

PRELIMINARY OFFICIAL STATEMENT DATED SEPTEMBER 18, 2026

NEW ISSUE -- BOOK ENTRY ONLY

RATING: Moody's "Aa1"
See "RATING" herein

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Issuer ("Bond Counsel"), based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") except that no opinion is expressed as to the status of interest on any Bond for any period that such Bond is held by a "substantial user" of the facilities financed or refinanced by the Bonds or by a "related person" within the meaning of Section 147(a) of the Code. In the further opinion of Bond Counsel, interest on the Bonds is not a specific preference item for purposes of the federal individual alternative minimum tax. Bond Counsel observes that interest on the Bonds included in adjusted financial statement income of certain corporations is not excluded from the federal corporate alternative minimum tax. Bond Counsel is also of the opinion that interest on the Bonds is exempt from State of California personal income taxes. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds. See "TAX MATTERS."

**California Statewide Communities Development Authority
Multifamily Housing Revenue Refunding Bonds
(Fannie Mae MBS-Secured) 2026 Series B
(Hacienda Apartments)**

INTRODUCTION

This Official Statement (which includes the cover page and appendices hereto) provides certain information in connection with the issuance and sale of the \$31,665,000* California Statewide Communities Development Authority Multifamily Housing Revenue Refunding Bonds (Fannie Mae MBS-Secured) 2026 Series B (Hacienda Apartments) (the “Bonds”) issued by the California Statewide Communities Development Authority (the “Issuer”). The Bonds will be issued pursuant to the Chapter 5 of Division 7 of Title 1 of the California Government Code (the “Act”), and that certain resolution no. 26H-41 of the Board of Commissioners of the Issuer adopted on August 20, 2026 (the “Resolution”) and secured by an Indenture of Trust, dated as of September 1, 2026 (the “Indenture”), between the Issuer and Computershare Trust Company, National Association, as trustee (in such capacity, the “Trustee”). Pursuant to the Indenture and the Financing Agreement, dated as of September 1, 2026 (the “Financing Agreement”), among the Issuer, the Trustee and Hacienda Pleasanton L.P., a California limited partnership (the “Borrower”), the Issuer is issuing the Bonds to provide refinancing for a certain multifamily rental housing development known as Hacienda Apartments (the “Project”) in Alameda County, California (the “State”), and to facilitate the delivery of the MBS (as defined below) guaranteed by the Federal National Mortgage Association (“Fannie Mae”).

All capitalized terms used in this Official Statement that are defined in the Indenture shall have the respective meanings set forth in the Indenture. See “APPENDIX B — DEFINITIONS OF CERTAIN TERMS.”

The Issuer, the Borrower and Stifel, Nicolaus & Company, Incorporated (the “Underwriter”), have entered into a Bond Purchase Agreement (the “Bond Purchase Agreement”), pursuant to which the Issuer will agree to sell the Bonds to the Underwriter. The transaction entered into under the Bond Purchase Agreement will provide for the issuance and sale to the Underwriter of the Bonds in a specified principal amount, with a specified interest rate, on a specified date and at a specified price. The delivery of the Bonds is subject to the satisfaction of a number of conditions set forth in the Bond Purchase Agreement.

The Bonds will be issued to refinance the Project through the purchase of a single mortgage pass-through certificate (the “MBS”) guaranteed as to principal and interest by Fannie Mae, if and when issued. The MBS will not be available for purchase on the date of issuance of the Bonds (the “Closing Date”) but is expected to be available for acquisition by the Trustee on or prior to the MBS Delivery Date Deadline (as defined herein). The MBS will be backed by a 10-year, fixed-rate mortgage loan (the “Mortgage Loan”) evidenced by a multifamily note (the “Mortgage Note”), and secured by a deed of trust constituting a first lien on the Project (as further defined herein, the “Mortgage”). The Mortgage Loan will be made to the Borrower as mortgagor and owner of the Project on the Closing Date. See “THE MORTGAGE LOAN” herein and “APPENDIX A — FANNIE MAE MORTGAGE — BACKED SECURITIES PROGRAM” attached hereto.

On the Closing Date, and prior to the date of delivery by Fannie Mae of the MBS (the “MBS Delivery Date”), the Bonds will be secured by (i) the proceeds of the Bonds delivered to the Trustee and deposited into the Bond Proceeds Fund established under the Indenture and (ii) Eligible Funds, delivered to the Trustee and deposited into the Negative Arbitrage Account of the Revenue Fund established under the Indenture, in an amount at least equal to the interest on the Bonds at the rate set forth on the cover page hereof (the “Bond Interest Rate”) from the Bond Dated Date to, but not including, the date that is five (5) calendar days after the MBS Delivery Date Deadline (collectively, the “Cash Collateral”). Prior to the MBS Delivery Date, the Bonds will be secured by, and the principal of, premium,

* Preliminary; subject to change.

if any, and interest thereon will be paid from amounts on deposit in the Revenue Fund and the Bond Proceeds Fund along with the investment earnings thereon. From and after the MBS Delivery Date, the Bonds will be secured by, and the principal of and interest thereon will be paid from, payments made on the MBS. See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS” herein.

On the MBS Delivery Date, amounts on deposit in the Bond Proceeds Fund and the Revenue Fund will be used by the Trustee to purchase the MBS, which will then secure the payment of the Bonds. On or prior to the Closing Date, Fannie Mae will enter into a commitment with Berkadia Commercial Mortgage LLC, a Delaware limited liability company (the “Lender”), the Fannie Mae-approved lender of the Mortgage Loan, to deliver the MBS to the Trustee for purchase. The commitment to deliver the MBS is subject to the satisfaction of certain requirements and preconditions and does not extend to the benefit of any other third party, including the beneficial owners of the Bonds, the Issuer or the Trustee. No representations or assurances can be provided as to whether or not such conditions can or will be satisfied.

If the MBS is not delivered on or before the MBS Delivery Date Deadline, as such date may be extended pursuant to the terms of the Indenture, then funds then on deposit in the Bond Proceeds Fund and the Revenue Fund will be used to redeem the Bonds as set forth in the Indenture. The Bonds are also subject to mandatory redemption in whole or in part as further described herein. See “DESCRIPTION OF THE BONDS —Redemption of Bonds.”

The Bonds shall bear interest on the outstanding principal amount thereof at the Bond Interest Rate. The MBS is expected to be delivered by the MBS Delivery Date Deadline, initially defined as October 25, 2026*. Principal and interest on the Bonds will be payable semiannually on the 1st day of each May and November, or the next succeeding Business Day if such 1st day is not a Business Day, commencing May 1, 2027* (the “Initial Payment Date”). Following the delivery of the MBS, MBS payments will be made monthly on the 25th of each month, or if not a Business Day, the following Business Day. Fannie Mae’s role with respect to the Bonds is limited to issuing and discharging its obligations under the MBS if and when delivered. Fannie Mae has no responsibility for the structuring and timing of Bond payments from MBS Revenues. Principal and interest on the Bonds are payable by the Trustee to DTC, which will be responsible for remitting such principal and interest to its Participants, which will be responsible for remitting such principal and interest to the Beneficial Owners of the Bonds. The payment of interest on each Payment Date shall relate to the interest accrued during the preceding six calendar months; provided that the payment of interest on the Initial Payment Date shall relate to the interest accrued on the Bonds from the Closing Date to but not including such Initial Payment Date.

On or after the Closing Date, the Borrower, the Lender and Fannie Mae, collectively, have the ability to increase the amount of debt on the Project to exceed the outstanding principal amount of the Bonds. Although such additional debt is not guaranteed to be either supportable by the Project or approved by the Lender or Fannie Mae, any security instrument issued in connection therewith will not relate to or serve as additional security for the Bonds.

The Bonds are limited obligations of the Issuer, payable solely from and secured by the pledge pursuant to the Indenture of the Trust Estate, consisting of revenues from the MBS (the “MBS Revenues”), if issued and delivered to the Trustee, and other funds pledged therefor under the Indenture. See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS.”

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE TRUST ESTATE UNDER THE INDENTURE. NEITHER THE ISSUER, THE STATE, NOR ANY POLITICAL SUBDIVISION THEREOF (EXCEPT THE ISSUER, TO THE LIMITED EXTENT SET FORTH IN THE INDENTURE) NOR ANY PUBLIC AGENCY SHALL IN ANY EVENT BE LIABLE FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM (IF ANY) OR INTEREST ON THE BONDS OR FOR THE PERFORMANCE OF ANY PLEDGE, OBLIGATION OR AGREEMENT OF ANY KIND WHATSOEVER EXCEPT AS SET FORTH IN THE INDENTURE, AND NONE OF THE BONDS OR ANY OF THE ISSUER’S AGREEMENTS OR OBLIGATIONS SHALL BE CONSTRUED TO CONSTITUTE AN INDEBTEDNESS OF OR A PLEDGE OF THE FAITH AND CREDIT OF OR A LOAN OF THE CREDIT OF OR A MORAL OBLIGATION OF ANY OF THE FOREGOING WITHIN THE MEANING OF ANY

CONSTITUTIONAL OR STATUTORY PROVISION WHATSOEVER. THE ISSUER HAS NO TAXING POWER.

Descriptions, certain definitions and final terms of the Bonds, the Borrower, the Project, the Mortgage Loan and the MBS are included herein. All summaries or descriptions herein of documents and agreements are qualified in their entirety by reference to such documents and agreements and all summaries herein of the Bonds are qualified in their entirety by reference to the Indenture and the provisions with respect thereto included in the aforesaid documents and agreements. Copies of the Indenture and the Financing Agreement are available for inspection at the office of the Trustee. The Borrower will provide certain information on an ongoing basis to the Municipal Securities Rulemaking Board (the "MSRB"). For a description of the Borrower's undertaking with respect to ongoing disclosure, see "CONTINUING DISCLOSURE" herein.

THE ISSUER

The following information has been provided by the Issuer for use herein. While the information is believed to be reliable, none of the Trustee, the Borrower, the Underwriter, the Lender, Fannie Mae nor any of their respective counsel, members, officers or employees makes any representations as to the accuracy or sufficiency of such information.

The Bonds are being issued by the California Statewide Communities Development Authority. Under Title 1, Division 7, Chapter 5 (commencing with Section 6500) of the California Government Code (the "JPA Act"), certain California cities, counties and special districts have entered into a joint exercise of powers agreement (the "JPA Agreement") forming the Issuer for the purpose of exercising the powers common to the members and exercising the additional powers granted to the Issuer by the JPA Act and any other applicable provisions of California law. Under the JPA Agreement, the Issuer may issue bonds, notes or any other evidence of indebtedness, for any purpose or activity permitted under the JPA Act or any other applicable law.

The Issuer may sell and deliver obligations other than the Bonds. These obligations will be secured by instruments separate and apart from the Bond Documents, and the holders of such other obligations of the Issuer will have no claim on the security for the Bonds. Likewise, the Holders of the Bonds will have no claim on the security for such other obligations that may be issued by the Issuer.

Neither the Issuer nor its independent contractors has furnished, reviewed, investigated or verified the information contained in this Official Statement other than the information contained in this section and the section entitled "NO LITIGATION — The Issuer." The Issuer does not and will not in the future monitor the financial condition of the Borrower or otherwise monitor payment of the Bonds or compliance with the documents relating thereto. Any commitment or obligation for continuing disclosure with respect to the Bonds or the Borrower has been undertaken solely by the Borrower. See "CONTINUING DISCLOSURE" herein.

To the knowledge of the Issuer, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending against the Issuer seeking to restrain or enjoin the sale or issuance of the Bonds, or in any way contesting or affecting any proceedings of the Issuer taken concerning the sale thereof, the pledge or application of any moneys or security provided for the payment of the Bonds, the validity or enforceability of the documents executed by the Issuer in connection with the Bonds, the completeness or accuracy of this Official Statement or the existence or powers of the Issuer relating to the sale of the Bonds.

The Issuer has determined that no financial or operating data concerning the Issuer is material to an evaluation of the offering of the Bonds or to any decision to purchase, hold or sell Bonds and the Issuer will not provide any such information. The Issuer shall have no liability to the Holders of the Bonds or any other person with respect to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the "Rule").

None of the Issuer, any program participant or any person executing the Bonds is liable personally on the Bonds or subject to any personal liability or accountability by reason of their issuance.

DESCRIPTION OF THE BONDS

General

The Bonds will be issued in the denominations of \$5,000 or any integral multiple of \$1,000 in excess thereof. The Bonds are issuable only as fully registered bonds without coupons and will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), Brooklyn, New York. DTC will act as securities depository for the Bonds. Individual purchases will be made in book-entry form only. Purchasers will not receive bonds representing their interest in the Bonds purchased. See “APPENDIX F — BOOK-ENTRY SYSTEM.”

The Bonds will be dated September __, 2026 and have maturity date(s) and final payment date(s) as identified on the cover page hereof and in the Term Sheet attached as APPENDIX H. The Bonds shall bear interest from their dated date on the outstanding principal amount thereof at the Bond Interest Rate. Interest on the Bonds shall be computed on the basis of a 360-day year consisting of twelve 30-day months (“30/360”). The payment of interest on May 1 and November 1 of each year, commencing on the Initial Payment Date, shall relate to the interest accrued on the Bonds during the preceding six calendar months; provided that the payment of interest on the Initial Payment Date shall relate to the interest accrued on the Bonds from the Bond Dated Date to but not including such Initial Payment Date.

Interest on the Bonds will be payable on each Payment Date to the Bondholders of record as of the applicable Record Date.

All payments of interest with respect to the Bonds will be paid to the Bondholders by the Trustee from funds held in the Revenue Fund under the Indenture. All payments of principal and interest with respect to the Bonds will be paid to the Bondholders in proportion to the principal amount of each Bond owned by each such owner as set forth on the records of the Trustee as of the applicable Record Date.

So long as Cede & Co. or another nominee designated by DTC is the registered owner of the Bonds, principal and interest on the Bonds are payable by the Trustee to DTC, which will be responsible for remitting such principal and interest to its Participants, which will be responsible for remitting such principal and interest to the Beneficial Owners of the Bonds. See “APPENDIX F — BOOK-ENTRY SYSTEM.” *So long as Cede & Co. is the registered owner of the Bonds, all references in this Official Statement to the owners or holders of the Bonds, means Cede & Co. and not the Beneficial Owners of the Bonds.*

Transfer of Bonds

While DTC is securities depository for book-entry Bonds, the transfer of beneficial ownership of Bonds shall take place as described in “APPENDIX F — BOOK-ENTRY SYSTEM.” If DTC were to terminate its status as securities depository for the Bonds and, as a result, the Bonds were no longer book-entry securities, no transfer of a Bond will be made unless made upon the records of the Issuer kept for that purpose at the corporate trust office of the Trustee, by the registered owner of the Bond or by its attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee. Upon the transfer of any such Bond, the Issuer shall issue and the Trustee shall authenticate and deliver to and in the name of the transferee a new fully registered Bond, of the same series, aggregate principal amount, interest rate, maturity and other terms as the surrendered Bond.

At all times, the Issuer and the Trustee may deem and treat the person in whose name any Bond shall be registered upon the records of the Issuer as the absolute owner of such Bond, whether such Bond shall be a book-entry security or not, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Redemption of Bonds

The Bonds shall be subject to mandatory redemption prior to maturity under the Indenture as follows.

Mandatory Redemption in Whole Upon Failure to Purchase the MBS by the MBS Delivery Date Deadline. The Bonds are subject to mandatory redemption in whole five (5) calendar days after the MBS Delivery Date Deadline at a Redemption Price equal to 100% of the Outstanding principal amount thereof, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred (or, if no Payment Date has occurred, from the Bond Dated Date) to, but not including, such redemption date, if the MBS Delivery Date has not occurred on or prior to the MBS Delivery Date Deadline, payable with respect to principal first, from money on deposit in the Bond Proceeds Fund, and with respect to premium, if any, and interest, from money on deposit in the Revenue Fund and other Eligible Funds.

Mandatory Redemption in Part on the MBS Delivery Date. The Bonds are subject to mandatory redemption in part on the MBS Delivery Date at a Redemption Price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred to, but not including, the MBS Delivery Date, in an amount equal to the difference between (i) the principal amount of the MBS purchased on the MBS Delivery Date and (ii) the aggregate principal amount of the Bonds Outstanding as of the first day of the month in which the MBS Delivery Date occurred, payable with respect to principal first, from money on deposit in the Bond Proceeds Fund, and with respect to interest and premium, if any, from money on deposit in the Revenue Fund and other Eligible Funds.

Mandatory Redemption Following Unscheduled Prepayment of the Mortgage Loan.

(i) The Bonds are subject to mandatory redemption in whole or in part on or as soon as practical after one Business Day after the date on which any unscheduled MBS principal payment or prepayment is received by the Trustee, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued interest and premium, if any, received pursuant to the MBS.

(ii) The Mortgage Loan is subject to optional prepayment by the Borrower. Any yield maintenance or prepayment penalty in connection with prepayment of the Mortgage Loan that is received by the Trustee as holder of the MBS will be distributed to Bondholders, as applicable; however, no assurance can be given that all or any portion of such yield maintenance or prepayment penalty will be received by the Trustee as holder of the MBS.

Selection of Bonds for Redemption. In the event the Bonds are redeemed in part and not in whole the Bonds shall be redeemed ratably across all maturities so that the resulting debt service on the Bonds during each six-month period commencing on each Payment Date is proportional, as nearly as practicable, to the payments on the MBS during each such six-month period, without exceeding the amount available from MBS payments, and other available funds under the Indenture that may be used to pay debt service on the Bonds, during each such six-month period. All Bonds to be redeemed within the same maturity shall be selected randomly. Any redemption in part shall be in Authorized Denominations.

Except as otherwise described above, any Bonds to be called for redemption shall be selected by the Trustee ratably among maturities and within a maturity by lot, such selection to be made prior to the date on which notice of such redemption must be given and Bonds shall be redeemed as soon as practicable after an event causing a redemption shall have occurred. The Trustee shall have no liability for such selections made without gross negligence or willful misconduct.

If it is determined that less than all of the principal amount represented by any Bond is to be called for redemption, then, following notice of intention to redeem such principal amount, the holder thereof shall surrender such Bond to the Trustee on or before the applicable redemption date for (a) payment on the redemption date to such Bondholder of the Redemption Price of the amount called for redemption and (b) delivery to such Bondholder of a new Bond or Bonds of such Series in an aggregate principal amount equal to the unredeemed balance of such Bond. A new Bond representing the unredeemed balance of such Bond shall be issued to the registered owner thereof, without charge therefor. If the registered owner of any Bond selected for redemption shall fail to present such Bond to the

Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the amount called for redemption (and to that extent only).

See “APPENDIX C – SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE – Terms of Redemption” attached hereto.

Extension of MBS Delivery Date Deadline

At any time prior to the MBS Delivery Date Deadline, the Borrower may extend the MBS Delivery Date Deadline by (i) providing to the Trustee, the Lender, the Issuer, the Rating Agency and the Underwriter written notice of any extension of the MBS Delivery Date Deadline, (ii) depositing with the Trustee Eligible Funds for the credit of the Negative Arbitrage Account of the Revenue Fund in an amount, taking into account amounts already on deposit therein, sufficient to pay interest due on the Bonds to the date that is five (5) calendar days after the extended MBS Delivery Date Deadline (the “Extension Deposit”), and (iii) delivering to the Trustee and the Rating Agency a Cash Flow Projection establishing the sufficiency of the Extension Deposit. Extension Deposits may continue to be made by or on behalf of the Borrower until the MBS Delivery Date occurs or the Borrower declines to make an Extension Deposit resulting in the mandatory redemption pursuant to the Indenture; provided, however, the MBS Delivery Date Deadline may not be extended to a date that is later than the fourth anniversary of the Bond Dated Date unless, prior to any extension beyond such date, there shall be filed with the Trustee and the Issuer an opinion of Bond Counsel to the effect that such extension will not, in and of itself, adversely affect the exclusion of interest on the Bonds from gross income for Federal income tax purposes. The cost of such opinion shall be the sole responsibility of the Borrower. See “APPENDIX C — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Extension of MBS Delivery Date Deadline” attached hereto.

THE MORTGAGE LOAN

General

The Indenture authorizes the Issuer to issue the Bonds to refinance a portion of the cost of the acquisition, rehabilitation and equipping of the Project through the acquisition of the MBS and to pay certain additional costs related thereto. The Bonds will be secured initially by the Cash Collateral, and then by the MBS, if issued and delivered to the Trustee. Fannie Mae is expected to deliver the MBS to the Trustee on the MBS Delivery Date, which MBS is to be purchased by the Trustee with the Cash Collateral on deposit under the Indenture. The Lender has undertaken to certify that the MBS meets the requirements set forth in the Indenture, on which certification the Trustee may rely and act without further investigation. The Mortgage Loan is to be evidenced by the Mortgage Note, executed by the Borrower in favor of the Lender and secured, by the Multifamily Deed of Trust, Assignment of Leases and Rents, Security Agreement and Fixture Filing (the “Mortgage”). The Borrower is required under the Mortgage Note to make monthly payments sufficient in the aggregate to pay debt service on the Mortgage Loan.

MBS Payments

Following the MBS Delivery Date, if such date occurs, payments on the MBS will be made on the 25th day of each month (beginning with the month following the month in which the MBS is issued and delivered to the Trustee), or, if such 25th day is not a Business Day, on the first Business Day next succeeding such 25th day. With respect to the MBS, Fannie Mae will distribute to the Trustee an amount equal to the total of (i) the principal due on the Mortgage Loan underlying the MBS during the period beginning on the second day of the month prior to the month of such distribution and ending on the first day of such month of distribution, (ii) the stated principal balance of the Mortgage Loan that was prepaid in full during the calendar month next preceding the month of such distribution (including as prepaid for this purpose at Fannie Mae’s election the Mortgage Loan after it is delinquent, in whole or in part, with respect to four consecutive installments of principal and interest; or because of Fannie Mae’s election to repurchase the Mortgage Loan under certain other circumstances), (iii) the amount of any partial prepayment of the Mortgage Loan received in the calendar month next preceding the month of distribution, and (iv) one month’s interest at the MBS Pass-Through Rate on the principal balance of the MBS as reported to the Trustee (assuming the Trustee is the registered holder) in connection with the previous distribution (or, respecting the first distribution, the principal balance of the MBS on its issue date). For purposes of distribution, the Mortgage Loan will be considered to have been prepaid in full if, in Fannie Mae’s reasonable judgment, the full amount finally recoverable on account of the

Mortgage Loan has been received, whether or not such full amount is equal to the stated principal balance of the Mortgage Loan. See also “APPENDIX A — FANNIE MAE MORTGAGE-BACKED SECURITIES PROGRAM.”

FANNIE MAE

The MBS, if issued by Fannie Mae and acquired by the Trustee as described herein, will be an obligation of Fannie Mae. **The securities of Fannie Mae, including the MBS, if issued, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than Fannie Mae.**

Information on Fannie Mae and its financial condition are contained in periodic reports that are filed with the U.S. Securities and Exchange Commission (the “SEC”). Fannie Mae’s SEC filings are available at the SEC’s website at www.sec.gov and are also available on Fannie Mae’s website at <http://www.fanniemae.com> or from Fannie Mae at the Office of Investor Relations at 202-752-7115.

SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS

In order to secure the payment of the principal of, premium, if any, and interest on the Bonds, the Issuer has pledged to the Trustee the Trust Estate for the Bonds, subject to terms and provisions of the Indenture, the following:

- (i) All right, title and interest of the Issuer in and to (a) amounts on deposit in the Bond Proceeds Fund, to be funded on the Closing Date in an amount equal to the principal amount of the Bonds, and (b) Eligible Funds on deposit in the Revenue Fund (including but not limited to the Negative Arbitrage Account thereof);
- (ii) (a) All of the beneficial ownership interest in the MBS, if the MBS is issued by Fannie Mae and acquired by the Trustee, and (b) all MBS Revenues;
- (iii) All right, title and interest of the Issuer now owned or hereafter acquired in, to and under the Financing Agreement (except Reserved Rights) and the Regulatory Agreement (as defined in the Indenture); and
- (iv) All other funds, accounts and property which by the express provisions of the Indenture are required to be subject to the lien of the Indenture, and any additional property that from time to time, by delivery or by writing of any kind, may be subjected to the lien of the Indenture, by the Issuer or by anyone on its behalf (and the Trustee is authorized by the Indenture to receive the same at any time as additional security under the Indenture; provided, however, that the Trust Estate shall not include amounts on deposit in the Rebate Fund or the Rehabilitation Fund).

The foregoing pledge is made for the equal and proportionate benefit, security and protection of the registered owners from time to time of any of the Bonds authenticated and delivered under the Indenture and issued by the Issuer and Outstanding, without preference, priority or distinction as to lien, or otherwise of any one Bond over any other Bond by reason of priority in the issue, sale or negotiation thereof, or of any other cause, and for the benefit of Fannie Mae as provided in the Indenture.

Prior to the delivery of the MBS, the Bonds will be secured by the deposit with the Trustee of the proceeds of the Bonds and other Eligible Funds held under the Indenture by the Trustee in an aggregate amount equal to the outstanding principal amount of the Bonds. The Trustee will use Eligible Funds held under the Indenture along with interest earnings thereon to (a) pay principal, premium, if any, and interest on the Bonds when due, and (b) acquire, if and when issued, the MBS, upon satisfaction of the conditions set forth in the Indenture and upon satisfaction of the conditions precedent to the issuance of the MBS and compliance with the commitment between Fannie Mae and the Lender.

It is anticipated that if the conditions to the issuance of the MBS are satisfied, the MBS will be available for acquisition by the Trustee on or before the MBS Delivery Date Deadline, as such date may be extended as provided

in the Indenture. Following the delivery of the MBS to the Trustee, if delivered, payments of principal and interest on the Bonds will be payable from principal and interest payments received by the Trustee on the MBS as provided in the Indenture.

If the MBS is not acquired by the Trustee on or prior to the MBS Delivery Date Deadline (as such date may be extended pursuant to the Indenture), the Bonds will be redeemed from Eligible Funds held under the Indenture as set forth in “DESCRIPTION OF THE BONDS — Redemption of Bonds — Mandatory Redemption Upon Failure to Purchase the MBS by the MBS Delivery Date Deadline” hereto.

PRIVATE PARTICIPANTS

The following information concerning the private participants has been provided by representatives of the private participants and has not been independently confirmed or verified by either the Underwriter or the Issuer. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Borrower

The Borrower for the Project is Hacienda Pleasanton L.P., a California limited partnership (the “Borrower”). The Borrower is a single-purpose entity formed to acquire, construct, rehabilitate and operate the Project. The Borrower’s co-general partner is Anton Hacienda, LLC, a California limited liability company (the Co-General Partner”), the managing general partner is PH La Moraga Holdings, LLC, a California limited liability company (the “Managing General Partner”), and the limited partner is Hacienda Investor Partner, LLC, a California limited liability company (the “Limited Partner”).

The Borrower has not acquired and does not intend to acquire any substantial assets or engage in any substantial business activities other than those related to the Project. However, affiliates of the Borrower may engage in the acquisition, development, ownership and management of other similar types of projects that may be competitive with the Project.

Limited Assets and Obligation of Borrower, Co-General Partner, Managing General Partner, and Limited Partner

The Borrower has no substantial assets other than the Project and does not intend to acquire any other substantial assets or to engage in any substantial business activities other than those related to the ownership of the Project. However, the member(s) of the Co-General Partner, Managing General Partner, Limited Partner, and their affiliates are engaged in and will continue to engage in the acquisition, development, ownership and management of similar types of housing projects. They may be financially interested in, as officers, partners or otherwise, and devote substantial times to, business and activities that may be inconsistent or competitive with the interests of the Project.

The Borrower and its partners will not be personally liable for payments on the Note, the payments on which are to be applied to pay the principal of and interest on the Bonds; nor will the Borrower be personally liable under the other documents executed in connection with the issuance of the Bonds and the making of the Loan. Furthermore, no representation is made that the Borrower will have substantial funds available for the Project. Accordingly, neither the Borrower’s financial statements nor those of its partners are included in this Official Statement.

The Property Manager

St. Anton Multifamily, Inc., a California corporation (the “Property Manager”), will manage the Project. The Property Manager is an affiliate of the Co-General Partner and Limited Partner. The Property Manager presently manages approximately 5,200 affordable housing units and another approximately 500 market rate units in California. The Property Manager has 11 years of experience managing affordable housing supported by various federal, state, and local subsidies including HUD, tax-exempt obligations, and federal and state low-income housing tax credits.

THE PROJECT

The following information concerning the Project has been provided by representatives of the Borrower and has not been independently confirmed or verified by either the Underwriter or the Issuer. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Project, known as Hacienda Apartments, is located in Pleasanton, California, on an approximately 5.6-acre site. The Project contains 168 apartment units in three buildings located at 5729 W. Las Positas Boulevard, Pleasanton, California 94588. Common area improvements include: On-site Management, on-site Maintenance, fitness Center, swimming pool, Spa, playground, community garden, and dog park. The property also includes garages and carports. Unit amenities include air conditioning, private patios/balconies, walk-in closets, energy efficient appliances. There are 168 parking spaces for resident use only and 118 open parking spaces.

The unit type, the unit mix and approximate square footage for the units of the Project are as follows:

<u>Unit Type</u>	<u>Number</u>	<u>Approximate Square Feet</u>
1 Bedroom	64	673
2 Bedrooms	88	959
3 Bedrooms	<u>16</u>	1,250
Total	168	

PLAN OF FINANCING

The estimated sources and uses for the Project are projected to be approximately as follows:

Sources of Funds*	
Bonds	\$31,665,000
Taxable Loan Proceeds	<u>3,500,000</u>
Total	<u>\$35,165,000</u>
Uses of Funds*	
Loan Principal Balance	\$31,665,000
Loan Commitment Fee	175,850
Agency Delivery Fee	35,656
Issuer and Trustee Fees	63,588
Transaction Related Legal Fees	130,000
Underwriting Fee	174,185
Other Closing Costs	70,721
Cash-Out Proceeds	<u>2,850,000</u>
Total	<u>\$35,165,000</u>

All costs of issuing the Bonds, including the Underwriter's fee, will be paid by the Borrower.

The Refunding. The Bonds are being issued as refunding bonds. A portion of the proceeds of the Bonds will be applied, together with other available funds, to refinance the Project by refunding the outstanding California Statewide Communities Development Authority Multifamily Housing Revenue Bonds (Anton Hacienda Apartments) Series R, originally issued on October 1, 2013, in the original aggregate principal amount of \$36,900,000 (the "Prior Bonds"), the proceeds of which were used to finance the acquisition, construction, rehabilitation and equipping of the Project. The Prior Bonds are expected to be redeemed on or about the Closing Date.

* Preliminary; subject to change.

The Mortgage Loan and the Bonds. The Project will utilize a mortgage loan (the “Mortgage Loan”) from Berkadia Commercial Mortgage LLC (the “Lender”). The obligation to repay the Mortgage Loan will be set forth in a promissory note (the “Mortgage Note”) from the Borrower to the Lender, which Mortgage Note will have a term of not less than 120* months, will bear interest at a rate of ___% and will be interest only prior to its balloon maturity date. The Mortgage Note will be secured by a Multifamily Deed of Trust, Assignment of Leases and Rents, Security Agreement and Fixture Filing (the “Fannie Mae Mortgage”). The principal amount of the Bonds will be equal to the principal amount of the Mortgage Loan. Following the MBS Delivery Date, payments on the Bonds will be payable by the Trustee from payments received by the Trustee pursuant to the MBS.

The Taxable Tail Loan. The Project will also utilize a taxable loan in the principal amount of \$3,500,000* (the “Taxable Tail Loan”). The obligation to repay the Taxable Tail Loan will be set forth in a promissory note (the “Taxable Tail Note”) from the Borrower to the Lender. The Taxable Tail Note will have a term equal to that of the Loan and will bear interest at a rate of ___% per annum. The Taxable Tail Note will be secured by the Fannie Mae Mortgage.

Project Regulation

The Borrower intends to operate the Project as a qualified residential rental project in accordance with the provisions of Section 142(d) of the Code. Concurrently with the issuance of the Bonds, the Borrower, the Trustee and the Issuer will enter into the Regulatory Agreement. Under the Regulatory Agreement, the Borrower will agree that, at all times during the qualified project period (as defined in the Regulatory Agreement), the Borrower will rent at least 20% of the units in the Project to persons whose adjusted family income (determined in accordance with the provisions of the Code) is no more than 50% of the area median income (adjusted for family size) (“AMI”). See “APPENDIX E – SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT” herein.

In addition to the rental restrictions imposed upon the Project by the Regulatory Agreement (defined below), the Project is further encumbered by a tax credit restrictive covenant, that was executed by the Borrower in connection with the low-income housing tax credits (the “LIHTCs”) that were reserved for the Project and in compliance with the requirements of Section 42 of the Code. Section 42 of the Code will restrict the income levels of 20% of the residential units in the Project (the “Tax Credit Units”). All thirty-four (34) of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 50% of the AMI adjusted for family size and the rents which may be charged for occupancy of such units will be restricted to not more than 30% of 50% of AMI, adjusted for family size.

CERTAIN BONDHOLDERS’ RISKS

The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.

Limited Security; Investment of Funds

The Bonds are special limited obligations of the Issuer payable solely from the Trust Estate, which includes certain funds pledged to and held by the Trustee pursuant to the Indenture.

The Bonds are offered solely on the basis of the amounts pledged to and held by the Trustee under the Indenture, together with investment earnings thereon, and the MBS if issued and delivered to the Trustee, and are not offered on the basis of the credit of the Borrower, the feasibility of the Project or any other security. As a consequence, limited information about the Project and no information about the financial condition or results of operations of the Borrower is included in this Official Statement. The Bonds are offered only to investors who, in making their investment decision, rely solely on the amounts held under the Indenture, together with investment earnings thereon, and not on the credit of the Borrower, the feasibility of the Project or any other security.

The principal of and interest on the Bonds are payable from and secured by certain revenues and funds pledged thereto under the Indenture, and, following the MBS Delivery Date, from payments on the MBS. On the date

* Preliminary; subject to change.

of delivery of the Bonds, an amount equal to the principal amount of the Bonds is to be deposited into the Bond Proceeds Fund. The Trustee is required to invest amounts held in the Bond Proceeds Fund and the Revenue Fund in Eligible Investments, as defined in the Indenture. See “APPENDIX C — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Funds.” Failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

No Acceleration or Early Redemption Upon Loss of Tax Exemption on the Bonds

The Borrower will covenant and agree, pursuant to a Regulatory Agreement and Declaration of Restrictive Covenants dated as of October 1, 2013, by and between the Issuer and the Borrower, as amended by the First Amendment to Regulatory Agreement and Declaration of Restrictive Covenants dated as of September 1, 2026, by and between the Issuer and the Borrower (the “Regulatory Agreement”), to comply with the provisions of the Code relating to the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds. In particular, the Borrower is required to rent at least twenty percent (20%) of the Project apartment units to certain qualified tenants whose income does not exceed fifty percent (50%) of the area average median income where the Project is located. The Borrower’s failure to comply with such provisions will not constitute a default under the Bonds and will not give rise to a redemption or acceleration of the Bonds and is not the basis for an increase in the rate of interest payable on the Bonds. Furthermore, the Borrower’s failure to comply with the Regulatory Agreement will not give rise to a prepayment or acceleration of amounts due under the MBS or the Mortgage, unless directed by Fannie Mae in its sole discretion. Consequently, interest on the Bonds may become includable in gross income for purposes of federal income taxation retroactive to the date of issuance of the Bonds by reason of the Borrower’s failure to comply with the requirements of federal tax law.

Payments Prior to MBS Delivery Date

Prior to the MBS Delivery Date, payment of principal and interest, and the Borrower’s obligations with respect to principal and interest on the Bonds, will be primarily secured by and payable from Bond proceeds held in the Bond Proceeds Fund and moneys deposited into the Revenue Fund, including the Negative Arbitrage Account therein. It is not expected, prior to the MBS Delivery Date, that any revenues from the Project or other amounts, except moneys on deposit in the Bond Proceeds Fund and the Revenue Fund, will be available to satisfy that obligation. Prior to the MBS Delivery Date, it is expected that moneys on deposit in the Bond Proceeds Fund and the Negative Arbitrage Account of the Revenue Fund, and the interest earnings thereon, will be sufficient to pay the debt service on the Bonds.

Mandatory Redemption of Bonds Prior to Maturity

Pursuant to the Indenture, under certain circumstances, the Bonds may be subject to mandatory redemption prior to maturity. See “DESCRIPTION OF THE BONDS — Redemption of Bonds” herein and Appendix C hereto.

Eligible Investments

Proceeds of the Bonds deposited into the Bond Proceeds Fund and amounts deposited in the Revenue Fund are required to be invested in Eligible Investments. See “APPENDIX B — DEFINITIONS OF CERTAIN TERMS” hereto for the definition of Eligible Investments. There can be no assurance that there will not be a loss resulting from any investment held for the credit of the Bond Proceeds Fund and the Revenue Fund, and any failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

Rating

Prior to the MBS Delivery Date, the rating on the Bonds is based on the investment in Eligible Investments of amounts on deposit in the Bond Proceeds Fund and the Revenue Fund. If one or more of such investments fail to meet the rating standards for Eligible Investments after their acquisition and prior to maturity, such a change may result in a downgrade or withdrawal of the rating on the Bonds. Following the MBS Delivery Date, the rating on the Bonds is based primarily on the credit rating of Fannie Mae. If any event occurs that causes an adverse change to the credit rating of Fannie Mae, such a change may result in a downgrade or withdrawal of the rating on the Bonds. If

any event occurs that causes a positive change to the credit rating of Fannie Mae, there can be no assurance that such a change would result in an upgrade of the rating on the Bonds.

Repayment of Mortgage Loan

The ability of the Borrower to pay the Mortgage Loan is dependent on the revenues derived from the Project. Due to the inherent uncertainty of future events and conditions, no assurance can be given that revenues generated by the Project will be sufficient to pay expenses of the Project, including without limitation, debt service on the Mortgage Loan, operating expenses, servicing fees, fees due to Fannie Mae, Trustee fees, and fees owed to the Issuer. The ability of the Project to generate sufficient revenues may be affected by a variety of factors including, but not limited to, completion of repairs to such Project, the maintenance of a sufficient level of occupancy, the ability to achieve increases in rents, the level of operating expenses, project management, adverse changes in applicable laws and regulations, general economic conditions and other factors in the surrounding market area for the Project. The Borrower intends to rent all of the units in the Project to persons or families of moderate and low income and the amount of rent that may be charged for such units may be materially less than market rates. In addition to these factors, other adverse events may occur from time to time which may have a negative impact on the occupancy level and rental income of the Project.

Failure of the Borrower to make payments when due under the Mortgage Loan, including payments under the Mortgage Note, will result in an event of default under the Mortgage Loan and the Financing Agreement and may result in a mandatory prepayment of all or a portion of the Bonds. The Mortgage Loan will not be accelerated unless directed by Fannie Mae in its sole discretion in which case the Bonds will remain outstanding and will remain secured by the MBS guaranteed as to timely payment of principal and interest by Fannie Mae. See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS” herein. If Fannie Mae accelerates the Mortgage Loan as a result of any event of default under the Mortgage Loan, the Mortgage Loan will be paid in full, and the stated principal balance of the MBS will be passed through to the holder of the MBS. In this case, no yield maintenance or other prepayment premiums will be payable to the Trustee as holder of the MBS.

The Mortgage Loan is a non-recourse obligation of the Borrower with respect to which neither the Borrower nor its partners have personal liability and as to which the Borrower and its partners have not pledged for the benefit of the Lender any of their respective assets, other than the Project and its rents, profits and proceeds.

Payments on the Bonds Made From Payments Received on MBS

As described elsewhere herein, following the MBS Delivery Date, principal and interest on the Bonds will be paid to registered owners thereof from principal and interest payments received by the Trustee pursuant to the MBS. Although interest accrues on the MBS during a calendar month, the Trustee will not receive such payment on the MBS until the 25th day in the following calendar month, or the next succeeding Business Day if such day is not a Business Day.

MBS Certificate

If the MBS is issued by Fannie Mae and acquired by the Trustee as collateral for the Bonds, Fannie Mae’s obligations will be solely as provided in the MBS and in the Fannie Mae MBS Prospectus and the related form of Prospectus Supplement for MBS Certificate. The obligations of Fannie Mae under the MBS will be obligations solely of Fannie Mae, a federally chartered corporation, and will not be backed by the full faith and credit of the United States of America. The Bonds are not and will not be a debt of the United States of America or any other agency or instrumentality of the United States of America or of Fannie Mae. The Bonds are not and will not be guaranteed by the full faith and credit of Fannie Mae or the United States of America.

It is possible, in the event of the insolvency of Fannie Mae, or the occurrence of some other event precluding Fannie Mae from honoring its obligations to make payments with respect to the MBS, if issued, that the financial resources of the Borrower will be the only source of payment on the Bonds. There can be no assurance that the financial resources of the Borrower will be sufficient to pay the principal of, premium if any, and interest on the Bonds

in the event the Trustee is forced to seek recourse against the Borrower. See “SECURITY FOR AND SOURCES OF PAYMENT FOR THE BONDS” herein.

Performance of the Project and Estimated Rental Revenue Vacancies

The economic feasibility of the Project depends in large part upon the Project’s being substantially occupied at rentals adequate to maintain substantial occupancy throughout the term of the Bonds at sufficient rents and to cover all operating expenses of the Project and debt service on the Mortgage Loan. Although representatives of the Borrower believe, based on surveys of the area where the Project is located, that a substantial number of persons currently need housing facilities such as the Project, occupancy of the Project may be affected by competition from existing housing facilities or from housing facilities which may be constructed in the area served by the Project. While the Borrower believes the Project is needed, there may be difficulties in keeping it substantially occupied. Furthermore, no assurance can be given that the low-income tenants are able to afford the rental rates of the Project, notwithstanding the below-market rental rates. Restrictions imposed under the Code on tenant income and the rent that can be charged could have an adverse effect on the Borrower’s ability to satisfy its obligations under the Financing Agreement, especially if operating expenses should increase beyond what was anticipated.

Limited Liability of Issuer

Notwithstanding anything in the Indenture or in the Bonds, the Issuer shall not be required to advance any money derived from any source other than the Trust Estate, consisting of MBS Revenues and other assets pledged under the Indenture for any of the purposes of the Indenture.

No agreements or provisions contained in the Indenture, nor any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall give rise to any pecuniary liability of the Issuer or a charge against its general credit, or shall obligate the Issuer financially in any way except from the application of the Trust Estate, consisting of MBS Revenues and other proceeds pledged to the payment of the Bonds and the proceeds of the Bonds. No failure of the Issuer to comply with any term, condition, covenant or agreement in the Indenture or in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall subject the Issuer to liability for any claim for damages, costs or other financial and pecuniary charge except to the extent that the same can be paid or recovered from the Financing Agreement or the Trust Estate, consisting of MBS Revenues and other assets pledged to the payment of the Bonds or the proceeds of the Bonds. THE ISSUER HAS NO TAXING POWER.

Secondary Markets and Prices

No representation is made concerning the existence of any secondary market for the Bonds. The Underwriter will not be obligated to repurchase any of the Bonds, nor can any assurance be given that any secondary market will develop following the completion of the offering of the Bonds. Further, there can be no assurance that the initial offering prices for the Bonds will continue for any period of time. Furthermore, the Bonds should be purchased for their projected returns only and not for any resale potential, which may or may not exist.

Future Legislation; IRS Examination

The Project, its operation and the treatment of interest on the Bonds are subject to various laws, rules and regulations adopted by the local, State and federal governments and their agencies. There can be no assurance that relevant local, State or federal laws, rules and regulations will not be amended or modified or interpreted in the future in a manner that could adversely affect the Bonds, the Trust Estate created under the Indenture, the Project, or the financial condition of or ability of the Borrower to comply with its obligations under the various transaction documents.

In recent years, the Internal Revenue Service (the “IRS”) has increased the frequency and scope of its examination and other enforcement activity regarding tax exempt bonds. Currently, the primary penalty available to the IRS under the Code is a determination that interest on bonds is subject to federal income taxation. Such event could occur for a variety of reasons, including, without limitation, failure to comply with certain requirements imposed

by the Code relating to investment restrictions, periodic payments of arbitrage profits to the United States of America, the timely and proper use of Bond proceeds and the facilities financed therewith and certain other matters. See “TAX MATTERS” herein. No assurance can be given that the IRS will not examine the Issuer, the Borrower, the Project or the Bonds. If the Bonds are examined, it may have an adverse impact on their price and marketability.

Potential Impact of Pandemics or Public Health Crises

The spread of the strain of a virus and resulting disease could alter the behavior of businesses and people in a manner that could have negative effects on global, state and local economies. There can be no assurances that the spread of a pandemic would not materially impact both local and national economies and, accordingly, have a materially adverse impact on the Project’s operating and financial viability. The effects of a pandemic could include, among other things, suspension or delay of site inspections and other on-site meetings, interruption in the engagement of material participants in the Project, increase in the time necessary to conduct lease-up at the Project, and increased delinquencies and/or vacancies, all of which could impact the Borrower’s ability to make payments on the loans and result in a default and acceleration thereof.

Limitation of Remedies

Remedies available under the Indenture, the Financing Agreement, and the Regulatory Agreement are limited in certain respects. See “ENFORCEABILITY OF REMEDIES” herein.

Summary

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement and the Appendices hereto.

TAX MATTERS

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Issuer (“Bond Counsel”), based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the “Code”), except that no opinion is expressed as to the status of interest on any Bond for any period that such Bond is held by a “substantial user” of the facilities financed or refinanced by the Bonds or by a “related person” within the meaning of Section 147(a) of the Code. Bond Counsel is further of the opinion that interest on the Bonds is not a specific preference item for purposes of the federal individual alternative minimum tax. Bond Counsel observes that interest on the Bonds included in adjusted financial statement income of certain corporations is not excluded from the federal corporate alternative minimum tax. Bond Counsel is also of the opinion that interest on the Bonds is exempt from State of California personal income taxes. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership, or disposition of, or the amount, accrual or receipt of interest on, the Bonds.

A complete copy of the proposed form of opinion of Bond Counsel is set forth in Appendix I hereto. To the extent the issue price of any maturity of the Bonds is less than the amount to be paid at maturity of such Bonds (excluding amounts stated to be interest and payable at least annually over the term of such Bonds), the difference constitutes “original issue discount,” the accrual of which, to the extent properly allocable to each beneficial owner thereof, is treated as interest on the Bonds which is excluded from gross income for federal income tax purposes and State of California personal income taxes. For this purpose, the issue price of a particular maturity of the Bonds is the first price at which a substantial amount of such maturity of the Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Bonds accrues daily over the term to maturity of such Bonds on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Bonds. Beneficial owners of the Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Bonds

with original issue discount, including the treatment of beneficial owners who do not purchase such Bonds in the original offering to the public at the first price at which a substantial amount of such Bonds is sold to the public.

Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) (“Premium Bonds”) will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of bonds, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a beneficial owner’s basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such beneficial owner. Beneficial owners of Premium Bonds should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Bonds. The Issuer and the Borrower have made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel’s attention after the date of issuance of the Bonds may adversely affect the value of, or the tax status of interest on, the Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of amounts treated as interest on, the Bonds may otherwise affect a beneficial owner’s federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the beneficial owner or the beneficial owner’s other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel’s judgment as to the proper treatment of the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service (“IRS”) or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Issuer or the Borrower, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Issuer and the Borrower have covenanted, however, to comply with the requirements of the Code.

Bond Counsel’s engagement with respect to the Bonds ends with the issuance of the Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Issuer, the Borrower or the beneficial owners regarding the tax-exempt status of the Bonds in the event of an audit examination by the IRS. Under current procedures, beneficial owners would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Issuer or the Borrower legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Bonds for audit, or the course or result

of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Bonds, and may cause the Issuer, the Borrower or the beneficial owners to incur significant expense.

Payments on the Bonds generally will be subject to U.S. information reporting and possibly to “backup withholding.” Under Section 3406 of the Code and applicable U.S. Treasury Regulations issued thereunder, a non-corporate beneficial owner of Bonds may be subject to backup withholding with respect to “reportable payments,” which include interest paid on the Bonds and the gross proceeds of a sale, exchange, redemption, retirement or other disposition of the Bonds. The payor will be required to deduct and withhold the prescribed amounts if (i) the payee fails to furnish a U.S. taxpayer identification number (“TIN”) to the payor in the manner required, (ii) the IRS notifies the payor that the TIN furnished by the payee is incorrect, (iii) there has been a “notified payee underreporting” described in Section 3406(c) of the Code or (iv) the payee fails to certify under penalty of perjury that the payee is not subject to withholding under Section 3406(a)(1)(C) of the Code. Amounts withheld under the backup withholding rules may be refunded or credited against a beneficial owner’s federal income tax liability, if any, provided that the required information is timely furnished to the IRS. Certain beneficial owners (including among others, corporations and certain tax-exempt organizations) are not subject to backup withholding. The failure to comply with the backup withholding rules may result in the imposition of penalties by the IRS.

NO LITIGATION

The Issuer

To the knowledge of the Issuer, there is no proceeding or litigation of any nature now pending or threatened against the Issuer restraining or enjoining the issuance, sale, execution or delivery of the Bonds or the Financing Documents to which the Issuer is a party, or in any way contesting or affecting the validity of the Bonds, any proceedings of the Issuer taken with respect to the issuance or sale thereof, the pledge or application of any money or security provided for the payment of the Bonds, the existence or powers of the Issuer relating to the Bonds or the title of any officers of the Issuer to their respective positions.

The Borrower

There is no legal action, suit, proceeding, investigation or inquiry at law or in equity, before or by any court, agency, arbitrator, public board or body or other entity or person, pending or, to the best knowledge of the Borrower, threatened against or affecting the Borrower or any partner of the Borrower, in their respective capacities as such, nor, to the knowledge of the Borrower, any basis therefor, (i) which would restrain or enjoin the issuance or delivery of the Bonds, the use of this Official Statement in the marketing of the Bonds or the collection of revenues pledged under or pursuant to the Indenture or (ii) which would in any way contest or affect the organization or existence of the Borrower or the entitlement of any officer of the Borrower to its position or (iii) which would contest or have a material and adverse effect upon (A) the due performance by the Borrower of the transactions contemplated by this Official Statement, (B) the validity or enforceability of the Bonds or any other agreement or instrument to which the Borrower is a party and that is used or contemplated for use in the consummation of the transactions contemplated hereby and thereby, (C) the exclusion from gross income for federal income tax purposes of the interest on the Bonds or (D) the financial condition or operations of the Borrower, (iv) which contests in any way the completeness or accuracy of this Official Statement or (v) which questions the power or authority of the Borrower to carry out the transactions on its part contemplated by this Official Statement, or the power of the Borrower to own or operate the Project. The Borrower is not subject to any judgment, decree or order entered in any lawsuit or proceeding brought against it that would have such an effect.

CERTAIN LEGAL MATTERS

The validity of the Bonds and certain other legal matters are subject to an approving opinion of Orrick, Herrington & Sutcliffe LLP, San Francisco, California, Bond Counsel to the Issuer. A complete copy of the proposed form of Bond Counsel opinion is contained in Appendix I hereto. Bond Counsel undertakes no responsibility for the accuracy, completeness or fairness of this Official Statement. Certain legal matters will be passed upon for the Borrower by its counsel, Cox, Castle & Nicolson LLP, San Francisco, California, and for the Underwriter by its counsel, Tiber Hudson LLC, Washington, D.C. Payment of the fees of certain counsel to the transaction is contingent upon the issuance and delivery of the Bonds as described herein.

UNDERWRITING

Pursuant and subject to the terms and conditions set forth in the Bond Purchase Agreement (the “Bond Purchase Agreement”), among Stifel, Nicolaus & Company, Incorporated (the “Underwriter”), the Issuer and the Borrower, the Underwriter has agreed to purchase the Bonds at the price set forth on the cover page hereof. For its services relating to the transaction, the Underwriter will receive a fee of \$_____ plus \$_____, payable in immediately available funds on the Closing Date, from which the Underwriter shall pay certain fees and expenses relating to the issuance of the Bonds. The Underwriter’s fee shall not include the fee of its counsel. [The Underwriter also agrees to advance \$_____ (the “Underwriter’s Advance”) for initial deposits established under the Indenture, and will be reimbursed by the Borrower for the Underwriter’s Advance.]

The Underwriter’s obligations are subject to certain conditions precedent, and the Underwriter will purchase all the Bonds, if any are purchased. Pursuant to the Bond Purchase Agreement, the Borrower has agreed to indemnify the Underwriter and the Issuer against certain civil liabilities, including liabilities under federal securities laws. It is intended that the Bonds will be offered to the public initially at the offering prices set forth on the cover page hereof and that such offering prices subsequently may change without any requirement of prior notice. The Underwriter may offer the Bonds to other dealers at prices lower than those offered to the public.

The Underwriter does not guarantee a secondary market for the Bonds and is not obligated to make any such market in the Bonds. No assurance can be made that such a market will develop or continue. Consequently, investors may not be able to resell Bonds should they need or wish to do so for emergency or other purposes.

The Underwriter and its affiliates comprise a full-service financial institution engaged in activities which may include securities sales and trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. The Underwriter and its affiliates may have provided, and may in the future provide, a variety of these services to the Issuer and/or the Borrower and to persons and entities with relationships with the Issuer and/or the Borrower, for which they received or will receive customary fees and expenses. The Underwriter is not acting as financial advisor to the Issuer or the Borrower in connection with the offer and sale of the Bonds.

In the ordinary course of these business activities, the Underwriter and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the Issuer and/or the Borrower (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Issuer and/or the Borrower.

The Underwriter and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. Such investment and securities activities may involve securities and instruments of the Issuer.

RATING

Moody’s Investors Service, Inc., a Delaware corporation (the “Rating Agency”), has assigned to the Bonds the rating set forth on the cover page hereof. An explanation of the significance of such rating may be obtained from the Rating Agency. The rating of the Bonds reflects only the views of the Rating Agency at the time such rating was given, and neither the Issuer nor the Borrower nor the Underwriter makes any representation as to the appropriateness of the rating. The rating is not a recommendation to buy, sell, or hold the Bonds. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by the Rating Agency, if in its judgment, circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds.

CONTINUING DISCLOSURE

The Borrower, as the only “obligated person” with respect to the Bonds, will enter into a Continuing Disclosure Agreement, dated as of September 1, 2026 (the “Continuing Disclosure Agreement”), with Computershare Trust Company, National Association, acting as Dissemination Agent, pursuant to which the Borrower will agree to provide ongoing disclosure pursuant to the requirements of Rule 15c2-12 of the United States Securities and Exchange Commission (the “Rule”). Financial statements will be provided at least annually to the Municipal Securities Rulemaking Board (the “MSRB”) and notices of certain events will be issued pursuant to the Rule. Information will be filed with the MSRB through its Electronic Municipal Market Access (“EMMA”) system, unless otherwise directed by the MSRB. A form of the Continuing Disclosure Agreement is attached hereto as Appendix G.

For certain projects, certain affiliates of the Borrower have failed to comply with certain undertakings under the Rule during the five-year period prior to the date of this Official Statement, including instances of failure to timely file financial and/or operating data without notice of late filing. [Such affiliates of the Borrower have since made remedial filings of the outstanding information.]

A failure by the Borrower to comply with the provisions of the Continuing Disclosure Agreement will not constitute a default under the Financing Agreement (although Bondholders will have any available remedy at law or in equity for obtaining necessary disclosures). Nevertheless, such a failure to comply is required to be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds.

The Borrower has not previously been subject to the continuing disclosure requirements of the Rule.

THE TRUSTEE

The information under this heading has been provided solely by the Trustee and is believed to be reliable, but has not been verified independently by the Issuer or the Underwriter. No representation whatsoever as to the accuracy, adequacy or completeness of such information is made by the Issuer or the Underwriter.

The Issuer has appointed Computershare Trust Company, National Association, as Trustee under the Indenture. The Trustee is a national banking association organized and existing under the laws of the United States of America, having all of the powers of a bank, including fiduciary powers, and is a member of the Federal Deposit Insurance Corporation and the Federal Reserve System.

The Trustee is to carry out such duties as are assigned to it under the Indenture, the Financing Agreement, and the other Financing Documents. Except for the contents of this section, the Trustee has not reviewed or participated in the preparation of this Official Statement and assumes no responsibility for the nature, contents, accuracy or completeness of the information set forth in this Official Statement or for the recitals contained in the Indenture or the Bonds (except for the certificate of authentication on each Bond), or for the validity, sufficiency, or legal effect of any of such documents.

Furthermore, the Trustee has no oversight responsibility, and is not accountable, for the use or application of any of the Bonds authenticated or delivered pursuant to the Indenture or for the use or application of the proceeds of such Bonds. The Trustee has not evaluated the risks, benefits, or propriety of any investment in the Bonds and makes no representation, and has reached no conclusions, regarding the value or condition of any assets or revenues pledged or assigned as security for the Bonds, the technical or financial feasibility of the expected uses of proceeds of the Bonds or the investment quality of the Bonds, about all of which the Trustee expresses no opinion and expressly disclaims the expertise to evaluate.

ENFORCEABILITY OF REMEDIES

The remedies available to the Trustee, the Issuer and the Bondholders upon an Event of Default under the Indenture, the Financing Agreement or the Regulatory Agreement are in many respects dependent upon regulatory

and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, including specifically the Federal Bankruptcy Code, the remedies provide for under the Indenture, the Financing Agreement or the Regulatory Agreement may not be readily available or may be limited.

In addition, the Financing Agreement provides that the payment obligations of the Borrower contained therein (other than certain obligations to the Issuer and the Trustee) will be limited obligations payable solely from the income and assets of the Borrower, and that no partner of the Borrower will have any personal liability for the satisfaction of any payment obligation of the Borrower under such agreements or of any claim against the Borrower arising out of such agreements or the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State and the United States of America and bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

RELATIONSHIP AMONG PARTIES

In connection with the issuance of the Bonds, the Issuer, the Borrower, and the Underwriter are being represented by the attorneys or law firms identified herein. In other transactions not related to the Bonds, each of these attorneys or law firms may have acted as bond counsel or represented the Issuer, the Underwriter, the Borrower, or their affiliates, in capacities different from those described herein, and there will be no limitations imposed as a result of the issuance of the Bonds on the ability of any of those attorneys or firms to act as bond counsel or represent any of these parties in any future transactions. Potential purchasers of the Bonds should not assume that the Issuer, the Underwriter, the Borrower, or their respective counsel or Bond Counsel have not previously engaged in, or will not after the issuance of the Bonds engage in, other transactions with each other or with affiliates of any of them, and no assurance can be given that there are or will be no past or future relationships or transactions between or among any of these parties or these attorneys or law firms.

APPENDIX A

FANNIE MAE MORTGAGE-BACKED SECURITIES PROGRAM

This summary of the Fannie Mae Mortgage Backed Securities Program, the Fannie Mae Certificates and the documents referred to herein has not been provided or approved by Fannie Mae, does not purport to be comprehensive and is qualified in its entirety by reference to the Fannie Mae MBS Prospectus (Multifamily Fixed-Rate Yield Maintenance) for Guaranteed Mortgage Pass-Through Certificates (the “Fannie Mae MBS Prospectus”) which will be available and can be found if and when the MBS is issued, by inputting the CUSIP shown in Appendix H hereto into Fannie Mae’s multifamily disclosure system, DUS Disclose (<https://mfdusdisclose.fanniemae.com/#/home>). The template for the Fannie Mae MBS Prospectus, as of the date of this Official Statement can be found at <https://capitalmarkets.fanniemae.com/media/26581/display>. The template for the Fannie Mae MBS Prospectus may change from time to time. The Fannie Mae MBS Prospectus, if and when available, will consist of the template for the Fannie Mae MBS Prospectus applicable at the time of the issuance of the MBS with the cover page completed with the MBS-specific information, an Additional Disclosure Addendum substantially in the form attached as Schedule I to this Appendix A, and an Annex A containing information substantially consistent with the Term Sheet attached hereto as Appendix H†.

Security..... Guaranteed Mortgage Pass-Through Certificates (Multifamily Residential Mortgage Loans).

General Fannie Mae is a government-sponsored enterprise that was established by the U.S. Congress in 1938 under the name “Federal National Mortgage Association” to support liquidity and stability in the secondary mortgage market, where existing mortgage loans are purchased and sold. The address of its principal office is 1100 15th Street, NW, Washington, DC 20005; the telephone number is 800-2FANNIE (800-232-6643).

Fannie Mae has been under conservatorship since September 6, 2008. The conservator, the Federal Housing Finance Agency (“FHFA”), succeeded to all rights, titles, powers and privileges of Fannie Mae and of any shareholder, officer or director of the company with respect to the company and its assets. For additional information on the conservatorship, see “**FANNIE MAE — Regulation and Conservatorship**” in the Fannie Mae MBS Prospectus.

Fannie Mae’s regulators include FHFA, the U.S. Department of Housing and Urban Development (“HUD”), the Securities and Exchange Commission (the “SEC”), and the U.S. Department of the Treasury (the “Treasury”). The Office of Federal Housing Enterprise Oversight, the predecessor of FHFA, was Fannie Mae’s safety and soundness regulator prior to enactment of the Federal Housing Finance Regulatory Reform Act of 2008.

On September 7, 2008, Fannie Mae entered into a senior preferred stock purchase agreement with the Treasury pursuant to which Fannie Mae issued to it one million shares of senior preferred stock and a warrant to purchase, for a nominal price, shares of common stock equal to 79.9% of the outstanding common stock of Fannie Mae. **Nevertheless, Fannie Mae alone is responsible for making payments under its guaranty. The MBS if issued by Fannie Mae and acquired by the Trustee and payments of principal and interest on the MBS will not be guaranteed by the United States and do not constitute a debt or obligation of the United States or any of its agencies or instrumentalities other than Fannie Mae.**

† Reference to the cover page and dates in this Appendix A are to the applicable Fannie Mae Prospectus.

Sponsor and Depositor	Fannie Mae is the sponsor of this offering of certificates and the depositor of the mortgage loans into the trust.
Description of MBS.....	The MBS if issued by Fannie Mae and acquired by the Trustee will represent a pro rata undivided beneficial ownership interest in (i) the Mortgage Loan or (ii) the pool of mortgage loan participation interests that comprise the trust. See “THE MORTGAGE LOAN” in the Official Statement. Fannie Mae will issue the MBS in book-entry form on the book-entry system of the U.S. Federal Reserve Banks. The book-entry MBS will not be convertible into physical certificates.
Minimum Denomination	Fannie Mae will issue the MBS in minimum denominations of \$1,000, with additional increments of \$1.
Issue Date	The date specified on the cover page, which is the first day of the month in which the MBS is issued.
Settlement Date	The date specified on the cover page, which is a date no later than the last business day of the month in which the issue date occurs.
Distribution Date	The “Distribution Date” is the 25th day of each month which is the date designated for payments to the Trustee as holder of the MBS, if issued. If that day is not a Business Day, payments will be made on the next Business Day. The first Distribution Date for the MBS will occur in the month following the month in which the MBS is issued. For example, if the issue date is January 1, the first distribution date is February 25 or, if February 25 is not a Business Day, the first Business Day following February 25.
Maturity Date	The date specified on the cover page, which is the date that the final payment is due on the last mortgage loan remaining in the pool.
Use of Proceeds	The MBS is backed by a pool of one or more mortgage loans that Fannie Mae recently acquired or already owned. Fannie Mae is issuing the MBS either in exchange for the recently acquired mortgage loans or for cash proceeds that are generally used for purchasing other mortgage loans or for general corporate purposes.
Interest.....	On each Distribution Date, Fannie Mae will pass through on the MBS, if issued, one month’s interest at the fixed “Pass-Through Rate”. Because Fannie Mae’s guaranty requires it to supplement amounts received by the trust as required to permit timely payment of interest, the amount of interest distributed to certificateholders on a Distribution Date will not be affected by any loss mitigation measure, taken with respect to, or other loan modification made to, the Mortgage Loan while it remains in the trust.

As described under the caption “**MATERIAL FEDERAL INCOME TAX CONSEQUENCES**” which can be found at <https://capitalmarkets.fanniemae.com/media/26581/display>, the MBS and payments on the MBS, including interest payments thereon, are subject to federal income taxation. Such interest payments only become excluded from gross income for federal income tax purposes and excluded from taxation by the State, to the extent described elsewhere herein, when applied by the Trustee to pay interest due on the Bonds. See “TAX MATTERS” in the Official Statement herein.

Principal

Fannie Mae will receive collections on the Mortgage Loan on a monthly basis. The period Fannie Mae uses to differentiate between collections in one month and collections in another month is called the due period. The due period is the period from and including the second calendar day of the preceding month in which the Distribution Date occurs to and including the first calendar day of the month in which the Distribution Date occurs.

On each Distribution Date, Fannie Mae will pass through principal of the MBS, if issued, as follows:

- the aggregate amount of the scheduled principal due on the Mortgage Loan in the pool during the related due period; and
- the aggregate amount of all unscheduled principal payments received as specified below:
 - the stated principal balance of the Mortgage Loan as to which prepayments in full were received during the calendar month immediately preceding the month in which that Distribution Date occurs;
 - the stated principal balance of the Mortgage Loan if it was purchased from the pool during the calendar month immediately preceding the month in which that Distribution Date occurs; and
 - the amount of any partial prepayments on the Mortgage Loan that were received during the calendar month immediately preceding the month in which that Distribution Date occurs.

Because Fannie Mae’s guaranty requires it to supplement amounts received by the trust as required to permit timely payment of the principal amounts specified above, the amount of principal distributed to certificateholders on a Distribution Date will **not** be affected by any loss mitigation measure taken with respect to, or other loan modification made to, the Mortgage Loan while it remains in the trust.

Fannie Mae may treat a prepayment in full received on the first Business Day of a month as if the prepayment were received on the last Business Day of the preceding month. If Fannie Mae does so, it passes through these prepayments on the Distribution Date in the same month in which the prepayment actually was received. For example, if a prepayment on the Mortgage Loan in full is actually received on the first Business Day of January, it would be treated as if it had been received on the last Business Day of December and, therefore, would be passed through on January 25 (or the next Business Day, if January 25 is not a Business Day).

The Mortgage Loan permits the reamortization of principal after a permitted voluntary prepayment or an involuntary partial prepayment caused by the receipt of proceeds from insurance or condemnation. A reamortization of the Mortgage Loan will cause a change in the amount of principal that is passed through to holders of the MBS.

Monthly Pool Factors On or about the fourth Business Day of each month, Fannie Mae publishes the monthly pool factor for each issuance of its certificates. If an investor multiplies the monthly pool factor by the original principal balance of the MBS, the investor will obtain the current principal balance of the MBS, after giving effect to the monthly principal payment to be passed through on the Distribution Date in that month. The most current pool factor is generally available through DUS Disclose on Fannie Mae’s website at <https://mfdusdisclose.fanniemae.com/#/home>.

Guaranty Fannie Mae guarantees to each trust that on each Distribution Date it will supplement amounts received by the trust as required to permit payments on the MBS in an amount equal to:

- the aggregate amounts of scheduled and unscheduled principal payments described in “—Principal” above, and
- an amount equal to one month’s interest on the MBS, as described in “—Interest” above.

In addition, Fannie Mae guarantees to the related trust that it will supplement amounts received by the trust as required to make the full and final payment of the unpaid principal balance of the related certificates on the Distribution Date in the month of the maturity date specified in the prospectus supplement.

Certificateholders have certain limited rights to bring proceedings against the Treasury if Fannie Mae fails to pay under its guaranty. The total amount that may be recovered from the Treasury is subject to limits imposed in the senior preferred stock purchase agreement. For a description of certificateholders’ rights to proceed against Fannie Mae and the Treasury, see “**FANNIE MAE—Certificateholders’ Rights Under the Senior Preferred Stock Purchase Agreement**” in the Fannie Mae MBS Prospectus.

Prepayments	A borrower may voluntarily prepay the loan in full. Except during the open period, each mortgage loan in the pool requires payment of a prepayment premium if the loan is prepaid voluntarily, as disclosed on Annex A. A portion of the prepayment premium, if collected, may be shared with certificateholders under the circumstances described in “ YIELD, MATURITY AND PREPAYMENT CONSIDERATIONS—Maturity and Prepayment Considerations—Prepayment of a Mortgage Loan ” in the Fannie Mae MBS Prospectus. Fannie Mae does not guarantee to any trust the payment of any prepayment premiums.
Master Servicing/Servicing	Fannie Mae is responsible as master servicer for certain duties. Fannie Mae has contracted with the mortgage servicer identified on Annex A to perform servicing functions for us subject to our supervision. Fannie Mae refers to this servicer or any successor servicer as its primary servicer. In certain limited circumstances, Fannie Mae may act as primary servicer. For a description of Fannie Mae’s duties as master servicer and the responsibilities of its primary servicer, see “ THE TRUST DOCUMENTS—Collections and Other Servicing Practices ” and “ FANNIE MAE PURCHASE PROGRAM—Servicing Arrangements ” in the Fannie Mae MBS Prospectus.
Business Day	Any day other than a Saturday or Sunday, a day when the fiscal agent or paying agent is closed or is authorized or obligated by law or executive order to remain closed, a day when the Federal Reserve Bank of New York is closed or is authorized or obligated by law or executive order to remain closed, or, for purposes of withdrawals from a certificate account, a day when the Federal Reserve Bank is closed or is authorized or obligated by law or executive order to remain closed in the district where the certificate account is maintained if the related withdrawal is being made from that certificate account.
Trust Documents	If issued, the MBS will be issued pursuant to the applicable trust agreement relating to the MBS issued at that time, as supplemented by a trust issue supplement for that issuance. Certain pertinent provisions of the trust agreement in the Fannie Mae MBS Prospectus will apply. Investors should refer to the trust agreement and the related trust issue supplement for a complete description of their rights and obligations as well as those of Fannie Mae in its various capacities. The current form of the trust agreement, as of the date hereof, may be found on Fannie Mae’s website: http://www.fanniemae.com .
Trustee	Fannie Mae serves as the trustee for the trust pursuant to the terms of the trust agreement and the related trust issue supplement.
Paying Agent	An entity designated by Fannie Mae to perform the functions of a paying agent. The Federal Reserve Bank of New York currently serves as Fannie Mae’s paying agent for certificates such as the MBS.
Fiscal Agent	An entity designated by Fannie Mae to perform certain administrative functions for the trust. The Federal Reserve Bank of New York currently serves as Fannie Mae’s fiscal agent for certificates such as the MBS.

Multifamily Mortgage Loan Pool. Each mortgage loan in the pool is a fixed-rate loan included in one of the following categories:

- Fixed-rate loans with monthly payments of interest only during their entire loan terms, with a balloon payment of all outstanding principal at maturity;
- Fixed-rate loans with monthly payments of interest only during specified initial periods, followed by monthly payments of principal and interest for their remaining loan terms, with a balloon payment of all outstanding principal at maturity;
- Fixed-rate loans with monthly payments of interest only during specified initial periods, followed by monthly payments of principal and interest that fully amortize over their remaining loan terms;
- Fixed-rate loans with monthly payments of interest and principal during their entire loan terms, with a balloon payment of all outstanding principal at maturity; and
- Fixed-rate loans with monthly payments of interest and principal that fully amortize over their loan terms.

Multifamily Mortgage Loans..... Each mortgage loan in the pool was acquired from a multifamily mortgage loan seller that Fannie Mae has approved. A mortgage loan may have been originated by the seller or may have been acquired by the seller from the originator of the loan, which may or may not be an approved mortgage loan seller. Each mortgage loan that Fannie Mae acquires either meets its published standards or is reviewed by Fannie Mae before delivery to determine its suitability. Fannie Mae may modify its standards or permit waivers on specific transactions from time to time.

Types of Property Each mortgage loan in the pool is secured by a lien on one or more of the following types of property:

- Multifamily residential properties;
- Cooperative housing projects;
- Dedicated student housing;
- Manufactured housing communities;
- Military housing; or
- Seniors housing

Annex A discloses the type of property securing each mortgage loan in the pool and the priority of each lien. Any type of property may also be considered affordable housing; Annex A discloses certain affordable housing characteristics.

Termination The trust will terminate when the certificate balance of the certificates has been reduced to zero, and all required distributions have been passed through to certificateholders. Fannie Mae has no unilateral option to cause an early termination of the trust other than by purchasing a mortgage loan from the pool for a reason permitted by the trust documents.

Federal Income Tax Consequences	The mortgage pool will be classified as a fixed investment trust. Unless otherwise disclosed in the Additional Disclosure Addendum, Fannie Mae will file an election to treat the mortgage pool as a being included in the assets of a real estate mortgage investment conduit (“REMIC”). In that case, for federal income tax purposes the related certificate will represent ownership of a REMIC regular interest and an interest in any associated prepayment premiums, in each case, in respect of each mortgage loan in the pool. See “ MATERIAL FEDERAL INCOME TAX CONSEQUENCES ” in the Fannie Mae MBS Prospectus.
Whole Pool Certificates.....	Fannie Mae’s counsel, Katten Muchin Rosenman LLP, has advised Fannie Mae that certificates issued under the trust documents that represent 100% of the beneficial interests in a pool of mortgage loans (or participation interests therein) held in the related trust and with respect to which REMIC elections are made will qualify as “whole pool certificates” to the same extent as certificates that represent 100% of the beneficial interests in a pool of mortgage loans (or participation interests therein) held in a trust with respect to which no REMIC elections are made.
Resecuritization	Following the assignment of mortgage loans to a trust, the related certificates upon issuance will represent the initial securitization of the mortgage loans. Any further assignment of the certificates to a REMIC trust or other issuance vehicle will represent the initial resecuritization of the mortgage loans. Certificates backed by mortgage loans with respect to which a REMIC election is made may be resecuritized to the same extent as, and may be commingled freely with, certificates backed by mortgage loans with respect to which no REMIC election is made.
Legal Investment Considerations .	Under the Secondary Mortgage Market Enhancement Act of 1984, the certificates offered by this prospectus will be considered “securities issued or guaranteed by ... the Federal National Mortgage Association.” Nevertheless, investors should consult their own legal advisor to determine whether and to what extent the certificates of an issuance constitute legal investments for them.
ERISA Considerations.....	For the reasons discussed in “ERISA CONSIDERATIONS” in the Fannie Mae MBS Prospectus, an investment in the certificates by a plan subject to the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) will not cause the assets of the plan to include the mortgage loans underlying the certificates or the assets of Fannie Mae under the fiduciary provisions of ERISA or the prohibited transaction provisions of ERISA or Section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”). Nevertheless, fiduciaries of such plan investors should consult with counsel regarding the applicability of the provisions of ERISA and Section 4975 of the Code before purchasing the certificates.

FORM OF ADDITIONAL DISCLOSURE ADDENDUM

The following information supplements the information in the Fannie Mae MBS Prospectus. In the event of any inconsistency between the information provided in this Addendum and the information in the Fannie Mae MBS Prospectus, the information in this Addendum shall prevail.

The mortgage loan is an affordable housing loan and, accordingly, the mortgaged property is subject to affordable housing regulatory agreements that impose income and rent restrictions on tenants of the mortgaged property. Failure to comply with these agreements is an event of default under the loan agreement. See “THE MORTGAGE LOANS — Affordable Housing Loans”; “RISK FACTORS — RISKS RELATING TO YIELD AND PREPAYMENT — Prepayments Relating to Specific Types of Mortgage Loans and Mortgaged Properties — The successful operation of a mortgaged property securing an affordable housing mortgage loan may depend upon additional factors” and “RISK FACTORS — RISKS RELATING TO YIELD AND PREPAYMENT — Prepayments Relating to Specific Types of Mortgage Loans and Mortgaged Properties — An affordable housing mortgage loan may be secured by a mortgaged property that has received an allocation of low-income housing tax credits but that fails to remain in compliance with the requirements for maintaining eligibility to receive the tax credits due to operations of the property or a casualty on the property” in the Fannie Mae MBS Prospectus for additional information.

Failure to comply with the covenants described in the preceding paragraph is an event of default under the loan agreement. See “THE MORTGAGE LOANS — Affordable Housing Loans”; “RISK FACTORS — RISKS RELATING TO YIELD AND PREPAYMENT — Prepayments Relating to Specific Types of Mortgage Loans and Mortgaged Properties—The successful operation of a mortgaged property securing an affordable housing mortgage loan may depend upon additional factors” and “RISK FACTORS — RISKS RELATING TO YIELD AND PREPAYMENT — Prepayments Relating to Specific Types of Mortgage Loans and Mortgaged Properties — An affordable housing mortgage loan may be secured by a mortgaged property that has received an allocation of low-income housing tax credits but that fails to remain in compliance with the requirements for maintaining eligibility to receive the tax credits due to operations of the property or a casualty on the property” in the Fannie Mae MBS Prospectus for additional information.

The MBS certificates will serve as collateral for a tax-exempt issue of multifamily housing bonds (the “Bonds”) issued by the California Statewide Communities Development Authority (the “Issuer”) pursuant to and secured by an indenture of trust between the Issuer and Computershare Trust Company, National Association, as trustee. The mortgage loan documents provide that the mortgage loan is cross-defaulted with certain agreements relating to the Bonds entered into at the time of the issuance of the Bonds, including but not limited to the indenture authorizing the Bonds and any housing regulatory agreements that limit rents, impose income restrictions or otherwise restrict the use of the property.

Because the mortgage loan documents provide that the mortgage loan is cross-defaulted with certain of the agreements entered into at the time of the issuance of the Bonds, a default under any of the cross-defaulted documents may trigger an event of default on the mortgage loan. If Fannie Mae accelerates the mortgage loan as a result of any event of default under the mortgage loan, the mortgage loan will be paid in full, and the stated principal balance of the MBS certificates will be passed through to the holder of the MBS certificates. In this case, no yield maintenance or other prepayment premiums will be payable to the holder of the MBS certificates.

The mortgaged property benefits from an exemption from property taxes pursuant to the California Welfare Tax Exemption under Section 214(g) of the California Revenue and Taxation Code. This exemption is based in part on the fact that the mortgaged property is an affordable property that has a non-profit entity within the borrower’s ownership structure. Any (a) termination, substantial reduction, or material modification of the tax exemption that would become effective prior to the date that is five (5) years after the mortgage loan maturity date (an “Adverse Tax Abatement Event”) caused by the action or inaction of borrower, (b) failure by borrower to comply with the terms of the loan agreement relating to compliance with the tax exemption program that continues beyond the expiration of any applicable cure period afforded to borrower under the tax exemption program, or (c) transfer of the mortgaged property, any interest in the mortgaged property, or any interest in the borrower that would cause an Adverse Tax Abatement Event is an event of default under the loan agreement. See “THE MORTGAGE LOANS —

Characteristics of Multifamily Properties — Mortgage Loan Secured by Property Receiving Real Estate Tax Benefits under a Tax Relief Program” and “RISK FACTORS — RISKS RELATING TO YIELD AND PREPAYMENT — Prepayments Relating to Specific Types of Mortgage Loans and Mortgaged Properties — A mortgaged property may benefit from a state or local property tax relief program that subjects the borrower and the property to specific requirements. These requirements may become applicable subsequent to the issuance of the certificates. The failure to meet these requirements may be an event of default under the mortgage loan” in the Fannie Mae MBS Prospectus for additional information.

The mortgage loan is a bifurcated mortgage loan, divided between two separate mortgage notes: the mortgage note for \$31,665,000* that is held in this pool, and the mortgage note for \$3,500,000* that is held in another pool for its applicable MBS certificate. The total debt secured by the mortgaged property is \$35,165,000*. Both mortgage notes are documented under the same mortgage loan documents, including the same loan agreement, are equal in priority of payment and are secured by one consolidated security instrument, but may have different terms. Information about the other mortgage note may be found in Annex A and in the disclosure documents for the MBS certificate backing the other mortgage note. The other mortgage note is not part of this pool and does not back the certificate being offered hereunder.

Because the mortgage note for this pool and the mortgage note for the other pool are secured by the same mortgaged property and documented under the same mortgage loan documents, including the same loan agreement and security instrument, the mortgage note for this pool and the mortgage note for the other pool are effectively cross defaulted with each other. If an event of default occurs and is continuing under the loan documents, Fannie Mae may declare the defaulted mortgage loan evidenced by the mortgage note for this pool and the mortgage note for the other pool immediately due and payable. See “THE MORTGAGE LOANS — General Characteristics of the Mortgage Loans — Bifurcated Loans” in the Fannie Mae MBS Prospectus for additional information.

The borrower may obtain a supplemental loan secured by a lien on the mortgaged property. Any such supplemental loan is expected to be subordinate to the mortgage loan. Generally, however, the supplemental loan will be cross-defaulted with the mortgage loan. As a result, an event of default on the supplemental loan may cause an event of default on the mortgage loan, which may result in acceleration of the mortgage loan. See “THE MORTGAGE LOANS — General Characteristics of the Mortgage Loans — Existing and Future Supplemental Mortgage Loans — Future Supplemental Mortgage Loans” and “— Cross-Default; Existing Mortgage Loans; Future Supplemental Mortgage Loans” in the Fannie Mae MBS Prospectus for additional information.

In addition to the matters described above, the eligible multifamily lender originating the mortgage loan may request the disclosure of additional matters relating to the mortgage loan or, upon delivery of the mortgage loan to Fannie Mae, in Fannie Mae’s discretion, it may determine that matters identified in the Term Sheet attached as APPENDIX H hereto or otherwise may need to be disclosed in the Additional Disclosure Addendum provided in connection with the issuance of the MBS certificates.

The payment of interest on a May 1 or November 1 Payment Date shall be in an amount equal to the interest accrued during the preceding six calendar months; provided that the payment of interest on the Initial Payment Date shall relate to the interest accrued from the Bond Dated Date to and including the calendar day immediately preceding the Initial Payment Date.

The Bonds shall be issued as registered bonds without coupons in Authorized Denominations. The Bonds shall be lettered “R” and shall be numbered separately from “1” consecutively upwards. The Bonds shall be issued initially as Book-Entry Bonds.

The Bonds shall mature (subject to prior redemption as set forth in the Indenture) on the dates, and shall bear interest at the rates per annum (not to exceed the Maximum Rate), set forth in the Indenture.

On each Payment Date, payment of the principal of and interest or premium, if any, on any Bond shall be made to the person appearing on the Bond Register as the registered owner thereof on the applicable Record Date. The principal of and the interest on the Bonds shall be payable in coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts of the United States of America. Unless the Bonds are Book-Entry Bonds, the principal of the Bonds shall be payable to the registered owners thereof upon presentation (except in connection with a maturity of Bonds pursuant to the Indenture) at the designated corporate trust office of the Trustee or its successors. Unless the Bonds are Book-Entry Bonds, payments of interest on the Bonds shall be paid by check or draft mailed to the registered owner thereof at such owner’s address as it appears on the registration books maintained by the Trustee on the applicable Record Date or at such other address as is furnished to the Trustee in writing by such owner. The Trustee shall cause CUSIP number identification with appropriate dollar amounts for each CUSIP number to accompany all payments of interest, principal or Redemption Price made to such owners, whether such payment is made by check or wire transfer. All payments of principal of and interest on Book-Entry Bonds shall be made and given at the times and in the manner set out in the Representation Letter, as more fully specified in the Indenture.

The Bonds shall be subject to redemption prior to maturity as provided in the Indenture.

The date of authentication of each Bond shall be the date such Bond is registered.

Execution; Limited Obligation. The Bonds shall be signed by, or bear the facsimile or manual signature of, an Authorized Officer of the Issuer, and attested to by the manual or facsimile signature of the Secretary of the Board of Commissioners of the Issuer. In case any one or more of the officers of the Issuer who shall have signed any of the Bonds or whose signature appears on any of the Bonds shall cease to be such officer before the Bonds so signed shall have been actually authenticated or delivered or caused to be delivered by the Trustee or issued by the Issuer, such Bonds may, nevertheless, be authenticated by the Trustee and issued and, upon such authentication, delivery and issue, shall be as binding upon the Issuer as if the persons who signed such Bonds or whose signatures appear on any of the

Bonds had not ceased to hold such office until such delivery. Any Bond may be signed on behalf of the Issuer by such persons as at the actual time of execution of the Bonds shall be duly authorized or hold the proper office in the Issuer, although at the date of issuance and delivery of the Bonds such persons may not have been so authorized or have held such office.

Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Issuer, at the expense of the owner of such Bond shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be cancelled by it and delivered to, or upon the order of, the Issuer. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence shall be satisfactory to it and indemnity satisfactory to the Trustee shall be given, the Issuer, at the expense of the owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Bond authenticated and delivered under this section and of the expenses which may be incurred by the Issuer and the Trustee in connection therewith. Any Bond authenticated and delivered under the provisions of this section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Issuer whether or not the Bond so alleged to be lost, destroyed or stolen shall be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of the Indenture with all other Bonds secured by the Indenture. If any such Bond shall have matured, or is about to mature, instead of issuing a new Bond the Trustee may pay the same without surrender thereof upon receipt of the aforementioned mutilated Bond or proof of loss, destruction or theft and indemnity.

Registration, Transfer and Exchange of Bonds; Persons Treated as Owners. The Issuer shall cause books for the registration, transfer and exchange of the Bonds as provided in the Indenture to be kept by the Trustee, which under the Indenture is constituted and appointed the bond registrar with respect to the Bonds (the "Bond Registrar"). At reasonable times and under reasonable regulations established by the Trustee, said books may be inspected and copied by the Issuer or by owners (or a designated representative thereof) of a majority in aggregate principal amount of the Bonds then Outstanding. The Trustee is also appointed as paying agent for the Bonds under the Indenture.

The registration of each Bond is transferable by the registered owner thereof in person or by its attorney duly authorized in writing at the designated corporate trust office of the Trustee. Upon surrender for registration of transfer of any Bond at such office, the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond of the same maturity or maturities and in Authorized Denominations for the same aggregate principal amount. Bonds to be exchanged shall be surrendered at said designated corporate trust office of the Trustee, and the Trustee shall authenticate and deliver in exchange therefor a Bond of equal aggregate principal amount of the same maturity and in Authorized Denominations.

All Bonds presented for registration of transfer, exchange or payment (if so required by the Issuer or the Trustee) shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Trustee, duly executed by the registered owner or by its duly authorized attorney. The transferor shall also provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The Issuer, the Bond Registrar and the Trustee shall not be required (i) to issue, register the transfer of or exchange any Bonds during a period beginning at the Trustee's opening of business on the applicable Record Date and ending at the Trustee's close of business on the applicable Payment Date; or (ii) to register the transfer of or exchange any Bond selected, called or being called for redemption as provided in the Indenture. No charge shall be made to any Bondholder for the privilege of registration of transfer as provided in the Indenture, but any Bondholder requesting any such registration of transfer shall pay any tax or governmental charge required to be paid therefor.

New Bonds delivered upon any registration of transfer or exchange shall be valid obligations of the Issuer, evidencing the same debt as the Bonds surrendered, shall be secured by the Indenture and shall be entitled to all of the security and benefits of the Indenture to the same extent as the Bonds surrendered.

The person in whose name any Bond is registered shall be deemed the owner thereof by the Issuer and the Trustee, and any notice to the contrary shall not be binding upon the Issuer or the Trustee. Notwithstanding anything in the Indenture to the contrary, to the extent the Bonds are Book-Entry Bonds, the provisions of the Indenture shall govern the exchange and registration of Bonds.

Terms of Redemption

The Bonds shall be subject to redemption prior to maturity under the Indenture as stated under this heading.

Mandatory Redemption in Whole Upon Failure to Purchase the MBS by the MBS Delivery Date Deadline. The Bonds are subject to mandatory redemption in whole five (5) calendar days after the MBS Delivery Date Deadline at a Redemption Price equal to 100% of the Outstanding principal amount thereof, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred (or, if no Payment Date has occurred, from the Bond Dated Date) to, but not including, such redemption date, if the MBS Delivery Date has not occurred on or prior to the MBS Delivery Date Deadline, payable with respect to principal first, from money on deposit in the Bond Proceeds Fund, and with respect to premium, if any, and interest, from money on deposit in the Revenue Fund and other Eligible Funds.

Mandatory Redemption in Part on the MBS Delivery Date. The Bonds are subject to mandatory redemption in part on the MBS Delivery Date at a Redemption Price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred to, but not including, the MBS Delivery Date, in an amount equal to the difference between (i) the principal amount of the MBS purchased on the MBS Delivery Date and (ii) the aggregate principal amount of the Bonds Outstanding as of the first day of the month in which the MBS Delivery Date occurred, payable with respect to principal first, from money on deposit in the Bond Proceeds Fund, and with respect to interest and premium, if any, from money on deposit in the Revenue Fund and other Eligible Funds.

Mandatory Redemption Following Unscheduled Prepayment of the Mortgage Loan.

The Bonds are subject to mandatory redemption in whole or in part on or as soon as practical after one Business Day after the date on which any unscheduled MBS principal payment or prepayment is received by the Trustee, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued interest and premium, if any, received pursuant to the MBS.

The Mortgage Loan is subject to optional prepayment by the Borrower. Any yield maintenance or prepayment penalty in connection with prepayment of the Mortgage Loan that is received by the Trustee as holder of the MBS will be distributed to Bondholders, as applicable; however, no assurance can be given that all or any portion of such yield maintenance or prepayment penalty will be received by the Trustee as holder of the MBS.

Selection of Bonds for Redemption. In the event the Bonds are redeemed in part, the Bonds shall be redeemed ratably across all maturities (or as near as practical taking into account Authorized Denominations) shall be adjusted so that the resulting debt service on the Bonds during each six-month period commencing on each Payment Date is proportional, as nearly as practicable, to the payments on the MBS during each such six-month period, without exceeding the amount available from MBS payments, and other available funds under the Indenture that may be used to pay debt service on the Bonds, during each such six-month period. All Bonds to be redeemed within the same maturity shall be selected randomly. Any redemption in part shall be in Authorized Denominations.

Except as otherwise described above, any Bonds to be called for redemption shall be selected by the Trustee ratably among maturities and within a maturity randomly, such selection to be made prior to the date on which notice of such redemption must be given and Bonds shall be redeemed as soon as practicable after an event causing a redemption shall have occurred. The Trustee shall have no liability for such selections made without gross negligence or willful misconduct.

If it is determined that less than all of the principal amount represented by any Bond is to be called for redemption, then, following notice of intention to redeem such principal amount, the holder thereof shall surrender such Bond to the Trustee on or before the applicable redemption date for (a) payment on the redemption date to such

Bondholder of the Redemption Price of the amount called for redemption and (b) delivery to such Bondholder of a new Bond or Bonds of such Series in an aggregate principal amount equal to the unredeemed balance of such Bond. A new Bond representing the unredeemed balance of such Bond shall be issued to the registered owner thereof, without charge therefor. If the registered owner of any Bond selected for redemption shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the amount called for redemption (and to that extent only).

Notice of Redemption

Anytime the Bonds are subject to redemption in whole or in part pursuant to the Indenture (except for a redemption pursuant to the heading “Terms of Redemption — Mandatory Redemption Following Unscheduled Prepayment of the Mortgage Loan” above), the Trustee, in accordance with the provisions of the Indenture, shall give at least five (5) calendar days’ notice, in the name of the Issuer, of the redemption of the Bonds, which notice shall specify the following: (i) the maturity and principal amounts of the Bonds to be redeemed; (ii) the CUSIP number, if any, of the Bonds to be redeemed; (iii) the date of such notice; (iv) the issuance date for such Bonds; (v) the interest rate on the Bonds to be redeemed; (vi) the redemption date; (vii) any conditions to the occurrence of the redemption; (viii) the place or places where amounts due upon such redemption will be payable; (ix) the Redemption Price; (x) the Trustee’s name and address with a contact person and a phone number; and (xi) that on the redemption date, the Redemption Price shall be paid. Notice delivered as required in this heading “Notice of Redemption” with respect to a redemption described under the heading “Mandatory Redemption Upon Failure to Purchase the MBS by the MBS Delivery Date Deadline,” above, may be rescinded and annulled on or before the redemption date set forth in such notice if (i) the MBS is delivered on or prior to such redemption date or (ii) the MBS Delivery Date Deadline is extended pursuant to the Indenture. Neither the giving of such notice by the Trustee nor the receipt of such notice by the Bondholders shall be a condition precedent to the effectiveness of any such redemption. Notwithstanding anything in the Indenture to the contrary, no notice of redemption shall be required with respect to redemptions described under the heading “Terms of Redemption – Mandatory Redemption Following Unscheduled Prepayment of the Mortgage Loan” above.

The Bonds to be redeemed in part pursuant to the Indenture will be selected in accordance with the operational arrangements of DTC or any successor Substitute Depository.

In the event that the MBS has not been purchased by, and delivered to, the Trustee ten (10) Business Days prior to the MBS Delivery Date Deadline (as such date may be extended under the Indenture), the Trustee shall provide to the Borrower, the Lender, the Issuer and the Underwriter, ten (10) Business Days prior to the MBS Delivery Date Deadline, written notice of such non-purchase.

Notwithstanding this section, no prior notice shall be a prerequisite to the effectiveness of any redemption under the heading “Terms of Redemption” which redemption shall occur and be effective irrespective of whether the Trustee fulfills its obligation to provide the notice with respect to the heading “Terms of Redemption” above required under this heading “Notice of Redemption.”

Payment of Redemption Price

With respect to any redemption pursuant to the heading “Terms of Redemption” above, notice having been given in the manner provided in the heading “Notice of Redemption” above (or not required to be given as a result of a redemption pursuant to the heading “Terms of Redemption – Mandatory Redemption Following Unscheduled Prepayment of the Mortgage Loan” above), and all conditions to the redemption contained in such notice, if applicable, having been met, the Bonds so called for redemption shall become due and payable on the redemption date so designated as the Redemption Price specified in the heading “Terms of Redemption” above, and, except in the case of a redemption as described under the heading “Terms of Redemption – Mandatory Redemption Following Unscheduled Prepayment of the Mortgage Loan” above, upon presentation and surrender thereof at the offices specified in such notice, together with, in the case of Bonds presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or its duly authorized attorney; provided, however, that so long as the Bonds are registered in the name of the Depository, payment for such redeemed Bonds shall be made in accordance with the Representation Letter of the Issuer. If, on the redemption date, moneys for the redemption of all of the Bonds or the Bonds to be redeemed, together with all accrued interest on such Bonds, to the redemption date, shall be held by the

Trustee so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date, interest on the Bonds so called for redemption shall cease to accrue.

Extension of MBS Delivery Date Deadline

At any time prior to the MBS Delivery Date Deadline, the Borrower may extend the MBS Delivery Date Deadline by (i) providing to the Trustee, the Lender, the Issuer, the Rating Agency and the Underwriter written notice of any extension of the MBS Delivery Date Deadline, (ii) depositing with the Trustee Eligible Funds for the credit of the Negative Arbitrage Account of the Revenue Fund in an amount, taking into account amounts already on deposit therein, sufficient to pay interest due on the Bonds to the date that is five (5) calendar days after the extended MBS Delivery Date Deadline (the "Extension Deposit"), and (iii) delivering to the Trustee and the Rating Agency a Cash Flow Projection establishing the sufficiency of the Extension Deposit. Extension Deposits may continue to be made by or on behalf of the Borrower until the MBS Delivery Date occurs or the Borrower declines to make an Extension Deposit resulting in the mandatory redemption pursuant to the heading "Mandatory Redemption in Whole Upon Failure to Purchase the MBS by the MBS Delivery Date Deadline" above; provided, however, the MBS Delivery Date Deadline may not be extended to a date that is later than the fourth anniversary of the Bond Dated Date unless, prior to any extension beyond such date, there shall be filed with the Trustee and the Issuer an opinion of Bond Counsel to the effect that such extension will not, in and of itself, adversely affect the exclusion of interest on the Bonds from gross income for Federal income tax purposes. The cost of such opinion shall be the sole responsibility of the Borrower.

Delivery of MBS

The obligation of the Trustee to purchase the MBS on the MBS Delivery Date shall be subject to receipt by the Trustee of written notification from the Lender upon which the Trustee may rely and act without further investigation certifying that the MBS duly executed by Fannie Mae is available for purchase by the Trustee at the MBS Purchase Price and such other information relating to the MBS as may be reasonably requested by the Trustee, and the Trustee shall confirm that such MBS meets the following requirements:

(a) the MBS shall bear interest at the Pass-Through Rate payable on the 25th day of each month, commencing on the 25th day of the month following the month in which the Trustee purchases the MBS, or if any such 25th day is not a Business Day, the next succeeding Business Day, and shall mature on the MBS Maturity Date; and

(b) the MBS shall be acquired by the Trustee on behalf of the Issuer, shall be held at all times by the Trustee in trust for the benefit of the Bondholders and shall be held only in book-entry form through the United States Federal Reserve Bank book-entry system, pursuant to which the MBS shall have been registered on the records of the Federal Reserve Bank in the name of the Trustee.

The MBS shall be registered in the name of the Trustee or its designee. Upon purchase of the MBS on the MBS Delivery Date, the Trustee shall post a notification to this effect on the Electronic Municipal Market Access website of the Municipal Securities Rulemaking Board.

Pledge of Trust Estate

The pledge and assignment of and the security interest granted in the Trust Estate pursuant to the Granting Clauses of the Indenture for the payment of the principal of, premium, if any, and interest on the Bonds, in accordance with their terms and provisions, and for the payment of all other amounts due under the Indenture, shall attach, be perfected and be valid and binding from and after the time of the delivery of the Bonds by the Trustee or by any person authorized by the Trustee to deliver the Bonds. The Trust Estate so pledged and then or thereafter received by the Trustee shall immediately be subject to the lien of such pledge and security interest without any physical delivery thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Issuer irrespective of whether such parties have notice thereof.

Establishment of Funds

The Trustee shall establish, maintain and hold in trust the following funds, each of which shall be maintained by the Trustee as a separate and distinct fund or account, and each of which shall be disbursed and applied only as authorized in the Indenture:

- (a) Revenue Fund, including therein a Negative Arbitrage Account;
- (b) Costs of Issuance Fund;
- (c) Bond Proceeds Fund;
- (d) Rehabilitation Fund; and
- (e) Rebate Fund.

The Trustee shall, at the written direction of an Authorized Borrower Representative and may, in its discretion, establish such additional accounts within any fund, and subaccounts within any of the accounts, as the Issuer or the Trustee may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that fund and its accounts, or for the purpose of complying with the requirements of the Code, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of the Indenture with respect to a deposit or use of money in the respective Funds, or result in commingling of funds not permitted thereunder.

Application of Funds on MBS Delivery Date

On the MBS Delivery Date, the Trustee shall remit to the Lender, from amounts on deposit in the Bond Proceeds Fund, as payment for the MBS, an amount equal to the aggregate principal amount of the MBS, plus, from the Revenue Fund (and, to the extent amounts in the Revenue Fund, other than amounts in the Negative Arbitrage Account therein, are insufficient for such purposes, from the Negative Arbitrage Account therein), accrued and unpaid interest on the MBS at the Pass-Through Rate from the first of the month in which the MBS was delivered to, but not including, the MBS Delivery Date.

Revenue Fund

(a) On any Payment Date that occurs prior to or during the month in which the MBS is delivered to the Trustee, the Trustee shall disburse from the Revenue Fund (and, to the extent amounts in the Revenue Fund, other than from amounts in the Negative Arbitrage Account, are insufficient for such purposes, from the Negative Arbitrage Account therein), an amount equal to the amount of interest due on the Bonds. On the first Business Day following the first Payment Date following the MBS Delivery Date, the Trustee shall release to the Borrower any remaining balance in the Revenue Fund (including the Negative Arbitrage Account therein) that exceeds a total of \$20,000.

(b) There shall be deposited into the Negative Arbitrage Account of the Revenue Fund as and when received, (i) the Negative Arbitrage Deposit and (ii) any Extension Deposit.

(c) There shall be deposited into the Revenue Fund, as and when received, (i) following the MBS Delivery Date, all moneys received by the Trustee representing principal payments or prepayments, and premium, if any, under the MBS, together with all other amounts required pursuant to the Indenture to be deposited therein, (ii) any other amounts specified in the Indenture, and (iii) all moneys received by the Trustee representing interest payments under the MBS, to be held therein pending application in accordance with the terms of the Indenture.

(d) On the MBS Delivery Date, the Trustee shall remit from the Revenue Fund (and, to the extent amounts in the Revenue Fund, other than amounts in the Negative Arbitrage Account therein, are insufficient for such purposes, from the Negative Arbitrage Account therein) to the Lender accrued and unpaid interest on the MBS at the

Pass-Through Rate from and including the first calendar day of the month in which the MBS was delivered to, but not including, the MBS Delivery Date.

(e) On each Payment Date, the Trustee shall pay to the Bond owners, from the Revenue Fund, the amount listed in the applicable maturity, interest payment schedule set forth in the Indenture. All payments of interest shall be paid to Bond owners in proportion to the principal amount of Bonds owned by each Bond owner as set forth on the records of the Trustee at the close of business on the applicable Record Date.

(f) If the Trustee does not receive a scheduled payment on the MBS by 5:00 p.m. Eastern Time on the 25th day of any month (or the next succeeding Business Day if such day of the month is not a Business Day), the Trustee shall promptly notify Fannie Mae and promptly demand payment under the terms of the guaranty thereof.

(g) Following the MBS Delivery Date, the Trustee is authorized to release Excess Funds from the Revenue Fund to or upon the direction of the Borrower, upon receipt by the Trustee of a Cash Flow Projection.

Rebate Fund

The Rebate Fund shall not be subject to the lien or encumbrance of the Indenture, but shall be held in trust for the benefit of the United States of America, and shall be subject to the claim of no other person, including that of the Trustee and Bondholders. The interest on any Eligible Investments representing an investment of moneys in the Rebate Fund and any profit arising from the sale thereof shall be retained in the Rebate Fund. Any moneys deposited therein in accordance with the provisions of the Indenture shall be used for no other purpose than to make payments to the United States Treasury, at the time and in the manner and amount specified in the Indenture.

Costs of Issuance Fund

On or before the Closing Date, the Borrower shall deliver to the Trustee the Costs of Issuance Deposit, from amounts other than Bond proceeds, to be deposited to the Costs of Issuance Fund to pay Costs of Issuance incurred in connection with the issuance of Bonds. The Trustee shall use amounts in the Costs of Issuance Fund on the Closing Date or as soon as practicable thereafter in accordance with written instructions to be given to the Trustee by the Borrower, upon delivery to the Trustee of appropriate invoices for such expenses. Any unexpended amounts attributable to deposits made by the Borrower (not constituting proceeds of the Bonds) remaining on deposit in the Costs of Issuance Fund three months after the Closing Date shall be returned to the Borrower promptly thereafter and the Costs of Issuance Fund shall be closed.

Bond Proceeds Fund

Amounts deposited into the Bond Proceeds Fund shall be used by the Trustee on the MBS Delivery Date to pay the principal portion of the MBS Purchase Price as set forth under the heading "Application of Funds on MBS Delivery Date," above. All investment earnings from amounts on deposit in the Bond Proceeds Fund shall be transferred to the Revenue Fund.

Rehabilitation Fund

The Trustee shall establish, create and maintain a Rehabilitation Fund under the Indenture and moneys shall be held in the Rehabilitation Fund for reasons of convenience and tax accounting only. To the extent Mortgage Loan proceeds are not fully expended on the Closing Date, the Lender may deliver the balance of the Mortgage Loan proceeds to the Trustee for deposit into the Rehabilitation Fund. The Rehabilitation Fund shall not be a part of the Trust Estate. Amounts on deposit in the Rehabilitation Fund shall be disbursed by the Trustee to fund the Project Costs pursuant to requisitions executed by the Borrower and approved by the Lender in the form attached to the Indenture as an exhibit. The moneys in the Rehabilitation Fund shall, pending disbursement to the Borrower at the written direction of the Lender, pursuant to the terms of the Multifamily Loan and Security Agreement, be pledged by the Borrower to the Lender until the MBS Delivery Date, and thereafter to Fannie Mae, and shall be released to, or at the written direction of (i) the Lender if the MBS is not delivered by the MBS Delivery Date Deadline; and (ii) following the MBS Delivery Date upon notice to the Trustee from Fannie Mae that an event of default has occurred

and is continuing under the Mortgage Loan Documents to Fannie Mae. The Trustee shall hold such funds as custodian for Lender as the pledgee and not for the Bondholders.

Investment of Funds

The moneys held by the Trustee shall constitute trust funds for the purposes of the Indenture. Any moneys attributable to each of the Funds and Accounts under the Indenture shall be invested by the Trustee at the written direction or telephonic direction (promptly confirmed in writing) of the Borrower in Eligible Investments which mature or are redeemable at par, without penalty, on or before the date on which such funds are expected to be needed for the purposes for which they are held. Notwithstanding anything in the Indenture to the contrary except as otherwise set forth in this sentence, (i) prior to the MBS Delivery Date, all amounts in the Bond Proceeds Fund and the Revenue Fund shall be invested solely in Eligible Investments, and (ii) following the MBS Delivery Date, payments received with respect to the MBS shall be invested solely in Eligible Investments described in clause (b) of the definition of Eligible Investments herein which shall mature or be redeemable at par without penalty at the times set forth in the Indenture. All investment earnings from amounts on deposit in the Bond Proceeds Fund and the Revenue Fund shall be credited to the Revenue Fund. In the absence of written direction, the Trustee shall invest amounts on deposit in the Funds and Accounts established in the fund: Federated U.S. Treasury Cash Reserves MMF #632, NASDAQ: TISXX, or if such fund is no longer available, then solely in Eligible Investments described in clause (b) of the definition of Eligible Investments. The Trustee may make any and all such investments through its own banking department or the banking department of any affiliate.

Eligible Investments representing an investment of moneys attributable to any Fund or Account shall be deemed at all times to be a part of such Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary to do so in order to provide moneys to make any transfer, withdrawal, payment or disbursement from such Fund. In the case of any required transfer of moneys to another such Fund, such investments may be transferred to that Fund in lieu of the required moneys if permitted by the Indenture as an investment of moneys in that Fund.

All Eligible Investments acquired by the Trustee pursuant to the Indenture shall be purchased in the name of the Trustee and shall be held for the benefit of the Bondholders pursuant to the terms of the Indenture. The Trustee shall take such actions as shall be necessary to ensure that such Eligible Investments are held pursuant to the terms of the Indenture and are subject to the trust and security interest created in the Indenture.

The Trustee shall not be liable or responsible for any loss resulting from any investment made in accordance with the Indenture. The Trustee or its affiliates may act as sponsor, principal or agent in the acquisition or disposition of investments. The Trustee may commingle investments made under the Funds and Accounts established under the Indenture but shall account for each separately. The Trustee shall be entitled to assume that any investment which at the time of purchase is an Eligible Investment remains an Eligible Investment thereafter, absent receipt of written notice or actual knowledge of a responsible officer in the corporate trust department of the Trustee to the contrary. The Trustee shall have no responsibility to monitor the ratings of Eligible Investments after the initial purchase of or investment in such Eligible Investment.

In computing for any purpose under the Indenture the amount in any Fund or Account on any date, obligations so purchased shall be valued at the lower of cost or par exclusive of accrued interest and may be so valued as of any time within four days prior to such date.

The Issuer acknowledges that regulations of the Comptroller of the Currency grant the Issuer and the Borrower the right to receive brokerage confirmations of the security transactions as they occur. The Issuer and the Borrower by their execution of the Financing Agreement specifically waive such notification to the extent permitted by law and will receive periodic cash transaction statements that will detail all investment transactions. The Issuer and the Borrower may receive brokerage confirmations at no additional cost upon their written request.

Particular Covenants

Payment of Bonds. Subject to the other provisions of the Indenture, the Issuer shall duly and punctually pay or cause to be paid, solely, from amounts available in the Trust Estate the principal of, premium, if any, and interest on the Bonds, at the dates and places and in the manner described in the Bonds, according to the true intent and meaning thereof. The Bonds are not a general obligation of the Issuer and are payable solely from the Trust Estate.

The payment and other obligations of the Issuer with respect to the Bonds are intended to be, and shall be, independent of the payment and other obligations of the issuer or maker of the Mortgage Note and the MBS.

Tax Covenants. The Issuer shall not take any action that will cause the interest paid on the Bonds to be includable in gross income for federal income tax purposes or to be subject to personal income taxation by the State. In furtherance of the foregoing covenant, the Issuer particularly covenants and agrees with the Bondholders as follows:

(a) No part of the proceeds of the Bonds or any other funds of the Issuer shall be used by the Issuer at any time directly or indirectly to acquire securities or obligations, the acquisition of which, or which in any other manner, would cause any Bond to be an arbitrage bond as defined in Section 148 of the Code and any applicable Regulations promulgated thereunder.

(b) The Issuer will not knowingly take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code and any applicable Regulations promulgated thereunder.

In the event of a conflict between the provisions under this heading “Tax Covenants” and the Tax Certificate, the provisions of the Tax Certificate shall control.

Extension of Payment of Bonds. The Issuer shall not directly or indirectly extend or assent to the extension of the maturity of the principal due on any of the Bonds or the time of payment of interest due on the Bonds, and if the time for payment of any such claims for interest shall be extended through any other means, such Bonds or claims for interest shall not be entitled in case of any default under the Indenture to any payment out of the Trust Estate or the funds (except funds held in trust for the payment of particular Bonds pursuant to the Indenture) held by the Trustee, except subject to the provisions of the Indenture and subject to the prior payment of the principal of all Bonds issued and Outstanding the maturity of which has occurred and has not been extended and of such portion of the accrued interest on the Bonds which is not represented by such extended claims for interest.

If an Extension Deposit has not been made pursuant to the Indenture, such that the aggregate balance in the Bond Proceeds Fund and the Revenue Fund is equal to 100% of the principal amount of the Bonds plus interest accrued on the Bonds to the date which is five (5) calendar days following the MBS Delivery Date Deadline (as such date may be extended under the Indenture), then the Bonds shall be subject to mandatory redemption as set forth in the Indenture.

Discharge of Indenture

Defeasance.

(a) If all Bonds shall be paid and discharged as provided in this section, then all obligations of the Trustee and the Issuer under the Indenture with respect to all Bonds shall cease and terminate, except only (i) the obligation of the Trustee to pay or cause to be paid to the owners thereof all sums due with respect to the Bonds and to register, transfer and exchange Bonds pursuant to the Indenture, (ii) the obligation of the Issuer to pay the amounts owing to the Trustee under the Indenture from the Trust Estate, and (iii) the obligation of the Issuer to comply with the Indenture. Any funds held by the Trustee at the time of such termination which are not required for payment to Bondholders or for payment to be made by the Issuer, shall be paid as provided in the Indenture. Notwithstanding the defeasance of the Bonds, the Borrower shall remain obligated to pay the amounts owing to the Trustee under the paragraph “Fees, Charges and Expenses of Trustee” below.

Any Bond or portion thereof in an Authorized Denomination shall be deemed no longer Outstanding under the Indenture if paid or discharged in any one or more of the following ways:

(i) by well and truly paying or causing to be paid the principal of, premium, if any, and interest on such Bond which have become due and payable; or

(ii) by depositing with the Trustee, in trust, cash which, together with the amounts then on deposit in the Revenue Fund and dedicated to this purpose, is fully sufficient to pay when due all principal of, and premium, if any, and interest on such Bond to the maturity or earlier redemption date thereof; or

(iii) by depositing with the Trustee, in trust, any investments listed under the definition of Eligible Investments in the Indenture, or a combination of cash and such investments, in such amount as in the written opinion of a certified public accountant or nationally recognized verification agent will, together with the interest to accrue on such Eligible Investments without the need for reinvestment, be fully sufficient to pay when due all principal of, and premium, if any, and interest on such Bond to the maturity or earlier redemption date thereof, notwithstanding that such Bond shall not have been surrendered for payment.

(b) Notwithstanding the foregoing, no deposit under clauses (ii) and (iii) of the second paragraph of subsection (a) above shall be deemed a payment of such Bond until the earlier to occur of:

(i) if such Bond is by its terms subject to redemption within 45 days, proper notice of redemption of such Bond shall have been previously given in accordance with the Indenture to the holder thereof or, in the event such Bond is not by its terms subject to redemption within 45 days of making the deposit under clauses (ii) and (iii) of the second paragraph of subsection (a) above, the Issuer shall have given the Trustee irrevocable written instructions to mail by first-class mail, postage prepaid, notice to the holder of such Bond as soon as practicable stating that the deposit required by clauses (ii) or (iii) of the second paragraph of subsection (a) above, as applicable, has been made with the Trustee and that such Bond is deemed to have been paid and further stating such redemption date or dates upon which money will be available for the payment of the principal and accrued interest thereon; or

(ii) the maturity of such Bond.

(c) The Trustee shall be entitled to receive and rely upon a report from a nationally recognized accounting firm or other nationally recognized verification agent to provide for the payment of all Bonds to be defeased pursuant to this section.

Default Provisions and Remedies of Trustee and Bondholders

Events of Default. Each of the following events shall constitute an Event of Default under the Indenture:

(a) On and after the MBS Delivery Date, failure by Fannie Mae to pay principal, interest or premium, if any, due under the MBS (upon such failure, the Trustee shall notify Fannie Mae not later than the next Business Day (all such notices to be promptly confirmed in writing) and require the failure to be remedied);

(b) Failure to pay the principal, interest or premium, if any, on the Bonds when the same shall become due; or

(c) Default in the observance or performance of any other covenant, agreement or condition on the part of the Issuer in the Indenture and the continuation of such default for a period of 90 days after written notice to the Issuer from the Trustee or the registered owners of not less than 75% in aggregate principal amount of the Bonds Outstanding at such time specifying such default and requiring the same to be remedied.

The Trustee will promptly notify in writing the Issuer, the Bondholders, the Lender and Fannie Mae after an Authorized Officer of the Trustee obtains actual knowledge or receives written notice of the occurrence of an Event of Default or an event which would become an Event of Default with the passage of time or the giving of notice, or both.

Acceleration; Rescission of Acceleration.

(a) Upon (i) the occurrence of an Event of Default under item (a) under the heading “Default Provisions and Remedies of Trustee and Bondholders – Events of Default,” above or (ii) prior to the delivery of the MBS, the occurrence of an Event of Default under item (b) under the heading “Default Provisions and Remedies of Trustee and Bondholders – Events of Default,” above, the Trustee may, and upon the written request of the holders of not less than seventy-five percent (75%) in aggregate principal amount of the Bonds Outstanding, shall declare (and shall deliver written notice of such declaration to the Issuer, the Lender, the Borrower and Fannie Mae) the principal of all Bonds Outstanding, premium, if any, and the interest accrued thereon immediately due and payable.

(b) An Event of Default (i) following the MBS Delivery Date under item (b) under the heading “Default Provisions and Remedies of Trustee and Bondholders – Events of Default,” above or (ii) under paragraph (c) under “Events of Default” above shall not give rise to an acceleration pursuant to paragraph (a) under “Acceleration; Rescission of Acceleration” above, provided, however, that following such an Event of Default, the holder of one hundred percent (100%) of the Bonds Outstanding may direct the Trustee in writing to transfer the MBS to it or its designee, in which case, the Trustee shall transfer and deliver to such requesting Beneficial Owner the Trustee’s beneficial ownership interest in the MBS. The transfer described in this paragraph (b) shall take effect as set forth in, and shall be governed by, the following terms:

(i) The Trustee shall transfer and deliver to such requesting owner the Trustee’s beneficial ownership interest in the MBS promptly following (i) delivery to the Trustee (via DTC withdrawal or otherwise) of the Bonds being exchanged, and (ii) payment by the requesting owner of the Trustee’s exchange fee (\$1,000) with respect to such Bonds;

(ii) The MBS will be in book-entry form;

(iii) Transfers of the MBS will be made in accordance with current market practices, including the applicable provisions of the SIFMA’s Uniform Practices for the Clearance and Settlement of Mortgage Backed Securities and Other Related Securities;

(iv) Upon receipt of the Bonds from the requesting Beneficial Owner, the Trustee will promptly cancel all Bonds, which will not be reissued;

(v) The MBS delivered in such an exchange will not be exchangeable for Bonds;

(vi) The MBS delivered in such an exchange will also be subject to any applicable disclosure requirements concerning mortgage-backed securities that have been issued in connection with the multifamily mortgage lending program of a governmental housing finance agency and financed by tax-exempt obligations; and

(vii) Interest on the MBS is not excludable from gross income for federal income tax purposes.

(c) The acceleration of the Bonds will not constitute a default under, or by itself cause the acceleration of, the MBS. If at any time after the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Issuer, the Borrower or Fannie Mae, as applicable, shall pay to or deposit with the Trustee a sum sufficient to pay all principal of the Bonds then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) on all the Bonds then due with interest at the rate borne by the Bonds on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable expenses of the Trustee shall have been made good or cured or adequate provisions shall have been made therefor, and all other defaults under the Indenture have been made good

or cured or waived in writing by the holders of a majority in principal amount of the Bonds Outstanding, then and in every case, the Trustee on behalf of the holders of all the Bonds shall rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, nor shall it impair or exhaust any right or power consequent thereon.

Other Remedies; Rights of Bondholders. Subject to the Indenture, upon the happening and continuance of an Event of Default, the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the holders of all Bonds, may also proceed to protect and enforce any rights of the Trustee and, to the full extent that the holders of such Bonds themselves might do, the rights of such Bondholders under the laws of the State or under the Indenture by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights:

(a) By pursuing any available remedies under the Financing Agreement, the Regulatory Agreement or the MBS;

(b) Upon an Event of Default under paragraph (a) under the heading “Events of Default” above only, by realizing or causing to be realized through sale or otherwise upon the security pledged under the Indenture (including the sale or disposition of the MBS); and

(c) By action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

If an Event of Default shall have occurred, and if requested by the holders of not less than 75% (or 100% as set forth in paragraph (b) under “Acceleration; Rescission of Acceleration” above) in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction, the Trustee shall be obligated to exercise one or more of the rights and powers conferred by the Indenture as the Trustee, being advised by counsel, shall deem to be in the best interests of the Bondholders subject to the limitations set forth above and in the Indenture.

No right or remedy by the terms of the Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right and remedy shall be cumulative and shall be in addition to any other right or remedy given to the Trustee or to the Bondholders under the Indenture, the Financing Agreement, the Regulatory Agreement or the MBS or now or thereafter existing at law or in equity.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or Event of Default under the Indenture, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Waivers of Events of Default. The Trustee shall waive any Event of Default under the Indenture and its consequences and rescind any declaration of maturity of principal of, premium, if any, and interest on the Bonds upon the written request of the holders of a majority in aggregate principal amount of all Bonds then Outstanding with respect to which there is an Event of Default; provided, however, that there shall not be waived (a) any default in the payment of the principal amount of any Bonds at the date of maturity specified therein or upon proceedings for mandatory redemption, or (b) any default in the payment when due of the interest or premium, if any, on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such Event of Default shall have occurred on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or

upon proceedings for mandatory redemption) as the case may be, and all expenses of the Trustee in connection with such monetary default, shall have been paid or provided for, and in case of any such waiver or rescission, the Issuer, the Borrower, the Trustee and the Bondholders shall be restored to their former positions and rights under the Indenture respectively.

No such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto; and no delay or omission of the Trustee or of any Bondholders to exercise any right or power accruing upon any Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default, or acquiescence therein.

Termination of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason or determined adversely to the Trustee, then in every such case the Issuer, the Borrower, the Trustee and the Bondholders shall be restored to their former positions and rights under the Indenture, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Concerning the Trustee

Acceptance of the Trusts. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by the Indenture by executing the Indenture, and agrees to perform said trusts, but only upon and subject to the Indenture's express terms and conditions and no implied covenants or conditions shall be read into the Indenture against the Trustee.

Fees, Charges and Expenses of Trustee. The Issuer shall have no liability for the Trustee's fees, costs or expenses. Notwithstanding any provision to the contrary in the Indenture, but subject to the limitations set forth in the definition of Ordinary Trustee Fees and Expenses as defined in the Indenture, the Trustee shall be entitled to payment for reasonable fees for its services rendered under the Indenture and the Financing Agreement and reimbursement for all advances, counsel fees and other expenses reasonably made or incurred by the Trustee (including any co-Trustee) in connection with such services which shall be paid from time to time as provided in the Financing Agreement; provided that no such amounts shall be paid to the Trustee from the proceeds of the MBS or the MBS Revenues. Prior to the MBS Delivery Date, upon an Event of Default under paragraph (b) or (c) under the heading "Events of Default" above, or after the MBS Delivery Date, upon an Event of Default under paragraph (a) under the heading "Events of Default" above as a result of a failure by Fannie Mae to make payment under the MBS, but only upon such an Event of Default, the Trustee shall have a lien upon the Trust Estate for Extraordinary Trustee Fees and Expenses incurred by it. The Borrower will indemnify and save harmless the Trustee against any liabilities which the Trustee may incur in the exercise and performance of its powers and duties under the Indenture, the Financing Agreement and the Regulatory Agreement which are not due to its own negligence or willful misconduct, and to reimburse the Trustee for any fees and expenses of the Trustee (including counsel fees and expenses) to the extent they exceed funds available under the Indenture for the payment thereof, subject only to the right of the Borrower to contest the reasonableness of any such fees or the necessity for any such expenses. The Trustee shall continue to perform its duties and obligations under the Indenture until such time as its resignation or removal is effective pursuant to the Indenture. The provisions of this section shall survive the termination of the Indenture and the resignation or removal of the Trustee.

Merger or Consolidation of Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto shall be and become successor Trustee under the Indenture and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties to the Indenture, anything in the Indenture to the contrary notwithstanding.

Resignation by Trustee. The Trustee and any successor Trustee may at any time resign from the trusts created by the Indenture by giving 30 calendar days' written notice to the Issuer and Fannie Mae, and such resignation shall only take effect upon the appointment, pursuant to the Indenture, of, and acceptance by, a successor Trustee. The

successor Trustee shall give notice of such succession by first class mail, postage prepaid, to each Bondholder at the address of such Bondholder shown on the Bond Register.

Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to Fannie Mae, and signed by the Issuer (or if an Event of Default shall have occurred and be continuing, by the owners of a majority in aggregate principal amount of the Bonds then Outstanding, in which event such instrument or instruments in writing shall also be delivered to the Issuer) provided that such removal shall not take effect until the appointment and acceptance of a successor Trustee by the Issuer (or by the Bondholders).

Appointment of Successor Trustee. In case at any time the Trustee or any successor thereto shall resign or shall be removed or shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of such Trustee or of its property shall be appointed, or if any public officer shall take charge or control of such Trustee or of its property or affairs, a successor may be appointed by the Issuer with the approval of Fannie Mae (if it is not in default in its obligations under the MBS), or if Fannie Mae does not approve a successor the Issuer proposes to appoint, or if the Issuer is in default under the Indenture, by the holders of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Issuer, by an instrument or concurrent instruments in writing signed by such Bondholders, or their attorneys duly authorized in writing, and delivered to such successor Trustee, notification thereof being given to the Issuer, Fannie Mae, the Borrower and the predecessor Trustee. If in a proper case no appointment of a successor Trustee shall have been made pursuant to the foregoing provisions of this section within 45 days after the Trustee shall have given to the Issuer written notice as provided in the Indenture or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Bondholder may, at the expense of the Borrower, apply to any court of competent jurisdiction to appoint a successor. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Any Trustee appointed under the provisions of this section shall be a bank, trust company or national banking association, having a designated office within the State, having trust powers, with prior experience as trustee under indentures under which multifamily housing revenue bonds of public agencies or authorities are issued, and having a capital and surplus acceptable to the Issuer, the Lender and Fannie Mae, willing and able to accept the office on reasonable and customary terms in light of the circumstances under which the appointment is tendered and authorized by law to perform all the duties imposed upon it by the Indenture, if there be such an institution meeting such qualifications willing to accept such appointment.

Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under the Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Issuer, the Borrower, Fannie Mae, and any Bondholder which shall request the same, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if named in the Indenture as such Trustee, but the Trustee ceasing to act shall nevertheless, on the written request of the Issuer, Fannie Mae or the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as reasonably may be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any properties held by it under the Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in the Indenture. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such moneys, estates, properties, rights, powers and duties, any and all such deeds, conveyances and instruments in writing, on request, and so far as may be authorized by law, shall be executed, acknowledged and delivered by the Issuer.

Collection of MBS Payments. The Trustee shall cause the MBS to be registered in the name of the Trustee or in the name of the nominee of the Trustee with such additional recitals as appropriate to indicate that the MBS is to be held by the Trustee in its capacity as Trustee under the Indenture subject to the provisions of the Indenture. In the event that any amount payable to the Trustee under the MBS is not received by the Trustee within one Business Day of the date such payment is due, the Trustee shall notify Fannie Mae or (if directed by Fannie Mae) the paying agent for the MBS by telephone (such notification to be immediately confirmed by Electronic Means) that such

payment has not been received in a timely manner and request that such payment be made by wire transfer of immediately available funds to the account of the Trustee or such custodian, as the case may be.

Requests from Rating Agency. The Trustee shall promptly respond in writing, or in such other manner as may be reasonably requested, to requests from the Rating Agency for information deemed necessary by the Rating Agency in order to maintain the rating assigned thereby to the Bonds. The Trustee shall promptly furnish any such requested information in its possession to the Rating Agency and shall, as may be reasonably requested by the Rating Agency, assist in efforts to obtain any necessary information from the Issuer or the Borrower or Fannie Mae as applicable.

Supplemental Indentures

Supplemental Indentures Effective upon Acceptance. For any one or more of the following purposes and at any time or from time to time, the Issuer and the Trustee may enter into a Supplemental Indenture which, upon the execution and delivery thereof by the Issuer and by the Trustee, and with the prior written consent of Fannie Mae, but without the necessity of consent of the Bondholders, shall be fully effective in accordance with its terms:

- (a) To add to the covenants or agreements of the Issuer contained in the Indenture other covenants or agreements to be observed by the Issuer or to otherwise revise or amend the Indenture in a manner which are/is not materially adverse to the interests of the Bondholders;
- (b) To add to the limitations or restrictions contained in the Indenture other limitations or restrictions to be observed by the Issuer which are not contrary to or inconsistent with the provisions of the Indenture as theretofore in effect;
- (c) To surrender any right, power or privilege reserved to or conferred upon the Issuer in the Indenture, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Issuer contained in the Indenture and is not materially adverse to the interests of the Bondholders;
- (d) To confirm, as further assurance, any pledge of the Trust Estate under the Indenture and the subjection to any lien on or pledge of the Trust Estate created or to be created by the Indenture;
- (e) To appoint a co-trustee or successor Trustee or successor co-trustee;
- (f) To cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provision in the Indenture; and
- (g) To insert such provisions clarifying matters or questions arising under the Indenture as are necessary or desirable and are not materially adverse to the interests of the Bondholders.

Supplemental Indentures Requiring Consent of Bondholders. In addition to those amendments to the Indenture which are authorized under the heading “Supplemental Indentures Effective Upon Acceptance” above, any modification or amendment of the Indenture may be made by a Supplemental Indenture with the written consent, given as hereinafter provided under the heading “Consent of Bondholders” below, of Fannie Mae and the holders of at least two thirds in aggregate principal amount of the Bonds Outstanding at the time such consent is given; provided, however, that no such modification or amendment shall (a) permit a change in the terms of redemption or maturity of the principal amount of any Outstanding Bond or an extension of the date for payment of any installment of interest thereon or a reduction in the principal amount of, premium, if any, or the rate of interest on any Outstanding Bond without the consent of the holder of such Bond, (b) reduce the proportion of Bonds the consent of the holders of which is required to effect any such modification or amendment or to effectuate an acceleration of the Bonds prior to maturity, (c) permit the creation of a lien on the Trust Estate pledged under the Indenture prior to or on a parity with the lien of the Indenture, (d) deprive the holders of the Bonds of the lien created by the Indenture upon the Trust Estate (except as expressly provided in the Indenture), without (with respect to (b) through (d)) the consent of the holders of all Bonds then Outstanding, or (e) change or modify any of the rights or obligations of the Trustee without the written consent thereto of the Trustee.

Consent of Bondholders. The Issuer and the Trustee may, at any time, execute and deliver a Supplemental Indenture making a modification or amendment permitted by the provisions under the heading “Supplemental Indentures Requiring Consent of Bondholders” above, to take effect when and as provided in this section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in a form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Trustee to the Bondholders. Such Supplemental Indenture shall not be effective unless there shall have been filed with the Trustee (a) the written consents of Fannie Mae and the holders of the proportion of Outstanding Bonds specified under the heading “Supplemental Indentures Requiring Consent of Bondholders” above, and (b) an opinion of Bond Counsel stating that such Supplemental Indenture has been duly and lawfully entered into by the Issuer in accordance with the provisions of the Indenture, is authorized or permitted by the provisions of the Indenture, and, when effective, will be valid and binding upon the Issuer. Each such consent of the Bondholders shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by the Indenture. A certificate or certificates by the Trustee that it has examined such proof and that such proof is sufficient under the provisions of the Indenture shall be conclusive that the consents have been given by the holders of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the holder of the Bonds giving such consent and upon any subsequent holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent holder thereof has notice thereof). At any time after the holders of the required proportion of Bonds shall have filed their consents to such Supplemental Indenture, the Trustee shall make and file with the Issuer a written statement that the holders of such required proportion of Bonds have filed and given such consents. Such written statement shall be conclusive that such consents have been so filed and have been given. Within 90 days after filing such statement, the Trustee shall mail to the Bondholders a notice stating in substance that such Supplemental Indenture (which may be referred to as a Supplemental Indenture executed by the Issuer on a stated date, a copy of which is on file with the Trustee) has been consented to by the holders of the required proportion of Bonds and will be effective as provided in this section, but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as provided in this section. The Trustee shall file with the Issuer proof of the mailing of such notice to the Bondholders. A record, consisting of the papers required or permitted by this section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such modification or amendment shall be deemed conclusively binding upon the Issuer, the Trustee and the holders of all Bonds upon the execution thereof and the filing by the Trustee with the Issuer of the statement that the required proportion of Bondholders have consented thereto.

The Issuer may conclusively rely upon the Trustee’s determination that the requirements of this section have been satisfied.

Modification By Unanimous Consent. Notwithstanding anything contained in the foregoing provisions of the Indenture, the terms and provisions of the Indenture and the rights and obligations of the Issuer and the Bondholders under the Indenture, in any particular, may be modified or amended in any respect upon execution and delivery of a Supplemental Indenture by the Issuer and the Trustee making such modification or amendment and the consent to such Supplemental Indenture of Fannie Mae and the holders of all of the Bonds then Outstanding, such

consent to be given and proved as provided under the heading “Consent of Bondholders” above except that no notice to Bondholders shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without the written assent thereto of the Trustee, in addition to the consent of the Bondholders.

Miscellaneous Provisions

No Recourse on Bonds. All covenants, stipulations, promises, agreements and obligations of the Issuer contained in the Indenture shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Issuer and not of any of its officers or employees or members of its governing body, past, present or future, in his or her individual capacity, and no recourse shall be had for the payment of the principal of, premium, if any, or Redemption Price or purchase price of or interest on the Bonds or for any claim based thereon or on the Indenture or any other Issuer Document or the Financing Documents against any such member, officer, employee or agent of the Issuer, past present or future, or any natural person executing the Bonds.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE FINANCING AGREEMENT

The following is a summary of certain provisions of the Financing Agreement which are not described elsewhere in the Official Statement. This summary does not purport to be comprehensive, and reference should be made to the Financing Agreement for a full and complete statement of its provisions.

Definitions

Capitalized terms used but not defined herein shall have the meanings given them in the Indenture and the Financing Agreement.

General Terms of the Financing

The Issuer has authorized the issuance of the Bonds in the aggregate principal amount set forth in the Financing Agreement and Bonds in such amount shall be issued and Outstanding as of the Closing Date. The obligations of the Issuer, the Trustee and the Borrower under the Financing Agreement are expressly conditioned upon (i) the sale, issuance and delivery of the Bonds, (ii) receipt by the Trustee of the amounts set forth in the Indenture, and (iii) the making of the Mortgage Loan by the Lender. Neither the Issuer, the Lender, the Trustee nor Fannie Mae shall have any liability for any fees, costs or expenses, including, without limitation, issuance costs relating to the Bonds; all of such fees, costs and expenses shall be paid by the Borrower.

Sources, Deposits and Uses

Upon the issuance and delivery of the Bonds, the Lender will make the Mortgage Loan to the Borrower. To the extent proceeds of the Mortgage Loan remain undisbursed following disbursements made on the Closing Date, the Lender will deliver funds to the Trustee for deposit into the Rehabilitation Fund to be applied by the Borrower to pay Project Costs pursuant to the Indenture. The Trustee shall apply the proceeds of the Bonds as provided in the Indenture (i) to secure the Bonds until the MBS Delivery Date and (ii) to purchase the MBS on the MBS Delivery Date. The Borrower accepts the Mortgage Loan from the Lender, upon the terms and conditions set forth in the Financing Agreement, in the Mortgage Loan Documents and in the Indenture, and subject to the terms and conditions of the Regulatory Agreement. The Issuer has caused the proceeds of the Bonds to be provided to the Trustee for deposit to the Bond Proceeds Fund. The Borrower acknowledges its obligation to pay all amounts necessary to pay principal of, premium, if any, and interest on the Bonds as provided in the Indenture. The Borrower has made arrangements for the delivery to the Trustee of the Bond proceeds, the MBS and of certain other Eligible Funds as contemplated in the Financing Agreement and in the Indenture. Payments on the MBS received by the Trustee shall be credited to amounts due from the Borrower for payment of principal of, premium, if any, and interest on the Bonds.

Notification of Prepayment of Mortgage Note

The Borrower shall notify the Trustee promptly in writing of any prepayment of the Mortgage Note, whether upon acceleration, by reason of application of insurance or condemnation proceeds, optional prepayment or otherwise. If such prepayment results in revisions to the Mortgage Loan Amortization Schedule, the Borrower shall direct the Lender to provide the revised Mortgage Loan Amortization Schedule, if any, to the Trustee.

Events of Default

Each of the following shall constitute an event of default under the Financing Agreement, and the term “Event of Default” shall mean, whenever used in the Financing Agreement, any one or more of the following events:

- (i) Failure by the Borrower to pay any amounts due under the Financing Agreement at the times and in the amounts required by the Financing Agreement; or
- (ii) Failure by the Borrower to observe or perform any covenants, agreements or obligations in the Financing Agreement on its part to be observed or performed (other than as provided in clause (i))

above) for a period of thirty (30) days after receipt of written notice specifying such failure and requesting that it be remedied, given to the Borrower by any party to the Financing Agreement; provided, however, that if said failure shall be such that it cannot be corrected within such period, it shall not constitute an Event of Default if the failure is correctable without material adverse effect on the Bonds and if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected; or

(iii) Breach of any of the covenants, agreements or obligations of the Borrower under or the occurrence of a default which is continuing under the Regulatory Agreement, including any exhibits to any of the foregoing; or

(iv) The occurrence of an Event of Default caused by the Borrower under and as defined in the Indenture or under any of the other Financing Documents.

Nothing contained in this section is intended to amend or modify any of the provisions of the Mortgage Loan Documents or to bind the Borrower, the Lender or Fannie Mae to any notice and cure periods other than as expressly set forth in the Mortgage Loan Documents.

Remedies Upon an Event of Default

(a) Subject to subsection (d) below, whenever any Event of Default shall have occurred and be continuing, the Issuer or the Trustee may take any one or more of the following remedial steps:

(i) By any suit, action or proceeding, pursue all remedies now or thereafter existing at law or in equity to collect all amounts then due and thereafter to become due under the Financing Agreement, to enforce the performance of any covenant, obligation or agreement of the Borrower under the Financing Agreement (subject to the nonrecourse provisions of the Financing Agreement and the Regulatory Agreement) or to enjoin acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee.

(ii) Take whatever other action at law or in equity may appear necessary or desirable to enforce any monetary obligation of the Borrower under the Financing Agreement or to enforce any other covenant, obligation or agreement of the Borrower under (1) the Financing Agreement or (2) the Regulatory Agreement.

(iii) Have access to and inspect, examine, audit and make copies of the books and records and any and all accounts, data and income tax and other tax returns of the Borrower.

(b) The provisions of subsection (a) above are subject to the condition that if, after any Event of Default, except a default under the Regulatory Agreement, (i) all amounts which would then be payable under the Financing Agreement by the Borrower if such Event of Default had not occurred and was not continuing shall have been paid by or on behalf of the Borrower, and (ii) the Borrower shall have also performed all other obligations in respect of which it is then in default under the Financing Agreement and shall have paid the reasonable charges and expenses of the Issuer and the Trustee, including reasonable attorney fees and expenses paid or incurred in connection with such default, then and in every such case, such Event of Default may be waived and annulled by the Trustee, but no such waiver or annulment shall extend to or affect any subsequent Event of Default or impair any right or remedy consequent thereon.

(c) Subject to the limitations of the Regulatory Agreement and the Financing Agreement, the Issuer, without the consent of the Trustee, but only after written notice to the Trustee, the Borrower, the Lender and Fannie Mae, may take whatever action at law or in equity may appear necessary or desirable to enforce performance and observance of any Reserved Right of the Issuer; provided that, the Issuer may not (i) terminate the Financing Agreement or cause the Mortgage Loan to become due and payable, (ii) cause the Trustee to declare the principal of all Bonds then Outstanding and the interest accrued thereon to be immediately due and payable, or cause the Trustee to accelerate, foreclose or take any other action or seek other remedies under the Financing Documents, the Mortgage Loan Documents or any other documents contemplated thereby or by the Financing Agreement to obtain such

performance or observance, (iii) cause the acceleration, foreclosure or taking of any other action or the seeking of any remedies under the Mortgage Loan Documents, (iv) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal, interest and other amounts due under the Mortgage Loan, or (v) interfere with or attempt to influence the exercise by Fannie Mae of any of its rights under the Financing Documents or the Mortgage Loan Documents.

(d) Except as required to be deposited in the Rebate Fund pursuant to the Financing Documents any amounts collected pursuant to action taken under this section shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the outstanding fees, expenses, liabilities and advances incurred or made by the Trustee, the Issuer, the Lender or Fannie Mae and their respective counsel, be applied in accordance with the provisions of the Indenture. No action taken pursuant to this section shall relieve the Borrower from the Borrower's obligations pursuant to the Financing Agreement.

(e) No remedy conferred upon or reserved to the Issuer or the Trustee in the Financing Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy now or thereafter existing pursuant to any other agreement at law or in equity or by statute.

(f) Notwithstanding any other provision of the Financing Agreement to the contrary, from and after the MBS Delivery Date, so long as Fannie Mae is not in default under the MBS, none of the Issuer, the Trustee or any Person under their control shall exercise any remedies or direct any proceedings under the Financing Agreement or the Mortgage Loan Documents, other than to (i) enforce rights under the MBS, (ii) enforce the tax covenants in the Indenture, the Financing Agreement and the Tax Certificate, or (iii) enforce rights of specific performance under the Regulatory Agreement; provided, however, that any enforcement under (ii) or (iii) above shall not include seeking monetary damages.

Notice of Default: Rights To Cure

The Issuer and the Trustee shall each give notice to the other and the Lender of the occurrence of any Event of Default by the Borrower under the Financing Agreement of which it has actual knowledge. The Lender shall have the right, but not the obligation, to cure any such default by the Borrower, and upon performance by the Lender to the satisfaction of the Issuer and the Trustee of the covenant, agreement or obligation of the Borrower with respect to which an Event of Default has occurred, the parties to the Financing Agreement shall be restored to their former respective positions, it being agreed that the Lender shall have the right to repayment from the Borrower of moneys it has expended and any other appropriate redress for actions it has taken to cure any default by the Borrower; provided that the Borrower's reimbursement obligation shall be non-recourse to the same extent as the underlying obligation is non-recourse to the Borrower.

Amendment

The Financing Agreement and all other documents contemplated by the Financing Agreement to which the Issuer is a party may be amended or terminated only if permitted by the Indenture, and no amendment to the Financing Agreement shall be binding upon, any party to the Financing Agreement until such amendment is reduced to writing and executed by the parties thereto; provided that no amendment, supplement or other modification to the Financing Agreement or any other Financing Document shall be effective without the prior written consent of Fannie Mae.

Limited Liability of the Issuer

The Issuer shall not be obligated to pay the principal (or Redemption Price) of or interest on the Bonds, except from the Trust Estate. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Issuer or any member is pledged to the payment of the principal (or Redemption Price) of, premium, if any, or interest on the Bonds. The Issuer shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with the Financing Agreement, the Bonds or the Indenture, except only to the extent amounts are received for the payment thereof from the Borrower under the Financing Agreement or from the MBS. The Issuer shall not be

responsible for any action taken or omitted to be taken by the Trustee pursuant to the Financing Agreement or the Indenture except as expressly provided in the Financing Agreement. The Issuer shall not be under any duty to visit or inspect the Project or to examine the books and records of the Borrower or to make any inquiries respecting the Project or the operation thereof.

The Borrower acknowledges that the Issuer's sole source of moneys to repay the Bonds will be provided by the Trust Estate, and agrees that if the payments to be made under the Financing Agreement shall ever prove insufficient to pay all principal (or Redemption Price) of, premium, if any, and interest on the Bonds as the same shall become due (whether by maturity, redemption, acceleration or otherwise), then upon notice from the Trustee, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or Redemption Price) of, premium, if any, or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Trustee, the Borrower, the Issuer or any third party, subject to any right of reimbursement from the Trustee, the Issuer or any such third party, as the case may be, therefor.

APPENDIX E

SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT

The following is a summary of certain provisions of the Regulatory Agreement and Declaration of Restrictive Covenants, as amended by the First Amendment to Regulatory Agreement and Declaration of Restrictive Covenants (the "Regulatory Agreement"). The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Regulatory Agreement, copies of which are on file with the Issuer and the Trustee.

All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture and the Regulatory Agreement.

Qualified Residential Rental Project

The Borrower acknowledges and agrees that the Project is to be owned, managed and operated as a "residential rental project" (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the term of the Regulatory Agreement, the Borrower represents, covenants, warrants and agrees as follows:

(a) The Project will be constructed, developed and operated for the purpose of providing multifamily residential rental property. The Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103-S(b) of the Regulations and the provisions of the Act and the Housing Law, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project (except for not more than two units set aside for a resident manager or other administrative use) will be similarly constructed units, and each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or rented for a period of fewer than 30 consecutive days, or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park; provided that the use of certain units for tenant guests on an intermittent basis shall not be considered transient use for purposes of the Regulatory Agreement.

(d) No part of the Project will at any time during the Qualified Project Period be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period (except that the Borrower may obtain final map approval and the Final Subdivision Public Report from the California Department of Real Estate and may file a condominium plan with the City). Nothing in this subsection (d) shall prohibit the Borrower from subdividing the building in which the Project is located into condominiums to create the legal parcel on which the Project is located.

(e) All of the Available Units in the Project will be available for rental during the period beginning on the date of execution and delivery of the Regulatory Agreement and ending on the termination of the Qualified Project Period on a continuous, "first-come, first-served" basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required to be leased or rented in such a manner that they will constitute Low Income Units.

(f) The Project consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the facilities of the Project comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this provision shall not be construed to prohibit occupancy of not more than two dwelling units by a resident manager and/or maintenance personnel, any of whom may be the Borrower.

(h) The Borrower shall deliver to the Administrator and the Lender, (i) within 30 days after the date on which 10% of the dwelling units in the Project are occupied, a written notice specifying such date, and (ii) within 30 days after the date on which 50% of the dwelling units in the Project are occupied, a written notice specifying such date.

Low Income Tenants; Reporting Requirements

Pursuant to the requirements of the Code, the Borrower represents, warrants and covenants as follows:

(a) During the Qualified Project Period, no less than 20% of the total number of completed units in the Project shall at all times be Low Income Units. For the purposes of this paragraph (a), a vacant unit that was most recently a Low Income Unit is treated as a Low Income Unit until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined.

(b) No tenant qualifying as a Low Income Tenant upon initial occupancy shall be denied continued occupancy of a unit in the Project because, after admission, the aggregate Gross Income of all tenants in the unit occupied by such Low Income Tenant increases to exceed the qualifying limit for a Low Income Unit. However, should the aggregate Gross Income of tenants in a Low Income Unit, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Low Income Unit occupied by the same number of tenants, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) Low Income Tenant(s). The unit occupied by such tenants whose aggregate Gross Income exceeds such applicable income limit shall continue to be treated as a Low Income Unit for purposes of the 20% requirement of paragraph (a) above unless and until an Available Unit of comparable or smaller size is rented to persons other than Low Income Tenants.

(c) For the Qualified Project Period, the Borrower will obtain, complete and maintain on file Income Certifications for each Low Income Tenant, including (i) an Income Certification dated immediately prior to the initial occupancy of such Low Income Tenant in the unit, and (ii) thereafter, an annual Income Certification with respect to each Low Income Tenant. The Borrower will provide such additional information as may be required in the future by the Code, the State or the Issuer, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. Upon request of the Administrator, the Issuer or the Trustee, copies of Income Certifications for Low Income Tenants commencing or continuing occupation of a Low Income Unit shall be attached to the Certificate of Continuing Program Compliance or the Project Status Reports to be filed under the Regulatory Agreement, or shall otherwise be submitted to the Administrator, the Issuer and/or the Trustee, as requested.

The Borrower shall make a good faith effort to verify that the income information provided by an applicant in a Income Certification is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a pay stub for the most recent pay period, (2) obtain an income tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type credit search, (4) obtain an income verification from the applicant's current employer, (5) obtain an income verification from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from

either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Issuer.

(d) The Borrower will maintain complete and accurate records pertaining to the Low Income Units, and will permit any duly authorized representative of the Issuer, the Trustee, the Servicing Agent, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units.

(e) For the Qualified Project Period, the Borrower will prepare and submit to the Administrator, on behalf of the Issuer, with copies to the Trustee and the Servicing Agent, not less than quarterly, commencing not fewer than three months after the Closing Date, a Certificate of Continuing Program Compliance executed by the Borrower in substantially the form attached to the Regulatory Agreement as an exhibit and a Project Status Report in substantially the form attached to the Regulatory Agreement as an exhibit. During the Qualified Project Period, the Borrower shall submit a completed Internal Revenue Code Form 8703 or such other annual certification as required by the Code with respect to the Project, to the Secretary of the Treasury on or before March 31 of each year (or such other date as may be required by the Code).

(f) For the Qualified Project Period, all tenant leases or rental agreements shall be subordinate to the Regulatory Agreement and the Deed of Trust. All leases pertaining to Low Income Units shall contain clauses, among others, wherein each tenant who occupies a Low Income Unit: (i) certifies the accuracy of the statements made by such tenant in the Income Certification; (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower, the Trustee, the Servicing Agent, the Issuer or the Administrator on behalf of the Issuer, and that the failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Borrower has relied on the statements made by such tenant in the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the tenant's income is subject to annual certification in accordance with paragraph (c) above and that if upon any such certification the Gross Income of tenants in such unit exceeds the applicable income limit under paragraph (b) above, the unit occupied by such tenant may cease to qualify as a Low Income Unit and such unit's rent may be subject to increase.

For purposes of this section, no unit occupied by a residential manager shall be treated as a rental unit during the time of such occupation.

Transfer of the Project

For the Qualified Project Period, the Borrower shall not Transfer the Project, in whole or in part, without the prior written consent of the Issuer, which consent shall not be unreasonably withheld or delayed if the following conditions are satisfied: (A) the receipt by the Issuer of evidence acceptable to the Issuer that (1) the Borrower shall not be in default under the Regulatory Agreement or under the Loan Agreement, if in effect (which may be evidenced by a Certificate of Continuing Program Compliance), or the transferee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Issuer; (2) the continued operation of the Project shall comply with the provisions of the Regulatory Agreement; (3) either (a) the transferee or its property manager has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local governmental requirements applicable to such projects, or (b) the transferee agrees to retain a property management firm with the experience and record described in subclause (a) above, or (c) the transferring Borrower or its management company will continue to manage the Project, or another management company reasonably acceptable to the Issuer will manage, for at least one year following such Transfer and, if applicable, during such period the transferring Borrower or its management company will provide training to the transferee and its manager in the

responsibilities relating to the Low Income Units; and (4) the person or entity that is to acquire the Project does not have pending against it, and does not have a history of significant and material building code violations or complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, state or federal regulatory agencies; (B) the execution by the transferee of any document reasonably requested by the Issuer with respect to the assumption of the Borrower's obligations under the Regulatory Agreement and the Loan Agreement (if then in effect), including without limitation an instrument of assumption of the Regulatory Agreement and thereof, and delivery to the Issuer of an opinion of such transferee's counsel to the effect that each such document and the Regulatory Agreement are valid, binding and enforceable obligations of such transferee, subject to bankruptcy and other standard limitations affecting creditor's rights; (C) receipt by the Issuer and the Trustee of an opinion of Bond Counsel to the effect that any such Transfer will not adversely affect the Tax-Exempt status of interest on the Bonds; and (D) receipt by the Issuer of all fees and/or expenses then currently due and payable to the Issuer by the Borrower.

It is expressly stipulated and agreed that any Transfer of the Project in violation of this section shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under the Regulatory Agreement. The written consent of the Issuer to any Transfer of the Project shall constitute conclusive evidence that the Transfer is not in violation of this section. Nothing in this section shall affect any provision of any other document or instrument between the Borrower and any other party requires the Borrower to satisfy certain conditions or obtain the prior written consent of such other party in order to Transfer the Project. Upon any Transfer that complies with the Regulatory Agreement, the Borrower shall be fully released from its obligations thereunder to the extent such obligations have been fully assumed in writing by the transferee of the Project.

The foregoing notwithstanding, the Project may be transferred pursuant to a foreclosure, exercise of power of sale or deed in lieu of foreclosure or comparable conversion under the Deed of Trust without the consent of the Issuer or compliance with the provisions of this section. It is expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this section shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under the Regulatory Agreement. The written consent of the Issuer to any transfer of the Project shall constitute conclusive evidence that the transfer is not in violation of this section. Nothing in this section shall affect any provision of any other document or instrument between the Borrower and any other party that requires the Borrower to satisfy certain conditions or obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Upon any sale or other transfer that complies with the Regulatory Agreement, the Borrower shall be fully released from its obligations thereunder to the extent such obligations have been fully assumed in writing by the transferee of the Project. The Issuer approves the transfer of limited partnership interests in the Borrower to affiliates of the investor limited partner of the Borrower, including, without limitation, the transfer of membership interests in the Borrower from the investor limited partner and the transfer of non-managing membership interests in the limited partner of Borrower.

For the Qualified Project Period, the Borrower shall not: (1) encumber any of the Project or grant commercial leases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project, except for (A) Permitted Encumbrances, or (B) a Transfer in accordance with the terms of the Regulatory Agreement, in each case upon receipt by the Issuer and the Trustee of an opinion of Bond Counsel to the effect that such action will not adversely affect the Tax-Exempt status of interest on the Bonds (provided that such opinion will not be required with respect to any encumbrance, lease or transfer relating to a commercial operation or ancillary facility that will be available for tenant use and is customary to the operation of multifamily housing developments similar to the Project); (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except to the extent that what is demolished or removed is replaced with comparable property or such demolition or removal is otherwise permitted by the Loan Agreement or the Deed of Trust; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Term

The Regulatory Agreement and all and several of the terms thereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided therein and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the

Qualified Project Period, it being expressly agreed and understood that the provisions thereof are intended to survive the retirement of the Bonds and discharge of the Indenture and the Loan Agreement.

The terms of the Regulatory Agreement notwithstanding, the Regulatory Agreement shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of the Regulatory Agreement caused by fire or other casualty, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the Issuer and the Trustee from enforcing such provisions, or foreclosure, transfer of title by deed in lieu of foreclosure, condemnation or a similar event, but only if, within a reasonable period, either the Bonds are retired or amounts received as a consequence of such event are used to provide a project that meets the requirements of the Regulatory Agreement; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained therein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Borrower agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provision of the Regulatory Agreement, the Regulatory Agreement may be terminated upon agreement by the Issuer, the Trustee and the Borrower upon receipt by the Issuer and the Trustee of an opinion of Bond Counsel to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. Upon the termination of the terms of the Regulatory Agreement, the parties thereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms thereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of the Regulatory Agreement in accordance with its terms.

Covenants to Run with the Land

Notwithstanding Section 1461 of the California Civil Code, the Borrower subjects the Project to the covenants, reservations and restrictions set forth in the Regulatory Agreement. The Issuer and the Borrower declare their express intent that the covenants, reservations and restrictions set forth in the Regulatory Agreement shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of the Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument thereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Default; Enforcement

If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the Issuer, the Servicing Agent or the Trustee to the Borrower, or for a period of 60 days from the date the Borrower should, with reasonable diligence, have discovered such default, then the Issuer or the Trustee shall declare an "Event of Default" to have occurred thereunder; provided, however, that if the default is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default thereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected, and (ii) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-Exempt status of interest on the Bonds. The Issuer and the Trustee shall have the right to enforce the obligations of the Borrower under the Regulatory Agreement within shorter periods of time than are otherwise provided therein if necessary to insure compliance with the Housing Law or the Code.

Following the declaration of an Event of Default under the Regulatory Agreement, the Issuer or the Trustee, at the written direction of Issuer, subject to the terms of the Indenture, may take any one or more of the following steps, in addition to all other remedies provided by law or equity:

- (i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants thereunder or enjoin any acts or things that may be unlawful or in violation of the rights of the Issuer or the Trustee thereunder;
- (ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project;
- (iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower thereunder; and
- (iv) with the consent of the Servicing Agent, which consent shall not be unreasonably withheld, declare a default under the Loan Agreement, as applicable, and proceed with any remedies provided therein.

The Borrower agrees that specific enforcement of the Borrower's agreements contained in the Regulatory Agreement is the only means by which the Issuer may fully obtain the benefits of the Regulatory Agreement made by the Borrower therein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower thereunder.

The Trustee shall have the right, in accordance with this section and the provisions of the Indenture, without the consent or approval of the Issuer, but with the consent of the Servicing Agent, which consent shall not be unreasonably withheld, to exercise any or all of the rights or remedies of the Issuer under the Regulatory Agreement; provided that prior to taking any such action the Trustee shall give the Issuer written notice of its intended action. After the Indenture has been discharged, the Issuer may act on its own behalf to declare an "Event of Default" to have occurred and to take any one or more of the steps specified above to the same extent and with the same effect as if taken by the Trustee.

The Issuer and the Trustee agree that cure of any Event of Default made or tendered by any partner of the Borrower shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

All reasonable fees, costs and expenses (including reasonable attorney's fees) of the Trustee and the Issuer incurred in taking any action pursuant to this section shall be the sole responsibility of the Borrower; provided, however, that in the event that any action arises under the Regulatory Agreement in which the Borrower and the Trustee are adversaries, the prevailing party, if any, shall be entitled to recover legal fees and costs from the other party.

Fannie Mae Rider

Pursuant to the requirements of Fannie Mae, the Fannie Mae Rider is set forth as an exhibit to the Regulatory Agreement and is made a part of the Regulatory Agreement. Without limiting the foregoing, the Issuer and the Trustee acknowledge and agree that none of the Issuer, the Trustee or any Person under their control shall exercise any remedies or direct any proceedings under the Regulatory Agreement without prior written consent of Fannie Mae other than to enforce rights of specific performance or injunctive relief under the Regulatory Agreement or to fulfill reporting obligations to the Internal Revenue Service.

APPENDIX F

BOOK-ENTRY SYSTEM

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer and the Borrower believe to be reliable, but neither the Issuer, the Underwriter nor the Borrower take responsibility for the accuracy thereof.

The Depository Trust Company ("DTC"), Brooklyn, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC or held by the Trustee.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual owner of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the bonds are to be accomplished by entries made on the records of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in bonds, except in the event that use of the book-entry system for the bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the transaction documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial

Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, the amount of the interest of each Direct Participant in such issue to be redeemed shall be determined in accordance with the applicable procedures of DTC.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or its nominee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer. Under such circumstances, in the event that a successor depository is not obtained, bonds are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, the bonds will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

Pursuant to the Indenture and Financing Agreement, dated as of September 1, 2026, among the Issuer, the Trustee, and the Borrower (the “Financing Agreement”), the Dissemination Agent and the Borrower covenant and agree as follows:

Section 1. Purpose of this Continuing Disclosure Agreement. This Continuing Disclosure Agreement is being executed and delivered by the Borrower and the Dissemination Agent for the benefit of the holders of the Bonds and in order to assist the Participating Underwriter in complying with the Rule (defined below). The Borrower and the Dissemination Agent acknowledge that the Issuer has undertaken no responsibility with respect to any reports, notices or disclosures provided or required under this Continuing Disclosure Agreement, and has no liability to any person, including any holder of the Bonds or Beneficial Owner, with respect to any such reports, notices or disclosures.

Section 2. Definitions. In addition to the definitions set forth in the Indenture, which apply to any capitalized term used in this Continuing Disclosure Agreement unless otherwise defined in this Section 2, the following capitalized terms shall have the following meanings:

“*Annual Report*” shall mean any Annual Report provided by the Borrower pursuant to, and as described in, Sections 3 and 4 of this Continuing Disclosure Agreement.

“*Audited Financial Statements*” means, in the case of the Borrower, the annual audited financial statements prepared in accordance with generally accepted accounting principles, if any.

“*Beneficial Owner*” shall mean any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

“*Disclosure Representative*” shall mean the administrator of the Project or his or her designee, or such other person as the Borrower shall designate in writing to the Dissemination Agent from time to time.

“*MSRB*” means the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934. All documents provided to the MSRB shall be in an electronic format and accompanied by identifying information, as prescribed by the MSRB. Initially, all document submissions to the MSRB pursuant to this Continuing Disclosure Agreement shall use the MSRB’s Electronic Municipal Market Access (EMMA) system at www.emma.msrb.org.

* Preliminary; subject to change.

“*Participating Underwriter*” means Stifel, Nicolaus & Company, Incorporated, and its successors and assigns.

“*Rule*” means Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

Section 3. Provision of Annual Reports.

(a) The Borrower will, or will cause the Dissemination Agent to, not later than 180 days following the end of the Borrower’s fiscal year, commencing with the fiscal year ending on December 31, 2026, provide to the MSRB an Annual Report which is consistent with the requirements described below. No later than 15 Business Days prior to said date, the Borrower will provide the Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package and may cross reference other information, provided that the audited financial statements for the prior calendar year of the Borrower may be submitted separately from the balance of the Annual Report.

(b) If by 15 Business Days prior to the date specified in subsection (a) for providing the Annual Report to the MSRB, the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent will contact the Disclosure Representative to determine if the Borrower is in compliance with subsection (a).

(c) If the Dissemination Agent is unable to verify that an Annual Report has been provided to the MSRB by the date required in subsection (a), the Dissemination Agent will send in a timely manner a notice to the MSRB in substantially the form attached as Exhibit B to this Continuing Disclosure Agreement.

(d) The Dissemination Agent will file a report with the Borrower and (if the Dissemination Agent is not the Trustee) the Trustee certifying that the Annual Report has been provided pursuant to this Continuing Disclosure Agreement, stating the date it was provided.

Section 4. Content of Annual Reports. The Borrower’s Annual Report will contain or incorporate by reference the financial information with respect to the Project, provided at least annually, of the type included in Exhibit A hereto, which Annual Report may, but is not required to, include Audited Financial Statements. If the Borrower’s Audited Financial Statements are not available by the time the Annual Report is required to be filed, the Annual Report will contain unaudited financial statements, and the Audited Financial Statements will be filed in the same manner as the Annual Report when and if they become available.

Any or all of the items described in Exhibit A may be incorporated by reference from other documents, including official statements of debt issues with respect to which the Borrower is an “Obligated Person” (as defined by the Rule), which have been filed with the MSRB. The Borrower will clearly identify each such other document so incorporated by reference.

Each annual report submitted hereunder shall be in readable portable document format (“PDF”) or other acceptable electronic form.

Section 5. Reporting of Listed Events.

(a) This Section 5 shall govern the giving of notices of the occurrence of any of the following events (each, a “Listed Event”):

- (i) Principal and interest payment delinquencies;
- (ii) Non-payment related defaults, if material;
- (iii) Unscheduled draws on debt service reserves reflecting financial difficulty;

- (iv) Unscheduled draws on credit enhancements reflecting financial difficulty;

- (vii) Modifications to rights of holders of the Bonds, if material;
- (viii) Bond calls, if material, and tender offers;

- (xiii) The consummation of a merger, consolidation, or acquisition involving the Borrower or the sale of all or substantially all of the assets of the Borrower, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (xiv) Appointment of a successor or additional trustee or paying agent or the change of the name of a trustee or paying agent, if material;

For purposes of clauses (xv) and (xvi) of this Section 5(a), “financial obligation” is as contemplated by Exchange Act Release No. 34-83885; File No. S7-01-17 (the “Adopting Release”).

(b) The Dissemination Agent shall, within three (3) Business Days of obtaining actual knowledge of the occurrence of any potential Listed Event, pursuant to subsection (c) of this Section 5 or otherwise, provide the Disclosure Representative with notice by email. While the Dissemination Agent is also the Trustee, the Dissemination Agent shall be deemed to have actual knowledge of those items listed in clauses (i), (iii) (solely with respect to funds

held by the Trustee), (iv), (v), (vii), (viii), (ix) and (xiv) above without the Dissemination Agent having received notice of such event. While the Dissemination Agent is not also the Trustee, the Dissemination Agent shall not be deemed to have actual knowledge of any items listed in clauses (i) - (xiv) above without the Dissemination Agent's having received written notice of such event. For purposes of providing notice to the Disclosure Representative, the Dissemination Agent shall assume that the unscheduled draws described in clauses (iii) and (iv) reflect financial difficulty.

(c) Whenever the Borrower obtains knowledge of the occurrence of a potential Listed Event, the Borrower shall, within five (5) Business Days of obtaining such knowledge and in any event no more than eight (8) Business Days after the occurrence of such event, determine if such event is in fact a Listed Event that is required by the Rule to be disclosed and provide the Dissemination Agent with notice and instructions pursuant to subsection (d) below.

(d) If the Borrower has determined that a Listed Event is required to be disclosed then the Borrower shall prepare a written notice describing the Listed Event and provide the same to the Dissemination Agent along with instructions to file the same pursuant to subsection (e) below.

(e) If the Dissemination Agent has been provided with a written notice describing a Listed Event pursuant to subsection (c) of this Section 5 or otherwise, and is instructed by the Borrower to report the occurrence of such Listed Event, the Dissemination Agent shall, within two (2) Business Days of its receipt of such written notice and in any event no more than ten (10) Business Days after the occurrence of the Listed Event, file the notice with the MSRB and send a copy to the Borrower.

Section 6. Amendment; Waiver. Notwithstanding any other provision of this Continuing Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Continuing Disclosure Agreement (and the Dissemination Agent will agree to any amendment so requested by the Borrower unless such amendment adversely affects its rights, duties, protections, immunities, indemnities or standard of care, as determined by the Dissemination Agent) and any provision of this Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions described under paragraph (a) under "Provision of Annual Reports," "Contents of Annual Reports" or paragraph (a) under "Reporting of Listed Events," it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of an Obligated Person (as defined in the Rule) with respect to the Bonds or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Holders or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Continuing Disclosure Agreement, the Borrower will describe such amendment in the next Annual Report and will include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information being presented by the Borrower. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change will be given in the same manner as for a Listed Event under Section 5(e) hereof and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 7. Default. In the event of a failure of the Borrower or the Dissemination Agent to comply with any provision of this Continuing Disclosure Agreement, and such failure to comply continues beyond a period of thirty (30) days following written notice to the Borrower, the Borrower or any Holder or Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate, including seeking, or obtaining specific performance by court order, to cause the Borrower or the Dissemination Agent, as the case may be, to comply with its obligations under this Continuing Disclosure Agreement. A default under this Continuing Disclosure Agreement will not be deemed an Event of Default under the Indenture or the Financing Agreement, and the sole remedy under this Continuing Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Continuing Disclosure Agreement will be an action to compel performance.

Section 8. Beneficiaries. This Continuing Disclosure Agreement will inure solely to the benefit of the Borrower, the Dissemination Agent, the Participating Underwriter and Holders from time to time of the Bonds and will create no rights in any other person or entity.

Section 9. Additional Information. Nothing in this Continuing Disclosure Agreement shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Continuing Disclosure Agreement. If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Continuing Disclosure Agreement, the Borrower shall have no obligation under this Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Continuing Disclosure Agreement. The Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Borrower has provided such information to the Dissemination Agent as required by this Continuing Disclosure Agreement. The Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Dissemination Agent shall have no duty or obligation to review or verify any information, disclosures or notices provided to it by the Borrower and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Holders of the Bonds or any other party. The Dissemination Agent shall have no responsibility for the Borrower's failure to report to the Dissemination Agent a Listed Event or a duty to determine the materiality thereof. The Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Borrower has complied with this Continuing Disclosure Agreement. The Dissemination Agent may conclusively rely upon Certifications of the Borrower at all times.

The obligations of the Borrower under this Section 10 shall survive resignation or removal of the Dissemination Agent and defeasance, redemption or payment of the Bonds.

(b) The Dissemination Agent may, from time to time, consult with legal counsel (either in-house or external) of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its respective duties hereunder, and shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel. The reasonable fees and expenses of such counsel shall be payable by the Borrower.

(c) All documents, reports, notices, statements, information and other materials provided to the MSRB under this Continuing Disclosure Agreement shall be provided in an electronic format and accompanied by identifying information as prescribed by the MSRB.

Section 11. Notices. All notices, requests, demands or other communications to or upon the respective parties hereto shall be deemed to have been duly given or made when delivered personally or by mail (including electronic mail) to the party to which such notice, request, demand or other communication is required or permitted to be given or made under this Continuing Disclosure Agreement and addressed as set forth below:

APPENDIX I
PROPOSED FORM OF OPINION OF BOND COUNSEL

Upon the issuance of the Bonds, Orrick, Herrington & Sutcliffe LLP, Bond Counsel for the Issuer, proposes to issue an opinion in substantially the following form:

September __, 2026

California Statewide Communities Development Authority
Sacramento, California

California Statewide Communities Development Authority
Multifamily Housing Revenue Refunding Bonds
(Fannie Mae MBS-Secured) 2026 Series B
(Hacienda Apartments)
(Final Opinion)

Ladies and Gentlemen:

We have acted as bond counsel to the California Statewide Communities Development Authority (the “Issuer”) in connection with the issuance of \$31,665,000* aggregate principal amount of its California Statewide Communities Development Authority Multifamily Housing Revenue Refunding Bonds (Fannie Mae MBS-Secured) 2026 Series B (Hacienda Apartments) (the “Bonds”), issued pursuant to the provisions of Chapter 5 of Division 7 of Title 1 of the California Government Code, together with the provisions of Chapter 7 of Part 5 of Division 31 of the California Health and Safety Code, and an Indenture of Trust, dated as of September 1, 2026 (the “Indenture”), between the Issuer and Computershare Trust Company, National Association, as trustee (the “Trustee”). The Indenture provides that the Bonds are issued for the stated purpose of making a loan of the proceeds thereof to Hacienda Pleasanton L.P., a California limited partnership (the “Borrower”) pursuant to a Financing Agreement, dated as of September 1, 2026 (the “Financing Agreement”), among the Issuer, the Trustee and the Borrower. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

In such connection, we have reviewed the Indenture, the Financing Agreement, the Regulatory Agreement, the Tax Certificate and Agreement, dated the date hereof (the “Tax Certificate”), between the Issuer and the Borrower, opinions of counsel to the Borrower, the Trustee and others, certificates of the Issuer, the Trustee, the Borrower and others, and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after original delivery of the Bonds on the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after original delivery of the Bonds on the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. Our engagement with respect to the Bonds has concluded with their issuance, and we disclaim any obligation to update this letter. We have assumed that each document and each signature thereon provided to us is genuine and that each such document has been duly and legally executed by, and constitutes a valid and binding agreement of, each party thereto other than the Issuer. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Indenture, the Financing Agreement, the Regulatory Agreement and the Tax Certificate, including (without limitation) covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Bonds to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the Bonds, the Indenture, the Financing Agreement, the Regulatory Agreement and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to the exercise of

* Preliminary; subject to change.

judicial discretion in appropriate cases and to the limitations on legal remedies against governmental entities such as the Issuer in the State of California (the "State"). We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), right of set-off, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the real or personal property described in or as subject to the lien of the Indenture or the Financing Agreement, or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such property. Our services did not include financial or other non-legal advice. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Bonds and express no view with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Issuer is a joint exercise of powers agency, duly organized and validly existing under the laws of the State, and has lawful authority to issue the Bonds.
2. The Bonds constitute the valid and binding limited obligations of the Issuer.
3. The Indenture has been duly executed and delivered by, and constitutes the valid and binding agreement of, the Issuer. The Indenture creates a valid pledge, to secure the payment of the principal of, and interest on the Bonds, of the Trust Estate, subject to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture.
4. The Bonds are not a lien or charge upon the funds or property of the Issuer except to the extent of the aforementioned pledge. Neither the faith and credit nor the taxing power of the State of California or of any political subdivision thereof is pledged to the payment of the principal of or interest on the Bonds. The Bonds are not a debt of the State of California, and said State is not liable for the payment thereof.
5. Interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code"), except that no opinion is expressed as to the exclusion from gross income of interest on any Bond for any period during which such Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a "substantial user" of the facilities with respect to which the proceeds of the Bonds were used or is a "related person." Interest on the Bonds is not a specific preference item for purposes of the federal individual alternative minimum tax. We observe that interest on the Bonds included in adjusted financial statement income of certain corporations is not excluded from the federal corporate alternative minimum tax. Interest on the Bonds is exempt from State personal income taxes. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds.

Faithfully yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP
