PRELIMINARY OFFICIAL STATEMENT
PERU MULTI-SCHOOL BUILDING CORPORATION
MIAMI COUNTY, INDIANA
\$16,490,000*
AD VALOREM PROPERTY TAX FIRST MORTGAGE BONDS, SERIES 2025

INTRODUCTION

This Official Statement, including the cover page and appendices, is provided to set forth certain information concerning the sale and delivery by the Peru Multi-School Building Corporation (the "Building Corporation") of its Ad Valorem Property Tax First Mortgage Bonds, Series 2025 (the "2025 Bonds"), in the aggregate principal amount of \$16,490,000*. The 2025 Bonds will be issued under the provisions of Indiana Code, Title 20, Article 47, Chapter 3 (the "Act") and in accordance with the terms of (i) a Trust Indenture between the Building Corporation and The Bank of New York Mellon Trust Company, N.A., as trustee, registrar and paying agent (the "Trustee," "Registrar" and "Paying Agent"), dated as of November 1, 2025 (as supplemented, the "Trust Indenture"), and (ii) a Lease Agreement between the Building Corporation, as lessor, and Peru Community School Corporation (the "School Corporation"), as lessee, executed as of October 20, 2025 (as amended, the "Lease").

The 2025 Bonds and all other additional bonds hereafter issued on a parity with the Bonds (the "Additional Bonds") (the 2025 Bonds and all Additional Bonds, collectively the "Bonds") are secured exclusively by under the provisions of the Trust Indenture and are issued in accordance with the Trust Indenture and the Act. Additional bonds may be issued in future years on a parity basis with the Bonds in order to complete one or more of the Projects.

The Building Corporation was organized for the purpose of providing funds to be applied to the cost of acquiring real estate and constructing and equipping certain school facilities thereon and leasing such facilities to the School Corporation, Miami County, Indiana. Other powers of the Building Corporation include the authority to refinance previously incurred indebtedness and to execute amended lease agreements with the School Corporation based on terms of a refinancing agreement. See "THE BUILDING CORPORATION" herein.

Pursuant to pertinent provisions of the Indiana Code, projects that are considered controlled projects are subject to certain additional public approval procedures. A controlled project is one that is financed by a bond or lease, is payable by property taxes, and

- (1) Costs more than the lesser of:
 - a. An amount equal to the assessed value growth quotient (as determined by the DLGF) multiplied by the amount determined under such provision for the preceding calendar year; or
 - b. An amount equal to:
 - (i) At least 1% of gross assessed value, if that total gross assessed value is more than \$100 Million; or
 - (ii) \$1 Million if the gross assessed value is not more than \$100 Million; or

* Preliminary, subject to change.

(2) Regardless of threshold amounts, is financed by a school corporation whose total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value unless a public hearing for such project was conducted under IC 20-26-7-37 before July 1, 2025.

The exceptions for a controlled project are (a) when property taxes are used only as a back-up to enhance credit, (b) when a project is being refinanced to generate taxpayer savings, (c) when the project is mandated by federal law, and (d) when the project is in response to a natural disaster, emergency or accident, and (e) when the project is for engineering, land and right-of-way acquisition, construction, resurfacing, maintenance, restoration, and rehabilitation exclusively for or of: (i) local road and street systems, including bridges that are designated as being in a local road and street system; (ii) arterial road and street systems, including bridges that are designated as being in an arterial road and street system; or (iii) any combination of local and arterial road and street systems, including designated bridges.

Controlled projects are subject to either a petition and remonstrance process or a referendum process if either such process is requested by taxpayers and voters. A political subdivision planning to finance and construct a controlled project must hold a public hearing to inform taxpayers and voters of certain information about the project and the potential impact on property taxes. After taxpayers and voters are notified, they have the option to initiate the petition and remonstrance process or the referendum process. This is accomplished when the lesser of (a) 500 registered voters or real property owners or (b) 5% of the registered voters in the political subdivision, sign a petition to initiate the process and the signatures are certified by the county voter registration office. The political subdivision may also elect to pursue a referendum for controlled projects if not requested by its taxpayers or registered voters.

Under the petition and remonstrance process, taxpayers and voters may sign a petition in favor of the project (petitioners) or against the project (remonstrators). At the end of the signature gathering period, the county voter registration office determines if the petitioners or remonstrators have the most signatures. If the petitioners have more, the project may proceed, but if the remonstrators have more, the project may not proceed. If a project is defeated it cannot be reconsidered for one year.

Controlled projects are subject to the referendum process if the project: (1) consists of an elementary, middle or high school building or other school building for academic instruction which will cost more than the lesser of (i) an amount equal to the result of the assessed value growth quotient for the year multiplied by the threshold amount for the preceding calendar year; (ii) 1% of the total gross assessed value if the total gross assessed value is more than \$1 billion; or (iii) \$10 million; or (2) is any other controlled project which costs the lesser of: (i) an amount equal to the result of the assessed value growth quotient for the year multiplied by the threshold amount for the preceding calendar year; (ii) 1% of the total gross assessed value of property with the political subdivision on the last assessment date (if the total gross assessed value was at least \$100 million); or (iii) \$1 million. In addition, as of July 1, 2025, a school corporation with a debt service fund tax rate of \$0.70 or more, is required to have all projects funded with debt approved by a referendum election, regardless of the amount of the project.

Once the referenda process is initiated and the signatures on the petition are certified by the county voter registration office, the public question regarding the controlled project must be approved by the Department of Local Government Finance before it may be placed on the ballot at the next general, municipal or primary election. If no election will be held within six months of the date of the voter registration office certification, a special election, if requested by the political subdivision, will be held. The results of the election will be certified by the circuit court clerk and if the majority of voters approve of the project, the project may proceed, but if the project is defeated, the project cannot be revisited for at least one year from the date of the election. Payments due on bonds or leases which have been approved by the referenda process are outside the Circuit Breaker Tax Credit calculations.

Even if a project is considered a non-controlled project, a hearing may be required under a different statute if the project is \$1,000,000 or more (i.e., 1028 Hearing) and the project and bond issuance may proceed

without additional approval procedures. Additionally, if the petition and remonstrance process or referenda process is not initiated, the project and bond issuance may proceed without additional approval procedures.

Each of the Projects (as hereinafter defined) to be funded by the 2025 Bonds is subject to the controlled project procedures; however, neither the petition and remonstrance process nor the referendum process was initiated by real property owners, or registered voters of the School Corporation. Therefore, the issuance of the 2025 Bonds were able to continue without additional approval procedures. Because the Projects are not approved through the referendum process, the ad valorem property tax to be levied by the School Corporation to pay the lease rentals securing payment of the 2025 Bonds will be included in the Circuit Breaker Tax Credit calculation. See "PURPOSE OF ISSUE." All authorization and approval processes relating to the Lease (defined herein) and the 2025 Bonds are complete.

For more information on the School Corporation and the area of the School Corporation, see "APPENDIX A – Peru Community School Corporation," "APPENDIX B – General Information about the Area," and "APPENDIX E – Audit Report as of June 30, 2024" included herein. All financial and other information presented in this Official Statement has been provided by the School Corporation from its records, except for information expressly attributed to other sources. The presentation of information concerning the School Corporation, including financial information, is intended to show recent historic information and is not intended to indicate or project future or continuing trends in the financial position or other affairs of the School Corporation. <u>Date</u>	<u>Amount</u>	<u>Date</u>	<u>Amount</u>

If such 2025 Bonds are subject to mandatory sinking fund redemption, the Registrar and Paying Agent will credit against the mandatory sinking fund requirement for any term bonds and corresponding mandatory redemption obligation, in the order determined by the Building Corporation, any term bonds maturing on the same date which have been redeemed previously (other than as a result of a previous mandatory redemption requirement) or delivered to the Registrar or Paying Agent for cancellation or purchased for cancellation by the Registrar or Paying Agent and not applied theretofore as a credit against any redemption obligation. Each term bond so delivered or canceled will be credited by the Registrar and Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory obligations and the principal amount of that term bond to be redeemed by operation of the mandatory

sinking fund requirement shall be reduced accordingly; provided, however, the Registrar and Paying Agent will credit only such term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date.

Notice of any redemption will be mailed by first class mail by the Trustee not less than thirty (30) days prior to the date selected for redemption to the registered owners of all bonds to be redeemed at the address shown on the registration books of the Registrar and Paying Agent; provided, however, that failure to give such notice by mailing or a defect in the notice of the mailing as to the bonds will not affect the validity of any proceedings for redemption as to any other bonds for which adequate notice is given. Notice having been mailed, the bonds designated for redemption, on the date specified in such notice, will become due and payable at the then applicable redemption price.

On presentation and surrender of such 2025 Bonds in accordance with such notice at the place at which the same are expressed in such notice to be redeemable, such 2025 Bonds will be redeemed by the Registrar and Paying Agent for that purpose. From and after the date of redemption so designated, interest on such 2025 Bonds designated for redemption will cease and the owners of the 2025 Bonds shall have no rights in respect thereof, except to receive payment of the redemption price including unpaid interest accrued to the redemption date.

In the event of partial redemption, the 2025 Bonds shall be redeemed in such order of maturity as the Building Corporation shall direct and by lot within a maturity in such manner as the Registrar shall determine. If some 2025 Bonds are to be redeemed by optional redemption and mandatory sinking redemption on the same date, the Trustee shall select by lot the 2025 Bonds for optional redemption before selecting 2025 Bonds by lot for the mandatory sinking fund redemption.

Registration, Transfer and Exchange

The 2025 Bonds will be registered at and are transferable by the registered owners at the designated office of the Registrar, upon surrender and cancellation and on presentation of a duly executed written instrument of transfer. A new bond or bonds of the same aggregate principal amount and maturity and in authorized denominations will be issued to the transferee or transferees in exchange therefor.

If any 2025 Bond is mutilated, lost, stolen or destroyed, the Registrar may execute, subject to the provisions of the Trust Indenture, a replacement bond or bonds of the same date, maturity and denomination. In the case of a mutilated bond, the Registrar may require that the mutilated bond be presented and surrendered as a condition to executing a replacement. In the case of loss, theft or destruction, the Registrar may require evidence of the destruction or indemnity satisfactory to the Registrar in its discretion. The Registrar may charge the owner for reasonable fees and expenses in connection with replacements.

Book-Entry-Only System

The Depository Trust Company (“DTC”), New York, NY, will act as depository for the 2025 Bonds. The 2025 Bonds will be issued as fully-registered 2025 Bonds registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2025 Bond certificate will be issued for each maturity of each series of the 2025 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from

over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the 2025 Bonds, except in the event that use of the book-entry system for the 2025 Bonds is discontinued.

To facilitate subsequent transfers, all 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the 2025 Bond documents. For example, Beneficial Owners of 2025 Bonds may wish to ascertain that the nominee holding the 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Building Corporation as soon as possible after the record

date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Building Corporation or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with 2025 Bonds held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Building Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Building Corporation or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its 2025 Bonds purchased or tendered, through its Participant, to Tender/Remarketing Agent, and shall effect delivery of such 2025 Bonds by causing the Direct Participant to transfer the Participant's interest in the 2025 Bonds, on DTC's records, to Tender/Remarketing Agent. The requirement for physical delivery of 2025 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the 2025 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered 2025 Bonds to Tender/Remarketing Agent's DTC account.

DTC may discontinue providing its services as depository with respect to the 2025 Bonds at any time by giving reasonable notice to Building Corporation or Agent. Under such circumstances, in the event that a successor depository is not obtained, 2025 Bond certificates are required to be printed and delivered.

The Building Corporation may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, 2025 Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Building Corporation believes to be reliable, but Building Corporation takes no responsibility for the accuracy thereof.

Revision of Book-Entry-Only System

In the event that either (1) the Building Corporation receives notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities as a clearing agency for the 2025 Bonds or (2) the Building Corporation elects to discontinue its use of DTC as a clearing agency for the 2025 Bonds, then the Building Corporation will do or perform or cause to be done or performed all acts or things, not adverse to the rights of the holders of the 2025 Bonds, as are necessary or appropriate to discontinue use of DTC as a clearing agency for the 2025 Bonds and to transfer the ownership of each of the 2025 Bonds to such person or persons, including any other clearing agency, as the holder of such 2025 Bonds may direct.

Any expenses of such a discontinuation and transfer, including any expenses of printing new certificates to evidence the 2025 Bonds will be paid by the School Corporation.

ADDITIONAL BONDS

The Building Corporation may issue Additional Bonds on a parity with the Bonds from time to time to provide for the completion of one or more of the Projects, partial or full refunding of the Bonds, the additional construction and renovation to the Leased Premises under the Lease and for certain other limited purposes. Any series of Additional Bonds shall have maturities, interest rates, interest payment dates, denominations and other terms as provided in the supplemental indenture entered into in connection with the issuance of such Additional Bonds, provided that such terms and provisions shall not be otherwise inconsistent with the Trust Indenture. The Bonds, together with any Additional Bonds as may be issued on a parity basis therewith under the Trust Indenture, are to be equally and ratably secured and entitled to the protection given under the Trust Indenture.

SECURITY AND SOURCES OF PAYMENT FOR THE 2025 BONDS

The 2025 Bonds are valid and binding obligations secured by (i) a lien on and security interest in certain property described in the Indenture, including the Leased Premises on a parity basis with the 2023 Bonds and the 2015 Bonds and (ii) semi-annual Lease rental payments to be paid by the School Corporation directly to the Trustee (for the account of the Building Corporation) ("Rent") pursuant to the terms of the Lease. The Lease term has been extended for a period of twenty-two years, or the final maturity of the 2025 Bonds, whichever is the first to occur. The Rent payable by the School Corporation under the Lease is payable from ad valorem property taxes to be levied by the School Corporation on all of the taxable property within the School Corporation. The levy of property taxes by the School Corporation to pay Rent due and payable under the Lease is mandatory and not subject to annual appropriation. (See "SUMMARY OF THE LEASE – Lease Term and Rental," "PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION," and "CIRCUIT BREAKER TAX CREDIT" herein).

The Rent under the Lease secures the repayment of the 2025 Bonds, the 2023 Bonds and the 2015 Bonds.

The semi-annual rentals, under the Lease, which are required to be paid by the School Corporation through the final maturity of the 2025 Bonds are in such amounts sufficient to pay the principal of and interest on the 2025 Bonds. Pursuant to the terms of the Lease, rent is payable in advance for the following six-month period on December 31 and June 30.

Indiana law does not permit school corporations to pay full increased lease rental payments on a building or structure which the school corporation leases until the renovations at such building or structure are complete and ready for occupancy. The Lease provides for interim lease rental payments during the construction of the Projects beginning on June 30, 2026. Thereafter, the Lease provides for a rental payments annually in an amount not to exceed \$4,000,000, payable semiannually, beginning on the day that the Leased Premises is completed and ready for occupancy or December 31, 2028. The School Corporation anticipates that substantial completion of the Project, will occur by December 31, 2028. If there are excessive delays in the Project and the Project is not completed by December 31, 2028, then sufficient funds may not be available to meet all of the principal and interest payments due on the 2025 Bonds on and after such dates.

While the pledge of other sources of payment and revenues is made, such as the first mortgage on all of the real estate relating to the Leased Premises owned by the Building Corporation, pledged funds, interest earnings and property insurance proceeds, no significant source of payment exists other than the Rent payments by the School Corporation.

Under the Lease, if for any reason the Leased Premises is partially or totally destroyed or unfit for occupancy, the Rent payments shall be proportionally abated. In accordance with the Lease, the School Corporation is required to maintain rental value insurance insuring Rent payments in connection with the loss of use of the Leased Premises due to casualty for a period of two years. In addition, the School Corporation is required to insure the Leased Premises against physical damage, however caused, in an amount equal to the lesser of (i) the replacement cost thereof, with such exceptions ordinarily required by insurers, or (ii) the redemption price of the outstanding bonds under the Indenture.

INTERCEPT PROGRAM

Indiana Code Title 20, Article 48, Chapter 1, Section 11, as amended (the “Act”), requires the Department of Local Government Finance (the “DLGF”) to review levies and appropriations of school corporations for debt service or lease rental payments that are payable in the succeeding calendar year. In the event a school corporation fails to levy and appropriate sufficient funds for such purpose for the next succeeding calendar year, the DLGF must establish levies and appropriations which are sufficient to pay such obligations.

The Act further provides that upon failure of any school corporation to make a debt service or lease rental payment when due and upon notice and claim being filed with the Treasurer of the State of Indiana (the “State Treasurer”), (a) the State Treasurer must immediately contact the school corporation and the person or entity filing the claim to confirm whether the school corporation is unable to make the required payment on the due date, (b) if confirmed, the State Treasurer must notify the Budget Director of the State of Indiana (the “State Budget Director”), the Auditor of the State of Indiana (the “State Auditor”) and any department or agency of the State of Indiana responsible for distributing funds appropriated by the Indiana General Assembly (the “General Assembly”) to provide the State Treasurer with available funds in order for the State Treasurer to fulfill his/her obligations under the Act, (c) within three (3) days, excluding Saturdays, Sundays and legal holidays, of receiving the notice from the State Treasurer, the State Budget Director, the State Auditor and any department or agency of the State of Indiana responsible for distributing funds appropriated by the General Assembly must provide the State Treasurer with available funds in order for the State Treasurer to fulfill his/her obligations under the Act, and (d) the State Treasurer must make such payment to the claimant from such funds within five (5) days, excluding Saturdays, Sundays and legal holidays of the claim being filed with the State Treasurer (clauses (a) through and including (d), collectively, the “State Intercept Program”). The funds to make such payment will be from the following sources, in the following amount and in the following order of priority: (i) first, from amounts appropriated by the General Assembly for distribution to the school corporation from State funds in the current fiscal year of the State of Indiana, which begins on July 1 and ends on the immediately following June 30, (ii) second, to the extent the amounts described in clause (i) are insufficient, from any remaining amounts appropriated by the General Assembly for distribution for tuition support in the current State fiscal year which are in excess of the aggregate amount of tuition support needed for distribution to all school corporations during the current State fiscal year, and (iii) third, to the extent the amounts described in clauses (i) and (ii) are insufficient and the General Assembly has adopted a biennial budget appropriating amounts in the immediately succeeding State fiscal year for distribution to the school corporation from State funds, then from such fund or account, as determined by the State Budget Director in an amount not to exceed the amount to be distributed to the school corporation in the immediately succeeding State fiscal year. If any such payment is made by the State Treasurer pursuant to the State Intercept Program, then the State will recover such amounts by deducting such amount from the future State distributions to be made to the school corporation.

Pursuant to the Indenture, the Trustee is to notify and demand payment immediately from the State Treasurer if the school corporation should default in its obligation under the Lease to pay Rent to the Trustee. There can, however, be no assurance as to the levels or amounts that may from time to time be appropriated by the Indiana General Assembly for school purposes or that this provision of the Indiana Code will not be repealed. Furthermore, there may be a delay in payment of debt service due to the procedural steps required for the Trustee or other claimants to draw on the State Intercept Program.

The estimated State distributions for 2025 and resulting debt service coverage levels are as follows:

2025 Estimated State Grants (1):	\$ 15,300,000
* Estimated Combined Maximum Annual Debt Service (See page A-10)	4,168,535**
State distributions required to provide 1.5x coverage	6,252,803**
State distributions above 1.5x coverage amount	\$ 9,047,198**

(1) Basic State Grant per Form 1782.

* Based upon the estimated total debt service for 2026.

** Preliminary, subject to change.

PROCEDURES FOR PROPERTY TAX ASSESSMENT, TAX LEVY AND COLLECTION

The lease rental payments are payable from ad valorem property taxes required by law to be levied by or on behalf of the School Corporation in an amount sufficient to pay debt service as it becomes due and payable, subject to the Circuit Breaker Tax Credit described herein. Article 10, Section 1 of the Constitution of the State of Indiana ("Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. The Indiana General Assembly enacted legislation (Indiana Code Title 6, Article 1.1, Chapter 20.6, as amended), which implements the Constitutional Provision and provides taxpayers with a tax credit for all property taxes in an amount that exceeds a certain percentage of the gross assessed value of eligible property. See "CIRCUIT BREAKER TAX CREDIT" herein for further details on the levy and collection of property taxes.

Real and personal property in the State is assessed each year as of January 1. Before August 1 of each year, the county auditor must submit a certified statement of the assessed value of each taxing unit for the ensuing year to the Department of Local Government Finance ("DLGF"). The DLGF shall make the certified statement available on its gateway website located at <https://gateway.ifionline.org/> ("Gateway"). The county auditor may submit an amended certified statement at any time before the preceding year, the date by which the DLGF must certify the taxing units' budgets.

The certified statement of assessed value is used when the governing body of a local taxing unit meets to establish its budget for the next fiscal year (January 1 through December 31) and to set tax rates and levies. In preparing the taxing unit's estimated budget, the governing body must consider the net property tax revenue that will be collected by the taxing unit during the ensuing year, after taking into account the DLGF's estimate of the amount by which the taxing unit's distribution of property taxes will be reduced by the application of the Circuit Breaker Tax Credit (as defined in the summary of "CIRCUIT BREAKER TAX CREDIT" herein), after taking into account the DLGF's estimate of the maximum amount of net property tax revenue and miscellaneous revenue that the taxing unit will receive in the ensuing year, and after taking into account all payments for debt service obligations that are to be made by the taxing unit during the ensuing year. Before August 1 of each year, the DLGF shall provide to each taxing unit, an estimate of the amount by which the taxing unit's distribution of property taxes will be reduced.

The taxing unit must submit the following information to the DLGF via Gateway: (i) its estimated budget; (ii) the estimated maximum permissible tax levy, as determined by the DLGF; (iii) the current and proposed tax levies of each fund; (iv) the percentage change between the current and proposed tax levies of each fund; (v) the estimated amount, determined by the DLGF, by which the taxing unit's property taxes may be reduced by the Circuit Breaker Tax Credit; (vi) the amounts of excess levy appeals to be requested, if any; (vii) the time and place at which the taxing unit will conduct a public hearing related to the information submitted to Gateway; (viii) the time and place at which the taxing unit or appropriate fiscal body will meet to fix the budget, tax rate and levy of the taxing unit; and (ix) the date, time, and place of the final adoption

of the budget, tax rate, and levy. The taxing unit must submit the information listed in (i)-(ix) above on Gateway at least ten days prior to the date of the public hearing. The public hearing must be completed at least ten days before the taxing unit meets to fix the budget, tax rate and tax levy which by statute must each be established no later than November 1. The taxing unit must file the adopted budget with the DLGF within five days after adoption.

The budget, tax levy and tax rate of each taxing unit are subject to review by the DLGF, and the DLGF shall certify the tax rates and tax levies for all funds of taxing units subject to the DLGF's review. The DLGF may not increase a taxing district's budget by fund, tax rate or tax levy to an amount which exceeds the amount originally fixed by the taxing unit unless the taxing unit meets all of the following: (i) the increase is requested in writing by the taxing unit; (ii) the requested increase is published on the DLGF's advertising internet website; (iii) notice is given to the county fiscal body of the DLGF's correction; (iv) the request includes the corrected budget, tax rate, or levy, as applicable, and the time and place of the public meeting; and (v) the political subdivision adopts the needed changes to its budget, tax levy, or rate in a public meeting of the governing body.

The DLGF may not approve a levy for lease payments by a school corporation to a building corporation if: (i) there are no bonds of the building corporation outstanding; and (ii) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested. However, the DLGF may increase the school corporation's tax rate and levy if the tax rate and levy proposed by the school corporation are not sufficient to make its lease rental payments.

The DLGF must complete its review and certification of budgets, tax rates and levies by December 31 of the calendar year immediately preceding the ensuing calendar year unless a taxing unit in the county is issuing debt after December 1 in the year preceding the budget year or intends to file a levy shortfall appeal.

On or before March 15, the County Auditor prepares the tax duplicate, which is a roll of property taxes payable in that year. The County Auditor publishes a notice of the tax rate in accordance with Indiana statutes. The County Treasurer mails tax statements at least 15 days prior to the date that the first installment is due (due dates may be delayed due to a general reassessment or other factors). Property taxes are due and payable to the County Treasurer in two installments on May 10 and November 10 unless the mailing of tax bills is delayed or a later due date is established by order of the DLGF. If an installment of property taxes is not completely paid on or before the due date, a penalty of 10% of the amount delinquent is added to the amount due; unless the installment is completely paid within thirty (30) days of the due date and the taxpayer is not liable for delinquent property taxes first due and payable in a previous year for the same parcel, the amount of the penalty is five percent (5%) of the amount of the delinquent taxes. On May 11 and November 11 of each year after one year of delinquency, an additional penalty equal to 10% of any taxes remaining unpaid is added. The penalties are imposed only on the principal amount of the delinquency. Property becomes subject to tax sale procedures after 15 months of delinquency. The County Auditor distributes property tax collections to the various taxing units on or about June 30 after the May 10 payment date and on or about December 31 after the November 10 payment date.

Personal property values are assessed January 1 of every year and are self-reported by property owners to county assessors using prescribed forms. The completed personal property return must be filed with the county assessors no later than May 15. Pursuant to State law, personal property is assessed at its actual historical cost less depreciation, in accordance with 50 IAC 4.2, the DLGF's Rules for the Assessment of Tangible Personal Property. Pursuant to IC 6-1.1-3-7.2, as amended, State law automatically exempts from property taxation the acquisition cost of a taxpayer's total business personal property in a county if the total business personal property is less than (i) eighty thousand dollars (\$80,000) for assessment dates before 2026, and (ii) two million dollars (\$2,000,000) for the 2026 assessment date and each assessment date thereafter.

Pursuant to State law, real property is valued for assessment purposes at its "true tax value" as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2021 Real Property Assessment Manual ("Manual"), as incorporated into 50 IAC 2.4 and the 2021 Real Property Assessment Guidelines ("Guidelines"), as published by the DLGF. In the case of agricultural land, true tax value shall be the value determined in accordance with the Guidelines and IC 6-1.1-4-13, as amended, which shall mean the "market value-in-use" of a property for its current use, as reflected by the utility received by the owner or by a similar user from the property. Except for agricultural land and rental residential property with rental periods longer than thirty (30) days, the Manual permits assessing officials in each county to choose one of three standard approaches to determine market value-in-use, which are the cost approach, the sales comparison approach or the income approach. The Guidelines provide each of the approaches to determine "market value-in-use and the reconciliation of these approaches shall be applied in accordance with generally recognized appraisal principals." In accordance with IC 6-1.1-4-4.2(a), as amended, the county assessor is required to submit a reassessment plan to the DLGF before May 1 every four (4) years, and the DLGF has to approve the reassessment plan before January 1 the following year. The reassessment plan must divide all parcels of real property in the county into four (4) different groups of parcels. Each group of parcels must contain approximately twenty-five percent (25%) of the parcels within each class of real property in the county. All real property in each group of parcels shall be reassessed under a county's reassessment plan once during each four (4) year cycle. The reassessment of a group of parcels in a particular class of real property shall begin on May 1 of a year and must be completed on or before January 1 of the year after the year in which the reassessment of the group of parcels begins. All real property assessments are revalued annually to reflect market value based upon comparable sales ("Trending"). "Net Assessed Value" or "Taxable Value" represents the "Gross Assessed Value" less certain deductions for mortgages, veterans, the aged, the blind, economic revitalization areas, resource recovery systems, rehabilitated residential property, solar energy systems, wind power devices, hydroelectric systems, geothermal devices and tax-exempt property. The "Net Assessed Value" or "Taxable Value" is the assessed value used to determine tax rates.

Changes in assessed values of real property occur periodically as a result of general reassessments, as well as when changes occur in the property value due to new construction or demolition of improvements. When a change in assessed value occurs, a written notification is sent to the affected property owner. If the owner wishes to appeal this action, the owner may file a petition requesting a review of the action. This petition must be filed with the county assessor in which the property is located by June 15 of the assessment year if the written notification is provided to the taxpayer before May 1 of that year, or June 15 of the year in which the tax bill is mailed by the county treasurer if the notice is provided on or after May 1 of the assessment year, whichever is earlier. While the appeal is pending, the taxpayer may pay taxes based on the current year's tax rate and the previous or current year's assessed value. For all appeals except an appeal on the assessed value of the property, the taxpayer may appeal not later than three years after the taxes were first due.

Over the past few years, the Indiana General Assembly has proposed legislation containing numerous provisions related to property taxation and local income taxation, which could adversely affect political subdivisions in the State in a variety of ways. Senate Enrolled Act No. 1 (2025) ("SEA 1") includes provisions that increase the homestead deduction for real property owners and new assessed value deductions to real property owners of non-homestead residential property, agricultural property and long-term care facilities, all of which phase in through taxes payable year 2031. Some of the changes in SEA 1 may result in a decrease in assessed valuation, which may require an increase in property tax rates. It is uncertain at this time what impact, if any, SEA 1 or any future legislation may have on the property assessment process or the amount of ad valorem property taxes and local income taxes to be received by local government entities in future years. Neither the Issuer, the School Corporation nor their advisors assume any responsibility for assessing the potential risk of any such legislation that may impact the 2025 Bonds or the operations of the School Corporation. The purchasers of the 2025 Bonds should consult their own advisors regarding risks associated with SEA 1 or future legislation.

FUTURE CHANGES IN LAW

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the 2025 Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the 2025 Bonds. Prospective purchasers of the 2025 Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Legislation affecting municipal bonds is considered from time to time by the United States Congress and the Executive Branch. Bond Counsel's opinion is based upon the law in existence on the date of issuance of the Bonds. It is possible that legislation enacted after the date of issuance of the 2025 Bonds or proposed for consideration will have an adverse effect on the excludability of all or a part of the interest on the 2025 Bonds from gross income, the manner in which such interest is subject to federal income taxation or the market price of the 2025 Bonds.

Legislation affecting municipal bonds is considered from time to time by the Indiana legislature and Executive Branch. It is possible that legislation enacted after the date of the 2025 Bonds or proposed for consideration will have an adverse effect on payment or timing of payment or other matters impacting the 2025 Bonds.

As one example, Indiana Governor Michael Braun signed Senate Enrolled Act 1 ("SEA 1") into law on Tuesday, April 15, 2025. SEA 1 includes a number of provisions which may adversely impact future tax collections and budgets of political subdivisions in the State of Indiana, including school corporations.

The final version of SEA 1 signed by Governor Braun, as well as related fiscal information provided by the State of Indiana's Legislative Services Agency, can be found here: <https://iga.in.gov/legislative/2025/bills/senate/1/details>.

The Issuer and School Corporation cannot predict the outcome of any such federal or state proposals as to passage, ultimate content or impact if passed, or timing of consideration or passage. Purchasers of the 2025 Bonds should reach their own conclusions regarding the impact of any such federal or state proposals.

There can be no assurance that there will not be any change in, interpretation of, or addition to the applicable laws and provisions which would have a material effect, directly or indirectly, on the affairs of the Issuer or the School Corporation.

CIRCUIT BREAKER TAX CREDIT

Description of Circuit Breaker

Article 10, Section 1 of the Constitution of the State of Indiana (the "Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. Indiana Code § 6-1.1-20.6 (the "Statute") authorizes such limits in the form of a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit (the "Circuit Breaker Tax Credit"). For property assessed as a homestead (as defined in Indiana Code § 6-1.1-12-37, as amended), the Circuit Breaker Tax Credit is equal to the amount by which the property taxes attributable to the homestead exceed 1% of the gross assessed value of the homestead. Property taxes attributable to the gross assessed value of other residential property, agricultural property, and long-term care facilities are limited to 2% of the gross assessed value, property

taxes attributable to other non-residential real property and personal property are limited to 3% of the gross assessed value. The Statute and other additional Indiana laws provide additional property tax credits, deductions, or exemptions, as applicable, for property taxes paid by homesteads or certain real property owners based on certain demographic categories or property uses.

If applicable, the Circuit Breaker Tax Credit will result in a reduction of property tax collections for each political subdivision in which the Circuit Breaker Tax Credit is applied. School corporations are authorized to impose a referendum tax levy, if approved by voters, to replace property tax revenue that the school corporation will not receive due to the application of the Circuit Breaker Tax Credit. Otherwise, school corporations and other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit.

The Constitutional Provision excludes from the application of the Circuit Breaker Tax Credit property taxes first due and payable in 2012, and thereafter, that are imposed after being approved by the voters in a referendum. The Statute codifies this exception, providing that, with respect to property taxes first due and payable in 2012 and thereafter, property taxes imposed after being approved by the voters in a referendum will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute.

The Statute requires political subdivisions to fully fund the payment of Debt Service Obligations, regardless of any reduction in property tax collections due to the application of the Circuit Breaker Tax Credit. For school corporations, any shortfall could also be funded through the State Intercept Program (See "State Intercept Program" herein); however, application of the State Intercept Program will result in a shortfall in distributions to the school corporation's education fund and school corporations are encouraged by the DLGF to fund any shortfall directly from the school corporation's other legally available funds to avoid the application of the State Intercept Program. Upon: (i) the failure of a political subdivision to pay any of its Debt Service Obligations; and (ii) notification of that event to the treasurer of the State by a claimant; the treasurer of State is required to pay the unpaid Debt Service Obligations from money in the possession of the State that would otherwise be available to the political subdivision under any other law. A deduction must be made from any other undistributed funds of the political subdivision in possession of the State.

Pursuant to IC 6-1.1-20.6-9.9, as amended, if a school corporation has sufficient Circuit Breaker Tax Credit losses and meets certain requirements in any year from 2014 through 2026, and has approval from the DLGF, it will be an eligible school corporation for such year that it submitted the request for a determination (an "Eligible School Corporation"). An Eligible School Corporation may allocate a portion of its Circuit Breaker Tax Credit loss to its non-exempt debt service fund(s), and is exempt from the protected taxes requirement described below.

After December 31, 2023, if a school corporation issues new bonds or enters into a new lease rental agreement after July 1, 2023, for which the school corporation is imposing or will impose a debt service levy other than: (A) to refinance or renew prior bond or lease rental obligations existing before January 1, 2024, but only if the refinancing or renewal is for a lower interest rate; or (B) for indebtedness that is approved in a local public question or referendum under IC 6-1.1-20 or any other law, the school corporation will not be an Eligible School Corporation.

The School Corporation did not qualify for this exemption in 2025.

Except for an Eligible School Corporation, the Statute categorizes property taxes levied to pay Debt Service Obligations as "protected taxes," regardless of whether the property taxes were approved at a referendum, and all other property taxes as "unprotected taxes." The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the Circuit Breaker Tax Credit. The application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund. The School Corporation may allocate the reduction by using a combination of

unprotected taxes of the political subdivision in those taxing districts in which the Circuit Breaker Tax Credit caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

If the allocation of property tax reductions to funds receiving only unprotected taxes is insufficient to offset the amount of the Circuit Breaker Tax Credit or if there is not a fund receiving only unprotected taxes from which to distribute revenue, the revenue for a fund receiving protected taxes will also be reduced. If a fund receiving protected taxes is reduced, the Statute provides that a political subdivision may transfer money from any other available source in order to meet its Debt Service Obligations. The amount of this transfer is limited to the amount by which the protected taxes are insufficient to meet Debt Service Obligations.

The allocation of property tax reductions to funds may impact the ability of political subdivisions to provide existing levels of service, and in extreme cases, the ability to make debt service or lease rental payments.

The School Corporation cannot predict the timing, likelihood or impact on property tax collections of any future actions taken, amendments to the Constitution of the State or legislation enacted, regulations or rulings promulgated or issued to implement any such regulations, statutes or the Constitutional Provision described above or of future property tax reform in general. There has been no judicial interpretation of this legislation. In addition, there can be no assurance as to future events or legislation that may affect the Circuit Breaker Tax Credit or the collection of property taxes by the School Corporation.

Estimated Circuit Breaker Tax Credit for the School Corporation

According to the DLGF, the Circuit Breaker Tax Credit allocable to the School Corporation for budget years 2023, 2024 and 2025 are \$901,193, \$1,009,057 and \$1,451,231, respectively. These estimates do not include the estimated debt service on the 2025 Bonds and lease rentals on the Lease securing the 2025 Bonds.

The Circuit Breaker Tax Credit amounts above do not reflect the potential effect of any further changes in the property tax system or methods of funding local government that may be enacted by the Indiana General Assembly in the future. The effects of these changes could affect the Circuit Breaker Tax Credit and the impact could be material. Other future events, such as the loss of a major taxpayer, reductions in assessed value, increases in property tax rates of overlapping taxing units or the reduction in local option income taxes applied to property tax relief could increase effective property tax rates and the amount of the lost revenue due to the Circuit Breaker Tax Credit, and the resulting increase could be material.

Pursuant to SEA 1, the local income tax authorized pursuant to Indiana Code § 6-3.6-5 that is utilized for property tax relief expires beginning in 2028, which may increase circuit breaker tax credits in 2028 and thereafter.

SCHOOL CORPORATION FISCAL INDICATORS

Public Law 213-2018(ss) was enacted by the Indiana General Assembly in 2018 (the "DUAB Law"). The DUAB Law required the Distressed Unit Appeal Board, an entity previously established pursuant to Indiana Code 6-1.1-20.3-4 (the "DUAB") to establish a Fiscal and Qualitative Indicators Committee (the "Committee"), and for such Committee to select from a prescribed list the fiscal and qualitative indicators with which the DUAB would evaluate the financial conditions of Indiana public school corporations.

Further, pursuant to the DUAB Law, starting in June, 2019, the DUAB has been charged with making a determination of whether a corrective action plan is necessary for any school corporations, based upon a process of initial identification by the DUAB's executive director pursuant to such fiscal and qualitative indicators, and a contact and assessment of each such school corporation by the DUAB's executive director.

The DUAB will place a school corporation on its watch list under certain circumstances, if such school corporation fails to properly submit a corrective action plan, or if such school corporation is not compliant with its corrective action plan. Upon the state budget committee review of the school corporation's placement on the watch list, such placement will become public. Until such time, all reports, correspondence and other related records are not subject to public disclosure laws under Indiana state law. *See* Indiana Code 20-19-7-18.

A graphic summary of such fiscal and qualitative indicators, searchable for any specific Indiana public school corporation, can be found at: <https://www.in.gov/duab/2386.htm>. (Some of such data may be less current than the data found in Appendix A hereto.)

THE BUILDING CORPORATION

The Building Corporation was organized pursuant to the Indiana Code, Title 23, Article 17, Chapters 1-30, for the sole purpose of acquiring land and constructing school facilities to be leased to the School Corporation. In order to provide the funds necessary to undertake projects, the Building Corporation has issued bonds secured by lease agreements and a mortgage. The Building Corporation also has the power to issue bonds to refund its outstanding bonds.

During its existence, the Building Corporation will operate entirely without profit to the Building Corporation, its officers, directors and members.

No litigation or administrative action or proceeding is pending or, to the knowledge of the School Corporation and the

Building Corporation, threatened concerning the issuance, validity and delivery of the 2025 Bonds. Certificates to such effect will be delivered at the time of the original delivery of the 2025 Bonds.

SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE

The following is a brief summary of certain provisions of the Trust Indenture, as supplemented, and does not purport to comprehensively describe that document in its entirety.

Application of Bond Proceeds

Proceeds in an amount equal to costs of issuance shall be deposited in the Bond Issuance Expense Account of the Construction Fund. The remaining proceeds of the 2025 Bonds shall be deposited in the Construction Account of the Construction Fund and used to pay costs of construction.

There are created under the Trust Indenture the following funds: (1) the Peru Multi-School Building Corporation Construction Fund (the "Construction Fund"), (2) the Peru Multi-School Building Corporation Sinking Fund (the "Sinking Fund"), (3) the Peru Multi-School Building Corporation Operation and Reserve Fund (the "Operation and Reserve Fund"), and (4) the Peru Multi-School Building Corporation Rebate Fund (the "Rebate Fund").

The Construction Fund will be used to (a) finance a portion or all of any of the following: (i) acquisition of real estate and renovation of facilities into transportation/maintenance center and administration space; (ii) deferred maintenance improvements to Elmwood Primary Learning Center and Blair Pointe Upper Elementary School, including programming improvement renovations, roofing improvements, HVAC improvements, and site improvements, and the purchase of technology and equipment; (iii) deferred maintenance improvements to Peru Junior/Senior High School, including programming improvement renovations, roofing improvements, HVAC improvements, and site improvements, and the purchase of technology and equipment; and (iv) renovation of and improvements to the former Peru Junior High site, including building renovations and athletics improvements (collectively, the "Project"); (b) pay costs of issuance of the 2025 Bonds; and (c) pay interest on the 2025 Bonds during construction. Any moneys remaining in the Construction Fund one year after completion of the Project will be transferred to the Operation and Reserve Fund. The Building Corporation is purchasing the Leased Premises from the School Corporation for the appraised value of \$14,000,000. Up to \$1,000,000 of the Building Corporation's remaining proceeds of the 2025 Bonds may be spent on facilities which are not a part of the Leased Premises or subject to the mortgage of the Trust Indenture.

The Trustee shall deposit in the Sinking Fund created pursuant to the Trust Indenture, from each rental payment received, the lesser of (1) all of such payment or (2) an amount which, when added to the amount already on deposit, equals the unpaid interest on the 2025 Bonds due within fifteen (15) days after the due date of such rental payment and the unpaid principal and mandatory sinking fund redemption payment of the 2025 Bonds due within twenty (20) days after the due date of such rental payment. Any portion of a rental payment remaining after such deposit shall be deposited by the Trustee in the Operation and Reserve Fund. The Trustee shall from time to time pay from the Sinking Fund the principal of the 2025 Bonds at maturity or upon mandatory sinking fund redemption and the interest as it falls due.

The Operation and Reserve Fund shall be used only (a) to pay necessary incidental expenses of the Building Corporation, including Trustee's fees, (b) if the amount in the Sinking Fund at any time is less than the required amount, to transfer funds to the Sinking Fund in an amount sufficient to raise the amount in the Sinking Fund to the required amount, (c) if the 2025 Bonds are called for redemption, to pay the principal, interest, and redemption premium, if any, on the 2025 Bonds, (d) to purchase 2025 Bonds in the open market, and (e) if the amount in the Rebate Fund is less than the rebate amount, to transfer funds to the Rebate Fund. The incidental expenses may be paid by the Trustee upon the presentation of an affidavit

executed by any officer of the Building Corporation or the Lessor Representative together with the creditor's statement as to the amount owing.

The Rebate Fund shall be used to make any rebate to the United States of America required to prevent the 2025 Bonds from becoming "arbitrage bonds" under the Code. If an exception to rebate is not met, the Building Corporation shall be required to calculate or cause to be calculated at the five-year anniversary the amount of such rebate (the "Rebate Amount"). In the alternative, the Building Corporation may elect to pay the penalty required by Section 148(f)(4)(C)(vii) of the Code, as amended. In that event, the Building Corporation shall compute or cause to be computed each six months, the amount of such penalty and provide the Trustee a copy of such calculation. In either event, the Trustee is to deposit the amount so calculated to the credit of the Rebate Fund from any available funds (other than moneys in the Sinking Fund). The Trustee is further required to pay the Rebate Amount or penalties in lieu of rebate together with all investment earnings thereon to the United States of America, in the amount and at such times as shall be advised by the Building Corporation or nationally recognized bond counsel as required by the Code or applicable regulations.

Whenever the amounts contained in the Sinking Fund and the Operation and Reserve Fund are sufficient together with all other funds deposited with the Trustee by the Building Corporation (other than deposits to the Rebate Fund), to redeem, upon the next redemption date, all the 2025 Bonds secured by the Trust Indenture then outstanding, the Trustee shall apply the amounts in such Funds to the redemption of such 2025 Bonds pursuant to the Trust Indenture.

Investment of Funds

The Trustee shall invest the moneys in funds created in the Trust Indenture in (i) direct obligations (other than an obligation subject to variation in principal repayment) of the United States of America ("United States Treasury Obligations"), (ii) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by the United States of America, (iii) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by any agency or instrumentality of the United States of America when such obligations are backed by the full faith and credit of the United States of America, (iv) Federal Housing Administration debentures, (v) Federal Home Loan Mortgage Corporation participation certificates and senior debt obligations (excluded are stripped mortgage securities which are purchased at prices exceeding their principal amounts), (vi) Farm Credit Bank consolidated system wide bonds and notes, (vii) Federal Home Loan Banks consolidated debt obligations, (viii) Federal National Mortgage Association senior debt obligations and mortgage backed securities (excluded are stripped mortgage securities which are purchased at prices exceeding their principal amounts), (ix) unsecured certificates of deposit, time deposits and bankers' acceptances of any bank (including the Trustee and its affiliates) the short term obligations of which are rated "A 1" or better by S&P Global Ratings having an original maturity of not more than 360 days, (x) commercial paper (having original maturities of not more than 270 days) rated "A 1+" by S&P Global Ratings and "Prime 1" by Moody's at the time of purchase, (xi) evidence of ownership of proportionate interests in future interest and principal payments on obligations described above held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying government obligations are not available to any person claiming through the custodian or to whom the custodian may be obligated, (xii) deposits the aggregate amount of which are fully insured by the Federal Deposit Insurance Corporation (FDIC), including CDARS, (xiii) State and Municipal Obligations, which means (a) direct general obligations of any state of the United States of America or any subdivision or agency thereof to which is pledged the full faith and credit of a state the unsecured general obligation debt of which is rated in the two highest rating categories by S&P Global Ratings or Moody's at the time of purchase, or any obligation fully and unconditionally guaranteed by any state, subdivision or agency whose unsecured general obligation debt is so rated, (b) direct general short-term obligations of any state agency or subdivision or agency thereof described in (a) above and rated "A-1+" by S&P Global Ratings or "MIG-1" by Moody's at the time of purchase, (c) Special Revenue Bonds

Any income or interest realized upon any such investment shall be credited and any loss shall be charged to the Fund or Account from which the moneys were invested. Securities purchased with moneys from the Sinking Fund or the Rebate Fund shall mature prior to the time the moneys invested will be needed to pay the amounts which must be paid from such funds. Moneys in the Sinking Fund and Rebate Fund shall be invested without restriction as to yield during an applicable temporary period pending their use. Moneys in the Construction Fund after one (1) year of the date of issuance of the 2025 Bonds and the Operation and Reserve Fund after 30 days of the date of deposit shall be invested at a yield not exceeding the yield on the 2025 Bonds.

Covenants

The Building Corporation covenants, among other things that:

- (a) it has entered into a valid and binding lease of the mortgaged property to the School Corporation, and that a full, true and correct copy of the Lease is on file with the Trustee; that construction will begin promptly upon receipt by the Trustee of bond proceeds and that it will complete such construction with all expedition practicable in accordance with the plans and specifications referred to in the Lease;

- (c) it is duly authorized under the laws of the State of Indiana to create and issue the 2025 Bonds, to execute and deliver the Trust Indenture, and to mortgage and pledge the real estate and rentals and other income of the mortgaged property as provided in the Trust Indenture;
- (d) it will promptly make, execute, and deliver all indentures supplemental to the Trust Indenture and to take all action deemed advisable and necessary by the Trustee for the better securing of the 2025 Bonds;

- (j) the proceeds of the 2025 Bonds, any moneys received from lease rentals payable according to the Lease, amounts received from the investment of the proceeds of the 2025 Bonds or other amounts received shall not be invested in such manner which would cause the 2025 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code; and
- (k) in order to preserve the exclusion of interest on the 2025 Bonds from gross income for federal income tax purposes and as an inducement to purchasers of the 2025 Bonds, no proceeds thereof will be loaned to any entity or person, nor will they be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of such proceeds. Furthermore, the Building Corporation will, to the extent necessary to preserve the exclusion of interest on the 2025 Bonds from gross income for federal income tax purposes, rebate all required arbitrage profits on such proceeds or other moneys treated as such proceeds to the United States Government and will set aside such moneys in the Rebate Fund to be held by the Trustee in trust for such purposes. Additionally, the Building Corporation covenants that it will not take any action nor fail to take any action with respect to the 2025 Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the 2025 Bonds pursuant to Section 103 of the Code.

Insurance

The Building Corporation covenants that during construction of the Project it will carry or cause the School Corporation to carry the following kinds of risks insurance: (a) builders risk insurance in the amount of 100% of the insurable value of the mortgaged property against physical loss or damage, (b) business income coverage or other similar insurance providing "rental value" coverage and naming the Lessor as an additional insured, which such "rental value" coverage shall include limits in an amount at least sufficient to meet the payments for two (2) years of the net rent, impositions and other charges provided for in the Lease, and (c) bodily injury and property damage insurance for damages for bodily injury, including accidental death, as well as claims for property damages which may arise from such construction.

The Building Corporation further covenants that all contracts for the construction of the Project will or do require the contractor to carry such insurance as will protect the contractor from liability under the Indiana Worker's Compensation and Worker's Occupational Disease Act.

The Building Corporation covenants to carry or cause the School Corporation to carry the following kinds of insurance after completion of construction: (a) physical loss or damage insurance on the mortgaged property in the amount of the full replacement cost of the property; (b) business income coverage or other similar insurance providing "rental value" coverage and naming the Lessor as an additional insured. Such "rental value" coverage shall include limits in an amount at least sufficient to meet the payments for two

(2) years of the net rent, impositions and other charges provided for in the Lease, and (c) bodily injury and property damage insurance naming the Corporation as an insured against claims for damages for bodily injury, including accidental death, as well as claims for property damages with reference to the Leased Premises in an amount not less than Three Million Dollars (\$3,000,000) on account of each occurrence.

The proceeds of any insurance shall be applied by the Building Corporation to the repair, replacement or reconstruction of any damaged or destroyed property, if the cost of such repair, replacement or reconstruction does not exceed the proceeds of insurance. In addition, the Trustee may repair, replace, or reconstruct the mortgaged property if the Building Corporation fails to do so. If, at any time, the mortgaged property is totally or substantially destroyed, and the amount of insurance moneys received on account thereof by the Trustee is sufficient to redeem all of the outstanding 2025 Bonds, the Building Corporation with the written approval of the School Corporation may direct the Trustee to use said money for the purpose of calling for redemption all of the 2025 Bonds issued and then outstanding under the Trust Indenture at the then current redemption price.

Events of Default and Remedies

Events of default under the Trust Indenture include: failure to pay the principal of, or the redemption premiums, if any, on any of the 2025 Bonds; failure to pay interest on the 2025 Bonds as it becomes due and payable; occurrence of certain events of bankruptcy or insolvency of the Building Corporation; default in the performance or observance of any other of the covenants, agreements or conditions by the Building Corporation under the Trust Indenture and the continuance of such default for sixty (60) days after written notice; failure of the Building Corporation to bring suit to mandate the appropriate officials of the School Corporation to levy a tax to pay the rentals provided under the Lease; and nonpayment of the lease rental within 90 days of when due as provided under the Lease.

Upon the happening and continuance of any event of default, the Trustee may, and upon written request of the holders of twenty-five percent (25%) in principal amount of the 2025 Bonds then outstanding and upon being indemnified to its reasonable satisfaction shall, declare the principal amount of and interest accrued on all outstanding 2025 Bonds immediately due and payable; subject, however, to the rights of the holders of the majority in principal amount of all the outstanding 2025 Bonds to annul such declaration if all such events have been cured, all arrears of interest have been paid and all other indebtedness secured by the Trust Indenture except the principal and interest not then due has also been paid.

Upon the occurrence of one or more events of default, the Building Corporation, upon demand of the Trustee, shall forthwith surrender the possession of the property and the Trustee may take possession of all the mortgaged property and hold, operate and manage the same for the purpose of insuring payments on the 2025 Bonds until the event of default has been cured.

Upon the occurrence of one or more events of default, the Trustee may, and shall upon written request of the holders of at least twenty-five percent (25%) in principal amount of the 2025 Bonds then outstanding and upon being indemnified to its reasonable satisfaction, pursue any available remedy by suit at law or in equity, whether for specific performance of any covenant or agreement contained in the Trust Indenture or in aid of any power granted therein, or for any foreclosure of the Trust Indenture including, to the extent permitted by law, the appointment of a receiver.

Any sale made either under the Trust Indenture, to the extent permitted by law, or by judgment or decree in any judicial proceeding for foreclosure shall be conducted as required by the Trust Indenture. The proceeds of any such sale shall be applied to pay the costs and expenses of the sale or judicial proceedings pursuant to the sale, the expenses of the Trustee and the holders of the 2025 Bonds, with interest at the highest rate of interest on any of the 2025 Bonds when sold, and the payment of the installments of interest which are due and unpaid in the order of their maturity, next, if the principal of the 2025 Bonds is due, to the payment of the principal thereof and the accrued interest thereon pro rata. No holder of all of the 2025

Bonds shall have the right to institute any proceeding in law or in equity for the foreclosure of the Trust Indenture, the appointment of a receiver, or for any other remedy under the Trust Indenture without complying with the provisions of the Trust Indenture.

Supplemental Indentures

The Building Corporation and the Trustee may, without obtaining the approval of the holders of the 2025 Bonds, enter into supplemental indentures to cure any ambiguity or formal defect or omission in the Trust Indenture; or to grant to the Trustee for the benefit of such holders any additional rights, remedies, powers, authority or security that may be lawfully granted; or to provide for the issuance of additional parity bonds to finance (i) the payment of claims of contractors, subcontractors, materialmen or laborers or fees; (ii) the completion of construction; (iii) the payment of costs of improvements to the mortgaged property; and (iv) a partial refunding of the 2025 Bonds.

The holders of not less than 66-2/3% in aggregate principal amount of the 2025 Bonds then outstanding shall have the right, from time to time except when contrary to the Trust Indenture, to approve the execution by the Building Corporation and the Trustee of such supplemental indentures, except no supplemental indenture shall permit:

- (a) An extension of the maturity of the principal of or interest on any 2025 Bond;
- (b) A reduction in the principal amount of any 2025 Bond or the redemption premium or the rate of interest;
- (c) The creation of a lien upon the mortgaged property taking priority or on a parity with the lien created by the Trust Indenture;
- (d) A preference or priority of any 2025 Bond or 2025 Bonds over any other 2025 Bond or 2025 Bonds; or
- (e) A reduction in the aggregate principal amount of the 2025 Bonds required for consent to supplemental indentures.

If the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the bonds outstanding at the time of the execution of such supplemental indenture shall have consented to and approved the execution thereof as provided in the Trust Indenture, no owner of any bond shall have any right to object to the execution of such supplemental indenture or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Building Corporation from executing the same, or from taking any action pursuant to the provisions thereof.

Upon the execution of any supplemental indenture pursuant to the provisions of the Trust Indenture, the Trust Indenture shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under the Trust Indenture of the Building Corporation, the Trustee, and all owners of bonds then outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Possession Until Default, Defeasance, Payment, Release

Subject to the rights of the Trustee and the holders of the 2025 Bonds in the event of the occurrence and continuance of an event of default, the Building Corporation shall have the right of full possession, enjoyment and control of all the mortgaged property. While in possession of the mortgaged property, and while not in default under the Trust Indenture, the Building Corporation shall have the right at all times to

alter, change, add to, repair, or replace any of the property constituting a part of the mortgaged property so long as the value of the mortgaged property and the security of the 2025 Bonds shall not be substantially impaired or reduced. The Trustee may release any mortgaged property which has become unfit or unnecessary for use pursuant to the Trust Indenture. If new property is purchased or acquired in substitution for the mortgaged property so released, the new property shall become subject to the lien and the operation of the Trust Indenture. If no new property is purchased with the proceeds of any sale or mortgaged property within ninety (90) days after the receipt of the proceeds, the proceeds shall be deposited in the Operation and Reserve Fund.

The Building Corporation may pay and discharge the entire indebtedness on all 2025 Bonds outstanding:

- (a) by paying the whole amount of the principal and interest and the premium if any, due and payable upon all of the 2025 Bonds then outstanding; or
- (b) by depositing with the Trustee (i) sufficient money, (ii) direct obligations of the United States of America (the "Government Securities") or (iii) time certificates of deposit of a bank or banks secured as to both principal and interest by Government Securities in amounts sufficient to pay or redeem all 2025 Bonds outstanding.

If the whole amount of the principal, premium, if any, and interest so due and payable upon all of the 2025 Bonds then outstanding shall be paid or provision made for payment, then the right, title and interest of the Trustee shall thereupon cease, terminate and become void. Upon termination of the Trustee's title, the Trustee shall release the Trust Indenture and return to the Building Corporation any surplus in the Sinking Fund and Operation and Reserve Fund and any other funds other than moneys held for redemption or payment of 2025 Bonds.

SUMMARY OF THE LEASE

The following is a summary of certain provisions of the Lease, as amended, and does not purport to comprehensively describe that document in its entirety.

Acquisition and Construction of the Leased Premises

The Building Corporation is to cause the Leased Premises to be completed in accordance with the contract documents and the plans and specifications which have been prepared by or at the direction of the Building Corporation and approved by the School Corporation and applicable agencies. The plans and specifications may be changed at any time prior to the completion of the Leased Premises by mutual agreement of the Building Corporation and the School Corporation, except that such changes may not alter the character of the buildings or reduce the value thereof.

Lease Term and Rental

The Lease is extended by twenty-two (22) years from the date of the closing on the 2025 Bonds or the final maturity of the 2025 Bonds, whichever is the first to occur. By each rent payment date, the School Corporation is to pay the installment of rent due under the Lease. Each installment of rent is payable in advance for the following six-month period on June 30 and December 31, commencing on June 30, 2026, or on the date the Leased Premises are completed and ready for occupancy, whichever is later. The annual rent to be paid under the Lease is increased by \$2,400,000 per year, payable in equal semiannual installments. Completion of the Leased Premises is to be certified to the School Corporation by a representative of the Building Corporation pursuant to the Lease. The date the building is substantially completed and ready for occupancy shall be endorsed on the end of the Lease by the parties thereto as soon as can be done after the completion of the construction. The endorsement shall be recorded as an addendum to the Lease. The lease rental shall be reduced following the sale of the 2025 Bonds to an amount not less

than the multiple of \$1,000 next higher than the highest sum of principal and interest due on such bonds in each bond year ending on a bond maturity date plus \$5,000, payable in equal semiannual installments. Such amount of reduced annual rental shall be endorsed at the end of the Lease by the parties thereto as soon as can be done after the sale of the 2025 Bonds. The endorsement shall be recorded as an addendum to the Lease.

Maintenance and Modification

During the term of the Lease, the School Corporation is required to keep the Leased Premises in good repair and in good operating condition, ordinary wear and tear excepted. The School Corporation may, at its own expense and as part of the Leased Premises, make modifications of, additions and improvements to and substitutions for the Leased Premises, all of which become the property of the Building Corporation and are included as part of the Leased Premises under the terms of the Lease.

The School Corporation may, at its own expense, replace worn out or obsolete property and may install on the property on which the Leased Premises are situated personal property which is not an addition or improvement to, modification of or substitution for the Leased Premises, which will be the sole property of the School Corporation and in which the Building Corporation shall have no interest. The School Corporation may discard worn out or obsolete property and need not replace it. Equipment or other personal property which becomes worn out or obsolete may be discarded or sold by Lessee. The proceeds of the sale of any personal property shall be paid to the Trustee. Lessee may trade in any obsolete or worn out personal property or replacement property which replacement property will belong to Lessee upon payment to the Trustee of an amount equal to the trade-in value of such property. Lessee need not replace worn out or obsolete personal property, but may replace such property at its own expense, and the replacement property shall belong to Lessee.

Property and Liability Insurance

The School Corporation is required to carry at its own expense, property insurance on the Leased Premises against physical loss or damage to the Leased Premises, however caused, with such exceptions only as are ordinarily required by insurers of buildings or facilities of a similar type, in an amount equal to one hundred percent (100%) of the full replacement cost of the mortgaged property. Any property insurance policy shall be so written or endorsed as to make any losses payable to the Building Corporation or to such other person or persons as the Building Corporation under the Lease may designate.

During the full term of the Lease, the School Corporation is required to maintain rent or rental value insurance in an amount equal to the full rental value of the Leased Premises for a period of two years. The insurance will protect against physical losses or damages similar to those covered under the property insurance policy held by the School Corporation.

Damage or Destruction

If the Leased Premises are damaged or destroyed (in whole or in part) by fire, windstorm or other casualty at any time during the term of the Lease, the Building Corporation is to promptly repair, rebuild or restore the portion of the Leased Premises damaged or destroyed with such changes, alterations and modifications (including substitutions and additions) as may be designated by the School Corporation for administration and operation of the Leased Premises and as shall not impair the character and significance of the Leased Premises as furthering the purposes of the Code.

If the Leased Premises are totally or substantially destroyed and the amount of insurance money received is sufficient to redeem all of the outstanding 2025 Bonds and all such 2025 Bonds are then subject to redemption, the Building Corporation, with the written approval of the School Corporation, may direct the

Trustee to use net proceeds of insurance to call for redemption all of the 2025 Bonds then outstanding at the then current redemption price.

Rent Abatement and Rental Value Insurance

If the Leased Premises or a portion thereof are damaged or destroyed or is taken under the exercise of the power of eminent domain, the rent payable by the School Corporation shall be abated or reduced, provided there is rental value insurance in force as required by the Lease. The rent shall be totally abated during that portion of the Lease terms that the Leased Premises is totally unfit for use or occupancy. It shall be partially abated for the period and to the extent that the Leased Premises are partially unfit for use or occupancy in the same proportion that the floor area of the Leased Premises so unfit for use or occupancy bears to the total floor area of the Leased Premises.

Taxes and Utility Charges

The School Corporation is to pay, as further rent, taxes and assessments lawfully assessed or levied against or with respect to the Leased Premises or any personal property or fixtures installed or brought in or on the Leased Premises, and all utility and other charges for or incurred in connection with the Leased Premises. The School Corporation may, at its own expense, in good faith contest any such taxes and assessments. The School Corporation shall also pay as additional rent, any amount required by the Building Corporation to rebate to the United States Government to prevent the Building Corporation's bonds from becoming arbitrage bonds.

Events of Default

The Lease provides that either of the following constitutes an "event of default" under the Lease:

- (a) Failure to pay any rentals or other sums payable to the Building Corporation under the Lease, or failure to pay any other sum therein required to be paid to the Building Corporation; or
- (b) Failure to observe any other covenant, agreement or condition under the Lease, and such default shall continue for sixty (60) days after written notice to correct the same.

Remedies

On the occurrence of an event of default under the Lease, the Trustee may proceed to protect and enforce its rights by suit or suits in equity or at law in any court of competent jurisdiction, whether for specific performance or any covenant or agreement contained therein, or for the enforcement of any other appropriate legal or equitable remedy; file a claim with the Treasurer of the State of Indiana for an amount equal to an amount in default, and may authorize or delegate the authority to file such claim; or the Building Corporation, at its option, without further notice, may terminate the estate and interest of the School Corporation thereunder, and it shall be lawful for the Building Corporation forthwith to resume possession of the Leased Premises and the School Corporation covenants to surrender the same forthwith upon demand. The exercise by the Building Corporation of the right to terminate the Lease shall not release the School Corporation from the performance of any obligation thereof maturing prior to the Building Corporation's actual entry into possession. No waiver by the Building Corporation of any right to terminate the Leases upon any default shall operate to waive such right upon the same or other default subsequently occurring.

The School Corporation may not assign the Lease or sublet the Leased Premises without the written consent of the Building Corporation. In the Lease, the School Corporation has covenanted to use and maintain the Leased Premises in accordance with the laws and ordinances of the United States of America, the State of Indiana, and all other proper governmental authorities. The School Corporation has also covenanted that it

will not enter into any lease, management contract or other contractual arrangement which would allow the use of the Leased Premises by a nongovernmental person which would have the effect of making the Building Corporation's bonds private activity bonds under Section 141 of the Internal Revenue Code of 1986.

Option to Purchase

The School Corporation has the option to purchase the Leased Premises on any rental payment date at a price which is sufficient to allow the Building Corporation to liquidate by paying or providing for the payment in full of the then outstanding bonds pursuant to the redemption provisions.

Option to Renew

The School Corporation has an option to renew the Lease for a further like or lesser term upon the same terms and conditions provided in the Lease.

TAX MATTERS

In the opinion of Ice Miller LLP, Indianapolis, Indiana ("Bond Counsel") under existing laws, regulations, judicial decisions and rulings, interest on the 2025 Bonds is excludable from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the 2025 Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. This opinion is conditioned on continuing compliance by the Issuer with the Tax Covenants (hereinafter defined). Failure to comply with the Tax Covenants could cause interest on the 2025 Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to the date of issue. In the opinion of Bond Counsel, under existing laws, regulations, judicial decisions and rulings, interest on the 2025 Bonds is exempt from income taxation in the State of Indiana (the "State"). This opinion relates only to the exemption of interest on the 2025 Bonds for State income tax purposes. See Appendix C for the form of opinion of Bond Counsel.

The Code imposes certain requirements which must be met subsequent to the issuance of the 2025 Bonds as a condition to the exclusion from gross income of interest on the 2025 Bonds for federal income tax purposes. The Issuer will covenant not to take any action, within its power and control, nor fail to take any action with respect to the 2025 Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the 2025 Bonds pursuant to Section 103 of the Code (collectively, the "Tax Covenants"). The Trust Indenture and certain certificates and agreements to be delivered on the date of delivery of the 2025 Bonds establish procedures under which compliance with the requirements of the Code can be met. It is not an event of default under the Trust Indenture if interest on the 2025 Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not in effect on the issue date of the 2025 Bonds.

Indiana Code § 6-5.5 imposes a franchise tax on certain taxpayers (as defined in Indiana Code § 6-5.5) which, in general, include all corporations which are transacting the business of a financial institution in Indiana. The franchise tax will be measured in part by interest excluded from gross income under Section 103 of the Code minus associated expenses disallowed under Section 265 of the Code. Taxpayers should consult their own tax advisors regarding the impact of this legislation on their ownership of the 2025 Bonds.

Although Bond Counsel will render an opinion in the form attached as Appendix C hereto, the accrual or receipt of interest on the 2025 Bonds may otherwise affect a bondholder's federal income tax or state tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and a bondholder's other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, individuals, financial institutions, certain

insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the 2025 Bonds. Bond Counsel expresses no opinion regarding any other such tax consequences. Prospective purchasers of the 2025 Bonds should consult their own tax advisors with regard to the other tax consequences of owning the 2025 Bonds.

Under existing laws, judicial decisions, regulations and rulings, the bonds have been designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code relating to the exception from the 100% disallowance of the deduction for interest expense allocable to interest on tax-exempt obligations acquired by financial institutions. The designation is conditioned on continuing compliance with the Tax Covenants.

ORIGINAL ISSUE DISCOUNT

The initial public offering price of the 2025 Bonds maturing on _____ (collectively, the "Discount Bonds") is less than the principal amount payable at maturity. As a result the Discount Bonds will be considered to be issued with original issue discount. A taxpayer who purchases a Discount Bond in the initial public offering at the price listed on the cover page hereof (assuming a substantial amount of such Discount Bond was sold at such price) and who holds such Discount Bond to maturity may treat the full amount of original issue discount as interest which is excludable from the gross income of the owner of that Discount Bond for federal income tax purposes and will not, under present federal income tax law, realize taxable capital gain upon payment of the Discount Bond at maturity.

The original issue discount on each of the Discount Bonds is treated as accruing daily over the term of such Bond on the basis of the yield to maturity determined on the basis of compounding at the end of each six-month period (or shorter period from the date of the original issue) ending on January 15 and July 15 (with straight line interpolation between compounding dates).

Section 1288 of the Code provides, with respect to tax-exempt obligations such as the Discount Bonds, that the amount of original issue discount accruing each period will be added to the owner's tax basis for the Discount Bonds. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Discount Bonds (including sale, redemption or payment at maturity). Owners of Discount Bonds who dispose of Discount Bonds prior to maturity should consult their tax advisors concerning the amount of original issue discount accrued over the period held and the amount of taxable gain or loss upon the sale or other disposition of such Discount Bonds prior to maturity.

As described above in "TAX MATTERS," the original issue discount that accrues in each year to an owner of a Discount Bond may result in certain collateral federal income tax consequences. Owners of any Discount Bonds should be aware that the accrual of original issue discount in each year may result in a tax liability from these collateral tax consequences even though the owners of such Discount Bonds will not receive a corresponding cash payment until a later year.

Owners who purchase Discount Bonds in the initial public offering but at a price different from the prices listed on the cover page hereof should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

The Code contains certain provisions relating to the accrual of original issue discount in the case of subsequent purchasers of bonds such as the Discount Bonds. Owners who do not purchase Discount Bonds in the initial public offering should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

Owners of Discount Bonds should consult their own tax advisors with respect to the state and local tax consequences of owning the Discount Bonds. It is possible under the applicable provisions governing the

determination of state or local income taxes that accrued interest on the Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment until a later year.

AMORTIZABLE BOND PREMIUM

The initial public offering price of the 2025 Bonds maturing on _____ (collectively, the "Premium Bonds"), is greater than the principal amount payable at maturity. As a result, the Premium Bonds will be considered to be issued with amortizable bond premium (the "Bond Premium"). An owner who acquires a Premium Bond in the initial public offering of the 2025 Bonds will be required to adjust the owner's basis in the Premium Bond downward as a result of the Bond Premium, pursuant to Section 1016(a)(5) of the Code. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Premium Bonds, including sale, redemption or payment at maturity. The amount of amortizable Bond Premium will be computed on the basis of the taxpayer's yield to maturity, with compounding at the end of each accrual period. Rules for determining (i) the amount of amortizable Bond Premium and (ii) the amount amortizable in a particular year are set forth in Section 171(b) of the Code. No income tax deduction for the amount of amortizable Bond Premium will be allowed pursuant to Section 171(a)(2) of the Code, but amortization of Bond Premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining other tax consequences of owning Premium Bonds. Owners of the 2025 Bonds should consult their tax advisors with respect to the precise determination for federal income tax purposes of the treatment of Bond Premium upon the sale or other disposition of such Premium Bonds and with respect to the state and local tax consequences of owning and disposing of the Premium Bonds.

Special rules governing the treatment of Bond Premium, which are applicable to dealers in tax-exempt securities, are found in Section 75 of the Code. Dealers in tax-exempt securities are urged to consult their tax advisors concerning the treatment of Bond Premium.

PUBLIC HEALTH EMERGENCIES

Regional, national or global public health emergencies, such as the outbreak of the novel coronavirus ("COVID-19" or the "Pandemic"), could have materially adverse regional, national or global economic and social impacts causing, among other things, the promulgation of local or state orders limiting certain activities, extreme fluctuations in financial markets and contraction in available liquidity, prohibitions of gatherings and public meetings in such places as entertainment venues extensive job losses and declines in business activity across important sectors of the economy, impacts on supply chain and availability of resources, declines in business and consumer confidence that negatively impact economic conditions or cause an economic recession. The Issuer cannot predict the extent to which its operations or financial condition may decline nor the amount of increased costs, if any, that may be incurred by the Issuer associated with operating during any public health emergencies, including, but not limited to, the amount of (1) costs to clean, sanitize and maintain its facilities, (2) costs to hire substitute employees, (3) costs to acquire supporting goods and services, or (4) costs to operate remotely and support the employees of the Issuer. Accordingly, the Issuer cannot predict the effect any public health emergencies will have on the finances or operations of the Issuer or whether any such effects will have a material adverse effect on the ability to support payment of debt service on the 2025 Bonds.

The School Corporation has applied for available state and federal assistance in the form of CARES Act, FEMA Funds and ESSER Funds and has received state and federal dollars for costs related to the Pandemic.

CYBERSECURITY

Like other local and state governments, the School Corporation may occasionally be a target for cyberattacks. To date, the School Corporation has not been a target.

LEGAL OPINIONS AND ENFORCEABILITY OF REMEDIES

The various legal opinions to be delivered concurrently with the delivery of the 2025 Bonds express the professional judgment of the attorneys rendering the opinions on the legal issues explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

The remedies available to the bondholders upon a default under the Trust Indenture, or to the Corporation under the Lease, are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the federal bankruptcy code), the remedies provided in the Trust Indenture and the Lease may not be readily available or may be limited. Under federal and State environmental laws certain liens may be imposed on property of the Corporation from time to time, but the Corporation has no reason to believe, under existing law, that any such lien would have priority over the lien on the property taxes pledged to the owners of the 2025 Bonds.

The various legal opinions to be delivered concurrently with the delivery of the 2025 Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State of Indiana and the United States of America and bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

These exceptions would encompass any exercise of federal, State or local police powers (including the police powers of the School Corporation), in a manner consistent with the public health and welfare. Enforceability of the Trust Indenture and the Lease in a situation where such enforcement may adversely affect public health and welfare may be subject to these police powers.

CONTINUING DISCLOSURE

Pursuant to continuing disclosure requirements promulgated by the Securities and Exchange Commission ("SEC") in SEC Rule 15c2-12, as amended (the "SEC Rule"), the School Corporation has entered into a Master Continuing Disclosure Undertaking dated October 26, 2021, as supplemented by a First Supplement to Master Continuing Disclosure Undertaking (collectively, the "Original Undertaking"). In connection with the issuance of the Bonds, the School Corporation will enter into a Second Supplement to the Original Undertaking (the "Supplement" and together with the Original Undertaking, the "Undertaking"). Pursuant to the terms of the Undertaking, the School Corporation agrees to provide the information detailed in the Undertaking, the form of which is attached hereto as Appendix D.

The School Corporation may, from time to time, amend or modify the Undertaking without the consent of or notice to the owners of the 2025 Bonds if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the School Corporation, or type of business conducted; (ii) the Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date of execution of the Undertaking, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances; and (iii) such amendment or

modification does not materially impair the interests of the holders of the 2025 Bonds, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the 2025 Bonds pursuant to the terms of the Trust Indenture at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds the Undertaking) is permitted by the SEC Rule, then in effect.

The School Corporation may, at its sole discretion, utilize an agent in connection with the dissemination of any annual financial information required to be provided by the School Corporation pursuant to the terms of the Undertaking.

The purpose of the Undertaking is to enable the Underwriter to purchase the 2025 Bonds by providing for an undertaking by the School Corporation in satisfaction of the SEC Rule. The Undertaking is solely for the benefit of the owners of the 2025 Bonds and creates no new contractual or other rights for the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other obligated persons or any other third party. The sole remedy against the School Corporation for any failure to carry out any provision of the Undertaking shall be for specific performance of the School Corporation's disclosure obligations under the Undertaking and not for money damages of any kind or in any amount or any other remedy. The School Corporation's failure to honor its covenants under the Undertaking shall not constitute a breach or default of the 2025 Bonds or any other agreement.

In order to assist the Underwriter in complying with the Underwriter's obligations pursuant to SEC Rule, the School Corporation represents that it has conducted or caused to be conducted what it believes to be a reasonable review of the School Corporation's compliance with its existing continuing disclosure obligations. Based upon such review, the School Corporation is not aware of any instances in the previous five years in which the School Corporation has failed to comply with any material respects with its previous undertaking agreements. The School Corporation has contracted with Ice Miller LLP as the dissemination agent to assist with future compliance filings.

The Underwriter may offer and sell the 2025 Bonds to certain dealers (including dealers depositing the 2025 Bonds into unit investment trusts, certain of which may be sponsored or managed by the Underwriter) at prices lower than the initial public offering prices stated on the inside cover page. The initial public offering prices of the 2025 Bonds may be changed, from time to time, by the Underwriter.

Stifel and its affiliates comprise a full-service financial institution engaged in activities which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. In the ordinary course of these business activities, Stifel and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the School Corporation and the Building Corporation

(directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the School Corporation and the Building Corporation.

Stifel and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. Such investment and securities activities may involve securities and instruments of the School Corporation and the Building Corporation.

RATING

S&P Global, a business unit of Standard & Poor's Financial Services LLC, New York, New York ("S&P"), has assigned a rating of "AA+" to the 2025 Bonds based upon the Indiana State Intercept Program (see "INTERCEPT PROGRAM" above) (the "Programmatic Rating Program"). Standard & Poor's has assigned an Issuer Credit rating of "A" with a negative outlook. Such ratings reflect only the view of Standard & Poor's and any explanation of the significance of such ratings may be obtained from Standard & Poor's.

Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance that any rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency if in the judgment of such rating agency circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the 2025 Bonds. No other ratings have been applied for.

Such ratings are not to be construed as a recommendation of the rating agency to buy, sell or hold the 2025 Bonds, and the rating assigned by any rating agency should be evaluated independently. Except as may be required by the undertaking described under the heading "CONTINUING DISCLOSURE," the form of which is attached hereto as Appendix D, none of the Building Corporation, the School Corporation or the Underwriter undertakes responsibility to bring to the attention of the owners of the 2025 Bonds any proposed change in or withdrawal of such ratings or to oppose any such revision or withdrawal.

Net Assessed Valuation

Annual net assessed valuation totals of the School Corporation are shown below. In Indiana, statutory provisions for assessment of land, improvements, and personal property specify true tax value as assessed valuation. Criteria for determination of true tax value are established by the Indiana Department of Local Government Finance. Assessed valuation is reduced by various exemptions for homesteads, mortgages, and abatements.

<u>Tax Payment Year</u>	<u>Net Assessed Valuation</u>
2020	353,254,862
2021	359,018,912
2022	357,576,970
2023	394,339,940
2024	425,132,139
2025	447,036,854
2026	546,240,968

Note: In March 2016, the Indiana General Assembly passed legislation which revises the factors used to calculate the assessed value of agricultural land. This legislation is retroactive to the January 1, 2016, assessment date and applies to each assessment date thereafter. The revised factors enacted in the legislation may reduce the total assessed value of agricultural land, which will shift property tax liability from agricultural property owners to other property owners. In addition, the reduction in the assessed value of agricultural land will result in a reduction of the total assessed value allocated to a School Corporation. Lower assessed values allocated to a School Corporation may result in higher tax rates in order for a School Corporation to receive its approved property tax levy. See "PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION" herein.

The Gross Assessed Valuation of the School Corporation for the property assessed in 2025 and taxes paid in 2026 is \$775,719,200.

- (1) Effective with property taxes payable in 2010, property taxes for residential homesteads are limited to 1.0% of the gross assessed value of the homestead; property taxes for agricultural, other residential property and long-term care facilities are limited to 2.0% of their gross assessed value; and property taxes for all other real and personal property are limited to 3.0% of gross assessed value. Additional property tax limits have been made available to certain senior citizens. School corporations are authorized to impose a referendum tax levy to replace property tax revenue that the school corporation will not receive due to the Circuit Breaker Tax Credit. Other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit.

Collections shown include present and prior year property tax levies, along with penalties and interest on prior year delinquencies. Excluded are receipts from automobile excise taxes and financial institution (intangibles) taxes.

Indiana statutes and practices make it difficult to evade property tax liabilities. Penalty and interest charges are assessed, and property may be seized and sold to satisfy liens. Taxes due each year are due in two installments, May and November.

Additionally, the School Corporation continues to monitor the needs of the School Corporation and may consider future borrowings when deemed appropriate.

Pension and Post Employment Obligations

All employees of the School Corporation are covered under the federal Social Security Act. The School Corporation's employer contribution for employees payable from School Corporation's funds, including the Education Fund and Operation Fund, was \$696,878, \$775,010, and 1,141,043 for calendar years ended December 31, 2022, 2023, and 2024, respectively. The anticipated employer contribution for the calendar year ending December 31, 2025 is \$879,222.

Public Employees' Retirement Fund Plan Description

All full-time non-certified employees of the School Corporation are covered under the Public Employees Retirement Fund of Indiana ("PERF"). PERF consists of: (i) a defined benefit contribution plan, and (ii) a defined contribution plan. Based on census data as of July 1, 2022, there were approximately 119,398 total PERF active members statewide making contributions.

The INPRS Board sets, at its discretion, the applicable employer contribution rates upon considering their results of the actuarial valuation and other analysis as appropriate. The School Corporation currently contributes at a rate of 11.2% of earned salary or compensation. Employees are required to contribute 3% of their compensation to wages to fund the defined contribution portion of the PERF; however, employers may "pick up" the employee contributions. The School Corporation makes the 3% contribution on behalf of its employees.

The School Corporation's total contributions to PERF for the fiscal years ended June 30, 2022, 2023 and 2024 were \$218,705, \$219,350, and \$246,828, respectively. The anticipated contribution for the fiscal year ending June 30, 2025 is \$256,209.

According to the latest actuarial valuation, as of June 30, 2023, the actuarial accrued liability for PERF was \$18,415 million and the actuarial value of assets was \$15,735 million, resulting in an unfunded accrued liability of \$2,680 million and a funded ratio of 85.4%.

Teachers' Retirement Fund Plan Description

All present and retired certificated employees of the School Corporation are covered under the Indiana State Teachers' Retirement Fund (the "Fund"). The Fund is comprised of two accounts: (i) the Pre-1996 Account consisting of members hired prior to July 1, 1995, and (ii) the 1996 Account consisting of members hired on or after July 1, 1995 or certain employees hired before July 1, 1995 that were either hired by another covered employer or re-hired by a covered prior employer before June 30, 2005.

The Pre-1996 Account is a cost-sharing multiple-employer defined benefit plan with the State being the lone non-employer contributing entity. The State is responsible for 100% of the contributions to the Pre-1996 Account. Based on census data as of June 30, 2022, there were 6,287 active Pre-1996 accounts state-wide. The 1996 Account is a cost-sharing multiple-employer defined benefit plan with no non-employer contributing entities. The employers (i.e., the school corporations) are responsible for 100% of the contributions to the 1996 Account. Based on census data as of June 30, 2022, there were 60,057 active 1996 accounts state-wide.

The defined benefits payable from the Pre-1996 Account are funded by State appropriations (including approximately \$30 million per year from the State Lottery). Historically, the benefits have been funded on a pay-as-you-go basis. During the Fiscal Year ending June 30, 2023, additional contributions of \$2.5 billion and \$700 million were made to the Pre-1996. All active members in the Pre-1996 are required by State law to contribute 3% of their salary to their Annuity Savings Account ("ASA"), a separate lump sum account benefit. These 3% contributions are generally "picked up" by the employers and contributed on a pre-tax basis on behalf of the employee. The School Corporation makes the 3% contribution on behalf of its employees.

The defined benefits payable from the 1996 Account are funded by contributions from the individual employers. The Indiana Public Retirement System ("INPRS") Board of Trustees establishes a contribution rate, based on several

factors including the annual actuarial valuation. Each employer is then contractually required to pay that contribution rate. For the fiscal year ended June 30, 2023, employers were required to contribute 6% of their active participant payroll to the defined benefit plan, and such rate continued to apply through June 30, 2024. All members of the 1996 Account are required to contribute 3% of their annual wages to fund the defined contribution portion of the 1996 Account. Employers may choose to make this contribution on behalf of its employees, and the School Corporation does so. An increase of the contribution rate to 6.5% is effective January 1, 2025 to December 30, 2025.

The School Corporation's total contributions to the Fund for the calendar years ended June 30, 2022, 2023 and 2024 were \$605,260, \$732,861, and \$700,188, respectively. The anticipated contribution for the calendar year ending June 30, 2025 is \$768,728.

According to the latest actuarial valuation, as of June 30, 2023, the actuarial accrued liability for the Pre-1996 Account was \$13,703 million and the actuarial value of assets was \$8,717 million, resulting in an unfunded accrued liability of \$4,986 million and a funded ratio of 63.61%. As of June 30, 2023, the actuarial accrued liability for the 1996 Account was \$8,833 million and the actuarial value of assets was \$8,177 million, resulting in an unfunded accrued liability of \$0.656 million and a funded ratio of 92.58%.

Governance

The Fund and PERF were created and operate pursuant to statutes of the State. The Indiana General Assembly could determine to amend the format and could impose or revise rates of contributions to be made by the School Corporation and revise benefits or benefit levels.

The Fund and PERF are administered and managed by the Indiana Public Retirement System ("INPRS"). INPRS is governed by a nine-member board of trustees. INPRS issues publicly available financial reports and actuarial valuation reports that include financial statements and required supplementary information. Those reports may be viewed at the INPRS's website, as follows:

Other Postemployment Benefits

The following are other postemployment benefits offered:

- One percent (1%) of the certified employee's salary and four percent (4%) of an administrator's salary goes into a 401(1). The School Corporation contributes an additional 0.75% of the certified employee's salary if the certified (non-administrative) employee contributes to their own 403(b).
- In calendar years 2022 and 2023, this amount was \$124,350 and \$165,369 respectively.
- If an employee was hired before 2001 and they retire before the full social security age, they will receive \$4,467 multiplied by the number of years until they reach the non-reduced social security age (up to a max of seven (7) years). For employees hired after 2001, the 401(a) contributions took the place of this benefit. In calendar years 2022 and 2023, this amount was \$12,597 and \$59,081 respectively.
- Employees are able to remain on the School Corporation's group health insurance. The School Corporation contributes \$4,000 per year to their insurance until they reach Medicare age. In calendar years 2022 and 2023, this amount was \$24,000 and \$24,000, respectively.

- Teachers who retire are paid \$60/day for unused sick days up to 130 days. In calendar years 2022 and 2023, this amount was \$1,843 and \$1,843 respectively.
- Administrators that retire are paid \$96/day for unused sick days up to 200. In calendar years 2022 and 2023, this amount was \$0.00 and \$8,820 respectively.

FORM OF BOND COUNSEL OPINION

_____, 2025

Stifel, Nicolaus & Company, Incorporated
Indianapolis, Indiana

Re: Peru Multi-School Building Corporation
Ad Valorem Property Tax First Mortgage Bonds, Series 2025
Total Issue: \$ _____
Original Date: December ___, 2025

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by Peru Multi-School Building Corporation (the "Issuer") of \$ _____ of Ad Valorem Property Tax First Mortgage Bonds, Series 2025 dated as of _____ 2025 (the "Bonds"), pursuant to Indiana Code § 20-47-3 (the "Act") and a Trust Indenture (the "Indenture") between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), dated as of November 1, 2025. We have examined the law and the certified transcript of proceedings of the Issuer and the Peru Community School Corporation (the "School Corporation") relative to the authorization, issuance and sale of the Bonds and such other papers as we deem necessary to render these opinions. We have relied upon the certified transcript of proceedings and certificates of public officials, including the Issuer's and the School Corporation's tax covenants and representations ("Tax Representations"), and we have not undertaken to verify any facts by independent investigation.

We have also relied upon a commitment for title insurance as to title to the real estate described in the Indenture.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Preliminary Official Statement dated _____, 2025, or the Final Official Statement dated _____, 2025 (collectively, the "Official Statement") or any other offering material relating to the Bonds, and we express no opinion relating thereto.

Based on our examination, we are of the opinion, as of the date hereof, as follows:

The Lease Agreement (the "Lease") between the Issuer, as lessor, and the School Corporation, as lessee, executed as of October 20, 2025, and with a term of twenty-two (22) years, has been duly entered into in accordance with the provisions of the Act, and is a valid and binding Lease. All taxable property in the School Corporation is subject to ad valorem taxation to pay the Lease rentals; however, the School Corporation's collection of the levy may be limited by operation of Indiana Code § 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School

Corporation is required by law to fully fund the payment of its Lease rentals in an amount sufficient to pay the Lease rentals, regardless of any reduction in property tax collections due to the application of such tax credits. Pursuant to the Lease, the School Corporation is required by law annually to pay the lease rental payments during renovation of the leased premises beginning June 30, 2026, through completion of the renovations, and the full lease rental payments which commence with the later of completion of renovation and improvements to the leased premises or December 31, 2028.

The Issuer has duly authorized, sold, executed and delivered the Bonds and has duly authorized and executed the Indenture securing the same, and the Indenture has been duly recorded. The Bonds are the valid and binding obligations of the Issuer secured by a mortgage on the property described in the Indenture. Any foreclosure of the mortgage would, if the School Corporation is not in default in the payment of rentals as provided in the Lease, be subject to the rights of the School Corporation under the Lease.

Under statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is exempt from income taxation in the State of Indiana (the "State"). This opinion relates only to the exemption of interest on the Bonds from State income taxation.

Under federal statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is excludable from gross income of the owners for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code") and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest on the Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. This opinion is conditioned upon compliance by the Issuer and the School Corporation subsequent to the date hereof with the Tax Representations. Failure to comply with the Tax Representations could cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to their date of issuance.

It is to be understood that the rights of the registered owners of the Bonds and the enforceability of the Bonds and the Indenture, as well as the rights of the Issuer, the School Corporation and the Trustee and the enforceability of the Lease may be subject to (i) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of law and equity; and (ii) the valid exercise of the constitutional powers of the State and the United States of America.

Very truly yours,

(b) If any Annual Information or Audited Information relating to the Obligor referred to in paragraph (a) of this Section 4 no longer can be provided because the operations to which they relate have been materially changed or discontinued, a statement to that effect, provided by the Obligor to the MSRB, along with any other Annual Information or Audited Information required to be provided under this Master Undertaking, shall satisfy the undertaking to provide such Annual Information or Audited Information. To the extent available, the Obligor shall cause to be filed along with the other Annual Information or Audited Information operating data similar to that which can no longer be provided.

(c) The disclosure may be accompanied by a certificate of an authorized representative of the Obligor in the form of Exhibit B attached hereto.

(d) The Obligor agrees to make a good faith effort to obtain Annual Information and Audited Information. However, failure to provide any component of Annual Information and Audited Information, because it is not available to the Obligor on the date by which Annual Information is required to be provided hereunder, shall not be deemed to be a breach of this Master Undertaking. The Obligor further agrees to supplement the Annual Information or Audited Information filing when such data is available.

(e) Annual Information or Audited Information required to be provided pursuant to this Section 4 may be provided by a specific reference to such Annual Information or Audited Information already prepared and previously provided to the MSRB. (f) All continuing disclosure filings under this Master Undertaking shall be made in accordance with the terms and requirements of the MSRB at the time of such filing. As of the date of this Master Undertaking, the SEC has approved the submission of continuing disclosure filings on EMMA, and the MSRB has requested that such filings be made by transmitting such filings electronically to EMMA currently found at www.emma.msrb.org.

Section 5. Accounting Principles. The Annual Information will be prepared on a cash basis as prescribed by the State Board of Accounts, as in effect from time to time, as described in the auditors' report and notes accompanying the audited financial statements of the Obligor or those mandated by state law from time to time. The Audited Information of the Obligor, as described in Section 4(a)(1) hereof, will be prepared in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.

Section 6. Reportable Events. The Obligor undertakes to disclose the following events within 10 business days of the occurrence of any of the following events, if material (which determination of materiality shall be made by the Obligor in accordance with the standards established by federal securities laws), to the MSRB, in each case (i) in an electronic format as

prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) non-payment related defaults;
- (2) modifications to rights of Holders;
- (3) bond calls;
- (4) release, substitution or sale of property securing repayment of the Obligations;
- (5) the consummation of a merger, consolidation, or acquisition, or certain asset sales, involving the obligated person, or entry into or termination of a definitive agreement relating to the foregoing; and
- (6) appointment of a successor or additional trustee or the change of name of a trustee.

The Obligor undertakes to disclose the following events, within 10 business days of the occurrence of any of the following events, regardless of materiality, to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) principal and interest payment delinquencies;
- (2) unscheduled draws on debt service reserves reflecting financial difficulties;
- (3) unscheduled draws on credit enhancements reflecting financial difficulties;
- (4) substitution of credit or liquidity providers, or their failure to perform;
- (5) defeasances;
- (6) rating changes;
- (7) adverse tax opinions or events affecting the status of the Obligations, the issuance by the IRS of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material events, notices or determinations with respect to the tax status of the Obligations;
- (8) tender offers; and
- (9) bankruptcy, insolvency, receivership or similar event of the obligated person.

The disclosure may be accompanied by a certificate of an authorized representative of the Obligor in the form of Exhibit C attached hereto.

Section 7. Use of Agent. The Obligor may, at its sole discretion, utilize an agent (the "Dissemination Agent") in connection with the dissemination of any information required to be provided by the Obligor pursuant to the SEC Rule and the terms of this Master Undertaking. If a Dissemination Agent is selected for these purposes, the Obligor shall provide prior written notice thereof (as well as notice of replacement or dismissal of such agent) to EMMA, and the MSRB.

Further, the Obligor may, at its sole discretion, retain counsel or others with expertise in securities matters for the purpose of assisting the Obligor in making judgments with respect to the scope of its obligations hereunder and compliance therewith, all in order to further the purposes of this Master Undertaking.

Section 8. Failure to Disclose. If, for any reason, the Obligor fails to provide the Audited Information or Annual Information as required by this Master Undertaking, the Obligor

shall provide notice of such failure in a timely manner to EMMA or to the MSRB, in the form of the notice attached as Exhibit D.

Section 9. Remedies. (a) The purpose of this Master Undertaking is to enable the Underwriters to purchase the Obligations by providing for an undertaking by the Obligor in satisfaction of the SEC Rule. This Master Undertaking is solely for the benefit of (i) the Underwriters, and (ii) the Holders, and creates no new contractual or other rights for, nor can it be relied upon by, the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other Obligated Persons or any other third party. The sole remedy against the Obligor for any failure to carry out any provision of this Master Undertaking shall be for specific performance of the Obligor's disclosure obligations hereunder and not for money damages of any kind or in any amount or for any other remedy. The Obligor's failure to honor its covenants hereunder shall not constitute a breach or default of the Obligations or any other agreement to which the Obligor is a party and shall not give rise to any other rights or remedies.

(b) Subject to paragraph (e) of this Section 9, in the event the Obligor fails to provide any information required of it by the terms of this Master Undertaking, any holder of Obligations may pursue the remedy set forth in the preceding paragraph in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such person is a holder of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue this remedy.

(c) Subject to paragraph (e) of this Section 9, any challenge to the adequacy of the information provided by the Obligor by the terms of this Master Undertaking may be pursued only by holders of not less than 25% in principal amount of Obligations then outstanding in any court of competent jurisdiction in the State of Indiana. An affidavit to the effect that such persons are holders of Obligations supported by reasonable documentation of such claim shall be sufficient to evidence standing to pursue the remedy set forth in the preceding paragraph.

(d) If specific performance is granted by any such court, the party seeking such remedy shall be entitled to payment of costs by the Obligor and to reimbursement by the Obligor of reasonable fees and expenses of attorneys incurred in the pursuit of such claim. If specific performance is not granted by any such court, the Obligor shall be entitled to payment of costs by the party seeking such remedy and to reimbursement by such party of reasonable fees and expenses of attorneys incurred in the pursuit of such claim.

(e) Prior to pursuing any remedy for any breach of any obligation under this Master Undertaking, a holder of Obligations shall give notice to the Obligor and the respective issuer of each obligation, by registered or certified mail, of such breach and its intent to pursue such remedy. Thirty (30) days after the receipt of such notice, upon earlier response from the Obligor to this notice indicating continued noncompliance, such remedy may be pursued under this Master Undertaking if and to the extent the Obligor has failed to cure such breach.

Section 10. Additional Information. Nothing in this Master Undertaking shall be deemed to prevent the Obligor from disseminating any other information, using the means of dissemination set forth in this Master Undertaking or any other means of communication, or

including any other information in any Annual Information or notice of occurrence of a reportable event, in addition to that which is required by this Master Undertaking.

Section 11. Modification of Master Undertaking. The Obligor may, from time to time, amend or modify this Master Undertaking without the consent of or notice to the holders of the Obligations if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law (including but not limited to a change in law which requires a change in the Obligor's policies or accounting practices) or change in the identity, nature or status of the Obligor, or type of business conducted, (ii) this Master Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule on the date hereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendment or modification does not materially impair the interests of the holders of the Obligations, as determined either by (A) nationally recognized bond counsel or (B) an approving vote of the holders of the Obligations pursuant to the terms of any Trust Indenture at the time of such amendment or modification; or (b) such amendment or modification (including an amendment or modification which rescinds this Master Undertaking) is otherwise permitted by the SEC Rule, as then in effect.

Section 12. Interpretation Under Indiana Law. It is the intention of the parties hereto that this Master Undertaking and the rights and obligations of the parties hereunder shall be governed by, and construed and enforced in accordance with, the law of the State of Indiana.

Section 13. Severability Clause. In case any provision in this Master Undertaking shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14. Successors and Assigns. All covenants and agreements in this Master Undertaking made by the Obligor shall bind its successors, whether so expressed or not.

IN WITNESS WHEREOF, the Obligor has caused this Master Undertaking to be executed as of the day and year first hereinabove written.

FIRST AMENDMENT TO MASTER CONTINUING DISCLOSURE UNDERTAKING

This First Amendment to Master Continuing Disclosure Undertaking, dated as of December 3, 2020 (the "Amendment") amends the Master Continuing Disclosure Undertaking dated as of December 1, 2016 (the "Original Undertaking"). The Amendment is being entered into by the Peru Community School Corporation (the "Obligor") for the purpose of incorporating changes to the Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "SEC Rule") as described in the 2018 Amendments (as hereinafter defined). The Original Undertaking as amended by the Amendment is referred to herein as the "Master Undertaking."

WITNESSETH THAT:

WHEREAS, the Original Undertaking is being amended to modify Section 6 thereof pursuant to SEC Release No. 34-83885, dated August 20, 2018 (the "2018 Amendments"), and does not require the consent of existing Holders of Obligations because (i) this Amendment is entered into due to a change in circumstances that arises from a change in legal requirements or change in law, (ii) the Original Undertaking would have complied with the requirements of the SEC Rule on the date thereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendments or modifications herein do not materially impair the interests of the Holders of the Obligations issued before the date of this Amendment, as determined by nationally recognized bond counsel; and

WHEREAS, the Obligor finds that this Amendment is being entered into in connection with a change in circumstances that arises from a change in legal requirements and a change in law; and

WHEREAS, the Obligor further finds that the Original Undertaking would have complied with the requirements of the SEC Rule on the date thereof; and

WHEREAS, upon a determination by nationally recognized bond counsel, the Obligor further finds that this Amendment does not materially impair the interests of the Holders of the Obligations issued before the date of this Amendment; and

WHEREAS, the Obligor is an Obligated Person (as defined in the SEC Rule) because the only sources of funds pledged to pay the principal and interest due on the Obligations are (i) lease rental payments (in addition to bond proceeds held under one or more trust indentures) due under one or more lease agreements pursuant to which the Obligor is a party, and/or (ii) the tax levy of the Obligor;

NOW, THEREFORE, in consideration of the payment for and acceptance of the Peru Multi-School Building Corporation Ad Valorem Property Tax First Mortgage Bonds, Series 2020 (the "2020 Bonds") and any Obligations issued after the date of this Amendment, the Original Undertaking is hereby amended as follows:

Section 1. Definitions. In this Amendment, words and terms not defined shall have the meaning prescribed in the Original Undertaking unless the context otherwise dictates.

"Financial Obligation" means a debt obligation; derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or a guarantee of either a debt obligation or a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation, but does not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the SEC Rule.

Section 1. Solely as to the 2020 Bonds and any Obligations issued after the date of this Amendment, Section 6 of the Original Undertaking is hereby replaced and shall read as follows:

"Section 6. Reportable Events. The Obligor undertakes to disclose the following events within 10 business days of the occurrence of any of the following events, if material (which determination of materiality shall be made by the Obligor in accordance with the standards established by federal securities laws), to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (7) solely as to the 2020 Bonds and any Obligations issued after the date of this Amendment, incurrence of a Financial Obligation of the Obligor or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Obligor, any of which affect security holders.

The Obligor undertakes to disclose the following events, within 10 business days of the occurrence of any of the following events, regardless of materiality, to the MSRB, in each case (i) in an electronic format as prescribed by the MSRB and (ii) accompanied by identifying information as prescribed by the MSRB:

- (1) principal and interest payment delinquencies;
- (2) unscheduled draws on debt service reserves reflecting financial difficulties;

- (3) unscheduled draws on credit enhancements reflecting financial difficulties;
- (4) substitution of credit or liquidity providers, or their failure to perform;
- (5) defeasances;

- (7) adverse tax opinions or events affecting the status of the Obligations, the issuance by the IRS of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material events, notices or determinations with respect to the tax status of the Obligations;
- (8) tender offers;
- (9) bankruptcy, insolvency, receivership or similar event of the Obligor; and

In our opinion, the financial statement presents fairly, in all material respects, the cash and investment balances of the School Corporation as of June 30, 2024, and its cash receipts, cash disbursements, and other financing sources (uses) for the period of July 1, 2022 through June 30, 2024 in accordance with the financial reporting provisions of the Indiana State Board of Accounts described in Note 1.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the School Corporation as of June 30, 2024, or changes in net position for the period of July 1, 2022 through June 30, 2024.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the School Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 to the financial statement, the School Corporation prepares its financial statement on the prescribed basis of accounting that demonstrates compliance with the reporting requirements established by the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6), which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the financial reporting provisions of the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6) as described in Note 1, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statement that collectively comprise the School Corporation's financial statement. The accompanying Schedule of Expenditures of Federal Awards as required by Title 2 *U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statement.

(Continued)

The Schedule of Expenditures of Federal Awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statement as a whole.

Other Information

Management is responsible for the other information included with the financial statement. The other information comprises the Schedule of Officials, Other Information Schedules, and State Reporting Information, marked as unaudited on the table of contents, but does not include the financial statement and our auditor's report thereon. Our opinion on the financial statement does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statement, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statement, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report March 25, 2025, our consideration of the School Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School Corporation's internal control over financial reporting and compliance.

PERU COMMUNITY SCHOOLS
NOTES TO FINANCIAL STATEMENT
As of June 30, 2024, and for the period of
July 1, 2022 through June 30, 2024

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity: School Corporation, as used herein, shall include, but is not limited to, the following: school townships, school towns, school cities, consolidated school corporations, joint schools, metropolitan school districts, township school districts, county schools, united schools, school districts, cooperatives, educational service centers, community schools, community school corporations, and charter schools.

The School Corporation was established under the laws of the State of Indiana. The School Corporation operates under a Board of School Trustees form of government and provides educational services.

The accompanying financial statement presents the financial information for the School Corporation.

Basis of Accounting: The financial statement is reported on a regulatory basis of accounting prescribed by the Indiana State Board of Accounts in accordance with state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The basis of accounting involves the reporting of only cash and investments and the changes therein resulting from cash inflows (receipts) and cash outflows (disbursements) reported in the period in which they occurred. The basis of accounting also requires presentation of certain information as Other Information.

The regulatory basis of accounting differs from accounting principles generally accepted in the United States of America (GAAP), in that receipts are recognized when received in cash, rather than when earned, and disbursements are recognized when paid, rather than when a liability is incurred. The regulatory basis also allows for all investments to be stated at cost, while GAAP requires fair value for qualifying investments.

Cash and Investments: Investments are stated at cost. Any changes in fair value of the investments are reported as receipts in the year of the sale of the investment.

Receipts: Receipts are presented in the aggregate on the face of the financial statement. The aggregate receipts include the following sources:

Local sources. Amounts received from taxes, revenue from local governmental units other than school corporations, transfer tuition, transportation fees, investment income, food services, School Corporation activities, revenue from community service activities, and other revenue from local sources.

Intermediate sources. Amounts received as distributions from the County for fees collected for or on behalf of the School Corporation including, but not limited to, the following: educational license plate fees, congressional interest, riverboat distributions, and other similar fees.

State sources. Amounts received as distributions from the State of Indiana that are to be used by the School Corporation for various purposes, including, but not limited to, the following: unrestricted grants, restricted grants, revenue in lieu of taxes, and revenue for or on behalf of the School Corporation.

Federal sources. Amounts received as distributions from the federal government that are to be used by the School Corporation for various purposes, including, but not limited to, the following: unrestricted grants, restricted grants, revenue in lieu of taxes, and revenue for or on behalf of the School Corporation.

Other receipts. Amounts received from various sources, including, but not limited to, the following: return of petty cash, return of cash change, insurance claims for losses, sale of securities, and other receipts not listed in another category above.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Disbursements: Disbursements are presented in the aggregate on the face of the financial statement. The aggregate disbursements include the following uses:

Instruction. Amounts disbursed for regular programs, special programs, adult and continuing education programs, summer school programs, enrichment programs, remediation, and payments to other governmental units.

Support services. Amounts disbursed for support services related to students, instruction, general administration, school administration, outflows for central services, operation and maintenance of plant services, and student transportation.

Noninstructional services. Amounts disbursed for food service operations and community service operations.

Facilities acquisition and construction. Amounts disbursed for the acquisition, development, construction, and improvement of new and existing facilities.

Debt services. Amounts disbursed for fixed obligations resulting from financial transactions previously entered into by the School Corporation, including: all expenditures for the reduction of the principal and interest of the School Corporation's general obligation indebtedness.

Nonprogrammed charges. Amounts disbursed for donations to foundations, securities purchased, indirect costs, scholarships, and self-insurance payments.

Other Financing Sources and Uses: Other financing sources and uses are presented in the aggregate on the face of the financial statement. The aggregate other financing sources and uses include the following:

Sale of capital assets. Amounts received when land, buildings, or equipment owned by the School Corporation are sold.

Transfers in. Amounts received by one fund as a result of transferring money from another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

Transfers out. Amounts paid by one fund to another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

Fund Accounting: Separate funds are established, maintained, and reported by the School Corporation. Each fund is used to account for amounts received from and used for specific sources and uses as determined by various regulations. Restrictions on some funds are set by statute while other funds are internally restricted by the School Corporation. The amounts accounted for in a specific fund may only be available for use for certain, legally restricted purposes. Additionally, some funds are used to account for assets held by the School Corporation in a trustee capacity as an agent of individuals, private organizations, other funds, or other governmental units and, therefore, the funds cannot be used for any expenditures of the School Corporation itself.

NOTE 2 - BUDGETS

The operating budget is initially prepared and approved at the local level. The fiscal officer of the School Corporation submits a proposed operating budget to the governing board for the following calendar year. The budget is advertised as required by law. Prior to adopting the budget, the governing board conducts public hearings and obtains taxpayer comments. Prior to November 1, the governing board approves the budget for the next year. The budget for funds for which property taxes are levied or highway use taxes are received is subject to final approval by the Indiana Department of Local Government Finance.

NOTE 3 - PROPERTY TAXES

Property taxes levied are collected by the County Treasurer and are scheduled to be distributed to the School Corporation in June and December; however, situations can arise which would delay the distributions. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by December 31 of the year preceding the budget year or January 15 of the budget year if the School Corporation is issuing debt after December 1 or intends on filing a shortfall appeal. These rates were based upon the assessed valuations adjusted for various tax credits from the preceding year's lien date of January 1. Taxable property is assessed at 100 percent of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which normally become delinquent if not paid by May 10 and November 10, respectively.

NOTE 4 - DEPOSITS AND INVESTMENTS

Deposits, made in accordance with state statute (IC 5-13), with financial institutions in the State of Indiana, at year end, should be entirely insured by the Federal Depositary Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statutes authorize the School Corporation to invest in securities including, but not limited to, the following: federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

The School Corporation held cash deposits with financial institutions that maintained FDIC and PDIF coverages, as applicable.

From time to time, the School Corporation holds certificates of deposit with financial institutions that maintain the FDIC and PDIF coverages, as applicable. At June 30, 2024, the School Corporation had certificates of deposit valued at \$571,021.

NOTE 5 - RISK MANAGEMENT

The School Corporation may be exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job-related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters. These risks can be mitigated through the purchase of insurance, establishment of a self-insurance fund, and/or participation in a risk pool. The purchase of insurance transfers the risk to an independent third-party. The establishment of a self-insurance fund allows the School Corporation to set aside money for claim settlements. The self-insurance fund would be included in the financial statement. The purpose of participation in a risk pool is to provide a medium for the funding and administration of the risks.

The School Corporation has purchased insurance to address the risks described above.

NOTE 6 - CASH BALANCE DEFICITS

The financial statement contains some funds with deficits in cash. This is a result of certain funds being set up for reimbursable grants, but for which reimbursement was not yet received by June 30, 2023, and 2024. The deficits in the State Tax, Local Tax, Group Insurance, American Funds Repayment, Section 125 Reimbursement, Garnishment of Wages, Retirees-Term Life Insurance, United Way, Fringe Benefits, and Book Rental funds are the result of disbursements exceeding receipts due to under-estimating current requirements for those funds. These deficits will be repaid from future receipts.

NOTE 7 - HOLDING CORPORATIONS

The School Corporation has entered into a series of capital leases with the Peru Multi-School Building Corporation (the lessor). The lessor was organized as a not-for-profit corporation pursuant to state statute for the purpose of financing and constructing or reconstructing facilities for lease to the School Corporation. The lessor has been determined to be a related party of the School Corporation. Lease payments for the period July 1, 2022 through June 30, 2023 totaled \$1,412,500. Lease payments for the period July 1, 2023 through June 30, 2024 totaled \$1,701,500.

NOTE 8 - PENSION PLANS

Public Employees Retirement Fund

Plan Description

The Indiana Public Employees' Retirement Fund Defined Benefit Plan (PERF DB) is a cost sharing multiple-employer defined benefit plan and provides retirement, disability, and survivor benefits to plan members. PERF DB is administered through the Indiana Public Retirement System (INPRS) Board in accordance with state statutes (IC 5-10.2 and IC 5-10.3) and administrative code (35 IAC 1.2), which govern most requirements of the system and give the School Corporation authority to contribute to the plan.

The Public Employees' Hybrid Plan (PERF Hybrid) consists of two components: PERF DB, the employer-funded monthly defined benefit component, and the Public Employees' Hybrid Members Defined Contribution Account, the defined contribution component.

The Retirement Savings Plan for Public Employees (My Choice) is a multiple-employer defined contribution plan. It is administered through the INPRS Board in accordance with state statutes (IC 5-10.2 and IC 5-10.3) and administrative code (35 IAC 1.2), which govern most requirements of the system and give the School Corporation authority to contribute to the plan.

New employees hired have a one-time election to join either the PERF Hybrid or the My Choice.

Financial Report

INPRS issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Contributions

Members' contributions are set by state statute at 3 percent of compensation for both the defined contribution component of PERF Hybrid and My Choice. The employer may elect to make the contribution on behalf of the member of the defined contribution component of PERF Hybrid and My Choice members may receive additional employer contribution in lieu of the PERF DB. Contributions to the PERF DB are determined by INPRS Board based on actuarial valuation.

Teachers' Retirement Fund

Plan Descriptions

The Indiana Teachers' Hybrid Plan (TRF Hybrid) consists of two components: Indiana Teachers' Pre-1996 Defined Benefit Account (Teachers' Pre-1996 DB) or Indiana Teachers' 1996 Defined Benefit Account (Teachers' 1996 DB) the monthly employer-funded defined benefit components, along with the Indiana Teachers' Defined Contribution Account (TRF DC), the defined contribution component. Generally, members hired before 1996 participate in the Teachers' Pre-1996 DB and members hired after 1995 participate in the Teachers' 1996 DB.

The Teachers' 1996 DB is a cost-sharing multiple-employer defined benefit pension plan and provides retirement, disability, and survivor benefits to plan members. All legally qualified and regularly employed licensed teachers serving in State of Indiana public schools are eligible to participate in the Teachers' 1996 DB.

The Teachers' Pre-1996 DB is a pay-as-you-go, cost-sharing multiple-employer defined benefit pension plan and provides retirement, disability, and survivor benefits to plan members. Membership in the Teachers' Pre-1996 DB is closed to new entrants.

The TRF DC is a multiple-employer defined contribution plan providing supplemental retirement benefits to Teachers' 1996 DB and Teachers' Pre-1996 DB members.

The Retirement Savings Plan for Public Teachers (My Choice) is a multiple-employer defined contribution plan. New employees hired after June 30, 2019, have a one-time election to join either the TRF Hybrid plan that is not closed to new entrants or the My Choice plan.

All these plans are administered through the Indiana Public Retirement System (INPRS) Board in accordance with state statutes (IC 5-10.2, IC 5-10.3, and IC 5-10.4) and administrative code (35 IAC 14), which govern most requirements of the system and give the School Corporation authority to contribute to the plan when applicable.

Contributions

The School Corporation contributes the employer's share to Teachers' 1996 DB for certified employees employed under a federally funded program and all the certified employees hired after July 1, 1995. The School Corporation currently receives partial funding, through the school funding formula, from the State of Indiana for this contribution. These contributions are determined by the INPRS Board based on actuarial valuation. The employer's share of contributions for certified personnel who are not employed under a federally funded program and were hired before July 1, 1995 (Teachers' Pre-1996 DB) is an obligation of, and is paid by, the State of Indiana.

Contributions for the defined contribution component of TRF Hybrid are determined by statute and the INPRS Board at 3 percent of covered payroll. The employer may choose to make these contributions on behalf of the member. Under certain limitations, voluntary contributions up to 10 percent can be made solely by the member.

My Choice plan is funded with employer contributions and member contributions. The employer contributions must equal the contribution rate for monthly employer-funded defined benefit components of TRF Hybrid. The amount deposited into the employer contribution subaccount for the member is the normal cost of participation. The variable rate contribution can be no less than 3 percent. Member contributions are determined by statute and the Board at 3 percent of covered payroll. The employer must make these contributions on behalf of the member. Under certain limitations, voluntary contributions up to 10 percent can be made solely by the member.

NOTE 9 - SUBSEQUENT EVENTS

In December 2024, the School Corporation issued the GO Bonds of 2024, in the amount of \$1,500,000 to finance the renovations and improvements to school buildings. The term of the bonds is June 30, 2025 through December 31, 2029. The first principal payment of \$130,000 is due in June 2025.

PERU COMMUNITY SCHOOLS
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the period of July 1, 2022 through June 30, 2024

NOTE 1 - BASIS OF PRESENTATION

A. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (SEFA) includes the federal grant activity of the School Corporation under programs of the federal government for the period of July 1, 2022 through June 30, 2024. The information in the SEFA is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the SEFA presents only a select portion of the operations of the School Corporation, it is not intended to and does not present the financial position of the School Corporation.

The Uniform Guidance requires an annual audit of nonfederal entities expending a total amount of federal awards equal to or in excess of \$750,000 in any fiscal year unless by constitution or statute a less frequent audit is required. In accordance with Indiana Code (IC 5-11-1-25), audits of school corporations shall be conducted biennially. Such audits shall include both years within the biennial period.

B. Other Significant Accounting Policies

Expenditures reported on the SEFA are reported on the cash basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowed or are limited as to reimbursement. When federal grants are received on a reimbursement basis, the federal awards are considered expended when the reimbursement is received.

NOTE 2 - INDIRECT COST RATE

The School Corporation has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE 3 - OTHER INFORMATION

The School Corporation did not have any subrecipient activity for the period of July 1, 2022 through June 30, 2024.

NOTE 4 - NON-CASH PROGRAMS (COMMODITIES)

Commodities donated to the School Corporation by the U.S. Department of Agriculture (USDA) of \$184,328 are valued based on the USDA's donated commodity price list. These are shown as part of the National School Lunch Program (10.555).

NOTE 5 - SPECIAL EDUCATION COOPERATIVE (ALN: 84.027, 84.173, 84.027X, 84.173X)

The School Corporation is a member of the Wabash-Miami Area Program for Exceptional Children Cooperative (Cooperative), which operates the special education program for the School Corporation. As a result, some activity for the Special Education Cluster (IDEA) that is presented on the SEFA is not presented as receipts and disbursements in the financial statement for the School Corporation. This activity is reported on the financial statement of the Cooperative.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENT PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Those Charged with Governance
Peru Community Schools
Miami County, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of the Peru Community Schools ("School Corporation"), which comprise the statement of receipts, disbursements, other financing sources (uses), and cash and investment balances of the School Corporation as of June 30, 2024 and for the period July 1, 2022 through June 30, 2024 and the related notes to the financial statement, which collectively comprise the School Corporation's financial statement, and have issued our report thereon dated March 25, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a certain deficiency in internal control, described in the accompanying *schedule of findings and questioned costs* as item 2024-001 that we consider to be a material weakness.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School Corporation's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

School Corporation's Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on the School Corporation's response to the finding identified in our audit and described in the accompanying *schedule of findings and questioned costs*. The School Corporation's response was not subjected to the other auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM; REPORT ON
INTERNAL CONTROL OVER COMPLIANCE

Those Charged with Governance
Peru Community Schools
Miami County, Indiana

Report on Compliance for Each Major Federal Program

Qualified and Unmodified Opinions

We have audited the Peru Community Schools' (School Corporation) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the School Corporation's major federal programs for the period of July 1, 2022 through June 30, 2024. The School Corporation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Qualified Opinion on the Child Nutrition Cluster

In our opinion, except for the noncompliance described in the Basis for Qualified and Unmodified Opinions section of our report, the School Corporation complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on the *Child Nutrition Cluster* for the period of July 1, 2022 through June 30, 2024.

Unmodified Opinion on Each of the Other Major Federal Programs

In our opinion, the School Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its other major federal programs identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs for the period of July 1, 2022 through June 30, 2024.

Basis for Qualified and Unmodified Opinions

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School Corporation and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School Corporation's compliance with the compliance requirements referred to above.

(Continued)

Matter Giving Rise to Qualified Opinion on the Child Nutrition Cluster

As described in the accompanying schedule of findings and questioned costs, the School Corporation did not comply with requirements regarding *the Child Nutrition Cluster as described in finding number 2024-003 for Allowable Costs/Cost Principles*. Compliance with such requirements is necessary, in our opinion, for the School Corporation to comply with the requirements applicable to that program.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the School Corporation's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School Corporation's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School Corporation's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School Corporation's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the School Corporation's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

Government Auditing Standards requires the auditor to perform limited procedures on the School Corporation's response to the noncompliance finding identified in our audit described in the accompanying schedule of findings and questioned costs. The School Corporation's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

(Continued)

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be material weaknesses.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2024-002 and 2024-003 to be material weaknesses.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the School Corporation's response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The School Corporation's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Section II – Financial Statement Findings

FINDING 2024-001

Subject: Preparation of the Schedule of Expenditures of Federal Awards
Audit Findings: Material Weakness

Criteria: The Indiana State Board of Accounts (SBOA) is required under Indiana Code 5-11-1-27(e) to define the acceptable minimum level of internal control standards. To provide clarifying guidance, the State Examiner compiled the standards contained in the manual, *Uniform Internal Control Standards for Indiana Political Subdivisions*. All political subdivisions subject to audit by SBOA are expected to adhere to these standards. The standards include adequate control activities. According to this manual:

"Control activities are the actions and tools established through policies and procedures that help to detect, prevent, or reduce the identified risks that interfere with the achievement of objectives. Detection activities are designed to identify unfavorable events in a timely manner whereas prevention activities are designed to deter the occurrence of an unfavorable event. Examples of these activities include reconciliations, authorizations, approval processes, performance reviews, and verification processes.

An integral part of the control activity component is segregation of duties. . . . There is an expectation of segregation of duties. If compensating controls are necessary, documentation should exist to identify both the areas where segregation of duties are not feasible or practical and the compensating controls implemented to mitigate the risk. . . .

The Green Book identifies a list of control activity categories that are meant only to illustrate the range and variety of control activities; the list is by no means all inclusive, but is reproduce here for reference purposes:
...

- Accurate and timely recording of transactions. . . ."

2 CFR 200.508 states in part:

"The auditee must: . . .

(b) Prepare appropriate financial statements, including the schedule of expenditures of Federal Awards in accordance with § 200.510 Financial statements. . . ."

2 CFR 200.510(b) states:

"*Schedule of expenditures of Federal awards.* The auditee must also prepare a schedule of expenditures of Federal awards for the period covered by the auditee's financial statements which must include the total Federal awards expended as determined in accordance with § 200.502 Basis for determining Federal awards expended. While not required, the auditee may choose to provide information requested by Federal awarding agencies and pass-through entities to make the schedule easier to use. For example, when a Federal program has multiple Federal award years, the auditee may list the amount of Federal awards expended for each Federal award year separately. At a minimum, the schedule must:

(1) List individual Federal programs by Federal agency. For a cluster of programs, provide the cluster name, list individual Federal programs within a cluster of programs, and provide the applicable Federal agency name. For R&D, total Federal awards expended must be shown either by individual Federal award or by Federal agency and major subdivision within the Federal agency. For example, the National Institutes of Health is a major subdivision in the Department of Health and Human Services.

(2) For Federal awards received as a subrecipient, the name of the pass-through entity and identifying number assigned by the pass-through entity must be included.

(3) Provide total Federal awards expended for each individual Federal program and the CFDA number or other identifying number when the CFDA information is not available. For a cluster of programs also provide the total for the cluster.

(4) Include the total amount provided to subrecipients from each Federal program.

(5) For loan or loan guarantee programs described in § 200.502 Basis for determining Federal awards expended, paragraph (b), identify in the notes to the schedule the balances outstanding at the end of the audit period. This is in addition to including the total Federal awards expended for loan or loan guarantee programs in the schedule.

(6) Include notes that describe that significant accounting policies used in preparing the schedule and note whether or not the auditee elected to use the 10% de minimis cost rate as covered in §200.414 Indirect (F&A) costs."

Condition: The School Corporation did not have a proper system of internal control in place to prevent, or detect and correct, errors on the Schedule of Expenditures of Federal Awards (SEFA).

Cause: Management had not established a system of internal control that would have ensured proper reporting of the SEFA.

Context: The federal grant information entered and submitted in the Indiana Gateway for Government Units financial reporting system was the source of the SEFA. The SEFA was reviewed prior to submission. However, it was not reviewed in enough detail to prevent the following errors that resulted in the net understatement of the total federal awards expended on the SEFA by \$1,410,589 for the period July 1, 2022, through June 30, 2024:

1. The Child Nutrition Cluster (10.553, 10.555) expenditures were understated by \$1,253,784
2. The Child and Adult Care (10.558) expenditures were overstated by \$1,040,348
3. The Pandemic EBT Administrative Costs (10.649) expenditures were understated by \$3,135
4. The Adult Education (84.002) expenditures were overstated by \$86,322
5. The Special Education Cluster (84.027, 84.173, 84.027X, 84.173X) expenditures were understated by \$1,280,340

Audit adjustments were proposed, accepted by the School Corporation, and made to the SEFA to correct the issues noted above.

Effect: Without a proper system of internal control in place that operated effectively, material misstatements of the SEFA remained undetected. The SEFA contained the errors identified in the *Condition and Context*.

Identification as a repeat finding, if applicable: Yes. Identified as finding 2022-001 on the prior audit report.

Recommendation: We recommended that the School Corporation's management establish a formal review over the SEFA to ensure amounts reported are accurate. The School Corporation should establish a documented, secondary review to ensure the amounts reported on the SEFA agree to the supporting federal receipt fund ledger detail.

2 CFR 200 Appendix II states in part:

In addition to other provisions required by the Federal agency or non-Federal entity; all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable. . . .

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. . . .”

Condition: An effective internal control system was not in place at the School Corporation in order to ensure compliance with requirements related to the grant agreement and the Special Tests and Provisions – Wage Rate Requirements compliance requirements.

Cause: The School Corporation's management had not developed a system of internal controls to ensure compliance with the compliance requirements listed above.

Effect: The failure to design and implement an effective internal control system enabled material noncompliance to go undetected. Noncompliance with the grant agreement and the Special Tests and Provisions – Wage Rate Requirements compliance requirement could result in the loss of future federal funds to the School Corporation.

Questioned Costs: There were no questioned costs identified.

Context: The School Corporation had one project for HVAC installation and improvements at various buildings which was funded with American Rescue Plan Elementary and Secondary School Emergency Relief (ARP ESSER) (84.425U) grant awards. The School Corporation properly included Davis-Bacon wage rate requirements in the vendor contract, however, the School Corporation did not obtain the weekly payroll report certifications from the construction vendor to monitor compliance with the Davis-Bacon wage rate requirements. Therefore, no review was performed to ensure that pay rates complied with the federal wage rate requirements.

Identification as a repeat finding: No.

Recommendation: We recommend the School Corporation implement a formal process to ensure the required weekly payroll reports certifications are collected and reviewed for projects requiring labor installation and funded by federal grants subject to Davis-Bacon wage rate requirements to ensure compliance with federal regulations.

Views of Responsible Officials and Planned Corrective Actions: Management agrees with the finding and has prepared a corrective action plan.

Federal Award Numbers and Years (or Other Identifying Numbers): FY2023, FY2024
Pass-Through Entity: Indiana Department of Education
Compliance Requirements: Allowable Costs/Cost Principles
Audit Findings: Material Weakness, Qualified Opinion

Criteria: 2 CFR 200.403 establishes principles and standards for determining costs for federal awards carried out through grants, cost reimbursement contracts, and other agreements with state and local governments. To be allowable, under federal awards, cost must meet certain criteria:

- a) Be necessary and reasonable for the performance of the Federal award and be allocable thereto under these principles.
- b) Conform to any limitations or exclusions set forth in these principles or in the Federal award as to types or amount of cost items.
- c) Be consistent with policies and procedures that apply uniformly to both federally-financed and other activities of the non-Federal entity.
- d) Be accorded consistent treatment. A cost may not be assigned to a Federal award as a direct cost if any other cost incurred for the same purpose in like circumstances has been allocated to the Federal award as an indirect cost.
- e) Be determined in accordance with generally accepted accounting principles (GAAP), except, for state and local governments and Indian tribes only, as otherwise provided for in this part.
- f) Not be included as a cost or used to meet cost sharing or matching requirements of any other federally financed program in either the current or a prior period.
- g) Be adequately documented.
- h) Cost must be incurred during the approved budget period.

Additionally, 2 CFR 200.303 indicates that non-Federal Entities receiving Federal awards must establish and maintain effective internal control over the Federal award that provides reasonable assurance that the non-Federal entity is managing the Federal award in compliance with Federal statutes, regulations and terms and conditions of the Federal award.

Condition: An effective internal control system was not in place at the School Corporation in order to ensure compliance with requirements related to the grant agreement and the allowable costs/cost principles compliance requirements.

by the food service department personnel. A system of internal controls was not in place to ensure there were appropriate records or audit trails to support time charged to the federal program.

Effect: The failure to establish an effective internal control system placed the School Corporation at risk of noncompliance with the grant agreement and the compliance requirements. A lack of segregation of duties within an internal control system could have also allowed noncompliance with the compliance requirements and allowed the misuse and mismanagement of federal funds and assets by not having proper oversight, reviews, and approvals over the activities of the programs.

Questioned Costs: There were \$19,714 of questioned costs identified.

Context: During the testing of internal controls over allowable costs/cost principles, the School Corporation had a system conversion for time entry during the audit period and did not retain copies of the adequate documentation to corroborate the hours worked for food service employees tested. The School Corporation was unable to provide timesheets or records supporting the number of hours charged by each employee for 35 of 35 selections related to hourly employees.

Identification as a repeat finding, if applicable: No.

Recommendation: We recommend that the School Corporation's management establish an internal control process to ensure that detailed records are maintained and an audit trail is evident to comply with federal compliance requirements.

Views of Responsible Officials and Planned Corrective Actions: Management agrees with the finding and has prepared a corrective action plan.

Subject: Preparation of the Schedule of Expenditures of Federal Awards
Audit Findings: Material Weakness

Condition: The School Corporation did not have a proper system of internal control in place to prevent, or detect and correct, errors on the Schedule of Expenditures of Federal Awards (SEFA).

Context: The federal grant information entered and submitted in the Indiana Gateway for Government Units financial reporting system was the source of the SEFA. The SEFA was reviewed prior to submission. However, it was not reviewed in enough detail to prevent the following errors that resulted in the net understatement of the total federal awards expended on the SEFA by \$1,410,589 for the period July 1, 2022, through June 30, 2024:

1. The Child Nutrition Cluster (10.553, 10.555) expenditures were understated by \$1,253,784
2. The Child and Adult Care (10.558) expenditures were overstated by \$1,040,348
3. The Pandemic EBT Administrative Costs (10.649) expenditures were understated by \$3,135
4. The Adult Education (84.002) expenditures were overstated by \$86,322
5. The Special Education Cluster (84.027, 84.173, 84.027X, 84.173X) expenditures were understated by \$1,280,340

Audit adjustments were proposed, accepted by the School Corporation, and made to the SEFA to correct the issues noted above.

Description of Corrective Action Plan: The SEFA will be prepared by the Financial Assistant and Treasurer and reviewed by the Deputy Treasurer and/or Superintendent to ensure the balances reported agree to the underlying detail, before being submitted to the Gateway portal.

Who Will Oversee the Implementation and the Anticipated Completion Date: The corrective action will be implemented with the submission of the Fiscal Year 2025 SEFA.
