fund or account created under the Indenture (excluding funds in the Costs of Issuance Fund (but only to the extent such moneys are not proceeds of the Bonds) and the Rebate Fund, (iv) all right, title and interest of the Issuer in and to, and remedies under, the Loan Agreement (other than the Reserved Rights of the Issuer); and (v) all funds, moneys and securities and any and all other rights and interests in property whether tangible or intangible from time to time hereafter by delivery or by writing of any kind, conveyed, mortgaged, pledged, assigned or transferred as and for additional security under the Indenture for the Bonds by the Issuer or by anyone on its behalf or with its written consent to the Trustee, which is authorized by the Indenture to receive any and all such property at any and all times and to hold and apply the same subject to the terms of the Indenture; provided, however, that there shall be excluded from the granting clauses of the Indenture all the Reserved Rights of the Issuer, including all amounts paid or collected by the Issuer in connection therewith, all amounts on deposit in the Costs of Issuance Fund and all amounts on deposit in the Rebate Fund (including any accounts thereof), which amounts on deposit in the Rebate Fund shall be held for the sole benefit of the United States of America (the foregoing collectively referred to as the "Trust Estate").

THE BONDS, THE PRINCIPAL OF AND THE INTEREST THEREON ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED IN THE INDENTURE AND NO OTHER REVENUES OR ASSETS OF THE ISSUER. THE BONDS, THE PRINCIPAL OF AND THE INTEREST THEREON DO NOT CONSTITUTE AN INDEBTEDNESS OR OBLIGATION OF THE STATE OF INDIANA, AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OF INDIANA IS PLEDGED TO THE PAYMENT OF PRINCIPAL OF OR INTEREST ON THE BONDS. THE ISSUER HAS NO TAXING POWER.

Repayment of Loan

The Loan Agreement and the Note obligate the Borrower to cause to be paid to the Trustee amounts which shall be sufficient to pay Bond Service Charges coming due on each Interest Payment Date. At all times the Eligible Funds required to be deposited into the Collateral Fund and amounts on deposit in the Bond Fund and the Project Fund, if any, along with interest earnings thereon (without the need for reinvestment), will be sufficient to pay such Bond Service Charges and such amounts will be a credit against the Borrower's payment obligations under the Loan Agreement and the Note.

Investment of Bond Fund, Project Fund and Collateral Fund; Eligible Investments

On the Closing Date, all amounts on deposit in the Bond Fund and Collateral Fund will be invested in Eligible Investments. It is anticipated that all of the Bond proceeds in the Project Fund will be disbursed to pay Project Costs on and after the Closing Date and that Bond Service Charges will be paid from amounts on deposit in the Bond Fund and Collateral Fund and any investment earnings thereon.

Additional Bonds

No additional Bonds on parity with the Bonds may be issued pursuant to the Indenture.

However, the member(s) of the General Partner, the Investor Limited Partner and their affiliates are engaged in and will continue to engage in the acquisition, development, ownership and management of similar types of housing projects. They may be financially interested in, as officers, members or otherwise, and devote substantial times to, business and activities that may be inconsistent or competitive with the interests of the Project.

The obligations and liabilities of the Borrower under the Loan Agreement and the Note are of a non-recourse nature and are limited to the Project and moneys derived from the operation of the Project. Neither the Borrower nor its partners have any personal liability for payments on the Note to be applied to pay the principal of and interest on the Bonds. Furthermore, no representation is made that the Borrower has substantial funds available for the Project. Accordingly, neither the Borrower’s financial statements nor those of its partners are included in this Official Statement.

* Preliminary; subject to change.

The Property Manager

The Borrower has entered into a management agreement with NexGen Real Estate LLC, an Indiana limited liability company (the “Property Manager”), to manage the day-to-day operations of the Project. The Property Manager currently manages 138 apartment units in Indiana.

The General Contractor

The general contractor for the Project is NexGen Real Estate, LLC (the “General Contractor”). The General Contractor is not an affiliate of the Developer. Since inception, the General Contractor has built or rehabilitated over 138 units of affordable apartments.

The Architect

The architect for the Project is Studio Architecture LLC (the “Architect”). The Architect is not an affiliate of the Developer. The Architect has been a licensed architect for 15 years and has been the principal architect for over 50 multifamily developments with a total of over 1,000 units.

THE PROJECT

The following information concerning the Project has been provided by representatives of the Borrower and has not been independently confirmed or verified by either the Underwriter or the Issuer. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

On such tender date, Bonds so tendered may be redeemed in part in an amount sufficient to reduce the outstanding principal balance thereof to \$10,455,000* and shall be delivered in the form of a note evidencing the Funding Loan (the "Governmental Note") to the Freddie Mac Seller/Servicer, which Governmental Note, if issued, is expected to be sold to the Federal Home Loan Mortgage Corporation ("Freddie Mac").

All costs of issuing the Bonds, including the Underwriter's fee, will be paid by the Borrower.

Project Regulation

The Borrower intends to operate the Project as a qualified residential rental project in accordance with the provisions of Section 142(d) of the Code. Concurrently with the issuance of the Bonds, the Borrower, the Trustee and the Issuer will enter into a Regulatory Agreement dated as of July 1, 2025 (the “Tax Regulatory Agreement”). Under the Tax Regulatory Agreement, the Borrower will agree that, at all times during the Qualified Project Period (as defined in the Tax Regulatory Agreement), the Borrower will rent at least 100% of the units in the Project to persons whose adjusted family income (determined in accordance with the provisions of the Code) is no more than 60% of the area median income (adjusted for family size) (“AMI”). See “APPENDIX D — SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT” herein.

In addition to the rental restrictions imposed upon the Project by the Tax Regulatory Agreement, the Project will be further encumbered by a tax credit restrictive covenant, to be executed by the Borrower in connection with the federal low-income housing tax credits anticipated to be granted for the Project and in compliance with the requirements of Section 42 of the Code. Section 42 of the Code will restrict the income levels of 100% of the residential units in the Project (the “Tax Credit Units”). All of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 60% of the AMI adjusted for family size and the rents which may be charged for occupancy of such units will be restricted to not more than 30% of 60% of AMI, adjusted for family size.

CERTAIN BONDHOLDERS’ RISKS

The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.

General

Payment of the Bond Service Charges, and the Borrower’s obligations with respect to the Bond Service Charges, will be secured by and payable from Bond proceeds held in the Project Fund, if any, and moneys deposited into the Collateral Fund and the Bond Fund, including the Negative Arbitrage Account held in the Bond Fund. Although the Borrower will execute the Note to evidence its obligation to repay the Loan, it is not expected that any revenues from the Project or other amounts, except moneys in the Bond Fund, Project Fund, if any, and Collateral Fund, will be available to satisfy that obligation. The Indenture requires the Trustee to verify, before any disbursement of funds from the Project Fund, that the sum of the funds on deposit in the Project Fund and the Collateral Fund is at

* Preliminary; subject to change.

least equal to the then outstanding principal amount of the Bonds. It is expected that all of the Bond proceeds in the Project Fund will be disbursed to pay Project Costs on and after the Closing Date. At all times funds on deposit in the Collateral Fund and Negative Arbitrage Account of the Bond Fund, and the interest earnings thereon (without the need for reinvestment), will be sufficient to pay the debt service on the Bonds.

Limited Security for Bonds

The Bonds are not secured by the Mortgage Loan. Investors should look exclusively to amounts on deposit in the Bond Fund, Project Fund, if any, and Collateral Fund under the Indenture and investment earnings on each as the source of payment of debt service on the Bonds.

Future Determination of Taxability of the Bonds

Failure of the Borrower to have complied with and to continue to comply with certain covenants contained in the Loan Agreement and the Tax Regulatory Agreement could result in interest on the Bonds being taxable retroactive to the date of original issuance of the Bonds. The Bonds are not subject to redemption upon a determination of taxability and are not subject to payment of additional interest in such an event, and neither the Issuer nor the Borrower will be liable under the Bonds, the Indenture or the Loan Agreement for any such payment of additional interest on the Bonds.

Issuer Limited Liability

The Bonds will not be insured or guaranteed by any governmental entity or by the Issuer or any member or program participant of the foregoing. The Bondholders will have no recourse to the Issuer in the event of an Event of Default on the Bonds. The Trust Estate for the Bonds will be the only source of payment on the Bonds.

Enforceability of Remedies upon an Event of Default

The remedies available to the Trustee and the owners of the Bonds upon an Event of Default under the Indenture, the Loan Agreement, the Tax Regulatory Agreement or any other document described herein are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, the remedies provided for under such documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

Secondary Markets and Prices

No representation is made concerning the existence of any secondary market for the Bonds. The Remarketing Agent will not be obligated to repurchase any of the Bonds, nor can any assurance be given that any secondary market will develop following the completion of the offering of the Bonds. Further, there can be no assurance that the initial offering prices for the Bonds will continue for any period of time. Furthermore, the Bonds should be purchased for their projected returns only and not for any resale potential, which may or may not exist.

Eligible Investments

Proceeds of the Bonds deposited into the Project Fund and Eligible Funds received by the Trustee for deposit into the Collateral Fund are required to be invested in Eligible Investments. See “APPENDIX A — DEFINITIONS OF CERTAIN TERMS” hereto for the definition of Eligible Investments. There can be no assurance that there will not be a loss resulting from any investment held for the credit of the Project Fund or the Collateral Fund, and any failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

Rating Based on Eligible Investments

The rating on the Bonds is based on the amounts in the Project Fund, Bond Fund and the Collateral Fund being invested in Eligible Investments. If one or more of such investments fail to meet the rating standards for Eligible Investments after their acquisition and prior to maturity, such a change may result in a downgrade or withdrawal of the rating on the Bonds.

Subordination to Mortgage Loan Documents

The Indenture, the Loan Agreement, the Note, and the Tax Regulatory Agreement contain provisions regarding subordination of such documents to the Mortgage Loan Documents. No assurance can be given that such provisions will not impair the excludability of interest on the Bonds from gross income for federal income tax purposes.

Future Legislation; IRS Examination

The Project, its operation and the treatment of interest on the Bonds are subject to various laws, rules and regulations adopted by the local, State and federal governments and their agencies. There can be no assurance that relevant local, State or federal laws, rules and regulations may not be amended or modified or interpreted in the future in a manner that could adversely affect the Bonds, the trust estate created under the Indenture, the Project, or the financial condition of or ability of the Borrower to comply with its obligations under the various transaction documents.

In recent years, the Internal Revenue Service (“IRS”) has increased the frequency and scope of its examination and other enforcement activity regarding tax exempt bonds. Currently, the primary penalty available to the IRS under the Code is a determination that interest on bonds is subject to federal income taxation. Such event could occur for a variety of reasons, including, without limitation, failure to comply with certain requirements imposed by the Code relating to investment restrictions, periodic payments of arbitrage profits to the United States of America, the timely and proper use of Bond proceeds and the facilities financed therewith and certain other matters. See “TAX MATTERS” herein. No assurance can be given that the IRS will not examine the Issuer, the Borrower, the Project or the Bonds. If the Bonds are examined, it may have an adverse impact on their price and marketability.

Potential Impact of Pandemics or Public Health Crises

The spread of the strain of a virus and resulting disease could alter the behavior of businesses and people in a manner that could have negative effects on global, state and local economies. There can be no assurances that the spread of a pandemic would not materially impact both local and national economies and, accordingly, have a materially adverse impact on the Project’s operating and financial viability. The effects of a pandemic could include, among other things, an increase in the time necessary to complete the construction and/or rehabilitation of the Project, suspension or delay of site inspections and other on-site meetings, interruption in the engagement of material participants in the Project, increase in the time necessary to conduct lease-up at the Project, and increased delinquencies and/or vacancies, all of which could impact the Borrower’s ability to make payments on the loans and result in a default and acceleration thereof.

Summary

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement and the Appendices hereto.

TAX MATTERS

In the opinion of Ice Miller LLP, Indianapolis, Indiana, Bond Counsel, under existing federal statutes, decisions, regulations and rulings, interest on the Bonds is excludable from gross income for purposes of federal income taxation pursuant to Section 103 of the Code, except for interest on any Bond for any period during which such Bond is held by a person who is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Code. Further, under existing law, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax applicable to individuals; however, such interest may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. This opinion is conditioned on continuing compliance by the Issuer and the Borrower with the Tax Covenants (hereinafter defined). Failure to comply with the Tax Covenants could cause interest on the Bonds to lose the excludability from gross income for federal income tax purposes retroactive to the date of issue.

In the opinion of Ice Miller LLP, under existing statutes decisions, regulations and rulings interest on the Bonds is exempt from income taxation in the State. This opinion relates only to the exemption from state income tax of interest on the Bonds. See “APPENDIX F — FORM OF BOND COUNSEL OPINION.”

The Code imposes certain requirements that must be met subsequent to the issuance of the Bonds as a condition to the excludability from gross income of interest on the Bonds for federal income tax purposes. The Issuer and the Borrower will covenant not to take any action nor fail to take any action, within their respective power and control, with respect to the Bonds that would result in the loss of the excludability from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code (collectively, the “Tax Covenants”). The Indenture and certain certificates and agreements to be delivered on the date of delivery of the Bonds establish procedures under which compliance with the requirements of the Code can be met.

Although Bond Counsel will render an opinion in the form attached as Appendix F hereto, the accrual or receipt of interest on the Bonds may otherwise affect a Bondholder’s federal income tax or state tax liability with respect to the Bonds. The nature and extent of these other tax consequences will depend upon the Bondholder’s particular tax status and a Bondholder’s other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, financial institutions, certain insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the Bonds. Bond Counsel expresses no opinion regarding any other tax consequences. Prospective purchasers of the Bonds should consult their own tax advisors with regard to other consequences of owning the Bonds.

Although Bond Counsel will render an opinion that interest on the Bonds is excludable from federal gross income, the accrual or receipt of interest on the Bonds may otherwise affect a Bondholder’s federal or state tax liability. The nature and extent of these other tax consequences will depend upon the Bondholder’s particular tax status and the Bondholder’s other items of income or deductions. Bond Counsel expresses no opinion regarding any other such tax consequences.

Legislation affecting municipal bonds is considered from time to time by the United States Congress. There can be no assurance that legislation enacted or proposed after the date of issuance of the Bonds will not have an adverse effect on the tax-exempt status of the Bonds or the market price of the Bonds.

A form of the opinion of Bond Counsel is attached hereto as Appendix F. Copies of such opinion will be available at the time of the initial delivery of the Bonds.

UNDERWRITING

Pursuant and subject to the terms and conditions set forth in the Bond Purchase Agreement (the “Bond Purchase Agreement”), among Stifel, Nicolaus & Company, Incorporated (the “Underwriter”), the Issuer and the Borrower, the Underwriter has agreed to purchase the Bonds at the price set forth on the cover hereof. For its services relating to the transaction, the Underwriter will receive a fee of \$ ____ plus \$ ____, payable in immediately available funds on the Closing Date, from which the Underwriter shall pay certain fees and expenses relating to the issuance of

the Bonds[, plus an additional amount of \$_____ (the “Underwriter’s Advance) for initial deposits established under the Indenture]. The Underwriter’s fee shall not include the fee of its counsel. [The Borrower will reimburse the Underwriter for the Underwriter’s Advance on or before the Closing Date.]

The Underwriter’s obligations are subject to certain conditions precedent, and the Underwriter will purchase all the Bonds, if any are purchased. Pursuant to the Bond Purchase Agreement, the Borrower has agreed to indemnify the Underwriter and the Issuer against certain civil liabilities, including liabilities under federal securities laws. It is intended that the Bonds will be offered to the public initially at the offering prices set forth on the cover page of this Official Statement and that such offering prices subsequently may change without any requirement of prior notice. The Underwriter may offer the Bonds to other dealers at prices lower than those offered to the public.

The Underwriter does not guarantee a secondary market for the Bonds and is not obligated to make any such market in the Bonds. No assurance can be made that such a market will develop or continue. Consequently, investors may not be able to resell Bonds should they need or wish to do so for emergency or other purposes.

The Underwriter and its affiliates comprise a full-service financial institution engaged in activities which may include securities sales and trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. The Underwriter and its affiliates may have provided, and may in the future provide, a variety of these services to the Issuer and/or the Borrower and to persons and entities with relationships with the Issuer and/or the Borrower, for which they received or will receive customary fees and expenses. The Underwriter is not acting as financial advisor to the Issuer or the Borrower in connection with the offer and sale of the Bonds.

In the ordinary course of these business activities, the Underwriter and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the Issuer and/or the Borrower (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Issuer and/or the Borrower.

The Underwriter and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. RATING

Moody’s Investors Service, Inc., a Delaware corporation (the “Rating Agency”) has assigned to the Bonds the rating set forth on the cover page hereof. The rating reflects only the view of the Rating Agency at the time the rating was issued and an explanation of the significance of such rating may be obtained from the Rating Agency. The rating is not a recommendation to buy, sell or hold the Bonds. There is no assurance that any such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of such rating can be expected to have an adverse effect on the market price of the Bonds.

UNDERTAKING TO PROVIDE CONTINUING DISCLOSURE

Prior to the issuance of the Bonds, the Borrower will execute and deliver a Continuing Disclosure Agreement pursuant to which the Borrower will agree to provide ongoing disclosure pursuant to the requirements of Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”). Financial statements and other operating data will be provided at least annually to the Municipal Securities Rulemaking Board (the “MSRB”) and notices of certain events

will be issued pursuant to the Rule. Information will be filed with the MSRB through its Electronic Municipal Market Access (“EMMA”) system, unless otherwise directed by the MSRB. A form of the Continuing Disclosure Agreement is attached hereto as APPENDIX E.

A failure by the Borrower to comply with the Continuing Disclosure Agreement will not constitute an Event of Default under the Loan Agreement. Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker or dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price and the ability of the Issuer to issue and sell bonds in the future.

The Borrower has not previously been subject to the continuing disclosure requirements of the Rule.

Payment of the fees of certain counsel to the transaction is contingent upon the issuance and delivery of the Bonds as described herein.

RELATIONSHIP AMONG PARTIES

In connection with the issuance of the Bonds, the Issuer, the Borrower, and the Underwriter are being represented by the attorneys or law firms identified herein. In other transactions not related to the Bonds, each of these attorneys or law firms may have acted as bond counsel or represented the Issuer, the Underwriter, the Borrower, or their affiliates, in capacities different from those described herein, and there will be no limitations imposed as a result of the issuance of the Bonds on the ability of any of those attorneys or firms to act as bond counsel or represent any of these parties in any future transactions. Potential purchasers of the Bonds should not assume that the Issuer, the Underwriter, the Borrower, or their respective counsel or Bond Counsel have not previously engaged in, or will not after the issuance of the Bonds engage in, other transactions with each other or with affiliates of any of them, and no assurance can be given that there are or will be no past or future relationships or transactions between or among any of these parties or these attorneys or law firms.

Bond Counsel is also serving as counsel to the Borrower and providing other legal services to the Borrower in connection with the Bonds and the Project. Bond Counsel has previously represented, and is currently representing, the Underwriter with respect to other financings and has acted as counsel to the Underwriter with respect to other bonds underwritten by the Underwriter and may do so in the future.

APPENDIX B

SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE

The following is a brief summary of certain provisions of the Indenture. The following summary does not purport to be complete or definitive and is subject to all the terms and provisions of the Indenture, to which reference is hereby made and copies of which are available from the Issuer or the Trustee.

Creation of Funds

The following funds and accounts will be established and maintained by the Trustee under the Indenture:

- (a) the Bond Fund, and therein the Negative Arbitrage Account and the Remarketing Proceeds Account;
- (b) the Project Fund;
- (c) the Rebate Fund;
- (d) the Costs of Issuance Fund;
- (e) the Collateral Fund; and
- (f) the Permanent Loan Purchase Fund.

The Trustee may create one or more accounts or subaccounts within any fund authorized by the Indenture for the purpose of accounting for funds deposited into or held in each fund or for carrying out any of the requirements of the Indenture. The Trustee may transfer funds between accounts and subaccounts within any fund.

Funds in the Costs of Issuance Fund, the Mortgage Loan Prepayment Fund and the Rebate Fund shall not be pledged to the payment of the Bonds and shall not be part of the Trust Estate.

Deposits into and Use of Moneys in the Bond Fund

On the Closing Date, the Trustee shall deposit the Initial Deposit, if any, into the Negative Arbitrage Account of the Bond Fund; amounts on deposit in the Bond Fund are to be invested pursuant to the Indenture. Any Extension Payment received by the Trustee in connection with an extension of the Mandatory Tender Date pursuant to the Indenture shall also be deposited into the Negative Arbitrage Account. The Trustee is authorized to release funds in the Negative Arbitrage Account to the Borrower upon receipt of an updated Cash Flow Projection and a rating confirmation from the Rating Agency.

Bond Service Charges shall be payable as they become due, (i) in the first instance from money on deposit in the Bond Fund (excluding the Negative Arbitrage Account therein), (ii) next from money on deposit in the Negative Arbitrage Account of the Bond Fund, (iii) next from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund and (iv) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Except as otherwise provided in the Indenture, moneys in the Bond Fund shall be used solely for the payment of the principal of and interest on the Bonds when due.

Collateral Fund; Project Fund

Upon receipt, the Trustee shall deposit into the Collateral Fund all Eligible Funds received pursuant to the Loan Agreement and any other Eligible Funds received by the Trustee for deposit into the Collateral Fund. The Loan

Agreement requires the Borrower to cause Eligible Funds to be delivered to the Trustee for deposit into the Collateral Fund in a principal amount equal to, and as a prerequisite to the disbursement of, the amount of Bond proceeds on deposit in the Project Fund to be disbursed by the Trustee to pay Qualified Project Costs.

Each deposit into the Collateral Fund shall constitute an irrevocable deposit solely for the benefit of the Holders, subject to the provisions of the Indenture.

The Trustee shall transfer money in the Collateral Fund as follows: (i) on the Conversion Date, (A) to the Bond Fund in an amount sufficient to (1) pay any accrued but unpaid interest on the Bonds and (2) to cause the partial redemption of the Bonds in an amount sufficient to reduce the outstanding principal amount of the Bonds to the Actual Project Loan Amount set forth in the Conversion Notice, and (B) to or at the direction of the Construction Lender, in partial repayment of the outstanding principal balance of the Construction Loan, (ii) on a Mandatory Tender Date other than the Conversion Date, to the Bond Fund, the amount necessary to pay the purchase price of the Bonds, to the extent amounts on deposit in the Remarketing Proceeds Account and the Negative Arbitrage Account of the Bond Fund are insufficient therefor; and (iii) on any Redemption Date, to the Bond Fund the amount, together with amounts on deposit in the Bond Fund, necessary to pay the principal and interest due on the Bonds on such date.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the Collateral Fund is transferred to the Bond Fund and applied to the payment of the principal of any of the Bonds or the principal component of the redemption price of any of the Bonds, all as provided in the Indenture.

To the extent moneys are not otherwise provided to the Trustee to make the necessary interest and principal payments on each Interest Payment Date, including moneys deposited into the Bond Fund or the Collateral Fund, the Trustee shall, without further written direction, transfer from the Project Fund to the Bond Fund sufficient Eligible Funds to make such necessary interest and principal payments on each Interest Payment Date.

The Trustee shall cause to be kept and maintained adequate records pertaining to the Project Fund and all disbursements therefrom. If requested by the Issuer or the Borrower, after the Project has been completed and a certificate of payment of all costs is filed as provided in the Indenture, the Trustee shall file copies of the records pertaining to the Project Fund and disbursements therefrom with the Issuer and the Borrower.

The Borrower expects that the Project will proceed substantially in accordance with the Construction Draw Schedule. Each Requisition submitted to the Trustee shall evidence and request disbursements from the Project Fund, and/or the Costs of Issuance Fund.

Notwithstanding any other provision of the Indenture to the contrary, after the Closing Date the Trustee shall not disburse moneys from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until the Trustee receives satisfactory evidence that Eligible Funds in an amount equal to or greater than the requested disbursement amount (the "Collateral Deposit") has been deposited in the Collateral Fund. Prior to making any disbursement, the Trustee shall verify that upon making the disbursement, the aggregate amount to be held in (i) the Collateral Fund and (ii) the Project Fund, together with projected investment earnings thereon, will be sufficient to pay Bond Service Charges on the outstanding Bonds as and when they become due. In the event that, following receipt of the Collateral Deposit, the Trustee determines that it cannot correspondingly disburse Bond proceeds to or at the direction of the Borrower or the Mortgage Lender, the Trustee shall promptly notify the Borrower and the Mortgage Lender, as applicable, of the reason for such determination and shall, promptly upon the request of the Borrower and the Mortgage Lender, return the subject Collateral Deposit to the party that deposited such Collateral Deposit with the Trustee.

The proceeds of the Bonds shall be allocated exclusively to pay costs that (i) are (A) capital expenditures (as defined in Section 1.150-1(a) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 142(d) of the Code; and (ii) shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located, so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Bonds for the purpose of complying with Section 42(h)(4)(B) of the Code; provided, however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Trustee nor the Issuer shall have any obligation to enforce

this covenant nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the holders of the Bonds for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or Event of Default under the Indenture.

Upon the occurrence and continuance of an Event of Default under the Indenture because of which the principal amount for the Bonds has been declared to be due and immediately payable under the Indenture, any moneys remaining in the Project Fund shall be promptly transferred by the Trustee to the Bond Fund for payment of Bond Service Charges.

Permanent Loan Purchase Fund

The Trustee shall establish and maintain a separate fund to be known as the “Permanent Loan Purchase Fund.” On or before the Conversion Date, the Borrower shall cause funds in an amount equal to the difference between the outstanding principal amount of the Bonds and the Actual Project Loan Amount as set forth in the Conversion Notice to be deposited into the Permanent Loan Purchase Fund. On the Conversion Date, all funds in the Permanent Loan Purchase Fund shall be applied by the Trustee towards the payment of the purchase price of Bonds in a principal amount equal to the Actual Project Loan Amount. After such purchase, the Permanent Loan Purchase Fund shall be closed.

Procedure for Making Disbursements from Project Fund

Upon the delivery to the Trustee of (i) a signed Requisition in substantially the form attached an appendix to the Indenture, (ii) Eligible Funds in an amount equal to the amount of Bond proceeds being requested for disbursement pursuant to such Requisition, as provided in the Indenture, and (iii) certification by a Borrower Representative that the Costs of the Project intended to be paid with such Bond proceeds are qualified costs pursuant to Section 142 of the Code, the Trustee shall, on such date, deposit such Eligible Funds into the Collateral Fund and disburse from the Project Fund Bond proceeds, in the amount set forth in the applicable Requisition, solely to pay Costs of the Project. To the extent money on deposit in the Project Fund is invested in Eligible Investments, the Trustee shall not sell or otherwise terminate such Eligible Investments prior to their stated maturity date and instead the Trustee is hereby instructed to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Project Fund to pay Costs of the Project: (a) allocate all or a portion of the Eligible Investments in the Project Fund, in the amount specified in the request for disbursement, to the Collateral Fund, and (b) transfer to the Project Fund a like amount of Eligible Funds on deposit in the Collateral Fund to be disbursed in accordance with the Indenture.

The Trustee shall not disburse money from the Project Fund, other than to pay interest and principal on the Bonds as otherwise permitted under the Indenture, unless and until Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited into the Collateral Fund in accordance with the Indenture; provided, however, that the Trustee shall transfer funds from the Project Fund to the Collateral Fund upon receipt of an opinion of Bond Counsel to the effect that such transfer shall not cause the interest on any of the Bonds to be or become includible in the gross income of the owners thereof for federal income tax purposes. In accordance with the Loan Agreement, and prior to making any disbursement from the Project Fund (except to make necessary interest and principal payments as otherwise permitted under the Indenture), the Trustee shall determine that the aggregate account balance in (a) the Collateral Fund and (b) the Project Fund (less the requested disbursement amount) is at least equal to the then-Outstanding principal amount of the Bonds.

Money in the Project Fund shall be disbursed in accordance with the provisions of the Loan Agreement and the Indenture. To the extent moneys are not otherwise provided to the Trustee to make the necessary interest and principal payments on each Interest Payment Date, including moneys deposited into the Bond Fund or the Collateral Fund, the Trustee shall, without further written direction, transfer from the Project Fund to the Bond Fund sufficient Eligible Funds to make such necessary interest and principal payments on each Interest Payment Date.

Notwithstanding anything contained in the Indenture or any of the Borrower Documents to the contrary: (a) with respect to Eligible Funds funded by the Mortgage Lender for deposit into the Collateral Fund, the Trustee shall be irrevocably and unconditionally obligated to disburse an equal amount of funds from the Project Fund to either the

Mortgage Lender, the Borrower or the Title Company pursuant to a Requisition as directed by the Mortgage Lender; and (b) with respect to Eligible Funds funded by for deposit into the Collateral Fund, the Trustee shall be irrevocably and unconditionally obligated to disburse an equal amount of funds from the Project Fund to either the Borrower or the Title Company as directed by pursuant to a Requisition. Such disbursements shall be made pursuant to a Requisition and shall not be made more frequently than once per month, unless approved by the Issuer, in its sole discretion.

Subject to the Trustee's obligation to return the Eligible Funds to the Mortgage Lender or as set forth above, the Trustee and the Issuer shall not, in any event, be responsible or liable to any person (other than the Borrower, but only in the case of the Trustee, and only in the event of a failure by the Trustee to make disbursements following request for disbursements in accordance with the Documents, when such failure is within the Trustee's sole control, and after receipt of written notice of such failure and a three-day opportunity to cure such failure) for the disbursement of, or failure to disburse, moneys from the Project Fund or any part thereof, and no contractor, subcontractor or material or equipment supplier or their respective successors and assigns shall have any right or claim against the Trustee or the Issuer under the Indenture.

Notwithstanding anything contained in the Indenture or any of the Borrower Documents to the contrary, if for any reason the Trustee is not able to disburse a corresponding amount of Bond proceeds from the Project Fund to or at the direction of the Mortgage Lender or, as applicable, promptly following receipt of Eligible Funds from the Mortgage Lender or, as applicable, for deposit into the Collateral Fund, the Trustee shall promptly wire transfer such funds back to the Mortgage Lender or, as applicable, not deposit the same into the Collateral Fund.

Investment of Bond Fund, Project Fund and Collateral Fund

Money in all funds or accounts including the Bond Fund, Project Fund, and Collateral Fund shall be invested and reinvested by the Trustee, and at all times held in Eligible Investments at the written direction (including facsimile transmission) of the Borrower as approved by the Issuer, such written direction to specify the particular investment in Eligible Investments to be made. In the absence of written direction of the Borrower, any moneys held under the Indenture shall be invested in (i) First American Money Market Funds, Treasury Obligations Fund Y Class, CUSIP 31846V807, or if such fund is unavailable, (ii) investments described in paragraph (b) of the definition of Eligible Investments.

At no time shall the Borrower direct that (a) any funds constituting gross proceeds of the Bonds be used in any manner as would constitute failure of compliance with Section 148 of the Code or (b) any funds be held other than in Eligible Investments.

Investments of money in the Bond Fund, Project Fund, and the Collateral Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts necessary to provide money to pay any amounts due on the Bonds as they become due on each Interest Payment Date, at stated maturity or on a Mandatory Tender Date. In addition, investment of money in the Project Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts as may be necessary to make anticipated payments from the Project Fund. Any investments in the Bond Fund, the Project Fund or the Collateral Fund that are not classified as Eligible Investments shall be invested in Governmental Obligations.

The Trustee shall sell or redeem investments credited to the Bond Fund to produce sufficient money applicable under the Indenture to and at times required for the purposes of paying any amounts due on the Bonds, and shall do so without necessity for any order on behalf of the Issuer or the Borrower and without restriction by reason of any order. An investment made from money credited to an applicable fund or account shall constitute part of that respective fund or account. All investment earnings from amounts on deposit in the Project Fund and the Collateral Fund shall be credited to and become part of the Bond Fund. All gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Project Fund and the Collateral Fund shall be credited to and become part of the Bond Fund. Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments upon receipt of a Cash Flow Projection. Notwithstanding anything in the Indenture to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying Bond Service Charges shall be held uninvested as cash and (ii) Bond proceeds and the Initial

Deposit to the Negative Arbitrage Account, if any, shall be held uninvested as cash until the Trustee has purchased, sold or exchanged Eligible Investments.

Any investments may be purchased from or sold to the Trustee, or any bank, trust company or savings and loan association which is an affiliate or subsidiary of the Trustee provided that all such investments must be Eligible Investments. The Trustee shall not be liable for losses, fees, taxes or other charges on investments, reinvestments or liquidations made in compliance with the provisions of the Indenture. If the Trustee is required to sell or otherwise dispose of any Eligible Investments prior to maturity at a price below par in connection with a mandatory tender prior to the applicable Mandatory Tender Date, the Borrower shall, at the Borrower's expense, deliver to the Trustee (i) a Cash Flow Projection and (ii) Eligible Funds in the amount set forth in such Cash Flow Projection, if any.

Although each of the Issuer and the Borrower recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, each of the Issuer and the Borrower agrees that confirmations of Eligible Investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. The Trustee may conclusively rely upon the Borrower's and Issuer's written instructions as to both the suitability and legality of the directed investments and incur no liability in connection therewith.

Investment of Rebate Fund

Any moneys held as part of the Rebate Fund, and not immediately required for the purposes of the Rebate Fund, shall be invested or reinvested by the Trustee, at the written direction (including facsimile transmission) of the Borrower Representative (such written direction to specify the particular investment to be made) and with the prior written approval of the Issuer, in Governmental Obligations or in any money market or short-term investment fund investing in or consisting solely of and secured by Governmental Obligations, including any such fund maintained by the Trustee or an affiliate thereof having maturities consonant with the need for funds as estimated by the Borrower, notwithstanding that (a) the Trustee charges and collects fees and expenses from such funds for services rendered, (b) the Trustee charges and collects fees and expenses for services rendered pursuant to the Indenture and (c) services performed for such funds and pursuant to the Indenture may converge at any time. All investment earnings, gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Rebate Fund shall be retained therein. The Trustee may conclusively rely upon the Borrower's and Issuer's written instructions as to both the suitability and legality of the directed investments and incur no liability in connection therewith. The Trustee shall not be liable for losses, fees, taxes or other charges on investments, reinvestments or liquidations in this section made in compliance with the provisions of the Indenture.

Discharge of Lien

If and when the Bonds secured by the Indenture shall become due and payable in accordance with their terms as provided in the Indenture, or otherwise, and the whole amount of the principal and the interest so due and payable upon all of the Bonds, together with all other amounts payable under the Indenture by the Issuer and all fees and expenses of the Trustee and the Issuer, shall be paid, or provision shall have been made for the payment of the same, then the right, title and interest of the Trustee in and to the Trust Estate and all covenants, agreements and other obligations of the Issuer to the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, upon written request of the Issuer and subject to the provisions of the Indenture, the Trustee shall turn over to the Borrower, so long as there shall have occurred no Event of Default which is uncured and continuing, any surplus in the Bond Fund and all balances remaining in any other fund created under the Indenture and shall assign and transfer to the Issuer all other property then held by the Trustee under the Indenture and shall execute such documents as may be reasonably required by the Issuer.

If and when the Trustee shall hold sufficient moneys under the Indenture, as verified to the Trustee in writing by an independent public accounting firm of national reputation or other firm similarly experienced in performing such computations, to provide for payment of the whole amount of the principal and interest due and payable and thereafter to become due and payable upon all the Bonds, together with all other amounts (exclusive of amounts in the Rebate Fund) payable or which may thereafter become payable under the Indenture by the Issuer, notwithstanding that all the Bonds have not yet become due and payable and that consequently the right, title and interest of the Trustee in and to the Trust Estate shall not have ceased, terminated and become void pursuant to the foregoing provisions of

this heading, the Trustee, on demand of the Issuer but subject to the provisions of the Indenture, shall turn over to the Borrower, so long as there shall have occurred no Event of Default which is uncured and continuing, or to such person, body or authority as may be entitled to receive the same, any surplus in the Bond Fund in excess of the amount sufficient to pay the whole amount of the principal and interest due and payable and thereafter to become due and payable upon all Bonds together with all other amounts payable or which may thereafter become payable under the Indenture by the Issuer.

All Outstanding Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed above if (a) there shall have been deposited with the Trustee (as verified to the Trustee in writing by an independent public accounting firm of national reputation or other firm similarly experienced in performing such computations) either (i) moneys in an amount which shall be sufficient, or (ii) Governmental Obligations which are not subject to redemption prior to maturity, the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal and interest due and to become due on such Bonds on the maturity date thereof, and (b) the Issuer shall have given the Trustee, in form satisfactory to it irrevocable instructions to give, as soon as practicable, a notice to the Holders of such Bonds and the Rating Agency that the deposit required by subclause (a) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this heading and stating such maturity upon which moneys are to be available for the payment of the principal of and interest on such Bonds.

Neither the securities nor moneys deposited with the Trustee pursuant to this heading nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on such Bonds; provided that any cash received from such principal or interest payments on such securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Governmental Obligations (including any short-term investment fund rated AAA-mf or P-1 by the Rating Agency and secured by and investing solely in Governmental Obligations) maturing at times and in amounts sufficient to pay when due the principal and interest to become due on such Bonds on and prior to such maturity dates thereof, as the case may be, and interest earned from such reinvestment shall be paid over to the Borrower, as received by the Trustee, free and clear of any trust, lien or pledge. The Borrower shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Government Obligations deposited pursuant to the Indenture or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding Bonds.

The release of the obligations of the Issuer under this heading shall be without prejudice to the right of the Trustee provided in the Indenture to be paid reasonable compensation for all services rendered by it under the Indenture and all its reasonable fees, expenses, charges and other disbursements and those of its attorneys, agents and employees, incurred on and about the Issuer of the trust created by the Indenture and the performance of its powers and duties under the Indenture, and shall not affect the obligations of the Borrower to make the payments required by the Loan Agreement or the Note.

Events of Default and Acceleration

The occurrence of any of the following events is defined as and declared to be and to constitute an “Event of Default” under the Indenture:

- (a) Any interest on any Bond is not paid on the date on which the same becomes due; or
- (b) Any principal of any Bond is not paid on the date on which the same becomes due, whether at stated maturity thereof, by acceleration or otherwise; or
- (c) An Event of Default occurs under the Loan Agreement.
- (d) The Issuer fails to duly and promptly perform, comply with, or observe any covenant, condition, agreement or provision (other than as specified in (a) or (b) of this section) contained in the Bonds or in the Indenture on the part of the Issuer to be performed, and such failure shall continue for a period of

ninety (90) days after written notice specifying such failure and requiring the same to be remedied shall have been given to the Issuer, the Borrower and the Investor Limited Partner by the Trustee, which notice may be given by the Trustee in its discretion and shall be given at the written request of the Holders of not less than 25% in principal amount of the Bonds then Outstanding; provided, however, that if such default be such that it is correctable but cannot be corrected within ninety (90) days, it shall not be an Event of Default if the Issuer, the Borrower or the Investor Limited Partner is taking appropriate corrective action to cure such failure and if such failure will not impair the security for the Loan or the Bonds.

If any Loan payment required under the Loan Agreement to avoid a default under (a) or (b) of this section shall not have been received at the close of business on the last Business Day preceding the day on which payment must be made to avoid a default under such (a) or (b), the Trustee shall use its best efforts to give telephonic notice of such default to the Borrower and the Investor Limited Partner, which telephonic notice shall be confirmed by written notice to the Borrower. If any other default shall occur under the provisions of this Section, the Trustee shall, within five (5) days after having actual knowledge of such default, use its best efforts to give written notice of such default to the Issuer, the Borrower, the Investor Limited Partner and the Holders of the Bonds. A default or an Event of Default specified in (a) through (d) above shall occur even though the Trustee fails to give the notice required by this paragraph, the giving of such notice being intended solely to aid in the enforcement of the rights of Bondholders and not in limitation of such rights.

If an Event of Default specified in (a) or (b) of this section shall occur and be continuing, the Trustee shall declare the principal of all Bonds then Outstanding to be immediately due and payable by notice in writing to that effect delivered to the Issuer, the Investor Limited Partner and the Borrower, and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable at the place of payment provided therein, anything in the Indenture or in the Bonds to the contrary notwithstanding.

If an Event of Default specified in (c) or (d) of this section shall occur and be continuing, the Trustee, upon written request of the Holders of not less than 25% in principal amount of the Bonds then Outstanding shall, declare the principal of all Bonds then Outstanding to be immediately due and payable by notice in writing to that effect delivered to the Issuer, the Investor Limited Partner and the Borrower, and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable at the place of payment provided therein, anything in the Indenture or in the Bonds to the contrary notwithstanding.

The Investor Limited Partner shall be entitled to cure any Event of Default under the Indenture within the time frame provided to the Borrower. The Issuer and the Trustee agree that cure of any default or Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Remedies in Addition to Acceleration

Upon the occurrence of, and during the continuance of, any Event of Default, then and in every such case the Trustee in its discretion may, and upon the written request of the Holders of not less than 51% in principal amount of the Bonds then Outstanding and receipt of satisfactory indemnity shall (in addition to its right or duty to accelerate as provided in the Indenture):

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Bondholders, and require the Issuer or the Borrower to carry out any agreements with or for the benefit of the Bondholders and to perform its or their duties under the Act and the Documents;

(b) bring suit upon the Bonds; or

(c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders.

Termination of Proceedings

In case any proceeding taken by the Trustee on account of any default or Event of Default shall have been discontinued or abandoned for any reason, the Default or Event of Default has been cured, or shall have been determined adversely to the Trustee, then and in every such case, the Issuer, the Trustee, the Bondholders, and the Borrower shall be restored to their former positions and rights under the Indenture, respectively, and all rights, remedies and powers of the Trustee shall continue as though no such proceeding had been taken.

Right of Bondholders to Direct Proceedings

No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust under the Indenture, or any other remedy under the Indenture or on the Bonds, unless such Holder previously shall have given to the Trustee written notice of an Event of Default as provided in the Indenture and unless also the Holders of not less than 51% in principal amount of the Bonds then outstanding shall have made written request of the Trustee to do so, after the right to exercise such powers or rights of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted by the Indenture, or to institute such action, suit or proceeding in its or their name; nor unless there also shall have been offered to the Trustee security and satisfactory indemnity against the costs, fees, expenses and liabilities to be incurred therein or thereby, and the Trustee shall not have complied with such request within a reasonable time; and such notification, request and offer of indemnity are declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the trusts of the Indenture or for any other remedy under the Indenture; it being understood and intended that no one or more Holders of the Bonds secured by the Indenture shall have any right in any manner whatever by its or their action to affect, disturb or prejudice any other Holders or the security of the Indenture, or to enforce any right under the Indenture or the Bonds, except in the manner provided in the Indenture and for the equal benefit of all Holders of Outstanding Bonds. For purposes of the foregoing sentence, the Trustee shall be deemed to have failed to act within a reasonable time if it fails to take action within sixty (60) days after receipt of notice and compliance with the foregoing terms and conditions, whereupon, the Holders of 51% aggregate principal amount of the Bonds may take such action in the place of the Trustee. Nothing contained in the Indenture shall, however, affect or impair the right of any Holder of Bonds to enforce the payment of the principal of and interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of and interest, on each of the Bonds issued under the Indenture to the respective Holders of the Bonds at the time, place, from the source and in the manner in the Indenture and in such Bonds expressed.

Remedies Vested in Trustee

All rights of action under the Indenture or under any of the Bonds secured by the Indenture may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding relating thereto. Any suit, action or proceeding instituted by the Trustee shall be brought in its name for the equal and ratable benefit of the Holders of the Bonds, subject to the provisions of the Indenture.

Application of Moneys

All moneys received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture shall, after payment of the costs, fees and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses and advances incurred or made by the Trustee and the Issuer with respect thereto, be deposited into the Bond Fund and all moneys so deposited into the Bond Fund during the continuance of an Event of Default (other than moneys for the payment of Bonds which have matured or otherwise become payable prior to such Event of Default or for the payment of interest due prior to such Event of Default, which moneys shall continue to be held for such payments) shall be applied as follows:

- (a) Unless the principal of all of the Bonds shall have become, or shall have been declared to be, due and payable, all such moneys shall be applied:

First — To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the direct order of the maturity of the installments of such interest and, if the

amounts available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege;

Second — To the payment to the persons entitled thereto of the unpaid principal, on any of the Bonds, which shall have become due (other than Bonds which have matured or otherwise become payable prior to such Event of Default and moneys for the payment of which are held in the Bond Fund or otherwise held by the Trustee), and if the amount available shall not be sufficient to pay in full the amount of principal, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto, without any discrimination or privilege;

Third — To the payment to the persons entitled thereto of all other of the Issuer's Obligations and the Borrower's Obligations, and, if the amount available shall not be sufficient to pay such Issuer's Obligations and Borrower's Obligations in full, then to the payment ratably, according to the amounts then due, to the persons entitled thereto without discrimination or privilege; and

Fourth — The remainder, if any, shall be paid over to the Borrower, its successors or assigns, or whomever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

(b) If the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal of and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest to the persons entitled thereto without any discrimination or privilege. Any remaining funds shall be applied in accordance with the paragraphs designated "Third" and "Fourth" of subsection (a) above.

Whenever moneys are to be applied pursuant to the provisions of this section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts or principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Amendments to Indenture and Loan Agreement Not Requiring Consent of Bondholders

The Issuer and the Trustee may, from time to time and at any time, without the consent of Bondholders, enter into agreements supplemental to the Indenture and the Loan Agreement as follows:

(i) to specify and determine any matters and things relative to Bonds which shall not materially adversely affect the interest of the Bondholders;

(ii) to cure any formal defect, omission or ambiguity in the Indenture or the Loan Agreement if such action does not materially adversely affect the rights of the Bondholders;

(iii) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may lawfully be granted or conferred and which are not contrary to or inconsistent with the Indenture as theretofore in effect;

(iv) to add to the covenants and agreements of the Issuer in the Indenture or the Loan Agreement other covenants and agreements to be observed by the Issuer which are not contrary to or inconsistent with the Indenture or the Loan Agreement as theretofore in effect;

(v) to add to the limitations and restrictions in the Indenture or the Loan Agreement, other limitations and restrictions to be observed by the Issuer which are not contrary to or inconsistent with the Indenture or the Loan Agreement as theretofore in effect;

(vi) to confirm, as further assurance, any pledge under and the subjection to any claim, lien or pledge created, or to be created by, the Indenture, of the Revenues or of any other moneys, securities or funds;

(vii) to modify, amend or supplement the Indenture or the Loan Agreement in any respect, which in the judgment of the Trustee (with the advice of its counsel), is not materially adverse to the interests of the owners of the Bonds; or

(viii) to obtain or maintain a rating on the Bonds.

Before the Issuer shall enter into any agreement supplemental to the Indenture pursuant to this section, there shall have been filed with the Trustee an opinion of Bond Counsel stating that (1) such supplemental indenture is authorized or permitted by the Indenture and complies with its terms, and that upon adoption it will be legal, valid and binding upon the Issuer in accordance with its terms and (2) the effectiveness of the supplemental indenture will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes.

The Trustee shall send written notice to the Borrower, the Investor Limited Partner and the Rating Agency of any amendment to the Indenture or the Loan Agreement and, if requested, copies of any such amendments.

Amendments to Indenture Requiring Consent of Bondholders

Subject to the terms and provisions contained in this section and not otherwise, the Holders of not less than 66 2/3% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, to consent to and approve the execution and delivery by the Issuer and the Trustee of any agreement supplemental to the Indenture as shall be deemed necessary or desirable by the Issuer and the Trustee for the purposes of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained in the Indenture; provided, however, that, unless approved in writing by the Holders of all of the Bonds then Outstanding, nothing in the Indenture contained shall permit, or be construed as permitting, (i) a change in the terms of maturity of the principal of or the interest on any Outstanding Bond, or a reduction in the principal amount of any Outstanding Bond or the rate of interest thereon, or (ii) the creation of a claim or lien upon, or a pledge or assignment of, the Trust Estate ranking prior to or on a parity with the claim, lien, assignment or pledge created by the Indenture, or the release of the Trust Estate or any part thereof (except to the extent permitted pursuant to the Documents), or (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (iv) a reduction in the aggregate principal amount of the Bonds required for any action or consent by Bondholders set forth in the Indenture, including (without limitation) that required for consent to such supplemental indentures. This section shall not limit or otherwise affect the ability of the Issuer to enter into agreements supplemental to the Indenture without the consent of the Bondholders pursuant to the Indenture.

If at any time the Issuer and the Trustee shall determine to enter into any supplemental indenture for any of the purposes of this section, the Trustee shall cause written notice of the proposed supplemental indenture to be given to all Holders of the Bonds; provided, however, that failure to give such notice or any defect therein, shall not affect the validity of any proceedings pursuant to the Indenture. Such notice shall be prepared by or on behalf of the Issuer at the Borrower's sole expense, briefly set forth the nature of the proposed supplemental indenture and shall state that a copy thereof is on file at the Designated Office of the Trustee for inspection by all Bondholders.

Within one hundred twenty (120) days after the date of giving such notice, the Issuer and the Trustee may enter into such supplemental indenture in substantially the form described in such notice only if there shall have first been filed with the Issuer (i) the written consents of Holders of not less than 66 2/3% in aggregate principal amount of the Bonds then outstanding (or 100% if required under the Indenture) and (ii) an opinion of counsel stating that (1)

such supplemental indenture is authorized or permitted by the Indenture and complies with its terms, and that upon adoption it will be legal, valid and binding upon the Issuer in accordance with its terms and (2) the effectiveness of the supplemental indenture will not adversely affect the exclusion of interest on the Bonds from gross income for federal income taxes.

If the Holders of not less than the percentage of Bonds required by this section shall have consented to and approved the supplemental indenture as provided in the Indenture, no Holder of any Bond shall have any right to object to such supplemental indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety thereof, or to enjoin or restrain the Issuer or the Trustee from entering into the same or from taking any action pursuant to the provisions thereof.

Upon the effectiveness of any supplemental indenture entered into pursuant to the provisions of this section, the Indenture shall be, and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under the Indenture of the Issuer, the Trustee and all Holders of Bonds then outstanding shall thereafter be determined, exercised and enforced under the Indenture subject in all respects to such modifications and amendments.

The Trustee shall send written notice to the Rating Agency of any amendment to the Indenture.

Supplemental Indentures Part of Indenture

Any supplemental indenture entered into in accordance with the provisions of the Indenture shall thereafter form a part of the Indenture and all the terms and conditions contained in any such supplemental indenture as to any provision authorized to be contained therein shall be and shall be deemed to be a part of the terms and conditions of the Indenture for any and all such purposes.

Amendments to Documents Requiring Consent of Bondholders

Except as provided in the Indenture, the Issuer and the Trustee shall not consent to any amendment, change or modification of the Documents without the giving of written notice and the written approval or consent of the Holders of the Bonds at the time Outstanding given and procured as provided in the Indenture; provided, however, no such separate approval or consent shall be required in connection with the issuance of refunding bonds if any required consent of the required number of Holders to the issuance thereof shall have been previously obtained. If at any time the Issuer and the Borrower shall request in writing the consent of the Trustee to any such proposed amendment, change or modification, the Trustee shall cause notice of such proposed amendment, change, or modification to be given in the same manner as provided by the Indenture with respect to supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Designated Office of the Trustee for inspection by all Bondholders.

Conversion Date

On the Conversion Date and upon the execution and delivery of the Funding Loan Agreement, Governmental Note and Project Loan Agreement, the Indenture, the Loan Agreement and the Bonds shall be deemed amended, restated and superseded in full by the terms thereof.

Severability

In case any one or more of the provisions of the Indenture or of the Bonds for any reason, is held to be illegal or invalid such illegality or invalidity shall not affect any other provisions of the Indenture or the Bonds, and the Indenture and the Bonds shall be construed and enforced to the end that the transactions contemplated by the Indenture be effected and the obligations contemplated by the Indenture be enforced as if such illegal or invalid provisions had not been contained therein.

Mortgage Loan Documents Independent

Enforcement of the covenants in the Indenture will not result in, and neither the Issuer nor the Trustee has or shall be entitled to assert, any claim against the Borrower, the Project, the Mortgage Loan proceeds, any reserves or deposits required by the Mortgage Lender in connection with the Mortgage Loan transaction, or the rents or deposits or other income of the Project other than available “Surplus Cash” as defined in the Intercreditor Agreement.

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in the Indenture or any of the Borrower Documents will not automatically serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents, unless such default is expressly declared by the Mortgage Lender in accordance with the terms of the Mortgage Loan Documents.

Notwithstanding anything in the Indenture, the Loan Agreement, the Note or the Bond Purchase Agreement to the contrary, (i) the Mortgaged Property (as defined in the Mortgage Loan Security Instrument) shall not include any portion of the Trust Estate and the Mortgage Lender shall not have any claim to or lien upon the Trust Estate under the Indenture and funds held by the Trustee under the Indenture and pledged to secure the repayment of the Bonds, except for Eligible Funds that may be returned to the party that deposited said funds with the Trustee as may be required under the Indenture and (ii) the Trust Estate shall not include any portion of the Mortgaged Property (as defined in the Mortgage Loan Security Instrument).

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE LOAN AGREEMENT

The following is a summary of certain provisions of the Loan Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Loan Agreement, a copy of which is on file with the Trustee.

Disbursements from the Project Fund

In the Indenture, the Issuer has authorized and directed the Trustee to make disbursements from the Project Fund to pay Costs of the Project upon satisfaction of the requirements of the Indenture. The Trustee is directed in the Indenture to make disbursements from the Project Fund as provided in the Indenture, and pursuant to the receipt of a Requisition in substantially the form attached to the Indenture as an exhibit. The Borrower expects that the Project will proceed substantially in accordance with the Construction Draw Schedule attached to the Loan Agreement as an exhibit.

The Borrower's right to request disbursements from the Project Fund is limited to the principal amount of the Loan and conditioned upon the deposit of Eligible Funds into the Collateral Fund as set forth in the Indenture.

Borrower Required to Pay in the Event Project Fund Is Insufficient

In the event the moneys in the Project Fund are not sufficient to pay the Costs of the Project in full, the Borrower agrees to complete the Project and to pay that portion of the Costs of the Project in excess of the moneys available therefore in the Project Fund. The Issuer does not make any warranty, either express or implied, that the moneys paid into the Project Fund and available for payment of the Costs of the Project will be sufficient to pay all of the Costs of the Project. The Borrower agrees that if after exhaustion of the moneys in the Project Fund, the Borrower should pay any portion of the Costs of the Project pursuant to the provisions of this section, the Borrower shall not be entitled to any reimbursement therefor from the Issuer, the Trustee or the Holders of any of the Bonds, nor shall the Borrower be entitled to any diminution of the amounts payable under the Loan Agreement.

Loan of Proceeds

The Issuer agrees, upon the terms and conditions of the Loan Agreement and the Indenture, to lend to the Borrower the proceeds received by the Issuer from the sale of the Bonds. Such proceeds shall be disbursed to or on behalf of the Borrower as provided in the Loan Agreement.

Mortgage Loan to Borrower; Eligible Funds

Contemporaneously with the issuance of the Bonds, it is expected that the Borrower shall proceed with obtaining the Mortgage Loan from the Mortgage Lender. In particular, the Borrower will promptly take all necessary actions on its part to close the Mortgage Loan.

In consideration of and as a condition to the disbursement of Bond proceeds in the Project Fund to pay Project Costs, and to secure the Borrower's obligation to make Loan Payments, the Borrower shall cause the Mortgage Lender, from time to time, to deliver Eligible Funds to the Trustee for deposit into the Collateral Fund to enable the Trustee to disburse an equal amount of Bond proceeds from the Project Fund as approved by the Mortgage Lender, as applicable, in connection with a completed and fully executed Requisition, in substantially the form attached to the Indenture as an exhibit.

Borrower's Obligations Upon Tender of Bonds

If any tendered Bond is not remarketed on any Mandatory Tender Date and a sufficient amount is not available in the Collateral Fund, the Negative Arbitrage Account of the Bond Fund, or the Project Fund as provided

in the Indenture for the purpose of paying the purchase price of such Bond, the Borrower will cause to be paid to the Trustee by the applicable times provided in the Indenture, an amount equal to the amount by which the principal amount of all Bonds tendered and not remarketed, together with interest accrued to the Mandatory Tender Date, exceeds the amount otherwise available pursuant to the Indenture.

Option to Terminate

The Borrower shall have the option to cancel or terminate the Loan Agreement at any time when (a) the Indenture shall have been released in accordance with its provisions, (b) sufficient money or security acceptable to the Issuer and the Trustee are on deposit with the Trustee or the Issuer, or both, to meet all Loan Payments due or to become due through the date on which the last of the Bonds is then scheduled to be retired or redeemed and (c) the Mortgage Loan shall be repaid in full. Such option shall be exercised by the Borrower, with approval of the Investor Limited Partner, giving the Issuer and the Trustee five (5) days' notice in writing of such cancellation or termination and such cancellation or termination shall become effective at the end of such notice period. The provisions of this section shall not be deemed to permit a prepayment of the Note other than in accordance with its terms.

Defaults Defined

The following shall be "Defaults" under the Loan Agreement and the term "Default" shall mean, whenever it is used in the Loan Agreement, any one or more of the following events:

- (a) Failure by the Borrower to pay any amount required to be paid under the Loan Agreement.
- (b) Failure by the Borrower to observe and perform any covenant, condition or agreement on its part to be observed or performed in the Loan Agreement other than as referred to in subsection (a) of this section or failure by the Borrower to observe and perform any covenant, condition or agreement on its part to be observed or performed in the Borrower Tax Certificate, for a period of sixty (60) days after written notice, specifying such failure and requesting that it be remedied, will have been given to the Borrower and the Investor Limited Partner by the Issuer or the Trustee; provided, with respect to any such failure covered by this subsection (b), no event of default will be deemed to have occurred so long as a course of action adequate to remedy such failure will have been commenced within such 60-day period and will thereafter be diligently prosecuted to completion and the failure will be remedied thereby.
- (c) The dissolution or liquidation of the Borrower, or the voluntary initiation by the Borrower of any proceeding under any federal or state law relating to bankruptcy, insolvency, arrangement, reorganization, readjustment of debt or any other form of debtor relief, or the initiation against the Borrower of any such proceeding which shall remain undismissed for ninety (90) days, or failure by the Borrower to promptly have discharged any execution, garnishment or attachment of such consequence as would impair the ability of the Borrower to carry on its operations at the Project, or assignment by the Borrower for the benefit of creditors, or the entry by the Borrower into an agreement of composition with its creditors or the failure generally by the Borrower to pay its debts as they become due.
- (d) The occurrence of an Event of Default under the Indenture (other than under clause (d) under the heading "APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE — Events of Default and Acceleration").

The provisions of subsection (b) of this section are subject to the following limitation: if by reason of force majeure it is impossible for the Borrower in whole or in part, despite its best efforts, to carry out any of its agreements contained in the Loan Agreement (other than its obligations relating to the Loan as set forth in the Loan Agreement), the Borrower shall not be deemed in Default during the continuance of such inability. Such force majeure event does not affect any obligations of the Borrower other than the timing of performance of such obligations. The term "force majeure" as used in the Loan Agreement shall mean, without limitation, the following: acts of God; strikes or other industrial disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States of America or of the State or of any of their departments, agencies or officials, or of any civil or military authority; insurrections; riots; terrorism; landslides; earthquakes; fires; storms; droughts; floods; explosions; and events not

reasonably within the control of the Borrower. The Borrower agrees, however, to use its best efforts to remedy with all reasonable dispatch the cause or causes preventing the Borrower from carrying out its agreement. The settlement of strikes and other industrial disturbances shall be entirely within the discretion of the Borrower and the Borrower shall not be required to settle strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of the Borrower unfavorable to the Borrower.

Remedies on Default

Whenever any Default referred to under the section “Defaults Defined” above shall have happened and be continuing beyond the expiration of any applicable cure period, the Trustee, or the Issuer (in the event the Trustee fails to act), may take one or any combination of the following remedial steps:

(a) If the Trustee has declared the Bonds immediately due and payable pursuant to the Indenture, by written notice to the Borrower, declare an amount equal to all amounts then due and payable on the Bonds, whether by acceleration of maturity (as provided in the Indenture) or otherwise, to be immediately due and payable, whereupon the same shall become immediately due and payable; and

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under the Loan Agreement, the Note, the Tax Regulatory Agreement or any other Document in the event of default thereunder.

Any amounts collected pursuant to action taken under this section shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture.

No Remedy Exclusive

Except as otherwise indicated in the Indenture, no remedy conferred upon or reserved to the Issuer or the Trustee by the Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Loan Agreement, the Tax Regulatory Agreement or the Note, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair that right or power nor shall it be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Trustee to exercise any remedy reserved to it in this article, it shall not be necessary to give any notice, other than any notice required by law or for which express provision is made in the Loan Agreement. Such rights and remedies as are given the Issuer under the Loan Agreement shall also extend to the Trustee, and the Trustee and the Holders of the Bonds, subject to the provisions of the Indenture, including, but not limited to the Reserved Rights of the Issuer, shall be entitled to the benefit of all covenants and agreements contained in the Loan Agreement.

No Additional Waiver Implied by One Waiver

In the event any agreement contained in the Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach under the Loan Agreement.

Mortgage Loan Documents Independent

Failure of the Issuer to comply with any of the covenants set forth in the Loan Agreement, the Indenture or the other Borrower Documents will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

The provisions of the Indenture are incorporated in the Loan Agreement by reference to the same extent as if set forth in the Loan Agreement in full.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT

The following is a brief summary of the Tax Regulatory Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Tax Regulatory Agreement, a copy of which is on file with the Trustee.

The Issuer, the Trustee and the Borrower will enter into a Regulatory Agreement (the “Tax Regulatory Agreement”) in order to set forth certain terms and conditions relating to the acquisition and operation of the Project. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture and the Tax Regulatory Agreement.

Occupancy Restrictions

Pursuant to Section 142 of the Code, the Issuer has elected, and the Borrower agrees, that the requirements of subparagraph B of such Section 142(d)(1) of the Code shall apply to the Development. The Borrower represents, warrants and covenants that:

(a) At all times during the Qualified Project Period, subject to the provisions of Revenue Procedure 2004-39, at least forty percent (40%) of the completed residential units in the Development shall be continuously occupied (or, only after the initial occupancy thereof, treated as occupied as provided in the Tax Regulatory Agreement) by individuals whose aggregate adjusted income (computed in the manner described in Section 1.167(k) 3(b)(3) of the Regulations, prior to its removal by T.D. 8474, 1993 1 C.B. 242) (thereinafter, “Adjusted Gross Income”) does not exceed sixty percent (60%) of the median gross income, adjusted for family size, for the area in which the Development is located, determined in a manner consistent with determinations of lower income families and median gross income under Section 8 of the United States Housing Act of 1937, as amended, as adjusted under Section 142(d)(2)(E) (a “Qualifying Tenant”); provided, that if all the occupants of a unit are students (as defined in Section 151(c)(4) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code, the occupants of that unit shall not be deemed to be “Qualifying Tenants.” The determination of whether an individual or family meets the income requirement set out above shall be made at the earlier of the time occupancy commences or the execution of the current lease with respect thereto and on an annual basis thereafter and shall be based upon Income Certifications (as defined in the Tax Regulatory Agreement); provided however, that once all the units in the Project are occupied by Qualifying Tenants, no such submission shall be required so long as thereafter, any new tenant qualifies as a Qualifying Tenant. Any residential unit occupied by an individual or family who is a Qualifying Tenant shall continue to be treated as occupied by a Qualifying Tenant during their tenancy in such unit, even though they subsequently cease to be of low or moderate income, unless the most recent determination of their income indicates that their income exceeds one hundred and forty percent (140%) of the applicable income limit (whether as a result of an increase in income or a decrease in family size or otherwise) and after such determination but before the next determination any residential unit of comparable or smaller size in the Development is occupied by a new resident whose income exceeds the then applicable income limit. Any residential unit vacated by a Qualifying Tenant shall be treated as occupied by a Qualifying Tenant until reoccupied, other than for a temporary period not to exceed thirty-one (31) days, at which time the character of such unit with respect to occupancy by a Qualifying Tenant shall be redetermined. In applying the foregoing forty percent (40%) requirement, 0.40 shall be multiplied by the total number of completed residential units, and if the resulting number contains a fraction, it shall be rounded up to the next highest whole unit.

(b) As a condition to occupancy, each individual or family who is intended to be a Qualifying Tenant shall, prior to occupying a residential unit or signing a lease, be required to sign and deliver to the Borrower, a “Certification of Income” similar to or including the same information as the one attached as an exhibit to the Tax Regulatory Agreement (the “Income Certification”) in which the prospective Qualifying Tenant certifies that he and his family, if applicable, are Qualifying Tenants and pursuant to the lease signed by a Qualifying Tenant, said tenant shall be required to submit, at least annually, a new Income Certification

on the basis of the current income of the tenant. In addition, such Qualifying Tenant shall be required to provide whatever other information, documents or certifications, including employment verifications and income tax returns, as are reasonably deemed necessary by the Borrower or the Issuer to substantiate the initial or subsequent Income Certification. Notwithstanding any other provision of the Tax Regulatory Agreement, if all units in the Development are set aside for Qualifying Tenants, such tenants shall not be required to submit a new annual Income Certification.

(c) The Borrower shall use or cause to be used, in renting any residential units in the Development to a prospective Qualifying Tenant, a lease that provides for termination of the lease and consent by such person to immediate eviction, subject to applicable provisions of Indiana law, for failure to qualify as a Qualifying Tenant as a result of any material misrepresentation made by such person with respect to the Income Certification.

(d) All Income Certifications will be maintained on file at the Development so long as any Bonds are outstanding and for five (5) years thereafter with respect to each Qualifying Tenant who occupied a residential unit in the Development during the period the restrictions under the Tax Regulatory Agreement are applicable, and the Borrower shall, upon request, make such Income Certifications available for inspection by the Trustee and the Issuer.

(e) On the first day of the month after any residential unit in the Development is available for occupancy and on the first day of each calendar quarter thereafter, the Borrower will submit to the Issuer, with a copy to the Trustee, the "Certificate of Continuing Program Compliance," in the form attached as an exhibit to the Tax Regulatory Agreement, executed by the Borrower stating the percentage of completed residential units in the Development which was occupied or held available for occupancy by Qualifying Tenants (but only after initial occupancy by a Qualifying Tenant) at all times during the preceding month or quarter, as appropriate, and identifying Qualifying Tenants who commenced or terminated occupancy in the Development during such month or quarter, as appropriate; provided however, that once all the units in the Development are occupied by Qualifying Tenants, no such submission shall be required so long as thereafter, any new tenant qualifies as a Qualifying Tenant.

(f) On the annual anniversary of the issuance of the Bonds (or at such other times, as prescribed by the Secretary of the United States Treasury Department), the Borrower will submit to the Secretary of the United States Treasury Department (with a copy to the Trustee), to the extent required by law, a certificate in the form that the Secretary prescribes (currently IRS Form 8703), that the Development continues to meet the requirements of Section 142 of the Code.

Rental Restrictions

The Borrower represents, warrants and covenants that once available for occupancy, each residential unit in the Development will be rented or available for rental on a continuous basis to members of the general public (other than residential units for a resident manager and/or maintenance personnel and residential units for individuals or families of low or moderate income as provided for under the heading "Occupancy Restrictions," above). Each Qualifying Tenant occupying a unit in the Development shall be required to execute a written lease which shall be effective for a term of at least six (6) months. No meals or other services will be provided to the tenants of the Development on a regularly scheduled basis.

Transfer Restrictions

For the Qualified Project Period, except as permitted pursuant to the provisions of the Borrower's limited partnership agreement dated July __, 2025, the Borrower shall sell, transfer, assign, convey, change title to or otherwise dispose of the Development or any interest therein (a "Transfer"), in whole or in part, only with consent of the Issuer and in accordance with the terms of the Indenture and the Loan Agreement. Further, any such sale, transfer, assignment, conveyance, change in title or other disposition shall only be permitted if: (1) the Borrower shall not be in default under the Tax Regulatory Agreement; (2) the purchaser or assignee shall execute any necessary or appropriate document reasonably requested by the Issuer with respect to assuming its obligations under the Tax Regulatory Agreement and the Loan Agreement (together, the "Assumption Agreement"), which document shall be

recorded in the Vigo County, Indiana, Recorder's Office; (3) the Trustee and the Issuer shall have received an opinion of Bond Counsel, which opinion is reasonably acceptable to the Issuer, to the effect that such transfer will not adversely affect the excludability of the interest on the Bonds from gross income of the owners thereof for federal income tax purposes; (4) the Borrower shall deliver to the Trustee and the Issuer a certificate, reasonably acceptable in form to the Issuer, to the effect that the Borrower did not develop the Development with the intention of sale upon completion; (5) the Borrower shall deliver to the Trustee and the Issuer an opinion of counsel to the transferee, which opinion is reasonably acceptable to the Issuer, that the transferee has duly assumed the obligations of the Borrower under the Tax Regulatory Agreement and that such obligations and the Tax Regulatory Agreement are binding on the transferee; and (6) such other conditions are met as are set forth in or referred to in the Loan Agreement or as the Issuer may reasonably impose as part of the Assumption Agreement (i) to protect the excludability of the interest on the Bonds from gross income of the owners thereof for federal income tax purposes; (ii) to ensure that the Development is not acquired by a person which has pending against it, or which has a history of, building code violations, as identified by county, state or federal regulatory agencies; and (iii) to provide that all indemnification obligations for the benefit of the Trustee and the Issuer pursuant to the Tax Regulatory Agreement and elsewhere are assumed by the Trustee or assignee. Once the Assumption Agreement has been delivered and all conditions of this section have been satisfied, and the Borrower has obtained the consent to such transfer of any other party required under the terms of the Loan Agreement, the Trustee and the Issuer shall deliver a release to the Borrower with respect to any future compliance with the provisions of the Tax Regulatory Agreement with respect to the Development, and the Issuer shall deliver a release with respect to any future compliance with the provisions of the Loan Agreement. The Borrower shall deliver the form of Assumption Agreement to the Trustee and the Issuer at least ten (10) business days prior to a proposed Transfer.

Enforcement

The Borrower shall permit, after three (3) business days' prior notice, any duly authorized representative of the Trustee or the Issuer to inspect any books and records of the Borrower regarding the Development and with respect to the incomes of Qualifying Tenants which pertain to compliance with the provisions of the Tax Regulatory Agreement.

In addition to the information provided for in clause (e) under the heading "Occupancy Restrictions," above, the Borrower shall submit any other information, documents or certifications reasonably requested by the Issuer or the Trustee which the Issuer or the Trustee deems reasonably necessary to substantiate continuing compliance with the provisions of the Tax Regulatory Agreement; provided that, the Issuer and the Trustee shall have no duty to monitor compliance with the provisions of the Tax Regulatory Agreement.

The Issuer, the Trustee (with the advice of counsel) and the Borrower each covenants that it will not knowingly take, fail to take or permit any action within its control that would adversely affect the excludability of interest on the Bonds from gross income of the owners thereof for federal income tax purposes. Moreover, each covenants to take any lawful action within its control (including amendment of the Tax Regulatory Agreement as may be necessary, in the opinion of Bond Counsel) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statement promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting the Development.

If the Borrower shall fail to observe or perform any covenant, condition or agreement contained in the Tax Regulatory Agreement on its part to be observed or performed, and such failure continues for sixty (60) days after the Borrower discovers, or by the exercise of reasonable diligence should have discovered, or receives notice from the Issuer or the Trustee of, such failure, then and in such event, the Trustee, the Issuer and, to the extent permitted by the Loan Agreement, any owner of a Bond shall be entitled, individually or collectively, and in addition to all other remedies provided by law or in equity:

(i) to compel specific performance by the Borrower of its obligations under the Tax Regulatory Agreement, it being recognized that the beneficiaries of the Borrower's obligations under the Tax Regulatory Agreement cannot be adequately compensated by monetary damages in the event of a default by the Borrower; and

(ii) [Reserved].

The Borrower, the Issuer and the Trustee each acknowledge that the primary purpose for requiring compliance with the restrictions provided in the Tax Regulatory Agreement is to preserve the excludability from gross income for federal income tax purposes of interest on the Bonds to the owners thereof, and that the Trustee on behalf of the owners of the Bonds, who are declared to be third party beneficiaries of the Tax Regulatory Agreement, shall be entitled, for any breach of the provisions of the Tax Regulatory Agreement, to all remedies both at law and in equity in the event of any default under the Tax Regulatory Agreement.

The Issuer and the Trustee agree that the cure of any default under the Tax Regulatory Agreement made or tendered by the Investor Limited Partner shall be accepted or rejected by the Issuer and the Trustee on the same basis as if tendered by the Borrower.

Covenants to Run with the Land; Successors Bound

The Borrower subjects the Development to the covenants, reservations and restrictions set forth in the Tax Regulatory Agreement. The Trustee, the Issuer and the Borrower declare their express intent that the covenants, reservations and restrictions set forth in the Tax Regulatory Agreement shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law and shall pass to and be binding upon the Borrower's successors in title to the Development throughout the term of the Tax Regulatory Agreement. Each and every contract, deed, mortgage or other instrument thereafter executed covering or conveying the Development or any portion thereof or interest therein shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instrument.

Recording and Filing

The Borrower shall cause the Tax Regulatory Agreement and all amendments and supplements to the Tax Regulatory Agreement to be recorded and filed in the conveyance and real property records of Vigo County, Indiana, and in such other places as may be necessary. The Borrower shall pay all fees and charges incurred in connection with any such recording.

Amendment

The Tax Regulatory Agreement may be amended by the parties to the Tax Regulatory Agreement to reflect changes in the Code, the Regulations and revenue rulings promulgated thereunder, or in the interpretation thereof, subject to the delivery to the Trustee and the Issuer of an opinion of Bond Counsel that such amendment will not adversely affect the excludability from gross income of the interest on the Bonds for federal income tax purposes.

Section 3. Provision of Annual Reports.

(a) The Borrower will, or will cause the Dissemination Agent to, not later than 180 days following the end of the Borrower's fiscal year, commencing with the fiscal year ending on December 31, 2025, provide to the MSRB an Annual Report which is consistent with the requirements described below. No later than 15 Business Days prior to said date, the Borrower will provide the Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package and may cross reference other information, provided that the audited financial statements for the prior calendar year of the Borrower may be submitted separately from the balance of the Annual Report.

(b) If by 15 Business Days prior to the date specified in subsection (a) for providing the Annual Report to the MSRB, the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent will contact the Disclosure Representative to determine if the Borrower is in compliance with subsection (a).

(c) If the Dissemination Agent is unable to verify that an Annual Report has been provided to the MSRB by the date required in subsection (a), the Dissemination Agent will send in a timely manner a notice to the MSRB in substantially the form attached as Exhibit B to this Continuing Disclosure Agreement.

Section 4. Content of Annual Reports. The Borrower's Annual Report will contain or incorporate by reference the financial information with respect to the Project, provided at least annually, of the type included in Exhibit A hereto, which Annual Report may, but is not required to, include Audited Financial Statements. If the Borrower's Audited Financial Statements are not available by the time the Annual Report is required to be filed, the Annual Report will contain unaudited financial statements, and the Audited Financial Statements will be filed in the same manner as the Annual Report when and if they become available.

Any or all of the items described in Exhibit A may be incorporated by reference from other documents, including official statements of debt issues with respect to which the Borrower is an "Obligated Person" (as defined by the Rule), which have been filed with the MSRB. The Borrower will clearly identify each such other document so incorporated by reference.

Each annual report submitted hereunder shall be in readable portable document format ("PDF") or other acceptable electronic form.

Section 5. Reporting of Listed Events.

(a) This Section 5 shall govern the giving of notices of the occurrence of any of the following events (each, a "Listed Event"):

- (i) Principal and interest payment delinquencies;
- (ii) Non-payment related defaults, if material;

- (iii) Unscheduled draws on debt service reserves reflecting financial difficulty;
- (iv) Unscheduled draws on credit enhancements reflecting financial difficulty;
- (v) Substitution of credit or liquidity providers, or their failure to perform;
- (vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (vii) Modifications to rights of holders of the Bonds, if material;

- (ix) Defeasances;
- (x) Release, substitution or sale of property securing repayment of the Bonds, if material;

For purposes of this clause (xii), any such event shall be considered to have occurred when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Borrower in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Borrower, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Borrower;
- (xiii) The consummation of a merger, consolidation, or acquisition involving the Borrower or the sale of all or substantially all of the assets of the Borrower, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (xiv) Appointment of a successor or additional trustee or paying agent or the change of the name of a trustee or paying agent, if material;
- (xv) Incurrence of a financial obligation of the Borrower, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Borrower, any of which affect security holders, if material;

Notice of the Project's being placed in service from the Borrower to the Dissemination Agent shall be in the form attached as Exhibit D hereto or such other form as may be approved by the Dissemination Agent. Notice of the Project being placed in service from the Dissemination Agent to the Municipal Securities Rulemaking Board shall be in the form attached as Exhibit C hereto or such other form as may be approved by the Dissemination Agent.

For purposes of clauses (xv) and (xvi) of this Section 5(a), "financial obligation" is as contemplated by Exchange Act Release No. 34-83885; File No. S7-01-17 (the "Adopting Release").

(b) The Dissemination Agent shall, within three (3) Business Days of obtaining actual knowledge of the occurrence of any potential Listed Event, pursuant to subsection (c) of this Section 5 or otherwise, provide the Disclosure Representative with notice (by email). While the Dissemination Agent is also the Trustee, the Dissemination Agent shall be deemed to have actual knowledge of those items listed in clauses (i), (iii) (solely with respect to funds held by the Trustee), (iv), (v), (vii), (viii), (ix), (x) and (xiv) above without the Dissemination Agent's having received notice of such event. While the Dissemination Agent is not also the Trustee, the Dissemination Agent shall not be deemed to have actual knowledge of any items listed in clauses (i) - (xvii) above without the Dissemination Agent having received written notice of such event. For purposes of providing notice to the Disclosure Representative, the Dissemination Agent shall assume that the unscheduled draws described in clauses (iii) and (iv) reflect financial difficulty.

(c) Whenever the Borrower obtains knowledge of the occurrence of a potential Listed Event, the Borrower shall, within five (5) Business Days of obtaining such knowledge and in any event no more than eight (8) Business Days after the occurrence of such event, determine if such event is in fact a Listed Event that is required by the Rule to be disclosed and provide the Dissemination Agent with notice and instructions pursuant to subsection (d) below.

(d) If the Borrower has determined that a Listed Event is required to be disclosed, then the Borrower shall prepare a written notice describing the Listed Event and provide the same to the Dissemination Agent along with instructions to file the same pursuant to subsection (e) below.

(e) If the Dissemination Agent has been provided with a written notice describing a Listed Event pursuant to subsection (c) of this Section 5 or otherwise, and is instructed by the Borrower to report the occurrence of such Listed Event, the Dissemination Agent shall, within two (2) Business Days of its receipt of such written notice and in any event no more than ten (10) Business Days after the occurrence of the Listed Event, file the notice with the MSRB and send a copy to the Borrower.

Section 6. Amendment; Waiver. Notwithstanding any other provision of this Continuing Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Continuing Disclosure Agreement (and the Dissemination Agent may, but shall not be obligated to, agree to any amendment so requested by the Borrower if such amendment affects its rights, duties, protections, immunities, indemnities or standard of care) and any provision of this Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions described under paragraph (a) under "Provision of Annual Reports," "Contents of Annual Reports" or paragraph (a) under "Reporting of Listed Events," it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of an Obligated Person (as defined in the Rule) with respect to the Bonds or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Holders or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Continuing Disclosure Agreement, the Borrower will describe such amendment in the next Annual Report and will include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information being presented by the Borrower. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change will be given in the same manner as for a Listed Event under Section 5(e) hereof and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in

quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 7. Default. In the event of a failure of the Borrower or the Dissemination Agent to comply with any provision of this Continuing Disclosure Agreement and such failure to comply continues beyond a period of thirty (30) days following written notice to the Borrower, the Borrower or any Holder or Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Borrower or the Dissemination Agent, as the case may be, to comply with its obligations under this Continuing Disclosure Agreement. A default under this Continuing Disclosure Agreement will not be deemed an Event of Default under the Indenture or the Loan Agreement, and the sole remedy under this Continuing Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Continuing Disclosure Agreement will be an action to compel performance.

Section 8. Beneficiaries. This Continuing Disclosure Agreement will inure solely to the benefit of the Borrower, the Dissemination Agent, the Participating Underwriter and Holders from time to time of the Bonds and will create no rights in any other person or entity.

Section 9. Reserved.

Section 10. Additional Information. Nothing in this Continuing Disclosure Agreement shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Continuing Disclosure Agreement. If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Continuing Disclosure Agreement, the Borrower shall have no obligation under this Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Continuing Disclosure Agreement. The Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Borrower has provided such information to the Dissemination Agent as required by this Continuing Disclosure Agreement. The Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Dissemination Agent shall have no duty or obligation to review or verify any information, disclosures or notices provided to it by the Borrower and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Holders of the Bonds or any other party. The Dissemination Agent shall have no responsibility for the Borrower's failure to report to the Dissemination Agent a Listed Event or a duty to determine the materiality thereof. The Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Borrower has complied with this Continuing Disclosure Agreement. The Dissemination Agent may conclusively rely upon certifications of the Borrower at all times.

The obligations of the Borrower under this Section 11 shall survive resignation or removal of the Dissemination Agent and defeasance, redemption or payment of the Bonds.

(b) The Dissemination Agent may, from time to time, consult with legal counsel (either in-house or external) of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its respective duties hereunder, and shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel. The reasonable fees and expenses of such counsel shall be payable by the Borrower. The Dissemination Agent shall possess the rights, powers, privileges, protections, benefits, indemnities and immunities hereunder that it possesses as Trustee under the Indenture.

(c) All documents, reports, notices, statements, information and other materials provided to the MSRB under this Continuing Disclosure Agreement shall be provided in an electronic format and accompanied by identifying information as prescribed by the MSRB.

Re: Indiana Housing and Community Development Authority Multifamily Housing Revenue Bonds (Wabash Place Project), Series 2025 in the aggregate principal amount of \$13,750,000* (the “Bonds”), dated the date hereof; Issued pursuant to a Trust Indenture dated as of July 1, 2025 (the “Indenture”), between the Indiana Housing and Community Development Authority (the “Issuer”) and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”).

Ladies and Gentlemen:

We have examined (a) a certified transcript containing the proceedings of the Issuer relating to the authorization, issuance and sale of the Bonds pursuant to the Indenture and the approval and execution of the Indenture, the Loan Agreement dated as of July 1, 2025 (the “Loan Agreement”), between the Issuer and TWG Terre Haute, LP, an Indiana limited partnership (the “Borrower”), and a Regulatory Agreement dated as of July 1, 2025, among the Issuer, the Trustee and the Borrower (the “Tax Regulatory Agreement”); (b) an executed counterpart of the Loan Agreement; (c) an executed counterpart of the Indenture; (d) an executed counterpart of the Tax Regulatory Agreement; (e) a certificate showing execution, authentication and delivery of the Bonds and no litigation pending as of said date of delivery; (f) the Certificate of the Issuer re: Arbitrage (the “Arbitrage Certificate”) dated the date hereof; (g) the Tax Representation Certificate of the Borrower (the “Tax Representation Certificate”) dated the date hereof; (h) the General Certificates of the Borrower and its general partner dated the date hereof; (i) an opinion of Bose McKinney & Evans LLP, counsel for the Issuer; (j) the executed Note dated July __, 2025; and (k) an Internal Revenue Service Form 8038.

In delivering our opinion, we have relied upon a certified transcript of proceedings and other certificates and representations of the Borrower and the Issuer as set forth in the Indenture, the Loan Agreement, the Tax Regulatory Agreement and the Bond transcript, including but not limited to the Arbitrage Certificate and the Tax Representation Certificate (collectively, the “Tax Covenants”), and have not undertaken to verify any facts by independent investigation.

Based upon the foregoing and our review of such other information, papers, documents and statutes, regulations, rulings and decisions as we believe necessary or advisable, we are of the opinion that:

1. The Loan Agreement, the Indenture and the Tax Regulatory Agreement have been duly authorized, executed and delivered by the Issuer and are valid and binding agreements of the Issuer, enforceable against the Issuer in accordance with their respective terms.

2. The Bonds have been duly authorized, executed and issued and are valid and binding obligations of the Issuer, enforceable in accordance with their terms.

* Preliminary; subject to change.

3. Under existing statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is exempt from all state and local income taxation in the State of Indiana. This opinion relates only to the tax exemption of interest on the Bonds from state income taxes.

4. Under federal statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is excludable from gross income for purposes of federal income taxation pursuant to Section 103 of the Internal Revenue Code of 1986 (the "Code"), except for interest on the Bonds for any period during which such Bonds are held by a person who is a "substantial user" of the Project (as defined in the Indenture) or a "related person" within the meaning of Section 147(a) of the Code. Further, under existing law, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax applicable to individuals; however, such interest may be taken into account in for the purpose of computing the alternative minimum tax imposed on certain corporations. This opinion is conditioned on continuing compliance by the Issuer and the Borrower with the Tax Covenants. Failure to comply with the Tax Covenants could cause interest on the Bonds to lose the excludability from gross income for purposes of federal income taxation retroactive to the date of issue.

It is to be understood that the rights of the owners of the Bonds, the Issuer, the Borrower and the Trustee and the enforceability of the Bonds, the Loan Agreement and the Indenture may be subject to the valid exercise of the constitutional powers of the State of Indiana and the United States of America. It is to be further understood that the rights of the owners of the Bonds, the Issuer, the Trustee and the Borrower and the enforceability of the terms of the Loan Agreement, the Indenture and the Bonds are subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that the enforcement thereof may be subject to the exercise of judicial discretion in accordance with general principles of equity.

This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We express no opinion herein with respect to matters of title in the facilities financed with the proceeds of the Bonds or the Trustee's interest therein.

Very truly yours,
