In the opinion of Barnes & Thornburg LLP, Indianapolis, Indiana (“Bond Counsel”), under existing laws, interest on the Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended and in effect on the date of issuance of the Bonds (the “Code”), and is not an item of tax preference for purposes of the federal alternative minimum tax. However, such interest is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax. In the opinion of Bond Counsel under existing laws, interest on the Bonds is exempt from income taxation in the State of Indiana (the “State”), except for the State financial institutions tax. The Bonds are not “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code. See “Tax Matters” herein and Appendix D: Form of Legal Opinion herein.

INTEREST CALCULATION

Interest on the Bonds is payable semiannually on January 15 and July 15 of each year, commencing July 15, 2026. Interest will be payable to the holder registered on the books of the Registrar as of the Record Date. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months.

REGISTRATION AND EXCHANGE FEATURES

Each registered Bond shall be transferable or exchangeable only on such record at the designated corporate trust office of the Registrar and Paying Agent, at the written request of the registered owner thereof or their attorney duly authorized in writing upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or the duly authorized attorney. A further description of the registration and exchange features of the Bonds can be found in the Bond Resolution. See Appendix C: Bond Resolution.

BOOK-ENTRY-ONLY

When issued, the Bonds will be registered in the name of and held by Cede & Co., as nominee for DTC. The purchases of beneficial interests in the Bonds will be made in book-entry-only form. Purchasers of beneficial interests in the Bonds (the "Beneficial Owners") will not receive physical delivery of certificates representing their interests in the Bonds. See Appendix B: Book-Entry-Only.

PROVISIONS FOR PAYMENT

The principal on the Bonds shall be payable at the designated corporate trust office of the Registrar and Paying Agent, or by wire transfer to DTC or any successor depository. All payments of interest on the Bonds shall be paid by check, mailed one business day prior to the interest payment date to the registered owners as the names appear as of the Record Date and at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Registrar or by wire transfer to DTC or any successor depository. If payment of principal or interest is made to DTC or any successor depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time). If the Bonds are not held by DTC or a successor depository, the principal of and premium, if any, on the Bonds will be payable at the designated corporate trust office of the Registrar and the Paying Agent; provided, however, that with respect to the holder of any of the Bonds who holds the Bonds at any time in the principal amount of at least One Million Dollars (\$1,000,000), principal payments may be paid by wire transfer or by check mailed to such holder of the Bonds without any surrender of the Bonds if written notice is provided to the Registrar and Paying Agent at least sixteen (16) days prior to the commencement of such wire transfers or mailing of the check without surrender of the Bonds. Payments on the Bonds shall be

made in lawful money of the United States of America which, on the date of such payment, shall be legal tender.

So long as DTC or its nominee is the registered owner of the Bonds, principal and interest on the Bonds will be paid directly to DTC by the Paying Agent. (The final disbursement of such payments to the Beneficial Owners of the Bonds will be the responsibility of the DTC Participants and Indirect Participants, as defined and more fully described in Appendix C: Bond Resolution).

NOTICE OF REDEMPTION

Notice of redemption shall be mailed to the registered owners of all Bonds to be redeemed at least 30 days prior to the date fixed for such redemption, unless notice is waived by the owner of the Bond or Bonds redeemed. If any of the Bonds are so called for redemption, and payment therefor is made to the Paying Agent in accordance with the terms of the Bond Resolution, then such Bonds shall cease to bear interest from and after the date fixed for redemption in the call. For so long as the Bonds are held in book-entry-only form, the Registrar will send notices of redemption of the Bonds only to DTC or its nominee, as the registered owner of the Bonds, as outlined in "Provisions for Payment" herein. Neither the School Corporation nor the Registrar will have any responsibility for any Beneficial Owners' receipt from DTC or its nominee, or from any Direct Participant or Indirect Participant, of any notices of redemption. See Appendix B: Book-Entry-Only.

OPTIONAL REDEMPTION

The Bonds are not subject to optional redemption prior to maturity.

MANDATORY SINKING FUND REDEMPTION

If any Bonds are issued as Term Bonds, the Paying Agent shall credit against the mandatory sinking fund requirement for the Term Bonds, and corresponding mandatory sinking fund redemption obligation, in the order determined by the School Corporation, any Term Bonds which have previously been redeemed (otherwise than as a result of a previous mandatory sinking fund redemption requirement) or delivered to the Paying Agent for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Term Bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund redemption date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of that Term Bond to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit such Term Bond to the extent received on or before 45 days preceding the applicable mandatory sinking fund redemption date.

If fewer than all the Bonds are called for redemption at one time, the Bonds shall be redeemed in order of maturity determined by the School Corporation and by lot within maturity. Each authorized denomination principal amount shall be considered a separate Bond for purposes of mandatory sinking fund redemption.

AUTHORITY AND SECURITY

AUTHORIZATION AND APPROVAL PROCESS

The Bonds are to be issued under the authority of Indiana law, including, without limitation, IC 20-48-1, as in effect on the date of delivery of the Bonds and pursuant to the Bond Resolution (Appendix C).

Pursuant to IC 6-1.1-20, as amended, subject to certain exceptions, when property taxes are pledged to the repayment of bonds or leases to finance a project, a determination must be made as to whether the project is a "controlled project". Projects classified as controlled projects are subject to certain public approval procedures. A controlled project is one that is financed by a bond or lease, is payable by property taxes and either costs the local governmental entity more than the thresholds set forth in IC 6-1.1-20, as amended, or the local governmental entity has an aggregate non-exempt debt service fund tax rate at the time such project is approved that exceeds certain thresholds set forth in IC 6-1.1-20, as amended.

The 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Project, which includes the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Preliminary/Initial Phase Expenses Project was considered a controlled project and subject to the referendum process. However, the referendum process was not initiated by real property owners or registered voters. Therefore, the issuance of the Bonds was able to continue without additional approval procedures. Because the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Project, which includes the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Preliminary/Initial Phase Expenses Project funded by the Bonds was not approved by a referendum vote, the ad valorem property tax to be levied on all taxable property within the School Corporation to repay the Bonds will be included in the Circuit Breaker Tax Credit calculation.

SECURITY AND SOURCES OF PAYMENT

The Bonds are the general obligation of the School Corporation payable from ad valorem property taxes to be levied on all taxable property within the School Corporation. However, see "Circuit Breaker Tax Credit" herein.

The total bonded indebtedness of the School Corporation subject to the constitutional debt limit, including the Bonds, amounts to less than two percent of one-third of the net assessed valuation of the School Corporation as required by the constitution of the State and applicable Indiana laws.

STATE INTERCEPT PROGRAM

IC 20-48-1-11, as amended (the "Act"), requires the Department of Local Government Finance (the "DLGF") to review levies and appropriations of school corporations for debt service or lease rental payments (the "Debt Service Obligation") that are payable in the succeeding calendar year. In the event a school corporation fails to levy and appropriate sufficient funds for such purpose for the next succeeding calendar year, the DLGF must establish levies and appropriations which are sufficient to pay such obligations.

The Act further provides upon failure to pay any Debt Service Obligation when due and upon notice and claim being filed with the Treasurer of the State (the "State Treasurer"), the State Treasurer will pay the unpaid Debt Service Obligation of the school corporation within five (5) days, excluding Saturdays, Sundays and legal holidays of receiving such notice to the extent that the amounts described below as the Available Funds are available to the State Treasurer in accordance with the following procedures: (a) upon notice and claim being filed with the State Treasurer, the State Treasurer must immediately contact the school corporation and the person or entity filing the claim to confirm whether the school corporation is unable to make the required payment on the due date, (b) if confirmed, the State Treasurer must notify the Budget Director of the State (the "State Budget Director"), the Auditor of the State (the "State Auditor") and any department or agency of the State responsible for distributing funds appropriated by the Indiana General Assembly (the "General Assembly") to provide the State Treasurer with available funds in order for the State Treasurer to fulfill the State Treasurer's obligations under the Act, (c) within three (3) days, excluding Saturdays, Sundays and legal holidays, of receiving the notice from the State Treasurer, the State Budget Director, the State Auditor and any department or agency of the State responsible for distributing funds appropriated by the General Assembly must provide the State Treasurer with available funds in order for the State Treasurer to fulfill the State Treasurer's obligations under the Act, and (d) the State Treasurer must make such payment to the claimant from such funds within five (5) days, excluding Saturdays, Sundays and legal holidays of the claim being filed with the State Treasurer (clauses (a) through and including (d), collectively, the "State Intercept Program"). The funds to make such payment will be from the following sources, in the following amount and in the following order of priority: (i) first, from amounts appropriated by the General Assembly for distribution to the school corporation from State funds in the current fiscal year of the State (the "Current Year School Distribution"), which begins on July 1 and ends on the immediately following June 30 (the "State Fiscal Year"), (ii) second, to the extent the amounts described in clause (i) are insufficient, from any remaining amounts appropriated by the General Assembly for distribution for tuition support in the current State Fiscal Year which are in excess of the aggregate amount of tuition support needed for distribution to all school corporations during the current State Fiscal Year, and (iii) third, to the extent the amounts described in clauses (i) and (ii) are insufficient and the General Assembly has adopted a biennial budget appropriating amounts in the immediately succeeding State fiscal year for distribution to the school corporation from State funds, then from such fund or account, as determined by the State Budget Director in an amount equal to the lesser of the unpaid Debt Service

Obligation or the amount to be distributed to the school corporation in the immediately succeeding State Fiscal Year (clauses (i) through and including (iii), collectively, the “Available Funds”). If any such payment is made by the State Treasurer pursuant to the State Intercept Program, then the State will recover such amounts by deducting such amount from the future State distributions to be made to the school corporation, first from all funds of the school corporation except tuition support. In accordance with the paying agent agreement with the Registrar and Paying Agent, the Paying Agent is to immediately notify and demand payment from the State Treasurer if the School Corporation should default on its obligation to pay debt service with respect to the Bonds on the date which is no later than the last day of the month prior to the month of each January 15 and July 15, commencing with the payment due on July 15, 2026. The estimated State distributions for State Fiscal Year 2026 and resulting debt service coverage levels are as follows:

| Fiscal Year 2026 Basic Grant Distribution (all funds) (1) | <u>\$144,836,930</u> |

PROCEDURES FOR PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION

The Bonds are payable from ad valorem property taxes required by law to be levied by, or on behalf of the School Corporation in an amount sufficient to pay debt service as it becomes due and payable and are subject to the Circuit Breaker Tax Credit described herein. Article 10, Section 1 of the Constitution of the State (“Constitutional Provision”) provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer’s property tax liability to a specified percentage of the gross assessed value of the taxpayer’s real and personal property. The Indiana General Assembly enacted legislation (IC 6-1.1-20.6, as amended), which implements the Constitutional Provision and provides taxpayers with a tax credit for all property taxes in an amount that exceeds a certain percentage of the gross assessed value of eligible property. See “Circuit Breaker Tax Credit” herein for further details on the levy and collection of property taxes.

Real and personal property in the State is assessed each year as of January 1. Before August 1 of each year, the county auditor must submit a certified statement of the assessed value of each taxing unit for the ensuing year to the DLGF. The DLGF shall make the certified statement available on its gateway website located at <https://gateway.ifionline.org/> (“Gateway”). The county auditor may submit an amended certified statement at any time before the preceding year, the date by which the DLGF must certify the taxing units’ budgets.

The certified statement of assessed value is used when the governing body of a local taxing unit meets to establish its budget for the next fiscal year (January 1 through December 31) and to set tax rates and levies. In preparing the taxing unit’s estimated budget, the governing body must consider the net property tax revenue that will be collected by the taxing unit during the ensuing year, after taking into account the DLGF’s estimate of the amount by which the taxing unit’s distribution of property taxes will be reduced by the application of the Circuit Breaker Tax Credit (as defined in the summary of “Circuit Breaker Tax Credit” herein), after taking into account the DLGF’s estimate of the maximum amount of net property tax revenue and miscellaneous revenue that the taxing unit will receive in the ensuing year and after taking into account all payments for debt service obligations that are to be made by the taxing unit during the ensuing year. Before August 1 of each year, the DLGF shall provide to each taxing unit an estimate of the amount by which the taxing unit’s distribution of property taxes will be reduced.

The taxing unit must submit the following information to the DLGF via Gateway: (i) its estimated budget; (ii) the estimated maximum permissible tax levy, as determined by the DLGF; (iii) the current and proposed tax levies of each fund; (iv) the percentage change between the current and proposed tax levies of each fund; (v) the estimated amount, determined by the DLGF, by which the taxing unit's property taxes may be reduced by the Circuit Breaker Tax Credit; (vi) the amounts of excess levy appeals to be requested, if any; (vii) the time and place at which the taxing unit will conduct a public hearing related to the information submitted to Gateway; (viii) the time and place at which the taxing unit or appropriate fiscal body will meet to fix the budget, tax rate and levy of the taxing unit; and (ix) the date, time, and place of the final adoption of the budget, tax rate, and levy. The taxing unit must submit the information listed in (i) – (ix) above on Gateway at least ten days prior to the date of the public hearing. The public hearing must be completed at least ten days before the taxing unit meets to fix the budget, tax rate and tax levy which by statute must each be established no later than November 1. The taxing unit must file the adopted budget with the DLGF within five days after adoption.

The budget, tax levy and tax rate of each taxing unit are subject to review by the DLGF, and the DLGF shall certify the tax rates and tax levies for all funds of taxing units subject to the DLGF's review. The DLGF may not increase a taxing district's budget by fund, tax rate or tax levy to an amount which exceeds the amount originally fixed by the taxing unit unless the taxing unit meets all of the following: (i) the increase is requested in writing by the taxing unit; (ii) the requested increase is published on the DLGF's advertising internet website; (iii) notice is given to the county fiscal body of the DLGF's correction; (iv) the request includes the corrected budget, tax rate, or levy, as applicable and the time and place of the public meeting; and (v) the political subdivision adopts the needed changes to its budget, tax levy, or rate in a public meeting of the governing body.

The DLGF may not approve a levy for debt service by a school corporation if: (i) there are no bonds of the school corporation outstanding; and (ii) the school corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular debt service levy requested. However, the DLGF may increase the school corporation's tax rate and levy if the tax rate and levy proposed by the school corporation are not sufficient to make its debt service payments.

The DLGF must complete its review and certification of budgets, tax rates and levies by December 31 of the calendar year immediately preceding the ensuing calendar year unless a taxing unit in the county is issuing debt after December 1 in the year preceding the budget year or intends to file a levy shortfall appeal.

On or before March 15, the county auditor prepares the tax duplicate, which is a roll of property taxes payable in that year. The county auditor publishes a notice of the tax rate in accordance with Indiana statutes. The county treasurer mails tax statements at least 15 days prior to the date that the first installment is due (due dates may be delayed due to a general reassessment or other factors). Property taxes are due and payable to the county treasurer in two installments on May 10 and November 10, unless the mailing of tax bills is delayed or a later due date is established by order of the DLGF. If an installment of property taxes is not completely paid on or before the due date, a penalty of 10% of the amount delinquent is added to the amount due; unless the installment is completely paid within thirty (30) days of the due date and the taxpayer is not liable for delinquent property taxes first due and payable in a previous year for the same parcel, the amount of the penalty is five percent (5%) of the amount of the delinquent taxes. On May 11 and November 11 of each year after one year of delinquency, an additional penalty equal to 10% of any taxes remaining unpaid is added. The penalties are imposed only on the principal amount of the delinquency. Property becomes subject to tax sale procedures after 15 months of delinquency. The county auditor distributes property tax collections to the various taxing units on or about June 30 after the May 10 payment date and on or about December 31 after the November 10 payment date.

Personal property values are assessed January 1 of every year and are self-reported by property owners to county assessors using prescribed forms. The completed personal property return must be filed with the county assessors no later than May 15. Pursuant to State law, personal property is assessed at its actual historical cost less depreciation, in accordance with 50 IAC 4.2, the DLGF's Rules for the Assessment of Tangible Personal Property. Pursuant to IC 6-1.1-3-7.2, as amended, State law automatically exempts from property taxation the acquisition cost of a taxpayer's total business personal property in a county if the total business personal property is less than (i) eighty thousand dollars (\$80,000) for assessment dates before 2026; and (ii) two million dollars (\$2,000,000) for the 2026 assessment date and each assessment date thereafter.

Pursuant to State law, real property is valued for assessment purposes at its “true tax value” as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2021 Real Property Assessment Manual (“Manual”), as incorporated into 50 IAC 2.4 and the 2021 Real Property Assessment Guidelines (“Guidelines”), as published by the DLGF. In the case of agricultural land, true tax value shall be the value determined in accordance with the Guidelines and IC 6-1.1-4-13, as amended, which shall mean the “market value-in-use” of a property for its current use, as reflected by the utility received by the owner or by a similar user from the property. Except for agricultural land and rental residential property with rental periods longer than thirty (30) days, the Manual permits assessing officials in each county to choose one of three standard approaches to determine market value-in-use, which are the cost approach, the sales comparison approach or the income approach. The Guidelines provide each of the approaches to determine “market value-in-use and the reconciliation of these approaches shall be applied in accordance with generally recognized appraisal principals.” In accordance with IC 6-1.1-4-4.2(a), as amended, the county assessor is required to submit a reassessment plan to the DLGF before May 1 every four (4) years, and the DLGF has to approve the reassessment plan before January 1 of the following year.

The reassessment plan must divide all parcels of real property in the county into four (4) different groups of parcels. Each group of parcels must contain approximately twenty-five percent (25%) of the parcels within each class of real property in the county. All real property in each group of parcels shall be reassessed under a county’s reassessment plan once during each four (4) year cycle. The reassessment of a group of parcels in a particular class of real property shall begin on May 1 of a year and must be completed on or before January 1 of the year after the year in which the reassessment of the group of parcels begins. All real property assessments are revalued annually to reflect market value based upon comparable sales (“Trending”). “Net Assessed Value” or “Taxable Value” represents the “Gross Assessed Value” less certain deductions for mortgages, veterans, the aged, the blind, economic revitalization areas, resource recovery systems, rehabilitated residential property, solar energy systems, wind power devices, hydroelectric systems, geothermal devices and tax-exempt property. The “Net Assessed Value” or “Taxable Value” is the assessed value used to determine tax rates.

Changes in assessed values of real property occur periodically as a result of general reassessments, as well as when changes occur in the property value due to new construction or demolition of improvements. When a change in assessed value occurs, a written notification is sent to the affected property owner. If the owner wishes to appeal this action, the owner may file a petition requesting a review of the action. This petition must be filed with the county assessor in which the property is located by June 15 of the assessment year if the written notification is given to the taxpayer before May 1 of that year, or June 15 of the year in which the tax bill is mailed by the county treasurer, if the notice is provided on or after May 1 of the assessment year, whichever is earlier. While the appeal is pending, the taxpayer may pay taxes based on the current year’s tax rate and the previous or current year’s assessed value. For all appeals except an appeal on the assessed value of the property, the taxpayer may appeal not later than three years after the taxes were first due.

Over the past few years the Indiana General Assembly has proposed legislation containing numerous provisions related to property taxation and local income taxation, which could adversely affect political subdivisions in the State in a variety of ways. Senate Enrolled Act No. 1 (2025) (“SEA 1-2025”) includes provisions that increase the homestead deduction for real property owners and new assessed value deductions to real property owners of non-homestead residential property, agricultural property and long-term care facilities, all of which phase in beginning in 2026 through taxes payable year 2031. Some of the changes in SEA 1-2025 may result in a decrease in assessed valuation, which may require an increase in property tax rates. It is uncertain at this time what impact, if any, SEA 1-2025 or any future legislation may have on the property assessment process or the amount of ad valorem property taxes and local income taxes to be received by local government entities in future years. Neither the School Corporation nor its advisors assume any responsibility for assessing the potential risk of any such legislation that may impact the Bonds or the operations of the School Corporation. The purchasers of the Bonds should consult their own advisors regarding risks associated with SEA 1-2025 or future legislation.

CIRCUIT BREAKER TAX CREDIT

The Constitutional Provision provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer’s property tax liability to a specified percentage of the gross assessed value of the taxpayer’s real and personal property. IC-6-1.1-20.6, as amended (the “Statute”), authorizes such limits in the form of a tax credit for all property taxes in an amount that exceeds

the gross assessed value of real and personal property eligible for the credit (the "Circuit Breaker Tax Credit"). For property assessed as a homestead (as defined in IC 6-1.1-12-37, as amended), the Circuit Breaker Tax Credit is equal to the amount by which the property taxes attributable to the homestead exceed 1% of the gross assessed value of the homestead. Property taxes attributable to the gross assessed value of other residential property, agricultural property, and long-term care facilities are limited to 2% of the gross assessed value, property taxes attributable to other non-residential real property and personal property are limited to 3% of the gross assessed value. The Statute and other additional Indiana laws provide additional property tax credits for property taxes paid by homesteads and certain real property owners based on certain demographic categories.

If applicable, the Circuit Breaker Tax Credit will result in a reduction of property tax collections for each political subdivision in which the Circuit Breaker Tax Credit is applied. School corporations are authorized to impose a referendum tax levy, if approved by voters, to replace property tax revenue that the school corporation will not receive due to the application of the Circuit Breaker Tax Credit. Otherwise, school corporations and other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit.

The Constitutional Provision excludes from the application of the Circuit Breaker Tax Credit property taxes first due and payable in 2012, and thereafter, that are imposed after being approved by the voters in a referendum. The Statute codifies this exception, providing that, with respect to property taxes first due and payable in 2012 and thereafter, property taxes imposed after being approved by the voters in a referendum will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute.

The Statute requires political subdivisions to fully fund the payment of Debt Service Obligations, regardless of any reduction in property tax collections due to the application of the Circuit Breaker Tax Credit. For school corporations, any shortfall could also be funded through the State Intercept Program (See "State Intercept Program" herein); however, application of the State Intercept Program will result in a shortfall in distributions to the school corporation's education fund and school corporations are encouraged by the DLGF to fund any shortfall directly from the school corporation's other legally available funds to avoid the application of the State Intercept Program. Upon: (i) the failure of a political subdivision to pay any of its Debt Service Obligations; and (ii) notification of that event to the treasurer of the State by a claimant; the treasurer of State is required to pay the unpaid Debt Service Obligations from money in the possession of the State that would otherwise be available to the political subdivision under any other law. A deduction must be made from any other undistributed funds of the political subdivision in possession of the State.

Pursuant to IC 6-1.1-20.6-9.9, as amended, if a school corporation has sufficient Circuit Breaker Tax Credit losses and meets certain requirements in any year from 2014 through 2026, and has approval from the DLGF, it will be an eligible school corporation for such year that it submitted the request for a determination (an "Eligible School Corporation"). An Eligible School Corporation may allocate a portion of its Circuit Breaker Tax Credit loss to its non-exempt debt service fund(s), and is exempt from the protected taxes requirement described below.

After December, 31, 2023, if a school corporation issues new bonds or enters into a new lease rental agreement after July 1, 2023, for which the school corporation is imposing or will impose a debt service levy other than: (A) to refinance or renew prior bond or lease rental obligations existing before January 1, 2024, but only if the refinancing or renewal is for a lower interest rate; or (B) for indebtedness that is approved in a local public question or referendum under IC 6-1.1-20 or any other law, the school corporation will not be an Eligible School Corporation.

The School Corporation did not qualify for this exemption in 2025 and will not qualify for this exemption in 2026.

Except for an Eligible School Corporation, the Statute categorizes property taxes levied to pay Debt Service Obligations as "protected taxes," regardless of whether the property taxes were approved at a referendum, and all other property taxes as "unprotected taxes." The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the Circuit Breaker Tax Credit. The application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund. The School Corporation may allocate the reduction by using a combination of unprotected taxes of the political subdivision in those taxing districts in which the Circuit Breaker Tax Credit

caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

If the allocation of property tax reductions to funds receiving only unprotected taxes is insufficient to offset the amount of the Circuit Breaker Tax Credit or if there is not a fund receiving only unprotected taxes from which to distribute revenue, the revenue for a fund receiving protected taxes will also be reduced. If a fund receiving protected taxes is reduced, the Statute provides that a political subdivision may transfer money from any other available source in order to meet its Debt Service Obligations. The amount of this transfer is limited to the amount by which the protected taxes are insufficient to meet Debt Service Obligations.

The allocation of property tax reductions to funds may impact the ability of political subdivisions to provide existing levels of service, and in extreme cases, the ability to make debt service or lease rental payments.

The School Corporation cannot predict the timing, likelihood or impact on property tax collections of any future actions taken, amendments to the Constitution of the State or legislation enacted, regulations or rulings promulgated or issued to implement any such regulations, statutes or the Constitutional Provision described above or of future property tax reform in general. There has been no judicial interpretation of this legislation. In addition, there can be no assurance as to future events or legislation that may affect the Circuit Breaker Tax Credit or the collection of property taxes by the School Corporation.

Estimated Circuit Breaker Tax Credit for the School Corporation:

According to the DLGF, the Circuit Breaker Tax Credit allocable to the School Corporation for budget years 2023, 2024 and 2025, are \$3,648,532, \$3,106,530 and \$4,373,109, respectively. These estimates do not include the payments on the Bonds.

The Circuit Breaker Tax Credit amounts above do not reflect the potential effect of any further changes in the property tax system or methods of funding local government that may be enacted by the Indiana General Assembly in the future. The effects of these changes could affect the Circuit Breaker Tax Credit and the impact could be material. Other future events, such as the loss of a major taxpayer, reductions in assessed value, increases in property tax rates of overlapping taxing units or the reduction in local option income taxes applied to property tax relief could increase effective property tax rates and the amount of the lost revenue due to the Circuit Breaker Tax Credit, and the resulting increase could be material. Pursuant to SEA 1-2025, the local income tax authorized pursuant to IC 6-3.6-5 that is utilized for property tax relief expires beginning in 2028, which may increase circuit breaker tax credits in 2028 and thereafter.

INVESTMENT OF FUNDS

The proceeds of the Bonds are to be invested in accordance with the laws of the State relating to the depositing, holding, securing or investing of public funds, including particularly Indiana Code 5-13, and the acts amendatory thereof and supplemental thereto. The School Corporation shall direct the investment of the Bond proceeds.

RATINGS

S&P Global Rating Agency ("S&P Global") has assigned a programmatic bond rating of "AA+" to the Bonds and an underlying bond rating of "AA-" to the Bonds. Such ratings reflect only the view of S&P Global and any explanation of the significance of such ratings may only be obtained from S&P Global.

The ratings are not a recommendation to buy, sell or hold the Bonds, and such ratings may be subject to revision or withdrawal at any time by S&P Global. Any revision or withdrawal of the ratings may have an adverse effect upon the market price of the Bonds.

The School Corporation did not apply to any other rating service for a rating on the Bonds.

RISK FACTORS AND INVESTOR CONSIDERATIONS

Prospective purchasers of the Bonds should consider carefully, along with other matters referred to herein, the following risks of investment. **This discussion of risk factors and investor considerations is not, and is not intended to be, exhaustive.**

MAINTENANCE OF RATINGS

The Bonds will be rated as to their creditworthiness by S&P Global. No assurance can be given that the Bonds will maintain their original ratings. If the ratings on the Bonds decrease or are withdrawn, the Bonds may lack liquidity in the secondary market in comparison with other such municipal obligations. See "RATINGS" herein.

SECONDARY MARKET

While a purchaser of the Bonds may expect, insofar as possible, to maintain a secondary market in the Bonds, no assurance can be given concerning the future existence of such a secondary market or its maintenance by purchasers or others, and prospective purchasers of the Bonds should therefore be prepared, if necessary, to hold their Bonds to maturity or prior redemption, if any.

FUTURE CHANGES IN LAW

Legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Laws and regulations of the United States of America and the State and related court and administrative law decisions affecting municipal bonds is considered from time to time by the federal and state executive, legislative and judicial branches. Bond Counsel's opinion is based upon the laws and regulations of the United States of America and the State of Indiana and related court and administrative law decisions in existence on the date of this Official Statement (collectively, the "Laws"). No assurance can be given as to the impact, if any, future events, regulations, legislation, court decisions or administrative decisions may have with respect to the Laws or that any or all of the Laws will remain in effect during the entire term of the Bonds.

Over the past few years the Indiana General Assembly has proposed legislation containing numerous provisions related to property taxation and local income taxation, which could adversely affect political subdivisions in the State in a variety of ways. SEA 1-2025 includes provisions that increase the homestead deduction for real property owners and new assessed value deductions to real property owners of non-homestead residential property, agricultural property and long-term care facilities, all of which phase in beginning in 2026 through taxes payable year 2031. Some of the changes in SEA 1-2025 may result in a decrease in assessed valuation, which may require an increase in property tax rates. It is uncertain at this time what impact, if any, SEA 1-2025 or any future legislation may have on the property assessment process or the amount of ad valorem property taxes and local income taxes to be received by local government entities in future years. Neither the School Corporation nor its advisors assume any responsibility for assessing the potential risk of any such legislation that may impact the Bonds or the operations of the School Corporation. The purchasers of the Bonds should consult their own advisors regarding risks associated with SEA 1-2025 or future legislation.

LIMITATIONS ON REMEDIES AVAILABLE TO OWNERS OF THE BONDS

There is no bond trustee or similar person or entity to monitor or enforce the provisions of the Bond Resolution on behalf of the owners of the Bonds, and, therefore, the owners of the Bonds should be prepared to enforce such provisions themselves if the need to do so ever arises. However, the Registrar and Paying Agent has contractually agreed, without any direction, security or indemnity, to file a claim with

the Indiana State Treasurer for an amount equal to the principal and interest payment then due in the event that sufficient funds have not been deposited on the last day of the month prior to the month of each January 15 and July 15, commencing with the payment due on July 15, 2026.

There is no provision for acceleration of maturity of the principal of the Bonds in the event of a default in the payment of principal or interest on the Bonds. Consequently, the owners of the Bonds may have to enforce available remedies from year to year. However, see "State Intercept Program" herein.

POTENTIAL IMPACTS RESULTING FROM EPIDEMICS OR PANDEMICS

The School Corporation's finances may be materially adversely affected by unforeseen impacts of future epidemics and pandemics. The School Corporation cannot predict future impacts of epidemics or pandemics, any similar outbreaks, or their impact on travel, on assemblies or gatherings, on the State, national or global economy, or on securities markets, or whether any such disruptions may have a material adverse impact on the financial condition or operations of the School Corporation, including but not limited to the payment of debt service on any of its outstanding debt obligations.

CYBERSECURITY

The School Corporation relies on computer networks, data storage, collection and transmission to conduct the operations of the School Corporation and has implemented security measures to protect data and limit financial exposure, including securing cyber security insurance to assist with the reduction of potential risk of financial and operational damage resulting from network attacks. Even with these security measures, the School Corporation, its information technology, data stored by the School Corporation and its infrastructure may be vulnerable in the event of a deliberate system attack, including malware, ransomware, computer virus, employee error or general disruption. If breached or compromised, the networks could be disrupted and information could be accessed, disclosed, lost or stolen. The School Corporation acknowledges that its systems could be affected by a cybersecurity attack and that a loss, disruption or unauthorized access to data held by the School Corporation could have a material impact on the School Corporation's financial health and operations. Further, as cybersecurity threats evolve, the School Corporation will continue to evaluate and implement security measures and work to mitigate any vulnerabilities in their systems.

The Bond Purchase Agreement provides that all of the Bonds will be purchased by the Underwriter if any of such Bonds are purchased.

The Underwriter intends to offer the Bonds to the public at the offering prices set forth in the "Maturity Schedule" of this Official Statement. The Underwriter may allow concessions to certain dealers (including dealers in a selling group of the Underwriter and other dealers depositing the Bonds into investment trusts), who may reallocate concessions to other dealers. After the initial public offering, the public offering price may be varied from time to time by the Underwriter.

Stifel and its affiliates comprise a full service financial institution engaged in activities which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Stifel and its affiliates may have provided, and may in the future provide, a variety of these services to the School Corporation and to persons and entities with relationships with the School Corporation, for which they received or will receive customary fees and expenses.

In the ordinary course of these business activities, Stifel and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the School Corporation (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the School Corporation.

Stifel and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. Such investment and securities activities may involve securities and instruments of the School Corporation.

CONTINUING DISCLOSURE

Pursuant to continuing disclosure requirements promulgated by the Securities and Exchange Commission in SEC Rule 15c2-12, as amended (the "SEC Rule"), the School Corporation will enter into a Continuing Disclosure Contract (the "Contract"), in connection with the sale of the Bonds. Pursuant to the terms of the Contract, the School Corporation agrees to provide the information detailed in the Contract, the form of which is attached hereto as Appendix E.

The purpose of the Contract is to enable the Underwriter to purchase the Bonds by providing for a contract by the School Corporation in satisfaction of the SEC Rule. The School Corporation's failure to honor its covenants under the Contract shall not constitute a breach or default of the Bonds, the Bond Resolution or any other agreement.

In order to assist the Underwriter in complying with the Underwriter's obligations pursuant to the SEC Rule, the School Corporation represents that it has conducted or caused to be conducted what it believes to be a reasonable review of the School Corporation's compliance with its continuing disclosure obligations. Based upon such review, the School Corporation is not aware of any instances in the previous five years in which the School Corporation has failed to comply, in any material respects, with its previous undertakings in a written contract or agreement specified in paragraph (b)(5)(i) of the SEC Rule. The School Corporation has retained BTMA (as hereinafter defined) as its dissemination agent and the School Corporation has instituted procedures for ongoing compliance with such previous undertakings.

FUTURE FINANCINGS

The School Corporation approved the financing of the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Project in an original aggregate principal amount not to exceed \$175,000,000. The School Corporation currently plans to issue or have the Perry Township MultiSchool Building Corporation of 1996, issue additional bonds over the next one to two years in an original aggregate principal amount currently estimated not to exceed \$145,000,000*, all of the proceeds of which will be used to pay for the remaining portion of the costs of the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Project and related costs.

The School Corporation periodically evaluates market conditions and outstanding financial obligations for refunding/refinancing opportunities and may issue refunding bonds if debt service savings can be achieved. The School Corporation also continuously examines the need to undertake additional capital projects and may issue debt to support future projects.

LITIGATION

To the knowledge of the officers for the School Corporation, there is no litigation pending, or threatened, against the School Corporation, which in any way questions or affects the validity of the Bonds, or any proceedings or transactions relating to the issuance, sale or delivery thereof.

The officers for the School Corporation will certify at the time of delivery of the Bonds that there is no litigation pending or in any way threatened questioning the validity of the Bonds, or any of the proceedings had relating to the authorization, issuance and sale of the Bonds, the Bond Resolution or the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Preliminary/Initial Phase Expenses Project that would result in a material adverse impact on the financial condition of the School Corporation.

*Preliminary, subject to change.

LEGAL MATTERS

CERTAIN LEGAL MATTERS

Legal matters incident to the authorization, issuance and sale of the Bonds are subject to the unqualified approving opinion of Barnes & Thornburg LLP, Indianapolis, Indiana, Bond Counsel, whose approving opinion will be available at the time of delivery of the Bonds. Bond Counsel has not been asked nor has it undertaken to review the accuracy or sufficiency of this Official Statement and will express no opinion thereon. See Appendix D: "Form of Legal Opinion."

LEGAL OPINIONS AND ENFORCEABILITY OF REMEDIES

The enforceability of the rights and remedies of the registered owners of the Bonds under the Bond Resolution are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the federal bankruptcy code), the enforceability of the rights and remedies under the Bond Resolution may be limited.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State and the United States of America and bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law). Those exceptions would encompass any exercise of federal, State or local police powers (including the police powers of the School Corporation and the State), in a manner consistent with the public health and welfare. The enforceability of the Bond Resolution, in a situation where such enforcement or availability may adversely affect the public health and welfare, may be subject to those police powers.

TAX DISCLOSURES

TAX MATTERS

In the opinion of Bond Counsel, under existing laws, interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended and in effect on the date of issuance of the Bonds (the "Code"). The opinion of Bond Counsel is based on certain certifications, covenants and representations of the School Corporation and is conditioned on continuing compliance therewith. In the opinion of Bond Counsel, under existing laws, interest on the Bonds is exempt from income taxation in the State for all purposes, except the State financial institutions tax. See Appendix D: Form of Legal Opinion.

The Code imposes certain requirements which must be met subsequent to the issuance of the Bonds as a condition to the excludability of the interest on the Bonds from gross income for federal income tax purposes. Noncompliance with such requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactively to the date of issue, regardless of the date on which noncompliance occurs. Should the Bonds bear interest that is not excludable from gross income for federal income tax purposes, the market value of the Bonds would be materially and adversely affected. It is not an event of default if interest on the Bonds is not excludable from gross income for federal income tax purposes pursuant to any provision of the Code which is not in effect on the date of issuance of the Bonds.

The interest on the Bonds is not a specific preference item for purposes of the federal alternative minimum tax. However, such interest is included in the "adjusted financial statement income" of certain corporations that are subject to the alternative minimum tax.

The Bonds have not been designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

IC 6-5.5 imposes a franchise tax on certain taxpayers (as defined in IC 6-5.5), which, in general, include all corporations which are transacting the business of a financial institution in the State. The franchise tax is measured in part by interest excluded from gross income under Section 103 of the Code minus associated expenses disallowed under Section 265 of the Code.

Although Bond Counsel will render an opinion in the form attached as Appendix D hereto, the accrual or receipt of interest on the Bonds may otherwise affect a bondholder's federal income tax or state tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and a bondholder's other items of income or deduction. Bond Counsel expresses no opinion regarding any other such tax consequences.

The foregoing does not purport to be a comprehensive description of all of the tax consequences of owning the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors with respect to the foregoing and other tax consequences of owning the Bonds.

ORIGINAL ISSUE DISCOUNT

The initial public offering prices of the Bonds maturing on _____, 20__, through and including _____, 20__ (collectively, the "Discount Bonds"), are less than the principal amounts thereof payable at maturity. As a result, the Discount Bonds will be considered to be issued with original issue discount. A taxpayer who purchases a Discount Bond in the initial public offering at the price listed in the "Maturity Schedule" of this Official Statement (assuming it is the first price at which a substantial amount of that maturity is sold) (the "Issue Price" for such maturity), and the amount payable at its maturity, will be treated as "original issue discount." The original issue discount on each of the Discount Bonds is treated as accruing daily over the term of such Discount Bond on the basis of the yield to maturity determined on the basis of compounding at the end of each six-month period (or shorter period from the date of the original issue) ending on January 15 and July 15 (with straight line interpolation between compounding dates). An owner who purchases a Discount Bond in the initial public offering at the Issue Price for such maturity will treat the accrued amount of original issue discount as interest which is excludable from the gross income of the owner of that Discount Bond for federal income tax purposes.

Section 1288 of the Code provides, with respect to tax-exempt obligations such as the Discount Bonds, that the amount of original issue discount accruing each period will be added to the owner's tax basis for the Discount Bonds. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Discount Bonds (including sale, redemption or payment at maturity). Owners of Discount Bonds who dispose of Discount Bonds prior to maturity should consult their tax advisors concerning the amount of original issue discount accrued over the period held and the amount of taxable gain or loss upon the sale or other disposition of such Discount Bonds prior to maturity.

The original issue discount that accrues in each year to an owner of a Discount Bond may result in certain collateral federal income tax consequences. Owners of any Discount Bonds should be aware that the accrual of original issue discount in each year may result in a tax liability from these collateral tax consequences even though the owners of such Discount Bonds will not receive a corresponding cash payment until a later year.

Owners who purchase Discount Bonds in the initial public offering but at a price different from the Issue Price for such maturity should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

The Code contains certain provisions relating to the accrual of original issue discount in the case of subsequent purchasers of bonds such as the Discount Bonds. Owners who do not purchase Discount Bonds in the initial public offering should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

Owners of Discount Bonds should consult their own tax advisors with respect to the state and local tax consequences of owning the Discount Bonds. It is possible under the applicable provisions governing the determination of state or local income taxes that accrued interest on the Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment until a later year.

AMORTIZABLE BOND PREMIUM

The initial public offering prices of the Bonds maturing on _____, 20__, through and including _____, 20__ (collectively, the "Premium Bonds"), are greater than the principal amounts thereof payable at maturity. As a result, the Premium Bonds will be considered to be issued with amortizable bond

premium (the “Bond Premium”). An owner who acquires a Premium Bond in the initial public offering will be required to adjust the owner’s basis in the Premium Bond downward as a result of the amortization of the Bond Premium, pursuant to Section 1016(a)(5) of the Code. Such adjusted tax basis will be used to determine taxable gain or loss upon the disposition of the Premium Bonds (including sale, redemption or payment at maturity). The amount of amortizable Bond Premium will be computed on the basis of the owner’s yield to maturity, with compounding at the end of each accrual period. Rules for determining (i) the amount of amortizable Bond Premium and (ii) the amount amortizable in a particular year are set forth in Section 171(b) of the Code. No income tax deduction for the amount of amortizable Bond Premium will be allowed pursuant to Section 171(a)(2) of the Code, but amortization of Bond Premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining other tax consequences of owning the Premium Bonds. Owners of the Premium Bonds should consult their tax advisors with respect to the precise determination for federal income tax purposes of the treatment of Bond Premium upon the sale or other disposition of such Premium Bonds and with respect to the state and local tax consequences of owning and disposing of the Premium Bonds.

Special rules governing the treatment of Bond Premium, which are applicable to dealers in tax-exempt securities, are found in Section 75 of the Code. Dealers in tax-exempt securities are urged to consult their own tax advisors concerning the treatment of Bond Premium.

MUNICIPAL ADVISOR

The School Corporation has retained Baker Tilly Municipal Advisors, LLC (the “Municipal Advisor” or “BTMA”) as municipal advisor in connection with certain aspects of the issuance of the Bonds. BTMA is a municipal advisor registered with the Securities and Exchange Commission and the Municipal Securities Rulemaking Board. The Municipal Advisor’s duties, responsibilities and fees arise solely as Municipal Advisor to the School Corporation, and it has no secondary obligations or other responsibility. The Municipal Advisor’s fees are expected to be paid from proceeds of the Bonds. BTMA provides certain specific municipal advisory services to the School Corporation but is neither a placement agent to the School Corporation nor a broker/dealer.

Other Financial Industry Activities and Affiliations:

Baker Tilly Wealth Management, LLC (“BTWM”), an SEC registered investment adviser, Moss Adams Wealth Advisors, LLC, an SEC registered investment adviser and Baker Tilly Capital, LLC (“BTC”), a broker/dealer registered with the SEC and member of the Financial Industry Regulatory Authority (“FINRA”), are controlled subsidiaries of BTAG. related person who is a broker-dealer, investment company, other investment adviser or financial planner, bank, law firm or other financial entity.

PERRY TOWNSHIP SCHOOLS

SYSTEM OVERVIEW

Perry Township Schools, Marion County, Indiana (the "School Corporation"), was organized in 1959 and comprises approximately 46 square miles in the southern portion of the City of Indianapolis, Marion County, Indiana. The School Corporation includes the City of Southport, the Town of Homeroft and a small portion of the City of Beech Grove.

The School Corporation is comprised of 11 elementary schools housing students in grades kindergarten through five; two sixth grade academies; two middle schools which provide education to students in grades seven and eight; two high schools which enroll students in grades nine through twelve and the James Whitcomb Riley, and Compass Education Center Alternative Education programs. The School Corporation also provides the Early Childhood Academy for ages 3-5, and four kindergarten academies tied to elementary schools.

In addition to the extensive curricular and extracurricular offerings of the School Corporation, accelerated programs are available for the gifted and talented students in all grades. An At Risk Program is in service for students in elementary, middle, and high schools. Project Lead the Way is a pre-engineering/engineering program offered in all elementary, middle, and high schools, which introduces the scope of engineering as well as helps teachers to grow thinking and problem-solving skills in all students. The High Schools offer Advanced Placement (AP) courses, Honors/Gifted and Talented courses and dual credit courses. The Central Nine Career Center provides high school students from nine schools with career and technical programs.

In January 2019, the School Corporation announced the opening of the newest education option, the Compass Education Center. The program serves Perry Meridian High School and Southport High School students who need extra help to advance toward graduation.

(1) The Net Assessed Value of Utility Property Increased due to the City of Indianapolis Department of Public Utilities personal property assessment increase of \$13,419,060.

(2) Certified Net Assessed Valuation per the Indiana Department of Local Government Finance ("DLGF").

NOTE: Net assessed valuations represent the assessed value less certain deductions for the blind, as well as tax-exempt property.

Real property is valued for assessment purposes at its true tax value as defined in the Real Property Assessment Rule, 50 IAC 2.4, the 2011 Real Property Assessment Manual ("Manual"), as incorporated into 50 IAC 2.4, and the 2011 Real Property Assessment Guidelines ("Guidelines"), as adopted by the DLGF. In the case of agricultural land, true tax value is the value determined in accordance with the Guidelines adopted by the DLGF and IC 6-1.1-4-13. In the case of all other real property, true tax value is defined as "the market value-in-use of a property for its current use, as reflected by the utility received by the owner or by a similar user, from the property."

P.L. 180-2016 revises the factors used to calculate the assessed value of agricultural land. This legislation is retroactive to the January 1, 2016 assessment date and applies to each assessment date thereafter. The revised factors enacted in the legislation may reduce the total assessed value of agricultural land, which could shift property tax liability from agricultural property owners to other property owners. In addition, the reduction in the assessed value of agricultural land may result in a reduction of the total assessed value of a School Corporation. Lower assessed values of a School Corporation may result in higher tax rates in order for a School Corporation to receive its approved property tax levy.

Real property assessments are annually adjusted to market value based on sales data. The process of adjusting real property assessments to reflect market values has been termed "trending" by the DLGF.

The Manual permits assessing officials in each county to choose any acceptable mass appraisal method to determine true tax value, taking into consideration the ease of administration and the uniformity of the assessments produced by that method. The Guidelines were adopted to provide assessing officials with an acceptable appraisal method, although the Manual makes it clear that assessing officials are free to select from any number of appraisal methods, provided that they produce accurate and uniform values throughout the jurisdiction and across all classes of property. The Manual specifies the standards for accuracy and validation that the DLGF uses to determine the acceptability of any alternative appraisal method.

(1) Circuit Breaker Tax Credits allocable to the School Corporation per the DLGF.

Article 10, Section 1 of the Constitution of the State of Indiana (the "Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. Indiana Code § 6-1.1-20.6 (the "Statute") authorizes such limits in the form of a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit (the "Circuit Breaker Tax Credit"). For property assessed as a homestead (as defined in Indiana Code § 6-1.1-12-37), the Circuit Breaker Tax Credit is equal to the amount by which the property taxes attributable to the homestead exceed 1% of the gross assessed value of the homestead. Property taxes attributable to the gross assessed value of other residential property, agricultural property, and long-term care facilities are limited to 2% of the gross assessed value, property taxes attributable to other non-residential real property and personal property are limited to 3% of the gross assessed value. The Statute and other additional Indiana laws provide additional property tax credits for property taxes paid by homesteads and certain real property owners based on certain demographic categories.

The Statute categorizes property taxes levied to pay Debt Service Obligations as "protected taxes," regardless of whether the property taxes were approved at a referendum, and all other property taxes as "unprotected taxes." The total amount of revenue to be distributed to the fund for which the protected taxes were imposed shall be determined without applying the Circuit Breaker Tax Credit. The application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund. The political subdivision may allocate the reduction by using a combination of unprotected taxes of the political subdivision in those taxing districts in which the Circuit Breaker Tax Credit caused a reduction in protected taxes. The tax revenue and each fund of any other political subdivisions must not be affected by the reduction.

(DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation, and Fixed Income Clearing Corporation all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners.

The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and payment of principal of, and interest on, the Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or its agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or its agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to Issuer or its agent. Under such circumstances, in the event that a successor depository is not obtained, certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

WHEREAS, the Board of Education of the Perry Township Schools, Marion County, Indiana (the “Board”), has previously adopted a resolution on May 12, 2025 (the “Preliminary Determination Resolution”) (a) making a preliminary determination that there exists a need for the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Project (as defined and described in detail in the Preliminary Determination Resolution), and (b) authorizing the Perry Township Schools, Marion County, Indiana (the “School Corporation”), to take the steps necessary to finance all or any portion of the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Project through the issuance of general obligation bonds of the School Corporation and/or first mortgage bonds of one or more Indiana nonprofit school building corporations in an original aggregate principal amount not to exceed \$175,000,000; and

WHEREAS, a valid petition requesting the application of the referendum process was not filed in accordance with Indiana Code § 6-1.1-20-3.5, as amended, within thirty (30) days after the School Corporation published the notice of preliminary determinations described in the immediately preceding paragraph; and

WHEREAS, the Board deems it advisable to issue, pursuant to Indiana Code 20-48-1 and other applicable provisions of the Indiana Code, each as amended (collectively, the “Act”), the “Perry Township Schools, Marion County, Indiana, General Obligation Bonds, Series 2025” (the “2025 General Obligation Bonds”) in one or more series in an original aggregate principal amount not to exceed Thirty Million Dollars (\$30,000,000) (the “Authorized Amount”) for the purpose of providing for the payment of all or a portion of the preliminary and initial costs of the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Project incurred, or to be incurred, by the School Corporation, all or a portion of the costs incurred, or to be incurred, by the School Corporation associated therewith, and the costs of selling and issuing the 2025 General Obligation Bonds (collectively, the “2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Preliminary/Initial Phase Expenses”); and

WHEREAS, all conditions precedent to the adoption of a resolution authorizing the issuance of the 2025 General Obligation Bonds have been complied with in accordance with the applicable provisions of the Act.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE PERRY TOWNSHIP SCHOOLS, MARION COUNTY, INDIANA, AS FOLLOWS:

Section 1. Determination of Need and Authorization for 2025 General Obligation Bonds. Providing for the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Preliminary/Initial Phase Expenses is in the public interest, and it is a proper public purpose for which this Board agrees to issue the 2025 General Obligation Bonds. In order to provide financing for all or a portion of the cost of the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Preliminary/Initial Phase Expenses as described above and the costs of selling and issuing the 2025 General Obligation Bonds, the School Corporation shall borrow money and shall issue the 2025 General Obligation Bonds as herein authorized. The School Corporation covenants that the proceeds of the 2025 General Obligation Bonds will not be used for any purpose except as described in this Resolution.

Section 2. General Terms of 2025 General Obligation Bonds.

(a) **Issuance of 2025 General Obligation Bonds.** In order to procure said loan for such purposes, the School Corporation hereby authorizes the issuance of the 2025 General Obligation Bonds as described herein. The President of the Board (the “President”) is hereby authorized and directed to have prepared and to issue and sell the 2025 General Obligation Bonds as negotiable, fully registered bonds of the School Corporation in an amount not to exceed the Authorized Amount.

The 2025 General Obligation Bonds shall be executed in the name of the School Corporation by the manual or facsimile signature of the President and attested by the manual or facsimile signature of the Secretary of the Board (the “Secretary”). In case any officer whose signature appears on the 2025 General Obligation Bonds shall cease to be such officer before the delivery of the 2025 General Obligation Bonds, such signature shall nevertheless be valid and sufficient for all purposes as if such officer had remained in office until delivery thereof. The 2025 General Obligation Bonds also shall be, and will not be valid or become obligatory for any purpose or entitled to any benefit under this Resolution unless and until, authenticated by the manual signature of the Registrar (as defined in Section 3 hereof). Subject to the provisions of this Resolution regarding the registration of the 2025 General Obligation Bonds, the 2025 General Obligation Bonds shall be fully negotiable instruments under the laws of the State of Indiana.

The 2025 General Obligation Bonds shall be numbered consecutively from 2025R-1 upward, shall be issued in denominations of Five Thousand Dollars (\$5,000) or any integral multiple thereof or in a minimum denomination of One Hundred Thousand Dollars (\$100,000) and denominations of One Thousand Dollars (\$1,000) or any integral multiple thereof above such minimum denomination, as determined by the President at the time of issuance of the 2025 General Obligation Bonds, shall be originally dated as of the first (1st) day or the fifteenth (15th) day of the month in which the 2025 General Obligation Bonds are sold or the date of delivery, as designated by the President at the time of issuance of the 2025 General Obligation Bonds, and shall bear interest payable semiannually on each January 15 and July 15, commencing no earlier than July 15, 2026, at a rate or rates not exceeding six percent (6.00%) per annum (the exact rate or rates to be determined by negotiation pursuant to Section 5 of this Resolution), calculated on the basis of a three hundred sixty (360) day year comprised of twelve (12) thirty (30) day months.

The 2025 General Obligation Bonds shall have a final maturity of no later than four (4) years after the 2025 General Obligation Bonds are issued, and shall mature substantially in accordance with the parameters set forth in the maturity schedule as set forth on Exhibit A attached hereto, as modified by the Superintendent of the School Corporation (the “Superintendent”) or the Chief Financial Officer of the School Corporation (the “Chief Financial Officer”) at the time the 2025 General Obligation Bonds are issued based on the recommendation of Stifel, Nicolaus & Company, Incorporated, as the underwriter or placement agent for the 2025 General Obligation Bonds (the “Underwriter”) and Baker Tilly Municipal Advisors, LLC, which is the School Corporation’s municipal advisor in connection with the 2025 General Obligation Bonds (the “Municipal Advisor”).

The 2025 General Obligation Bonds shall not be subject to optional redemption prior to maturity unless determined by the Superintendent, based upon the recommendation of the Underwriter or the Municipal Advisor, at or prior to the time of sale or issuance of the 2025 General Obligation Bonds, and if subject to optional redemption in accordance with the terms and prices determined at the time of sale and/or issuance of the 2025 General Obligation Bonds by the Superintendent, based upon the recommendation of the Underwriter or the Municipal Advisor, at or prior to the time of sale or issuance of the 2025 General Obligation Bonds. The 2025 General Obligation Bonds may be subject to mandatory sinking fund redemption at one hundred percent (100%) face value at the Underwriter’s or the Bank’s (as hereinafter defined) discretion. If any 2025 General Obligation Bonds are subject to mandatory sinking fund redemption, the Registrar and Paying Agent shall credit against the mandatory sinking fund requirement for any term bonds and corresponding mandatory redemption obligation, in the order determined by the School Corporation, any term bonds maturing on the same date which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Registrar and Paying Agent for cancellation or purchased for cancellation by the Registrar and Paying Agent and not theretofore applied as a credit against any redemption obligation. Each term bond so delivered or canceled shall be credited by the Registrar and Paying Agent at one hundred percent (100%) of the principal amount thereof against the mandatory sinking fund obligation of such mandatory obligations and the principal amount of that term bond to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Registrar and Paying Agent shall credit such term bonds only to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date.

If any of the 2025 General Obligation Bonds are subject to redemption, notice of any redemption will be mailed by first class mail by the Registrar and Paying Agent not less than thirty (30) days prior to the date selected for redemption to the registered owners of all 2025 General Obligation Bonds to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing or a defect in the notice or the mailing as the 2025 General Obligation Bonds will not affect the validity or any proceedings for redemption as to any other 2025 General Obligation Bonds for which notice is adequately given. Notice having been mailed, the 2025 General Obligation Bonds designated for redemption will, on the date specified in such notice, become due and payable at the then applicable redemption price. On presentation and surrender of such 2025 General Obligation Bonds in accordance with such notice at the place at which the same are expressed in such notice to be redeemable, such 2025 General Obligation Bonds will be redeemed by the Registrar and Paying Agent and any paying agent for that purpose. From and after the date of redemption so designated, unless default is made in the redemption of the 2025 General Obligation Bonds upon presentation, interest on the 2025 General Obligation Bonds designated for redemption will cease. If the amount necessary to redeem any 2025 General Obligation Bonds called for redemption has been deposited with the Registrar and Paying Agent or any paying agent for the account of the registered owner or registered owners of such 2025 General Obligation Bonds on or before the date specified for such redemption and if the notice described has been duly mailed by the Registrar and Paying Agent, the School Corporation will be released from all liability on such 2025 General Obligation Bonds and such 2025 General Obligation Bonds will no longer be deemed to be outstanding and interest thereon will cease at the date specified for such redemption.

With respect to any optional redemption of any of the 2025 General Obligation Bonds pursuant to this Section 3(a), unless moneys sufficient to pay the principal of, and premium, if any, and interest on the 2025 General Obligation Bonds to be redeemed shall have been received by the Registrar and Paying Agent prior to the giving of such notice of redemption, such notice shall state that said redemption shall be conditional upon the receipt of such moneys by the Registrar and Paying Agent on or prior to the date fixed for redemption. If such moneys are not received by the redemption date, such notice shall be of no force and effect, the Registrar and Paying shall not redeem such 2025 General Obligation Bonds, the redemption price shall not be due and payable and the Registrar and Paying Agent shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such 2025 General Obligation Bonds will not be redeemed and that the failure to redeem such 2025 General Obligation Bonds shall not constitute an Event of Default under this Resolution. Moneys need not be on deposit with the Registrar and Paying Agent prior to the mailing of the notice of redemption of the 2025 General Obligation Bonds pursuant to the provisions of this Section 3(a).

(b) **Source of Payment.** The 2025 General Obligation Bonds are, as to all the principal thereof, and as to all interest due thereon, general obligations of the School Corporation, payable from ad valorem property taxes on all taxable property within the School Corporation, to be levied beginning in 2025 for collection beginning in 2026.

(c) **Payments.** Except as may be otherwise provided in the 2025 General Obligation Bonds, all payments of interest on the 2025 General Obligation Bonds shall be paid by the School Corporation to the Paying Agent (as hereinafter defined) no later than the last business day of the month immediately preceding the interest payment date with the understanding that the Paying

Agent shall pay all of the interest due on each interest payment date by wire transfer, or by check mailed one business day prior to the interest payment date, to the registered owners thereof as of the first day of the month of each interest payment date (the "Record Date") at the addresses as they appear on the registration and transfer books of the School Corporation kept for that purpose by the Registrar (the "Registration Record") or at such other address as is provided to the Paying Agent (as defined in Section 3 hereof) in writing by such registered owner. Except as may be otherwise provided in the 2025 General Obligation Bonds, all payments of the principal of the 2025 General Obligation Bonds shall be paid by the School Corporation to the Paying Agent no later than the last business day of the month immediately preceding the principal payment date with the understanding that the Paying Agent shall pay all of the principal due on each principal payment date upon surrender of the 2025 General Obligation Bonds due on such date at the principal office of the Paying Agent in any coin or currency of the United States of America which on the date of such payment shall be legal tender for the payment of public and private debts; provided, however, that with respect to the holder of any of the 2025 General Obligation Bonds who holds 2025 General Obligation Bonds at any time in the principal amount of at least One Million Dollars (\$1,000,000), principal payments may be paid by wire transfer or by check mailed without any surrender of the 2025 General Obligation Bonds if written notice is provided to the Paying Agent at least sixteen (16) days prior to the commencement of such wire transfers or mailing of the check without surrender of the 2025 General Obligation Bonds.

Interest on 2025 General Obligation Bonds shall be payable from the interest payment date to which interest has been paid next preceding the authentication date thereof unless such 2025 General Obligation Bonds are authenticated after the Record Date for an interest payment date and on or before such interest payment date in which case they shall bear interest from such interest payment date, or unless authenticated on or before the Record Date for the first interest payment date, in which case they shall bear interest from the original date, until the principal shall be fully paid.

(d) **Transfer and Exchange.** Each 2025 General Obligation Bond shall be transferable or exchangeable only upon the Registration Record, by the registered owner thereof in writing, or by the registered owner's attorney duly authorized in writing, upon surrender of such 2025 General Obligation Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or such attorney, and thereupon a new fully registered bond or bonds in the same aggregate principal amount, and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The costs of such transfer or exchange shall be borne by the School Corporation. The School Corporation, Registrar and Paying Agent may treat and consider the persons in whose name such 2025 General Obligation Bonds are registered as the absolute owners thereof for all purposes including for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon.

(e) **Mutilated, Lost, Stolen or Destroyed Bonds.** In the event any 2025 General Obligation Bond is mutilated, lost, stolen or destroyed, the School Corporation may execute and the Registrar may authenticate a new bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed, which new bond shall be marked in a manner to distinguish it from the bond for which it was issued, provided that, in the case of any mutilated bond, such mutilated bond shall first be surrendered to the Registrar, and in the case of any lost, stolen or

destroyed bond there shall be first furnished to the Registrar evidence of such loss, theft or destruction satisfactory to the School Corporation and the Registrar, together with indemnity satisfactory to them. In the event any such bond shall have matured, instead of issuing a duplicate bond, the School Corporation and the Registrar may, upon receiving indemnity satisfactory to them, pay the same without surrender thereof. The School Corporation and the Registrar may charge the owner of such 2025 General Obligation Bond with their reasonable fees and expenses in this connection. Any 2025 General Obligation Bond issued pursuant to this paragraph shall be deemed an original, substitute contractual obligation of the School Corporation, whether or not the lost, stolen or destroyed 2025 General Obligation Bond shall be found at any time, and shall be entitled to all the benefits of this Resolution, equally and proportionately with any and all other 2025 General Obligation Bonds issued hereunder.

(f) **Book-Entry-Only Requirements.** If it is determined by the President, based on the advice of the Superintendent, the Chief Financial Officer, the Underwriter or the Municipal Advisor, to be advantageous to the School Corporation, the 2025 General Obligation Bonds will initially be issued and held in book-entry form on the books of the central depository system, The Depository Trust Company, its successors, or any successor central depository system appointed by the School Corporation from time to time (the “Clearing Agency”), without physical distribution of 2025 General Obligation Bonds to the public. The following provisions of this Section apply in such event.

One definitive 2025 General Obligation Bond of each maturity shall be delivered to the Clearing Agency and held in its custody. The School Corporation, the Registrar and the Paying Agent may, in connection therewith, do or perform or cause to be done or performed any acts or things not adverse to the rights of the holders of the 2025 General Obligation Bonds as are necessary or appropriate to accomplish or recognize such book-entry form bonds.

So long as the 2025 General Obligation Bonds remain and are held in book-entry form on the books of a Clearing Agency, then (i) any such 2025 General Obligation Bond may be registered upon the registration record in the name of such Clearing Agency, or any nominee thereof, including Cede & Co.; (ii) the Clearing Agency in whose name such 2025 General Obligation Bond is so registered shall be, and the School Corporation, the Registrar and the Paying Agent may deem and treat such Clearing Agency as, the absolute owner and holder of such 2025 General Obligation Bond for all purposes of this Resolution, including, without limitation, receiving payment of the principal of and interest and premium, if any, on such 2025 General Obligation Bond, the receiving of notice and the giving of consent; and (iii) neither the School Corporation, the Registrar nor the Paying Agent shall have any responsibility or obligation hereunder to any direct or indirect participant, within the meaning of Section 17A of the Securities Exchange Act of 1934, as amended, of such Clearing Agency, or any person on behalf of which, or otherwise in respect of which, any such participant holds any interest in any 2025 General Obligation Bond, including, without limitation, any responsibility or obligation hereunder to maintain accurate records of any interest in any 2025 General Obligation Bond or any responsibility or obligation hereunder with respect to the receiving of payment of principal of or interest or premium, if any, on any 2025 General Obligation Bond, the receiving of notice or the giving of consent.

If the School Corporation receives notice from the Clearing Agency which is currently the registered owner of the 2025 General Obligation Bonds to the effect that such Clearing Agency is

unable or unwilling to discharge its responsibility as a Clearing Agency for the 2025 General Obligation Bonds or the School Corporation elects to discontinue its use of such Clearing Agency as a Clearing Agency for the 2025 General Obligation Bonds, then the School Corporation, the Registrar and the Paying Agent each shall do or perform or cause to be done or performed all acts or things, not adverse to the rights of the holders of the 2025 General Obligation Bonds, as are necessary or appropriate to discontinue use of such Clearing Agency as a Clearing Agency for the 2025 General Obligation Bonds and to transfer the ownership of each of the 2025 General Obligation Bonds to such person or persons, including any other Clearing Agency, as the holders of the 2025 General Obligation Bonds may direct in accordance with this Resolution. Any expenses of such discontinuance and transfer, including expenses of printing new certificates to evidence the 2025 General Obligation Bonds, shall be paid by the School Corporation.

So long as the 2025 General Obligation Bonds remain and are held in book-entry form on the books of a Clearing Agency, the Registrar and the Paying Agent shall be entitled to request and rely upon a certificate or other written representation from the Clearing Agency or any participant or indirect participant with respect to the identity of any beneficial owner of 2025 General Obligation Bonds as of a record date selected by the Registrar or Paying Agent. For purposes of determining whether the consent, advice, direction or demand of a registered owner of a 2025 General Obligation Bond has been obtained, the Registrar shall be entitled to treat the beneficial owners of the 2025 General Obligation Bonds as the bondholders and any consent, request, direction, approval, objection or other instrument of such beneficial owner may be obtained in the fashion described in this Resolution.

So long as the 2025 General Obligation Bonds remain and are held in book-entry form on the books of the Clearing Agency, the provisions of its standard form of Letter of Representations, if executed in connection with the issuance of such 2025 General Obligation Bonds, as amended and supplemented, or any successor agreement shall control on the matters set forth therein. Each of the Registrar and the Paying Agent agrees that it will (i) undertake the duties of agent set forth therein and that those duties to be undertaken by either the agent or the issuer shall be the responsibility of the Registrar and the Paying Agent, and (ii) comply with all requirements of the Clearing Agency, including without limitation same day funds settlement payment procedures. Further, so long as the 2025 General Obligation Bonds remain and are held in book-entry form, the provisions of Section 2(f) of this Resolution shall control over conflicting provisions in any other section of this Resolution.

Section 3. Appointment of Registrar and Paying Agent. The Bank of New York Mellon Trust Company, N.A., is hereby designated to serve as the initial registrar and paying agent for the 2025 General Obligation Bonds (the “Initial Registrar and Paying Agent”), and the Superintendent or the Chief Financial Officer is hereby authorized to appoint any successor registrar and paying agent for the 2025 General Obligation Bonds based on the recommendation of the Municipal Advisor (the Initial Registrar and Paying Agent, together with any successor, the “Registrar” or “Paying Agent”). The Registrar is hereby charged with the responsibility of authenticating the 2025 General Obligation Bonds, and shall keep and maintain the Registration Record at its office. The President is hereby authorized to enter into such agreements or understandings with any institution serving in such capacities as will enable the institution to perform the services required of the Registrar and Paying Agent. The School Corporation shall pay such fees as the institution may charge for the services it provides as Registrar and Paying Agent.

The Registrar and Paying Agent may at any time resign as Registrar and Paying Agent by giving thirty (30) days written notice to the President and to each registered owner of the 2025 General Obligation Bonds then outstanding, and such resignation will take effect at the end of such thirty (30) days or upon the earlier appointment of a successor Registrar and Paying Agent by the School Corporation. Such notice to the President may be served personally or be sent by first-class or registered mail. The Registrar and Paying Agent may be removed at any time as Registrar and Paying Agent by the School Corporation, in which event the School Corporation may appoint a successor Registrar and Paying Agent. The President shall notify each registered owner of the 2025 General Obligation Bonds then outstanding of the removal of the Registrar and Paying Agent. Notices to registered owners of the 2025 General Obligation Bonds shall be deemed to be given when mailed by first-class mail to the addresses of such registered owners as they appear on the Registration Record. Any predecessor Registrar and Paying Agent shall deliver all the 2025 General Obligation Bonds, cash and investments related thereto in its possession and the Registration Record to the successor Registrar and Paying Agent. At all times, the same entity shall serve as Registrar and as Paying Agent.

In connection with any such sale to the Underwriter or the Bank, the Bond Purchase Agreement, substantially in the form and substance approved by the Superintendent or the Chief Financial Officer (the “Bond Purchase Agreement”), by and between the School Corporation and the Underwriter or the Bank, as applicable, be, and hereby is, ratified and approved. The President or any other officer of the School Corporation be, and hereby is, authorized and directed to execute and deliver the Bond Purchase Agreement, with such changes thereto as such officer deems necessary or advisable as advised by the Superintendent, in the name and on behalf of the School Corporation, and the Secretary or any officer of the School Corporation be, and hereby is, authorized and directed to attest such execution and delivery and any such execution and/or attestation heretofore effected be, and hereby are, ratified and approved.

The President is hereby authorized and directed to have the 2025 General Obligation Bonds prepared, the President and Secretary are hereby authorized and directed to execute the 2025 General Obligation Bonds in substantially the form and the manner herein provided. The President is hereby authorized and directed to deliver the 2025 General Obligation Bonds to the purchaser; thereupon, the President shall be authorized to receive from the purchaser the purchase price and take the purchaser’s receipt for the 2025 General Obligation Bonds. The amount to be collected by the President shall be the full amount which the purchaser has agreed to pay therefor, which shall be not less than ninety-nine and one half percent (99.50%) of the face value of the 2025 General Obligation Bonds plus accrued interest to the date of delivery.

The proceeds from the sale of the 2025 General Obligation Bonds shall be deposited in a fund, funds, account, or accounts of the School Corporation established by the Chief Financial Officer and held or invested as permitted by law.

The President is hereby authorized and directed to obtain a legal opinion as to the validity of the 2025 General Obligation Bonds from Barnes & Thornburg LLP, and to furnish such opinion to the purchasers of the 2025 General Obligation Bonds. The cost of such opinion shall be paid out of the proceeds of the 2025 General Obligation Bonds.

Section 6. Defeasance. If, when the 2025 General Obligation Bonds or any portion thereof shall have become due and payable in accordance with their terms, and the whole amount of the principal and the interest so due and payable upon such 2025 General Obligation Bonds or any portion thereof then outstanding shall be paid, or (i) cash, or (ii) direct non-callable obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, the principal of and the interest on which when due without reinvestment will provide sufficient money, or (iii) any combination of the foregoing, shall be held irrevocably in trust for such purpose, and provision shall also be made for paying all fees and expenses for the payment, then and in that case the 2025 General Obligation Bonds or such designated portion thereof shall no longer be deemed outstanding or secured by this Resolution.

Section 7. Tax Matters. In order to preserve the exclusion of interest on the 2025 General Obligation Bonds from gross income for federal income tax purposes and as an inducement to purchasers of the 2025 General Obligation Bonds, the School Corporation represents, covenants and agrees that:

(a) No person or entity, other than the School Corporation or another state or local governmental unit, will use proceeds of the 2025 General Obligation Bonds or property financed by the 2025 General Obligation Bond proceeds other than as a member of the general public. No person or entity other than the School Corporation or another state or local governmental unit will own property financed by 2025 General Obligation Bond proceeds or will have actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract, an arrangement such as a take-or-pay or output contract, or any other type of arrangement that differentiates that person's or entity's use of such property from the use by the public at large.

With respect to any management or service contracts with respect to the 2025-2027 High Schools Expansion/Renovation and District-Wide Facility Improvement and Equipping Preliminary/Initial Phase Expenses or any portion thereof, the School Corporation will comply with Revenue Procedure 2017-13, as the same may be amended or superseded from time to time.

(b) No 2025 General Obligation Bond proceeds will be loaned to any entity or person other than a state or local governmental unit. No 2025 General Obligation Bond proceeds will be transferred, directly or indirectly, or deemed transferred to a non-governmental person in any manner that would in substance constitute a loan of the 2025 General Obligation Bond proceeds.

(c) The School Corporation will not take any action or fail to take any action with respect to the 2025 General Obligation Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the 2025 General Obligation Bonds pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and the regulations thereunder as applicable to the 2025 General Obligation Bonds, including, without limitation, the taking of such action as is necessary to rebate or cause to be rebated arbitrage profits on 2025 General Obligation Bond proceeds or other monies treated as 2025 General Obligation Bond proceeds to the federal government as provided in Section 148 of the Code, and will set aside such monies, which may be paid from investment income on funds and accounts notwithstanding anything else to the contrary herein, in trust for such purposes.

(d) The School Corporation will file an information report on Form 8038-G with the Internal Revenue Service as required by Section 149 of the Code.

(e) The School Corporation will not make any investment or do any other act or thing during the period that any 2025 General Obligation Bond is outstanding hereunder which would cause any 2025 General Obligation Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the regulations thereunder as applicable to the 2025 General Obligation Bonds.

Notwithstanding any other provisions of this Resolution, the foregoing covenants and authorizations (the “Tax Sections”) which are designed to preserve the exclusion of interest on the 2025 General Obligation Bonds from gross income under federal income tax law (the “Tax Exemption”) need not be complied with if the School Corporation receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

Section 8. Amendments. Subject to the terms and provisions contained in this section, and not otherwise, the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the 2025 General Obligation Bonds then outstanding shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption by the School Corporation of such resolution or resolutions supplemental hereto as shall be deemed necessary or desirable by the School Corporation for the purpose of amending in any particular manner any of the terms or provisions contained in this Resolution, or in any supplemental resolution; provided, however, that nothing herein contained shall permit or be construed as permitting without the consent of all affected owners of the 2025 General Obligation Bonds:

(a) An extension of the maturity of the principal of or interest on any 2025 General Obligation Bond without the consent of the holder of each 2025 General Obligation Bond so affected; or

(b) A reduction in the principal amount of any 2025 General Obligation Bond or the rate of interest thereon or a change in the monetary medium in which such amounts are payable, without the consent of the holder of each 2025 General Obligation Bond so affected; or

(c) A preference or priority of any 2025 General Obligation Bond over any other 2025 General Obligation Bond, without the consent of the holders of all 2025 General Obligation Bonds then outstanding; or

(d) A reduction in the aggregate principal amount of the 2025 General Obligation Bonds required for consent to such supplemental resolution, without the consent of the holders of all 2025 General Obligation Bonds then outstanding.

If the School Corporation shall desire to obtain any such consent, it shall cause the Registrar to mail a notice, postage prepaid, to the addresses appearing on the Registration Record. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that a copy thereof is on file at the office of the Registrar for inspection by all owners of the 2025 General Obligation Bonds. The Registrar shall not, however, be subject to any liability to any owners of the 2025 General Obligation Bonds by reason of its failure to mail such notice, and any such failure shall not affect the validity of such supplemental resolution when consented to and approved as herein provided.

Whenever at any time within one (1) year after the date of the mailing of such notice, the School Corporation shall receive any instrument or instruments purporting to be executed by the owners of the 2025 General Obligation Bonds of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the 2025 General Obligation Bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental resolution described in such notice, and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice as on file with the Registrar, thereupon, but not otherwise, the School Corporation may adopt such supplemental resolution in substantially such form, without liability or responsibility to any owners of the 2025 General Obligation Bonds, whether or not such owners shall have consented thereto.

No owner of any 2025 General Obligation Bond shall have any right to object to the adoption of such supplemental resolution or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the School Corporation or its officers from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental resolution pursuant to the provisions of this Section, this Resolution shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the School Corporation and all owners of 2025 General Obligation Bonds then outstanding shall thereafter be determined, exercised and enforced in accordance with this Resolution, subject in all respects to such modifications and amendments.

Notwithstanding anything contained in the foregoing provisions of this Resolution, the rights, duties and obligations of the School Corporation and of the owners of the 2025 General Obligation Bonds, and the terms and provisions of the 2025 General Obligation Bonds and this Resolution, or any supplemental resolution, may be modified or amended in any respect with the consent of the School Corporation and the consent of the owners of all the 2025 General Obligation Bonds then outstanding.

Without notice to or consent of the owners of the 2025 General Obligation Bonds, the School Corporation may, from time to time and at any time, adopt such resolutions supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental resolutions shall thereafter form a part hereof),

(a) to cure any ambiguity or formal defect or omission in this Resolution or in any supplemental resolution; or

(b) to grant to or confer upon the owners of the 2025 General Obligation Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the owners of the 2025 General Obligation Bonds; or

(c) to procure a rating on the 2025 General Obligation Bonds from a nationally recognized securities rating agency designated in such supplemental resolution, if such supplemental resolution will not adversely affect the owners of the 2025 General Obligation Bonds; or

(d) to provide for the refunding or advance refunding of the 2025 General Obligation Bonds; or

(e) to make any other change which, in the determination of the Board in its sole discretion, is not to the prejudice of the owners of the 2025 General Obligation Bonds.

Section 9. Engagement of Finance Professionals. In connection with the issuance of the 2025 General Obligation Bonds, the Board hereby engages (a) Stifel, Nicolaus & Company, Incorporated, to serve as the Underwriter, or if recommended by the Underwriter, the placement agent, (b) Baker Tilly Municipal Advisors, LLC, to serve as the municipal advisor, and (c) Barnes & Thornburg LLP to serve as the bond counsel.

Section 10. Other Actions and Documents. The officers of the School Corporation, the Superintendent and the Chief Financial Officer are hereby authorized and directed, for and on behalf of the School Corporation, to execute, attest and seal all such documents, instruments, certificates, closing papers and other papers and do all such acts and things as may be necessary or desirable to carry out the intent of this Resolution, including, but not limited to, the publication of the notice of the adoption of this Resolution and the issuance of the 2025 General Obligation Bonds. In addition, any and all actions previously taken by any member of the Board, the Superintendent or the Chief Financial Officer in connection with this Resolution, including, but not limited to, publication of the notice of the public hearing held in connection herewith, be, and hereby are, ratified and approved. In addition to the foregoing, the President and the Secretary, based on the advice of the Underwriter or the Municipal Advisor or at the request of the purchaser of the 2025 General Obligation Bonds, may modify the dates of the semi-annual interest payment dates to be such other dates which are at least six (6) months apart, and if such interest payment dates are changed, the President and the Secretary may modify the Record Date to such other date that is at least fourteen (14) days prior to each such interest payment date.

Section 11. No Conflict. All resolutions and orders or parts thereof in conflict with the provisions of this Resolution are to the extent of such conflict hereby repealed. After the issuance of the 2025 General Obligation Bonds authorized by this Resolution and so long as any of the 2025

General Obligation Bonds or interest thereon remains unpaid, except as expressly provided herein, this Resolution shall not be repealed or amended in any respect which will adversely affect the rights of the holders of the 2025 General Obligation Bonds, nor shall the School Corporation adopt any law which in any way adversely affects the rights of such holders.

Section 12. Severability. If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Resolution.

Section 13. Non-Business Days. If the date of making any payment or the last date for performance of any act or the exercising of any right, as provided in this Resolution, shall be a legal holiday or a day on which banking institutions in the School Corporation or the jurisdiction in which the Registrar or Paying Agent is located are typically closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which such banking institutions are typically closed, with the same force and effect as if done on the nominal date provided in this Resolution, and no interest shall accrue for the period after such nominal date.

Section 14. Interpretation. Unless the context or laws clearly require otherwise, references herein to statutes or other laws include the same as modified, supplemented or superseded from time to time.

Section 15. Effectiveness. This Resolution shall be in full force and effect from and after its passage. Upon payment in full of the principal and interest respecting the 2025 General Obligation Bonds authorized hereby or upon deposit of an amount sufficient to pay when due such amounts in accord with the defeasance provisions herein, all pledges, covenants and other rights granted by this Resolution shall cease.

Adopted this 8th day of September, 2025.

APPENDIX D

_____, 2025

Perry Township Schools
Indianapolis, Indiana

Re: \$_____ Perry Township Schools, Marion County, Indiana, General Obligation
Bonds, Series 2025

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by the Perry Township Schools, Marion County, Indiana (the “Issuer”), of \$_____ aggregate principal amount of its General Obligation Bonds, Series 2025, dated the date hereof (the “Bonds”), pursuant to Indiana Code 20-48-1, as amended, and a resolution adopted by the Issuer on September 8, 2025 (the “Resolution”). We have examined the law and such certified proceedings and such other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the Issuer contained in the Resolution, the certified proceedings and other certifications of public officials furnished to us, and certifications, representations and other information furnished to us by or on behalf of the Issuer and others, including without limitation certifications contained in the tax and arbitrage certificate of the Issuer dated the date hereof, without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion that, under existing law:

1. The Issuer is a school corporation validly existing under the laws of the State of Indiana, with the corporate power to adopt the Resolution and perform its obligations thereunder and to issue the Bonds.

2. The Bonds have been duly authorized, executed and delivered by the Issuer, and are valid and binding general obligations of the Issuer, enforceable in accordance with their terms. The Bonds are payable solely from *ad valorem* taxes to be levied and collected on all taxable property in the territory of the Issuer in an amount sufficient to pay the principal of, and interest on, the Bonds as such becomes due.

3. Under Section 103 of the Internal Revenue Code of 1986, as amended and in effect on this date (the “Code”), the interest on the Bonds is excludable from gross income for federal income tax purposes. The opinion set forth in this paragraph is subject to the condition that the Issuer complies with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The Issuer has covenanted or represented that it will comply with such requirements. Failure

to comply with certain of such requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds.

4. Interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax. However, such interest is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax.

5. Interest on the Bonds is exempt from income taxation in the State of Indiana (the “State”) for all purposes except the State financial institutions tax.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Final Official Statement dated _____, 2025, or any other offering material relating to the Bonds, and we express no opinion relating thereto.

We express no opinion regarding any tax consequences arising with respect to the Bonds, other than as expressly set forth herein.

With respect to the enforceability of any document or instrument, this opinion is subject to the qualifications that: (i) the enforceability of such document or instrument may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium, fraudulent conveyance and similar laws relating to or affecting the enforcement of creditors’ rights; (ii) the enforceability of equitable rights and remedies provided for in such document or instrument is subject to judicial discretion, and the enforceability of such document or instrument may be limited by general principles of equity; (iii) the enforceability of such document or instrument may be limited by public policy; and (iv) certain remedial, waiver and other provisions of such document or instrument may be unenforceable, provided, however, that in our opinion the unenforceability of those provisions would not, subject to the other qualifications set forth herein, affect the validity of such document or instrument or prevent the practical realization of the benefits thereof.

This opinion is given only as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law that may hereafter occur.

Very truly yours,

APPENDIX E
